On Thursday, the Noblesville Chamber of Commerce held its fifth annual "Birdies & Brews" golf fundraiser event at Purgatory Golf Club in Noblesville. The golf event helps to raise funds for local small business outreach and advocacy through the Noblesville Chamber's ongoing work in the community.

The Birdies & Brews event usually ends with a "19th hole buffet dinner" held at Purgatory Golf Club.

"Like all our events, we have adapted this year's event to comply with current health and safety guidelines, so our traditional after-event dinner was

Participating restaurants include Aspen Creek Grill, Grindstone Public House. Chuy's, Big Woods, Cunningham Restaurant Group, and BJ's Restaurant. Each of these Chamber members offered gift cards for the golf event at no cost or at a large discount to support the event. A dirty magistrate, a Carmel attorney, an out-oftown prosecutor and judge walk into a courtroom – sound like the opening line for a good joke? It happened this week in our county, and the result wasn't what was expected.

Former Hamilton County magistrate Will Greenaway - previously charged with three felonies - walked out of the Hamilton County Judicial Center on Wednesday with a slap on the wrist.

In 2018, Greenaway was the focus of a multi-agency investigation that included narcotics officers and investigators with the Noblesville Police Department and the Indiana State Police.

The investigation alleges the former magistrate used a code word, "coffee," when discussing methamphetamine with police informants. Investigators stated the former magistrate was seen multiple times using meth. He was arrested in a public parking lot during an arranged drug deal while in possession of methamphetamine, swallowed the bag of drugs when approached by police, and then, according to police reports, bit a police officer.

vious source of meth.

As you can see, this wasn't your run of the mill possession arrest where "Johnny" gets stopped for speeding and the police find a bag of dope.

It was a magistrate. Like it or not, a person who should be held to a higher standard. It was an investigation that cost the city of Noblesville and the State of Indiana time and money. An investigation that injured a police officer.

It was an investigation resulting in felony charges filed against a court official. An investigation that culminated in a misdemeanor plea bargain approved by an outof-town judge and an outof-town prosecutor.

If Greenaway completes the terms of his probation and pays a few hundred dollars in fines and court costs, the only time he will have seen in jail was the few hours it took him to initially bond out.

Unfortunately, I see no opportunity for accountability in this case. The prosecutor was from Howard County. The judge was from Tipton County. Maybe things are handled a little Let's not forget, when differently where they come searched by police, he was from, but I would think the that reportedly was a pre- pected a different outcome.

Letter to the Editor ——— Noblesville reader: Choice is clear with Trump and Biden

Dear Editor.

On Sept. 19, Ms. Schroer wrote why she could not support President **Trump's reelection.**

Ms. Schroer cites DNC talking points to support her position. I believe these talking points are easily disputable, especially when considered in context. By example, the hate-filled rhetoric started in 2016 with the tantrums thrown by radical Democrats when it was clear your candidate lost.

It hasn't stopped.

In President Trump's inaugural address, he offered an olive branch of peace with Democrats stating he would work making America's businesses uncompetwith and negotiate with anyone. That itive in a global market. Eighty percent of offer was flatly rejected by the Democrat-led "Resistance." This new movement was openly designed to make sure nothing got done in Washington. There was a time when most Americans would call this behavior childish. What has happened to us in America that this behavior by politicians is OK? I suggest voters should remember: The "Resistance" now wants your vote! President Trump has focused on delivering for the American people, most importantly through economic growth, and higher paying jobs. Mr. Obama and other Democrats said Trump won't get jobs back in the country: "...what's he gonna do, wave a magic wand?" Well, he did it starting with improved trade agreements, insisting trade had to be fair for the American people!

Wow, where has that effort been from past politicians? I recall in the 1990s when NAFTA was being implemented, Independent presidential candidate Ross Perot said, "That giant sucking sound you hear is high paying jobs leaving America." That didn't change until President Trump.

President Trump has rolled back oppressive Obama/Biden era regulations on business. Remember their words: "If you have a business, you didn't build it." President Trump cut taxes for all Americans, especially business tax which was the highest of any developed country, job growth comes from small businesses. Remember, Democrats have vowed to let those tax cuts expire. President Trump is the only president in the modern era that hasn't taken us into a major military conflict where regime change was the objective. Remember, while Obama/Biden said America would "lead from behind" Libya became a tragic story. President Trump has been nominated for two Nobel Peace Prizes for treaties between Israel and Arab countries. Remember, Obama/Biden Secretary of State John Kerry said that would never happen.

Cybersecurity experts praise AG Hill's proposed data protection safe harbor rule

The REPORTER

Indiana Attorney General Curtis Hill on Wednesday joined cybersecurity experts at a U.S. Chamber of Commerce virtual event to discuss his intent to establish a rule in Indiana that would better protect Hoosiers from cyberattacks, the fastest-growing type of crime in the United States.

Hill's proposed safe harbor rule would give businesses operating in Indiana a better understanding of how to protect consumers' data and reward businesses who comply with steps laid out in the rule. Should the rule be implemented, Indiana would be the first state in the U.S. to approach this issue via regulation.

TODAY'S BIBLE READING

And all the city was moved, and the people ran together: and they took Paul, and drew him out of the temple: and forthwith the doors were shut. And as they went about to kill him, tidings came unto the chief captain of the band, that all Jerusalem was in an uproar. Who immediately took soldiers and centurions, and ran down unto them: and when they saw the chief captain and the soldiers, they left beating of Paul. Then the chief captain came near, and took him, and commanded him to be bound with two chains; and demanded who he was, and what he had done. And some cried one thing, some another, among the multitude: and when he could not know the certainty for the tumult, he commanded him to be carried into the castle.

June LaVerne Newsom Sunrise - June 13, 1953 Sunset - September 21, 2020

June LaVerne Newsom was born on June 13, 1953

to her loving parents, Rev. Henry E. Miller and Dorothy Mae (Barksdale) Miller, in Gary, Ind. (both now deceased). She was one of four children born into this family and grew up as a "preacher's kid" and accepted Christ at an early age.

June was a graduate of Thornridge High School in Dolton, Ill., and Patricia Stevens Career College. She was

employed as an Administrator at Milwaukee Railroad, Manager of IBM-Guided Learning Center, Entrepreneur for "Baskets and More" (her own creation), and Sales Associate for Cynthia's Hallmark.

On January 21, 1984, she committed to a new life when she joined Vincent Michael Newsom in holy matrimony at Daniels Chapel A.M.E. Zion Church in Phoenix, Ill., and relocated to Indiana. To this union were born two children, Erica Renee Sweet (Sam) and Ryan Michael Newsom. She was later promoted to "Mimi" for the loves of her life, grandchildren Brooklynn Michelle Sweet and Maddison Jayde Sweet.

Upon relocating to Indiana, June immediately joined Bethel A.M.E. Church-Noblesville where she continued to use the gifts and talents God had given to her. As most of her friends and family know, music was her passion – in fact "Gospel 24/7." She directed Bethel's Victory in Praise Adult Choir for more than 35 years and for many of those years, organized an annual Choir Anniversary Celebration for which Bethel and the community embraced, she organized and directed the Voices of Promise Youth Choir and also the Men's Choir at Bethel. June's musical talents were sought after in the community and she organized and directed the first-ever Noblesville Community Church Choir which served the community for several years.

In addition to her musical gifts at Bethel, June served as a teacher for the Beginner's Sunday School Class, editor for Bethel's newsletter ("The Voice"), a dedicated member of Bethel's Steward Board, and Torchlighter for the Dorcas Women's Missionary Society of Bethel where she also served as Worship Director.

The best way to describe June's dedication to Bethel – "She was in it 100% on any church project and committed to do it 'big' and 'over the top'."

During her moments of relaxation at home, she loved to watch the movie, "The Preacher's Wife" (over, and over, and over), and the Hallmark Movie Channel.

June's memory will be cherished forever by many friends and family, especially her husband, Vincent Newsom, her children, Erica Sweet (Sam), Ryan Newsom, grandchildren, Brooklynn Michelle Sweet and Maddison Jayde Sweet. She is also survived by her sisters, Betty Ruth (Rev. Dr. John Paul Ruth), Gwen Walker, Joyce Thompkins (Zachary Thompkins), and a host of nieces, nephews and cousins.

June's life ministry will be cherished forever. In lieu of flowers, the family requests that memorial contributions be made to Bethel A.M.E. Church, 17777 Little Chicago Road, Noblesville, IN 46062.

The family wishes to gratefully acknowledge, with sincere appreciation, all the messages of sympathy, telephone calls, and words of kindness and comfort during our time of bereavement.

Services will be held at 1 p.m. on Wednesday, September 30, 2020 at Bethel A.M.E. Church, 17777 Little Chicago Road, Noblesville. Visitation will be from noon to the time of service at the church. Burial will follow at Hamilton Memorial Park Cemetery.

Friday night football - Week 6

Millers outduel Flashes for first HCC win

By RICHIE HALL

NOBLESVILLE - After addressing his happy Millers team at the conclusion of its gritty, entertaining and slightly crazy win over Franklin Central on Friday, Noblesville head football coach Dave Sharpe summed up his thoughts by saying this:

"They did it the hard way," said Sharpe. "There's no easy way out, they did it the hard way."

The Millers picked up their first Hoosier Crossroads Conference victory of the season by outdueling the Flashes 20-13 Friday at Beaver Materials Field. Noblesville rode its defense to the finish line, with the special teams playing outstanding, too. The Millers' young offense also played well, standing up to Franklin Central's senior defense.

It all added up to a satisfying win that brought a three-game losing streak to an end.

"It doesn't matter what level you are, a three-game losing streak is miserable," said Sharpe. "Especially that last one. Our kids fought like crazy all week in practice. They know they're good enough to beat these teams. They came out with intensity. I think we started with more of a bang. We started with more passion."

The Millers' first score of the game was due to its defense. The Flashes were beginning a drive on the 50-yard line, but it never began: Shayne Story intercepted the ball and took it 55 yards for a touchdown.

That gave Noblesville a 6-0 lead with 7:28 left in the first quarter, and the Millers held the lead for exactly one period. Franklin Central tied the game at the 7:31 mark of the second quarter when Josh Ruley punched the ball in from the oneyard line.

Noblesville got the ball back with under two minutes to go in the half and ground its way down to a 4th-and-4 at the 14-yard line. Grayden Addison was called in for a 31-yard field goal attempt, and nailed it perfectly, putting the Millers up 9-6 with eight seconds left in the half. Noblesville would not trail again.

The third quarter was mostly defense

The tone was set for the period when Sam Steinhofer made a sack that cost the Flashes 13 yards.

Noblesville added three more points to its side of the scoreboard with 42 seconds left in the quarter when Addison kicked another 31-yard field goal. This one put the Millers up 12-6.

Franklin Central then began a long drive that took the Flashes from their own 31 to the Noblesville 5. But the Millers defense was on FC's case the entire time. Skyler Tolliver made a sack early in the drive, then Zach Blevins grabbed an interception with the Flashes at 4th-andgoal at the 10.

Noblesville now had the ball, but found itself pushed back to its own 5 in a 3rd-and-13 situation. No worries: Owen Jones blasted off on a 90-yard run, taking the ball from the Millers 5 to the Flashes 5. Two plays later, Jones sailed into the end zone on a three-yard run. Conner Meinerding then tossed a two-point conversion pass to Andrew Page, and Noblesville led 20-6.

"It was timely," said Sharpe. "We were kind of in a four-minute offense mode. We're trying to preserve our small lead and get a first down or two or three and win the game. But he went ahead and

went about 90 and then he was able to score a couple plays later."

Franklin Central answered quickly, though. It took the Flashes three plays to score, with Colin Badgero and Dennis Crawford teaming up for a 54-yard touchdown pass play. Juan Boyzo made the extra-point kick.

Noblesville was then held to a threeand-out, sending Addison out to punt. He delivered big time, with a 61-yard punt that forced FC to start from its own 8-yard line.

"How about that last punt? That's how I want my pitching wedge to look," said Sharpe.

With 92 yards to the end zone and 2:07 left on the clock, the Flashes started a furious drive. Badgero completed five straight passes to get the ball to the Millers' 39. But the Noblesville defense stepped up one more time. With the Flashes 3rd-and-3 at the 32, their last two passes fell incomplete.

Aidan Walker led the Millers with

eight tackles, followed by Blaine Mc- Jones totaled 185 yards rushing in 17 car-Nabb with six. Tolliver had 5.5 stops, with ries. Jackson Slone and Alairic Rogers-Walton both making five. Slone also had an interception, joining Story and Blevins to give Noblesville three picks for the game.

Westfield converts two-point run in overtime... Shamrocks knock off No. 2 Bulldogs

Westfield and Brownsburg had been "Our kids deserved that win." slugging it out for four quarters, and that wasn't enough to decide a winner in Fri- out. The Bulldogs scored first, then day's matchup of two teams that were leading the Hoosier Crossroads Conference standings.

So, it was on to overtime. The host, Class 6A No. 2 Bulldogs went first, scored a touchdown and kicked the extra score tied 14-14. point to lead 42-35.

Now it was the 6A No. 8 Shamrocks' turn. They only needed one play to score: Maximus Webster threw a 10-yard touchdown pass to Reid Scheppers. Westfield then went for a two-point conversion, which the 'Rocks had already decided to do before heading into the extra period.

"It was such a hard-fought game, everybody was exhausted," said Westfield coach Jake Gilbert. "We were on the road and we just had plenty of reason to go for two then."

And it worked. The Shamrocks ran a reverse to Carson Voorhis, who ran into the end zone. The Westfield team may have been exhausted, but it was also a 43-42 winner over previously unbeaten Brownsburg.

"Ultimately this was just a game about guts and toughness," said Gilbert.

It was a back and forth game through-Westfield answered with a five-yard touchdown run by Webster. Brownsburg scored again, so did the Shamrocks: Webster threw a 74-yard TD pass to Mason Piening, to finish the first quarter with the

Micah Hauser scored late in the third quarter on a five-yard run, and that put Westfield up 35-28. The Bulldogs held the 'Rocks scoreless in the fourth quarter while adding another touchdown, which made the score 35-35 at the end of regulation.

Royals rally to beat Zionsville, 14-13

Hamilton Southeastern got back on the winning track on Friday, rallying from a third-quarter deficit to beat visiting Zionsville 14-13 at TCU Field.

Neither team scored in the first half, which contrasted sharply with the second half. The Eagles scored two touchdowns in a hurry to go up 13-0 at the midway point of the third period.

The Royals took over after that. John McCall teamed up with Martice Taylor late in the third for an 11-yard pass play. Alex Geroulis then added a point-after kick.

That same trio struck again in the fourth quarter. With 10:36 remaining, McCall sent a 10-yard pass to Taylor, who made it to the end zone again. The score was tied for a few seconds, then Geroulis nailed the extra-point kick to give Southeastern a 14-13 lead, and the Royals hung on from there.

After that, the defense took over for Southeastern, holding off Zionsville and giving the Royals another Hoosier Crossroads Conference victory.

"Mikah Phillips made some big plays on defense for us," said HSE coach Michael Kelly.

McCall had a nice game, completing 14 of 21 attempts for 128 yards. Taylor finished with five catches and Blaine Wertz had four; Kelly said a long pass to Wertz helped spark the Royals' rally.

Jace Alexander led the rushing with 62 vards. Devin Dudley made seven tackles, with Louden Sundling getting 5.5 both made 1.5 tackles for a loss.

Southeastern is 3-1 in HCC play and

Hamilton Southeastern's Jace Alexander led the Royals in rushing during their game with Zionsville Friday

at TCU Field. Alexander had 62 yards. Southeastern came back to beat the Eagles 14-13.

"The kids fought through everything," 4-2 overall. The Royals travel to Noblesville next Friday. A boxscore appears below.

Hawks start fast, overwhelm Taylor

Sheridan coach Bud Wright said that last week, his Blackhawks team "had an exceptionally slow start" in its game at Clinton Prairie, "and we preached that all week long."

It was message received for Sheridan, which blasted out of the gates in its Friday game with Taylor. The 'Hawks led 47-8 at halftime and cruised to a 65-22 Hoosier Heartland Conference win over the Titans at Bud Wright Stadium.

Sheridan began with three touchdowns in the first quarter. Cameron Hovey scored the first two on runs of 58 and 19 yards, then Gavin Reners added a four-yard score late in the period.

That turned out to be a warm-up for the second quarter. Hovey reached the end zone two more times, on runs of 33 and eight yards. Peyton Cross streaked in to score from 43 yards, and Jalen Herron added a 27-yard touchdown run.

"Tonight we came out ready to go," said Wright.

The Blackhawks scored two additional touchdowns in the third period. Hov-

ey rushed in from 69 yards, and Herron zoomed in to the end zone on a 51-yard run. Sheridan added a fourth-quarter touchdown as the clock hit 0:00, with Eli Kolb throwing a 76-yard pass to Evan Grimstead.

Hovey finished the game with 224 yards rushing, and also made five extra-point kicks. Herron totaled 107 yards rushing.

The Blackhawks are 4-1 overall and host Seeger next Friday.

Orioles run away from Tigers, 49-14

Fishers had another tough night on Friday, as the Tigers lost to Avon 49-14 in Hall, who hauled the ball in 86 yards for a a Hoosier Crossroads Conference game touchdown and gave the Orioles a 42-14 at the Orioles' field.

Avon scored first, with Henry Hesson making a five-yard touchdown pass to Remington Gall three minutes into the game. It would be the first of five TD throws for Hesson.

Fishers answered quickly, with Landon Morris grabbing a 43-yard reception from Lucas Prewitt for a touchdown. Christian Wayne's extra-point kick tied the game at 7-7.

But the Orioles took over after that, scoring four straight touchdowns, two in each of the first two quarters. That gave Avon a 35-7 lead. The Tigers cut it to 35-14 on a 13-yard touchdown pass play from Prewitt to Silas Martin, with Wayne making the extra-point kick.

Hesson struck again, throwing to Joe halftime lead. Hesson teamed with Gall in the third quarter for a 20-yard pass play score for his fifth TD of the night.

"We made some mental mistakes and unfortunately, against a good team like Avon, you can't do that because they'll capitalize on the mistakes," said Fishers coach Curt Funk. "Some of our mistakes turned into points for them.

"But it wasn't from a lack of effort. Our kids still played hard. And we had some new players in the lineup tonight that were getting their first varsity experience and I think we can keep building as a team."

Prewitt had a fine game, going 20-of-28 through the air for 220 yards. Jeffrey Simmons had 10 of those catches for 115

The Trojans' defense never let Guerin Catholic get anything going, holding the next Friday to host Northview.

Guerin Catholic had to deal with the Golden Eagles to seven yards rushing and 32 yards passing. Jagger Albert was GC's top rusher with 21 yards.

> Jack McGowan completed 2-of-3 passes for 23 yards, while Sam Miller made 2-of-6 passes. Ryan Glenn had two catches.
