Former county magistrate sees no jail time for felonies

The REPORTER

Former Hamilton County Magistrate Will Greenaway was sentenced last Wednesday after drafting a plea agreement approved by a Special Prosecutor and Special Judge assigned to the case.

drug transaction between Greenaway and a police informant.

Police said during the arrest Greenaway swallowed the bag of drugs and bit a police officer.

After Greenaway's arrest, Hamilton County Superior Court 5 Judge David Najjar recused himself from the case and assigned Tipton County Judge Thomas Lett as Special Judge and Howard County Prosecutor Mark McCann as Special Prosecutor.

Greenaway

Lett sentenced Greenaway to:

Westfield's Grand Park to serve as new home for Farm Expo

The REPORTER

Due to continuing public health conditions and required safety and security protocols, organizers for the Indiana Farm Equipment and Technology Expo recently announced the cancellation of 2020 show that was scheduled to take place this December at the Indiana State Fairgrounds.

Owners of the annual event, Gary Thoe and Gary Truitt, said, "After two years of successful operation and growth, this was a difficult decision. We feel this is in the long-term best interest of those who exhibit and attend. We do, however, have some very exciting news about the 2021 and 2022 shows."

Thoe and Truitt announced on the event's webpage that beginning in 2021, the Indiana Farm Equipment and Technology

Expo will be held at Grand Park in Westfield.

"This new venue will totally change the look and feel of the show and provide some great amenities for both exhibitors and attendees," said Truitt. "The exhibit area will be much larger with expansive height and clearance to better showcase large equipment. The facility features quick and easy access off interstate highways and over 1,000 free parking spaces. Dozens of restaurants and hotels are within minutes of the facility and a variety of shopping and entertainment choices are also conveniently located in the area. This will make a visit to the farm show for a great family outing during the holiday season."

The dates for the 2021 show are scheduled for Dec. 14-16.

HSE school board keeps 50/50 attendance for grades 5-12

By LARRY LANNAN
LarryInFishers.com

The Hamilton Southeastern (HSE) school board did not receive a recommendation from school administrators to move toward a 100 percent in-person classroom experience for students in grades 5-12 at last Wednesday night's board meeting, so those grade levels will remain at 50 percent in-classroom and 50 percent virtual.

Superintendent Allen Bourff said the Fishers Health Department has recently lowered the COVID-19 community risk rating to Level 2, but it does call for the hybrid system now underway in grades 5-12. Bourff also cited the challenges of cohort-

ing in those grade levels.

Dr. Bourff told the board there may be an extension of the virtual learning option into next semester if no COVID vaccine is available.

Indiana entered Stage 5 last Saturday, which allows gatherings of more than 250 people. That may impact athletic participation and the number of fans allowed at events.

Administrators told the board that out of 289 substitute teachers, 56 (or 19 percent) have been willing to substitute teach so far this school year. The number of permanent substitutes is now

Chandler

down to 31.

Janet Chandler, long-time president of the Hamilton Southeastern Education Association, cited a survey just conducted

with elementary teachers that shows 99 percent are feeling stressed with everything they are dealing with now, and of those feeling stressed, 65 percent say they are highly stressed.

Ms. Chandler became emotional while speaking before the board.

"We have to do something differently than what we are doing now," Chandler said. "We are not adequately serving students."

Fadness proposes larger 2021 budget

By LARRY LANNAN
LarryInFishers.com

Over a week ago, state officials informed Fishers Mayor Scott Fadness and his staff that he would have \$7 million more in income than expected for the 2021 budget. The mayor and his staff went to work and revised the budget numbers to provide increased staff and more compensation for city employees.

The original budget called for spending of

\$115.1 million. After the new numbers were factored in, the mayor is now proposing to the city council a 2021 budget of \$117.5 million. That will still leave the city with cash reserves in 2021 of \$35.7 million.

The increased income tax money will go to:

- An increase for non-

Fadness

\$100,000 to \$150,000.

- A 3 percent raise in pay for city employees.

- A \$500 one-time bonus for city workers (elected officials not included) to be paid in 2021.

- One additional firefighter.

- One addition police officer.

William Parker

February 6, 1935 – September 20, 2020

William Parker, 85, Noblesville, passed away on Sunday, September 20, 2020, at Riverview Health in Noblesville. He was born on February 6, 1935, to Frank and Theda (Hill) Parker in Ludlow, Mass., was raised in Indianapolis, and spent his adult life in Noblesville.

Born from a Polish immigrant father and deep Louisiana roots mother, Bill Parker was created with a magnetic personality. He was an unforgettable individual and everywhere he went was a celebration. Because of his infectious personality, he had many nicknames: Parker, Wild Bill, Hundred Dollar Bill, Papa, Dad, Grandpa, G-Pa, and friend. He spent his life telling colorful stories, sharing wisdom, or telling jokes. One of his favorite jokes was having a person read his shirt that said, "Co Dzień Jist Dobry," which translates to "Every day is great." Afterward, he would say since you couldn't read it in Polish, "how does it feel to be dumber than a Polak?"

Bill was a tradesman first. He started his adult life as a tool and die maker at Ideal Engineering in Indianapolis. He was an entrepreneur, always wanting to create, and loved thinking outside of the box. Bill owned Noble Industries for over 50 years. One of his favorite things to do was working hard, negotiating the deal, and developing the Noblesville community. Bill was active in local politics for several years as a township board member. He believed you should play hard. He traveled the world, water skied, and took up snow skiing at the age of 51, a sport he enjoyed until he was 75. He was an avid Pacers fan and has been a season ticket holder since the ABA days. To show his commitment locally, he saved a Billy Keller championship bottle of champagne to drink when the Pacers won their next championship. He will be sent off with the bottle to have a toast when the Pacers do win again.

Bill's mottos were: "Every day is great" and "If it is to be, it's up to me." He was extremely proud of his family and said his kids were his top 5 blessings. His favorite tradition was reading "Twas The Night Before Christmas to all his grandchildren and great-grandchildren in front of Christmas tree and celebrating his birthday with his friends in the mountains or on the beaches of Cancun. He was the support for many and their problems were his problems. Bill attended Traders Point Christian Church and believed strongly that the Lord was his Savior.

He is survived by his children, Cheryl McLaughlin, Brenda (Jim) Snyder, Gary (Faith) Parker, Rhonda (Dana) Taylor, and Gregory (Lisa) Parker; sister, Myrna Gallagher; 12 grandchildren, Amanda (Ford) Cox, Andrea (Patrick) Dammier, Bricann (Kevin) Sweeney, Erin Campbell, Emily (Michael) Howard, Natalie (Chris) Safford, Jack Parker, Abby Parker, Adam (Holly) Parker, Aaron (Samantha) Gosser, Ashlee (Corey) Skomp and Alec Parker; and 17 great-grandchildren as well as many nieces and their families. Over Bill's life, he loved several pets including dogs named Renee, Pacer, Pace-mate, Reggie, and Stella, and a raccoon named Wacky and a pig named Harvey. His extended family was his Noble Employees, who he strongly felt were part of his family. He felt the responsibility to ensure that each and every one who worked for him could care for their family as he did. He became more than a boss; he was a mentor and friend. Last but not least, Bill had a large friend group that ranged from high school pals, beloved companions, business associates, Trine University Fraternity Family, and anyone who need a wing man and partner in clean fun. These individuals were his world and his partners in crime. What happened together stayed together.

In addition to his parents, Bill was preceded in death by his wife, Anita Parker, and brothers, Bob Parker and Sonny Parker.

Services were held on Saturday, September 26, 2020, at Randall & Roberts Funeral Home, 12010 Allisonville Road, Fishers, with visitation prior to the time of service at the funeral home. Graveside burial followed at Oaklawn Memorial Gardens in Indianapolis.

Memorial contributions may be made to the William Parker Memorial Scholarship Fund that will be given to a tradesman scholar at a local community college. Contributions can be sent to P.O. Box 578, Noblesville, IN 46061.

Kenneth Leon Perry

September 30, 1938 – September 16, 2020

Kenneth Leon Perry, 81, passed away at his home in Sheridan with his family by his side on Wednesday morning, September 16, 2020. Born September 30, 1938 in Hamilton County, he was the son of the late Howard Paul and Marie Alberta (Ilges) Perry.

Kenny was a 1956 graduate of Sheridan High School, and later enlisted in the United States Navy. He proudly served his country aboard the USS Lexington.

After returning home from the service, Kenny entered the job market. He worked for a few different companies before hiring on with Carmel Concrete. For 21 years he was their “jack of all trades,” keeping things running as smoothly as possible. A life-changing injury on the job forced Kenny into an early retirement.

Slowing down was not an easy task for Kenny. He always enjoyed being outdoors; whether it was going on a camping trip, fishing with his family, or just volunteering to mow at the park, he always found a way to make it happen. One of his favorite outdoor activities was sitting on the front porch. Sometimes it was just Kenny, a cup of coffee, and the sounds of country quiet; other times it was swapping stories over the occasional Jack and Coke with his Legion buddies or his longtime friend and “brother from another mother,” Denny Parks. Kenny always looked forward to Denny’s trips up from Florida. Kenny also enjoyed woodworking.

Kenny was a man of strong faith. He was a member of the East Union Christian Church, but he also attended Sheridan Six Points Church and the Big Springs Community Church. He was a member and Past Worshipful Master of the Hinkle Masonic Lodge F&AM #310 of Deming, and an honorary member of Boone Lodge F&AM #9 in Lebanon. He was a Past Associate Guardian of Jobs Daughters Bethel #34 in Sheridan. Kenny was also a member and Past Commander of the K.V. Elliott Post #67 of the American Legion in Sheridan. He was very active within the Legion and was a dedicated member of their Funeral Honors detail.

Kenny is survived by the love of his life, Imadell (Beck) Perry. For 60 years, she and Kenny were by each other’s side, raising a wonderful family and tackling whatever life threw their way, together.

Also surviving are his daughters, Evelyn Sutton Summers (Larry), Lebanon, Crystal Hopper (Dennis), Arcadia, Belinda Perry Nixon and Leonah Perry, both of Brownsburg; grandchildren, Johnathon Crist (Destiny), Amber Sutton, Joshua Crist (Nora), Grace Walker (Richard), Zachary Coursen, Gavin Walker, Rian Sutton (Stephanie), Kenneth Crist (Amanda), Shanna Stowers (Richard), Shaun Summers, Dustin Stephenson, Annastasia Connolly and Aubrie Manning; great-grandchildren, Chole Crist, Aaron Stephenson, Ella Stephenson, Taylor Sutton, Hailey Sutton, Raigen Sutton, Laine Sutton, Keagan Cokel, Murphy Cokel, Natalee Crist, Kenneth Crist, Jr., Trinity Crist, Elijah Crail and Oliver Crail; sister, Carol Strawn; and his canine grandkids, Babs, Jazzy and Dora.

He was preceded in death by his parents; brothers, Bobby Gene, Edward and Frederick Alen Perry; sister, Alice Marie Zimmerman; great-grandchild, Spencer Paul Sutton; nephew, Michael Lockwood; and son-in-law, William Spencer “Bill” Sutton.

Masonic services were held on Wednesday, September 23, 2020 at the Sheridan Church of God, 707 W. 2nd St., Sheridan, with visitation prior to the time of service.

Burial with Military Honors will follow at Crown View Cemetery in Sheridan.

Arrangements have been entrusted to Kercheval Funeral Home in Sheridan. Condolences: kerchevalfuneralhome.com

June LaVerne Newsom

Sunrise - June 13, 1953

Sunset - September 21, 2020

June LaVerne Newsom was born on June 13, 1953 to her loving parents, Rev. Henry E. Miller and Dorothy Mae (Barksdale) Miller, in Gary, Ind. (both now deceased). She was one of four children born into this family and grew up as a “preacher’s kid” and accepted Christ at an early age.

June was a graduate of Thornridge High School in Dolton, Ill., and Patricia Stevens Career College. She was employed as an Administrator at Milwaukee Railroad, Manager of IBM-Guided Learning Center, Entrepreneur for “Baskets and More” (her own creation), and Sales Associate for Cynthia’s Hallmark.

On January 21, 1984, she committed to a new life when she joined Vincent Michael Newsom in holy matrimony at Daniels Chapel A.M.E. Zion Church in Phoenix, Ill., and relocated to Indiana. To this union were born two children, Erica Renee Sweet (Sam) and Ryan Michael Newsom. She was later promoted to “Mimi” for the loves of her life, grandchildren Brooklynn Michelle Sweet and Maddison Jayde Sweet.

Upon relocating to Indiana, June immediately joined Bethel A.M.E. Church-Noblesville where she continued to use the gifts and talents God had given to her. As most of her friends and family know, music was her passion – in fact “Gospel 24/7.” She directed Bethel’s Victory in Praise Adult Choir for more than 35 years and for many of those years, organized an annual Choir Anniversary Celebration for which Bethel and the community embraced, she organized and directed the Voices of Promise Youth Choir and also the Men’s Choir at Bethel. June’s musical talents were sought after in the community and she organized and directed the first-ever Noblesville Community Church Choir which served the community for several years.

In addition to her musical gifts at Bethel, June served as a teacher for the Beginner’s Sunday School Class, editor for Bethel’s newsletter (“The Voice”), a dedicated member of Bethel’s Steward Board, and Torchlighter for the Dorcas Women’s Missionary Society of Bethel where she also served as Worship Director.

The best way to describe June’s dedication to Bethel – “She was in it 100% on any church project and committed to do it ‘big’ and ‘over the top’.”

During her moments of relaxation at home, she loved to watch the movie, “The Preacher’s Wife” (over, and over, and over), and the Hallmark Movie Channel.

June’s memory will be cherished forever by many friends and family, especially her husband, Vincent Newsom, her children, Erica Sweet (Sam), Ryan Newsom, grandchildren, Brooklynn Michelle Sweet and Maddison Jayde Sweet. She is also survived by her sisters, Betty Ruth (Rev. Dr. John Paul Ruth), Gwen Walker, Joyce Thompkins (Zachary Thompkins), and a host of nieces, nephews and cousins.

June’s life ministry will be cherished forever. In lieu of flowers, the family requests that memorial contributions be made to Bethel A.M.E. Church, 17777 Little Chicago Road, Noblesville, IN 46062. The family wishes to gratefully acknowledge, with sincere appreciation, all the messages of sympathy, telephone calls, and words of kindness and comfort during our time of bereavement.

Services will be held at 1 p.m. on Wednesday, September 30, 2020 at Bethel A.M.E. Church, 17777 Little Chicago Road, Noblesville. Visitation will be from noon to the time of service at the church. Burial will follow at Hamilton Memorial Park Cemetery.

Pandemic fails to greatly impact LIT collections

By FRED SWIFT
ReadTheReporter.com

There is good news on taxes for local government in Hamilton County, and therefore the public. Good news in the fact that Local Income Tax (LIT) revenue next year will increase at least somewhat despite the effects of the pandemic.

Local government depends on LIT to provide around half the funds required to operate public services and facilities. The 1 percent tax is levied on all county wage earners, and there had been fears that with job losses by some individuals, the overall tax revenue would be reduced.

County Auditor Robin Mills has received information from the state revenue department that projects Hamilton County, including its municipal units, will receive \$188.4 million next year, amounting to a \$15 million increase.

But Mills cautions that this is based on collections from July 1, 2019 through Aug. 31, 2020 rather than last year’s collection esti-

mates made from July 1, 2018 through only June 30, 2019.

The tax money is collected by state authorities and refunded to counties. LIT was formerly known as the County Option Income Tax or COIT.

The projections are usually very accurate and may even be a bit conservative based on past experience. The projected amount is about 8 percent more than the past year’s collections.

This money combined with property tax revenue should allow county and municipal governments to fund their budgets for public services without having the cut back on their plans for next year.

Of the total distribution, county government is projected to receive \$50.1 million. Among the cities, Carmel will get \$44.6 million, Fishers \$30.5 million and Noblesville \$24.3 million.

Other units will be disbursed lesser amounts, but even townships will share around \$12 million and public libraries about \$11 million.

Shepherd's Center in need of Guardianship Program volunteers

The REPORTER
Through the Hamilton County VASIA Guardianship Program, Shepherd's Center of Hamilton County (SCHC) will serve as the court-appointed legal guardian of incapacitated adults in Hamilton County and provide assistance to those adults through trained volunteers.
Who might need a Guardian?
Adults with limited decision capacity in one or more areas of their life as determined by the court could benefit from the Guardianship Program as a

means of helping them make decisions based on their own best interests and preferences. Guardianship is a dramatic intervention: It is a legal appointment by the court after careful consideration and evaluation to determine that less restrictive options for assistance would not be enough.
“The Guardianship Program permits us to care for those who once cared for us,” said Steve Nation, a retired Hamilton County judge and member of the

Nation

Guardianship Program Taskforce. “In light of the projected increase in the elderly population in Hamilton County in the next five years, the need for this type of program is greater than ever.”
SCHC is in need of Volunteer Advocates to serve in this program. These advocates serve by building positive relationships with persons under guardianship, helping identify needs to connect guardianship clients to services and monitoring ongoing care plans to ensure the highest quality of life for those under guardianship. All Volunteer Advocates undergo initial training, are provided with ongoing support and continuing education, and are screened through an application and background check process.
If you are interested in finding out more information about the Guardianship Program or serving as a Volunteer Advocate, please contact Program Director Stephanie Seeger at stephanie@shepherdscenter-offhamiltoncounty.org or (317) 674-8777 ext. 8.

Noblesville veteran helps college students find success in life

By STU CLAMPITT
ReadTheReporter.com
Dave Closson was born in Illinois and chose to serve his country in Iraq. Now he chooses to make Noblesville his home and to serve others in the private sector. A big part of that service is his work to help veterans in college apply the organizational skills and mindset of their military experience toward the goal of attaining academic and career success.
During his junior year at college at Eastern Illinois University, Closson was deployed to Iraq as part of his service to the Illinois National Guard. He had enlisted in the Guard during his junior year in high school. Closson was deployed as an infantry team-leader and was also a member of a recon sniper team.
Coming home after a year of combat deployment, Closson struggled with both isolation and the effects of his experiences overseas.
“Having been deployed during my junior year, after my year-long deployment, I returned home and jumped right back into college during the fall of 2006,” Closson said. “All of my friends – my cohort – had graduated in May of '06. So I didn't really have a core network of friends or support. I struggled with PTSD, drinking, and then years later I found out I had suffered a traumatic brain injury (TBI) due to being blown up a few times.”
Closson's phrase, “being blown up a few times,” was said in a very matter-of-fact tone as if he placed little significance on it as part of his story.
When asked to clarify, Closson told The Reporter, “Within my first week of being in the country, our Humvee was directly hit with and IED [Improvised Explosive Device]. Welcome to Iraq, right? There were several other near-miss explosions as well involving rockets, mortars and IEDs.”
Back in college, Closson found himself struggling with PTSD, drinking and his then-undiagnosed TBI symptoms.
“The more I started to focus on personal growth, the less those things impacted my life,” Closson said. “When I say personal growth, I mean being structured, goal setting, time management and total wellness: Exercise, eating healthy and getting good quality sleep. I pulled that discipline that came from being in the military and applied it with intentionality to all aspects of my life. I linked it right to the military operational order,

Closson

which is what we would use to plan a mission.”
According to Closson's website, StudentVeteranSuccess.com, “An Operations Order, often abbreviated to OPORD, is a plan format meant to assist units with the conduct of military operations. An OPORD describes the situation the unit faces, the mission of the unit, and what supporting activities the unit will conduct to achieve its mission.”
Closson said he used the OPORD to structure his days to make sure he was staying both on task in the short term and on track in the long term for his goals.
The outcome of his own success was Closson's impetus to share his method with others.
“As I have grown and finished school I have learned and explored ways to share that with others. That is what led to creating and publishing the official student veteran planner.”
According to his website, StudentVeteranSuccess.com, the planner is “formatted to organize your college mission into five easily trackable areas: Situation, Mission, Execution, Sustainment, and Command/Control. You will develop a plan for the academic year, short- and long-term goals, and a plan for each day. You'll have a simple and organized way to track your tasks, schedule, PT, meal prep, and track ongoing work.”
The planner offers specific sections for homework, exercise and even buddy checks. There is a built-in long- and short-term goal tracking system. Closson said he has found that although he's been out of college for years, the same structures prove effective in his daily life. Student veterans in Arizona, Texas, Illinois, Missouri and Oklahoma have used the guide, and Closson is designing an online class as a follow-up.
Closson's dedicated service to the military and veterans led him to be chosen as one of the few Veterans of Foreign Wars (VFW) #Still-Serving Heroes nationwide. VFW invites all veterans to submit their stories at vfw.org/stillserving.
According to the VFW, veterans volunteer 25 percent more time, are 17 percent more likely to make a monetary donation, and are 30 percent more likely to participate in local organizations than the civilian population.
You can learn more about the Students Veteran Daily Planner and see if the program is right for you at StudentVeteranSuccess.com.

Wayne-Fall Lions gearing up to play Santa Ham and beans dinner to raise funds for holiday programs

By STU CLAMPITT
ReadTheReporter.com
At the beginning of September, the Wayne-Fall Lions club had an unusual and very successful fish fry fundraiser to help them continue their charitable work in the community. Now they are planning a ham and bean dinner on Oct. 10 as they prepare to play Santa.
Dave Barker from the Wayne-Fall Lions Club told the Reporter that club members were very pleased with the success of their recent fish fry, which was run drive-thru style due to

COVID-19 safety protocols. Barker said the club covered all their costs and made several hundred dollars to use for their charitable programs.
Guests were served as they drove up in their vehicles and were given the option to either use the well-spaced picnic tables on the grounds or to park so they could tailgate or picnic, whichever they preferred.
Hundreds of people attended the safe and social-

ly-distant dinner, and Barker is hoping for even bigger crowds this time.
“We are definitely doing the drive-thru,” Barker said.
“As long as the weather is fit for it, we are going to put out tables and picnic shelters and allow people to bring their lawn chairs and blankets to tailgate or picnic – however they want to do it.”
The ham and bean supper will be an all-you-can-eat and free-will donation

event to help the Lions raise money for their Christmas programs. They plan to provide Christmas to less-fortunate families in the community by partnering with local schools to determine who is in need this holiday season.
The meal will include ham, beans, cornbread, coleslaw, desserts and drinks.
The ham and bean dinner will be held from 4:30 to 7:30 p.m. on Saturday, Oct. 10 at 11940 E. 191st St., Noblesville. The location is 3.5 miles east of the intersection of State Road 37 and Victory Chapel Road.

New talent recruitment program aims to attract graduates back to Hamilton County

The REPORTER
The Hamilton County Workforce Recovery Task Force and Hamilton County Economic Development have partnered with TMap, an Indiana-based technology company to create an innovative talent recruitment program for Hamilton County high school graduates. Hamilton County has been working with the local school superintendents since fall 2019 to create the program to attract and retain students to live and work in the county.
“Although similar programs have been created

at the university level, this is the first one we are aware of that will start the connection with our high school students,” said Carol Sergi, Director of Workforce Strategy for the Hamilton County Economic Development Corporation. “This program will be able to connect our students with career opportunities and also be used to invite our alumni who have moved away to consider the job opportu-

Sergi

nities and quality of life we offer with the hope of bringing them back.”
The program will also provide a way for the local high schools to stay connected to their students, something that currently is not done in an organized way.
“Winning regions are the ones that get serious about talent recruitment,” said TMap Founder and CEO Bill Oesterle. “The Hamilton County commu-

nity has banded together to bring talented expats back. We're proud to use our platform to achieve such a critical mission.”
The Hamilton County Council, along with the Hamilton County Commissioners, voted to provide financial support for a portion of this program along with Hamilton County Economic Development.

HSE board president says she is “disappointed in so many people” within the local community

By LARRY LANNAN
LarryInFishers.com
Hamilton Southeastern (HSE) School Board President Michelle Fullhart is about halfway through her second term on the board and is not up for re-election in 2020, but posted on Facebook in the early morning hours last Wednesday that she is “disappointed in so many people in our community right now.”
Fullhart cites one particular Facebook group she does not name “...who have resorted to name calling and

out-right bullying toward those (that) don't share their views.”
She describes one post on that group aimed at another group of HSE parents. “The vitriol and nastiness is awful,” wrote the school board president.
“2020 has brought out the worst in so many people, and emboldened horrible behavior,” wrote Fullhart. “At least I have hope for the children of our community,

Fullhart

many of whom are behaving better than their parents. I've seen so many great examples of things students are doing that show they care about their fellow human beings. Some of their parents, not so much.”
In the era of COVID-19, virtual classes, with social distancing in schools and nearly everywhere else, it is clear we are all feeling the pain – students, parents, teachers and school admin-

istrators alike. It may be time to take a deep breath, think about not just how difficult this time is and has been for you and your family, but also think about how everyone around you is suffering as well.
Although Michelle Fullhart is “disappointed” in some parts of the HSE Schools community, there are others working to deal with the challenges of life in a pandemic. Ms. Fullhart does cite this in what she described as a Facebook “rant.” Time will tell how we all get through this.

'Hounds pick up second straight MIC victory

Carmel picked up its second consecutive Metropolitan Conference win last Friday, pulling away from North Central 38-14 in a battle of elite Class 6A teams.

The Greyhounds scored first; Spencer Hanna kicked a 44-yard field goal in what would be the only points of the first quarter. Carmel then traded touchdowns with the Panthers in the second quarter.

Jaedon King caught a 25-yard touchdown pass from Zach Osborne with just under eight minutes left in the half, giving the ‘Hounds a 10-0 lead. North Central answered with a 37-yard TD run by Theran Johnson.

Osborne zoomed into the end zone from the five-yard line with 1:14 remaining, but Johnson matched that with a 24-yard touchdown reception with five seconds left. Zayd Vestral made the throw. Hanna made both extra-point kicks for Carmel, which led 17-14 at the break.

The second half was all Greyhounds. They had to wait until the final minute of the third quarter to score again, but were rewarded with two touchdowns in 43 seconds. Zach White ran

into the end zone from 20 yards, then Jordan Jones made a two-yard scoring run in the last play of the period.

White would score again in the fourth quarter, with a nine-yard touchdown run. He would lead all rushers with 148 yards. Hanna made all the second-half extra points, making him 5-for-5 on the night. Osborne finished the game 13-of-20 through the air, totaling 154 yards. King and Colton Parker both had four receptions. Jones made three catches and had the most receiving yards of the night with 67.

Carmel is now 3-1 in the MIC, putting them in second place in the league standings. The Greyhounds trail only Center Grove, which has been dominating the MIC so far with a 5-0 record. The Trojans have scored 210 points against conference opponents while allowing only 12. Center Grove can clinch at least a share of the MIC next week when it plays at Pike.

Meanwhile, Carmel is 4-2 overall. The Greyhounds return to Carmel Stadium Friday to host Ben Davis as they continue MIC play.

adding another touchdown, which made the score 35-35 at the end of regulation.

“It was two hot offenses,” said Gilbert. “Neither one of us could really stop each other. They had the ball last, so that was pretty scary, but they missed a field goal, which allowed us to win it in overtime.”

Webster finished the game 18-of-29 through the air, and totaled 303 yards. Voorhis and Hauser both made five receptions, with Piening getting four catches.

Hauser led the rushing with 92 yards. He also had an outrageous defensive performance, with 25 (yes, 25) total tackles. Hauser had 11 solo stops and assisted on 14 more.

“He had as good a game

as you’re ever going to see,” said Gilbert.

Kyle Pape totaled 13 tackles, while Voorhis had 12.

With the victory, the Shamrocks now sit on top of the HCC standings at 4-0. Westfield knocked Brownsburg down to a tie for second place with Hamilton Southeastern; both schools are 3-1 in the league.

“Amazing,” said Gilbert. “You just don’t get these opportunities every year. You got to take advantage of them when you have them. We knew what was at stake, both of us being undefeated. Pretty hard to do this in this conference, just so many good teams.”

The Shamrocks are 5-1 overall and host Avon Friday.

Royals rally to beat Zionsville, 14-13

Hamilton Southeastern got back on the winning track last Friday, rallying from a third-quarter deficit to beat visiting Zionsville 14-13 at TCU Field.

Neither team scored in the first half, which contrasted sharply with the second half. The Eagles scored two touchdowns in a hurry to go up 13-0 at the midway point of the third period.

The Royals took over after that. John McCall teamed up with Martice Taylor late in the third for an 11-yard pass play. Alex Geroulis then added a point-after kick.

That same trio struck again in the fourth quarter. With 10:36 remaining, McCall sent a 10-yard pass to Taylor, who made it to the end zone again. The score was tied for a few seconds, then Geroulis nailed the extra-point kick to give Southeastern a 14-13 lead, and the Royals hung on from there.

After that, the defense took over for Southeastern, holding off Zionsville and giving the Royals another Hoosier Crossroads Conference victory.

some big plays on defense for us,” said HSE coach Michael Kelly.

McCall had a nice game, completing 14 of 21 attempts for 128 yards. Taylor finished with five catches and Blaine Wertz had four; Kelly said a long pass to Wertz helped spark

the Royals’ rally.

Jace Alexander led the rushing with 62 yards. Devin Dudley made seven tackles, with Loudon Sundling getting 5.5 stops (2.5 for a loss) and Nate Haas making five tackles. Dudley and Drew Parker both made 1.5 tackles for a

loss. Sundling, Parker and Cole Earlewine all had one sack.

“The kids fought through everything,” said Kelly. “It was a good night.”

Southeastern is 3-1 in HCC play and 4-2 overall. The Royals travel to Noblesville Friday.

**BOND SALE NOTICE
WESTFIELD WASHINGTON PUBLIC LIBRARY**

Bids will be received on behalf of the Board of Trustees (the "Board") of Westfield Washington Public Library (the "Library"), at the office of Baker Tilly Municipal Advisors, LLC ("Baker Tilly"), 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana, up to the hour of 11:30 a.m. (Local Time) on October 22, 2020, for the purchase of the bonds described as follows:

Westfield Washington Public Library General Obligation Bonds of 2020 (the "Bonds"), in the aggregate amount of approximately \$500,000; Originally dated the date of delivery of the Bonds; Fully registered form; Denomination \$5,000 or integral multiples thereof (or in such other denomination as requested by the winning bidder); Bearing interest at a rate or rates not to exceed a maximum of 4.00% per annum (to be determined by bidding), which interest will be payable on July 15, 2021, and semiannually on January 15 and July 15 thereafter; Principal payable at The Bank of New York Mellon Trust Company, N.A. in Indianapolis, Indiana, or by wire transfer to depositories on the payment date; Interest payable by check mailed one business day prior to interest payment date or by wire transfer to depositories on the interest payment date to registered owners or depositories as of the fifteenth day immediately preceding the interest payment date; Maturing on January 15 and July 15 beginning on July 15, 2021 through and including not later than January 15, 2025 on the dates and amounts as provided by the Library prior to the sale.

The Library reserves the right to adjust the maturity schedule and principal amount to be borrowed following the sale in order to accomplish the Library's financial objectives by reallocating debt service based upon the rates by the successful bidder (the "Purchaser").

Notice is hereby given that electronic proposals will be received via PARITY®, in the manner described below, up until the hour of 11:30 a.m. (Indianapolis Time), on October 22, 2020. Bids may be submitted electronically via PARITY® pursuant to this Notice until the time specified in the Notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice, the terms of this Notice shall control. For further information about PARITY®, potential bidders may contact the Library's municipal advisor, Baker Tilly at (317) 465-1500 and by email at bids@bakertilly.com or PARITY® at (212) 849-5021.

As an alternative to PARITY®, bidders may submit a sealed bid or e-mail the bid electronically to the Library's municipal advisor at the address described above until the time of the bond sale as listed above. Upon completion of the bidding procedures described herein, the results of the sealed or emailed bids received shall be compared to the electronic bids received by the Library.

If a potential bidder has questions related to the Library, the financing or submission of bids, questions should be submitted by email to the address above no later than 11:30 a.m. (Indianapolis Time) on October 20, 2020. To the best of the Library's ability, all questions will be addressed by or on behalf of the Library and sent to potential bidders, including any bidders requesting 24 hours' notice of sale, no later than 5:00 p.m. (Indianapolis Time) on October 20, 2020. Additionally, upon request, the written responses will be emailed to any other interested bidder. Bidders should review this notice as well as the term sheet and submit any questions in advance of this deadline to submit questions.

The Bonds have been designated by the Library as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code").

The Bonds are not redeemable at the option of the Library prior to maturity.

Bidders for the Bonds will be required to name the purchase price, not less than 98% of par and the interest rate or rates which the Bonds are to bear. Such interest rate or rates must be in multiples of 1/8th or 1/100th of 1%. Bids specifying two or more interest rates shall also specify the amount and maturities of the Bonds bearing each bid, but all Bonds maturing on the same date shall bear the same single interest rate. The Bonds will be awarded to the lowest responsible and responsive bidder whose bid is submitted in accordance herewith. The winning bidder will be the one who offers the lowest net interest cost to the Library, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the Library prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. Any premium bid must be paid at closing as a part of the purchase price. Although not a term of sale, it is requested that each bid show the net dollar interest cost from the date of the Bonds to final maturity and the net effective average interest rate. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Library than the best bid received at the time of the advertised sale will be considered.

A good faith deposit ("Deposit") in the form of cash, wire transfer, or certified or cashier's check in the amount of \$5,000 or 1% of the principal amount, if the principal is different than \$500,000, payable to the order of Westfield Washington Public Library is required to be submitted by the successful Purchaser not later than 3:30 p.m. (Indianapolis time) on the next business day following the award. If such Deposit is not received by that time, the Library may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor the accepted bid, the Deposit will be retained by the Library as liquidated damages.

The Purchaser shall make payment for such Bonds and accepted delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the Library and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the Library fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the Library. Unless otherwise requested by the winning bidder, the Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository-eligible. If the Bonds are reoffered by an underwriter, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the Library the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the bid form and Term Sheet (as hereinafter defined) are incorporated herein. As set forth in the Term Sheet, the Purchaser agrees by submission of their bid to assist the Library in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the Library at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the Library and Ice Miller LLP ("Bond Counsel").

Bidders must comply with the Rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Purchaser therefore to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the Library or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the Library; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The Bonds are being issued for the purpose of procuring fund for the renovation, construction and improvements to library facilities, including the purchase of real estate and the purchase of equipment, library systems and technology, and will be the direct obligations of the Library, payable out of ad valorem taxes to be collected on the taxable property within the Library; however, the Library's collection of the levy may be limited by operation of I.C. 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The Library is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The Library may not be able to levy or collect additional property taxes to make up this shortfall. The Library is a library organized pursuant to the provisions of I.C. 20-23; the Bonds will not be "private activity bonds" as defined in Section 141 of the Code.

The Library has prepared a Term Sheet relating to the Bonds which it has deemed nearly final. A copy of the Term Sheet may be obtained from the Library's municipal advisor, Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687.

Further information relative to the Bonds and a copy of the Term Sheet may be obtained upon application to Sheryl Sollars, Director of the Library, 333 West Hoover Street, Westfield, Indiana 46074. If bids are submitted by mail, they should be addressed to Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687.

These Bonds are offered subject to the approving opinion of Bond Counsel. The Library will furnish at its expense the bond counsel opinion, printed bond forms, a transcript of proceedings, and closing papers in the usual form showing no litigation questioning the validity of the Bonds at the time of delivery.

Dated September 28, 2020.

Girls golf post-season

Westfield and Noblesville take regional titles, Carmel and HSE to join them at state

By **RICHIE HALL**

A familiar set of Hamilton County golf teams will be returning to the state finals.

The four well-established programs all earned another trip to the big meet after their performances during last Saturday's regionals. Westfield and Carmel finished first and second respectively at the Roncalli regional, which took place at Smock Golf Course in Indianapolis.

Up at Edgewood Golf Club in Anderson, Noblesville claimed its first regional in over a decade by winning the Lapel regional, with Hamilton Southeastern placing second. All four teams will head to Prairie View Golf Club this weekend to compete at state.

CONSISTENT ROUNDS

Westfield's ascendancy to the elite level has been fairly recent compared to the other schools. But the Shamrocks are firmly in that group, and proved it again with their regional victory, carding a 305. It's the third regional championship for the 'Rocks, after they won back-to-back titles in 2015-16, and qualified them for state for the sixth time in school history, all since 2014.

Freshman Samantha Brown led the way for Westfield, winning individual medalist honors with a 73. Brown had three birdies in her round.

"It's so exciting, since I'm just a freshman," said Brown. "And then we were able to depend on each other and nobody felt like they had all the pressure. But it was just evenly spread out and we knew we had a chance, and it was just exciting to come out and play."

Every golfer that played for Westfield at the regional had at least one birdie. Sophie McGinnis had four of them during her round of 76. That put her in a five-way tie for third place at the meet.

Allie Hildebrand carded 77, Brette Hanavan scored 79 and Cate Jensen had an 85 to round out the Shamrocks' scoring. All three made one birdie.

"We played as good as we probably could have played today," said Westfield coach Trevor Neu. He said the team's first nine holes were "fantastic," and credited his players with being resilient during the second nine holes.

"We had a couple hiccups out there, but we mentally grinded through those hiccups and our kids just were resilient and never quit," said Neu.

Carmel was a close second, scoring a 310. Senior Katie Kuc led the way for the Greyhounds with a 75, including four bird-

Noblesville won its first regional title since 2007 at the Lapel regional, which took place last Saturday at Edgewood Golf Club in Anderson. The Millers also qualified for this weekend's state meet at Prairie View Golf Club.

ies, and was the individual runner-up.

Sydney Longstreth was part of the tie for third place with her 76, and made one birdie. Claire Swathwood drained one birdie during her round of 79 and Ava Hedrick had two birdies while carding an 80. Michaela Headlee scored an 83.

"We had a few struggles out here today, but I'm proud of how the girls stayed focused for their entire round," said Carmel coach Kelly Kluesner. "Survive and advance is our only goal."

The 'Hounds will participate at the state meet for the 29th time, the second most in IHSAA history. Only Lafayette Jefferson, a 31-time state qualifier, has made more appearances.

"The girls have worked hard all season and will put in some days of practice and we'll be ready for state on Friday," said Kluesner.

University was making its first appearance at the regional level, and placed 10th with a 364. Becky Williams led the Trailblazers with an 82, including one birdie. Kelsey DuBois carded an 84 and Abby Bladen scored an 89, including one birdie.

Guerin Catholic's Christina Pfefferkorn will play at state as an individual. Pfefferkorn's 76 put her in the large tie for third place; she made three birdies in her round.

The Westfield girls golf team won its first regional championship since 2016 last Saturday at the Roncalli regional, which took place at Smock Golf Course in Indianapolis. The Shamrocks also qualified for the state meet.

But the last time the Millers had won a regional was in 2007. On Saturday, Noblesville's total finally moved up to 12, as it triumphed at Edgewood with a team score of 314.

"It feels great," said Millers coach Justin Werkley. "Obviously the goal was is always to advance to state, but it's really, really nice to win and play well, especially for these seniors, the three seniors that played today. To get their first regional win is really cool."

Noblesville had two players finish among the top five individuals. Caroline Whallon placed second with a score of 74, while Sarah Brenneman was fifth with a 77. Other Millers scores were Taylor Caldwell 80, Ellie Karst 83 and Jordan Adam 86.

Orioles run away from Tigers, 49-14

Fishers had another tough night last Friday, as the Tigers lost to Avon 49-14 in a Hoosier Crossroads Conference game at the Orioles' field.

Avon scored first, with Henry Hesson making a five-yard touchdown pass to Remington Gall three times into the game. It would be the first of five TD throws for Hesson.

Fishers answered quickly, with Landon Morris grabbing a 43-yard reception from Lucas Prewitt for a touchdown. Christian Wayne's extra-point kick tied the game at 7-7.

But the Orioles took over after that, scoring four straight touchdowns, two in each of the first two quarters. That gave Avon a 35-7 lead. The Tigers cut it to 35-14 on a 13-yard touchdown pass play from Prewitt to Silas Martin, with Wayne making the extra-point kick.

Hesson struck again, throwing to Joe Hall, who hauled the ball in 86 yards for a touchdown and gave the Orioles a 42-14 halftime lead. Hesson teamed with Gall in the third quarter for a 20-yard pass play score for his fifth

TD of the night.

"We made some mental mistakes and unfortunately, against a good team like Avon, you can't do that because they'll capitalize on the mistakes," said Fishers coach Curt Funk. "Some of our mistakes turned into points for them."

"But it wasn't from a lack of effort. Our kids still played hard. And we had some new players in the lineup tonight that were getting their first varsity experience and I think we can keep building as a team."

Prewitt had a fine game, going 20-of-28 through the air for 220 yards. Jeffrey Simmons had 10 of those catches for 115 yards, with Morris making four receptions. Avon's defense held the Tigers to 20 yards net rushing.

Josh Jones had seven tackles for Fishers, including three for a loss. Aiden Davis made five stops.

Fishers is 1-3 in HCC play and 1-5 overall. The Tigers will go back on the road Friday to play at Franklin Central.

The Golden Eagles fell to the Trojans 38-0. Chatard scored a touchdown in the first quarter, then rolled in three more in the second period to take a 28-0 lead at halftime.

The Trojans' defense never let Guerin Catholic get anything going, holding the Golden Eagles to seven

yards rushing and 32 yards passing. Jagger Albert was GC's top rusher with 21 yards.

Jack McGowan completed 2-of-3 passes for 23 yards, while Sam Miller made 2-of-6 passes. Ryan Glenn had two catches.
