Hamilton Heights T1L1 program graduates 26

Submitted

The first class of Hamilton Heights Teach One to Lead One® (T1L1) students recently graduated from the leadership mentoring program at the Remnant Coffee Shop in Arcadia. The students were each honored with a graduation certificate given to them by their mentors. This past year, 26 students took part in T1L1 mentoring at the high school.

T1L1 mentoring is a unique collaboration between the school and local community mentors who lead students weekly in an interactive curriculum. It teaches the students ten principles that are essential to life.

T1L1 was founded in 1996 by Dr. Lori Maldonado. It was her observation that children were lacking the basic life skills that they needed to become successful adults. This resulted in poor academic performance, truancy, discouragement, dropouts and worse. The results are evident in the breakdown of society.

The mentoring program is designed to help students engage with adults who show them how to develop the character they need to cope with life. The interaction between students and mentors has been credited with significantly raising academic performance, school attendance and changing the attitudes of the students to the positive. Most importantly, the program offers hope to students who are on the path to giving up on life.

"We were overwhelmingly pleased with the positive impact the mentors had on our students this past year," Heights High School Assistant Principal Whitney Gray said. "You could see it on their faces during the graduation ceremony. They knew they had accomplished something and they had a room full of people who cared about them. That is huge!"

Hamilton Heights was the first school in Indiana to pilot a T1L1 program. Based in Atlanta, Ga., T1L1 is active in schools in seven states. You can learn more at T1L1.org.

Bike Carmel and 'Spokes' to host bicycle donation day

The REPORTER

The City of Carmel and Bike Carmel will join Freewheelin' Community Bikes in hosting a Donation Day from 10 a.m. to 2 p.m. on Saturday, Oct. 3 in the Carmel City Hall parking lot.

Do you have an old bike in the garage or some leftover parts lying around? Help the City of Carmel and Freewheelin' Community Bikes get these into the hands of kids.

Bike Carmel mascot 'Spokes' will lend a hand and provide some laughs. The event is designed to be COVID-19 safe.

Those participating are asked to consider donating bicycles, bicycle components and bicycle apparel that you're no longer using. Bicycle donations are an important part of Freewheelin' Community Bikes' mission to provide safe, reliable and affordable transportation. The following items are especially useful:

- Bikes with multiple speeds/gears
- Quality bike shop brand-names and vintage steel frame bikes
- Modern comfort bikes, mountain bikes, road bikes, and cruisers
- Bicycle parts

All donated products will be used to enrich youth programming and offer affordable transportation options to the Freewheelin' community. If your donation cannot be used by Freewheelin' or its partners, they will responsibly recycle all metal. Last year Freewheelin' Community Bikes recycled more than 4,000 pounds of metal waste.

This donation event will be COVID-19 safe, which means you can stay in your car and the volunteers can take the donations from the car.

Fishers couple invites people to plant pride flags in yard after recent thefts

WISH-TV | wish5tv.com

A Fishers couple is taking action after their LGBTQ pride flag was stolen from their home twice in three weeks.

Samantha and Stephanie Seeger said they reported the theft to police the first time their flag was stolen. They also decided to buy a video surveillance doorbell.

Early Thursday morning the flag was stolen again.

Video surveillance shows a man walking up to their front porch around 4:30 a.m., taking the flag and running back to a car that was parked along the street.

The Seegers said the culprits can take their flag, but not their pride. But now, the couple has big plans for their front yard this weekend.

"So we said on Saturday if people want to drive by and plant a pride flag of whatever size in our front yard, we want to cover the whole yard with pride flags and not leave them up permanently," Stephanie Seeger said, "but make a statement that if you're going to try and steal this it's going to take a lot more than just taking a flag off a pole."

She says they also have a plan to paint a pride flag on their garage door and on their mailbox. She says they have had more positive feedback from neighbors than negative since putting up the flag.

County holds first ever online tax sale

By FRED SWIFT
ReadTheReporter.com

Hamilton County's first online tax sale was conducted Thursday in order to avoid health concerns related to the pandemic. The sale is held annually for real estate parcels on which property taxes are delinquent.

Only 62 properties went on the block, as most owners of the 321 originally delinquent parcels decided to pay rather than have their properties sold.

Of the 62, only 41 sold. Those unsold were generally small portions of ground apparently considered of little or no value to bidders.

County Treasurer Jennifer Templeton said gross proceeds of the sale were just over \$2.4 million. But, the net amount to the county was only \$225,000 with the remainder being the amount to be refunded to unsuccessful bidders.

Templeton, whose term of office expires this year, said that if she were handling the sale next year, she would go with the online method again since it appeared to work successfully.

Go Purple with Prevail!

Often a victim of crime or abuse is blamed for the abuse they have endured. The blame often comes from everywhere – family members, close friends, law enforcement, social media, etc. In cases of domestic violence, victims are often asked, "Why don't you just leave?" or "What did you do to make him/her that mad?"

Next Virtual Career Fair set for Nov. 5, focus on manufacturing, engineering

The REPORTER

Saturday was National Manufacturing Day – a day meant to inspire the next generation of manufacturers and educate the public on the growing skill shortage despite the high volume of job openings in the manufacturing sector.

In that spirit, the Hamilton County Workforce Recovery Task Force, in cooperation with the Hamilton County Workforce Innovation Network (HCWIN), announces a Virtual Career Fair focused on manufacturing and engineering positions in Hamilton County. The fair is scheduled to take place from 11 a.m. to 2 p.m. on Thursday, Nov. 5.

“The need for qualified advanced manufacturing and engineering skilled workers was already high before the pandemic and continues to be an area of growth,” HCWIN Executive Director Robert Kneberg. “Many Hamilton County employers have high-wage, high-skill, and in-demand positions available. This career fair is designed to connect them with employees looking to be a part of the manufacturing sector in Hamilton County.”

Kneberg The free Virtual Career Fair will provide one-on-one chat or video conversations with company representatives. Companies who are interested in participating can contact Robert Kneberg at rkneberg@hcwin.org or (317) 914-0171.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

Retired Carmel teacher running for school board

Submitted

For more than three decades, Paige Miller taught in the Carmel Clay School District. Many of her students have gone on to become doctors, CEOs, lawyers, teachers and even elected officials.

She runs into her former students all the time. She's friends with them on Facebook and she's even taught some of their children years later.

Miller retired in 2020 as a fourth grade High Ability teacher at Smoky Row Elementary. But now she wants to give back in a different way.

Miller has filed to run for one of the two at-large spots for the Carmel Clay School Board.

"I am running because I believe we need more parental transparency and collaboration, which is more important than ever before," Miller said. "My philosophy is that parents should parent and teachers should teach. Parents should know what's going on in the classroom and we all can work together to provide the best outcomes for the student."

Voters can select up to two out of the nine candidates in the nonpartisan Nov. 3 election.

Whether it's coaching the Spell Bowl team to five state titles or giving individual attention to a child who was struggling,

Miller has always been a leader both in and out of the classroom.

"I love all of my students and I'm so proud that they have grown into responsible, caring adults," she said.

"However, during my final few years of teaching I saw some current policies that would limit a student's full potential."

Miller is a past board member of the Carmel Teachers Association and while she fights for her fellow teachers, her true allegiance will always be with the students. They are priority number one.

Miller knows that members of the Carmel Clay School Board often have to make tough decisions, but she will be guided by her 33 years of experience and her dedication to what is right.

"The key is to always think about what's best for the student," she said. "That is above all else."

For more information, voters can visit her [Facebook page](#). Information on the issues and upcoming meet and greets can be found there.

Indiana Greenways Foundation says Carmel has “Outstanding Local Government”

The REPORTER

The Indiana Greenways Foundation recently recognized the City of Carmel with its Outstanding Local Government award during its Annual Greenways Foundation Luncheon. Every year, the Foundation recognizes a city, town or county government that has demonstrated success in the development, promotion and management of trail facilities.

The Indiana Greenways Foundation chose Carmel because of the City’s vision, dating back to the early 1990s when a group of local bicycle enthusiasts began formulate a plan to extend the Monon Trail north from 96th Street through Carmel and to make it a conduit for future trails across the city. That passion led to the creation of the 2020 Vision Plan and the continued growth (an average of 10 miles per year) of the trail network, which includes multi-use paths along many of the city’s roadways.

The 2020 Vision Plan led the way for

Carmel, in 2001, to open its 5.2-mile segment of the Monon Greenway and build out the path network. Last year, Carmel completed a major expansion of the

greenway in the Midtown area, creating world class bicycle and pedestrian facilities along the Monon Greenway. Future plans call for more paths of similar caliber in the area. Carmel now has 217 miles of multi-use paths and greenways throughout the community and thousands of bike parking spaces.

“I am pleased to accept this honor from the Indiana Greenways Foundation, which I support because they assist Hoosier communities to develop and build trails that benefit the residents, bring in tourists, create jobs and stimulate development,” Carmel Mayor Jim Brainard said.

A evening under the stars in Carmel to support families of fallen veterans

The REPORTER

Guests from across the nation will join together at the 33-acre Lucas Estate in Carmel today, Oct. 3, to celebrate “An All-American Evening Under the Stars” fundraising event with country music superstar John Rich, Indiana performing favorites Hunter & Girtton, and special guest speaker Rocky Sickmann, POW and USMC Veteran – sponsored by Red Gold, Folds of Honor and Budweiser.

On behalf of the Folds of Honor organization, the evening’s featured speaker, Rocky Sickman, will tell the harrowing story of his experience of when he was taken captive by Iranian militants in 1979 and held hostage for 444 days during what became known around the world as the “Iran Hostage Crisis.” Sickman is also the author of the best-selling *Iranian Hostage: A Personal Diary of 444 Days in Captivity*.

Supported in part by donations from nationwide retail sales of Red Gold’s special edition Folds of Honor

Ketchup, the **Folds of Honor** organization works to support the families of our fallen military. During the evening’s event, the Indiana Chapter of Folds of Honor will place a spotlight on the Folds of Honor Foundation, which provides educational scholarships to the children and spouses of our fallen military heroes and raise money and awareness for their mission.

Along with a live and silent auction, the “All-American Evening Under the Stars” event will feature the major national launch of a true American original, the brand-new Redneck Riviera 1776 BBQ Sauce, in both Original and Spicy varieties. Both are locally-sourced and made by Red Gold, a company founded in 1942 in an effort to feed U.S. troops during World War II. Today, Red Gold works with more than 40 Midwestern family farms to further their mission to produce the world’s freshest, best-tasting tomato products.

Redneck Riviera is

the highly successful lifestyle brand founded by the night’s featured performer, John Rich, the multi-platinum singer/songwriter, TV host, one half of the super duo Big & Rich and is behind the current No. 1 song in America, “Earth to God.”

“I partnered with Red Gold because they are the best at what they do and they’re the real deal,” Rich said. “When I found out they were American-owned, grown and made, I knew it was the perfect fit. Heck, even the bottles themselves are made right here in Indiana. I want everyone to know and understand just how damn good a real All-American BBQ sauce can be when you use real ingredients like tomato puree, sugar, and apple cider vinegar – there are no fillers in this sauce. You’ve never tasted BBQ sauce like this before and I just can’t wait for everyone to try it!”

Red Gold and Rich first came together just last year through their shared belief in supporting the Folds of Honor mission. Colt Reich-

art, Director of Marketing and fourth-generation family ownership of Red Gold added, “Since our business was born out of the need to serve our country more than 75 years ago, giving back to those in need is built into the DNA of who we are at Red Gold and that made the Folds of Honor mission a natural fit for us. We expect the Red Gold Folds of Honor ‘Ketchup with a Cause’ and our new partnership with Redneck Riviera and John Rich to inspire more retailers, consumers, and foodservice operators to join our cause and help support those veteran families in need.”

Together, these new condiments will be sold nationally and spotlight The Folds of Honor Foundation.

To learn how to participate in the event or make a donation to the Folds of Honor organization, please visit [givergy.us/fohIndiana](#). Masks are required for this outdoor event. Event organizers and guests will adhere to local guidelines and restrictions, including proper social distancing procedures.

Noblesville Teachers’ Forum endorses four school board candidates

Dear Editor:

The Noblesville Teachers’ Forum, the professional association for all teachers in Noblesville Schools, has released its recommended candidates for the 2020 Noblesville School Board Election:

- Willie Haile
- Leigh Hamer
- Carl Johnson
- Stephanie Lambert

Voters will choose candidates to fill three open at large seats. These decisions were made after a vetting process, which included a review of completed written questionnaires and personal interviews with candidates.

The Noblesville Teachers’ Forum is confident that any of these candidates will best serve the students, staff, and entire Noblesville Schools community. Please consider supporting these candidates in this year’s election on or before Nov. 3.

Reps. Brooks, Wasserman Schultz bill to reauthorize Breast Cancer Awareness funding passes U.S. House

The REPORTER

On Tuesday, Congresswomen Susan W. Brooks' (Ind.-05) and Debbie Wasserman Schultz's (Fla.-23) bipartisan legislation (H.R. 4078) to reauthorize and increase funding for the Breast Cancer Education and Awareness Requires Learning Young Act (EARLY) Act passed the full U.S. House.

"One in eight women in the United States will be diagnosed with breast cancer over their lifetime," Brooks said. "Many women with breast cancer have no symptoms, which is why regular breast cancer screenings are so crucially important. I am proud Congress unanimously voted to reauthorize the EARLY Act because it shines a necessary spotlight on the threats posed by breast cancer to young women. This bipartisan legislation also seeks to educate health care professionals and the public about the importance of young women's breast health and supports research that will help end breast cancer once and for all."

Background

The EARLY Act empowers young and high risk women to understand their bodies and advocate for their health. By providing funding for breast cancer education and screening programs, the EARLY Act continues Congress'

continued commitment to protecting all Americans, particularly those at risk of dangerous diseases.

First passed in 2010, the EARLY Act provides continuous access to the health information and resources that are critical throughout a woman's life. So far, the EARLY Act has created a crucial education and outreach campaign administered by the Centers for Disease Control and Prevention (CDC) that highlights breast cancer risks facing young women and certain women at higher risk due to their ethnic or racial background, while empowering them with the tools they need to fight this disease.

This legislation reauthorizes the program through FY2024 and funds CDC programs to identify gaps in education and awareness among young women

Brooks

and health care providers about breast health. It supports young survivors through grants to organizations focused on helping them cope with the many unique challenges they face as young women and in implementing a targeted media campaign to reach young and higher risk women.

The EARLY Act is supported by the American College of Radiology, Breast Friends, Bright Pink, FORCE: Facing Our Risk of Cancer Empowered, Living Beyond Breast Cancer, Moffitt Cancer Center, National Black Nurses Association, National Consortium of Breast Centers, National Hispanic Medical Association, Oncology Nursing Society, Prevent Cancer Foundation, Sharsheret, Susan G. Komen, and Tingerlily Foundation.

AG Curtis Hill announces \$39.5M multistate settlement with Anthem after massive data breach

The REPORTER

Indiana Attorney General Curtis Hill on Thursday announced that Indiana has joined a \$39.5 million mul-

tistate settlement with Indianapolis-based Anthem. The settlement stems from a 2014 data breach that exposed millions of Ameri-

cans' personal information.

In February 2015, Anthem disclosed that cyberattackers infiltrated its systems beginning in Feb-

ruary 2014, using malware installed through a phishing email. A federal grand jury last year indicted members of a China-based hacking group on charges related to a series of computer intrusions, including a data breach of Anthem.

The cyberattackers were able to gain access to Anthem's data warehouse, where they harvested names, dates of birth, Social Security numbers, health-care identification numbers, home addresses, email addresses, phone numbers and employment information for 78.8 million Americans. About 4,558,354 Indiana residents were impacted by the breach.

"Consumers are vulnerable when companies entrusted to protect their personal information fail to take the appropriate steps to do so," Hill said. "We are reassured by Anthem's commitment to improve its data security practices and are confident that the company will not repeat past mistakes."

Indiana will receive \$2,682,793.39 from the

settlement, all of which will go to the Agency Settlement Fund. In addition to this payment, Anthem agreed to a series of provisions designed to strengthen its security practices. Those provisions include:

- Prohibiting misrepresentations about the extent to which Anthem protects the privacy and security of personal information;
- Implementing a comprehensive information security program that incorporates principles of zero-trust architecture. This includes regularly reporting security matters to the Board of Directors and promptly notifying the CEO of significant security threats;
- Implementing security requirements with respect to segmentation, logging and monitoring, anti-virus maintenance, access controls and two-factor authentication, encryption, risk assessments, penetration testing and employee train-

Hill

ing, among other requirements; and

- Conducting third-party security assessments and audits for three years, as well as requiring that Anthem make its risk assessments available to a third-party assessor during that term.

Through this settlement, Anthem has reached a resolution with Indiana and 42 other states. California has also reached its own settlement with Anthem.

Court documents related to this multistate settlement are available here and here.

Previously, Anthem entered into a class-action settlement that established a \$115 million settlement fund to pay for additional credit monitoring, cash payments of up to \$50 for affected Americans and the reimbursement for out-of-pocket losses for affected consumers. The deadlines for consumers to submit claims under that settlement have passed.

TODAY'S BIBLE READING

And as they bound him with thongs, Paul said unto the centurion that stood by, Is it lawful for you to scourge a man that is a Roman, and uncondemned? When the centurion heard that, he went and told the chief captain, saying, Take heed what thou doest: for this man is a Roman. Then the chief captain came, and said unto him, Tell me, art thou a Roman? He said, Yea. And the chief captain answered, With a great sum obtained I this freedom. And Paul said, But I was free born. Then straightway they departed from him which should have examined him: and the chief captain also was afraid, after he knew that he was a Roman, and because he had bound him. On the morrow, because he would have known the certainty wherefore he was accused of the Jews, he loosed him from his bands, and commanded the chief priests and all their council to appear, and brought Paul down, and set him before them.

Friday night football - Week 7

Royals beat Millers in all-county showdown

Hamilton Southeastern won an all-county and Hoosier Crossroads Conference showdown with Noblesville Friday at Beaver Materials Field by the score of 27-17.

The Royals never trailed in the game, but had to wait until the two-minute mark of the first quarter to get on the board, which they did when Alex Geroulis kicked a 25-yard field goal. Southeastern began the second quarter with a touchdown; Jace Alexander ran the ball into the end zone from eight yards.

Geroulis made the extra-point kick, and a few minutes later would make his second field goal of the game, this time from 23 yards. The Millers did go into halftime with points on the board, as Grayden Addison's 30-yard field goal got Noblesville within 13-3 at the break.

Southeastern got another score early in the third quarter, when Mikah Phillips made a fumble recovery for a touchdown. It was part of a Royals defense that coach Michael Kelly said played "very, very good."

"They did a good job in coming up with several turnovers and played hard," said Kelly. "I thought we had several guys come up with some big stops."

The Millers scored the next touchdown, with Trey Speek taking the ball in

from two yards. Southeastern answered minutes later when Blaine Wertz ran in from 29 yards for a touchdown with 2:53 left in the third. The Royals led 27-10 at that point and held on from there.

"Their offense just really rose to the occasion when they needed to and our defense was a half-step behind on third and longs," said Noblesville coach Dave Sharpe.

The Millers' Holden Montarsi got the game's final score, catching a 50-yard touchdown pass from Connor Meinerding with 2:28 left in the game.

Wertz led HSE's rushing with 133 yards in 26 carries. Sam Jacobs filled in at quarterback for an injured John McCall, and performed well, completing 7 of 10 pass attempts for 101 yards. Wertz had three of those catches.

Meinerding went 4-of-6 for the Millers, totaling 86 yards. Montarsi had two catches and also led the rushing with 50 yards.

The Royals improved to 4-1 in HCC play, sitting in a tie for second place with Brownsburg, and are 5-2 overall. Southeastern goes back on the road next week to play at Franklin Central. Noblesville is 1-4 in the conference and 2-5 overall, and plays at Brownsburg next week.

Westfield stays unbeaten in HCC play . . .

'Rocks run away from Avon

By RICHIE HALL
WESTFIELD - After a huge win last week, what would Westfield do for an encore this week?
The Shamrocks would score 59 points, and put themselves firmly in control of the Hoosier Crossroads Conference, that's what. Westfield emerged from a first-quarter track meet and pulled away from Avon in a 59-33 victory at Riverview Health Stadium on Friday.
The win over the Orioles came one week after the Class 6A No. 4 Shamrocks' big overtime win over then-unbeaten Brownsburg. A letdown after such a dramatic victory was possible, but Westfield's senior leadership made sure that didn't happen.
"I was a little concerned about a let-down," said 'Rocks coach Jake Gilbert. "But I think our seniors are very mature about the practice week. I was on the warpath ready to find any letdown, but to be honest, they didn't give me much reason to. I thought they practiced really well this week and were really focused and that helped."
That focus was key for Westfield, as it was engaged in a true back-and-forth battle with Avon in the first quarter. The Orioles scored first on a field goal, but the 'Rocks got on the board soon after with a 24-yard passing touchdown from Maximus Webster to Reid Scheppers.

family, let's go. We got each other.' We went out there and got that big stop, and then we brought in Zach Williams from offense, and he made that big third-down stop, which got our momentum going."
Meanwhile, Westfield scored two more touchdowns in the half. Micah Hauser bulled his way into the end zone on a 19-yard run with 3:32 left, then Webster lobbed a perfect four-yard throw to a waiting Carson Voorhis with 1:11 to go in the half. Sean Sullivan made all six extra-point kicks in the first half, which ended with the 'Rocks up 42-24.
Westfield continued to roll in the third quarter. Hauser made a three-yard scoring run during the first minute of the period, and Sullivan followed that up with his seventh extra-point kick of the game. Sullivan then booted a 26-yard field goal midway through the quarter. The Shamrocks completed their scoring with three minutes left in the period, when Nick Talley tossed a 27-yard pass to Nic Depasquale. Frankie Ispen made the extra-point kick.
Webster had a highly-efficient night under center, completing 13 of 16 passes

Magwire Graybill and David Frey both had seven tackles for the Westfield defense, while Hauser, Evan Cannon and Benji Welch each had six stops.
The victory keeps the Shamrocks per-

fect in the HCC and 5-0 and improves their overall record to 6-1. Westfield travels to Fishers next Friday.
"We're clearly in the driver's seat now," said Gilbert. "We just have to finish the job. Like I said, this doesn't happen every year, so we got to make sure we finish and achieve the goal."

Tigers pick up win at Franklin Central

Fishers brought a three-game losing streak to an end on Friday night by beating Franklin Central 33-14 in an away Hoosier Crossroads Conference game.
The Tigers absorbed an early Flashes lead, which happened when FC scored on an interception. But after that, it was all Fishers as it ran up 33 unanswered points.
"We had a mishap in the first quarter where their defense got a pick six," said Tigers coach Curt Funk.
The Tigers tied the game midway through the first quarter on a five-yard touchdown run by Carson Dunn, and Christian Wayne made the extra-point kick. Fishers got its passing game going in the second period, with Lucas Prewitt making touchdown throws to Caleb Gates and Landon Morris, the latter with 10 seconds left in the half.
The Tigers led 20-7 at the break. Funk said his team was able to get a little bit

of separation, "and I thought our offense did a nice job of moving the football, executing the passing game."
"Lucas Prewitt did a nice job in the passing game and our offensive line was doing a great job of giving him time to get the ball off," said Funk.
Prewitt threw for two more touchdowns in the third quarter. Silas Martin caught an 18-yard throw less than two minutes into the period, then Jeffrey Simmons grabbed a one-yard TD pass with 1:13 left in the third, with Wayne making the extra-point kick.
Simmons finished the game with 15 receptions, a school record.
"Jeffrey had a big night and we were really happy for him and his production," said Funk.
Prewitt had a tremendous night, going 29-for-39 with 345 yards and four touchdowns. Prewitt also led the rushing with 39 yards.

Big Homecoming win for Carmel...

'Hounds beat Ben Davis for 4th straight win

Carmel gave its Homecoming crowd much to cheer about Friday, as the Class 6A No. 7 Greyhounds swept past Ben Davis 31-9 in a Metropolitan Conference game at Carmel Stadium.

The 'Hounds got on top early, scoring its first points with 9:55 left in the first quarter when Zach White made a 37-yard touchdown run. The Giants got on the board midway through the period on a 20-yard field goal, but that would be their only score for a while.

Meanwhile, Carmel added two more touchdowns in the first half, both with around a minute to go in their respective quarters. Colton Parker caught an 11-yard pass from Zach Osborne in the first period; that gave the Greyhounds a 14-3 lead. Late in the second, Osborne struck again, this time sending an 88-yard touchdown pass to Baron Smith. As a result, Carmel held a 21-7 halftime lead.

Ben Davis made things interesting early in the fourth quarter when LaDon Allen scored on a 28-yard run. But the Greyhounds answered right away, with Osborne throwing a 67-yard touchdown pass to Jordan Jones. Spencer Hanna kicked all four extra points, and he would complete the Carmel scoring late in the fourth with a 28-yard field goal.

Osborne had a solid night, completing 8 of 15 pass attempts for 214 yards and three TDs. Jones had three receptions, while Smith turned his two catches into 103 yards. White led the Greyhounds rushing with 118 yards.

Carmel, a winner of four straight games, is now 4-1 in the MIC and sits in second place behind Center Grove, which officially clinched a share of the

Big second quarter sends Seeger past 'Hawks

Sheridan found itself in a 21-0 hole after the second quarter of its game with Seeger Friday night at Bud Wright Stadium.

The Blackhawks made a comeback in the fourth period, but the Patriots' early lead was too much to overcome. Sheridan lost 28-14, ending a two-game win streak.

"We just didn't believe that we were going to get the job done," said Wright.

The 'Hawks scored both of their touchdowns in the fourth quarter. Cameron Hovey got into the end zone first on a one-yard run. Later, with less than a minute to go, Jalen Herron scored on a 26-yard run, after which Silas DeVaney threw a two-point conversion pass to Keenan Warren. Wright credited his team with playing a "different ball game" in the second half.

Hovey led the Sheridan rushing with 55 yards.

The Blackhawks fell to 4-2 with the loss. Sheridan returns to Hoosier Heartland Conference play next week by hosting Eastern. The Comets lead the HHC standings with a 5-0 record, while the 'Hawks are 2-1 in the league. A boxscore appears below.

Guerin Catholic broke a three-game losing streak on Friday, defeating Northview 19-0 at the Eagles Nest.

The Golden Eagles had been held without a point in its last two games, but finally got back on the board in the first quarter. Jagger Albert scored on a three-yard touchdown run, and Addison Lushin kicked the extra point.

Guerin Catholic added a touchdown in each of the next two quarters. Albert struck again in the second period with a 35-yard run, then Ryan Glenn caught a 28-yard scoring pass from Sam Miller in the third quarter.

Albert had a solid night on the ground, gaining 154 yards in 26 carries. Miller completed 7 of 10 pass attempts for 68 yards, while Glenn had three catches.

The Golden Eagles improved to 2-3 with the victory. Guerin Catholic is scheduled to be idle next week; the Golden Eagles were to play Brother Rice from Michigan, but the game had to be canceled after Michigan moved its high school football season to the spring.

Guerin Catholic's next scheduled game will be on Oct. 16, when it welcomes Culver Academies to the Eagles' Nest. Kickoff will be at 7:30 p.m. A boxscore appears below.

Last-second field goal ends Heights' win streak...

Huskies lose tough one to Tipton

Hamilton Heights was dealt a tough loss on Friday, as rival Tipton kicked a last-second field goal to beat the Huskies 24-21 at the Heights stadium.

The game was back and forth for the entire time. The Huskies spent most of the time in front, but the Blue Devils always would eventually answer.

"I thought they played very hard, physical football," said Heights coach Jon Kirschner of his team. "We just came up short in the end. Tipton made some big plays. We knew going into it, it was going to be a war."

The Huskies scored first, with Gavin Bramel catching a 45-yard touchdown pass from Guy Griffey less than two minutes into the game. After Michael Lecher's extra-point kick, Heights held a 7-0 lead until the second quarter, when Sam Edwards and Drew Pearce combined for the first of their three touchdown passes for Tipton.

The Blue Devils scored at the 5:49 mark of the period. A minute later, Heights had the lead back, when Nate Hulen punched the ball in from the one-yard line. Lecher's kick put the Huskies up 14-7, and that would be the halftime lead.

The third quarter was a rerun of the second: Edwards and Pearce scored on another pass play touchdown, Hulen answered for Heights with a short run. The

Girls golf state finals

County teams in top eight after 1st round

Hamilton County girls golf teams make up half of the top eight positions after the first round of the IHSAA state finals, which took place Friday at Prairie View Golf Club in Carmel.

Carmel is currently in third place with a team score of 316. The Greyhounds are one stroke behind Homestead’s 315 in the battle for second place. Evansville North holds a comfortable lead after the first round with a 305.

Carmel freshman Michaela Headlee is tied for fourth place with a 76. Headlee made two birdies in her round. Senior Katie Kuc carded a 78, also with two birdies. The Greyhounds’ three other golfers, senior Sydney Longstreth, junior Ava Hedrick and freshman Claire Swathwood, all made one birdie.

Westfield is in fourth place, totaling 324 for its first round. Freshman Saman-

tha Brown leads the Shamrocks with a 78 and made two birdies. Senior Cate Jensen had one birdie.

Hamilton Southeastern finished the first round in sixth place with a 331. Junior Yanah Ralston and senior Grace Dubec both had 82s to lead the Royals. Junior Marissa Spreitzer drained two birdies, while sophomore Amber Luttrell and senior Ashley Marcinko both made one.

Noblesville sits in eighth place with a 349. Sophomore Caroline Whallon leads the Millers with a 78; she made two birdies in her round. Seniors Sarah Brenneman and Taylor Caldwell both had one.

Guerin Catholic junior Christina Pfefferkorn carded a 78 on Friday, draining two birdies. Fishers junior Lilly McVay scored a 94.

The second round of the state finals begins at 8:30 a.m. this morning at Prairie View, although there may be a weather delay if the conditions are too cold. All four county teams will start the second round off the first tee: Noblesville between 8:57 and 9:33 a.m., Westfield and Southeastern between 9:42 and 10:18 a.m., and Carmel between 10:27 and 11:03 a.m.

Pfefferkorn starts off the first tee at 8:48 a.m., while McVay begins off the 10th tee at 10:45 a.m.

Team scores: Evansville North 305, Homestead 315, Carmel 316, Westfield 324, Culver Academies 327, Hamilton Southeastern 331, Columbus North 337, Noblesville 349, Center Grove 353, Castle 358, Crown Point 358, Concord 363, NorthWood 372, Greenfield-Central 373, Western 386.

Carmel scores: Michaela Headlee 76, Katie Kuc 78, Claire Swathwood 80, Sydney Longstreth 82, Ava Hedrick 88.

Westfield scores: Samantha Brown 78, Sophie McGinnis 81, Allie Hildebrand 82, Cate Jensen 83, Brette Hannan 86.

Southeastern scores: Yanah Rolston 82, Grace Dubec 82, Amber Luttrell 83, Ashley Marcinko 84, Marissa Spreitzer 86.

Noblesville scores: Caroline Whallon 78, Ellie Karst 85, Sophi Stutz 92, Sarah Brenneman 94, Taylor Caldwell 95.

Guerin Catholic score: Christina Pfefferkorn 80.

Fishers score: Lilly McVay 94.

HUSKIES

Huskies led 21-14 after three.

Pearce caught a 67-yard pass from Edwards with 7:09 left to tie the game, and the score would be 21-all until Cole Jackson kicked a 25-yard field goal with two seconds left. That would be enough for Tipton to get the win.

Vincent Harley stepped in to the quarterback role for Heights later in the game and went 7-of-9 for 78 yards. Isaac Tuma had the most catches with three. Troy Ehman led the Huskies’ rushing with 32 yards.

from Page 11

“Unfortunately, a tight game didn’t go our way tonight,” said Kirschner. “Proud of how our kids played tonight.”

The loss brought Heights’ three-game win streak to an end and also pushed them back to a tie for second in the Hoosier Conference East Division with Western; both schools are 2-1 in division play. Tipton now leads the East with a 3-0 record.

The Huskies are 3-4 overall. Heights finishes division play at Lewis Cass next week.
