## Judge rules all ballots postmarked by Election Day must be counted

By RICHARD ESSEX  
WISH-TV | [wishtv.com](http://wishtv.com)

Hoosiers may not know election results until weeks after the Nov. 3 election, now that a federal judge ruled any mail-in absentee ballot postmarked by Election Day must be counted.

The federal judge said close to 2,000 ballots cast in the primary election in Marion and Hamilton counties were thrown out because they arrived after the deadline,

*“The judge’s ruling will most likely delay the election results and could potentially change the outcome in some local races. It could, especially our legislative races if they are close, we wouldn’t know those [results] until the middle of the month.”*

– Hamilton County Clerk Kathy Williams

even though they were postmarked by the date of the primary. For the Nov. 3 election, any similar ballot must be counted.

Federal judge Sarah Evans Barker's

ruling simply states that Election Day is an all-day event. If the voter followed all the rules and mailed their ballot on time then it must count.

Hamilton County has sent out more than 36,000 mail-in absentee ballots, and as of Wednesday more than 9,000 have been returned.

Hamilton County Clerk Kathy Williams said her office is still processing

## HSEA will not endorse any candidates for school board

By LARRY LANNAN  
[LarryInFishers.com](http://LarryInFishers.com)

Since 1984, the Hamilton Southeastern Education Association has endorsed candidates for the board in each election cycle. 2020 will be the first time in recent history that the association is choosing not to endorse any school board candidate in this round of at-large school board elections.

HSEA says it believes it has fulfilled its responsibility to educate voters with a candidate forum held via Zoom (you can view the entire forum video at [youtu.be/K6QVrK2E\\_nA](https://youtu.be/K6QVrK2E_nA)). Eight of the 11 candidates chose to participate in the forum. HSEA also posted answers to questionnaires by the candidates, which can be viewed at [tinyurl.com/y8l9h5mm](https://tinyurl.com/y8l9h5mm).

Just a reminder that school board elections are nonpartisan, meaning candidates do not run under the banner of any political party.

# Heights Assistant Principal Whitney Gray given Ida Award

## First T1L1 class includes 26 student graduates

The REPORTER

Hamilton Heights High School Assistant Principal Whitney Gray was recently presented the Ida Yaney Overholser Award for her contributions to the Teach One to Lead One® (T1L1) mentoring program at Hamilton Heights High School during the 2019-20 school year.

The award was given to Gray at the T1L1 graduation last month. The first class of Heights T1L1 students graduated from the leadership mentoring program at the Remnant Coffee Shop in Arcadia. This past year, 26 students took part in T1L1 mentoring at the high school.

T1L1 is a unique mentoring program that partners caring people in the community with the school corporation to equip students to be leaders. It is centered on 10 universal principles needed for success: Respect, integrity, self-control, courage, humility, excellence, compassion, enthusiasm, teamwork and honor.

Hamilton Heights was the first school in Indiana

Photo provided Whitney Gray holds the Ida Yaney Overholser Award she received at the Teach One to Lead One graduation.

to offer the T1L1 program. Gray was an early advocate for T1L1 to come to Hamilton Heights.

“We were overwhelmingly pleased with the positive impact the mentors had on our students this past year,” Gray said. “You could see it on their faces during

the graduation ceremony. They knew they had accomplished something and they had a room full of people who cared about them. That is huge!”

The Ida Award is given to a person who has worked behind the scenes to help children overcome obstacles

to become leaders.

Ida Yaney Overholser was born in Indiana in 1885. Throughout her life, she experienced heartbreaking loss and tragedy, but overcame these obstacles with a lot of grace. In her 100 years, she served as a caregiver to people in need and a comforter to those who had experienced great loss in life, as she had. The Ida Award honors her legacy to bestow grace and kindness to people in need.

“Ida was my grandmother,” said Kevin Yaney, the T1L1 Community Champion for Central Indiana. “When it comes to showing great kindness to young people behind the scenes, Whitney Gray and my grandma have a lot in common. It was my privilege to give her this award for her compassionate, tireless work and her gracious devotion to helping students become leaders in our community. The Hamilton Heights community is blessed to have a person of her character working with these students.”

## America needs to appreciate a free press

National Newspaper Week is this week. Some may say “so what?” Well, it is just a week during which newspaper readers should consider what a news publication means to them and to the country.

A free press is the only privately owned industry specifically mentioned and protected by the Constitution, and about the only business not regulated in some manner by local, state or federal government.

As we well know, not everyone reads a newspaper every day or even every week. But, those who do are the folks who likely form the opinions and make the decisions that guide our culture and our government.

In other words, the news makes a great impact on our

society, locally and nationally. Of course, the informed citizens also get information from other sources: Internet news, television, radio, news magazines, etc.

But, purely local news day in and day out comes largely from the print media.

It’s easy to forget that almost all we know about the community, the nation and the world ultimately comes from the news media in one form or another. And, here in Hamilton County it is still the newspaper that supplies most of the public information to our citizens.

So, hopefully our readers and the public in general will give some thought this week to how much a free newspaper industry means to our way of life.

## BALLOTS

from Page A1

applications for mail-in absentee ballots. Indiana voters have until Oct. 22 to request a ballot.

Williams says the judge’s ruling will most likely delay the election results and could potentially change the outcome in some local races.

“It could, especially our legislative races if they are close we wouldn’t know those [results] until the middle of the month and, you know, depending on how many it is,” Williams said.

Prior to the judge’s ruling, Indiana election law states all mail-in absentee ballots must arrive in the clerk’s offices by noon on Election Day. Ballots delivered after noon are supposed to be dismissed, regardless of when they were postmarked.

Hamilton County had 435 of those ballots in the primary. Marion County had more than 1,500. The federal judge cites

COVID-19 and changes at the postal service mean voters likely can’t control when their ballots arrive. So she’s ordered any ballot that is postmarked on or before Election Day and arrives at the clerk’s office by Nov. 13 must be counted.

Hendricks County Clerk Debbie Hoskins says if voters get their ballots back in the mail early that will speed up the final vote totals.

“Hopefully there wouldn’t be too many people that will get their ballots into us late, I mean it’s doable, I mean it is just prolonging the results,” Hoskins said.

All county clerks will have to keep some election staff longer than expected, which will add to the cost of the election.

There were 550,000 absentee mail-in ballots cast in the primary and Indiana is expected to have double that number for the general election.

### David L. “Dave” Rodgers

November 25, 1935 – September 15, 2020

David L. “Dave” Rodgers, 84, formerly of Sheridan, entered the gates of heaven on September 15, 2020. Our hearts find comfort in knowing he is reunited with his bride, Barbara A. “Barb” Rodgers, once more.

Born November 25, 1935 in Lewisburg, Ohio, Dave was the son of the late Marion and Hilda Rodgers. He grew up on a dairy farm and learned the value of hard work at an early age. He was a curious kid, always tinkering, creating and reading. When Dave turned 16, he got his driver's license and drove himself to the airport where he performed his first “solo” flight. He loved cars, motorcycles, airplanes, boats and anything mechanical. He was a 1953 graduate of Lewisburg Union High School in Lewisburg, Ohio.

Shortly after graduation Dave entered the Navy, but not before marrying the love of his life, Barb. They were stationed in Annapolis, Md., and then Newfoundland, Canada. Dave served for four years as an electronics technician, followed by four years in the reserve. While stationed in Newfoundland in 1957, Dave and Barb started their beautiful family. After various moves between Michigan and Ohio, they eventually settled in Sheridan, planting roots and embedding themselves into the community some 50 years ago.

Dave was an entrepreneur at heart. He and Barb were best known for establishing Rodgers Finishing Tools “RFT” in 1970, but his other ventures included owning a gas station, a solar energy company that catered to marine craft, and even a small airport. He owned and operated Howard County Airport where he was a single engine instructor and an instrument rated multi-engine pilot with a commercial license.

Dave enjoyed all of his professional successes, but his real enjoyment came when he was able to use his hands. His ability to build and refurbish things was an art. He built ultra-light aircraft and refurbished motorcycles, planes, sailboats and even an old 1915 Model T car. Dave loved to sail and convinced Barb to live on a 35-foot sailboat for a year during early retirement.

The only thing that rivaled his love for his hobbies was the love he had for his family. A man of many talents, never boastful but always willing to teach and share his knowledge and wisdom with them. His soft blue eyes, Ralph Lauren Polo cologne smell, beautiful smile and hugs you could feel for days will be missed the most.

Dave is survived by his four children, Steven Rodgers, Melanie Rodgers, Chris Rodgers (Sheryl) and Douglas Rodgers (Tina); nine grandchildren, Malissa Crawford (Brad), Michael Rodgers (Gina), Kelly Isley (Doug), Nick Rodgers (Whitney), Grant Rodgers, Andrew Rodgers (Emily), Alexander Rodgers, Taylor Rodgers and Meredith Rodgers; 12 great-grandchildren; and nephew, Jeff Shafer (Susan).

He was preceded in death by his parents, Marion and Hilda Rodgers; his siblings, Beverly Shafer and Jimmy Rodgers; and his wife of 64 years, Barbara Rodgers.

A private memorial service was held on October 4, 2020 at Kercheval Funeral Home in Sheridan.

Due to COVID-19 restrictions, a public celebration of Dave and Barbara's lives is being planned for a later date.

Please visit KerchevalFuneralHome.com to leave condolences and share your best Dave story with the family.

### Pamela Greco

August 23, 1955 – September 23, 2020

Pamela Greco, 65, Helena, Ala., formerly of Fishers, passed away on Wednesday, September 23, 2020 at Princeton Baptist Medical Center in Birmingham, Ala. She was born on August 23, 1955 to Frank and Grace (Mauro) Lofaso in Brooklyn, N.Y. Her parents precede her in death.

Pam was first and foremost a loving wife and mother. Even working full time, she regularly pulled off culinary feats while being active in her children's lives. She was intelligent and well-educated, especially quick witted and kind – traits that live on in her children. Her forthright and outgoing demeanor enabled her to make friends easily; it took little time to get to know and like her. She was respectful of others' opinions but never hesitated to let people know where she stood.

She was a wonderful cook and often surprised her family with a creative dish, and while every new attempt came with the reassuring disclaimer, “Don't worry – we can always order a pizza,” it was rarely needed. Christmas was her favorite time of year, and the variety of her mouth-watering Christmas cookies covered every kitchen surface as she recruited her children into little icing-elves. Her favorite store was Macy's. She quite possibly kept Macy's in business single-handedly; though, with her expert use of coupons and sales, she always maintained that she saved more than she spent – a rationale her husband (even after four decades of patient mathematical explanations) could never understand.

She mastered the skill of internet research early on (even besting her children) because she saw the web as another kind of shopping. She could find information or bargains in the blink of an eye.

Among her many accomplishments was a successful career at Roche Diagnostics. She rose from a temp worker to a quality control specialist – a key position she executed with excellence. She was highly regarded by her colleagues for her expertise, her initiative, and her genuine care both for the quality of the end product and for her co-workers. She referred to several of her Roche family as “work sons” and “work daughters,” and they reciprocated with a genuine love and respect for that “fast-talking” New Yorker they all felt privileged to know.

Her love and devotion to her family may be matched by some but surpassed by none. She was the better half of a perfect couple she made with Michael, her husband of 40 years; she never complained while he moved her around the country. The little girl who never planned to leave where she grew up in Ozone Park, Queens adapted quickly to moving to the “boonies” of Merrick, N.Y.; Freehold, N.J.; Fishers, Ind.; and Helena, Ala. Never hesitant, she would always say to him “I'll follow you anywhere” (even when that meant moving to a place that put pasta in the “ethnic food” aisle). Her home was wherever he was. One will have to look far and wide to find two people more in love and devoted to one another. (And now my love, it is I who will follow you. I will miss you terribly and love you every minute of every day, as I have always, until I take my last breath on this earth, and then we will be together again).

She is survived by her husband of 40 years, Michael Greco; daughter, Michelle Greco, and son-in-law, Jeffrey Weimer; son, Matthew Greco; and siblings, Jack Lofaso, Judy Holzhay and Sandy Lofaso. She will be deeply missed.

Services were held on Thursday, October 1, 2020 at St. Louis de Montfort Catholic Church, 11441 Hague Road, Fishers. Visitation was held on Wednesday, September 30, 2020 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, in Fishers. Eulogies were read by daughter Michelle, son Matthew, and husband Michael, with a time for others to share their stories following. The family requested that all those wishing to pay their respects wear a mask.

Memorial contributions may be made to St. Jude Children's Research Hospital (stjude.org/donate/donate-to-st-jude.html) or to Kids in Need of Defense (seeking to reunite children with their parents) (donate.supportkind.org/give/188892/#/donation/checkout).

Sandra “Sandy” Sue Archer Thompson

June 4, 1949 – September 23, 2020

On September 23, 2020, Sandra “Sandy” Sue Archer Thompson, 71, passed away at Lutheran Hospital in Fort Wayne.

Sandy was born in Indianapolis on June 4, 1949. She graduated from Howe High School in 1967. Sandy spent her life working mainly in the medical field, retiring as a Billing Specialist/Billing Department Lead in 2013.

Sandy was the proud mother of two children, Brian and Leanne. She dedicated her life to raising them and loving them. From attending every sporting event of Brian’s to teaching Leanne how to bake an amazing cake. They truly were her heart and soul, her sole purpose.

Grandma Sandy – that was her favorite title! Thirteen years ago, she welcomed Rylen into her heart, loving his big blue eyes and priceless smile from just days old. She welcomed Evan in 2009 and was lucky enough to spend a couple of years babysitting him on her days off.

One cannot talk about Sandy without mentioning her amazing cake decorating skills, not to mention how delicious they were, her welcoming, friendly and happy demeanor towards anyone visiting her, her sense of humor that existed until the very end, and her ability to throw a super fun pool party.

Sandy was preceded in death by her parents, John M. Archer, Sr. and Leona M. Archer; and her brother, John M. Archer, Jr. She is survived by her son, Brian Thompson, Carmel; her daughter, Leanne Wheeldon (Brian), Fishers; two brothers, Mike Archer and Daniel Archer (Susan); a sister, Rebecca Burkart (Jay); two grandsons; seven nieces; one nephew; and several great nieces and great nephews.

Hershel “Eugene” Walls

July 1, 1945 – September 21, 2020

Hershel “Eugene” Walls, 75, Venice, Fla., formerly of Fishers, passed away on Monday, September 21, 2020 at his residence in Venice. He was born on July 1, 1945 to Henry and Betty (nee Spaur) Walls in Noblesville. Eugene was employed by the Firestone Corporation, the Chrysler Corporation, and was an entrepreneur.

Eugene was a man of integrity whose charitable donations helped many and were more often than not done so anonymously. Eugene took pride in helping others and was a person who expected nothing in return. Eugene enjoyed staying busy and was extremely mechanically inclined. There was not anything he could not figure out that needed remodeling, built from the ground up, or re-engineered to his standard. According to his son Allen, “I would not have achieved the level of success in the fire service profession had it not been for my father’s high level of expectation, his teaching the value of hard work, and his demand for excellence growing up that has always been first and foremost in my mind even to this day.” Eugene will be dearly missed by many.

He is survived by his wife, Sharon (nee Harper) Walls; sons, Allen (Tia) and Bryan (Michelle); daughter, Rhonda (Richard); grandchildren, Joshua, Braeden, Justin (Marilyn), Amber (Michael) and Jacob; and great-granddaughters, Olivia and Kennedy.

A private visitation was held. Graveside services were held on Friday, October 2, 2020 at Crownland Cemetery in Noblesville with anyone welcome to attend. Pastor Mark Garrett officiated, with burial immediately following the graveside service.

In lieu of flowers, memorial contributions may be made to the American Diabetes Association, 8604 Allisonville Road, Suite 140, Indianapolis, IN 46250.

In addition, the family wishes that others always remember to be mindful of others so as to be a blessing in their lives in order to make a difference in the world.

# Big second quarter sends Seeger past 'Hawks

Sheridan found itself in a 21-0 hole after the second quarter of its game with Seeger last Friday night at Bud Wright Stadium.

The Blackhawks made a comeback in the fourth period, but the Patriots' early lead was too much to overcome. Sheridan lost 28-14, ending a two-game win streak.

"We just didn't believe that we were going to get the job done," said Wright.

The 'Hawks scored both of their touchdowns in the fourth quarter. Cameron Hovey got into the end zone first on a one-yard run. Later, with less than a minute to go, Jalen Heron scored on a 26-yard run, after which Silas DeVaney threw a two-point conversion pass to Keenan Warren. Wright credited his team with playing a "different ball game" in the second half.

Hovey led the Sheridan rushing with 55 yards.

The Blackhawks fell to 4-2 with the loss. Sheridan returns to Hoosier Heartland Conference play Friday by hosting Eastern. The Comets lead the HHC standings with a 5-0 record, while the 'Hawks are 2-1 in the league.

# Huskies lose tough one to Tipton

Hamilton Heights was dealt a tough loss last Friday, as rival Tipton kicked a last-second field goal to beat the Huskies 24-21 at the Heights stadium.

The game was back and forth for the entire time. The Huskies spent most of the time in front, but the Blue Devils always would eventually answer.

"I thought they played very hard, physical football," said Heights coach Jon Kirschner of his team. "We just came up short in the end. Tipton made some big plays. We knew going into it, it was going to be a war."

The Huskies scored first, with Gavin Bramel catching a 45-yard touchdown pass from Guy Griffey less than two minutes into the game. After Michael Lecher's extra-point kick, Heights held a 7-0 lead until the second quarter, when Sam Edwards and Drew Pearce combined for the first of their three touchdown passes for Tipton.

The Blue Devils scored at the 5:49 mark of the period. A

The third quarter was a rerun of the second: Edwards and Pearce scored on another pass play touchdown, Hulen answered for Heights with a short run. The Huskies led 21-14 after three.

Pearce caught a 67-yard pass from Edwards with

7:09 left to tie the game, and the score would be 21-all until Cole Jackson kicked a 25-yard field goal with two seconds left. That would be enough for Tipton to get the win.

The Huskies are 3-4 overall. Heights finishes division play at Lewis Cass on Friday.

Big Homecoming victory for Carmel . . .

'Hounds beat Ben Davis for 4<sup>th</sup> straight win

Carmel gave its Homecoming crowd much to cheer about last Friday, as the Greyhounds swept past Ben Davis 31-9 in a Metropolitan Conference game at Carmel Stadium.

The ‘Hounds got on top early, scoring its first points with 9:55 left in the first quarter when Zach White made a 37-yard touchdown run. The Giants got on the board midway through the period on a 20-yard field goal, but that would be their only score for a while.

Meanwhile, Carmel added two more touchdowns in the first half, both with around a minute to go in their respective quarters. Colton Parker caught an 11-yard pass from Zach Osborne in the first period; that gave the Greyhounds a 14-3 lead. Late in the second, Osborne struck again, this time sending an 88-yard touchdown pass to Baron Smith. As a result, Carmel held a 21-7 halftime lead.

Ben Davis made things interesting early in the fourth quarter when LaDon Allen scored on a 28-yard run. But the Greyhounds answered right away, with Osborne throwing a 67-yard touchdown pass to Jordan Jones. Spencer Hanna kicked all four extra points, and he would complete the Carmel scoring late in the fourth with a 28-yard field goal.

Osborne had a solid night, completing 8 of 15 pass attempts for 214 yards and three TDs. Jones had three receptions, while Smith turned his two catches into 103 yards. White led the Greyhounds rushing with 118 yards.

Carmel, a winner of four straight games, is now 4-1 in the MIC and sits in second place behind Center Grove, which officially clinched a share of the conference championship last Friday by beating Pike 57-14. The ‘Hounds are 5-2 overall and continue MIC play Friday at Warren Central.

Tigers pick up win at Franklin Central

Fishers brought a three-game losing streak to an end last Friday night by beating Franklin Central 33-14 in an away Hoosier Crossroads Conference game.

The Tigers absorbed an early Flashes lead, which happened when FC scored on an interception. But after that, it was all Fishers as it ran up 33 unanswered points.

“We had a mishap in the first quarter where their defense got a pick six,” said Tigers coach Curt Funk.

The Tigers tied the game midway through the first quarter on a five-yard touchdown run by Carson Dunn, and Christian Wayne made the extra-point kick. Fishers got its passing game going in the second period, with Lucas Prewitt making touchdown throws to Caleb Gates and Landon Morris, the latter with 10 seconds left in the half.

The Tigers led 20-7 at the break. Funk said his team was able to get a little bit of separation, “and I thought our offense did a nice job of moving the football, executing the passing game.”

“Lucas Prewitt did a nice job in the passing game and our offensive line was doing a great job of giving him time to get the ball off,” said Funk.

Prewitt threw for two more touchdowns in the third quarter. Silas Martin caught an 18-yard throw less than two minutes into the period, then Jeffrey Simmons grabbed a one-yard TD pass with 1:13 left in the third, with Wayne making the extra-point kick.

Simmons finished the game with 15 receptions, a school record.

“Jeffrey had a big night and we were really happy for him and his production,” said Funk.

Prewitt had a tremendous night, going 29-for-39 with 345 yards and four touchdowns. Prewitt also led the rushing with 39 yards.

Curtis Kearshner led the Fishers defense with seven tackles, followed by six each for Joel Coston and Grady Stanley.

The Tigers improved to 2-3 in HCC play and are 2-5 overall. Fishers returns home Friday to host Westfield.

Golden Eagles beat Northview, break losing streak

Guerin Catholic broke a three-game losing streak last Friday, defeating Northview 19-0 at the Eagles Nest.

The Golden Eagles had been held without a point in its last two games, but finally got back on the board in the first quarter. Jagger Albert scored on a three-yard touchdown run, and Addison Lushin kicked the extra point.

Guerin Catholic added a touchdown in each of the next two quarters. Albert struck again in the second period with a 35-yard run, then Ryan Glenn caught a 28-yard scoring pass from Sam Miller in the third quarter.

Albert had a solid night on the ground, gaining 154 yards in 26 carries. Miller completed 7 of 10 pass attempts for 68 yards, while Glenn had three catches.

The Golden Eagles improved to 2-3 with the victory. Guerin Catholic is scheduled to be idle on Friday; the Golden Eagles were to play Brother Rice from Michigan, but the game had to be canceled after Michigan moved its high school football season to the spring.

Guerin Catholic’s next scheduled game will be on Oct. 16, when it welcomes Culver Academies to the Eagles’ Nest. Kickoff will be at 7:30 p.m.

In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them.
