Noblesville receives \$25K conservation grant

The REPORTER

The City of Noblesville recently received a \$25,000 Powerful Communities Grant from Duke Energy for habitat and forest restoration and conservation along the White River.

“We are grateful for Duke Energy’s conservation efforts and funding to help preserve one of our city’s amenities and open it both visually and physically to more resident interaction,” Mayor Chris Jensen said.

The year-long project, which begins in mid-October, targets the east bank of White River between Maple Street and Division Street for invasive species removal, native species planting, and habitat restoration over two events during the year.

“The White River Trail Riparian Restoration seeks to create accessible pedestrian approaches to White River in order to enable residents to interact with and appreciate the river,” Noblesville’s MS4 Coordinator Tim Stottlemeyer said. The density of invasive overgrowth has literally become a barrier to residents’

access to long stretches of the riverbank.”

In addition to Duke Energy’s grant, the city’s project has received \$26,630 of in-kind donations in man-hours, technical expertise, equipment, education and public outreach from the Boy Scouts of America, Hamilton County Soil & Water Conservation District, local Cooperative

Invasive Species Management Area chapter and the White River Alliance.

“The template we create of sequential actions for returning an area to native growth will outline monitoring protocols for measuring effectiveness and serve as a guide for similar efforts on other city-owned land,” Stottlemeyer said. “We are certain that year after year,

more residents will discover that they can walk right down to the river without fighting through overgrowth to enjoy a long-undervalued amenity.”

The White River Trail Riparian Restoration goals include:

County budget calls for \$96.7M, lower property tax

By FRED SWIFT

ReadTheReporter.com

A \$96.7 million county general fund budget was adopted last Monday morning by the Hamilton County Council. The budget is for the 2021 calendar year, and will require a slightly smaller property tax rate than was levied this year.

County employees will receive raises according to a scale that takes into account job responsibility, longevity and performance. County Auditor Robin Mills said there is no overall percentage of increase.

The budget can be funded with a lower tax rate largely because of the ever-growing tax base, up more than \$1.3 billion this year. The budget includes funding for county law enforcement, the courts, health department and numerous other services and administrative offices.

Thirteen non-profit organizations that provide

various social services will receive nearly \$4 million in assistance from the county next year as part of the budget, including some that are mandated by statute or annual contractual agreement.

The organizations are as follows: Aspire (mental health) \$2.3 million, Janus (sheltered workshop) \$775,000, Humane Society \$140,419, and Cherish Center \$67,000.

Also, Good Samaritan \$50,000, Heart and Soul Free Clinic \$15,000, Hope Family Care Center \$15,000, Indiana Center for Youth Abuse \$30,000, and Meals on Wheels \$10,000.

And, Prime Life Enrichment \$225,000, Prevail \$180,000, Shepherd Center \$40,000, and Trinity Free Clinic \$15,000.

With the exception of the state-mandated funds, these amounts are granted to organizations that perform community services that might otherwise fall to local government to fund entirely.

Carmel’s State of the City speech postponed

The REPORTER

Carmel Mayor Jim Brainard has announced he has postponed his annual State of the City address scheduled for November while the City continues to deal with the COVID-19 pandemic.

Previously scheduled as a “virtual” address to be shared on social media, Brainard said he felt it would be better to wait until such a time that everyone could gather together for a live speech, as has been the tradi-

tion for the past two decades.

“While we do have a lot of positive news to share about the state of our City,

Brainard

I think it is more important to remain focused on the serious matters at hand,” Brainard said. “Once we get a vaccine and we start to come out of this global pandemic, then we can take some time to reflect on where we have been and where we are going.”

The annual speech is likely to be rescheduled to the spring of 2021.

No COVID-19 outbreaks detected at Grand Park

The REPORTER

Last Friday, Westfield Mayor Andy Cook and Grand Park Sports Campus officials, along with local and state hospitality industry leaders, released glowing reviews from the Grand Park Sports Campus’ summer reactivation amid the global COVID-19 pandemic.

In looking at data from mid-May through Labor Day, with more than 613,000 visits to the sports campus, no COVID-19 outbreaks were detected because of campus activi-

ty. Athletes participated in tournaments and leagues hosted by Bullpen Tournaments (diamond sports), the privately-owned Pacers Athletic Center (basketball) and the Grand Park Sports Campus team (field sports).

“We looked at the situation and instead of closing up and waiting until next year, our team worked with the Governor’s Office, national leaders in youth sports, local health officials, event organizers, families and athletes to figure out how to get kids active as safely as possible,” Cook

said. “I am happy to report that, of the young athletes competing at Grand Park, to our knowledge, there were no spikes in cases due to campus activity. We worked hard to convince the community we would not be injecting COVID-19 into our city and convince visitors they could have a safe visit.”

Grand Park closed on March 16, which led to the cancellation of more than

INCOG BioPharma has its local economic development incentives in hand as the firm seeks to finalize a location for its new Fishers facility, projected to employ 150 people in 2024 and 260 by 2026. Fishers city spokesperson Ashley Elrod says no land parcel has been finalized as a location for the new enterprise, but the owners are eyeing the

area around the Exit 5 office park, east of Interstate 69 near downtown. The average wage for INCOG workers was set at \$83,000 per year, not including benefits and bonuses. The city is providing a tax incentives for INCOG, allowing 13 years abating property taxes and a two-year abatement of real property tax levies. A waiver of sewer fees is a part of the package.

Auditor’s Office explains when, why you should file a Homestead Tax Deduction

Submitted

The COVID-19 crisis is a public health emergency unparalleled in the disruption of daily life, which has fundamentally changed many things. Unfortunately, the deadline for filing for your Homestead Deductions is not one of them.

The pandemic, historically low interest rates and limited space for social distancing has the Hamilton County Auditor developing a plan to help ensure a seamless year-end filing process.

“If you have refinanced your home in 2020, as many people have, you will need to refile your mortgage deduction,” Hamilton County Auditor Robin Mills said. “Perhaps you have not refinanced in 2020, but were married or divorced – both are reasons to refile your standard homestead deductions.”

Also, if you purchased a home in 2020 or changed your deed, you will need to file all applicable deductions before the deadline.

To accommodate the larger than normal crowds, Mills is working with her team to move the filing location from the first floor, up into the Historic Courtroom located on the second floor of the Historic Courthouse.

“The Historic Courtroom is large enough to allow proper social distancing for 200 to 300 taxpayers,” Mills said.

Outlined below are the various deductions offered, along with their qualifications. There is no cost to file a deduction, it only takes about five to 10 minutes, and no appointment is necessary. All applicable deductions must be filed by Dec. 31 to take effect on the following year’s tax bill:

• **The Standard Homestead Deduction:** You must be an Indiana resident, you must have ownership in the home, and you must occupy the home as your principal place of residence. *When filing, you will need the last five digits of your social security number and driver’s*

Mills

license number. If you are married, you will need the same information for your spouse, regardless of how the home is titled. Individuals and married couples are limited to one standard homestead deduction.

• **The Mortgage Deduction** is for Indiana residents who maintain a mortgage on their home. When filing, don’t forget your closing packet.

• **The Disabled Veteran Deduction** offers veterans with a 10 percent or greater disability an additional deduction. When filing, please bring a copy of your DD214 *and* either your Award Letter (aka summary of benefits) *or* Certificate of Eligibility.

• **The Blind or Disabled Deduction** requires proof of disability or blindness at the time of filing. Acceptable forms of proof are the social security disability award letter or a letter from your doctor’s office outlining the disability. Additionally, your annual income may not exceed \$17,000.

• **The Over Age 65 Deduction** is available to taxpayers over the age of 65. However, the assessed value of your home may not exceed \$200,000 and your annual household adjusted gross income must not exceed \$30,000 for a single applicant, or \$40,000 for a married couple. All deeded owners must reside on the property and maintain a standard homestead deduction. Proof of income is required at the time of filing.

• **The Over Age 65 Circuit Breaker Credit** is an additional benefit for tax-

Eldridge

payers over the age of 65. You must be over the age of 65, be an Indiana resident with a standard homestead on file, and the assessed value of the home may not exceed \$200,000. Your annual household adjusted gross income must not exceed \$30,000 for a single applicant, or \$40,000 for a married couple. Proof of income is required at the time of filing.

• **Geothermal Deduction:** Thinking about going green? If you are, be sure to contact the Auditor’s Office regarding any geothermal unit(s) or solar/wind power devices you are considering. The geothermal deduction is for a very specific heating and cooling unit. When filing for this deduction you will want to bring the make, model, and serial number(s) of all working unit(s).

“You may file the deductions on our website: hamiltoncounty.in.gov. Simply type the desired deduction in the search bar and click enter,” Lead Real Property Deputy Sadie Eldridge explained. “If you prefer to file in person, our hours of operation are Monday through Friday, 8 a.m. until 4:30 p.m., and currently face coverings are required upon entering the building.”

The only point of entry into the Historic Courthouse is the West entrance. The Real Property Department’s phone number is (317) 770-4412 and you are asked to only leave one voicemail, as multiple messages delay a returned call.

If you are visiting the office to record a transfer document, such as a warranty deed, you’ll first visit the Assessor’s office on the second floor, followed by the Auditor’s office on the first floor. Then lastly, make your way to the County Recorder’s office on the third floor. The Auditor’s office only accepts cash or check when recording a deed; as a reminder it does not cost anything to file real property deductions.

Eldridge echoed Mills by saying, “We look forward to assisting you and urge you to beat the crowd and file now.”

other national youth sports organizations. “Safety was, and is, our priority at Grand Park,” Grand Park Director William Knox said. “The data we collected from the summer shows that our protocols worked and that families were willing to travel and participate if it meant allowing their kids to safely play their sports. When we were developing and researching the Grand Park concept, we were told that youth sports was one of the first indus-

tries to rebound in a downturn. The information we are seeing proves that point. In fact, facility demand at the campus was at record levels this July with revenues up by 543 percent over that of last summer.” According to Hamilton County Tourism, Grand Park activity was a critical drive of visitor spending in the county. Although July hotel room demand in Hamilton County declined 18.8 percent overall, due primarily to a loss of business

travel during the pandemic, county hotel room demand actually increased for three July weekends compared to the previous year: • July 10-11 – 19.5 percent room demand increase • July 17-18 – 17.2 percent room demand increase • July 24-25 – 11.9 percent room demand increase “There is no doubt Grand Park’s ability to safely welcome tournaments was a much-needed salve to an otherwise challenging year for Hamilton County’s tour-

ism economy,” Hamilton County Tourism President & CEO Brenda Myers said. “While the market is gradually showing signs of recovery, we now have amazing evidence of just how resilient the competitive youth sports industry can be.” Grand Park continues to monitor the COVID-19 guidelines and is actively engaged with local health officials to ensure a safe environment. Joan Overholser

May 17, 1928 – October 19, 2020

Joan Overholser passed away on October 19, 2020, surrounded by family at her home, The Reserve at Hamilton Trace. Joan was born on May 17, 1928, and raised on a farm in Tipton, Iowa, the daughter of George L. and Elizabeth (Lee) Fraseur. Joan had two brothers, George and Jack, who like most brothers loved to tease her. Joan graduated from Tipton High School in 1945, as the Salutatorian of her class. She married her long-distance sweetheart (Red Oak, Iowa) of many years, Richard (Dick) on September 5, 1949. She and Dick graduated from the University of Iowa in 1950. They celebrated their 70th wedding anniversary on September 5, 2019.

Joan majored in education with a minor in music. Joan put her musical talents to use and competed in the Miss Iowa pageant in 1946. She was crowned Miss Eastern Iowa by Admiral Halsey, and along with the other contestants was introduced to Bob Hope as part of the pageant's ceremonies.

Joan loved art and music. Her love of music inspired her to teach piano (we think about 16,000 lessons!) and to serve as a church organist for over 40 years. Joan played the organ for the First Methodist Church in Charles City, Iowa, Grace United Methodist in South Bend, and First United Methodist in Noblesville. Since she could play just about any song by ear, she happily shared her musical talents at family gatherings. Her family members know the “Iowa Fight Song” by heart since it was a very frequent rendition at family events. While in North Port, Fla., Joan played for the Two Piano Group of Port Charlotte.

Though she loved art and painted during her college years, she set aside her love to paint until after her children graduated from college. Her paintings reflect scenes from areas where she has lived and traveled. Most of her watercolors were of historic houses, flowers and landscapes in the Noblesville and Florida Gulf Coast areas. Joan studied art at the Indianapolis Art Center. She was active in the Watercolor Society of Indiana and the Hamilton County Artists Association. While living in Florida for 10 years, Joan continued studying and teaching watercolor. She served as president of the North Port Art League and continued exhibiting in many areas of the Florida Gulf Coast. Joan received many awards for her paintings, but the one she prized most was the 2008 Muse Award for Talent and Service to the Arts.

Joan was an active PEO sister for over 67 years, elected to the PEO Board for the State of Indiana and was honored as a Golden Girl (50 Year Member) at the 2002 Indiana State Convention. Joan was an active member of Eastern Star and involved in many civic organizations in college and thereafter. Her family and friends will always remember her as a kind, gentle and caring person. Joan lived at The Reserve at Hamilton Trace for the last five years of her life, made many wonderful friends and so enjoyed living there.

Joan was preceded in death by her husband, Richard “Dick” Overholser; her father, George Fraseur; and her mother, Elizabeth Fraseur; her two brothers, George (Marge) Fraseur and Jack (Lee) Fraseur; and one great-grandchild, Joey Tharp.

She is survived by her son Richard, her son Robert (Laura) and her daughter Sara (Bart) Tharp, along with nine grandchildren, 14 great-grandchildren and many nieces and nephews.

Due to coronavirus concerns, funeral services were coordinated for family members on Friday by Randall & Roberts Funeral Home, Noblesville. A video recording was provided after the service for those unable to attend.

In lieu of flowers, contributions may be made to the Art With A Heart, 2605 E. 25th St., Ste. 301, Indianapolis, IN 46218 (artwithaheart.us) or for Indianapolis Children's Choir Scholarship Program, 4600 Sunset Ave., Indianapolis, IN 46208 (icchoir.org/give).

Donna Carole Kishbaugh (Waters)

July 14, 1959 – October 12, 2020

Donna Carole Kishbaugh (Waters), born in Sheridan, passed away on Monday, October 12, 2020. She is survived by her husband, Greg; son, Dagan; and daughter, Bronwyn. She is survived, as well, by her mother, Carole Christy, and her two brothers, Darryl Waters and Darren Christy, as well as countless other aunts and cousins.

She was a loving and beloved wife, mother, sister and daughter. Donna passed away as she lived, always seeking another level of success, always pushing herself to learn and experience more. She was a beloved and close friend to thousands of people, many of whom turned to her for comfort and support. But mostly, she served as inspiration.

She attended Sheridan High School, where she edited an underground newspaper, and as an assistant to the boys’ wrestling team, she became the first female in school history to ‘letter’ in a boy’s sport.

She was the first member of her family to attend college, graduating from Indiana University, where she pursued her dream of ballet dancing. Sidelined by injury, she would follow another life-long passion and receive her degree in theater, with a minor in anthropology.

She went on to earn her Master’s degree from Columbia College in Chicago, where she met Greg.

She worked in advertising in Chicago before moving back to Indiana, where she raised her young family. There she built her art business, The Art of Donna, in which she designed artwork for many celebrity clients, participated in New York Fashion Week, and became a staple at numerous cons.

She was an avid traveler and lover of different cultures. She was a vegan who strongly supported all causes that honored and protected animals. (In her house, spiders were carefully carried outside so they would not be harmed). She was a space enthusiast, and an avid lover of art, literature and music. She loved fashion, especially shoes, and long, hot baths, which she turned into works of art every night with a variety of specialized bath bombs. She was a firm advocate for equality for all people.

Never one to settle for a second, she returned to Columbia College last year, completed her thesis and was awarded her Masters of Fine Arts degree. Next, she was planning to study for her doctorate and to publish her thesis as a collection of short stories.

She worked as a college professor, teaching English, theater and writing. She was beloved by her students, many of whom described her as the first instructor they felt ever really cared about them.

She was a masterful marketer, working with film director Guillermo del Toro, as well as editing, planning and promoting all of her husband’s work. She was on the Board of Directors for The Center for Ray Bradbury Studies at IUPUI, and she and her husband had recently formed their own publishing company.

She was kind, thoughtful, selfless, funny, brilliant and never turned her back on anyone who needed her help, even if they were complete strangers.

A memorial service was held on Saturday, October 24, 2020 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation following the service.

In lieu of flowers, her family asks that donations be made to the Humane Society in her name.

Martha Louise Cooper

May 20, 1954 – October 18, 2020

Martha Louise Cooper, 66, passed away at her home in Sheridan surrounded by her loving family on Sunday morning, October 18, 2020, after a long and courageous battle with metastatic melanoma. Born in Huntington, W.V., on May 20, 1954, she was the daughter of the late Willard “Bud” Garrett and Celia Arbutice (Gilkerson) Manning.

She was a 1972 graduate of Holly High School in Holly, Mich., and attended Ivy Tech and Indiana University at Kokomo.

For 36 years, Martha worked for St. Vincent Hospitals, starting in medical records and quickly moved into a financial counselor position with the opening of the Carmel Hospital in the 1980s, a job that she was thoroughly devoted to before taking her retirement on June 30, 2020.

She attended Radiant Christian Church.

Martha was a hard worker and very dedicated to her career, but never lost sight of the need to relax and take care of herself. Some days she would take it easy and spend the afternoon working a puzzle, and other times she would find the nearest Legion Hall and take on all challengers at BINGO. Put a marker in her hand and a table full of cards in front of her, and it was on. Working in a hospital setting for all of those years, you would have thought she would have been vaccinated for most things that ail you, but somehow she managed to catch the travel bug and the shopping bug at the same time. Infected with both for many years, she loved hitting the open road in search new destinations and the shops that could be found along the way. Branson and Pigeon Forge were a couple of her favorite haunts, but when the holidays rolled around, Frankenmuth, Mich., was her spot for all things Christmas.

As much as she enjoyed her shopping, there was nothing more important to Martha than her family. Martha is survived by her son, Bryan David Roudebush, Sheridan; nieces, Dana Vanderkleed (Mike), Sheridan, and Heidi Peyton (Joe), Westfield; nephew, Jeremiah Davis, Anderson; sister, Sandra Lee Davis (David), Sheridan; and her feline BFF, Alley.

She was preceded in death by her parents; infant twins, Sherrie and Carrie; her nephew, Justin Davis; and by her husband, Terry Lynn Cooper, on April 9, 1986. She and Terry were married on June 30, 1984.

Services were held on Friday, October 23, 2020 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation prior to the time of service. Burial followed at Spencer Cemetery in Sheridan. Pastor Jim Kyle officiated.

In lieu of flowers, memorial contributions may be presented to the American Cancer Society.

Henry John “Hank” Arszman III

June 19, 1946 – October 17, 2020

Henry John “Hank” Arszman III, passed away unexpectedly at his home on Saturday evening, October 17, 2020, following an extended illness. Born in Indianapolis on June 19, 1946, he was the son of the late Henry John Arszman II and Mary Rita (Mitchell) Arszman.

He was a 1964 graduate of Cathedral High School and later attended Indiana University Business School in Indianapolis.

Hank had a drive and a work ethic that made him successful in many endeavors. He spent his younger years working for his father and uncle at Arszman Markets on the south side of Indianapolis and learned early on what it takes to run a family business. Using those lessons, Hank put his business knowhow to work within his own company, Hank’s Building Services, Inc., for over 30 years.

Hank never did anything halfway. Whenever he found something he was passionate about he went “all in.” The Hamilton County 4-H and Westfield Parks are the first two organizations to make that list. For more than 30 years, he devoted his time and experience to serving on the 4-H building and grounds committee. Quite a few of the buildings and improvements that we enjoy today were spearheaded on Hank’s watch, helping to make sure Hamilton County had, and would continue to have, a fairgrounds to be proud of. As for the Parks Department, in addition to serving on the Westfield Parks Board for 10 years, he was instrumental in the development of McGregor Park. Many of the improvements that have made McGregor a destination for runners and walkers were crafted during his tenure. He was also the park’s “unofficial” groundskeeper for many years.

Hank’s love for animals was treated with the same zeal as everything else in his life. He was a member of the Hoosier Kennel Club since 1976, serving as their President for many years. He was also acting Secretary for 15 years, and agility chairman for many years. He was a member and past president of the White River Golden Retriever Club. He loved showing his Golden Retrievers and actively competing for several years, until he made the switch to showing horses. It was around that time that he joined the Hamilton County Horseman’s Club. He served as their president for several years.

Hank was passionate about many things in his life, but none more than his family. He was the very definition of a family man. He took great pride in his family, and made it a point to always follow whatever activities his children and grandchild were involved in.

Hank is survived by the love of his life, his wife Michelle (Klein) Arszman. She and Hank were married on October 14, 1973, and they made their life on their family farm in Jolietville, where Hank had his hand on the design and build of each building on the property. Also surviving are his daughters, Erin J. Dean (Jerry), Sheridan, and Megan L. Arszman-Weisbrodt (Matt), Westfield; granddaughter, Aubrey Weisbrodt; sister, Kathleen J. Elmore (Tim), Indianapolis; and many nieces and nephews. Hank will be greatly missed by Leah, his golden retriever, and by his cat, Ruger.

He was preceded in death by his parents.

Public visitation was held on Monday, October 26, 2020, at Kercheval Funeral Home, 306 E. 10th St., Sheridan. A private family funeral was held for Hank. Reverend Rocky Kirk officiated.

In lieu of flowers, memorial contributions any be presented to the Hamilton County Humane Society.

B. Paul Hoffman

April 4, 1949 – October 15, 2020

B. Paul Hoffman, 71, passed away at his home in Darlington, Ind., on Thursday evening, October 15, 2020. Born April 4, 1949 in Frankfort, he was the son of the late Byron William and Marcia Marie (Davies) Hoffman.

After graduating from Sheridan High School with the Class of 1967, Paul finally got the chance to become a Boilermaker, enrolling at Purdue and earning his degree in Agriculture in 1971. He later earned an Associate Degree in Accounting from Indiana Business College in 2004.

Paul had a strong work ethic and always seemed to be on the go. After many dedicated years with Farm Bureau, Inc., Paul tried his hand at retirement. It was not a path he was ready to take, and he soon began his second career working with the State of Indiana in various capacities. After several years, Paul decided to give this retirement thing a second chance. Retirement gave him the opportunity to devote more time to the activities that he was truly passionate about. A lifelong farmer, Paul had a love for agriculture, and it showed in every fiber of his being. For many years he managed the Hoffman Family Farm, and even into retirement, couldn’t give up being around the activity that he loved. Most recently he had been working for Co-Alliance, and Alan Lyon Farms.

Giving back to the community and the activities he cared about was also important to Paul. He was a member of the Darlington Lions Club and was a longtime volunteer with the Indiana State Fair, doing a little bit of just about everything. Paul was also a member of the Darlington Congregational Church where he participated in their Thursday Night Men’s Bible Study.

Paul was also a HUGE Purdue fan. A Boilermaker through and through, he was proud to be a member of the John Purdue Club. Paul was also a very dedicated Sheridan Blackhawk fan and he never grew tired of reminding people that he played on the very first team Bud Wright ever coached at Sheridan. He also loved following his St. Louis Cardinals.

Family was above all else, the most important thing in his life. He loved being a part of whatever activities his kids and grandchildren were involved in.

Paul is survived by his daughters, Hope Rachelle Wooldridge (Craig), Lafayette, and Kasey Leigh Hoffman (John Folsom), Pittsboro; grandchildren, Addyson Leighanne Wooldridge and Leo Byron Wooldridge, both of Lafayette; and his sister, Etta Marie Lakes, Sun Lakes, Ariz. Paul is also survived by his granddog, Ruckus Ru; and by his grandcat Ezra Grayce.

He was preceded in death by his parents; brother, Fred Delbert Hoffman; and brother-in-law, JeRome Lakes.

Visitation will be held from 2 to 8 p.m. on Wednesday, October 21, 2020 at Kercheval Funeral Home, 306 E. 10th St., Sheridan. Everyone is encouraged to wear your favorite Purdue or Sheridan Blackhawks attire, or something from your favorite team.

Private family services will be held on Thursday morning.

Paul will be laid to rest at Bunnell Cemetery in Frankfort. Pastor Seth Stultz will be officiating. Everyone is invited to attend the committal service at the graveside following services at the funeral home.

In lieu of flowers, memorial contributions may be presented to the F.B.O. – B. Paul Hoffman Trust, c/o Fountain Trust Company, P.O. Box 98, Darlington, IN 47940.

Huskies fall to Bishop Chatard

Hamilton Heights saw its season come to an end last Friday as the Huskies fell to Bishop Chatard 35-0 in the first round of Class 3A Sectional 28 at the Heights field.

The No. 1-ranked Trojans scored two touchdowns in the first quarter on short runs by Carter St. John and Tommy Hannon, giving them a 14-0 lead by the end of the period. Hannon added another touchdown early in the second quarter, then a 17-yard pass from St. John to Thomas Coleman would lead to a 28-0 Chatard advantage at halftime. Hannon scored again in the third quarter; all three of his touchdown runs were three yards.

Huskies quarterback Vincent Harley

completed 13 of 26 pass attempts for 83 yards, finding six different receivers during the game. Isaac Tuma had the most catches with four, while Gavin Brammel made three receptions. The Trojans’ defense held Heights to 18 yards rushing; Trey Ehman led on the ground with 26 yards.

The Huskies finished their season 4-6, but had some big accomplishments along the way. Heights scored wins over two previously unbeaten teams (Western and Twin Lakes) during the season, which would lead to the Huskies winning the Hoosier Conference East Division. Heights finished division play with a 3-1 record.

Noblesville, Guerin Catholic to meet for Class 3A girls state championship

For the second year in a row, the Noblesville girls soccer team will play a fellow Hamilton County team for the Class 3A state championship.

The No. 1-ranked and defending state champion Millers will play No. 3 Guerin Catholic Saturday for the 3A title at Fishers High School. The game will begin at 8 p.m. and be the final contest of the night among the IHSAA soccer state title games.

Noblesville returned to the state championship by beating host South Bend St. Joseph 2-0 to win the 3A north semi-state last Saturday. The Millers scored one goal in each half: Ava Bramblett got Noblesville on the board in the 25th minute, then in the second half, Grace Taskey scored off a corner kick by Elana Chatterton during the 58th minute.

With the win, the Millers improved to

16-0-1 for the season. Noblesville also won the program’s fourth semi-state championship, and defended the semi-state for the first time in school history.

Meanwhile, the Golden Eagles triumphed at the Seymour regional last Saturday, beating Columbus North 2-1. Guerin Catholic also scored one goal in each half; Katie Koger put GC on the score board with a goal in the game’s 22nd minute.

Evelyn Bestard made the score 2-0 with a goal in the 53rd minute. The Bull Dogs got their goal in the 61st minute, but the Golden Eagles were able to hold them off and claim the program’s third semi-state crown. Guerin also won semi-states in 2010 and 2017.

The Golden Eagles improved to 16-1-2 with the victory.

BOYS GAMES

The two Hamilton County boys soccer

teams that played in the semi-state were both dealt tough losses in their games last Saturday.

The Fishers boys, playing in their first-ever semi-state, lost to No. 3-ranked Chesterton in the 3A north semi-state at South Bend St. Joseph. The score was tied at 3-3 after regulation and overtime, and the Trojans won in a penalty kick shootout 6-5.

The Tigers got on the board with three minutes left in the first half, when Keiji Nakamae scored. Jack Kenny provided the assist. Chesterton tied it up in the 64th minute, but Fishers scored two goals in quick succession: Noah Reinhart headed a ball to Sam Hevesy, who tapped it in, then Reinhart himself scored to give Fishers a 3-1 advantage with under 12 minutes to go.

The Trojans scored in the 74th minute to cut the Tigers’ lead to 3-2. With nine

seconds left, Chesterton was given a penalty kick, which the Trojans put in to tie the game at 3-3, and send it to overtime. Neither team scored in the two overtime periods, moving the game into penalty kicks, where Chesterton won.

Fishers ended its season with a 12-7-1 record, but not before winning a sectional title and the program’s first-ever regional championship.

Back at Seymour, Guerin Catholic’s boys played Evansville Memorial for the 2A south semi-state. The game also was tied at 3-3 after regulation, but the Tigers scored in the extra period to win 4-3 and beat the Golden Eagles in the semi-state for the second year in a row.

Tommy Hartman and Ethan Thornburg scored goals for Guerin Catholic, which finished its season 14-2-2.

Cross country semi-state

Carmel girls, HSE boys win team titles

Four cross country powerhouses and one newcomer will be representing Hamilton County Saturday at the IHSAA state meet.

Carmel and Noblesville qualified both their girls and boys teams for state after their performances at last Saturday’s Shelbyville semi-state at Blue River Park. The Greyhounds girls team won in dominant fashion, while Noblesville placed sixth. In the boys meet, Carmel finished second while the Millers were third.

The newcomer is the Guerin Catholic boys team. The Golden Eagles finished in fifth place to earn their first-ever trip to state, which again takes place at the LaVern Gibson course at Terre Haute. In addition to the teams, two girls and two boys runners qualified for state as individuals.

Meanwhile, the Hamilton Southeastern and Fishers teams all qualified for state out of the New Haven semi-state, which took place last Saturday at Huntington University. The Royals won the boys team championship, while the Tigers were third. In the girls meet, Southeastern placed second and Fishers was fourth.

PERFECT 40 FOR 40

This year’s state meet will be the 40th

annual competition for the girls, and Carmel has qualified for every one of them. The Greyhounds were in no danger of losing that streak on Saturday, as they cruised to victory by scoring 30 points, well outdistancing runner-up Franklin Central, which scored 125 points. It’s the 21st semi-state title for the ‘Hounds, by far a record.

Annie Christie was the race winner, just ticking under 18 minutes by finishing the race in 17:59.8. Jamie Klavon also reached the top 10 by placing 10th. Carmel’s first five runners all finished in the overall top 15, closing the scoring early.

Noblesville placed fifth with 209 points, securing its 11th trip to state and third in a row. Two freshmen led the way for the Millers: Summer Rempe placed 19th and Nadia Perez finished in 23rd.

Hamilton Heights senior Maria Mitchell will return to the state meet by finishing in fourth with a time of 18:21.7. Guerin Catholic sophomore Bridget Gallagher placed ninth in a time of 18:34.3 The top 10 runners not on advancing teams qualify as individuals.

Westfield finished eighth as a team,

Carmel's Annie Christie won the individual girls race at the Shelbyville cross country semi-state last Saturday at Blue River Park. The Greyhounds also scored a dominant victory in the team standings and again qualified for Saturday's state meet.

Malpeddi and McNamar advance to doubles championship match

The Carmel doubles team of junior Srisanth Malpeddi and senior Jones McNamar played for a state championship on Monday.

The Greyhounds duo advanced to the final match at the IHSAA doubles tournament with a 6-1, 6-4 win over Bloomington South seniors Marcell Borhi and Ethan Uhls last Saturday afternoon in the semi-finals, which took place at North Central. Malpeddi and McNamar took on the Delta team of junior Walker Boyle and senior Brandon Jackson Monday at Park Tudor. The match finished after press time.

The match was moved to its new date and location after rain postponed the tournament last Friday, with the quarter-finals

moved to Saturday morning. Malpeddi and McNamar received a bye into the semi-finals, which were pushed back from the morning to the afternoon.

In other matches at the state meet, the Hamilton Southeastern doubles team of sophomore Paul Schneider and junior Andrew Spirrison lost to Munster juniors Charlie Morton and Ryan Muntean 4-6, 6-4, 6-2 in the quarter-finals. The Royals team finished their season with a 22-5 record.

Guerin Catholic senior Cole Metzger lost in the quarter-finals of the singles tournament to Brownsburg senior Petar Petrovic 3-6, 6-3, 6-4. Metzger finished his season 25-2.
