# Heights shifts to e-learning as five students test positive for COVID-19

## The REPORTER

On Friday, Hamilton Heights Superintendent Dr. Derek Arrowood announced five Hamilton Heights High School students have tested positive this week for COVID-19. The district announced, due to the increasing number of students testing positive for the virus, the high school would shift to e-learning.

A statement from Arrowood said: "As much as we had hoped we could bring this week to a close without additional notifications, it is with concern and empathy that we share a 5th student at the high school received a COVID-19 positive test confirmation today. The student, after exhibiting several of the classic symptoms, sought

testing and was confirmed positive. Through our contract tracing we have reached out to those families of students considered a close contact. All will quarantine at home as a precaution. "Due to the number of students impacted and the

Arrowood

recommendation of our partners at the Hamilton County Health Department, we will shift all high school students to E-learning beginning this Monday, November 2 through Friday, November 13. All after school activities at the high school, including ath-

letic practices, games, and any club activities will be cancelled during this time as well. In-person classes at the high school will resume Monday, November 16. "Please note there is no change for elementary and middle school students. The elementary school and middle school will remain open and continue to have on-site instruction during this time.

"We have planned for this scenario. It will provide the time needed for us to reset and stop the spread of COVID-19 amongst our student body and the resulting quarantines that go with these positive cases. Our expectation is that all high school students will be able to return to class in two weeks. Our educators at the

# Prather, Tolson honored at Commissioners' meeting

## The REPORTER

The Hamilton County Commissioners awarded two long-time tourism commissioners with the Rampart Award Wednesday afternoon. The pair recently retired from the Hamilton County Visitor and Convention Commission following two decades of service. Donna Prather has been engaged with Hamilton County Tourism since 1995, first serving on the Hamilton County Convention and Visitors Bureau (now Hamilton County Tourism, Inc.) and later as a member of the Hamilton County Visitor and Convention Commission as a county appointment. Prather officially retired at the end of 2019.

# Change your clocks, change your batteries

## The REPORTER

**Daylight Saving Time** ends at 2 a.m. on Sunday, Nov. 1 this year. The Carmel Fire Department encourages residents to change the batteries in their own smoke alarms and carbon monoxide detectors, test the alarms, and remind friends, family, neighbors and fellow community members to do the same. With the peak time for home fire fatalities occurring between 11 p.m. and 7 a.m. when most families are sleeping, this simple step can help save their lives and the lives of those around them. A working smoke detector is your first line of defense in a fire. Also, as winter and colder weath-

er approaches, have your heating sources (chimney, fireplace, woodstove, furnace, heaters) properly inspected and serviced by a professional. Tragically, fire can kill selectively. Those most at risk include: • **Children** – On average, home fires kill 500 children ages 14 and under each year. Roughly three-quarters of child fire fatalities under age 15 occurred in homes without working smoke alarms. • **Seniors** – Adults 75 and older are 2.8 times more likely to die in a home fire. • **Low-Income Households** – Many low-income families are unable to afford

By HEATHER HUNTER  
Synergize Marketing & Communications Coordinator

The Hamilton County Sheriff's Office (HCSO) Community Foundation and Carmel-based Synergize have partnered to benefit local families this November. Synergize's monthly 4:30 Meetups raise funds for local nonprofits. Proceeds from the next event on Tuesday, Nov. 10 will fund the HCSO Community Foundation's Shop with a Cop program and other initiatives. "Some kids may not get a Christmas gift at all," Patrol Division Cap-

tain Tom Logan said. "If we can take them out and make their Christmas just a little bit better, I think that's very important." # Manufacturing, engineer virtual career fair set for Nov. 5

## The REPORTER

The Hamilton County Workforce Recovery Task Force, in cooperation with the Hamilton County Workforce Innovation Network (HCWIN), will hold a Virtual Career Fair from 11 a.m. to 2 p.m. on Thursday, Nov. 5.

The need for qualified advanced manufacturing and engineering skilled workers was already high before the pandemic and continues to be an area of growth. Many Hamilton County employers have high-wage, high-skill, and in-demand

positions available in manufacturing and engineering. The Career Fair is designed to connect those companies with employees who are looking to be a part of the quality companies that exist in Hamilton County. The free Virtual Career

Fair will provide one-on-one chat or video conversations with company representatives. Companies who are interested in participating can contact Robert Kneberg at [rkneberg@hcwin.org](mailto:rkneberg@hcwin.org) or (317) 914-0171. Job Seekers can register at [this link](#).

“Please continue to be mindful in your interactions and do your best to follow distancing guidelines and other recommended precautions to prevent the transmission and spread of this virus. Also, if you or anyone in your family is experiencing symptoms in line with COVID-19, cold, or flu, please contact your healthcare provider for further guidance. Continue to self-monitor for symptoms of COVID-19 including loss of taste and/or smell, fever, dry cough, body aches, and shortness of breath. # Carmel firefighters distributing free masks, hand sanitizer this morning at Farmers Market

## The REPORTER

The Carmel Fire Department has scheduled another COVID-19 information booth to hand out information on virus prevention and safety and answer questions from the public. Firefighters will offer free bottles of hand

sanitizer and disposable face masks while supplies last. The type of masks being distributed are similar to what you would find in a doctor's office waiting room.

CFD will be at the Carmel Farmers Market from 9 a.m. to noon today.

During the event, representatives from CFD will wear masks and keep to physical distancing guidelines to avoid possible spread of the virus. The event is open to the public and visitors should also wear masks and maintain proper distance from others as they approach the booth.

The goal of this booth is to provide the community with COVID-19 information, including handouts showing the City of Carmel and Carmel Fire Department "Best Practices" for dealing with the virus.

## BATTERIES

batteries for their smoke alarms. These same households often rely on poorly installed, maintained or misused portable or area heating equipment – a main cause of fatal home fires.

The most commonly cited cause of non-working smoke alarms is worn or missing batteries. Smoke alarm maintenance is a simple, effective way to reduce home fire deaths. Children and senior citizens are most at risk, and a working smoke alarm can give them the extra seconds they need to get out safely.

Changing smoke alarm batteries at least once a year, testing those alarms and reminding others to do the same are some of the simplest, most effective ways to reduce these tragic deaths and injuries.

Additionally, the International Association of Fire Chiefs recommends that smoke alarms in homes should be replaced every 10 years. Having both ionization and photoelectric

smoke alarms are best to alert people to all types of home fires. If both types of smoke alarms or a combination alarm are not available, the Carmel Fire Department recommends photoelectric alarms with a 10-year lithium battery. The battery in this alarm never needs changed and the alarm needs to be replaced every 10 years.

Likewise, carbon monoxide detectors need to be replaced every seven to eight years. If you need assistance changing or testing your smoke alarms and carbon monoxide detectors, please contact your local fire department.

Thirty-two years ago, Energizer and the International Association of Fire Chiefs recognized a disturbing trend that many home fire fatalities were taking place in homes without working smoke alarms. Please do your part in checking, changing and testing your smoke detectors.

# Respect the stretching routine!

“People often say that motivation doesn’t last – well, neither does bathing. That’s why we recommend it daily.”

– Zig Ziglar

This week’s column reflects my belief about flexibility and how important it is to our health and quality of life. The way that most people look at stretching activity reminds me of the old Rodney Dangerfield quote, “I don’t get no respect” – because that is how most of us look at an activity often considered rather boring and unnecessary.

It is important to remember that most professional and Olympic athletes have something in common regarding their fitness regimen, regardless of the sport. That something is stretching and flexibility training. Without it, no amount of strength, speed or agility can make up for that loss. During this time of restricted access to some of our activities, it is most important to continue movement of varying degrees – we WILL be out of this pandem-

SHARON McMAHON  
Be Well

ic some day and we need to keep ourselves in good physical condition to return to our regular activities!

I used this week’s quote because I wanted to focus on the importance of a stretching routine daily ... we have discussed that stretching is one point of the triangle of fitness, with aerobic conditioning and strengthening as the other two points. The middle of the triangle holds the key – nutrition, which is the fuel for our bodies.

As I indicated in my last column, I would like to cover some different types of stretching and how these benefit our well-being.

• **Dynamic stretching** means that a stretch is performed by moving through a challenging but comfortable range of motion repeatedly, usually 10 to 12 times. This type of stretching should not be confused with old-fashioned ballistic stretching. Dynamic stretching is controlled, smooth, and deliberate, whereas ballistic stretch-

ing is uncontrolled, erratic and jerky.

• **Passive stretching** means you are using some sort of outside assurance to help you achieve a stretch. This assistance could be your body weight, a strap, leverage, gravity, another person, or a stretching device. With passive stretching you relax the muscle you are trying to stretch and rely on the external force to hold you in place.

• **Active stretching** means you are stretching a muscle by actively contracting the muscle in opposition to the one you’re stretching. You do not use your body weight, a strap, or other stretching device. Active stretching can be challenging but is generally considered lower risk because you are controlling the stretch force with your own strength rather than an external force.<sup>1</sup>

Most of the stretches you see and do are likely static-passive stretches, the most common and the easiest to perform. If executed with good technique, these stretches are effective in improving flexibility and range of motion.

In the FlexAbility classes that I teach, we begin by practicing standing stretches which focus on both lower and upper-body range of motion. We move on to seated stretches, which incorporates primarily core stretches and includes some lower body movement. We end our class session in a prone position on mats and focus on lower body extremity stretching, followed by a full-body relaxation pose which both relaxes and energizes.

I would like to remind my readers that your balance, range of motion, and flexibility are critical to your health and well-being. Make time every day for at least 10 minutes of stretching – make time for you!

## Village Pantry robbery suspect remains at large

### The REPORTER

At approximately 4:15 a.m. Thursday, two suspects entered the Village Pantry at 9601 N. College Ave., Carmel. One suspect pointed a handgun at the employee. The suspects told the employee to lie down. The suspects then stole cash, cigarettes and lottery tickets and fled the scene.

Officers found a crashed car near 116th Street and Westfield Boulevard while they were responding to the robbery. The car was unoccupied, but it was believed to be the car involved in the robbery.

Officers set up a perimeter and a K9 began searching for the suspects. One suspect was located and taken in for questioning.

The other suspect, pictured above, is still at large. It is unknown if the suspect is still armed. He was described by a witness as a black male, late teens to early 20s, wearing a red sweatshirt with an emblem on the upper left chest and grayish ripped jeans. It is not known whether he is still armed at this time.

**Do not approach the suspect as he may be armed. Call 911.**

## Lisa Jo Anne Stevens

April 21, 1961 – October 27, 2020

Lisa Jo Anne Stevens, 59, Cicero, passed away on October 27, 2020 with her family at her side. She was born on April 21, 1961 in Marion to Marvin Leo and Jeanette Arlene (Ferguson) Petty. Living with her family in Missouri, she graduated from high school in Ava, Mo. Then during her adult life, she was an administrative assistant for real estate businesses. She was a faithful and supportive member of Sacred Heart Catholic Church in Cicero. Leisure time would find her reading, gardening, fixing and decorating her home, and taking her dog on golf cart rides. She had a soft place in her heart for animals and rescued stray cats her entire life. But most of all she loved spending time with her family and friends.

Survivors include her mother, Jeanette Petty Ava, Mo.; daughters, Haley Williams and Lindsay Williams, both of Indianapolis; son, Blake Stevens, Cicero; brother, John Petty, Ava, Mo.; sisters, Gail Davis, Tipton, Kim Margres, Saginaw, Mich., and Melissa Olds, Kokomo; plus several nieces and nephews.

She was preceded in death by her father; a sister, Lorna Petty; and a brother, Marty Petty.

Funeral services will be held at 11:30 a.m. on Saturday, October 31, 2020 at Sacred Heart Catholic Church, 410 S. Peru St., Cicero. Visitation will be from 9 a.m. until time of the services. Arrangements are entrusted to Hartley Funeral Homes Cicero Chapel, where you may send condolences at [hartleyfuneralhomes.com](http://hartleyfuneralhomes.com).

## TODAY’S BIBLE READING

*Then said Paul, I stand at Caesar’s judgment seat, where I ought to be judged: to the Jews have I done no wrong, as thou very well knowest. For if I be an offender, or have committed any thing worthy of death, I refuse not to die: but if there be none of these things whereof these accuse me, no man may deliver me unto them. I appeal unto Caesar. Then Festus, when he had conferred with the council, answered, Hast thou appealed unto Caesar? unto Caesar shalt thou go. And after certain days king Agrippa and Bernice came unto Caesarea to salute Festus. And when they had been there many days, Festus declared Paul’s cause unto the king, saying, There is a certain man left in bonds by Felix: About whom, when I was at Jerusalem, the chief priests and the elders of the Jews informed me, desiring to have judgment against him. To whom I answered, It is not the manner of the Romans to deliver any man to die, before that he which is accused have the accusers face to face, and have licence to answer for himself concerning the crime laid against him. Therefore, when they were come hither, without any delay on the morrow I sat on the judgment seat, and commanded the man to be brought forth. Acts 25:7-17 (KJV)*

## Amber Owens-Kennebrew

January 20, 1988 – October 28, 2020

Amber Owens-Kennebrew, 32, Sheridan, passed away on Wednesday, October 28, 2020 at Riverview Health in Noblesville. She was born on January 20, 1988 to Lee Owens and April (Bragg) Cook in Noblesville.

Amber was a bartender at Fork & Ale House. She enjoyed hosting events and gatherings, and liked to cook. Amber was a very devoted wife and mother, her family always came first, and she was very involved with her daughter’s and nephew’s activities. She had an infectious laugh, was the life of the party, and was a friend to many.

She is survived by her husband whom she loved dearly for the last seven years, Larry Kennebrew; mother, April (Ralph) Bragg-Cook; father, Lee Owens; daughter, Cadence Fiesel; step-daughter, Zoe Kennebrew; brothers, Andrew Owens and Aaron (Paige) Cook; nephew, Grayson Wolfe-Owens; grandfather, Leon Owens; and several aunts and uncles.

She was preceded in death by her grandparents, Jean Owens, Mona Bragg, Eddie Bragg, Rita Cook, and Ed Cook; and uncles, Eddie Bragg and Tommy McFall.

Services will be held at 1 p.m. on Wednesday, November 4, 2020 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville, with Pastor Jimmy Gilbert officiating. Visitation will be from 10 a.m. to the time of service at the funeral home. Burial will be at Crownland Cemetery in Noblesville.

The family requests that masks be worn. Memorial contributions may be made to a college fund for daughter, Cadence Fiesel, [ugift529.com](http://ugift529.com) (code E67-Q5G). Condolences: [randallroberts.com](http://randallroberts.com)

## Denise Louise Maines

December 21, 1953 – October 29, 2020

Denise Louise Maines, 66, passed away on Thursday, October 29, 2020 at Ascension St. Vincent Hospice after a valiant battle with pancreatic cancer. Denise was born on December 21, 1953 to Donald and Ruth (Leshner) Maines in Noblesville.

Denise was a 1972 graduate of Noblesville High School. She received a Bachelor of Arts and Certificate in Accounting from Indiana University in 1976 and a Masters of Business Administration from Indiana University in 1984. Denise had a nearly 50-year career in banking, working for six banks primarily in the risk compliance area. Her most recent position was Vice-President BSA and Fraud Operations at First Internet Bank. Outside of work, Denise was passionate about animal protection and loved to spend time with her cats. She was a devoted Jimmy Buffet fan and rarely missed his Indianapolis concerts. Other favorite activities included going to the Disney World and the beach and keeping in touch with distant family on social media. Denise was a longtime member of St. Christopher’s Catholic Church in Speedway.

Denise is survived by her mother, Ruth Maines, Noblesville; and siblings, Laureen Maines, Bloomington, Dean Maines (Nancy O’Connor), Edina, Minn., and Janice (David) Johnson, Westfield. She also is survived by her five nieces and nephews whom she adored – Alex Johnson, Audrey Johnson, Colm Maines, Ruth Maines and Deaglan Maines. Denise is predeceased by her father, Donald Maines.

A visitation will be from 4 to 7 p.m. on Wednesday, November 4, 2020 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville. A Funeral Mass will be held at 11 a.m. on Thursday, November 5, 2020 at St. Christopher’s Catholic Church, 5301 W. 16th St., in Indianapolis. Burial will be at Crown View Cemetery in Sheridan.

The family requests masks to be worn by those attending. Memorial contributions may be made to Brown County Humane Society ([bchumane.org/donate](http://bchumane.org/donate)); or St. Christopher’s Catholic Church Capital Campaign ([stchrisindy.org](http://stchrisindy.org)). # Big fourth quarter plays send Tigers past HSE

"I knew somebody had to make a big play," said Dunnuck. "They were driving it down the field that whole drive. And it was my man and I did my job and did what I could. All thanks to my team-

Fishers set the tone of the game early. Carson Dunn blasted off on a 78-yard run into the end zone early in the first quarter to get the Tigers on the board first. Justin

"I thought our kids played really well," said Kelly. "They had a phenomenal game plan and played really hard. I

“Carson Dunn did an outstanding job,” said Funk. “We challenged him. We told him, ‘You’re going to have to come out here and you’re going to have to bring it all night long,’ and he did. He just did an awesome job. Real proud of him.”

# Shamrocks beat Millers, advance to final

Westfield cruised to a semi-final victory in Class 6A Sectional 4 on Friday, beating Noblesville 35-0 at the Millers’ Beaver Materials Field.

The Shamrocks led 7-0 after the first quarter; Maximus Webster got his team on the board with an 11-yard touchdown run. The junior quarterback then threw two touchdown passes in the second period, a six-yarder to Jackson Wasserstrom midway through, then a 33-yard scoring throw to Mason Piening with just over a minute to go.

Micah Hauser also scored on a three-yard touchdown run. Westfield opened the second half with Benji Welch taking the kickoff return and streaking 95 yards into the end zone. Sean Sullivan made the extra-point kick after all five touchdowns.

We were able to get a couple through the air and a couple on the ground,” said ‘Rocks coach Jake Gilbert. He credited his team with being “real sharp to start,” this after having last week off due to the 6A bye week and Fall Break.

Webster went 5-for-9 and totaled 90 passing yards, in addition to 52 yards on the ground. Hauser was the leading rusher with 59 yards, and Piening led the receptions with three. Carson Voorhis and Zander Nguyen both made seven tackles; Gilbert said his defense did a good job of “hanging in there” and stopping the Millers’ rushing attack.

“That’s hard to do,” said Gilbert.

Holden Montarsi led Noblesville’s rushing with 55 yards, followed by Owen Jones with 46. Seth Stone made 4.5 tackles for the Millers defense and also had one sack.

Noblesville finished the season 2-8.

“I’m very proud of the way we fought all season and proud of the senior class for representing Noblesville High School well,” said Millers coach Dave Sharpe. “We feel like we got a lot of momentum for next year. A lot of our freshmen and sophomore and juniors are fired up for the off-season.”

Westfield is 9-1 and hosts Fishers next Friday for the Sectional 4 championship.

## TIGERS

The Royals blocked the extra point attempt after the second touchdown to preserve a 21-20 lead. Then with less than a minute in the period, McCall scrambled into the end zone from 18 yards. He followed that up with a two-point pass to Will Gerig to put Southeastern ahead 29-20. That lead would hold until Fishers began its fourth-quarter comeback.

Dunn finished the game with 193 yards rushing on 20 carries, giving him the vast majority of the Tigers’ rushing yards. Prewitt completed 14 of 19 pass attempts for 220 yards, with Silas Martin making five catches. Dunnuck totaled 13 tackles, with Collin Malone making seven stops.

McCall was 13-of-21 as the HSE quarterback, totaling 185 yards. Conner made five receptions for 103 yards, while Jace Alexander had four catches. Blaine Wertz led the rushing with 100 yards, followed by McCall with 96. Cole Earlewine led the Royals tackles with six stops.

Southeastern finished its season 6-3, and tied for second in the Hoosier Crossroads Conference standings.

“We grew a significant amount,” said Kelly. “I appreciate what our seniors did for the program, just setting the tone, setting the expectation. I thought they did some great things for us.”

Fishers improved to 3-7 after the win and will travel to Westfield next Friday to play for the Sectional 4 title.

# Carmel pulls away from Pike, 38-14

After its regular-season game with Pike went to double overtime, Carmel was aware that the Red Devils would pose a challenge during Friday’s Sectional 5 semi-final game at Carmel Stadium.

The Greyhounds learned their lessons well, and stayed focus throughout the game, which they won going away, 38-17. Carmel scored 21 points in the fourth quarter to pull away from Pike.

“We answered each time, but still was a difficult challenge against somebody that we knew was capable of challenging us the way they did,” said Greyhounds coach John Hebert.

Carmel scored one touchdown in each quarter of the first half. Luke Conley punched the ball in from the one-yard line midway through the first quarter; it was his only carry of the game, but he made it count. Then with less than a minute to go in the half, Zach Osborne rushed the ball in from 29 yards. That gave the Greyhounds a 14-0 halftime lead.

Spencer Hanna added a field goal in the third quarter to extend Carmel’s lead to 17-0. Pike scored on a 12-yard pass minutes later, and the score was now 17-7. But the ‘Hounds began the fourth quarter with a 27-yard touchdown throw from Osborne to Zach White.

The Red Devils cut that lead to 24-14 with another touchdown pass. Carmel answered again, as Osborne broke loose for a 75-yard touchdown run. Hebert credited Osborne with “really executing the offense really well,” and with leading the ‘Hounds to a point where they were

in control of the game.

Ethan Hall added another rushing touchdown midway through the fourth quarter. Hanna kicked all five extra points.

Hebert said his team’s defense “played with great focus.” That included

good play from defensive lineman Scott Hudson and linebacker Dominic Padjean.

“Those two were phenomenal,” said Hebert.

Osborne finished the game with 142 yards rushing, followed by White with

103 yards. Osborne went 5-of-10 in passing for 80 yards, with White and Jaedon King both making two catches each.

Carmel is 8-2 and plays at Brownsburg next Friday in the Sectional 5 championship game. The Bulldogs beat their rival Avon 34-31 to advance to the final.

## Golden Eagles fall to Chatard

Guerin Catholic fell in the semi-finals of Class 3A Sectional 28 Friday, as it was beaten by No. 1-ranked Bishop Chatard 42-7 at the Trojans' field.

The Golden Eagles stayed with the Chatard in the first quarter. The Trojans scored first on a six-yard run, but Guerin answered when Jagger Albert made a nine-yard rush into the end zone. Addison Lushin made the extra-point kick, and the score was tied 7-7 after the first period.

Chatard began to take over in the

second quarter, scoring 21 points to lead 28-7 at halftime. The Trojans added two more scores in the third quarter, including a kickoff return for a touchdown and then a 24-yard run into the end zone.

Danny Rhoad led the Golden Eagles rushing with 57 yards, while Albert totaled 43 yards. Sam Miller went 5-for-8 in passing and totaled 50 yards, while Rhoad was 2-for-4 for 30 yards. Ryan Glenn made five catches.

Guerin Catholic finished its season with a 4-5 record.

# Blackhawks fall to No. 1 Lutheran

Sheridan put up some resistance against top-ranked Indianapolis Lutheran Friday when the two teams met in the Class 1A Sectional 46 semi-final at Bud Wright Stadium.

The Blackhawks scored first against the Saints. But after that, Lutheran took over and sailed to a 55-12 victory.

Silas DeVaney got Sheridan on the board, making a 52-yard run into the end zone to put the ‘Hawks ahead 6-0 in the first quarter. But the Saints scored twice after that in the first, then poured in 21 points in both the second and third periods.

“We scored and had two golden opportunities to put it in again and fumbled,” said Wright. “We went downhill from there.”

Cameron Hovey scored one more touchdown for Sheridan, punching the ball in from the one with 2:26 left in the fourth. Hovey led the rushing with 96 yards, while DeVaney gained 94 yards.

Sheridan finished its season with a 5-5 record.
