Qaddoura ousts Ruckelshaus

Carmel, Fishers will see state's first Muslim State Senator

WISH-TV | wishtv.com

An incumbent state senator was defeated in District 30, which covers parts of the northeast side of Indianapolis as well as Carmel and Fishers.

The Associated Press shortly after 8:45 p.m. Wednesday declared Democrat Fady Qaddoura the winner over John Ruckelshaus by 52 percent to 48 percent. Qaddoura led by more than 3,800 votes with 98 percent of the vote counted Wednesday night.

Qaddoura says he will be the first Muslim to serve in the Indiana Senate.

Ruckelshaus was first elected to the Indiana Senate in 2016. He was the only incumbent senator to lose in Tuesday's election based on Associated Press projections. He previously was a state representative from 1990 to 1992.

Qaddoura

Ruckelshaus

Qaddoura issued a statement on his Facebook page on Wednesday night:

"We did it! Only in America can someone immigrate to this country, work hard, and earn the trust of tens of thousands of voters to become the first Muslim State Senator in Indiana's history. I will work hard every day to represent all Hoosiers - including the

ones who did not vote for me.

"I want to thank my opponent, Senator Ruckelshaus, for his service to our district over the last four years. Our state faces great challenges in the coming year, and I look forward to working with Senators from both parties to face this moment.

"I have so many people to thank tonight, but first and foremost, I want to thank my wife and our two daughters for their love and support from day one. This victory is only possible thanks to the tireless dedication of my campaign staff and the hundreds of volunteers who helped us make phone calls, do literature drops, send text messages and share our message of hope and change throughout the district. I could not have done this without you. Thank you!"

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. Letter to the Editor —

Shaffer: Americans take democracy, freedom seriously

Dear Editor:

Congratulations to the winners and condolences to the losers in Tuesday's elections.

The clear winner — by an enormous landslide — was democracy in America.

Record turnout — whether in person or remotely, whether by conviction or COVID rule — we Americans showed the world we take our freedom seriously.

The biggest losers, of course, weren't candidates, but the so-called polling profession, the so-called national mass media and the billionaires who lavishly supported the idea that one can buy votes. Polls measure verbal behavior, votes measure actual behavior, media are supposed to inform, misguided executives think they are to propagandize, and nobody trusts billionaires for a minute.

Will the winners forget the ordinary Joes and Janes who put them in office or the lessons learned?

Not this time around, I trust.

Noblesville asking for volunteers to help with cleanup along White River Trail

The REPORTER

The City of Noblesville will hold a fall brush clearing and river bank restoration event along the White River Trail from 9 a.m. to noon today.

This is an opportunity for groups to serve outdoors to help the City improve the riparian (wooded) area between the White River and the River Walk Trail south of downtown Noblesville.

This area is overgrown with invasive plants that physically and visual-

ly obstruct the river and are not good for nature.

The City received a grant to help manage a volunteer effort to improve this area by removing invasive plants and replace with healthy native plants. This is the first step in that process. Other volunteer days will be available in the spring, summer and fall of 2021. Save the date: mid-May and mid-July for additional invasive removal.

Ideas for thanking your family

It's almost Thanksgiving, and although 2020 may have been a difficult year for you, as it has been for many people, you can probably still find things for which you can be thankful – such as your family. How can you show your appreciation for your loved ones?

Here are a few suggestions:

• **Invest in your children's future.** If you have young children – or even grandchildren – one of the greatest gifts you can give them is the gift of education. You may want to consider contributing to a higher education funding vehicle.

• **Be generous.** Do you have older children just starting out in life? If so, they could well use a financial gift to help pay off stu-

COREY SYLVESTER
Cicero Edward Jones

dent loans, buy a car or even make a down payment on a home. You can give up to \$15,000 per year, per recipient, without incurring gift taxes. Of course, you don't have to give cash – you might want to consider presenting your children with shares of stock in companies they like.

• **Review your insurance coverage.** If you weren't around, it would leave some gaping holes – financial and otherwise – in the lives of your family members. That's why it's essential you maintain adequate life insurance. Your employer might offer a group plan, but it may not be sufficient to meet your needs. There's no magic formula for determining the right amount of coverage, so you'll have to consider a variety of factors: your age,

spouse's income, number of children and so on. Also, you may want to consider disability insurance – if you were unable to work for a while, it could cause a real problem for your family's finances.

• **Preserve your financial independence.** When your children are young, you take care of them. But you certainly don't want them to have to do the same for you – so it's essential you maintain your financial independence throughout your life. You can do this in at least a couple of ways. First, consider investing regularly in your 401(k), IRA and other retirement accounts. The greater your resources during your retirement years, the less you may ever need to count on your family. And second, you may want to protect yourself from the devastating costs of long-term care, such as an extended nursing home stay. A financial

professional can suggest a strategy to help you cope with these expenses.

• **Create an estate plan.** To leave a legacy to your family, you don't have to be wealthy – but you do need a comprehensive estate plan. You'll have to think through a lot of questions, such as: Have I named beneficiaries for all my assets? How much do I want to leave to each person? Do I need to go beyond a simple will to establish an arrangement such as a living trust? For help in answering all these issues, you'll want to work with an attorney.

By making these moves, you can show your loved ones, in a tangible way, how much you value them – and that can help you keep the spirit of Thanksgiving alive all year long.

TODAY'S BIBLE READING

And when we were all fallen to the earth, I heard a voice speaking unto me, and saying in the Hebrew tongue, Saul, Saul, why persecutest thou me? it is hard for thee to kick against the pricks. And I said, Who art thou, Lord? And he said, I am Jesus whom thou persecutest. But rise, and stand upon thy feet: for I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen, and of those things in the which I will appear unto thee; Delivering thee from the people, and from the Gentiles, unto whom now I send thee, To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.

First-ever 6A football championship for Westfield

'Rocks cruise to sectional title

By RICHIE HALL

WESTFIELD - Since the present format of the IHSAA football post-season began in 1985, Westfield has played in every single class, from 1A to 6A.

The Shamrocks won a sectional championship in the smallest (1A) class back in 1986, its first-ever sectional. Now in 2020, Westfield can claim a title in the biggest class, as the 'Rocks beat Fishers 31-0 Friday night at Riverview Health Stadium to win the Class 6A Sectional 4 championship. It's the first time Westfield has ever won a sectional in Class 6A.

"We did make a big deal of that," said 'Rocks coach Jake Gilbert. "When you're a part of a great program, the longer the program has success, the less likely you can make history. You're just building off something that someone else has already done before you. This was an opportunity for us to do something no one's ever done here."

In claiming their 10th overall sectional championship, the Shamrocks continued three streaks. First, Westfield won its 10th game in a row. Second, the 'Rocks scored over 30 points for the sixth straight contest.

"We've been hot on offense and special teams, too," said Gilbert. "We just got to keep rolling. It takes that level of execution, though, to beat teams when you get this far in the tournament."

Westfield got its first touchdown early, when Maximus Webster threw a 28-yard pass to Mason Piening, who took it into the end zone. The Shamrocks had to wait until almost the end of the first half to get their second touchdown, but Micah Hauser got the ball in with nine seconds left in the half, rushing 14 yards into the end zone.

The second half began just like the first half did: A touchdown pass from Webster to Piening. This one was from 51 yards, and the 'Rocks were up 21-0 with 10:25 left in the third quarter.

"We've worked hard and finally had the chance to prove what we're made of and made it happen," said Piening. He credited "very strong" chemistry as being the key to Westfield's success on offense.

"Every day at practice we're always

The Westfield football team claimed the Sectional 4 championship Friday night at Riverview Health Stadium, beating Fishers 31-0. It's the first time the Shamrocks have won a sectional in Class 6A.

clicking," said Piening. "It shows on the field."

Webster added one more touchdown near the end of the third period, running in from four yards. Sean Sullivan kicked the extra point after each touchdown, then provided the final points of the game late in the fourth with a 38-yard field goal.

Webster had another outstanding game, going 10-of-14 through the air for 158 yards. Reid Scheppers had the most catches with three, while Piening's two touchdown receptions totaled 79 yards. Micah Hauser led the rushing with 92 yards.

Kyle Pape totaled 16 tackles (four solo and 12 assists) for Westfield's defense. McGuire Graybill and David Frey both made 10 tackles, while Popeye Williams

had a sack. Pape and Bryson Hoover both made 1.5 tackles for a loss.

The Shamrocks have not given up any points since Week 8 of the regular season, which also happened to be their first game with Fishers. The Tigers scored a touchdown in the first quarter of that game, but since then, Westfield has gone 15 consecutive quarters without allowing a point.

"It feels amazing," said Carson Voorhis, who made one catch for 12 yards and four tackles on defense.

"Just playing with my brothers and just going out there every week, it just feels great. We just want to prolong our playing time with my family, because I love them. We all love each other."

Fishers quarterback Lucas Prewitt

also had a solid game, completing 14 of 22 attempts for 102 yards. Carson Dunn, the sophomore running back, continued his run of strong play with 76 yards rushing and six receptions. Luke Valerio had four catches. On defense, Seth Dunnuck made 12 tackles (nine solo and three assists), while Joel Coston had a sack.

"We had to make sure that we controlled the clock and ran the football, and I thought we did a good job of that," said Tigers coach Curt Funk. "We just struggled finishing some drives against them."

Fishers finished the regular season 3-7.

"We knew we were going to have to play a perfect game," said Funk. "Our kids fought and battled the whole time and I think we showed improvement from where we were at four weeks ago to now."

Westfield is now 10-1 and will host Homestead next Friday for the Regional 2 championship. The Spartans were 30-22 winners over Warsaw in the Sectional 3 title game.

First quarter sees safties in numbers . . .

Carmel takes eighth consecutive sectional title

Carmel put together a fine defensive effort Friday night at Brownsburg, and the result was another sectional championship for the Greyhounds.

In a battle of elite teams, Carmel beat the Bulldogs 21-7 for the Class 6A Sectional 5 championship. The ‘Hounds extended their sectional win streak to eight years in a row and increased their state-leading number of overall titles to 32.

“That’s pretty impressive,” said Carmel coach John Hebert. “They’re all special in their own way.”

The Greyhounds led by the unusual score of 11-0 at the end of the first quarter. Carmel’s defense stepped up, making two safeties in the period. In between, Zach Osborne and Daniel Mullins teamed up for a big play, with Mullins catching a 69-yard touchdown pass from Osborne. Spencer Hanna made the extra point kick.

The ‘Hounds went up 18-0 early in the second after Zach White ran three yards for a touchdown, and Hanna followed that up with a good extra-point kick. Brownsburg answered a couple minutes later with a five-yard touchdown run by Luke Lacey, followed by Nick Berry’s extra-point kick.

That cut Carmel’s lead to 18-7, and that would be the score through half-time and well into the third quarter. The ‘Hounds finally increased their advantage with less than a minute to go in the third when Hanna kicked a 40-yard field goal.

“That was really reassuring,” said Hebert. Carmel had to deal with adversity when Osborne suffered an injury in the third quarter.

“It’s an existing injury and there’s no structural damage,” said Hebert. “It’ll just be a lot of recovery through the week.”

Osborne had a good game before then, making 6 of 12 pass attempts for 117 yards. Leyton Lukowski stepped in as quarterback and held his own, going 2-for-3 with 16 yards.

Jaedon King was Carmel’s top receiver with three catches, while White gained 98 yards to lead the rushing game.

“Brownsburg’s really good, I can’t believe we held them to seven points,” said Hebert. “You get to this point, you just want to have another week together. All of our kids are practicing with us, freshmen, sophomores, so it’s another week for them to get better.”

Carmel is 9-2 for the season and will play at Ben Davis for the Regional 3 championship next Friday. The Giants dominated Perry Meridian 41-6 to win the Sectional 6 title.
