Judge Jon Brown approves petition for recount in HSE School Board race

By FRED SWIFT | [ReadTheReporter.com](https://www.readthereporter.com)

An official recount will be underway shortly for a seat on the Hamilton Southeastern School Board. In the race for Delaware Township’s seat, incumbent Amanda Shera finished 20 votes behind Sarah Donsbach in the final vote tally. Shera asked for the recount.

Superior Court Judge Jon Brown last week was asked to appoint a three-member recount commission. Donsbach received 14,750 votes to Shera’s 14,730 in totals compiled by the county clerk’s office.

There are 71 precincts in the Southeastern school district. Absentee votes will be the main focus of the recount, which must be completed by Dec. 20. Voting machine totals will be easily totaled, but several thousand absentees will have to be reviewed individually.

Southeastern has a seven-member school board with Delaware, Fall Creek and Wayne townships each having two members, but the entire district votes on these members. A seventh member is elected at-large.

Gravel pit plan goes to Noblesville council without recommendation

By FRED SWIFT
[ReadTheReporter.com](https://www.readthereporter.com)

A tie vote at the Nov. 16 Noblesville Plan Commission sends the controversial Beaver gravel pit zoning request to the City Council without any recommendation.

Beaver Materials Inc. had asked that zoning on the proposed pit site be changed from agricultural to allow extraction of sand and gravel. The 50-acre site is located along Allisonville Road immediately south of Potters Bridge Park.

Residents of subdivisions to the east and south of the location have objected to the Beaver plans claiming noise, dust and truck traffic will lower property values.

Ordinarily, the plan commission reviews a request for change in zoning and forwards to the city council either a favorable or unfavorable recommendation. But, with a tie vote, the matter goes to the council

“I was disappointed that five of my fellow Plan Commission members were in support of the change in zoning that will allow for the gravel pit. I don’t feel that the concerns of residents were given enough consideration before our 5-5 vote on how we would forward the petition to the Noblesville Common Council. Clearly, the nearby residents will be the most impacted if this industrial operation is allowed. Even with the proposed expansion of the park by Hamilton County, there is simply not enough community wide benefit that would outweigh the concerns of our citizens and the threat to our natural resources. Combined with the fact this project doesn’t meet the recommendations of the city’s comprehensive master plan, which was approved by the Plan Commission earlier this year, and that Planning staff do not support the application – I felt we needed to send an unfavorable recommendation to the Noblesville Common Council.”

without recommendation. On the question of sending an unfavorable recommendation, members of the Plan Commission voted as follows:

- Yes: Steve Cooke, Anita Rogers, Jim Hellmann, Gretchen Hanes, Darren Peterson
- No: Scott Noel, Scott Smith, Blake Anderson, Lin-

da Wilcox, David Bertner Peterson On the question of sending a favorable recommendation, members of the Plan Commission voted as follows:

- Yes: Scott Noel, Scott Smith, Blake Anderson, Linda Wilcox and David Bertner
- No: Steve Cooke, Anita Rogers, Jim Hellmann, Gretchen Hanes and Darren

Peterson The council votes on any change of zoning in the Noblesville planning jurisdiction, which includes the proposed pit site even though the property is not within the city limits.

The project will now be heard by the Noblesville Common Council on Tuesday, Dec. 8.

Caravan opens new interchange at 126th Street & State Road 37

By LARRY LANNAN
[LarryInFishers.com](https://www.readthereporter.com)

126th Street has been closed to east-west traffic at State Road 37 since late February, but as of last Thursday, motorists are getting their first look at the newly-constructed interchange.

East-west traveling vehicles will cross SR 37 on an elevated roundabout. SR 37 traffic heading north and south will not be impeded at 126th Street as an underpass has been constructed underneath that roundabout.

This is the first phase of the massive State Road 37 project in Fishers, and there is much left to be done. Construction has already begun at 146th Street and SR 37 and that work is projected to continue well into 2022. Bids will be let on the reconstruction of 131st Street and SR 37 within a month or two, with work expected to begin next year. The design phase

for the SR 37 and 141st Street interchange should be completed soon, with bids expected to be opened about one year from now.

The project is over budget. Mayor Scott Fadness insists the city can fund the project shortfall by borrowing once a municipal bond

is paid off in 2024, therefore not impacting the city’s property tax rate.

At Thursday’s opening, there was not a traditional ribbon-cutting ceremony in lieu of the COVID-19 pandemic. Instead, a caravan of vehicles opened up the road officially, with the first vehicle driving

through the ribbon.

“It’s rewarding to see the hard work that has been done thus far and the magnitude of the improvements on SR 37 at this stage,” Fadness said in city news release. “This section will reduce

Fishers City Council chooses not to vote on health code violation fines

By LARRY LANNAN
[LarryInFishers.com](https://www.readthereporter.com)

The Fishers City Council was scheduled to vote on an amendment to the city health ordinance on Nov. 16, calling for fines of up to \$500 for code violations, but the council removed that item from the council agenda at the last minute.

To enact that ordinance at that time, it would have taken a unanimous vote of all nine council members to suspend the rules and waive the normal three readings required at three separate council meetings.

Monica Heltz from the Fishers Health Department told the council that over the last two weeks, positive COVID-19 cases averaged 50 per day, with the number of cases in the city “rising extremely rapidly.” A total of 692 cases have been reported in Fishers the last 14 days, accounting for 22 percent of all COVID-19 cases in the city since the pandemic began.

The Fishers Health Department voted to approve a number of measures going beyond Governor Eric Holcomb’s executive order. That Fishers public health order was issued last week.

Local emergency declaration could provide state, federal financial assistance

The REPORTER

The Hamilton County Commissioners have declared a local disaster emergency and authorized the furnishing of aid and assistance through the Hamilton County Emergency Operations Center. The local ordinance (Ord. No. 8-23-10-B § 3, 8-23-2010) will remain in effect until Friday, Nov. 27.

Hamilton County has taken the necessary precautions to protect its community, employees and volunteers, but the rising number of positive COVID-19 cases has placed an immeasurable strain on resources and could soon exhaust emergency funding.

“Unfortunately, with the spike of COVID cases in the county and Central Indiana the Commissioners foresee the need for additional resources to deal with this pandemic,” Commissioner Christine Altman said. “The Emergency Declaration will enable the county and our Emergency Management Agency to move quickly to procure necessary supplies, personnel and equipment and to qualify for emergency funding.”

The disaster emergency declaration provides the Executive Director of Emergency Management the power to coordinate response and recovery as well as request assistance and potential reimbursements from the State of Indiana as well as the appropriate federal agencies. A disaster emergency declaration must be approved every week.

“In the meantime, we ask everyone to take action to protect themselves and as importantly to protect others from this virus,” Altman said. “Our mission has been and will continue to be the health and well-being of our residents. We hope that everyone will consider the impact to our friends and family in how we celebrate the upcoming holidays.”

Teens ask students to “Show Some C.L.A.S.S.”

The REPORTER

Seniors from four Hamilton County high schools have partnered with the Hamilton County Health Department to launch an educational campaign designed to keep kids in school. Called “Show Some C.L.A.S.S.,” the campaign outlines five basic rules students and families should follow to help keep children healthy and in the classroom:

C – Check your child’s temperature every morning before sending them to school.

L – Lead by example. Be sure to wear a mask and model good social distancing.

A – Avoid social gatherings. Slumber parties, car-pools, and birthday parties are discouraged.

S – Schedule a test if you or someone in your family exhibits signs of COVID-19.

S – Stay home until you receive your test results or if you are not feeling well.

Together, Teen Task Forces from Carmel High School, Hamilton Heights High School, Sheridan High School, and Westfield High School have helped spread the C.L.A.S.S. acronym among their peers by pro-

ducing educational videos, making daily announcements, creating school banners, and taking over the Health Department’s social media accounts.

For Megan Lunn, a senior at Sheridan High School, her involvement in the project is personal.

“I was one of the first students in school to get COVID-19 back in September,” Lunn said. “I underestimated the severity of the virus and wasn’t wearing my mask or social distancing. The 10 days I was sick were some of the worst of my life. I wouldn’t wish this on anyone else and want to share my story so perhaps others can prevent getting sick.”

Olivia Yott and her fellow classmates at Hamilton Heights High School recently returned to school after a recent outbreak of COVID-19 sent them home to learn virtually for two weeks.

“After quarantine, I realized how much we take being in school and being with our friends for granted,” Yott said. “As a senior leader, I want to encourage all students to respect the rules and follow the guidelines, so we can continue to be in school and power

through the uncertainty together.”

With the seasons changing, the flu and cold season gearing up, and winter sports scheduled to start

soon, the Teen Task Forces will be critical in keeping teens informed. According to the Indiana State Department of Health, high school-age students are responsible

for the largest number of new positive COVID-19 cases reported among those in the 0-19 age group.

The C.L.A.S.S. campaign has also enlisted the

help of teachers, local libraries, youth sports organizations, and parent-teacher organizations. For those interested in learning more, visit showsomeclass.org.

Take a virtual tour of new Fishers Fire Department HQ

The REPORTER

Although Fishers fire departments are closed to the public unless for an emergency, firefighters recently opened the doors to the city’s new fire headquarters for a virtual community tour.

The new headquarters is located at Station 91, which also houses an engine, a medic, ladder, tactical rescue, inflatable boats and the Battalion Chief.

Fishers Fire Department Public Information Officer John Mehling said, “The pandemic is a struggle for everyone, and firefighters are constantly trying to be innovative in keeping their connection to our community. While we wish the tour had a cookout and kids in the trucks, we hope this is the next best thing.”

Fishers opens second COVID test site

The REPORTER

The Fishers Health Department last week announced a second COVID-19 testing site dedicated to prioritizing testing for school-related exposures for Hamilton Southeastern Schools and private schools in Fishers.

The site opened on Monday, Nov. 23 for testing Monday through Saturday. Alternative hours will be in place for Thanksgiving week.

As COVID-19 cases have increased over the last several weeks, the Health Department has been working with its suppliers to dedicate additional testing for schools. Students, teachers and staff of all Fishers-based

schools (including Noblesville-based Durbin Elementary) will receive priority testing at this location. This includes testing for any same-household individuals of those with a positive case or confirmed close contact.

Residents may make an appointment by visiting fishers.in.us/testing and selecting Testing for Fishers Residents.

The Fishers Health Department secondary testing site is located at 8933 Technology Drive, Fishers. Appointments can be scheduled beginning Monday, Nov. 23.

Hours of operation for the secondary site:

- Monday: 9 a.m. to 5 p.m.
- Tuesday: 11 a.m. to 7 p.m.
- Wednesday: 9 a.m. to 5 p.m.
- Thursday: 11 a.m. to 7 p.m.
- Friday: 9 a.m. to 5 p.m.
- Saturday: 9 a.m. to 2 p.m.
- Sunday: Closed

Thanksgiving week hours of operation:

- Monday: 9 a.m. to 5 p.m.
- Tuesday: 11 a.m. to 7 p.m.
- Wednesday: 9 a.m. to 5 p.m.

The Fishers Health Department continues to identify ways to increase its testing capacity and resources to better serve its residents during the COVID-19 pandemic.

Noblesville’s Vibromatic Co. inducted into Manufacturer Association’s Hall of Fame

Submitted

Noblesville-based Vibromatic Company, Inc., a global leader in parts handling and feeding equipment, was inducted last week into the Indiana Manufacturers Association’s (IMA) Hall of Fame at the annual Hall of Fame Inductions and Manufacturing Excellence Awards event held virtually.

Doug Daubenspeck, President and CEO of Vibromatic Company, says he was honored to accept the induction award at the virtual event.

For 65 years, Vibromatic Company has been a global leader and continues to be an innovative supplier in the parts handling equipment for the assembly automation and robotics industries. Vibromatic feeding and orienting systems are one of the most

important components on the modern assembly machine making many of the products you use every day. Vibromatic equipment is used by companies like GM, Ford, Tesla, Fiat-Chrysler, Cummins, Alcoa, P&G, Coke, Pepsi, Crown Cork & Seal, Reynolds, Lilly, Bausch + Lomb, and Becton Dickinson to help manufacture their products.

As an essential manufacturing company Vibromatic and their hardworking and dedicated team members continue contributing and supplying testing and vaccine delivery products and services in the fight against COVID-19.

Carmel City Hall remains closed to public indefinitely

The REPORTER

As the number of COVID-19 cases continues to rise, Carmel Mayor Jim Brainard has extended the closure of City Hall until further notice.

Due to the increased numbers of COVID-19 patients in area hospitals, local health care workers are again putting in longer-than-normal hours. As a result, the Feed the Frontlines effort is gearing back up to provide hot meals to those facing the daunting tasks of tending to COVID patients in Carmel hospitals.

State and county offi-

cials may elect to close the businesses and limit streets to essential travel only if infections continue to spiral upward; however, Brainard says he hopes that drastic restrictions won’t become necessary.

Carmel Mayor Jim Brainard says he will continue to closely monitor the situation and determine if City Hall can safely be reopened to the public in the coming months. In the meantime, all city services will continue and meetings will be held virtually unless specifically noted otherwise.

Heights' Key Club Care Drive is now underway

The REPORTER
The Hamilton Heights Chapter of Key Club is currently holding a Care Drive to support the Dayspring Center.
Key Club Faculty Advisor Lillian Morris said members chose the Dayspring Center because this organization helps entire families who are displaced for a myriad of reasons and have no other options.
Personal care items in short supply and high demand at the Center include: Soap (bar and hand), shampoo, conditioner, toothpaste, toothbrushes, floss, mouthwash, deodorant, facial tissues, tampons, pads, diapers, Pull-Ups (2T/3T and 4T/5T), Vaseline, lotion, hand sanitizer, rubbing alcohol (70 percent or above) and Clorox/Lysol wipes.
Cash donations or gift cards to purchase these items are also gladly accepted.

Members appointed to Bicentennial Commission

By FRED SWIFT
ReadTheReporter.com
The membership of the Hamilton County Bicentennial Commission has been established with one member from each of the county's nine townships, according to Brenda Myers, director of county tourism, who will lend support to the commission.
Chairing the commission will be Jessica Petty, who also serves as president of the county historical society. Co-chairs are Kathy Williams and Kent Ward.

The commission is charged with developing a bicentennial celebration in the year 2023. The county was organized in 1823 after the Indiana General Assembly created the county and established its boundaries.
The county was named for Alexander Hamilton, considered one of the nation's 'founding fathers' and a Revolutionary War hero. Originally the county was larger in area, including the southern half of what is now Tipton County.
The Bicentennial Commission will meet in December to review a charter and goals for the celebration. The charter will be adopted by county commissioners.
Township members of the commission are: Ron Stone, Adams Township; Debbie Gangstad, Clay Township; Rick Fain, Delaware Township; Diane Welchel, Fall Creek Township; Nicole Duncan, Jackson Township; Dottie Young, Noblesville Township; Diane Nevitt, Wayne Township and Jamie Rulon, White River Township.
County Historian Dave Heighway will serve as an ex-officio member.

Nickel Plate Express cancels 2020 Christmas Caboose

The REPORTER
Editor's note: Last Thursday, Nickel Plate Express Director Dagny Zupin and the Nickel Plate Express team released the following statement about the organization's decision to cancel this year's Christmas Caboose rides. For more information about Nickel Plate Express, visit NickelPlateExpress.com. You can also easily make a donation at NickelPlateExpress.com/give.
In the interest of ensuring the health and safety of our guests and employees this holiday season, the Nickel Plate Express has

made the difficult decision to cancel our Christmas Caboose rides.
Our team reached this difficult decision after discussions with the Hamilton County Health Department and a thorough review of financial and public health concerns related to the event. Nickel Plate Express, along with our partners in the rail tourism industry, believe that this decision, while disappointing, is in the best interest of public safety.
While we will miss spreading cheer and seeing the smiling faces of our passengers, we look forward to

welcoming guests in 2021 when we are able to offer the safe and memorable experiences you all have come to expect. Those who have purchased tickets already will be contacted via email with refund information.
Those interested in supporting Nickel Plate Express and offsetting this financial loss can make charitable donations online at NickelPlateExpress.com/give, or by mailing them to P.O. Box 435, Arcadia, IN 46030.
Wishing our guests the happiest and healthiest of holidays. Looking forward to many merry and bright rides in 2021!

Welcome Santa 'Home for the Holidays' this year in Noblesville

The REPORTER
Noblesville Mayor Chris Jensen has announced several changes to this year's holiday events due to public health concerns. The Christmas Parade on Sunday, Nov. 29 and Santa hours at the Christmas Cottage have been canceled and replaced with a "Home for the Holidays Tour" featuring Santa Claus.
To keep the holiday spirit alive, the city is replacing the events with the "Home for the Holidays

Tour." The tour will be headlined by Santa Claus, who will be joined by police, fire and street department vehicles as they make their way throughout Noblesville neighborhoods over the course of two weeks.
Similar to the end-of-the-year parades held by Noblesville Schools in May, the city is creating seven routes that cover the areas that comprise Noblesville's public elementary schools. The exact routes are still being determined, but the first route will take place on Saturday, Dec. 5.
While Santa will not be available as part of the Holidays at the Hill festivities at Federal Hill Commons, the city is adding a special mailbox at the Christmas Cottage. Santa will be checking it to read all of the letters dropped off by children with their holiday wishes.
Residents interested in learning more about the Home for the Holidays Tour routes may visit cityofnoblesville.org/SantaTour.

Marlene Sue Werren

December 2, 1932 – November 16, 2020

Marlene Sue Werren, 87, Noblesville, passed away peacefully on Monday morning, November 16, 2020 at Prairie Lakes Health Campus. She was born on December 2, 1932 in Fremont, Ohio, to Flossie (Noftz) and Charles C. Trueman, the fourth of seven children.

A 1950 graduate of Sandusky High School, Sue married Herbert Werren in 1959 and led an active life raising her two children. Sue served as the family rock during the family's frequent moves. Always animated, a lover of music, singing and dancing, she gave great joy to her family, friends and especially her beloved granddaughters. She was only slowed down in life by Alzheimer's, which she battled valiantly for several years. She was lovingly cared for by her husband of 58 years, "Herb," her family, and many health care angels.

In addition to her parents, Sue is preceded in death by her husband, Herbert Werren; brothers, Raymond Trueman and Donald Trueman; and sister, Jean Miller.

She is survived by her daughter, Melanie (Mark R.) Tonn; son, Dwight Werren; her granddaughters, Mackenzie Tonn, Chelsea Werren Prajapati, Macie Tonn, Elizabeth Werren and Madison Tonn; and her siblings, Fred Trueman, Bertha Biechele and David Trueman.

Due to the coronavirus pandemic, a celebration of life will take place when safe in the future. Sue's care has been entrusted to Randall & Roberts Funeral Homes.

Memorials may be made to the Alzheimer's Association at alz.org. Condolences: randallroberts.com

Robert L. Huber

June 11, 1938 – November 18, 2020

Robert L. Huber, Carmel, passed away peacefully on Thursday, November 18, 2020 at the age of 82. Bob was born June 11, 1938 in Clarksville, Ind., to the late Lewis F. Huber and Oma (Brown) Huber.

He moved to Carmel in 1947 and graduated from Carmel High School in 1956. In Carmel, Bob participated in basketball and track where he set the county record in the mile. More importantly, while there he met his high school sweetheart and love of his life, Judith Ann Ferrin. Bob and Judy were married in 1958 and shared 62 wonderful years together. In 1970, they moved their family to a farm in Westfield so Bob could pursue his passion for farming. If you only met Bob for a few minutes, you knew that he was proud of being a farmer. In 2000, he sold the farm, retired, and moved back to Carmel.

His passion for farming was also displayed by the numerous organizations he was involved with and supported, including President of the Hamilton County Extension Board, Indiana Pork Producers President, Honorary Commissioner of Agriculture appointed by Lieutenant Governor John Mutz, Indiana Future Farmers of America Foundation Board, President of the Hamilton County Farm Bureau Co-op Board of Directors and Member of the Hamilton County 4-H Foundations. His involvement and community support outside of farming included: President of the Carmel United Methodist Church Board of Trustees, Member of the Carmel Masonic Lodge, Indianapolis Scottish Rite, Indianapolis Murat Shrine, along with a member of the Carmel Clay Dads Club and Booster Club.

Bob is survived by his wife Judy and sons, Rich (Jane) and Mike (Michelle). He was also very proud of his six grandsons, Brad, Mark (Darlene), Matt (Liz), Grant, Kyle (Ashley) and Ryan, who will sorely miss spending time with their Papaw.

A funeral service was held on Monday, November 23, 2020 at Carmel United Methodist Church, 621 S. Rangeline Road. A private family burial followed in Carmel Cemetery.

In lieu of flowers, the family requests in memory of Bob, memorial donations be given to the Hamilton County 4-H Council, Inc., 2003 Pleasant St., Noblesville, IN 46060. Envelopes will be available at the service.

'Rocks return to state

Reporter photo by Kirk Green
The Westfield football team is headed back to state, this time to play in the Class 6A state championship game. The Shamrocks won the 6A north semi-state last Friday, beating host Merrillville 41-23.

By RICHIE HALL
MERRILLVILLE - The Westfield football team hasn't trailed much in games over the past few weeks.

But in the instances when the Shamrocks are behind, they eventually get it figured out. Such was the case again in Merrillville's Demaree Stadium last Friday night, where Westfield broke free from the Pirates in the third quarter of the Class 6A north semi-state game.

The 'Rocks eventually won 41-23, claiming the program's fourth semi-state championship. It also gave Westfield a ticket to play in the state finals, and it will be the Shamrocks' first-ever appearance in a 6A state final.

"It's amazing," said junior Micah Hauser. "And it's the one thing that our entire class, the classes above me and my class. We've been talking about that for years. Ever since we were in fifth and sixth grade, that's our main goal. That's all we've ever thought about and to actually be doing it right now is amazing."

In order to get to state, Westfield had to get past a Merrillville team that is just as explosive on offense as the Shamrocks are. The Pirates proved that when their quarterback, Angel Nelson, threw a 43-yard pass to JoJo Johnson for the first score of the game.

The 'Rocks answered on their next drive, which ended with the first of six

Westfield touchdowns. Maximus Webster saw Reid Schepers waiting in the end zone, and Webster tossed a 12-yard pass which Schepers calmly collected to get the Shamrocks on the board. Sean Sullivan's extra-point kick tied the game at 7-7.

Westfield's defense stepped up on the next drive, forcing Merrillville to turn the ball over on downs. The Shamrocks then marched down the field, using mostly the ground game, but Webster stepped up, completing four passes that totaled 10 or more yards. Webster finished the drive with a three-yard run into the end zone.

The Shamrock defense set up the next touchdown.

Girls basketball

Fishers' Audra Emmerson scored 14 points for the Tigers during their 71-53 win over Mooresville last Thursday at the Tiger Den. Emmerson was one of four seniors honored by Fishers after the game.

Tigers pull away from Mooresville

In a three-day span this week, the Fishers girls basketball team went from thinking it wasn't going to have a game this week to getting a big win over a tough opponent.

The Tigers found out last Tuesday that Mooresville was willing to come up and to the Tiger Den and play them two days later. Thus, last Thursday night, Fishers got a nice victory over the Pioneers by the score of 71-53, as well as have a Senior Night for its four seniors.

While it meant having to quickly get prepared, Tigers coach Lauren Votaw said the team was excited about getting to play.

"Honestly, you go from thinking you're not going to have a game, you're down a game to just excited that somebody's willing to come play you," said

Votaw. "To then figure out that it's a quality opponent like Mooresville, who every time is physical and well-coached and disciplined. And we got to celebrate our seniors."

Although it was a battle in the first half, Fishers was able to outscore Mooresville in each of the four quarters. The Tigers led 12-10 after the first period, with senior Audra Emmerson scoring five points, including a 3-pointer.

Fishers led 30-27 at halftime. Senior Katie Burton added eight points, while Karina Scott made a 3-pointer and a pair of free throws. Freshman Jordyn Smith came off the bench and drained a 3 as well.

The Tigers began to slowly take control in the third quarter. Katie Howard, Emmerson and Burton both

hit triples during the period. In the last two minutes, the Smith twins took over, scoring three rebound baskets. Hailey Smith had two putbacks and Olivia Smith got one.

"First of all, we came out offensively and executed the first possession, which always helps," said Votaw. "But we really talked at halftime about how we need to be better defensively. We have to continue to grow each night defensively. Mooresville did a great job. They did a good job of exploiting where we were weak and forcing us to get better and adjust defensively. And I think that finally, our kids down the stretch there in the late third to fourth quarters figured that out a little better."

Fishers took control in the fourth period, using a 9-0

run that lasted well over three minutes to seal the game. Hailey Smith started the run with a three-point play, then Olivia Smith scored off a steal. Burton finished it up by making four free throws.

Burton was the leading scorer with 21 points, while Emmerson added 14. Both Hailey and Olivia Smith added nine points, with Hailey collecting 11 rebounds. Howard scored eight points, proving the depth of this Tigers team.

"When players feel the confidence from their teammates that they can go in and do that on any given night, that makes it a lot easier for them as players," said Votaw.

Fishers is 5-1 and travels to Zionsville on Tuesday to begin Hoosier Crossroads Conference play. The Tigers return home on Saturday to play Warsaw.

Noblesville beats Whiteland, fall to Homestead

By RICHIE HALL
NOBLESVILLE - The Noblesville girls basketball team dropped its first game of the season last Saturday, falling to Homestead 55-47 at The Mill.

The first quarter of the game was close, with Homestead leading 9-7 by the end of the period. Brooklyn Smitherman

scored five points for Noblesville, while Spartans star Ayanna Patterson had all nine of her team's points.

Jayla Jones opened the second quarter with a 3-pointer, giving the Millers a 10-9 advantage. But Homestead took over after that, going on an 11-2 run that took up almost the en-

tire quarter. Ashlynn Shade was the only other player able to score during that run, breaking it up with a basket off a steal.

Shade would later end the Spartans' run at the last second of the half, making a free throw with 1.3 seconds left. Still, Homestead led 20-13 at the break.

"Honestly, I thought

we just were mentally not very tough in the first half," said Millers coach Donna Buckley. "We missed a couple layups. We missed some opportunities and then we just settled for 3s. We weren't hitting shots, so I thought it carried over to the defensive side where we just let it spiral."

The Spartans continued

to roll in the third quarter, opening that period up with a 14-3 run. Alison Stephens scored seven points for Homestead during that run. The Spartans led 37-18 with 1:31 left in the period, but Noblesville cut it to 37-23 by the end of the quarter. Jones scored off a Shade steal, then Shade nailed a 3.

Those baskets were the first portion of a 12-0 Millers run that continued

during the first minute of the fourth period. Shade and Kaitlyn Shoemaker each got baskets, and Jones drained her second triple of the game.

"We finally hit a couple shots and then our defense suddenly picked up, and obviously we were right back in it," said Buckley. "We got to play mentally tougher than what we did tonight and play through

Huskies begin with back-to-back road victories

The Hamilton Heights girls basketball team finally got to play its first game of the season last Friday.

It was worth the wait for the Huskies, who traveled to Lebanon’s Rosensthil Gymnasium to take on the Tigers. After falling behind in the first quarter, Heights came back in the second period, and eventually won 48-43.

The Huskies trailed 13-7 after the first, but roared back in the second to lead 20-18 at halftime. Freshman Camryn Runner helped out with nine points in that quarter, including two 3-pointers. Heights then held on the second half, outscoring the Tigers 15-11 in the fourth period. Jillian Osswald took over the game in that half, pouring in 20 points.

Osswald was the Huskies’ leading scorer with 22 points, while Runner finished with 15. Ella Hickok added eight points.

Hamilton Heights made it back-to-back wins on the road last Saturday night, as the Huskies won at Danville 45-36.

Heights got out to a great start, leading 14-5 after the first quarter. Osswald scored seven of those points, including a 3-pointer. The Warriors cut into the Huskies’ lead in the second period, but Heights was still ahead 22-16 at halftime.

Osswald hit two more 3s in the third quarter, helping Heights to a 34-23 advantage by the end of the period. The Huskies clinched the game from the free-throw line in the fourth quarter, making 11 of 12 foul shots. Runner was 6-for-6 from the line, while Osswald was 4-for-4.

Osswald totaled 20 points, including three 3-pointers. Runner also made a triple during the game, finishing with 13 points. Ella Hickok drained a 3 as well; she scored eight points.

“Another impressive win over a solid program tonight,” said Heights coach Keegan Cherry. “Great team effort.”

The Huskies are 2-0 and play their first home game of the season on Tuesday, welcoming Greenfield-Central.

‘Hounds hold off Zionsville

Carmel scored a hard-fought win at Zionsville last Tuesday, 56-50.

The Greyhounds led 14-7 after the first quarter, with Emily Roper scoring five of those points. Carmel extended its lead to 29-17 by halftime. Kate Clarke had a solid second quarter, throwing in two 3-pointers on her way to 12 points.

The ‘Hounds led 41-25 after three periods, with Clarke making two more triples. The Eagles made a comeback bid in the fourth quarter, scoring 25 points, but

Carmel was able to hold them off. Free throw shooting helped, as the Greyhounds were 8-of-8 from the line in the fourth.

Clarke led Carmel with 25 points, including four 3s. Roper added eight points to go with eight rebounds and two blocked shots. Bridget Dunn also had eight points, while Evan Spidel collected three rebounds. Clarke made four steals.

The Greyhounds are 3-0 and play Tuesday at Noblesville, then host Hamilton Southeastern on Friday.

Southeastern wins in OT

Hamilton Southeastern toughed out an overtime win at Fort Wayne Carroll last Friday, by the score of 51-47.

The Royals led 11-6 after the first quarter, breaking the Chargers’ full-court press. Southeastern then led 27-23 at halftime, but Carroll took control in the third, allowing the Royals only two points.

As a result, the Chargers led 30-29 after three periods. Southeastern trailed by three with less than a minute to go,

but converted a three-point play to tie the game, then made a defensive stop in the last seconds. The Royals then used free throws to ice the game in overtime.

Riley Makalusky scored 13 points to lead HSE, followed by Lydia Self with 10, Ryan Viele with nine, Makayla Hinshaw and Lauren Stewart with six each and Olivia Brown with five.

Southeastern is 4-0 for the season and plays Friday at Carmel.

Sheridan splits first two games

Sheridan opened its season with two games on the road last week.

First, the Blackhawks dropped their season-opening game last Thursday, falling to Covenant Christian 63-46. Lillie Dickerson scored 18 points for the ‘Hawks, while Allie Delph added 11 points.

Sheridan won its first

game of the season last Saturday, beating Elwood 41-34. The Blackhawks led 10-9 after the first quarter, but the Panthers took the lead in the second, going up 21-17 at halftime. Sheridan powered its way through the third quarter, outscoring Elwood 16-5, then held on in the fourth.

Delph scored 10 points

‘ROCKS

from Page A6

was in front 20-13 at halftime.

Merrillville’s Austin Pupek kicked a 29-yard field goal midway through the third, keeping the Pirates within 20-16. But Westfield made a sudden spurt after that to take over the game.

Webster started things off with a powerful 48-yard run into the end zone, aided by Hauser making a pancake block. Merrillville then fumbled on the first play of its next drive, giving the ‘Rocks the ball at the Pirates 14. A couple plays later, Webster was back in the end zone after a two-yard run.

“I think we figured them out a little bit better,” said Westfield coach Jake Gilbert. “That’s a good football team. We had a couple playmakers make plays. Micah Hauser had a huge block. Maximus had a huge run.”

Gilbert called that play a catalyst for his team. “From that point on, we really played well,” he said.

Westfield had one more touchdown to score, and that would be the opening play of the fourth quarter. Carson Voorhis got the ‘Rocks into the red zone with a 22-yard run. Hauser did the honors on the next play, making a nine-yard rush into the end zone.

“Once I got in, there was nothing but adrenaline and love for teammates,”

said Hauser. “That just kept me going.”

Hauser was unable to play in the regional game due to injuries on his left ankle and right knee, but got back in for the semi-state.

“I can’t feel anything right now with all the adrenaline, but it’s totally worth every bit of it,” said Hauser.

Merrillville scored one more touchdown with 2:19 left in the game, when Lavarian Logan made a six-yard run. But Westfield had the game in hand by then, finally getting past the dangerous Pirates.

“They stopped us in short yardage a couple times,” said Gilbert. “We fumbled once when we could’ve really taken the game over. That happens. We got to just keep chopping wood and our guys had the resolve to know we’re playing all the way through to the finish. We did what we do, eventually.”

Webster completed 10 of 15 passes for 126 yards, while rushing for an additional 130. Wasserstrom had the most catches with four, while Voorhis totaled 64 yards rushing. Sullivan made five extra-point kicks on the night.

Westfield is now 12-1 and will play Center Grove Friday for the 6A state championship. The Trojans beat Ben Davis 48-13 to win the 6A south semi-state.

NOTICE OF ADOPTION OF PRELIMINARY DETERMINATION
Notice is hereby given pursuant to Indiana Code § 6-1.1-20-3.5 that the Board of School Trustees (the "Board") of Hamilton Southeastern Schools (the "School Corporation") did, on November 11, 2020, make a preliminary determination to issue bonds for the renovation of and improvements to Fall Creek Junior High School (the "Fall Creek Junior High Project"). The bonds will have a maximum maturity of three years, a maximum principal amount of \$17,000,000, and estimated interest rates ranging from 1.00% to 3.00%, resulting in total estimated interest costs of \$704,601.
As required by Indiana Code § 6-1.1-20-3.5(b)(1), the following information was available to the public at the public hearings on the preliminary determination: (i) the School Corporation's current and projected annual debt service payments divided by the net assessed value of taxable property within the School Corporation, which is 3.25%; and (ii) the sum of the School Corporation's outstanding long term debt plus the outstanding long term debt of other taxing units that include any other territory of the School Corporation divided by the net assessed value of taxable property within the School Corporation, which is 6.78%.
The School Corporation's current debt service levy is \$46,294,812 and the current rate is \$0.5898. After the bonds are issued, the debt service levy will increase by a maximum of \$17,704,601 and the debt service rate will increase by a maximum of \$0.2194. However, as existing obligations mature, there is no anticipated net increase to the Debt Service Fund tax rate above the current rate.
The estimated amount of the School Corporation's debt service levy and rate that will result during the following ten years if the School Corporation issues the bonds, after considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period, is as follows:

| Year | Estimated Total Debt Service Levy | Estimated Total Debt Service Rate |
|------|-----------------------------------|-----------------------------------|
| 2021 | \$48,982,000 | 0.5898 |
| 2022 | \$44,145,247 | 0.5472 |
| 2023 | \$29,046,000 | 0.3600 |
| 2024 | \$25,830,000 | 0.3202 |
| 2025 | \$24,380,000 | 0.3022 |
| 2026 | \$21,565,000 | 0.2673 |
| 2027 | \$14,951,000 | 0.1853 |
| 2028 | \$12,818,000 | 0.1589 |
| 2029 | \$10,065,000 | 0.1248 |
| 2030 | \$10,068,000 | 0.1248 |
| 2031 | \$10,065,000 | 0.1248 |

The purpose of the bonds is to provide for the Project.
If a valid petition pursuant to Indiana Code § 6-1.1-20-3.5 is received within 30 days from the first publication of this notice, the proposed debt service payments must be approved in an election on a local public question held under Indiana Code § 6-1.1-20-3.6.
Dated November 23, 2020.

3. The current Section 150.26(A) entitled "Violations; Right to Appeal" is hereby amended to delete the following "other than fences" and shall read as follows:
(A) It shall be unlawful for any person, firm or corporation, whether as owner, lessee, sub-lessee, or occupant, to erect, construct, enlarge, alter, repair, improve, remove, convert, demolish, equips use, occupy or maintain any building or structure, in the jurisdictional area of the town's Plan Commission or cause or permit the same to be done, contrary to or in violation of the provisions of this subchapter.
4. The current Sections 150.20 through 150.26 are renumbered as follows:
150.20 PERMITS; APPLICATION; RECORDS; FEES is renumbered to 150.21
150.21 INSPECTIONS is renumbered to 150.22
150.22 STOP ORDERS is renumbered to 150.23
150.23 CERTIFICATE OF OCCUPANCY is renumbered to 150.24
150.24 WORK MUST COMMENCE is renumbered to 150.25
150.25 WORKMANSHIP is renumbered to 150.26
150.26 VIOLATIONS; RIGHT TO APPEAL is renumbered to 150.27
5. The following is hereby inserted as the new Article 150.20 entitled "Fence Construction Permits and Inspections":
A. Application: Application for a permit shall be filed with the Zoning Administrator and shall be accompanied by information as may be required by the Plan Commission to assure compliance with the laws and regulations of the Town, including:
a. Name and location of the property owner of the premises on which the fence is located or is to be located.
b. Name and address of the owner of the fence.
c. Clear and legible drawings with description detailing the materials to be utilized and showing the exact location of the fence which is the subject of the permit.
B. Permit Fees: The Permit fee as specified by the Official Fee Schedule shall be paid to the Clerk Treasurer. If any fence is hereafter erected, placed installed, or otherwise established on any property before obtaining a permit as required herein, the fees specified shall be doubled. Payment of such double fee shall not relieve any person from compliance with other provisions of this code and penalties prescribed herein.
C. Effect of Fence Permit: A fence permit issued under the provisions of this Article shall not be deemed to constitute permission or authorization to maintain an unlawful fence nor shall it be deemed as a defense in an action to remove an unlawful fence.
D. Nullification: A fence permit shall become null and void if work has not been started within twelve (12) months of the date of the permit or completed within eighteen (18) months of the date of the permit.
E. Inspection: The Building Inspector shall inspect the completed fence to ensure compliance with all applicable rules, regulations, and laws including, but not limited to, the Town's zoning and building codes.
6. All references to renumbered former Sections 150.20, 150.21, 150.22, 150.23, 150.24, and 150.25 contained within the Arcadia Zoning Code are hereby amended to correspond to the new Section numbering set forth hereinabove.
7. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.
8. Except as amended in this Ordinance, all of the terms, conditions, and provisions set forth in Chapter 150 of the Arcadia Zoning Code shall remain in full force and effect.
9. This Ordinance shall become effective on the date of its passage and publication according to law.
This ordinance is hereby passed by the Town Council of the Town of Arcadia, Indiana on this 2 day of November, 2020.

NOTICE OF ADOPTION OF PRELIMINARY DETERMINATION
Notice is hereby given pursuant to Indiana Code § 6-1.1-20-3.5 that the Board of School Trustees (the "Board") of Hamilton Southeastern Schools (the "School Corporation") did, on November 11, 2020, make a preliminary determination to issue bonds for the renovation of and improvements to Fishers Junior High School (the "Fishers Junior High Project"). The bonds will have a maximum maturity of three years, a maximum principal amount of \$5,950,000 and estimated interest rates ranging from 1.00% to 3.00%, resulting in total estimated interest costs of \$246,611.
As required by Indiana Code § 6-1.1-20-3.5(b)(1), the following information was available to the public at the public hearings on the preliminary determination: (i) the School Corporation's current and projected annual debt service payments divided by the net assessed value of taxable property within the School Corporation, which is 3.25%; and (ii) the sum of the School Corporation's outstanding long term debt plus the outstanding long term debt of other taxing units that include any other territory of the School Corporation divided by the net assessed value of taxable property within the School Corporation, which is 6.78%.
The School Corporation's current debt service levy is \$46,294,812 and the current rate is \$0.5898. After the bonds are issued, the debt service levy will increase by a maximum of \$6,196,611 and the debt service rate will increase by a maximum of \$0.0768. However, as existing obligations mature, there is no anticipated net increase to the Debt Service Fund tax rate above the current rate.
The estimated amount of the School Corporation's debt service levy and rate that will result during the following 10 years if the School Corporation enters into the lease and issues the bonds, after considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period, is as follows:

| Year | Estimated Total Debt Service Levy | Estimated Total Debt Service Rate |
|------|-----------------------------------|-----------------------------------|
| 2021 | \$48,982,000 | 0.5898 |
| 2022 | \$44,145,247 | 0.5472 |
| 2023 | \$29,046,000 | 0.3600 |
| 2024 | \$25,830,000 | 0.3202 |
| 2025 | \$24,380,000 | 0.3022 |
| 2026 | \$21,565,000 | 0.2673 |
| 2027 | \$14,951,000 | 0.1853 |
| 2028 | \$12,818,000 | 0.1589 |
| 2029 | \$10,065,000 | 0.1248 |
| 2030 | \$10,068,000 | 0.1248 |
| 2031 | \$10,065,000 | 0.1248 |

The purpose of the bonds is to provide for the Project.
If a valid petition pursuant to Indiana Code § 6-1.1-20-3.5 is received within 30 days from the first publication of this notice, the proposed debt service payments must be approved in an election on a local public question held under Indiana Code § 6-1.1-20-3.6.

The 1976-77 Carmel Greyhounds: “The Unlikely State Champions”

By SCOTT SPIRES
Kokomo

The time was the 1976-77 Indiana high school basketball season. A blizzard in 1977 slowed down practices and postponed games that year. However, the blizzard of '77 was only a harbinger for what was to follow in 1978, which was the worst blizzard on record.

It was definitely a different time in America. In 1977 Jimmy Carter was President, Otis “Doc” Bowen was Indiana Governor. Gasoline was 62 cents a gallon, a first class stamp was 13 cents. And in 1977 many Hoosiers mourned when the plane carrying members of the Lynyrd Skynyrd band crashed killing six including lead singer Ronnie Van Zant.

Back then if one needed to use the phone while traveling, this was accomplished by using the many pay phones that dotted the Indiana landscape, as cell phones and the internet were still on the horizon, and the proud city of Carmel, Ind.

then boasted of a population of around 18,000.

During the many years prior to this season, the Carmel Greyhounds had already long established a reputation of producing high-caliber athletes, and for those outside of Hamilton County the term “underestimated” could easily be applied to those unfamiliar with the 1976-77 Greyhounds talent level.

The Greyhounds were coached by Eric Clark. The starters were guards Bart Burrell (6-foot-2), Tim Wiley (5-foot-8), forwards Mark Herrmann (6-foot-5), Jon Ogle (6-foot-4) and at center was Paul Hensel (6-foot-7.) The sixth man was Brian Greene.

Carmel started the season ranked as high as seventh in the state polls, but fell out of the rankings by losing two of its first three games. The Greyhounds’ regular season schedule consisted of mid to upper tier opponents. Although the Greyhounds struggled with consistency during the regular season, closing at

13-7, the team clicked at just the right time. And that time was the IHSAA tournament.

Beginning the tourney, Carmel ran past Westfield, Hamilton Heights and Noblesville to win the Hamilton County sectional.

The Greyhounds, now 16-7, traveled to the dreaded Anderson Wigwam for the regional. In the semifinal game Carmel made quick work of Wes-Del 75-51. Carmel now faced the Kokomo Wildkats in the regional championship game. In the second quarter, Carmel took charge and never trailed, but could not shake the Wildkats from staying within striking distance. Carmel defeated Kokomo 57-50. After this game some sportswriters called the Wildkats the best 10-15 team in the state. The Greyhounds were now onto the semi-state at Fort Wayne.

At Fort Wayne, Carmel faced Plymouth winning a thriller 58-54. In the championship game, the Greyhounds defeated 20th-ranked

Fort Wayne South in another down to the wire game 47-43. The exhausted Greyhounds had truly earned their way to the state championship at Indianapolis Market Square Arena.

The media was abuzz on these Carmel Greyhounds. They were not even picked to be in the state championship by anyone except the most diehard Carmel supporters.

In the opening semifinal game, Carmel (20-7) would play Columbus East (23-4). From tipoff Carmel was in control, scoring first and never trailing. Carmel used what had been so effective for them throughout the tourney: Physical strength, height, and outright aggressive play. The talented Columbus East club just could not match up against the much stronger and taller Greyhounds.

Carmel’s Mark Herrmann poured in 32 points in Carmel’s 71-60 win over Columbus East.

On the evening of March 26, 1977, the state championship game was played in front of another sold out crowd at Market Square Arena. Carmel, now 21-7, would

now face East Chicago Washington (24-3), coached by the legendary John Molodet. ECW’s Senators hammered Terre Haute South in the semifinal game 66-44 to reach the state finals.

Going into this game ECW was heavily favored. However, as mentioned earlier, most outside of the Hamilton County area simply did not realize the talent of the Greyhounds.

In the first quarter ECW led 15-14 and went into halftime leading 28-27. In the third, the Greyhounds lit up the nets from the field and the free throw line. Suddenly the heavily favored, but rattled Senators were looking at a 10-point deficit. The third closed with a stunning Carmel lead of 46-38 over ECW.

The fourth quarter of this game is part of Indiana high school basketball lore. Carmel built a 10-point lead, but slowly ECW began chipping away at the Carmel lead. Finally, with just 11 seconds remaining the Senators hit two free throws for a lead over Carmel 52-51.

The Greyhounds had possession, and with nine

seconds left a jump ball was called. ECW got the tip, but the ball went to the wrong player: Bart Burrell, a Carmel player! At six seconds, Burrell did a no-time-to-think pass to Jon Ogle who was under the Carmel basket, and in the most off-balance shot this writer had ever seen in a championship game, Ogle connected for two. Carmel led ECW 53-52 with four seconds left and an ECW time out.

During the time out it was obvious that ECW planned on getting the ball to their standout player Drake Morris, which is exactly what ECW did. Morris took the unchallenged shot, slightly past the baseline that was off the top of the backboard as time expired.

The Carmel Greyhounds had won the 1977 state basketball championship, stunning the ECW Senators 53-52, in what has to be described as one of the most thrilling state championship games in Indiana high school basketball history.

The 1976-77 Carmel Greyhounds: “The Unlikely State Champions.”

All-State soccer teams announced . . .

Noblesville's Jenna Chatterton named Miss Soccer, Mike Brady is Coach of the Year

Noblesville senior soccer player Jenna Chatterton has been one of the reasons the Millers have won back-to-back state championships and a 34-0-4 record over the past two seasons.

Chatterton’s play and leadership have earned her many honors, and she got the biggest one of all from the Indiana Soccer Coaches Association. The ISCA named Chatterton as Miss Soccer when it released its All-State teams last Monday.

The Miss Soccer award is given to the Player of the Year. Chatterton had a spectacular season for Noblesville, leading the team in goals scored with 11 and also handing out six assists. Chatterton scored one of the goals for the Millers in their 3-0 win over Guerin Catholic in the Class 3A state championship game. She has committed to play soccer at the University of Tennessee.

Noblesville coach Mike Brady was named Girls Coach of the Year by the ISCA. Brady just finished his 18th year as head coach of the Millers, and holds a 239-44-42 career record. In addition to the two state championships, Brady has coached Noblesville to three other sectional and regional titles, plus a state finals appearance in 2008.

The Miss Soccer and Coach of the Year awards were released in conjunction with the ISCA’s All-State teams, for both boys and girls. Not surprisingly, Hamilton County had a large presence on each team. In addition to Chatterton, seven other

county girls were named to the ISCA’s First Team All-State. They are: Erin Baker (Carmel), Quincy McMahon (Guerin Catholic), Brooke Bailey (Carmel), Kaysey Castro (Fishers), Sara Kile (Noblesville), Makenna Maloy (Noblesville) and Lydia Self (Hamilton Southeastern).

Four more players made the Second Team All-State list: Abby Jenkins (Hamilton Southeastern), Susie Soderstrom (Carmel), Amiah Sprunger (Westfield) and Olivia Smith (Hamilton Southeastern). Two local players were named to the Third Team All-State: Jordan Imes (Fishers) and Evelyn Bestard (Guerin Catholic).

Finally, six county players received Honorable Mention. They are Ava Bramblett (Noblesville), Aubrey Robertson (Fishers), Claire Bonnici (Carmel), Molly Harris (Hamilton Southeastern), Jayla Logan (Hamilton Heights) and Caroline Quinn (Guerin Catholic).

On the boys side, Noblesville had two players named to the First Team All-State. Palmer Ault and Spencer Holland received the honor for the Millers, who were ranked No. 1 in Class 3A for most of the season. Also making First Team All-State were Quinn Manford (Fishers) and Isa Sayeed (Hamilton Southeastern).

Seven local players were named to the Second Team All-State: David Green (Westfield), Brady Horn (Noblesville), Medard Mikobi (Carmel), AJ Caito (Carmel), Parker Gopsill (Hamilton Southeastern), Gabe Ingle (Noblesville) and Noah Reinhart (Fishers). Another four players received Third Team All-State honors: Drew Barnes (Noblesville), Ethan Cabotage (Guerin Catholic), Ben Wallace (Westfield) and Mitch Rambo (Fishers).

Honorable Mention players from Hamilton County are Nick Rambo (Fishers), Matt Weaver (Hamilton Southeastern) and Ethan Mason (Guerin Catholic).
