

Concerned Noblesville citizens ask officials to reconsider bypass plan

Noblesville Bypass Coalition asks Jensen to evaluate Pleasant Street alternative route to prevent job loss, increased costs

The REPORTER

A group of concerned citizens of Noblesville is asking Mayor Chris Jensen to take time to evaluate his suggested alternative route to extend Pleasant Street west over the White River. The Noblesville Bypass Coalition charges that the Mayor's plan would add an unnecessary roundabout and force a major employer out of Noblesville. Their campaign is called "Pick The Right Route."

The Coalition is being led by IDI Composites International, a high-tech manufacturer in Noblesville, and its employees who say they will have no choice but to move from their current location on 7th Street where they have been for over 50 years.

Mayor Jensen is proposing a new alternative to the Pleasant Street Extension called B-1 that adds a second roundabout within 100 yards of the first roundabout at 8th Street and then cuts through IDI's campus.

The Coalition supports an extension of Pleasant Street to reduce traffic through downtown Noblesville, but they do not believe the Mayor has taken enough

time to evaluate his suggested route to find the best alternative. The B-1 alternative route is intended to go around the newly designated historic neighborhood of Plum Prairie.

"We believe there are better alternatives to what the Mayor is suggesting, but he seems unwilling to listen to his constituents to find the best solution," said Tom Merrell, President and CEO of IDI Composites International. "We value our community and we want to stay in Noblesville. But if Mayor Jensen's plan is approved, we will be forced to

move our facility in which we have invested over \$15 million since 2012. The Mayor's Pleasant Street Extension design ruins both the functionality of our operations and the desired visual aesthetic we wish to convey to our high-tech, Fortune 500 visitors from around the globe."

IDI Composites International, which began in 1966, employs almost 100 people at its manufacturing, research and development, and world headquarters in Noblesville

See Bypass . . . Page A3

Jensen says IDI is misrepresenting facts

"It is disappointing to see a long-standing Noblesville business misrepresent facts and information about the project. The Mayor's Office and the project design team have met with IDI representatives on at least eight occasions to discuss the project, get their input, and adjust our project plans to minimize the impact on their operations. We have accommodated or offered solutions for all of their operational concerns. To suggest that the city has not listened to IDI's concerns is simply false. The project alignment, which has been approved by the state, impacts only the south portion of IDI's parking lot, representing around 15 percent of their total property.

We have made multiple offers to find and improve alternative parking solutions that would provide a net increase in space and parking capacity. Let me be clear – we do not want IDI to leave the City of Noblesville, and we remain committed to working with them to find an agreeable solution while moving forward with this vital infrastructure and public safety project. Our project design does not require the company to relocate. In the unfortunate event that they end up leaving the city, it will be their choice and not anything that was forced upon them."

– Noblesville Mayor Chris Jensen

Noblesville city officials explain new bypass route

The REPORTER

A statement issued to the Reporter by Noblesville Mayor Chris Jensen last Wednesday explained the city's consideration for re-routing the planned Pleasant Street Bypass.

The City of Noblesville's statement said the following:

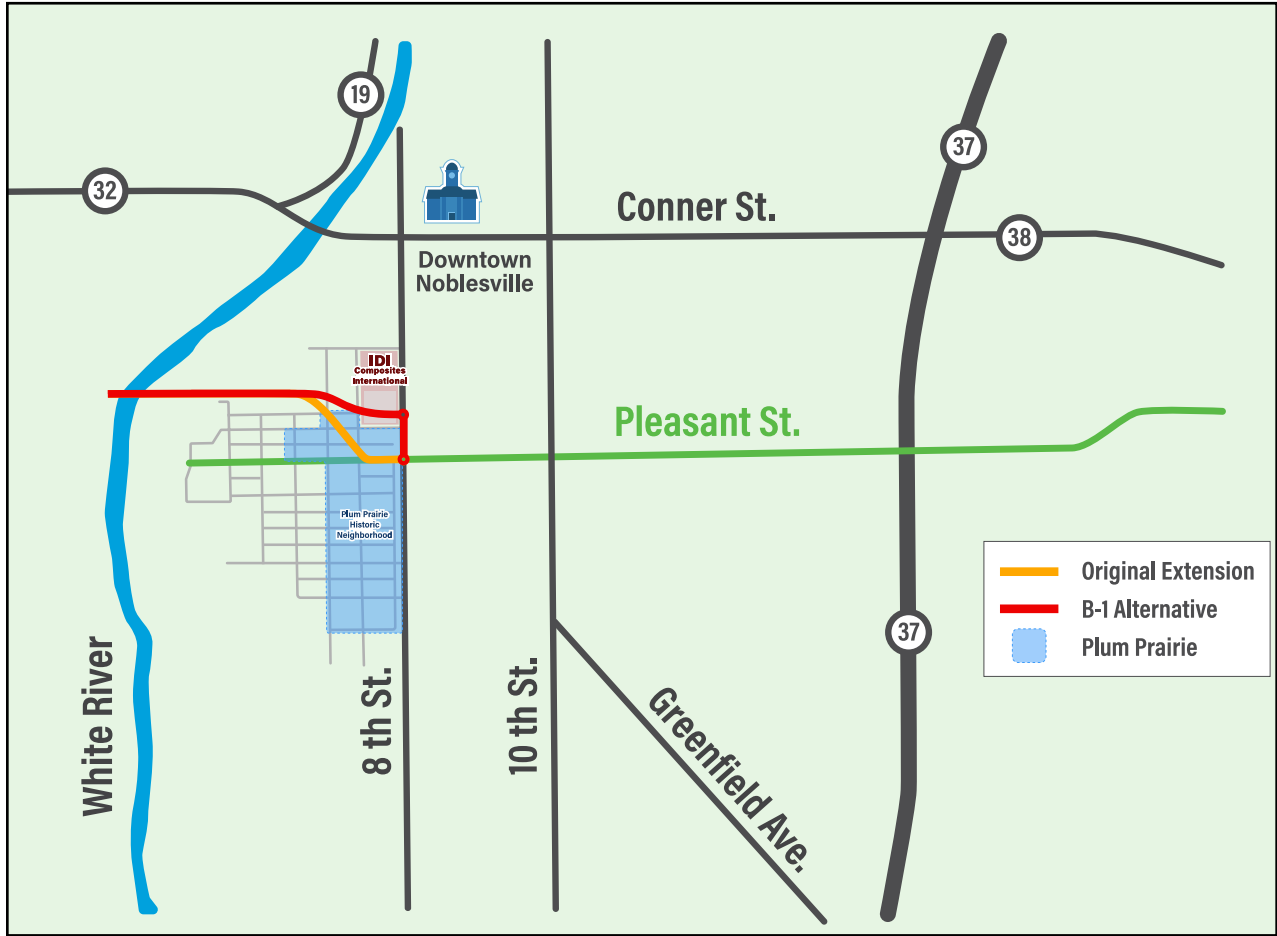

"The city has been analyzing a new East-West Corridor for more than 30 years. In-depth analysis, design work and consideration of alternative alignments has been performed in coordination with our team of environmental, historic preservation, and infrastructure design professionals, for many years.

"The B1 alignment was identified as the only feasible route to meet the purpose and needs of the project and serve the greater good of the entire community. The B1 alignment was approved following the extensive environmental

process that is required by the state and federal governments.

"This process and the relevant factors has been explained in Public Information Meetings and Community Advisory Committee meetings. A copy of the city's preferred alternatives analysis is available at tinyurl.com/yywbxd5q.

"As we have explained to IDI and others, it is our understanding following extensive consultations with State and Federal government representatives that the B alignment, which cut through the middle of the Plum Prairie Historic District, would disqualify Noblesville from not just state and federal funding for all three phases of this project, but could also disqualify Noblesville from state and federal funding for all future projects, a risk we do not believe is appropriate or in the best interests of our residents."

Map provided

Noblesville city officials say that the original planned extension ("B") would not have been able to receive state or federal project funding because it ran through the Plum Prairie Historic District. The new planned extension, called "B-1 Alternative," runs through part of the property currently owned by Industrial Dielectrics, Inc. See Page A2 for a letter from IDI President and CEO Tom Merrell addressed to Noblesville Mayor Chris Jensen, as well as numerous local, state and federal officials.

Cicero town officials announce COVID public health measures

The REPORTER

The Town of Cicero has re-activated health and safety measures aimed to keep town employees and the community safe by restricting public access to all town-owned buildings, with exception to the Red Bridge Community Building.

"Public health and safety continue to be our top priorities, and with the increase in the spread of COVID-19 within the community, we determined it was best to once again restrict public access to many of our town

Strong

owned buildings and Departments," said Cicero Town Council President Dan Strong.

The Town of Cicero has put the following procedures in place. Town officials will continue to monitor community spread and will re-evaluate risk exposure to determine the date to end these procedures.

- The Town of Cicero is restricting public access to all town buildings, with

Courtyards of Carmel OK'd for seniors project

By FRED SWIFT
ReadTheReporter.com

After several years of negotiations, residential developers have reached agreement on the purchase and rezoning of prime land at Smokey Row Road and Keystone Parkway.

Operating under the name Courtyards of Carmel, the firm will start construction early next year on a subdivision designed for residents 55 years of age and older wishing for smaller and more maintenance-free homes.

The developer

is the third firm to propose a Planned Unit Development (PUD) on the ground in the past four years. Previous groups interested in the project abandoned their plans.

The Carmel City Council gave approval of the PUD plans earlier in November after lengthy

Fishers Health Dept. officials expect COVID cases to triple over next month

By LARRY LANNAN
LarryInFishers.com

If you want to know just where Fishers stands with the COVID-19 outbreak, check out the latest video from Monica Heltz of the city's Health Department at tinyurl.com/yxjvoqos. During a five-day period in the second half of November, the city registered 100 positive COVID tests on each of those five days.

The Fishers Health Department is forecasting positive COVID cases tripling local-

Heltz

ly before Christmas. "That would mean possibly 2,500 to 6,500 new cases over the next month, which is pretty serious," Heltz said.

Local hospitals are seeing a decrease in the number of Intensive Care Unit beds available, and more of those beds are taken by patients testing positive for COVID.

Bottom line: Local Fishers COVID transmission continues to see a rapid increase, according to Heltz.

Noblesville partners with J.C. Hart, Republic to propose \$47 million riverfront mixed-use development

The REPORTER

Noblesville Mayor Chris Jensen announced his support last Wednesday for a new project that would add residential living and commercial space to the downtown area along the White River.

J.C. Hart and Republic Development are proposing a \$47.9 million mixed-use development along the east side of the White River in the 3.4-acre area that

currently houses the Hamilton County Employee Parking Lot and McMillan's Auto Care. The large majority of project funding is from private capital, along with specified tax increment that is generated by the new development. City taxpayers and property tax funds

Hart

are not pledged or at risk with the project.

"Our vision for this development is to provide diverse housing options across a wide demographic to both attract millennials, working professionals, and folks who are looking to

An Open Letter to Noblesville Mayor Chris Jensen

Dear Mayor Jensen,

On Thursday, November 12, representatives of Industrial Dielectrics, Inc. attended an open meeting of the Community Advisory Committee regarding the proposed East-West Corridor Project on Pleasant Street. Not one of the 20 or so people in attendance, other than the presenters hired by the Mayor, endorsed the City's currently preferred route (Plan B-1), and many concerned questions were asked. At the conclusion of the meeting, the moderator said that the City would move forward at the next meeting to recommend Plan B-1, ignoring the entire discussion raised by the audience. It became clear that the City and its contractors had already made up their minds and had no genuine intent to consider legitimate issues raised or alternatives.

This roadway will be used, hopefully, for the next 100 years, and the "best" plan needs to be developed. Apparently, no consideration will be given to concerns raised in this regard. With all due respect, it is more important to do this right than to do this fast. We need to pick the right route.

IDI endorses an improvement to Pleasant Street, generally along the lines of the route presented, with the following exceptions:

- 1. Mayor Jensen and the City must take the time to study alternatives to the suggested B-1 route to find the best solution. We do not believe the impact of the recently adopted Historic District designation has been evaluated in any detail in the existing plan.
- 2. Several alternative routes have been suggested, including one by a current City Council member, which are better for the driving public, can be achieved with only one roundabout instead of two, and that have minimal displacement in the Historic District and to the IDI site.
- 3. Further study should be made of the new road's alignment to avoid IDI having to move its worldwide headquarters. IDI currently employs almost 100 workers at this location at an average salary of \$73,000. IDI has plants in two other locations in the United States (Iowa and Montana) as well as in Puerto Rico, the United Kingdom, France, China and Mexico City. Since 2012, IDI has invested over \$15 million dollars in improving its Noblesville location, to make it a suitable headquarters for visitation by the Fortune 500 companies with whom IDI does business, and to make it a more inviting facility to the neighborhood. Plan B-1 makes IDI's Noblesville operation unworkable.

IDI is proud of its Noblesville heritage, and to that end, has donated over \$1 million to community and civic projects in Noblesville over the last several years. However, IDI expects the City to promote the best solutions to problems like this. Rather than rushing through a plan that is flawed, why not take the time to consider other alternatives in light of the issues created by the new Historic District. Let's work together to pick the right route.

Sincerely yours,

Tom Merrell, President and CEO

James C. "Jim" Hession November 20, 1947 – November 20, 2020

James C. "Jim" Hession, 73, Indianapolis, passed away peacefully on November 20, 2020. He was born on November 20, 1947 in Lafayette, son of the late George and Frances (Jarka) Hession and was a graduate of Central Catholic High School.

As a veteran of the U.S. Army, Jim was a helicopter pilot who served multiple tours in Vietnam. He was also a grateful member of AA for 40 years and served as the administrator of Progress House for several years.

In addition to his parents, Jim was preceded in death by sisters, Veronica Parks and Helen Hession.

Survivors include daughter, Lauren (Nick) Jehs; five sisters, Mary Frances Hession, Theresa Caldwell, Ann Louise (Greg) Mauck, Alice Hession and Margaret "Margie" (Joe) Goodman; four brothers, George A. (Rose) Hession, Edward "Matt" Hession, Robert "Bob" Hession and Paul Hession; and more than 70 nieces and nephews.

A Memorial Mass of Christian Burial will be held at 11 a.m. on Tuesday, December 1, 2020 at Our Lady of Mount Carmel Catholic Church.

Please visit bussellfamilyfunerals.com to read Jim's complete obituary. Bussell Family Funerals is privileged to assist the family in arrangements.

Marilyn R. Mitchell August 1, 1930 – November 21, 2020

Marilyn R. Mitchell, 90, Noblesville, passed away on Saturday, November 21, 2020 at Riverwalk Village in Noblesville. She was born on August 1, 1930 to Ralph and Ethel (Snyder) Roudebush in Tipton County.

For over 20 years, Marilyn worked for American States Insurance. She was a member of Lord of Life Lutheran Church and had a strong faith. Marilyn loved needlepoint and crafting. She also loved to write poetry and even had one published.

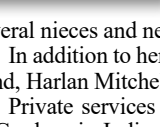

Marilyn is survived by her sister, Helen Blakeslee; two step-daughters; as well as several nieces and nephews.

In addition to her parents, she was preceded in death by her husband, Harlan Mitchell, in 1995; and 12 brothers and sisters.

Private services will be held with burial at Oaklawn Memorial Gardens in Indianapolis. Randall & Roberts Funeral Homes has been entrusted with Marilyn's care.

Memorial contributions may be made to Lord of Life Lutheran Church, 4283 E. 191st St., Westfield, IN 46062.

Condolences: randallroberts.com

James Frederick "Fred" Durr August 23, 1921 – November 24, 2020

James Frederick "Fred" Durr, 99, Sheridan, passed away on Tuesday morning, November 24, 2020 at Riverview Hospital in Noblesville following a brief illness. Born August 23, 1921 in Indianapolis, he was the son of the late James Frank and Ina (Miller) Durr.

Fred spent most of his life in rural Sheridan. He was a 1939 graduate of Sheridan High School where he had the honor of serving as president of his graduating class. He continued with his education at Purdue University before enlisting in the Army Air Corps (now the U.S. Air Force) during WWII. After graduating from Officer Candidate School, he continued his training at the Bombardier/Navigator school. He spent most of his years in the Air Corps stationed in Texas, serving his country as a bombardier instructor.

On October 8, 1943, Fred married the love of his life, Marie Nicholson from Sheridan. They were wed at the East Union Christian Church. Marie preceded him in death on March 10, 2015.

After the war ended, Fred and Marie returned to Sheridan to begin farming, and quickly became active in many farm-related organizations. He was an advocate for farmers' interests and livelihoods, while at the same time being a staunch promoter of soil and water conservation. Fred played a key role in establishing the Hamilton County Soil and Water Conservation District, serving as a board supervisor for many years. Throughout the 1960s, 70s and 80s, he was active in the various agencies that administered federal farm programs. He was elected to the Hamilton County Association of Farmer Elected Committeemen, and through the years would serve as the association's president at the county, state and national levels. He was also a member of the Agricultural Stabilization and Conservation Service (ASCS) Committee, serving for three consecutive terms as their elected chairman. He was chairman of the Indiana (ASCS) Committee from 1977 to 1981. Fred served as a director from Indiana to the National Corn Growers Association and was also a member of the Pork Producers Association. Governor Otis Bowen appointed Mr. Durr to the Grain Product Research Council for their 1975-76 session. He also served as a director of the Federal Land Bank Association of Tipton. One of the things Fred enjoyed the most about being a part of these organizations was the opportunity to get to know farmers from all over Indiana and many other states. Most recently, he had served on the Hamilton County Tax Assessment Board of Appeals.

Fred was recognized by many organizations, including: the 1967 Outstanding Farmer by the Sheridan JC's, the 1982 Outstanding Alumnus by the Marion-Adams (Sheridan) High School, the 1980 Administrator's Award for Service to Agriculture for Distinguished Individual Achievement given by the Indiana State (ASCS) Committee, the 1995 Master Farmer of the Year from the Hamilton County Soil and Water Conservation District, as well as a distinguished service certificate in 1996. In 1978, Fred had the distinct honor of being commissioned a Kentucky Colonel by the Governor of the Commonwealth of Kentucky, Julian Carroll.

He was an active member of the Sheridan First Christian Church for many years. He had recently been attending both the Sheridan First Christian Church and the East Union Christian Church.

Fred is survived by sons, James Douglas Durr, (Debby), Greentown, and Mark Frederick Durr (Cindy), Sheridan; daughters, Rebecca Ann McColgin (Bill), Pittsford, N.Y., Barbara Jo Amos, Kokomo, and Marsha Marie Hunt (Ken), Westfield; six grandchildren, Kathleen Bower (Justin), Houston, Texas, David McColgin (Jessica), Seattle, Wash., Andy Durr (Lauren), Huntsville, Ala., Laura Durr, Indianapolis, Adam Durr, Sheridan, and Steven Durr (Lauren), Indianapolis; and five great-grandchildren, Lydia Bower, Adrian McColgin, Jeremiah Durr, Juliet Bower and Ryan McColgin.

Fred's children often heard comments about what a good, kind and gentle man their father was. They know that to be true. He served as a wonderful example of a life well-lived.

He was preceded in death by his parents; son-in-law, Tom Amos; brothers-in-law, Charles Nicholson and wife Edith, Harlan Nicholson and wife Carolyn, Perry Nicholson, and Harold "Shorty" Nicholson; sisters-in-law, Helen Harbaugh and husband J. Russell, and Mary Cupp and husband Jason J.; and by his loving wife Marie Durr.

The family would like to thank the medical professionals and staff members of Riverview Hospital in Noblesville for the care that Mr. Durr received during the last weeks of his life.

Private family services are being held at this time. A public celebration of Fred's life may be planned for a later date. Fred will be laid to rest at Union Cemetery in rural Hamilton County. Reverend V.J. Stover will be officiating.

In lieu of flowers, memorial contributions may be presented to the Sheridan First Christian Church, or to the Sheridan Public Library.

Arrangements have been entrusted to Kercheval Funeral Home in Sheridan. Condolences: KerchevalFuneralHome.com

Kathleen Glynn Carney October 13, 1947 – November 23, 2020

Kathleen Glynn Carney, 73, Cicero, passed away on November 23, 2020 at Riverview Health in Noblesville. She was born on October 13, 1947 in Noblesville to Glen and Verone (Douglas) Carson. Her parents preceded her in death.

She attended Jackson Township Schools and graduated from Jackson Central High School with the Class of 1965. She then furthered her education, earning a BS degree in education and a Master's degree, also in education. Returning to her hometown, she taught English and history at Hamilton Heights Middle School for 35 years.

Leisure time would find her reading, taking good care of her indoor and outdoor cats, and spending time with her family.

She is survived by a daughter, Kathryn Elizabeth (Jason) Robbins, Greencastle, and a grandson, Jeremy Robbins, also of Greencastle.

Visitation was held on Monday, November 30, 2020 at Hartley Funeral Home Cicero Chapel, 209 W. Jackson St., Cicero. Attendees were asked to wear a mask and respect social distancing while at the funeral home. Private burial will occur at Cicero Cemetery at a later date.

Memorial contributions may be made to the Humane Society for Hamilton County, 1721 Pleasant St., Suite B, Noblesville, IN 46060.

You may send condolences at hartleyfuneralhomes.com.

Michael George Newby February 3, 1943 – November 20, 2020

Michael George Newby, 77, Arcadia, passed away on November 20, 2020 at Methodist Hospital in Indianapolis.

He was born on February 3, 1943 in Elwood to Dale and Erma Jean (Hoover) Newby. His parents preceded him in death.

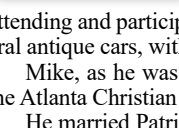

He graduated from Jackson Central High School with the Class of 1961. He then became employed at Delco Remy in Anderson, where he worked for over 35 years. He enjoyed working on small engines and for over 20 years had a small repair shop for lawn mowers. Leisure time would find him attending and participating in antique car shows. He had owned several antique cars, with his favorite being a red 1955 Chevy.

Mike, as he was known, was a faithful member and deacon of the Atlanta Christian Church.

He married Patricia Ann (Tinsley) Newby on May 1, 1964. She survives him. Also surviving are two sons, Scott Michael Newby, Cicero, and Timothy Michael (Amy) Newby, Hudson, Ind.; a sister, Belinda Ann Rainwater, Warsaw; and grandchildren, Kaitlynn Grace Newby and Madalyn Rhae Newby.

Graveside rites were held on Friday, November 27, 2020 at Arcadia Cemetery.

Arrangements are entrusted to Hartley Funeral Homes Cicero Chapel, where you may send condolences at hartleyfuneralhomes.com. Memorial contributions may be made to Atlanta Christian Church, P.O. Box 187, Atlanta, IN 46031.

Philip Francis Henderson d. November 22, 2020

Philip Francis Henderson, 86, rural Arcadia, passed away on Sunday, November 22, 2020 at Riverview Health in Noblesville.

He was born in Tipton County to Ray and Mary Henderson. He attended elementary school in Hobbs and proceeded to graduate from Windfall High School. At a young age he started helping his father on the family farm.

Phil, as he was known, married his sweetheart, Mary Alice (Leathers) Henderson, on August 27, 1954. They moved to Hamilton County in 1956 and started farming on their own.

In his early years, Phil loved snowmobiling with his family and friends, playing euchre, and spending time on Morse Lake on a houseboat that he had built. Together, Phil and Mary enjoyed their years at Silver Lake where they made many friends.

He had a famous sense of humor to all who knew him. He was always ready to share a joke, and he loved playing pranks on his family and friends. Phil would spend hours telling stories of those escapades from over the years.

Survivors include his wife, Mary; daughter, Kathy Henderson; grandsons, Zack Robinson, Jake, Colton and Cade Henderson; granddaughters, Abby (Danny) Smeltkop, Lauren (Justin) Sexson and Chloe Henderson; great-granddaughters, Mackenzie and Macey Inman, and Lilly Henderson; great-grandsons, Wade Henderson and Michael Sexson; plus several nieces and nephews.

In addition to his parents, he was preceded in death by two sons, Mike and John Henderson; a niece; and a nephew.

Private graveside rites will be held at a later date. In lieu of flowers, the family requests that memorial contributions be made to Omega Christian Church, 12763 E. 281st St., Arcadia, IN 46030.

The family wants to thank the doctors and staff at Riverview Health and to nurse granddaughter, Abby for their help and understanding during this difficult time. Hartley Funeral Homes is entrusted with the services. You may send condolences at hartleyfuneralhomes.com.

Thanks for reading!

BYPASS

Westfield launches rapid COVID-19 field testing for acutely ill patients

By JULIA DENG
WISH-TV | [wishtv.com](https://www.wishtv.com)

Westfield launched Central Indiana's first COVID-19 field testing program last Tuesday in an effort to reduce community spread and strain on local hospitals.

The city will dispatch paramedics trained to conduct rapid antigen tests when "acutely ill" residents with COVID-19 symptoms request an ambulance. Test results will be available on-site within 15 minutes.

The Abbott test kits, provided by the County Health Department, use nasal swabs similar to the polymerase chain reaction (PCR) tests recommended by CDC.

Swab samples are combined with a reagent solution and inserted in the test card.

One or two lines will appear in the result window, indicating whether the test detected the presence of SARS-CoV-2 proteins. The "gold-standard" PCR test detects the virus's genetic material.

"I think some people are

fearful of going to the hospital because of the second surge, so this gives us an option to hopefully address some of those patients' concerns [and] get them some answers," said Patrick Hutchison, the Westfield Fire Department's EMS division chief.

Residents who test positive will either be given resources to manage symptoms while quarantining at home or transported to a hospital for further treatment.

The rapid field testing program is not for asymptomatic individuals or people reporting mild symptoms, Hutchison emphasized.

"We don't want people to call 911 and have us replace a walk-up test site or a drive-by test site," he said.

Approximately 80 percent of the city's EMS calls are COVID-related. Officials cautioned against flooding the dispatch line with test requests for non-acute cases.

Look for a free testing site near you at scheduling.coronavirus.in.gov/Home/LocationSelection.

Carmel Mayor Brainard participates in phone call with Biden, Harris

The REPORTER

On Nov. 23, Carmel Mayor Jim Brainard joined other mayors on a call with President-Elect Joe Biden and Vice President-Elect Kamala Harris to discuss priorities. The call was facilitated by the U.S. Conference of Mayors (USCM). Read the full USCM release at tinyurl.com/y43ddh9t.

The call included members of the Executive Committee and Advisory Board of the USCM. Brainard is serving as a Trustee and Co-chair of the Energy Independence and Climate Protection Task Force for the USCM. Also joining the meeting was the incoming Director of the Office of Intergovernmental Affairs, Julie Chavez Rodriguez.

Brainard

"It is important to be able to have direct conversations with our nation's future leaders to share with them how their decisions and direction will affect cities across the nation," Brainard said. "During the call, we were able to talk about key issues facing our nation,

review the response to COVID-19 and address cities' needs for improvements to roadways and bridges. The new administration also expressed their desire to rejoin the global discussion regarding climate change. I look forward to continuing the conversation throughout the transition and during their term of office as they expressed a desire to create strong federal-local partnerships."

COURTYARDS

consideration with special emphasis on handling potential traffic challenges at the property entrance near Smoke Row Road and Keystone Parkway.

The property was owned for more than 100 years by the Hull-Brennan family. The last family resident, Henry Hull, died in 2015.

The home on the property is of particular significance because of its historic and architectural style.

Part of the structure dates to 1834 with a larger brick portion dating to 1853. It was originally the home of the William Wilkinson pioneer family.

Epcon Corporation will give the house and small acreage around it to the Indiana Landmarks foundation, which will seek a buyer interested in restoring it. This is a service that Landmarks employs to save historic Indiana homes and other structures.

The demand for testing at the Fishers testing site has been on the rise. As of Monday, Nov. 23, it takes two to four days to get an appointment and one to five days to receive the results.

The state and county health departments have is-

sued rules, but in Fishers, the public health order is generally more restrictive compared to the state and county.

All this leads the Fishers Health Department to encourage local residents to be careful during the holiday season.

Pay to play, gerrymandering, the closed caucus should go

State legislators are beginning to reveal matters they intend to address in the upcoming session of the General Assembly.

I have a few matters that deserve addressing if the legislators would care to listen. Of course, these suggestions make too much sense, so they will likely not be considered.

Number 1: Our lawmakers should put an end to "pay to play" which is a disgrace just short of bribery. It involves some companies or individuals giving money to an elected official's campaign committee with the expectation that it may help get a lucrative contract for goods or services.

Why should the public care? Because it costs the taxpayers money. Most public officials do not participate

FRED SWIFT
The County Line

in the pay to play game, but those who do take these contributions and give business to their contributors and not to non-players.

This potentially can cheat the public out of having ethical businesses do public work. But, worse yet is the fact that when a company plays this game, the costs of candidate contributions are likely passed on to the consumer – in other words, the public.

This practice could be stopped or at least be made unmistakably illegal by legislation if there was a will to do it.

Number 2: Gerrymandering directly affects Hamilton County. In the upcoming legislative session, maps of Congressional and state legislative districts will be redrawn, adjusting for shifts

in population.

Hamilton County is very popular. It seems every Republican legislator wants a part of it. Democrats seem to want no part of it. The result is the county is incredibly split up among parts of eleven state legislative districts.

What's wrong with that? Well, when for example, a Marion County district gets a group of Hamilton County precincts included within it, but the elected legislator is a Marion County resident, we could easily get the short stick.

If Indianapolis politicians should want a new state or regional tax but Hamilton County voters do not want it, how do you think that legislator is going to go? Probably not with his Hamilton County constituents.

Districts are supposed to be 'compact in area' and represent a 'community of interest.' Our local legisla-

tors can make that happen if they have the will to do so.

Number 3: Put an end to the closed political caucus when a public official is being elected. Political parties are permitted to hold closed caucuses to develop strategy, elect their officers, etc. That's OK.

But, through another law, they are given the responsibility of filling a vacancy when a local elected official resigns or dies during his or her term of office. When a caucus is called for that purpose, the meeting should be open and publicized in advance. But, the local party chairman can either open or close such a caucus.

Under current law, it is possible for a vacancy to be filled without members of the public having an opportunity to run for the office or even know of the caucus.

State law should be, and easily could be, amended to remedy this injustice.

Carmel could offer grants to residents for sidewalk repair

By DENISE MOE
For the Reporter

At its Dec. 7 meeting, the Carmel City Council will consider an ordinance that could financially help residents improve the sidewalks on their property in front of their homes.

The ordinance, sponsored by Northeast District Councilor and Council Vice President Sue Finkam, would transfer \$50,000 of funds not used from the 2020 city council budget to

a new, yet to be created non-reverting sidewalk fund.

Residents could apply for grant money from this new fund to cover at least part of the cost of repairing and maintaining the sidewalks in front of their homes. Finkam said details of the program are still to be finalized, but she hopes residents can begin apply-

Finkham

ing for grants in April.

"It's something residents in my district have inquired about," Finkam said. "We felt like this was a good time, with all of the challenges of COVID

hitting pocketbooks."

Finkam says she hopes the program will promote safety, mobility and beautification, especially in some of Carmel's aging neighbor-

hoods. She said she plans to ask the city's engineering department to identify areas where sidewalk repairs are most needed.

"When people invest in their property, it helps property values remain high all across the neighborhood," Finkam said. "We felt this could not only be a way to support families in improving their sidewalks in front of their homes to prevent injury, but it is also a way to help spur investment in the entire neighborhood."

The trailer was designed by JHB Group, Inc., a firefighter-owned business in the Chicago suburbs.

County secures health incident trailer

Mobile unit will allow for COVID-19 testing in hot spots

The REPORTER

The Hamilton County Health Department has purchased a health incident trailer to help in responding to the increase in COVID-19 cases. With specialized features like solar charging, UV disinfectant lights, and ADA accessibility, the trailer has the ability to help with testing, vaccinations, PPE distribution, and incident command.

"This trailer gives us the ability to be anywhere in the county we are needed," said Christian Walker, emergency preparedness coordinator

for the Hamilton County Health Department. "As a self-contained unit, we can provide COVID-19 testing in Mid-Town Carmel and vaccinations in downtown Sheridan within just a few hours' notice."

The trailer was designed by JHB Group, Inc., a firefighter owned and operated small business in the Chicago suburbs. JHB is in the process of making at least 30 more trailers for health departments around the

Walker

country. The trailer cost \$85,000 – an expense that was covered in large part by the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

"We purchased the trailer to respond to the pandemic, but it will be a great resource for our community many years from now," Walker said. "We have already talked with the Noblesville Fire Department about using it as a first aid station for the 4-H Fair and

the Westfield Fire Department has expressed interest in using it during Colts Training Camp at Grand Park."

On Monday, Nov. 30, the Hamilton County Health Department began using the trailer as a fourth COVID-19 testing facility. It is located in the Health Department's north parking lot at 18030A Foundation Drive, Noblesville. Hours will be 8 a.m. to 4 p.m.

Anyone who needs a test can make an appointment at scheduling.coronavirus.in.gov/Home/LocationSelection.

Mertens named president of IT professionals group

The REPORTER

Chris Mertens, Director of Technology for Hamilton County, has been elected President of the Metropolitan Information eXchange (MIX).

Mertens has served as Hamilton County's Director of Technology since November 2009. In addition, Mertens has served as the Vice President and President of the Indiana Government Technology Leaders Association and as a board member for the Association of Indiana Counties and an advisory member of Gov-

ernor Holcomb's Indiana Executive Council on Cyber Security.

MIX promotes progress in the information technology profession by providing Chief Information Officers of large local governments, with similar interests, the means for learning and exchanging ideas and practices.

MIX began in 1966 as an association of East Coast cities, whose IT leaders formed the organization. MIX has

Mertens

now evolved into its current form – a tightly-knit community of 65 CIOs and IT Directors for the most innovative cities and counties in the United States with populations of over 100,000.

"The MIX group holds an annual conference each year in the fall that is hosted in a member city," Mertens said. "In 2020, the annual conference was supposed to be in San Diego, Calif., but was moved to virtual

due to COVID-19. During that annual meeting, election of officers occurred and I was moved into the role of President."

Mertens continued, "In 2021, the plan is to go back to San Diego for an in-person conference again where I will move to the role of Immediate Past President and a new President will take over. The other board members serving with me include the CIO for the City of San Francisco, the CIO of Virginia Beach, the CIO for the City of San Jose, and CIO for the city of Fayetteville, N.C."

Students working to make their generation tobacco-free

The REPORTER

High school students from across the county have joined with the VOICE Indiana initiative to help educate their peers about the dangers of nicotine use and abuse in partnership with Breathe Easy Hamilton County.

The Reporter spoke with Breathe Easy Hamilton County Program Coordinator Stacy London about the work these young people have been doing and are continuing to do as they try to promote a tobacco-free generation.

VOICE Indiana is Indiana's statewide initiative to engage, educate, and empower teens to celebrate a tobacco-free lifestyle. The VOICE movement began in the spring of 2002.

According to London, VOICE Indiana Director Amanda Irizarry coordinates statewide actions like Red Ribbon Week, Indiana's participation in the Great American Smokeout, and in May they will work on World No Tobacco Day. The local kids create initiatives for those larger programs tailored for Hamilton County on their own.

"The kids decide what they are going to do. They have meetings and move forward with the goal of getting other youth to get involved," London said. "They have a core team that is selected from fund-

Photo provided
(From left) Isabel Jensen (Carmel), Governor Eric Holcomb, Alana Halsted (Westfield), Gabe Anderson (Westfield), and Lucy Schenk (Guerin Catholic) were present at the statehouse when young people from across the state gathered for the kickoff of the vape-free Indiana program in January.

ed counties throughout the state. We have five youth that represent Hamilton County. They are commissioned to engage, empower and educate their peers on vaping prevention and getting involved in preventing smoking and vaping to hopefully be a tobacco-free generation."

The local group calls themselves The Action Five, a name they chose early this year when meeting Gov. Holcomb in Indianapolis during Holcomb's advocacy day for youth in January.

"While they were at the statehouse the kids asked

if they could create an Instagram account and they did it that after they met the governor," London said. "Their social media kicked off immediately and they have been using it to educate their peers."

One example of that is Noblesville High School's Kaelyn Hart and Maddie Stuckwish, who designed and painted a mural for the Breathe Easy Hamilton County program, the banner version of which is being displayed in schools across the county.

"They are also working on meeting with local and state legislators," London

explained. "State Sen. J.D. Ford, IN-29, has said he think he can meet with them as long as everybody wears a mask. State Rep. Chick Goodrich has said he would like to have a Zoom call with the kids. The kids are all really excited."

If you want to join Breathe Easy Hamilton County, email London at slondon_TPC@gsnlive.org or visit breatheeasy-hamiltoncounty.com for more information.

Information for parents and educators on the vape-free Indiana program is available at in.gov/vape-freeindiana.

PrimeLife halts on-site fitness, social activities

The REPORTER

Due to the growing serious health threat of the coronavirus, PrimeLife Enrichment has suspended on-site fitness and social activities at its Center, located at 1078 3rd Ave. SW, Carmel. The target date to lift the suspension is Jan. 18, 2021.

"Given the warnings from so many local, state, and national health experts about how serious the COVID threat will be over the holidays, we have decided to take this proactive step with the safety and health of our members and staff in mind," said PrimeLife Interim Executive Director Gary Wagner. "We will continue our popular online fitness and art classes, as well as our transportation service for medical and other essential trips. Currently, we also plan to continue de-

livery of weekly lunches to seniors in need and will also offer virtual community outreach services. Our sincere thanks to all the seniors we serve and their families for their support and understanding as we look forward to reinstating our fitness and social activities on a limited basis in mid-January."

PrimeLife Enrichment has served Hamilton County seniors since 1977. Its Carmel facility is the hub of services, programs and activities that enable county residents age 50 and beyond to lead healthy, active and productive lives, and stay in their homes.

For many seniors, PLE is the first line of defense against ageism and the physical and emotional health challenges seniors face. Visit our website at primelifeenrichment.org for more information.

Westfield named official Santa letter drop-off location

The REPORTER

Westfield Washington Township and the City of Westfield have been named as official Santa letter drop-off locations.

The North Pole Mailboxes will be available to accept letters now through Dec. 18. Township and city officials will make sure that Santa sees the letters and

writes back. Please include a self-addressed stamped envelope with your letter to Santa.

Mailboxes will be located outside the Township office at 1549 E. Greyhound Pass, Carmel; Westfield City Services at 2728 E. 171st St., Westfield, and the Grand Park Events Center at 19000 Grand Park Blvd., Westfield.

Santa & Mrs. Claus coming to Sheridan

The REPORTER

A drive-thru visit from Santa and Mrs. Claus will take place from 9:30 a.m. to noon on Saturday, Dec. 5 at Sheridan Public Library, 103 W. 1st St.

Visitors will have an opportunity to enjoy Santa while remaining safely in

their vehicles. Children are encouraged to bring their lists. Craft bags and toys will be handed out.

Sheridan Public Library thanks Carmel Kiwanis for their donation of wonderful wooden toys. Visit sherdan.lib.in.us for more information.

RIVERFRONT

Rendering provided
New residential and commercial space would be built in an area along the east side of the White River.

downsize," said J.C. Hart President John Hart. "We are partnering with Republic Development, who we have worked with on six other projects together, to create a unique residential and retail space that fits well into Noblesville's one-of-a-kind downtown area."

The development plans include four stories with the ground floor dedicated to 5,000 square-foot of retail space. The residential portion will consist of approximately 219 high-end rental apartments with a price range of approximate-

ly \$850 to \$2,000 per unit.

"One of our city's great assets is the White River and this project will bring people to the heart of our city and increase the vibrancy along the river," Jensen said. "Investing in our downtown livability and quality of life attracts more talent to our community, which ultimately drives our economic development."

Jensen added that the project includes roughly 295 garage parking spaces and 32 on-street parking spaces. This project, which

brings in more diverse retail and housing options to Noblesville, supports Jensen's policy pillars of economic development and downtown enhancement. The project also includes an outdoor sports and activity area, greenspace along the river, a pool and clubhouse, and many other modern amenities.

The project is a public-private partnership between the City of Noblesville and J.C. Hart and Republic Development, two firms that have a combined total of 85 years

worth of business and development experience.

With this partnership, the city has now announced \$135 million in public-private partnerships in the first 11 months of the Jensen administration.

The project plan and economic development agreement will be presented to the Noblesville Common Council at an upcoming public meeting.

If approved, the development team plans on breaking ground on the project in late spring or early summer 2021.

before publication date
PublicNotices@ReadTheReporter.com

A large group photo of the football team from 2010, posing on a field with a blue banner reading "FOR THE SHORE" in the background. The team is arranged in multiple rows, wearing white jerseys with gold and green accents, and many are wearing red lanyards. A player in the front row holds a trophy.

The Westfield football team's post-season run came to an end last Friday, as the Shamrocks fell to Center Grove at the Class 6A state championship game at Lucas Oil Stadium. Westfield finished its season 12-2.

A man, a woman, and a young man are posing on a football field. The man on the left is wearing a white Indianapolis Colts jacket and a white cap with the Colts logo. The woman in the center is smiling. The young man on the right is wearing a white and gold Indianapolis Colts jersey with "ROCKS" on the front and is holding a Colts helmet. They are all holding a large ceremonial check from the Indianapolis Colts. The check is dated 11/27/20 and is payable to Westfield H.S. for \$1,000. The man on the left is also holding a small plaque.

TO THE OWNERS OF THE WITHIN DESCRIBED REAL ESTATE AND ALL INTERESTED PARTIES
STATE OF INDIANA) IN THE CIRCUIT COURT OF
COUNTY OF HAMILTON) SS: HAMILTON COUNTY
NOBLESVILLE, INDIANA)
CAUSE NO. 29C01-1910-MF-009310
U.S. BANK NATIONAL ASSOCIATION, AS TRUSTEE FOR RESIDENTIAL ASSET MORTGAGE PRODUCTS, INC. MORTGAGE ASSET-BACKED PASS-THROUGH CERTIFICATES, SERIES 2005-EFC3 PLAINTIFF
vs
E. WAYNE MALOTT; NOADIAH MALOTT DEFENDANTS
NOTICE OF SHERIFF'S SALE OF REAL ESTATE
By virtue of an Order of Sale, directed to me from the Clerk of the Hamilton Circuit Court and pursuant to a Judgment of Foreclosure entered on **1/6/2020**, I will expose to public sale to the highest bidder for cash in hand, at the office of the Sheriff of Hamilton County, in Hamilton County, Indiana, located at 18100 Cumberland Rd., Noblesville, IN 46060 on **January 07, 2021, at 10:00 a.m. to 12:00 p.m.** Local Time, the fee simple title together with the rents, profits, issues and income or so much thereof as may be sufficient to satisfy said judgment, interest, costs and accruing costs of the following described real estate located in Hamilton County, Indiana, to-wit:
Lot Number Ninety-four (94) in Riverwood, a subdivision of Hamilton County, Indiana, as per plat thereof recorded in Deed Record 114, page 20 in the Office of the Recorder of Hamilton County, Indiana.
Commonly known as: 94 Nakomis Drive, Noblesville, IN 46062-8819
State Parcel Number: 29-07-16-103-016.000-012
Township: Noblesville
This sale is to be made in all respects pursuant to an act of the General Assembly of the State of Indiana, approved March 7, 1931, and entitled An act concerning proceedings in actions to foreclose real estate mortgages, providing for the sale and custody of the mortgaged premises and repealing all laws conflicting therewith (see Indiana Code).
It is further provided by law that there shall be no redemption from such sale, and the purchaser at such sale, upon complying with the terms of his purchase, shall be entitled to immediately receive from the undersigned, Sheriff of Hamilton County, a deed conveying to him, the purchaser, the fee simple title in and to said real estate.
Taken as the property of the Defendant(s) stated above at the suit of U.S. Bank National Association, as Trustee for Residential Asset Mortgage Products, Inc., Mortgage Asset-Backed Pass-Through Certificates, Series 2005-EFC3. Said sale to be without relief from valuation and/or appraisalment laws.

Boys basketball

Noblesville splits in first week of games

By RICHIE HALL

NOBLESVILLE - There is quite a bit of potential for the Noblesville boys basketball team this season, but there are also quite a few things a relatively young Millers squad will need to learn.

Noblesville opened its season last Wednesday at The Mill by hosting Tindley, another young team with a ton of potential. The Millers led for most of the game, but the Tigers' tough defense wore them down, allowing Tindley to take the lead in the fourth quarter and hang on for a 56-55 win.

"You got to give them credit," said second-year Noblesville coach John Peckinpough of the Tigers. "They came out and played hard. I didn't think we did a very good job of valuing the basketball and valuing possessions."

The Millers rebounded last Saturday, as host Noblesville came back in the fourth quarter to defeat Columbus East 72-68 for its first win of the season.

The Millers led for the entirety of the first half. Senior Josh Durham opened the game with a 3-pointer and two free throws, senior Noah Harris threw down an impressive slam dunk, and sophomore Luke Almodovar – talk about potential – scored on a layin and a 3.

Durham's layin was the last basket of the first quarter, which ended with Noblesville ahead 14-11. Almodovar drained another triple to open the second period, and he made another 3 with less than a minute in the quarter to give the Millers their largest lead at 27-18.

Durham and Almodovar are relatively new faces for Noblesville on varsity. Durham got into a few varsity games last season, while Almodovar was making his debut at the varsity level.

"Luke is very, very talented," said Peckinpough. "Really good athlete. Shoots it really well. He's got a bright future. He's been thrown in a role where he was a JV starter last year and now he's a varsity starter and has to assume some of that leadership that we lost with that senior class last year. I think he's only going to keep getting better."

Tindley's Jashawnn Bates made a 3-pointer to end the first half. Still, Noblesville led 27-21 at the break. In the third quarter, a 3 by Aaron Humphrey tied the game at 31-31, but two baskets by

Reporter photo by Kent Graham

Noblesville sophomore Luke Almodovar scored 20 points for the Millers in their season-opening game with Tindley last Wednesday night at The Mill.

freshman Aaron Fine and a free throw from Harris got the Millers back ahead 36-31.

Peckinpough pointed out that for the majority of the game, Noblesville had two sophomores and a freshman on the floor. Almodovar joined fellow sophomore Preston Roberts, who was a solid varsity player for the Millers as a freshman, in a starting role. Fine came off the bench and provided many quality minutes.

"Those three are going to learn a lot, get better as the year goes on," said Peckinpough.

Harris, meanwhile, is one of three seniors on the Noblesville team this year. He joins Durham and Evan Wilson, who was out Wednesday night with an injury. Harris and Wilson were key players for the Millers last season, as were returning

juniors EJ Smith and David Lloyd.

"Noah's been pretty good for us," said Peckinpough. "He had a great off-season. Just needs to step and be more of a vocal leader in the locker room and in practice. And then once we get Evan Wilson back that'll help a lot as well."

Noblesville led 38-35 going into the fourth, and Almodovar made a free throw at the beginning of the period to give the Millers a four-point lead. But the Tigers took over after that, tying the game on a Billy Brown 3-pointer, then finally pulling ahead with 5:08 left after Jayden Pinkston hit a free throw.

Bates gave Tindley its largest lead at 51-44 with three free throws, this after being fouled during a 3-point shot attempt. Noblesville tried

to make a comeback in the final minutes, with Roberts making a steal and a dunk with less than a minute left to get the Millers within 53-52. But Brown answered that with a 3-pointer to put the game out of reach.

"We got a young group and that kind of has shown in practice," said Peckinpough. "We've got to start to learn how to do it in practice first and value possessions in practice and that would hopefully carry over to games. We're not at that point. We got a long ways to go. I think we have a good group of kids. I think we're going to be able to win some games down the stretch. But right now, we're just not there yet."

Almodovar led Noblesville with 20 points, including three 3-pointers. Durham and Fine both added 10 points. All seven players that took to the floor for the Millers scored at least three points.

Against Columbus East, the Millers led 19-18 after the first quarter and 31-27 at halftime. Noblesville began to pull away in the third period, at one point leading 39-29 before the Olympians cut it to 49-46 by the end of the quarter.

Columbus East took the lead in the fourth quarter, going up 58-54 with 5:32 left in the period. The Olympians were still ahead 63-60 at the four-minute mark before Harris made a dunk to get Noblesville within 63-62. After another defensive stop, Smith put the Millers ahead 65-63 by converting a three-point play.

Columbus East came back to tie the game at 68-68 with under a minute left, but Noblesville made free throws to clinch the victory. Durham put the Millers ahead for good with his foul shots, then Smith put the game out of reach by making both ends of a 1-and-1.

"Team effort, everyone did their job down the stretch," said Peckinpough. "We could've easily folded." The coach said his team showed "a little bit of resilience" and toughness down the stretch.

Almodovar led the Millers scoring with 17 points, including three 3-pointers. Smith scored 15 while Lloyd added 12 and led the rebounds with six. Harris collected five rebounds.

The Millers are 1-1 and host Fishers Friday to open Hoosier Crossroads Conference play, then travel to Beech Grove on Saturday.

Huskies fall to Marauders in high-scoring opener

Greyhounds take care of Columbus North

By RICHIE HALL

ARCADIA - In its first game of the season, the Hamilton Heights boys basketball team had its best offensive performance in a while.

Unfortunately for the Huskies, so did their opponents from Mount Vernon. It was two high-flying offenses that got together in the Heights gymnasium last Saturday, with the Marauders winning a truly back-and-forth contest 83-78.

The Huskies produced the most points in a single game since Jan. 11, 2019, when they posted 85 against Lapel. Mount Vernon, meanwhile, last topped the 80-point mark when it scored 84 against Frankton on Feb. 1, 2018.

"I thought we were going to do a better job, but that might be the most athletic team we'll play all year," said Heights coach Chad Ballenger. "And we held our own. I thought we did a pretty good job. I thought kids handled their roles. There's no excuses for us. We're six days behind everybody because we got shut down. We didn't get to start when everybody else got to practice. From that standpoint, I'm really pleased with the show that we put on tonight."

The Marauders led for most of the first quarter, with a couple of exceptions. Lucas Letsinger scored the Huskies' first basket of the season, a 3-pointer to put Heights up 3-2.

Back-to-back 3s gave Mount Vernon an 8-3 lead, but the Huskies stayed around, never letting the Marauders pull away. Finally, Gus Etchison tied the game with a basket, then drained a triple to put Heights up 17-14. This is still in the first quarter.

Mount Vernon got back in front with a quick six-point spurt, and began to pull away as the game went into the second quarter. The Marauders held their biggest lead midway through the period at 42-26, but the Huskies began to work their way back, cutting MV's lead to 44-35 by halftime. Braden Kinder came off the bench to hit a basket, then Etchison nailed a 3 before scoring the last four points of the half.

Those four points turned out to be the beginning of an 11-0 run that stretched into the start of the second half. Noah Linville continued Heights' run with a 3. Later, Letsinger tied the game at 46-46 with a free throw, and Etchison threw in another 3 to get the Huskies back in front.

Heights led by five points twice late in the third period, with another Linville triple putting the Huskies up 60-55. But the Marauders took over after that, going on a quick 13-2 run, which extended into the fourth period. Mount Vernon started the quarter with three straight baskets by Amhad Jarrard, and that moved the Marauders ahead 68-62.

Amhad's twin brother Armon Jarrard got MV back up 74-64 with a layin. But then it was Heights' turn to go on a fast run, and it did, tying the game at 74-74. Etchison drained three free throws after begin fouled on a 3-point attempt, Letsinger and Luke Carroll both hit a pair of foul shots, then Letsinger put in another 3 to tie the game.

That was as far as the Huskies got. A free throw by Avery Williams got Mount Vernon back in front, and the Marauders would stay in front until the buzzer. Etchison's dunk kept Heights

Reporter photo by Kirk Green

Hamilton Heights' Gus Etchison scored 39 points for the Huskies during their season-opening game with Mount Vernon last Saturday.

within 78-76 with 38 seconds left, but MV sealed the game with four straight foul shots.

"I thought we did a great job in that third quarter, but we gave up too many transition buckets early," said Ballenger. "Made a great run to give us a chance and then late, we didn't knock free throws down."

Etchison began his senior season with 39 points, including five 3-pointers. Letsinger drained three 3s while scoring 16 points and Linville added 12 points. Etchison and Carroll both

collected six rebounds, while Linville and Letsinger both pulled five.

"I thought Letsinger and Linville played really well," said Ballenger. "I thought Kinder came off the bench and played well defensively. I thought Luke Carroll did a really good job defensively inside on the bigger guys and really held his own."

The Huskies go on the road for the first time this season on Friday, traveling to New Castle, then return home on Saturday to host Guerin Catholic.

Carmel got off to a winning start on last Tuesday, beating Columbus North 61-51 in its season-opener, which was played at the Eric Clark Activity Center.

The Greyhounds led 13-11 after the first quarter. The Bull Dogs came back to tie the game by halftime, at 23-23, but Carmel pulled away in the second half. A 22-point fourth quarter sealed the

game for the 'Hounds.

Junior Peter Suder scored 22 points and earned a double-double by collecting 10 rebounds. Suder went 10 of 12 from the free throw line, dished out five assists and had two blocked shots. Brian Waddell added 16 points and had five rebounds.

Carmel hosts Lawrence Central on Friday and Zionsville on Saturday.

Southeastern cruises at Muncie Central

Hamilton Southeastern got its season off to a solid start last Tuesday, beating Muncie Central 78-49 at the Bearcats' fieldhouse.

The Royals were in control from the beginning, leading 20-5 after the first quarter and 38-17 at halftime. Muncie Central played even with Southeastern in the third quarter, but the Royals pulled even further away with a 21-point fourth quarter.

"We did a nice job of taking care of the basketball," said Southeastern coach Brian Satterfield. "We only had nine turnovers for the game." Satterfield also credited his team with taking care of the boards; the Royals had 34 rebounds for the game.

Vinny Buccilla led the HSE scoring with 16 points and also handed out four assists. Dalton Retzner earned a double-double with 14 points and 12 rebounds, with Buccilla and John McCall both collecting five rebounds. Sam Jacobs added 14 points, while McCall scored 11. Jason Stutz dished out five assists and Loudon Sundling had five steals.

Southeastern dropped a road game last Saturday, falling to Pike 84-73.

The Royals are 1-1 for the season and will host Avon Friday to begin Hoosier Crossroads Conference play. Southeastern then travels to Brownsburg on Saturday to play Cincinnati St. Xavier.

Balanced Tigers storm past Ben Davis

By RICHIE HALL

FISHERS - The Fishers boys basketball team already has its identity set for the 2020-21 season, and it can be boiled down to three things: Depth, balance and unselfishness.

The Tigers put all of those on display in its season-opening game last Tuesday at the Tiger Den, when they overwhelmed Ben Davis 75-49.

Fishers was playing its first game under new head coach Garrett Winegar, who was the head coach at Warren Central last season and had spent a few years there as an assistant. When discussing the game afterwards, Winegar brought up something then-head coach Criss Beyers said during the Warriors' undefeated state championship season in 2017-18.

"When I was at Warren with Coach Byers the year we won state, we had six players averaging between 8 and 12 points a game," said Winegar. "He always just preached to them, like, 'We don't care who gets the shot, we just want the best shot.' And I think this group, I think we see that they're playing unselfish, they're willing to pass up a good shot to get a great shot, and that's exciting.

That attitude was in effect for the Tigers last Tuesday. Fishers had four players reach double figures in scoring, chipping in between 11 and 17 points. Of the nine Tigers who took to the floor, eight of them scored at least one point.

"I think that's our strength," said Winegar. "We don't have one guy who's probably going to go get 30, but we have six guys who can probably go get 15. Our depth and our balance and our unselfishness has to be something that is our strength. We're probably never going to be the most athletic or most talented team on the floor when we play, so we have to be the most unselfish and we have to be well-rounded."

Fishers never trailed in the game, and the score was only tied twice, early in the game at 2-2, then 4-4. Junior Charlie Smith broke that second tie with a 3-pointer, then the Tigers finished the first quarter on a 6-0 run to lead 15-7. Junior Bryce Williams got the first five points (including a 3), then junior Matt Brewer made a free throw.

The run continued at the start of the second period, with sophomore Myles Stringer

hitting a couple free throws to push Fishers ahead 17-7. The Giants cut that lead to 17-12 as KJ Windham, a talented freshman, made a 3-pointer and a layin.

But the Tigers darted ahead again with a 6-0 run; senior Lucas Prewitt, Smith and senior Drew Turner each made baskets. That made the score 23-12, and Fishers maintained that lead through halftime, where it led 31-23.

The Tigers took total control in the third quarter, outscoring Ben Davis 27-8. Fishers scored the first 15 points of the period, with Williams pouring in eight points (including another 3). Turner scored seven in the middle of the quarter (also including a 3), then junior Sean Millsaps hit two 3s on his way to eight third-period points. Fishers had eight total 3-pointers in the game.

"I think the third quarter, we showed how good we possibly could be on defense," said Winegar.

The fourth period was a little more even, but Ben Davis was never able to make a dent into the Tigers' lead. Prewitt and Millsaps each made a 3-pointer in the quarter.

Williams finished with 17

Fishers' Myles Stringer goes up to the basket during the Tigers' season-opening win over Ben Davis last Tuesday at the Tiger Den. Fishers beat the Giants 75-49.

points, followed by Turner with 16, Millsaps with 13 and Smith with 11. Fishers was playing without Jeffrey Simmons, still recovering from an injury.

"We got a long way to go to be where we want to be, of-

fensively and defensively, but if they play with the kind of effort and energy and togetherness that they've been playing with, this group has a chance to surprise some people," said Winegar.

Fishers plays another home game Tuesday, taking on Muncie Central. The Tigers then travel to Noblesville on Friday to begin Hoosier Crossroads Conference play, then travels to Mount Vernon on Saturday.

Girls basketball Huskies overwhelm G-C, are 3-0

The Hamilton Heights girls basketball team continued its great start to the season last Tuesday, overwhelming Greenfield-Central 50-26 in the first game at the Huskies' renovated gymnasium.

Heights played a game worthy of the occasion, improving to 3-0, the best start for a Huskies girls team since the 2009-10 season. Heights led 15-6 after the first quarter, scoring all of its points on five 3-pointers: Two each from Jillian Osswald and Camryn Runner, and one from Ella Hickok.

The Huskies turned up its defense even more in the game's middle quarters, allowing the Cougars only four points in the second and third periods. As a result, Heights led 25-10 at halftime and 45-14 after three quarters. Runner lit up the net in the third quarter, making four 3-pointers. Osswald had three 3s in the second half as well.

"Great team effort," said Huskies coach Keegan Cherry. "Really proud of Jillian's senior leadership. Our freshmen are playing tremendous team basketball and making plays within the flow of the game."

Runner, one of those freshmen, scored 22 points and totaled six 3-pointers for the game. Osswald added 21 points, including five 3s.

Reporter photo by Kent Graham

Hamilton Heights' Jillian Osswald scored 21 points, including five 3-pointers for the Huskies in their win over Greenfield-Central last Tuesday.

Heights' next game is Wednesday, when it hosts Fish-

'Hounds beat Royals in defensive battle

Carmel won a defensive battle with Hamilton Southeastern last Friday 40-24 at the Eric Clark Activity Center.

The tone was set early, as Carmel led Southeastern 2-0 at the end of the first quarter. Bridget Dunn had the lone basket for the 'Hounds.

The Greyhounds held a 12-6 advantage at halftime, with Emily Roper scoring four points in the second period. Carmel outscored the Royals in each quarter, leading 22-13 after three. Dunn helped out with six points during the third period.

In the fourth quarter, the 'Hounds pulled away by pouring in 18 points. Carmel sealed the game at the free-throw line, making all eight of its foul shots. In fact, the Greyhounds were perfect for the contest, going 10-for-10 from the line. Evan Spidel was 4-for-4, making all of her shots in the fourth period.

Dunn led the scoring with 15 points and also collected five rebounds. Kate Clarke added nine points.

Reporter photo by Kent Graham

Hamilton Southeastern's Lydia Self (right) collected five rebounds for the Royals during last Friday's Carmel-Royals game. Pictured at left is Carmel's Emily Roper.

Ryan Viele drained two 3-pointers for Southeastern, leading her team with nine points. Olivia Brown added seven points and also handed out four assists. Lydia Self and Riley Makaluskus each pulled five rebounds.

Carmel is 4-0 for the season and opens Metropolitan

Conference play on Tuesday by hosting Lawrence North, then travels to Warren Central on Friday.

The Royals are 3-1 and play at Noblesville on Wednesday and at Franklin Central on Saturday, their first two Hoosier Crossroads Conference games of the season.

'Hawks pull away from WeBo

Sheridan finished its season-opening road trip last Tuesday with a 49-34 victory at Western Boone.

The Blackhawks led 8-7 after the first quarter, then pulled away in the second period

to take a 26-11 lead at halftime. Sheridan increased its advantage further in the third quarter, finishing that period with a 43-18 lead.

Allie Delph scored 11 points for the 'Hawks, while

Taylor Bates added 10 points. Sheridan improved to 2-1 with the win. The Blackhawks' Tuesday game with Frankfort has been canceled. Sheridan is next scheduled to play Saturday, hosting Clinton Prairie.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
