# Beaver Materials withdraws request for gravel pit rezone

The REPORTER

On Monday, Beaver Materials withdrew a request for a change in zoning to allow a gravel pit just south of Potter's Bridge in Noblesville.

Beaver's controversial proposal recently received no recommendation from the Noblesville Plan Commission. The request for a zoning change was then scheduled to be heard by the Noblesville Common Council on Tuesday.

Beaver's proposal was met with opposition by a group of local residents known as "Don't Leave It to Beaver," in addition to the Hoosier Environmental Council and Indiana American Water. The City of Noblesville issued a social media statement that indicated Beaver Materials retains the opportunity to refile the petition for a zoning change.

# HSE school board election recount now underway

By LARRY LANNAN  
[LarryInFishers.com](mailto:LarryInFishers.com)

The recount in the Hamilton Southeastern (HSE) School Board 2020 election begins in earnest today. The Delaware Township election results show Sarah Donsbach winning that school board seat by 20 votes, about one-half of one percent (0.05 percent) of all votes cast.

This was an at-large election, with all voters in Delaware, Fall Creek and Wayne townships casting ballots in the race. That means the recount will encompass all precincts in all three townships.

Hamilton County Clerk Kathy Williams says the recount will begin at 8 a.m. Absentee ballots will be tallied first.

The Recount Commission met Tuesday afternoon, setting the procedures for the vote recount.

It is expected the recount should be completed in a matter of days.

# Riverview Health honors more than 120 employees for years of service

The REPORTER

Riverview Health honored more than 120 employees at its annual Employee Service Awards on Thursday, Dec. 3, including Deborah Lambdin and Rhonda McDougall, who have both been with the organization for 40 years.

"We are so proud of our employees for their dedication and constant hard work," said Seth Warren, president and CEO of Riverview Health. "It's especially meaningful when employees choose to spend most of their careers – sometimes even 30 to 40 years – with us. We would not be able to fulfill our mission without all these wonderful staff members, so recognizing their milestones is just a small gesture of our enormous appreciation."

Due to the COVID-19 pandemic, Riverview Health celebrated its awarded staff members with a socially-distanced walk-through ceremony at the Noblesville hospital.

Every year, Riverview Health honors its longstanding staff members who are celebrating major milestones with the organization. The reception typically includes a banquet to honor employees for their dedication and years of service.

# Local governments awarded \$1.65M for road projects

The REPORTER

Indiana Governor Eric J. Holcomb and Indiana Department of Transportation Commissioner Joe McGuinness announced 241 Indiana cities, towns and counties received a combined \$101 million in state matching funds for local road projects through Community Crossings, a component of the Governor's Next Level Roads program.

Locally, Carmel, Noblesville, and Hamilton County received funding. Carmel topped the list with \$1 million received, followed by Hamilton County receiving \$475,603.65 and Noblesville receiving \$181,290.

"As we navigate through the challenges created by the COVID-19 pandemic, we're as committed as ever to improving and building our state's infrastructure," Holcomb said. "I'm incredibly pleased that we're able to fund all of the high-priority local road projects submitted in this round. Taking care of our local roads is key to making sure our communities remain attractive

# Noblesville Housing Authority accepting pre-applications for voucher waiting list

The REPORTER

The Noblesville Housing Authority is currently accepting pre-applications online for its Housing Choice Voucher Waiting List until 4 p.m. on Friday, Dec. 11. Pre-applications must be submitted online at [waitlistcheck.com/IN2939](http://waitlistcheck.com/IN2939). There is no fee to apply.

Applicants will be able to apply online at [waitlistcheck.com/IN2939](http://waitlistcheck.com/IN2939) from any computer, tablet, or smartphone with online access any time of day until 4 p.m. on Friday, Dec. 11. Status information regarding placement on the list will be available online within 10 calendar days after the closing date. Instructions regarding obtaining status information are provided during the online application process. Preapplications must be made online. No paper applications will be accepted.

Applicants must apply during the period the list is open for applications.

Due to limited funding availability, pre-applications will be selected and ordered using local preferences and a random lottery system. (Not all applicants will be placed on the Waiting List.) By randomly selecting the applications received for placement on the waiting lists, the process is equitable and fair.

The time and date of receipt of the application online has no bearing on whether an application will be selected for the waiting list.

Online applications will automatically be sorted by Noblesville Housing Authority preferences.

Applicants who live or work

in Hamilton County, are elderly and/or disabled, are veterans or surviving spouses of veterans, or who live or work in the counties contiguous with Hamilton County (Boone, Clinton, Hancock, Madison, Marion and Tipton) will receive a preference on the list and are therefore encouraged to apply. After the pre-applications are sorted by preference, the online system will randomly select 200 of the pre-applications using local preferences and a lottery system.

# Westfield announces preferred State Road 32 route

The REPORTER

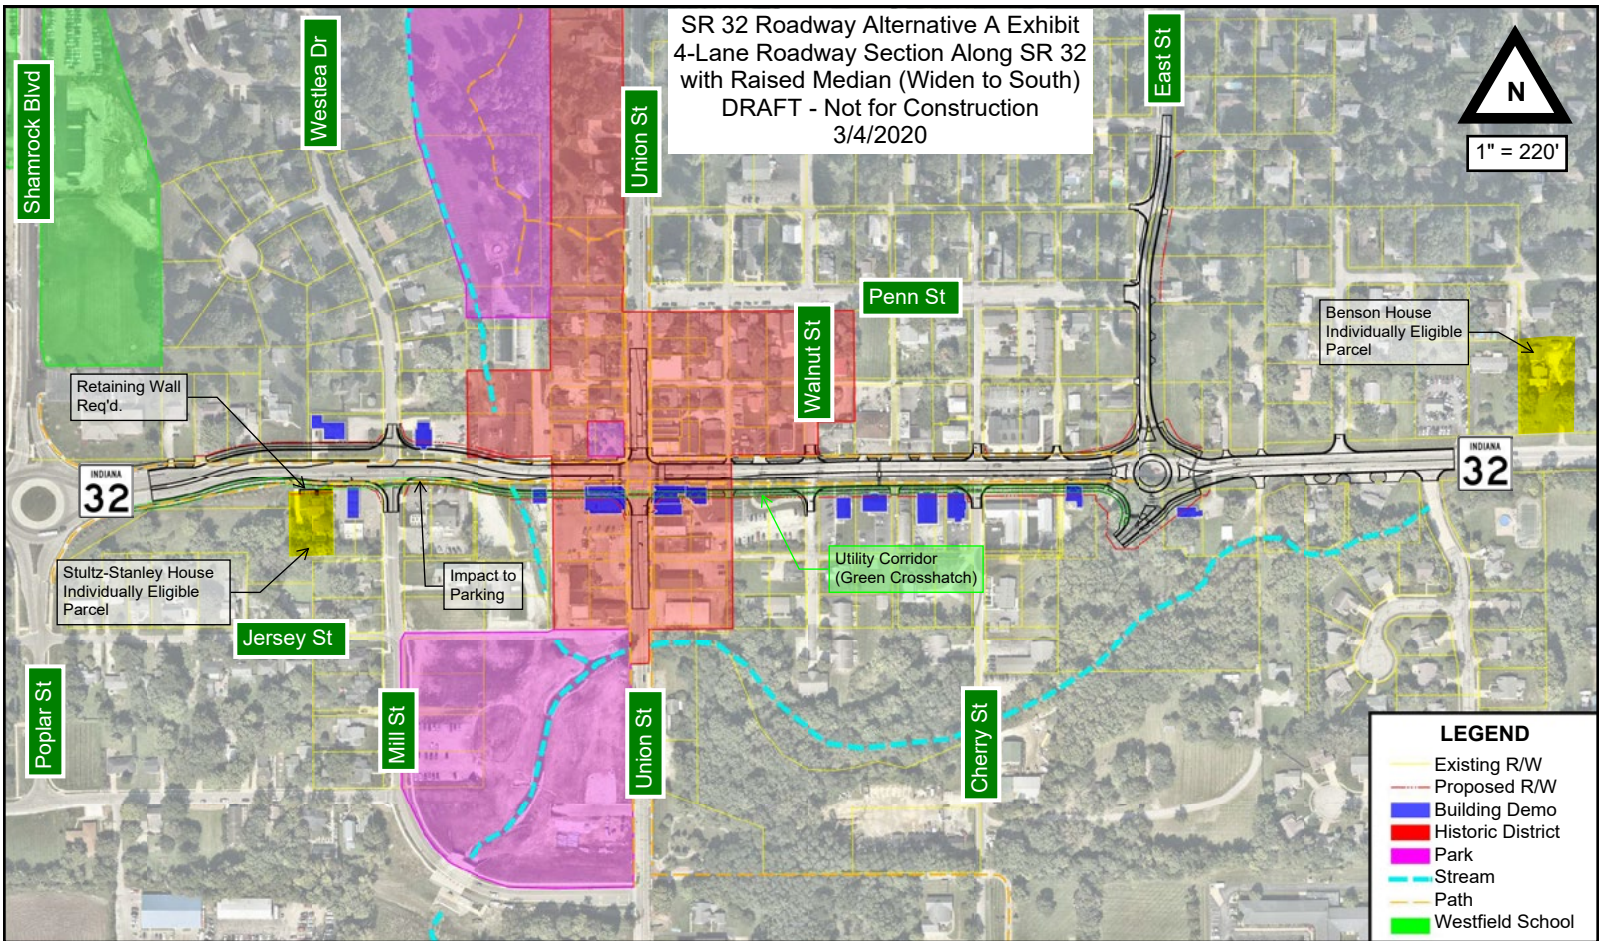

On Monday, the City of Westfield and the Indiana Department of Transportation (INDOT) announced the selection of the preferred route for the State Road 32 Westfield Reconstruction project.

The \$15 million project is a 50-50 cost split between the city and the state.

"This is a much-needed project for our city and I am pleased to see where we are after two years of input-gathering and analysis," said Westfield Mayor Andy Cook. "Although we have done a lot of work, there is still more to come. As we continue the environmental work, we are certain to see some modifications. But I am glad our residents and business community can begin to see how our downtown will take shape."

"INDOT has been studying the State Road 32 corridor for some time now," INDOT Project Manager Jennifer Beck said. "That is why we are excited by the opportunity to partner with the City of Westfield on a project that will enhance mobility for local and regional traffic alike."

The State Road 32 project, approved by the Westfield City Council in October 2018, will address congestion and capacity concerns along the SR 32

corridor from Poplar Street to just east of Timberbrook Run. The project is being developed in accordance with the Indiana State Environmental Policy Act (SEPA), as the INDOT portion of the project cost will be funded by the State of Indiana.

"We looked at six different options over the last two years and this route was selected after thorough analysis, evaluation and input-gathering from adjacent residents, stakeholders and other interested parties," Westfield City Engineer John Nail said. "The preferred route best balances impacts to historic properties, constructability and cost, while still meeting the purpose and need of the project. We look forward to continued dialogue with our input groups as they

help to guide us in refining this preferred route into a detailed and final design."

The preferred alternative will be the basis for further detailed design, analysis and development of the project. Due to the utilization of state funds and the presence of the National Register Listed Westfield Historic District, the project will follow the Indiana Historic Preservation and Archeology Act (IHPAA) and will be required to obtain a Certificate of Approval from the State Historic Preservation Review Board.

In a forthcoming meeting anticipated in January 2021, interested parties will have the opportunity to provide input on potential mitigation measures to offset the effects the preferred alternative route will have on historic resources.

Additionally, a Community Advisory Committee (CAC) meeting and Public Information meeting will be scheduled to give the public an opportunity to provide feedback and comments on the preferred alternative.

Carmel firefighters to distribute free masks at Market District

VOUCHER

**The REPORTER**  
The Carmel Fire Department has scheduled another COVID-19 information booth to hand out information on virus prevention and safety and answer questions from the public. Firefighters will offer free bottles of hand sanitizer and disposable

face masks while supplies last. The type of masks being distributed are similar to what you would find in a doctor's office waiting room. CFD will be at Market District in Carmel, located at 11505 N. Illinois St., from noon to 4 p.m. on Thursday, Dec. 10. The

booth will be set up outside the main entrance. During the event, representatives from CFD will wear masks and keep to physical distancing guidelines to avoid possible spread of the virus. The event is open to the public and visitors should also wear masks and maintain

proper distance from others as they approach the booth. The goal of this booth is to provide the community with COVID-19 information, including handouts showing the City of Carmel and Carmel Fire Department "Best Practices" for dealing with the virus.

The Housing Choice Voucher program is the federal government's primary program that allows very low-income families to choose and lease or purchase safe, decent and affordable privately-owned rental housing. The Housing Choice Voucher program covers the rent portion that exceeds approximately 30 percent of an eligible family's monthly income. Any and all income-eligible families may submit a preapplication. Acceptance and/or assistance are based on income verification, eligibility requirements, preference factors, and a lottery selection process. Maximum income levels, based on family size are as follows:

Family Size	Income Limit
1 . . . . .	\$28,700
2 . . . . .	\$32,800
3 . . . . .	\$36,900
4 . . . . .	\$41,000
5 . . . . .	\$44,300
6 . . . . .	\$47,600
7 . . . . .	\$50,850
8 . . . . .	\$54,150

**Reasons for denial of pre-applications**  
Pre-applications will be removed from the wait list if any of the following are determined after the initial interview:  
• Drug or violent criminal activity within the last three years. If any drug activity, you may remain on the list if you have completed or are in a drug rehabilitation program at the time of the initial interview.  
• Lifetime registered sex offender  
• Persons convicted of manufacturing or producing methamphetamine  
• If any family member has been evicted/terminated from a federally-assisted housing program in the past five years.  
Criminal background checks and screening for previous tenant history in assisted housing is conducted at the time of the eligibility interview for all adult household members.

places to grow businesses and create careers." The Community Crossings Initiative has provided more than \$830 million in state matching funds for construction projects. In response to revenue uncertainty caused by the COVID-19 pandemic, INDOT moved this call for projects, originally sched-

uled for July, to September. The \$101 million award is funded by the balance available in the state's local road and bridge matching grant fund at the end of the 2020 fiscal year as well as revenue collected so far in the 2021 fiscal year. "This is a tremendous win for our local partners," McGuinness said. "Our

continued partnership with Hoosier communities will deliver more high priority local road projects in the coming year, many of which have been in planning for months or even years and wouldn't be able to move forward now without the state's funding commitment." To qualify for funding,

local governments must provide local matching funds – 50 percent for larger communities or 25 percent for smaller communities – from a funding source approved for road and bridge construction. They must also submit an INDOT-approved asset management plan for maintaining existing roads and bridges. State law requires annually that 50 percent of the available matching funds be awarded to communities within counties with a population of 50,000 or fewer. State lawmakers identified long-term funding for Community Crossings as part of House Enrolled Act 1002, passed by the legislature and signed into law by Gov. Holcomb in April 2017. The list of all communities receiving matching funds in the 2020 summer/fall call for projects is online at [in.gov/indot/communitycrossings](http://in.gov/indot/communitycrossings).

## Letter to the Editor

## Fiscal Conservatives pay tribute to McKinney

Dear Editor:  
Thank you, Council President McKinney.

The Executive Board of the Fiscal Conservatives of Hamilton County, which include founding member David Giffel-Treasurer, founding member Bill Smythe-President, and me, Marla Ailor-Vice President, are here to thank you for 24 years of service in Hamilton County as a County Councillor.

During Rick's tenure, Hamilton County has grown from a sleepy suburban county of 147,000 residents to the fourth-largest county in Indiana with 344,000 residents. It has more than doubled in size during his tenure.

He has consistently demonstrated, along with a few other like-minded fiscal conservatives, a strong desire to keep this county on a solid fiscal footing through low taxes and responsible spending. Rick has championed funding for numerous

road and bridge projects, park lands and their use, and public safety projects, while working to keep the county's property tax rate nearly flat with NO increase in the regular local income tax.

Independent-minded, fair, and balanced, he has partnered with the Commissioners on many worthwhile projects, but also stood apart and firm when funding was sought for projects he questioned. His embrace and faithful practice of his fiduciary responsibilities on behalf of taxpayers will be

missed.

It is with our deepest respect for all he has done for our county, we wish to present him this token of our appreciation. We thank you for advocating for fiscal responsibility, reduced government spending and minimal government debt, Rick. We wish you our very best and will miss our greatest champion who has represented us so well.

Thank you.

## “Don't Leave It to Beaver” issues statement following Beaver Materials' withdraw of gravel pit rezone request

### Submitted

*Editor's note: The Don't Leave It to Beaver grassroots organization that has been advocating against the proposed gravel pit near Potter's Bridge Park recently released the following statement to citizens of Noblesville and all of Hamilton County. The Reporter is printing the statement in its entirety. Please note that the following does not necessarily reflect the opinions of the Hamilton County Reporter newspaper, its publisher or its staff.*

We are relieved that Beaver Materials has withdrawn its zoning request with the City of Noblesville. However, as we await an updated proposal in early 2021, Don't Leave It to Beaver will continue to watch the public record for

updated documents related to the gravel pit.

We are prepared to continue the fight as long as it takes to protect our community from this gravel pit.

Don't Leave It to Beaver is thankful for the Noblesville citizens who lent their voice to the chorus of opposition. We are thankful for every citizen who wrote or spoke to their elected officials. We're thankful for the thousands of people who signed the paper and online petitions.

We're thankful for the people who protested on street corners and for those who attended our prayer vigil in person or in spirit. Thank you to all who put up a yard sign, and to all who educated their friends, neighbors, and family on the risks this project posed

to our community.

We're not giving up. As we work together to evaluate next steps, concerned Noblesville citizens are encouraged to stay motivated in the following ways:

- Share our website, [dontleaveittobeaver.com](http://dontleaveittobeaver.com), to educate others on the issues at stake.

- Review Plan Commission and Noblesville Common Council agendas for updated proposals from the petitioner, Beaver Materials and/or Hamilton County Parks & Recreation Department, which can be viewed at [this link](#).

- Review County Council agendas for updated budget information for the Hamilton County Parks & Recreation Department, which can be viewed at [this link](#).

# AG Curtis Hill reaches \$86.3 million settlement with Nationstar Mortgage

## The REPORTER

Indiana Attorney General Curtis Hill has joined 50 other attorneys general and other state and federal agencies in securing an \$86.3 million settlement with Nationstar Mortgage, the fourth-largest mortgage servicer in the country.

The multistate settlement resolves **allegations that Nationstar**, which does business as “Mr. Cooper,” violated consumer protection laws during its servicing of mortgage loans. Thousands of borrowers had problems when their loans were transferred to Nationstar, which sometimes led to foreclosures.

The **consent judgment**, filed Monday in the U.S. District Court for the District of Columbia, provides approximately \$79.2 million in relief affecting 55,814 loans nationally. It covers conduct by Nationstar occurring from Jan. 1, 2011, until Dec. 31, 2017.

About 1,303 loans in Indiana were affected, for a total amount of approximately \$1.26 million.

“Hoosier borrowers suffered as Nationstar swallowed up other mortgage-servicing companies in an attempt to enlarge its own business,” Hill said. “We hope the Hoosiers impacted by Nationstar’s

conduct will take action when the time comes to recoup some of the money they may have lost.”

In 2012, Nationstar began purchasing mortgage-servicing portfolios from competitors and grew quickly into the nation’s largest non-bank servicer. As loan data was transferred to Nationstar, borrowers who had sought assistance with payments and loan modifications sometimes fell through the cracks, the lawsuit alleged. Borrowers in this category will receive

Hill

a guaranteed minimum payment of \$840 as part of the settlement.

Other borrowers suffered damages when Nationstar failed to oversee third-party vendors hired to inspect and maintain properties owned by delinquent borrowers and improperly changed locks on their homes, the lawsuit alleged. These borrowers will receive a guaranteed minimum payment of \$250.

A settlement administrator will send a claim form to eligible borrowers in 2021.

Nationstar has already provided some of the relief outlined in the settlement.

In addition to monetary relief, the settlement requires Nationstar to follow a detailed set of “servicing standards” in how it handles certain mortgage loans. These servicing standards are more comprehensive than existing law and will be in place for three years starting Jan. 1, 2021.

Finally, the settlement requires Nationstar to conduct audits and provide audit results to a committee of states to ensure compliance with the settlement.

Attorney General Hill and the other attorneys gen-

eral negotiated this settlement with state mortgage regulators and the federal Consumer Financial Protection Bureau (CFPB), which filed separate settlement documents.

The U.S. Trustee Program (USTP), a component within the U.S. Department of Justice that seeks to promote the efficiency and protect the integrity of the bankruptcy system, also collaborated with the attorneys general and the CFPB on this settlement. The USTP is finalizing a separate agreement with Nationstar to address historical servicing issues impacting borrowers in bankruptcy.

## Letter to the Editor

### Noblesville reader says city’s “wound” is “self-inflicted”

Dear Editor:

The Jensen/IDI dispute seems to me to be totally attributable to the “City’s learning of the creation of the historic district.” This is a totally self-inflicted wound put in place by the prior administration. The City created it but the new administration was either unaware of it or of its significance.

Some compassion needs to be extended to IDI here because it seems to me that they have been whipsawed.

When the current bureaucrats fail to realize that these obstacles exist, you cannot blame the private sector whose property is to be taken for being dismayed by the incompetence or lack of communication of the administration.

### Daniel Johnson

July 29, 1952 – December 5, 2020

Daniel Johnson, 68, passed away at his home in Lebanon surrounded by his loving family on Saturday, December 5, 2020. Born July 29, 1952 in Butler County, Ky., he was the son of the late Walker Alan and Irene (Seabolt) Johnson.

He attended Howe High School in Indianapolis and was a member of the Mechanicsburg Christian Church.

Daniel was a workaholic, and there were never enough hours in the day or days in the week to get in everything he wanted to do. For about a decade, Daniel worked as a mover for United Van Lines, packing up and transporting people’s furniture and belongings all over the country. Depending on where his load was heading and how long it would keep on the road, he sometimes found himself with a few extra passengers during the summer – his two little girls. Riding shotgun in a big rig with their dad was a special treat. Watching the countryside roll by and hitting the truck stops was quite the adventure, but time was money and there were deadlines to make, so not being able to pull into every 76 truck stop was sometimes a point of contention between driver and passenger(s).

When it was time to give up the open road, Daniel entered another trade – drywall hanging and finishing. He worked for White Drywall Company for over 25 years. During that time, “Dr. Drywall” developed a reputation for doing things the right way and paying attention to detail. Just like his time on the road, this too would become a family adventure of sorts, only this time with his nephew, Don Massey. Daniel always thought of Don as “the son he never had.” He took Don under his wing, showed him the tricks of the trade, and was about as proud as anyone could be at the craftsman his nephew became.

Family was truly important to Daniel. He loved every moment he got to spend with his kids and with his grandchildren. He especially loved when family time coincided with going out to eat. During the past several months, going to a restaurant with his family was something he missed very much.

Daniel is survived by his loving wife, Jenny (Dillon) Johnson. She and Daniel were married on February 14, 1994. Also surviving are his daughters, Michelle Diane Smith (Robbie Kinkad), Sheridan, and Tonya Danielle Sutton (Steven Billingsley), Sheridan; grandsons, Christopher Mourey, Holden Henderson, Desperado “Desi” Johnson and Wesley Sutton; brother, Dewey Johnson (Elizabeth), Franklin; sister, Ellen Massey, Sheridan, and many nieces and nephews. Daniel is also survived by his canine BFF, Tia.

He was preceded in death by his parents; brother, Douglas Johnson; and by his sister, Helen Childress.

Visitation will be held from 4 to 7 p.m. on Friday, December 11, 2020 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, followed by private family services. Pastor Andrew Ramey will be officiating.

Strict COVID precautions will be observed, including the wearing of masks.

In lieu of flowers, memorial contributions may be presented to the Boone County Cancer Society, or to the Mechanicsburg Christian Church.

### Janet Owens

December 14, 1942 – December 3, 2020

Janet G. Owens, 77, formerly of Sheridan, passed away at her home in Plainfield on Thursday, December 3, 2020. Born December 14, 1942 in Dunbar, Va., she was the daughter of the late James Earl and Ruby Pauline (Ward) Sage.

She was a 1960 graduate of Pennington Gap High School.

Janet had a talent for working with her hands. Not only was she a talented woodworker, but she was also a wonderful seamstress, able to sew just about anything you put in front of her. Patterns were optional, and rarely ever needed. She put those skills to good use during her time at Aero Drapery, and later working as a seamstress for Queen Anne Drapery. In between those two jobs, she worked alongside her husband Manuel at Biddle Screw Products in Sheridan. This was treated as a test run to see how they would fare working together. Since both parties came away unscathed, they decided to try their hand working side by side once again, this time in a totally different setting: flipping houses. Janet and Manuel began house flipping long before it was the “hot thing” to do in real estate. They enjoyed not only doing the work themselves, but the time it allowed them to spend together.

Family was her everything. Whether it was taking a family camping trip, going fishing, or feeding the entire crew with her amazing Sunday dinners, family was always first and foremost in her mind. However, Janet’s loyalty and devotion always seemed to take a back seat when it came to family game night. There would be no mercy shown and no prizes for second place. Whether it was her weekly Boggle and Upwards games with her daughters and sister, heading out with her sister on Fridays to play Bingo, hitting the casino with Manuel to try and beat the house, or defending her title as the Owens family Scrabble Champion, Janet loved playing games and loved to win. She helped keep her mind sharp and maintain her competitive edge by doing jigsaw puzzles. She also played in a league at Stardust Bowl for many years. Janet also enjoyed going to bazaars and craft fairs.

At the end of the day, family always came first. Janet was a wonderful wife and mother, but grandma was the role she loved most.

Janet is survived by her sons, Fred Owens (Terri), Indianapolis, and Jeff Owens (Beth), Sheridan; daughters, Mary Pratt (Tim), Ingalls, Jany Runion (Rob), Brownsburg, Jodie Brown (Rodney), Plainfield, and Jennifer Clouse (Patrick), Myrtle Beach, S.C.; 11 grandchildren; 19 great-grandchildren; brothers, Jay Sage, Tulsa, Okla., and Tim Sage, Stickleyville, Va.; sister, Trina Smith (Chris), Camby, Ind.; and brother-in-law, Gene Bowen, Stickleyville, Va.

She was preceded in death by her parents; sister, Sharon Bowen; sister-in-law, Lawana Sage; and by the love of her life, her husband, Manuel Lee Owens, on January 6, 2017. She and Manuel were married on May 30, 1963.

Visitation will be held from noon to 2 p.m. on Tuesday, December 8, 2020 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with a private family service to follow.

Burial will take place at Spencer Cemetery in Sheridan. David Rosenthal will be officiating.

Strict COVID precautions will be observed, including the wearing of masks.

### TODAY'S BIBLE READING

*The wrath of God is being revealed from heaven against all the godlessness and wickedness of people, who suppress the truth by their wickedness, since what may be known about God is plain to them, because God has made it plain to them. For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse.*

Romans 1:18-20 (NIV)

### Richard (Rick) A. Lusiak

May 9, 1972 – December 3, 2020

Richard (Rick) A. Lusiak, 48, Westfield, passed away on Thursday, December 3, 2020 at his home after a courageous battle with cancer. He was born on May 9, 1972 to Richard and Myra (Claunch) Lusiak in Park Ridge, Ill.

Rick was the CEO and Founder of BREAKWALL Technology with a 22-year career in the medical device field. He received his Bachelor of Science from Indiana University Bloomington and was an active member of the Delta Chi Fraternity. Rick loved music (Grateful Dead, Dead & Company, Mister Blotto, Robert Randolph and the Family Band to name just a few). He was an avid sports fan with a passion for Chicago Teams (Black Hawks, Cubs and the Bears). Rick was an exceptional golfer, soccer player and a chef.

He is survived by his wife, Abigale Wheat-Lusiak; father, Richard Lusiak; mother- and father-in-law, Barbara and Lawrence Wheat; sister, Kimberly (Chris) Ketcham; sisters-in-law, Heather (Burton) Largura and Gina Bozzelli-Wheat; brother-in-law, Emerson (Shamaine) Wheat; and nieces and nephews, Mirabella and Joseph Largura, Liliana and Alexandra Wheat, and Lacey, Alex and Adam Ketcham.

## Girls basketball 'Hounds win tough game with 'Rocks

By RICHIE HALL

**WESTFIELD** - In a competitive game between two rivals from Sectional 8, visiting Carmel held off a comeback bid by Westfield to win 45-41 Tuesday at The Rock.

The Class 4A No. 3 Greyhounds led by as many as 13 points in the third quarter before the Shamrocks made their first run, then had to hold off a second run in the fourth period. Carmel finally clinched the win when senior Erin Baker made two free throws with 7.2 seconds left in the game.

"Coach (Ginny) Smith does such a good job with them, and they play really hard," said Greyhounds coach Erin Trimpe. "We knew they weren't going to give up and they started putting some good pressure on us. We let it speed us up and frazzle us a little bit."

But Carmel finished the game, and improved its record to 6-1 for the season.

"Still need to work on a couple things to make sure that we put teams away," said Trimpe. "Overall, I was really proud of their effort and the way they played."

The 'Hounds led 11-4 after the first quarter, with Kate Clarke scoring seven points, including a pair of 3-pointers. Carmel's lead hit double digits early in the second period, when Hannah Lach hit a 3 for the opening basket of that quarter.

The Greyhounds maintained a comfortable lead throughout the second period, which ended with them ahead 30-20. Clarke made two free throws and a jumper to put Carmel up 27-17, but Alyssa Crockett answered that with a triple. Bridget Dunn drained a 3 to end the half and get the 'Hounds back up by 10.

Carmel led 35-22 in the third period, and that's when Westfield made its first run, scoring nine straight points. Olivia Robey started it with a layin, Crockett converted a three-point play, then Robey nailed a jumper on a third-chance attempt, after Chesney Tebbe corralled two consecutive offensive rebounds.

Tebbe then made two free throws to cut the Greyhounds' lead to 35-31. Mackenzie Thomas and Clarke both scored to get Carmel back up eight, but Ellie Kelleher hit a 3 to finish the period, and keep the 'Rocks within 39-34.

"I felt like we cleaned it up the second half," said Smith. "Defensively, we were

pretty good."

A free throw from Riley Pennington and another Clarke triple got the Greyhounds back up 43-34. That's when Westfield started its second run. Robey scored on a layin, Jessica Castor hit a 3 and Tebbe made both ends of a 1-and-1, keeping the 'Rocks within 43-41 with 1:31 to play. Neither team would score again until Baker hit her free throws.

"That's a senior move," said Trimpe. "She came in and hit some really big free throws."

Clarke scored 18 points for Carmel, with Dunn adding 13 points. Both made three 3-pointers and Dunn had five blocked shots. Emily Roper led the rebounds with five.

"Kate Clarke and Bridget Dunn, just the duo of them, they did a really good job playing off of each other and leading us and making sure that down the stretch, the ball was in their hands, and the girls on our team will rally around them," said Trimpe.

Crockett scored 12 points for Westfield and collected eight rebounds. Tebbe had five rebounds.

"We're making progress," said Smith, whose Shamrocks team is now 3-2. "We're moving in the right direction. We're five games in. It's nothing for us to hang our heads over. We had some good spurts down the stretch. We're just going to build on that. We got to turn around and play a really good Zionsville team on Friday. We're just going to come back tomorrow, prep, get better and get prepared for Zionsville."

Westfield will host the Eagles for its first Hoosier Crossroads Conference game of the season. The Greyhounds will return home Friday as well, taking on Brownsburg.

## Golden Eagles hold off Greenwood Christian

Guerin Catholic won a close game with Greenwood Christian Academy on Tuesday, 38-36 at the Eagles Nest.

The Golden Eagles got off to a good start, leading 13-6 after the first quarter. Aliyah Dorsey, Katie Koger and Olivia Labus all made a 3-pointer during that period. Dorsey and Koger both hit another triple in the second period, which ended with the Golden Eagles in front 21-15. The Cougars cut Guerun Catholic's lead to 28-26 by the end of the third quarter, but the Golden Eagles were able to hold on in the fourth.

Labus scored 11 points, with Koger adding 10 and Dorsey scoring nine. Kathryn Loso added eight points.

Guerin Catholic is 4-3 and hosts Tri-

West on Friday.

## Royals pick up second straight win

Hamilton Southeastern picked up its second consecutive win on Tuesday, beating Pendleton Heights 56-46 in a home game.

The Class 4A No. 9 Royals outscored the Arabians in each quarter, slowly building their lead throughout the contest. Southeastern led 18-15 after the first period and 28-24 at halftime. The Royals were up 39-33 after three quarters and continued to roll in the fourth period, getting several steals and turning them into baskets; Southeastern totaled 19 steals for the game.

Ryan Viele had a great night, scoring 19 points, including five 3-pointers, and also making four steals. Riley Makalusky

added 10 points. Makayla Hinshaw was solid all around, with nine points, eight steals and six assists. Olivia Brown handed out seven assists; HSE totaled 19 assists for the contest.

The Royals are 6-2 for the season and travel to Avon Friday for a Hoosier Crossroads Conference game.

# Millers get comeback win at Brownsburg

Noblesville made a huge comeback at Brownsburg on Tuesday, rallying to beat the Bulldogs 45-42 and stay unbeaten in Hoosier Crossroads Conference play.

The Millers, back in the Class 4A top 10 rankings at No. 8 this week, led Brownsburg 14-5 after the first quarter. The Bulldogs took over in the middle periods, tying the game at 19-19 by half-time and jumping ahead 34-24 after three quarters. But Noblesville stormed back in the fourth period, outscoring Brownsburg 21-8.

Ashlynn Shade had a phenomenal game, scoring 33 points and making six steals. Shade, Kaitlyn Shoemaker and Brooklyn Ely all had four rebounds; Ely also made a pair of 3-pointers.

The Millers are 2-0 in conference play and 6-1 overall, winners of three straight

games. Noblesville travels to Fishers on Friday for another HCC contest.

# Boys basketball 'Blazers fall to Harrison

The University boys took a step up-class Tuesday night, hosting the Class 4A West Lafayette Harrison Raiders. The 2A No. 9 Trailblazers played the visitors tight for one period before the Raiders pulled away for a 67-48 win.

Mitchell Martin led University with 13 points.Camden Brown had 12 and Larry Pierce 11.

The Blazers led 11-9 late in the first period before Harrison went on a 14-0 run to take control of the game.The Raiders led 29-16 at halftime.

University made a run early in the third quarter to pull within 31-26 behind seven points from Martin and a three pointer from Matt Jones.A Pierce old fashioned three point play kept University within six at 37-31, but Harrison stretched their lead back out to 48-37 after three quarters.

“It was great for us to take on a qual-

ity 4A team like Harrison this early in the season.We played well in stretches but turnovers and some bad defensive stretches cost us a chance to get closer than five or six points” said University coach Brandon Lafferman.“I really liked how we responded in the third quarter. Mitchell Martin had his best game of the season.Harrison is a good team and our lack of experience and youth was on display tonight.”

University is now 2-2 on the season. The Raiders, a 19-7 Sectional runner-up last year, were playing their season opener.

The Trailblazers are scheduled to open PAAC North play Saturday when they host Liberty Christian at The U Center as part of a girls boys varsity double-header.

A boxscore from the game was not available at press time.

# Swimming Millers get sweep of Lawrence North

The Noblesville swim teams swept a dual meet with Lawrence North on Tuesday.

The Millers girls team won 127-56, placing first in all 11 swimming events. Caitlin Marshall and Sammy Huff both had double victories, with Marshall pacing the 200 freestyle and butterfly and Huff taking the individual medley and 100 free.

Other Noblesville winners were Sophie Resner if the 50 free, Claire Yeakey in the 500 free, Caroline Santerre in the backstroke and Maya McDonald in the breaststroke. The Millers won all three relays as well.

In the boys meet, Noblesville won 95-85. The Millers won four events: Liam Westlund was first in the 200 free, Aidan Biddle paced the IM, Mason Snyder won the 500 free, and the Millers finished the meet with a 1-2 sweep of the 400 free relay. Biddle joined Cavan Cameron, Luke Whitlock and Justin DuBois as the winning team in that event.
