Santa parades through all of Fishers in just one week

Photo provided

In these trying times, even a visit to Santa is incredibly difficult. Well, Fishers Parks, Fishers Police Department, and the Fishers Fire Department had you covered. On Thursday, along Harrison Parkway arose such a clatter. Everyone went outside as they were told beforehand what was the matter. Just like earlier in the pandemic, Fishers wanted to do something to make things a little brighter for the community. Back in May, there was a Paw Patrol Parade which visited neighborhoods over a period of a few days. This time, instead of the Paw Patrol, Saint Nick himself was the guest of honor in the latest parade brought to you by the Fishers Parks, Fishers Police Department, and the Fishers Fire Department. The parade has visited neighborhoods all week. Thank you to Fishers Parks, Fishers Police Department and Fishers Fire Department. You brought a little joy into the community.

County Health Administrator Barry McNulty passes away

The REPORTER

The Hamilton County Health Officer and the Hamilton County Health Board have announced the passing of Barry McNulty, Administrator of the Hamilton County Health Department.

McNulty started serving as an Environmental Health Specialist on Oct. 2, 1987, and became the department administrator in 1996. He was a Registered Environmental Health Specialist and served Hamilton County with distinction and respect on numerous advisory boards and associations during his tenure.

Under Mr. McNulty's 33 years of leadership, the Hamilton County Health Department has become one of the most respected local health departments in the State of Indiana.

McNulty

Carmel woman pistol-whipped during robbery

The REPORTER

At 7:35 a.m. Thursday, the Carmel Police Department received a report of a robbery in the 11400 block of Green Street in Carmel.

A female victim had started her car via the key fob from her home to warm it up. The car was parked in the driveway. The victim said that when she walked out to her car to leave for work, she was approached by a Black male dressed in all black carrying a gun. She also said that she noticed a second Black male rummaging through her car.

The suspects stole cash from the center console of the victim's car. The victim was pistol-whipped two to three times by one of the suspects before they fled southbound on Green Street in a white passenger car. The victim was transported to the hospital for treatment of her injuries.

Noblesville Fire Department delivers holiday cheer to 91 families, 261 kids

The REPORTER

On Saturday, Dec. 12, members of the Noblesville Fire Department visited homes across the city providing donations to local families as part of this year's Firefighter's Christmas Food and Toy Drive. This year, the fire department delivered to 91 Noblesville families – including 261 kids and 446 citizens in total.

"It's an honor for the Noblesville Fire Department to deliver food and toys on behalf of the generous citizens and businesses of Noblesville," Noblesville Fire Chief Matt Mitchell said. "The gratitude displayed by the recipients of these gifts is impossible to describe."

The names of families in need are provided to the fire department by the Good Samaritan Network and the Noblesville Township Trustee's Office. Families receive boxes stuffed with various food items and toys for each child.

Photo provided

The names of families in need are provided to the fire department by the Good Samaritan Network and the Noblesville Township Trustee's Office. Families receive boxes stuffed with various food items and toys for each child.

2020 marks the 43rd anniversary since the program started. The fire department partnered with Kroger for food donations and Meijer for toy donations. Donations were accepted at all seven Noblesville fire stations as well as City Hall.

For more information on the

food and toy drive, contact the Noblesville Fire Department at (317) 776-6336. The fire department also is accepting monetary donations for next year's drive (checks are preferred – made payable to the NFD Hamilton County Community Foundation).

Secure online donations may be made through the Central Indiana Community Foundation donor portal at cicf.org/giving/give-now/existing-fund. If making an online donation, please type in "Noblesville Firefighters Fund" under the Fund Name section.

Spartz ready after her election to Congress

It has been a whirlwind five weeks since Election Day, and the more time I've had to reflect, the more humbling it is to have been elected by my fellow Hoosiers to represent them in the People's House.

It's a great honor and important responsibility that I take very seriously, and I am working hard every day to learn about the processes of the House of Representatives, build relationships with my freshmen colleagues from both parties, and assemble a strong team so that I can have a positive impact beginning on day one. From helping Hoosiers navigate the bureaucratic maze of the federal government to contributing to serious policies that make the daily lives of Hoosiers' better, I

VICTORIA SPARTZ
Congresswoman-Elect
Indiana's 5th District

assure you that I am prepared to advocate for you and the people of Indiana's 5th Congressional District.

Congressional orientation

I spent the better part of the last few weeks in Washington for freshman orientation or attending virtual meetings from Indiana. Having served in the State Senate, I have a head start on understanding the legislative process, but there is still much more to tackle from the basics of setting up an office, to building a staff, to advocating for committee assignments and to studying key areas of federal policy and important issues that Congress will take up next year.

I have had the opportunity to get to know many of my freshman colleagues,

Photo provided

and I am impressed by their commitment to changing Washington, by their diverse experiences and most importantly, by

Rapid COVID-19 testing available now at Carmel medical practice

Submitted

Integrative Medicine, Laser & Aesthetics, located at 106th Street and Michigan Road, is now offering COVID-19 antigen testing in its West Carmel office. The FDA-authorized test will provide results of current infections in 15 minutes and costs \$99. Packages are available for families and employers.

Patients must have an appointment to

receive the test, with early morning and evening appointments available. The test is ideal for those with known or suspected exposure, prior to and after traveling or attending a family or social gathering, and for those whose employers require testing before returning to work.

"We want to give our community access to accurate, reliable, low-cost testing," said C.J. Pabla, MD. "Our price for test-

ing is well below what others are charging because we believe that during this time where testing is so critical, we don't want price to be a barrier."

In addition to rapid flu and strep testing, patients can schedule an appointment for COVID-19 antibody testing to determine a past infection from the virus. The FDA-approved test uses a CAP-accredited laboratory and results are received within

48-72 hours.

Patients can have peace of mind knowing that Integrative Medicine, Laser & Aesthetics continues to exceed the recommendations of the CDC for infection control. In addition to wearing masks and limiting the number of patients in the building at any given time, the practice disinfects rooms,

safe for students to learn for the majority of the first semester of this school year. We have also learned to meet many of these upending moments through collaboration, creativity and technology.

The increased use of technology, e-learning, and a variety of digital platforms have provided opportunities to continue to teach, learn and stay connected in new and different ways. In fact, we have found that

teaching and learning has become more personal than ever. Teachers and students are in each other's homes virtually. They get an inside glimpse of each other's world beyond the desk and the computer. Teachers are becoming better acquainted with families. Families are becoming more engaged with their children's learning.

While it has not been perfect, we continuously work to improve the system

to make it more successful for all students. The experiences, successes, and even the setbacks are helping to pave the path forward throughout this tumultuous time. It's still hard but not as hard as it was at the beginning of the semester. Each day gets a little better as we learn from our experiences. We're all learning and after all, isn't that what it's all about?

Speaking of better, I would like to express my

sincere appreciation to our district for the way we have come together to support our students, staff, families and schools. It has made us better and stronger. I also share a note of gratitude for what's possible and for brighter days ahead. I hope that each of you have a wonderful holiday season and winter break and look forward to the start of the second semester on Monday, Jan. 4, 2021!

#WeAreHuskies

ROBBERY

from Page 1

The victim described the suspects as the following:

Suspect 1: Black male, 5-foot-8, early 30s, average build, wearing a black coat, black pants, black shoes and a full-face black ski mask. This suspect was carrying a black handgun.

Suspect 2: Black male, 6-foot, mid to late 20s, skinny, wearing either an orange or red coat and an orange knit hat, possibly wearing

a surgical (COVID) mask. No weapon was observed with this suspect.

The Carmel Police Department is asking for residents near the area of the robbery to check their camera systems for potential video evidence. Please contact Detective Scott Long at (317) 571-2500 or slong@carmel.in.gov if you have any information or potential evidence regarding this robbery.

SPARTZ

their love for our country and commitment to stopping extremism and socialist policies so that we can solve problems and improve the lives of all Americans. I am particularly pleased to join more than fifteen Republican women in the freshman class, and the most diverse class of Republicans in history – demonstrating that the Republican Party is indeed a big tent party with a place for everyone who believes in freedom, prosperity and the rule of law.

Transition

I want to share a brief update on our transition efforts. Our transition team will be announcing some senior hires in my office soon, but we are still accepting resumes for multiple positions in Washington, D.C. and our district. Hoosiers interested in being considered should send a resume and cover letter to resumes@spartzforcongress.com.

[spartzforcongress.com](mailto:resumes@spartzforcongress.com).

I was recently assigned an office in the Longworth House Office Building in Washington, D.C. that will open in January. I will maintain Rep. Brooks' office in Carmel in the short term and continue to look for a new location in Madison County, as well as potential additional district offices.

In the news

This week I joined 25 of my freshman colleagues in writing a letter to Speaker Pelosi calling on the House of Representatives to investigate voting irregularities, machine issues and absentee ballot signature verification requirements being ignored. For the health of our democracy, it is critical that these issues be addressed to ensure all Americans have faith in the integrity of future elections.

Last week I sat down with Fox News to talk about the importance of

newly elected Republicans who've experienced the misery and poverty of socialism firsthand sharing their stories with the American people – particularly younger Americans – to combat the destructive, utopic ideas of socialists in Congress.

I also joined Hugh Hewitt's radio show to talk about the incoming freshman class and the importance of Georgia's Senate runoff races. It's a choice between freedom and government control, and the Senate will determine which way we go for the next two years.

Farewell to

Rep. Susan Brooks

Congresswoman Susan Brooks delivered her farewell address in the House of Representatives last week. You can watch it [here](#). I want to thank Rep. Brooks for her service to our party and our country. It will be

an honor to succeed her in serving the people of Indiana's 5th District. I also want to thank Susan for her friendship and her support during my campaign and this transition.

*Merry Christmas,
Happy Hanukkah and
Happy Holidays*

Last week, my husband Jason and I had the honor of attending the White House Christmas party. Thank you to President Trump and First Lady Melania Trump for having us. The First Lady did a wonderful job decorating the White House for Christmas.

I hope you and your family are staying healthy and safe, and having a joyous Christmas season and Happy Hanukkah.

Victoria Spartz is the Republican Congresswoman-Elect for Indiana's 5th District. She has served as the State Senator for District 20 since 2017. She will assume her new role as U.S. Representative next month.

equipment and common surfaces with commercial antifungals and virucides after each patient and nightly.

For those questioning how to gather for the holidays during cold and flu season and the ongoing pandemic, Integrative, Medicine, Laser & Aesthetics offers services for individuals to prepare if they choose to be around loved ones during holiday celebrations.

• **IV Hydration and Vitamin Infusion** – Boost your immune system with an IV infusion to give your body an immediate lift of nutrients and energy to help fight winter illness. An intravenous infusion will ensure your body gets the full benefits of essential micro-nutrients.

• **Anti-Viral Supplements** – Integrative Med-

icine, Laser & Aesthetics offers a full line of quality supplements including those known to boost your immune system such as Zinc, Vitamin C, Cat's Claw, L-Lysine. Supplements are dispensed through an online catalog, Fullscript, reducing the need to leave your home.

If illness does happen over the holidays, Integrative MLA offers urgent care services for patients looking to skip the long wait times in other crowded urgent care centers. This also decreases the burden on hospitals and other major health centers leaving space for the most critical COVID-19 patients.

To schedule an appointment either virtually or in person, call 800-538-5513 or schedule online at integrativemla.com.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
– Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Individually packaged snacks
- Lysol
- Hand sanitizer
- Disinfecting wipes

CCPR will offer a dozen dance programs this season

The REPORTER

Carmel Clay Parks & Recreation’s (CCPR) [winter/spring program guide](#) is here. It features an assortment of virtual and in-person recreation programs including a dozen dance programs for ages 2-15. CCPR’s goal is to provide recreation opportunities for the community to safely connect, move, and learn. This season, do that through dance.

CCPR offers dance programs led by both internal staff and in partnership with locally-owned [Dance Class Studio](#) and the [International Talent Academy](#). Dance programs are organized by age group.

Parent/child classes

• Young kiddos and their parents can enjoy [Zumbini](#) and [Family Zumba](#) together. Zumbini is also offered

virtually for families to enjoy from home.

Preschool/toddler

• Kiddos can explore ballet, hip hop, or tap dance in preschool/toddler programs. Instructors from Dance Class Studio will introduce these different types of dance and teach participants poise and technique.

Youth

• Youth programs, designed for ages 4-9, are designed for participants to take their dance skills to the next level. The International Talent Academy helps participants explore their creativity on the stage in Main Stage Show Choir and Main Stage Adventure. Dance Class Studio leads participants through dance exploration as they learn the basics of tap, ballet, and jazz techniques in our Dance Combo program.

Tweens + teens

• Tween + teen programs are designed for participants ages 9-15 to learn more advanced techniques or explore new types of dance. The International Talent Academy’s Main Stage Show Choir and Main Stage Musical Theatre incorporate dance skills with theatre, singing, writing, and more. Dance Class Studio’s Hip Hop Dance teaches basic hip hop moves for a fun, upbeat dance experience.

What policies are in place to keep participants safe?

CCPR’s top priority is the safety of its participants and team. To keep everyone safe while continuing to offer recreation programming for the community, CCPR has implemented COVID-related procedures. These include:

- 1. January classes will be

offered virtually only.

- 2. Each room is cleaned before and after each program.

- 3. If program supplies are used, they are cleaned before and after each program.

- 4. Program supplies are not be shared between participants.

- 5. Mask should not be worn in Aquatics, Sports, and Wellness programs unless notified.

- 6. Masks should be worn in Nature, Creative Arts, Enrichment, and Science & Technology, + Senior programs unless notified.

- 7. Physical distancing guidelines should be followed.

How do I register?

Registering for recreation programs is easy. [Click here](#) to get started. You can also register in person at the Monon Community Center.

Troopers increase holiday patrols

The REPORTER

Indiana State Police Pendleton Post announced on Wednesday it will increase patrols during the holiday season, as part of the winter Drive Sober or Get Pulled Over national enforcement mobilization. Now until Jan. 1, officers will show zero tolerance for impaired drivers, whether it’s alcohol or drugs, and will be on the lookout for unbuckled motorists.

The patrols are funded by the National Highway Traffic Safety Administration (NHTSA) through an Indiana Criminal Justice Institute (ICJI) grant.

“Holiday celebrations may look different this year due to the pandemic, but precautions still need to be taken on the road,” said Lieutenant Josh Watson, Commander of the Pendleton Post. “Officers will be out in greater numbers, but it’s going to take everyone working together to keep our roads safe. Drive sober and buckle up this holiday season.”

The holiday season is one of the deadliest times of the year for impaired-driving fatalities. According to NHTSA, during the Christmas and New Year’s Day holiday periods in 2018 alone, there were more drunk-driving-related fatalities (285) than during any other holiday period that year in the U.S. Last December in Indiana, there were 415 alcohol-related crashes, resulting in 105 injuries and 11 fatalities.

In every state, it is illegal to drive with a blood alcohol concentration (BAC) of 0.08 percent or higher. In Indiana, drivers under 21 with a BAC of 0.02 percent or higher are subject to fines and a license suspension for up to one year.

However, impaired

driving includes more than alcohol. Drugs and even some over-the-counter medications can also cause impairment and can slow coordination, judgment and reaction times on the road.

“You can’t drive safely if you’re impaired, whether it’s from drugs, alcohol or prescription medications,” said ICJI Executive Director Devon McDonald. “This has been an extremely difficult year for many families, which is all the more reason to make good decisions before getting behind the wheel.”

To further save lives and prevent traffic fatalities, officers will also be watching for seat belt violations.

According to NHTSA, from 1975 to 2017, seat belts have saved an estimated 374,196 lives. While Indiana’s seat belt usage rate is above the national average of 90.7 percent, more than half of the people who were killed in motor vehicle crashes last year were not buckled up.

“With inclement weather and busier roads this time of year, it’s especially important to buckle up,” said ICJI Traffic Safety Director Robert Duckworth. “We want everyone to have a safe holiday season, and wearing a seat belt is the best way to protect yourself on the road.”

Indiana has a primary seat-belt law, meaning that police officers may ticket unrestrained drivers or passengers, even if no other traffic violation has taken place. Children under eight must be properly restrained in a federally approved child or booster seat.

For safety tips from NHTSA, [click here](#) for impaired driving or [click here](#) for seat belts. To learn more about Indiana State Police, visit [in.gov/isp](#).

DNR Fish & Wildlife receives Excellence in Conservation award

The REPORTER

The Indiana DNR Division of Fish & Wildlife was given this year’s Excellence in Conservation award from the Midwest Association of Fish & Wildlife Agencies for installing native plant habitat at an Indianapolis school.

The annual award recognizes the agency that has shown excellence in conservation through a specific project.

The project recognized was funded through grants from the [Indiana Natural Resources Foundation](#)’s Give Adventure program and [Reconnecting to Our Waterways](#). The goal of the project is to foster a conservation ethic in an underserved Indianapolis community. To achieve this goal, Fish & Wildlife focused on specific activities that took place in 2019, including native habitat installation at Wendell Phillips School 63 (WPS 63),

workforce development, conservation education, and community engagement.

Early last summer, Fish & Wildlife staff worked alongside WPS 63 students and youth as well as young adults participating in [Groundwork Indy](#)’s GroundCorp program in planting approximately 750 plugs in three habitat installations at the school. In addition, the project team developed three bilingual signs that were installed to highlight the front pollinator garden, as well as the wetland pond and monarch waystation behind the school.

In July, the project team worked with staff across DNR to host a workforce development day for Groundwork Indy at Atterbury Fish & Wildlife Area. Twenty-six Groundwork Indy youth and young adults participated in the event, where

they experienced fishing and attended an information session about potential future careers with DNR and in natural resources fields.

Before the 2019-20 school year, Fish & Wildlife’s education outreach specialist conducted a [Project WILD](#) educator workshop with 55 teachers to introduce them to the school’s habitat installations and provide training to incorporate the habitat installations into curriculum.

The project culminated in a community festival event at Reverend Moxel Sanders Park in Indianapolis in September 2019. The project team worked together with partners and other Fish & Wildlife staff to host booths around the park focused on topic-specific activities, including pollinators, wildlife tracks, watersheds, archery, fishing, and macroinvertebrates

and water quality.

“Through a variety of experiences, this team and our partners helped to deepen people’s connection to nature and conservation,” said Angie Haywood, Fish & Wildlife’s assistant director of planning and public engagement. “The project required a great deal of coordination and effort, and we are so proud of the results. We are excited to continue our work with these partners in the future.”

Although the primary grant activities have concluded, Fish & Wildlife staff continue to work with Groundwork Indy youth and young adults to maintain WPS 63’s pollinator habitat.

Turkey Run State Park to hold guided ice hikes in new year

The REPORTER

Experience Turkey Run State Park’s canyons in a new way with guided ice hikes on Saturdays in January and February. Participants will be led through either Rocky Hollow, Bear Hollow, or Gypsy Gulch, depending on the date.

All ice hikes require advance registration. Boot spikes, which allow for safer hiking on ice and snow than boots alone, will be provided for participants. Those wishing to join must wear the boots and be able to lift both legs to a 90-degree angle.

All ice hikes are subject to change due to weather conditions. Depending on the weather, routes may be changed, and spikes may not be necessary. Face coverings are required.

Register by contacting the Turkey Run State Park Nature Center at (765) 597-2635 or [adouglass@dnr.IN.gov](#).

Boot spikes can also be rented from the park’s Nature Center for individual hikes for \$5 a day. The center is open from 10 a.m. to 4 p.m. every day, and a naturalist will be available to assist guests in getting the boot spikes on properly.

Standard park entrance fees of \$7 per in-state vehicle and \$9 per out-of-state vehicle may apply.

Turkey Run State Park is at 8121 E. Park Road, Marshall.

Applications open for Songbook Academy 2021

The REPORTER

U.S. high school singers with interests in musical theater, jazz and classic popular music can apply now to experience a life-changing week of performances, pre-professional training and personal mentoring from Broadway stars and other arts and entertainment professionals.

The Great American Songbook Foundation has opened the application process for its 12th annual Songbook Academy national music intensive, taking place July 17-24, 2021, at the Foundation's home, the Center for the Performing Arts in Carmel. Candidates may apply at getacceptd.com/songbookacademy.

Only 40 students nationwide are selected each year to experience a lively and rigorous schedule of workshops and masterclasses on topics such as vocal technique, vocal health, song interpretation, phrasing, stage presence, music history, business concerns and auditioning for college arts programs. Participants build relationships with peers and pros, perform before live audi-

ences and join the Songbook Academy Alumni Network to stay connected and informed about college programs, auditions and performance opportunities.

Heading up the roster of professional mentors, as always, will be Songbook Foundation Founder Michael Feinstein, the five-time Grammy-nominated "Ambassador of the Great American Songbook." The 2021 guest mentors are still to be announced; last year's included Postmodern Jukebox founder Scott Bradlee, Tony and Grammy nominee Ashley Park, Tony winner Faith Prince and nine-time Grammy winner Janis Siegel of The Manhattan Transfer.

The week culminates in the Songbook Academy Finals, a performance presented by the Center for the Performing Arts in the 1,600-seat Palladium concert hall. Awards are presented for excellence in several categories, and many finalists receive national performance opportunities. The Songbook Academy is sponsored nationally by the Efroymsen Family Fund.

Songbook Academy

alumni include Maddie Baillio (2014), who appeared in NBC's *Hairspray Live!* and Netflix's *Dumplin'* and joins an all-star cast in the upcoming film adaptation of *Cinderella*; Anaïs Reno (2018), who has performed at Birdland and Feinstein's/54 Below in Manhattan and recently was profiled in the *New York Times* among "the next generation of cabaret showstoppers"; and Melinda Rodriguez (2013) and Julia Cooper (2016), who have competed in recent seasons of NBC's *The Voice*.

Because of public health concerns, Songbook Academy moved to a virtual format in 2020. With similar contingency plans at the ready, the Foundation intends to offer the 2021 program on-site at the Center for the Performing Arts' three-venue campus, Executive Director Christopher Lewis said.

"Although we missed gathering in person last summer, the feedback from the finalists and their families was as positive as ever, and the performances reached wider audiences than ever before," Lewis said. "We'll be monitoring

the developments, but we are confident that we can provide an unforgettable experience regardless of the circumstances."

How to apply

To be considered for the Songbook Academy, high school students living in the United States are invited to submit videos with performances of two contrasting songs. These selections can include songs from the Broadway stage and the golden age of Hollywood as well as jazz standards written from the 1920s to the 1960s. Submissions are evaluated by a panel of music educators and industry professionals who provide written feedback to every applicant.

The application deadline is March 15, 2021, with an early-bird discount available through Feb. 15. Need-based scholarships, fee waivers and other financial-aid opportunities are available.

More details and application information are available at TheSongbook.org/SongbookAcademy or by email at SongbookAcademy@TheSongbook.org.

Letter to the Editor

Briggs: This was a tainted election

Dear Editor:

Our president gave an eloquent 46-minute speech on Dec. 2. He was sincerely pleading to the American people about the situation at hand and the consequences of this very tainted election.

In the beginning, he explained how he has been attacked continuously since his inauguration with the Russia collusion, the \$48 million Muller report, and the false impeachment scenario and was found innocent of the crimes.

His main purpose of this speech was focusing on the 2020 election fraud. Our president was ahead in the race around 10 p.m., but in the wee hours the numbers changed. Models showed the jump for Biden in Michigan at 6:31 a.m. and in Wisconsin at 3:42 a.m.

It was found that Republican poll observers were also abused and even forced out of the counting rooms while the fraud was happening. The state of Georgia lied about a busted water pipe and shooed everyone out of the counting room except for four women who pulled out suitcases hidden under the tables and proceeded to add the illegal ballots with no observers.

In other states ballot harvesting was evident. There were mail-in ballots coming from commercial addresses, voting by dead persons, voting with the same person's name over and over, opened unfolded ballots that were fed into the machines more than once, no signature checks, and a Dominion machine that was programmed to flip Trump votes for Biden.

Where did these ballots come from and who delivered them at the last moment? Who are the someones who made the decision to cheat all Americans in this election?

This election is so corrupt, and the many who are involved in its corruption are jeopardizing the security of our nation and disenfranchising the votes of all voters, whether you voted for Trump or Biden. When you take an election away from the American people, you allow the voice of freedom to die.

Sheridan

Letter to the Editor

See Shaffer wax poetic

Dear Editor:

In this not-so-festive, governmentally locked-down Yuletide Season, the mayor of Carmel comes up with a \$125 million addition to the city's \$1.6 billion debt.

He's asking the city council to limber up their rubber stamps and add to the \$215 million in principal and interest added already this year.

His terrific, tone-deaf, arbitrary Season's Greeting inspired the following summation:

*'Twas the week before Christmas,
And all through the town,
The debt-burdened non-mayors
Got the real run-around.
The Council was busy
And hoping the non-mayors
Were busy, not looking.*

How many Carmel youngsters will find fewer gifts because of that lockdown is unsure. We do know their future already is mortgaged and Mayor Grinch just added to the burden.

Carmel

AG Curtis Hill sues Google over monopolistic advertising practices

The REPORTER

Indiana Attorney General Curtis Hill on Wednesday joined nine other attorneys general in filing a lawsuit against Google for multiple violations of federal and state antitrust laws in connection with its multiple roles in the multibillion-dollar online display advertising industry.

The lawsuit alleges that Google monopolized — or attempted to monopolize — products and services used by advertisers and publishers in online display advertising. These anticompetitive practices demonstrably harmed publishers' abilities to monetize content, increased advertisers' costs to advertise and directly harmed consumers. The

complaint also alleges that some of Google's business tactics are misleading.

In October, Hill joined a federal antitrust lawsuit against Google. Both lawsuits aim to limit Google's monopolistic business practices in various online markets.

"It is time for Google's reign as an untouchable tech monopoly to come to an end," Hill said. "Google's anticompetitive online advertising practices harm everyone who isn't Google, and we must do everything we can to level the playing field."

Google's monopo-

zation of online display advertising includes an anticompetitive agreement with Facebook and suppressing competition in multiple relevant markets by a variety of other

means, all of which harms consumers in violation of the antitrust laws, the attorneys general allege. In addition to representing both the buyers and sellers of online display advertising, Google competes directly against the buyers and sellers it separately represents, all while operating the largest exchange of those buyers and sellers.

Click here to read the

redacted complaint against Google, led by Texas Attorney General Ken Paxton.

TODAY'S BIBLE READING

What advantage, then, is there in being a Jew, or what value is there in circumcision? Much in every way! First of all, the Jews have been entrusted with the very words of God. What if some were unfaithful? Will their unfaithfulness nullify God's faithfulness? Not at all! Let God be true, and every human being a liar. As it is written: "So that you may be proved right when you speak and prevail when you judge." But if our unrighteousness brings out God's righteousness more clearly, what shall we say? That God is unjust in bringing his wrath on us? (I am using a human argument.) Certainly not! If that were so, how could God judge the world? Someone might argue, "If my falsehood enhances God's truthfulness and so increases his glory, why am I still condemned as a sinner?" Why not say—as some slanderously claim that we say—"Let us do evil that good may result"? Their condemnation is just!

Paula J. Schnepf

June 15, 1954 – December 8, 2020

Paula J. Schnepf, 66, Carmel, passed away December 8, 2020 at McGivney Health Care Center in Carmel.

She was born June 15, 1954 in Indianapolis to Harley Robert and Mary Joan (Hartley) Schnepf. She attended Indianapolis Public Schools and graduated from Southport High School with the Class of 1972. She furthered her education at IUPUI.

She first went to work on the assembly line at Ford Motor Company in Indianapolis. Tiring of that and being a trail blazer for women of her era, she joined the Carpenters Union and went to work doing heavy construction that included large and tall office buildings in Central Indiana. She then worked there and later became a co-manager of the New Orleans House, an elegant seafood restaurant in Indianapolis. She later owned and managed her own restaurant in Carmel. Lastly, she was the office manager for a medical office.

Her family roots were of farming background and she followed their lead by loving to be outdoors. She liked to walk, hike and ride horses. She also enjoyed boating and water skiing. In December she sold Christmas trees and in the fall she sold mums, pumpkins and bales of straw that she got at her families' farms near Arcadia.

Paula was good-hearted and loved helping others. In working with people in the medical office she encouraged and worked with many to take needed supplements to improve their health. She loved her family and greatly enjoyed their gatherings at her sister's home in Nashville, Ind.

Surviving her is a son, Mikhael James Pfister, Milwaukee, Wis.; daughter, Dr. Krystle (Dr. Gregory) Roberts, Indianapolis; brother, Matthew Kyle Schnepf, Indianapolis; sisters, Linda Kay Teal, Nashville, Ind., and Kathi Ann Piergies, Pepper Pike, Ohio.

She is preceded in death by her parents, Robert and Mary Joan (Hartley) Schnepf; and a brother, Guy Brian Schnepf.

Private funeral services were held recently at Hartley Funeral Home Cicero Chapel with burial following at Arcadia Cemetery at Arcadia. You may send condolences at hartleyfuneralhome.com.

THE HAMILTON
COUNTY REPORTER

Bonnie Lou Robinette

May 16, 1949 – December 15, 2020

Bonnie Lou Robinette, 71, Noblesville, passed away peacefully on Tuesday, December 15, 2020 at her home surrounded by the family she so deeply cherished.

Bonnie was born on May 16, 1949 to Paul and Dora (Garrison) Allison in New Castle, Ind. She graduated from Highland High School in Anderson in 1967. There she met her high school sweetheart and husband of 52 years, DuWayne. Bonnie and DuWayne made their home in Anderson where they raised two children. Inspired by her faith, Bonnie served as an administrative assistant at Faith Church for 26 years and ministered to countless people through prayer, words of wisdom, and her luminous presence. Bonnie and DuWayne moved to Noblesville in 2002 where she worked as a preschool teacher at Legacy Christian School for eight years. They attended Northview Church in Noblesville where Bonnie was active in a women's Bible study.

A woman of deep prayer and passionate faith, Bonnie radiated God's pure love to all she encountered. Whether among her family, her friends, her church community, or her precious students, Bonnie's warmth and generosity of spirit drew others into an inclusive and affirming presence. Her intuitive spirit often attracted her to strangers, to pray for them or offer a gesture of loving care when she sensed they needed it. As sweet as "Bon Bon" was, she was also tenacious. A fierce competitor on the tennis court, she exuded a courageous spirit in all circumstances, including during times of extended health challenges. She adored her husband, as her husband adored her, and together they inspired others in the vocation of marriage and family. Other than her home, her favorite place in the world was Mackinac Island, where she visited nearly every year with family and friends. She especially loved riding her bike around the island and soaking in the sun on the beach or a cozy porch. She often spoke of "freedom" and of "enjoying the journey," and her zest for life, just as her love for others, was infectious. Her deepest wish was a life of faith for her children and grandchildren, and so it was fitting that they were all gathered around her, reading scripture, singing a hymn, and holding her hands as she passed on to her heavenly Father.

She is survived by her husband, DuWayne Robinette; son and daughter, Brian Robinette and Melissa Kelley; daughter- and son-in-law, Krista Robinette and David Kelley; grandchildren, Trevor and Austin Robinette, Anna and Sarah Kelley; brother, Gary Allison (Donna); sisters-in-law, Carol Wentz (Eldon) and Pam Looper (Doug); nephews, Greg Allison, Nathan Hubbell and Dustin Looper; nieces, Dawn (Allison) Diaz, Angela Hubbell, Taylor (Wentz) Burdekin and Autumn (Looper) Gasior.

In addition to her parents, she was preceded in death by her son, Michael, in miscarriage.

A memorial service will be held at a later time. The Robinette Family has entrusted Randall & Roberts Funeral Home with Bonnie's care.

Memorial contributions may be made to Give Hope 2 Kids, P.O. Box 221, Waconia, MN 55387 or givehope-2kids.org.

Boys basketball

Royals run away with Mudsock game

By RICHIE HALL
FISHERS - Even during a basketball season with fan restrictions, quarantines and interrupted schedules, some things aren't changing.

A good example of this is the Mudsock boys basketball game, which took place Friday when Hamilton Southeastern visited Fishers. While some things were different, such as a drastically reduced crowd at the Tiger Den due to those restrictions, the emotion of the game was still the same.

The Royals rode that emotion into a big win. Despite being down for a good portion of the first half, Southeastern turned things around by the second quarter and went on to a 65-51 victory over the Class 4A No. 10 Tigers.

"That was the biggest thing that we keep harping on with our guys: The way that we were resilient, kept fighting back and never give up," said Royals coach Brian Satterfield. "The one thing that we love about our kids, they get out there and they compete every day."

Fishers hadn't played a game since Dec. 1, but showed no signs of rust in the first quarter. The Tigers skipped off to an 11-2 lead; HSE's Vinny Buccilla scored the first basket of the game before Fishers ran off 11 straight points. Lucas Prewitt hit a 3-pointer, Jeffrey Simmons and Bryce Williams both made three-point plays, then Simmons scored again on a layin.

Simmons then nailed two more triples in the latter part of the quarter, helping the Tigers to a 21-11 lead. Buccilla made a pair of free throws and Alex Totton scored the last basket of the period to get HSE within 21-15, then Loudon Sundling opened the second with a layin.

Williams made a rare four-point play, making the free throw while being fouled in the act of hitting a 3-pointer, early in the second quarter. Simmons made two foul shots a minute later, and Fishers led 29-19.

That's when the Royals made their

Photo by Joshua Herd

Hamilton Southeastern's Sam Jacobs (24) was one of four Royals players in double figures during their 65-51 win over Fishers Friday at the Tiger Den. Pictured for the Tigers is Lucas Prewitt (34).

first big run, a 13-0 stretch to take a 32-31 lead with under three minutes remaining in the half. Isaac Bowman drained a pair of 3s, and Buccilla added five points. Southeastern then hung on to the lead until halftime, which saw the Royals ahead 38-36. Williams hit a 3-pointer to keep the Tigers within two.

"They came out and they were out-hustling and winning those 50/50 balls early on and that's what allowed them

to get that lead," said Satterfield. "They were moving the basketball and hitting the open look. I think after that, especially in that second quarter, we started winning those 50/50 balls, were getting the rebounds."

Fishers' Drew Turner opened the second half with a putback to tie the game at 38-38. But Southeastern embarked on another run, this one a 15-3 run that took up most of the third quarter. Buccilla had

six points during that stretch, and Sam Jacobs threw in a 3.

A basket by John McCall finished the period and gave the Royals a 55-44 lead heading into the fourth. McCall scored the first point of that quarter on a free throw, and from that point forward, HSE kept its lead between 12 and 16 points. Jacobs added six more points and Dalton Retzner made a dunk.

Buccilla led the Royals with 18 points, while Totton, Jacobs and McCall each scored 11. Buccilla handed out eight assists and collected six rebounds, with Totton pulling five rebounds and making four steals. Jacobs blocked two shots.

Simmons scored 20 points for the Tigers, followed by Williams with 14. Simmons led the rebounding with eight, Charlie Smith collected six and Lucas Prewitt had five. Simmons made six steals and Prewitt had two blocks.

"For the first time all year, we got a team that could play with us that, we punched them in the mouth first, got a big lead, but with good teams, there's always going to be another run," said Tigers coach Garrett Winegar. "They're going to come back. And we didn't respond to that well. I thought the emotion of the HSE game, of the Mudsock game, got the better of a lot of our guys."

Southeastern improved to 3-2 and will host Brebeuf Jesuit on Tuesday. Fishers is 2-1 and also plays on Tuesday, traveling to Lawrence North.

Almost a triple-double for Braden Smith...

'Rocks get big Senior Night win

Reporter photo by Kent Graham
Westfield senior Matthew Penley scored 11 points for the Shamrocks in their 97-66 win over Bowman Academy Friday.

Westfield celebrated its Senior Night in great fashion Friday night, with a 97-66 win over Bowman Academy at The Rock.

The Class 4A No. 7 Shamrocks were in control from the beginning and outscored the Eagles in each of the four quarters. Westfield led 26-12 after the first period and 50-27 at halftime.

Braden Smith had another sensational game, throwing in five 3-pointers on his way to 26 points. The junior, who is getting notice from multiple Division I schools, came close to a triple-double as he also had nine rebounds and nine assists.

Cam Haffner added 23 points, including three triples. Matthew Penley, one of the seniors honored by Westfield, added 11 points and collected seven rebounds. Another senior, Luke VanDyke had seven points and six rebounds. The other two seniors on the team, Benji Welch and Luke Naas, added eight and six points respectively.

Westfield is still unbeaten for the sea-

son at 4-0. The Shamrocks play at Tipton tonight.

Double-double for Kaleb Edwards . . .

Golden Eagles win at Berry Bowl

Guerin Catholic finished up its road trip with a 55-47 win over Logansport Friday night at the Berry Bowl.

The Golden Eagles got on top of the Berries early, leading 21-5 after the first quarter. Logansport played more even with Guerin Catholic in the other three periods, but the Golden Eagles were able to stay comfortably ahead, leading 32-19 at halftime and 45-31 after three quarters.

Kaleb Edwards had an outstanding game, earning a double-double with 15 points and 14 rebounds. Edwards also had two 3-pointers for the game.

Joseph Bobilya added 11 points and Matthew Gillis contributed 10 points. Will Grissom scored eight points. GC had a highly-efficient shooting night, making 23 of 42 field goals, or 55 percent.

Guerin Catholic is 4-1 and returns home to the Eagles Nest tonight to play Pendleton Heights.

Career-high for Camden Brown . . .

'Blazers roll past Pendleton Heights

Camden Brown scored a career-high 31 points and had 11 rebounds as the Class 2A No. 13 University boys rolled to a 64-45 win at Pendleton Heights.

Larry Pierce also had a double-double for the Trailblazers with 16 points and 10 rebounds as University won for the fourth time in six games this season.

Brown scored the first six points of the game as University never trailed in the game. The 6-6 senior was 10 for 12 from the field and 11 for 12 at the foul line on the night. "Brown was fantastic and as efficient as you can hope for from the field and the line," said University coach Brandon Lafferman. "I can't remember a 30-point performance for a Blazer team the past four to five years. His hard work in the off season really showed tonight."

"This was an outstanding road win for our program tonight," Lafferman continued. "Our team defensive effort was really solid tonight and we got great minutes

from our bench. We are excited to step back out on the floor at home tomorrow night and try to keep our first winning streak of the season going."

After Brown put University in front 8-3, Mitchell Martin added a free throw and Pierce hit a pair of three pointers, including a buzzer-beater to give the Trailblazers a 15-6 lead after one.

Brown had eight of University's first 10 points in the second quarter to help build the lead to 26-10. Matt Jones hit a three pointer and Pierce added a rebound basket and another bucket in the dying seconds of the quarter to propel University to a 33-16 halftime lead.

The Arabians made a run in the third quarter behind the hot shooting of Zion Cook, who scored 15 points in the period, including a four-point play. Pendleton Heights could get no closer than 11 as Brown kept coming up with clutch points, scoring 10 more points in the third

and University led 46-33 after three periods.

University scored 10 of the first 12 points of the fourth quarter to put the game out of reach. Brown had the first basket before Pierce hit a three-point basket and came back with four straight free throws. Kasey Ash-Simpson made two foul shots for a 56-37 lead midway through the quarter.

Martin and Ash-Simpson each finished with 7 points. Jamison Dunham led the Arabians with 18 points while Cook had 15, all in the third quarter.

The Trailblazers took care of the basketball, committing just six turnovers and allowed no points off the miscues. University scored nine points off nine Pendleton Heights turnovers.

University will attempt to win their third game in a row Saturday night when they host Traders Point Christian Academy at The U Center. The Knights will

enter the game with a 1-3 record after a double overtime loss to Eminence on Friday night.

Double-double for Brian Waddell...

'Hounds stay perfect with win at NC

Carmel kept its perfect season going on Friday with a 56-49 Metropolitan Conference win at North Central.

The Class 4A No. 2 Greyhounds took control right away, leading 15-4 after the first quarter. Carmel extended its lead to 31-17 by halftime. The Panthers chipped away at the Greyhounds' lead during the second half, but Carmel was able to stay comfortably ahead.

Brian Waddell had another fantastic night, scoring 20 points and pulling 12 rebounds to earn a double-double. Peter Suder added 14 points and was all over the stat line with five rebounds, four assists and two blocked shots. Josh Whack, Bryce Beery and Nick Frische each collected four rebounds.

Carmel is 2-0 in MIC play and 5-0 overall. The Greyhounds go on the road

tonight for a game at New Albany.

Girls basketball

Carmel falls to Panthers

The Carmel girls basketball team dropped a battle of top-five Class 4A teams on Friday, as the No. 4 Greyhounds lost to No. 2 North Central 48-36 in a Metropolitan Conference game at the Eric Clark Activity Center.

The Panthers led 14-10 after the first quarter and 21-17 at halftime. Kate Clarke led Carmel with 18 points, while Riley Pennington collected eight rebounds.

Emily Roper had six rebounds and Hannah Lach scored eight points and pulled four rebounds. Clarke and Lach each had two 3-pointers.

The Greyhounds are 1-2 in MIC play and 6-3 overall. Carmel will travel to Portage today for a 4 p.m. game.
