Godby pens autobiography “Living the American Dream”

The REPORTER

1960 Sheridan High School graduate, Jim Godby, has accomplished a lot in his life including a stand-out athletic career, Purdue University graduate with distinction, Vietnam War veteran, philanthropist, and a local entrepreneur who grew a small-town Sheridan business into a Central Indiana multi-outlet furniture business.

Now, Godby can add author to his resume.

Living the American Dream, a 100-page autobiography loaded with Sheridan history, tells the story of how Godby grew his business from scratch, beginning with a small store in Sheridan, to the current family-owned operation with locations in Avon, Carmel and Noblesville/Fishers.

Copies of Godby's book can be purchased by visiting the new Sheridan Historical Society at 315 S. Main St., Sheridan, on any Tuesday or Friday afternoon from 1 to 4 p.m.

The cost of the book is \$20. All proceeds are being donated to the Sheridan Historical Society, reflecting on the fact that that the Sheridan community has been a favorite charity of Jim Godby and his family for years.

Local politics in a non-election year

The year 2021 is a year without elections. Some may say “thank goodness.” Others may ask what are the politicians to do in such a year?

Well, there will be politics, just not election politics. This is the year that political parties hold reorganization of their party leadership, also known as central committees.

In Hamilton County, Republican Chairwoman Laura Campbell and Democrat Chairman Joe Weingarten will be up for election this year. The reorganization meetings will be held on March 6 with all of the county's 221 precinct committeemen and their vice committeemen of each party eligible to vote.

The gatherings will also choose vice chairmen, secretaries and treasurers of their respective parties for the next four years. In past years these conclaves have produced some stormy competition.

Four years ago, Pete Peterson of Fishers was first elected GOP chief, but his election was ruled invalid by the GOP State Committee because a number of committeemen had been appointed too late to be considered legitimate.

His opponent, Mrs. Campbell, was found to be the properly elected chairman.

Weingarten was elected unopposed by Democrats as a new chairman replacing

FRED SWIFT
The County Line

Keith Clock. Weingarten promised to rebuild the party structure, which had not succeeded in electing a local Democrat in years.

It seems likely Mrs. Campbell will seek re-election this year. It is possible, but not certain, that a contest may develop for the chairmanship. A Fishers faction of the GOP is the most likely to field a candidate if any emerges.

Weingarten says he will probably not seek re-election. Democrats may well have a contest en route to choosing a new party chief. Weingarten says names have been mentioned, but he does not wish to reveal them.

Party chairmen lead local election campaigns and raise funds for their candidates' campaigns. They may have considerable, if not always visible, influence in local and state government. A Republican governor, for example, may rely on a county chairman for advice when considering an appointment of a resident of the chairman's county.

A county chairman can sometimes be helpful to a candidate in a primary election by advising party workers of his or her preference. In this county, however, both parties have avoided anything that could be considered endorsing of candidates by party leadership.

Fishers unveils plan to keep Gray Eagle golf course, new residential development

By LARRY LANNAN
LarryInFishers.com

It was August of 2018 when the announcement was made that the Gray Eagle Golf Course in Fishers would close. It did not close as was scheduled, but the future of the course has been uncertain.

Fishers city officials announced Tuesday the Gray Eagle Golf Course will remain open with an age-targeted 55-years-of-age-and-older multi-family development south of the Gray Eagle Clubhouse. The plan includes upgrades to the Clubhouse and improvements to the Golf Course, while also preserving the current greenspace.

The city says these improvements will not impact Gray Eagle Homeowners

Association dues.

The agreement was reached by the city of Fishers, the Gray Eagle Homeowners Association, and JC Hart.

“We’ve been in discussions for over two years to ensure the long-term sustainability of this area, including preservation of the golf club, and I believe this is a viable solution to achieve that goal,” said Fishers Mayor Scott Fadenness in a city news release.

A land rezoning will be required and an economic development component will be a part of this planned development. The city said in the release only that the economic development part of the plan “is anticipated to be presented to the City Council in the near future.”

County corrections officers earn national jail officer certification

The REPORTER

Hamilton County Correctional Officers Dalton Ballard, Matthew Coleman, Travis Dunn, Christopher Rairdon, Jessica Spray, Austin Moore, Henry Stevens, Sean Bauer, and Derek Hartle recently received the national designation of Certified Jail Officer (CJO) by the authority of the American Jail Association through the Jail Manager Certification Commission.

This certification is granted upon the successful completion of a background application and an intensive three-hour examination jointly prepared by the American Jail Association and the Jail Manager Certification Commission. Certification in the jail operations is a demonstration of competency and professionalism in the field. It documents the mastery of a strong level of knowledge in the specialty and demonstrates continuing education and growth. These officers have

not only shown a desire for growth but are also responsible for leading the next generation of correctional officers for Hamilton County.

The American Jail Association is a national, nonprofit, educational organization delivering professional development, personal certification, and advocacy services to correctional personnel at all ranks and operational levels working in the country's more than 3,200 jails and detention facilities. It is the only association's Board of Directors; the five-member commission administers the Certified Jail Manager program, in addition to the Certified Jail Officer program, sets policy, and assures the two programs reflect the changing needs of the profession.

"I am proud of these officers for their accomplishments and honored to serve as their commander," said Hamilton County Jail Commander Captain Josh Carey.

Carmel actor tapped to host Nickelodeon's new preschool show

Submitted

Carmel resident Emmanuel Carter is the host of a new preschool show on Nickelodeon's interactive learning channel, Noggin. The show, *Noggin Knows*, has Carter as the fun-loving teacher who uses dancing and singing to get preschoolers up and moving, while they are learning in a classroom that includes some of their favorite characters like Molly from *Bubble Guppies*, Rubble and Skye from *Paw Patrol*, and Santiago from *Santiago of the Seas*.

2020 was a rough year for everyone, including hard-working parents who suddenly found themselves in the unexpected role of teacher, and not enough hours in the day. *Noggin Knows* was created to be an educational supplement to regular learning, and Carter, the father of two young children, understood the importance of a quality educational show for children that engages them.

His love of learning fills his classroom, known as the nook, with opportunities for kids to answer questions, dance, and sing along with Carter and some of their favorite Nickelodeon characters.

Carter is a lifelong resident of Indiana. Staying true to his vision, he tuned out everyone who told him that it could not be done from the Midwest and continued to pursue his dream of acting and filmmaking from his home state. The result? One of the world's largest producers of entertainment content, ViacomCBS, chose him to be the host of *Noggin Knows*, and came to Indianapolis to film.

After his audition, Carter was also given the opportunity to write all the music he would be performing during the episodes. A proponent of uti-

Carter

lizing local talent whenever possible, he teamed up with Indianapolis dancer and music producer, Austin "Sirlimitless" Day, to produce the show's upbeat music that will have you on your feet and dancing with your kids and singing along with them to the catchy lyrics.

Carter has persevered in his journey and brought success to Indiana instead of having to go to Hollywood or Atlanta or other popular film locations to get it – and he was able to accomplish this during a pandemic. Even outside his *Noggin Knows* classroom, Carter is teaching everyone to close their eyes and ears to the negativity that tells them something cannot be done, and instead to believe in themselves and work hard to achieve their dreams, no matter where they live.

Advocating for Victims of Crime and Abuse
www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

Bobby Ray Sharp

March 26, 1950 – January 13, 2021

Bobby Ray Sharp, 70, Sheridan, was called home by his Lord on January 13, 2021, surrounded by his loving family. Bobby was born on March 26, 1950 to the late Charles and Lorene (Thomas) Sharp in Jonesboro, Ark.

Bobby learned the value of a hard day's work from his father, which led him to start and operate Sharp's Roofing Company. He soon began building his business, providing hard work and integrity. Clients knew they could trust Bobby to take care of their construction needs. When he was not working, he was spending time with his family.

Bobby and Marilyn would travel to different places to use their metal detector. The two of them have logged many miles together, just talking and spending time with one another. They found some interesting things over the years. Bobby was an avid outdoorsman. He looked forward to hunting season every year as well as trapping and fishing. He shared his love for the outdoors with his grandchildren; he especially liked to take them fishing. He also taught them the art of telling a good fish story. Bobby loved listening to country and gospel music. He also played the guitar; his family would enjoy listening to him play. Bobby loved his grandchildren; he could not wait to see them to play a good game of euchre.

Bobby was a loving father to Tina M (Jeffrey) Burk, Sheridan, and Julie A. (Michael) Pettigrew, Kirklin. Bobby was a proud and loving grandfather to Jeremy W. Garst, Sheridan, Wesley D. Garst (Jenny), Lebanon, Caleb M. Pettigrew (Kaylee), Kirklin, Natasha M. Burk, Sheridan, and Hunter R. Pettigrew, Noblesville. He was a great-grandfather to Dylan W. Garst, Alexandria, Fletcher White, Lebanon, Lillian White, Lebanon, Colton M. Pettigrew, Kirklin, Bennett Jacks, Fortville, and Oliver Garst, Lebanon. He was a proud brother to Eldon (Becky) Sharp of Illinois, Kenny (Robin) Sharp of Illinois, Erma Lee Reid of Arkansas, Paul Sharp of Ohio, and David (Stacy) Sharp of Illinois, along with several nieces and nephews. Preceding Bobby in death are his parents; brother, Charles Sharp Jr.; and sister-in-law, Helen Sharp.

Graveside services will be private. Bobby's family would like to thank everyone for their thoughts and prayers. Everyone is invited to sign the online guestbook, leave a condolence, or share a memory at fisherfunerals.com. Fisher Family Funeral Services is honored to serve the Sharp Family.

TODAY'S BIBLE READING

Once I was alive apart from the law; but when the commandment came, sin sprang to life and I died. I found that the very commandment that was intended to bring life actually brought death. For sin, seizing the opportunity afforded by the commandment, deceived me, and through the commandment put me to death. So then, the law is holy, and the commandment is holy, righteous and good. Did that which is good, then, become death to me? By no means! Nevertheless, in order that sin might be recognized as sin, it used what is good to bring about my death, so that through the commandment sin might become utterly sinful. We know that the law is spiritual; but I am unspiritual, sold as a slave to sin. I do not understand what I do. For what I want to do I do not do, but what I hate I do. And if I do what I do not want to do, I agree that the law is good. As it is, it is no longer I myself who do it, but it is sin living in me. For I know that good itself does not dwell in me, that is, in my sinful nature. For I have the desire to do what is good, but I cannot carry it out. For I do not do the good I want to do, but the evil I do not want to do—this I keep on doing. Now if I do what I do not want to do, it is no longer I who do it, but it is sin living in me that does it.

Girls basketball

Sheridan splits home conference games

The Sheridan girls basketball team's sprint to the sectional continued early this week with back-to-back Hoosier Heartland Conference games at Larry Hobbs Gym.

On Monday, the Blackhawks cruised past Eastern 48-31, keeping them undefeated in HHC play. But that unbeaten conference run ended on Tuesday, when Sheridan ran into a very good Clinton Prairie team. The Class 2A No. 8 Gophers overwhelmed the 'Hawks 53-22.

Sheridan was in control from the beginning Monday against the Comets, leading 15-5 after the first quarter and 28-12 at halftime. Allie Delph had a splendid first half, scoring 11 points. Emma Went helped out in the period with seven points in the third quarter. Sheridan increased its lead to 39-20 by the end of the third and sailed through the fourth, with four points each from Delph and Sierra Duke.

Delph finished the game with 16 points, including two 3-pointers. Went added 12 points.

The Blackhawks' Monday victory set up a showdown between two unbeaten HHC teams, with Sheridan 4-0 and Prairie 5-0. But the Gophers jumped out to a 15-7 lead in the first quarter, then dominated in the second period, holding the 'Hawks to five points and taking a 34-12 lead into halftime. Prairie then led 48-15 after three periods.

"Clinton Prairie's amazing," said Sheridan coach Jaidlin Bradshaw. "They're super well-coached. We just have to get tougher. We didn't do a whole lot of things right tonight. But the good news is we still have a couple more games to figure it out before we head into the sectional. So, we're trying to be optimistic and move forward for our game Friday at Delphi."

Delph led the Blackhawks on Tuesday with 13 points, including five straight points to begin the fourth quarter.

The victory gave the Gophers a 6-0

record in the conference. But Sheridan isn't out of the HHC championship race just yet. The Blackhawks are 4-1 in HHC play and in a three-way tie for second with Carroll and Taylor, with three more conference games left to play.

Millers gymnastics team opens season

Shade sets single-game scoring record . . . Noblesville romps past Harrison

The Noblesville gymnastics team opened its season Monday by hosting a four-team dual meet at Noblesville East Middle School.

The Millers finished with a team score of 89.75, behind first-place Lapel with 97.475 and second-place Bloomington South with 95.625. Fishers' Savannah Strange also competed at the meet, scoring 20.50 points for the Tigers.

Noblesville has a young team this season, with five freshmen, two sophomores and a junior. That junior is Hailey Knoll, she and sophomore Keira Harper are returning from last season and are the team captains.

Millers coach Jody Ramey is happy with the team, saying that her young squad is coming into the season "with a vibrant and determined start."

"They're all excited to be part of the team and they're all excited to be there and be willing to learn," said Ramey. "Being coachable is a big deal. These girls just mesh well together, the chemistry's great, they're all happy to be there

and willing to learn."

Noblesville, as it traditionally does, had its strongest performance on the vault. Knoll finished fifth in that event with a score of 8.35, the Millers' highest score of the night. Harper posted an 8.20 as did freshman Lauren Paska. Another freshman, Sierra Graue, scored an 8.05.

Harper had the highest place for Noblesville, taking fourth on the floor exercise with an 8.00. She also finished fourth in the all-around competition with a 31.20. Knoll was sixth by scoring 30.25 and freshman Lyrric Barnett totaled a 26.50.

Harleigh Abbott and Jessica Tret are the other two freshmen on this year's Noblesville team, while Kendall Perez is the other sophomore.

"I think they had a lot of nerves with last night, and that's okay," said Ramey. She said there were "a lot of positive things" that came out of the meet.

"This group of girls, they want to do better," said Ramey. "It's just a starting

Noblesville took a trip to Harrison on Tuesday and came home with a big win and a new record.

The Millers overwhelmed the Raiders 90-53. It was the first time that Noblesville had topped the 90-point mark since Dec. 22, 2015, when the Millers put up 95 points against Beech Grove.

Noblesville took care of this game early, leading Harrison 28-8 after the first quarter and 55-22 at halftime. The Millers kept rolling in the third period, pouring in another 24 points for a 79-33 lead by the end of the quarter.

Ashlynn Shade threw in a career-high 43 points, making 16 of 19 field goals, including all three 3-point attempts. Shade set a new Noblesville single-game scor-

ing record, breaking the old record of Cindi Merrill, and reached double-double status with 10 rebounds.

Mallory Miller added 14 points, also draining three 3s, and made six steals. Reagan Wilson and Jayla Jones both scored nine points. Dani Mendez and Brooklyn Smitherman both collected five rebounds, Wilson dished out five assists, and Shade and Kaitlyn Shoemaker both handed out four assists.

The Millers are 16-4 and host Franklin Central Saturday afternoon in a Hoosier Crossroads Conference game.

Osswald scores 29 in Huskies Senior Night victory

Hamilton Heights celebrated its lone senior in the best way possible: A big win.

The Class 3A No. 7 Huskies rolled past New Castle 73-31 in their Senior Night game, where they honored senior Jillian Osswald. Heights outscored the Trojans in each of the four quarters; the Huskies led 14-8 after the first period, then dominated in the second quarter, pouring in 28 points for a 42-14 halftime lead. Heights then led 58-18 after three quarters.

"Great evening celebrating our only senior, Jillian Osswald," said Huskies coach Keegan Cherry. "Sometimes on special occasion evenings like Senior Night, it can be hard for a team to maintain focus. We gave up a couple of 3s early, but once we got settled in, I was pleased with how our girls played, both mentally and physically. We talk often about playing to a standard regardless of the score. And we did that for the majority of the minutes tonight."

Appropriately, Osswald led the way for the Huskies, scoring 29 points, including four 3-pointers. Camryn Runner added 24 points, also hitting four 3s. MyKayla Moran scored nine points.

"I am really proud of Jillian Osswald," said Cherry. "She's everything we want our program to be about. We will definitely miss her contributions next season." But for now, Cherry said the team's goal is to continue playing basketball for several more weeks.

Heights is still unbeaten for the season at 15-0. The Huskies will travel to Lafayette Central Catholic on Friday to play the 2A No. 6 Knights in the Hoosier Conference championship game.

IHSAA moves boys basketball state finals to April 3

IHSAA Commissioner Paul Neidig announced on Monday that this year's IHSAA Boys Basketball State Finals will be played on Saturday, April 3, one week later than the previously scheduled date.

The four state championship games that will conclude the 111th boys state tournament, had been planned for March 27 at Bankers Life Fieldhouse. This date change is necessary in order to provide flexibility for scheduling the NCAA Men's Basketball Tournament in Bankers Life Fieldhouse. In the interest of cooperating with our partners and friends with the Indiana Pacers, Indiana Fever, and the Fieldhouse, the IHSAA agreed to vacate the March 27 date.

After a lengthy discussion considering options, the IHSAA Executive Committee approved the change to April 3.

"Our Executive Committee felt it was most important to preserve the experience for our young people of playing for a state championship in Bankers Life Fieldhouse," Commissioner Paul Neidig said of the decision. "In a year that has seen plenty of disruption, we also felt this arrangement would cause the least amount of disruption and impact the fewest number of schools. The Indiana Pacers and Indiana Fever have been tremendous partners of the IHSAA and we felt it appropriate to work with them to help find a solution."

"This is an extraordinary situation,

of course, and we are grateful to Commissioner Neidig and our friends at the IHSAA for their support of the city and state in working through the details of the NCAA Men's Basketball Tournament," said Rick Fuson, President & COO of Pacers Sports & Entertainment. "The IHSAA has always been an amazing partner and their understanding and flexibility throughout this process is a testament to their support of our community. We look forward to the IHSAA boys basketball tournament every year and this will be an amazing day of basketball in Indianapolis on April 3rd."

The dates and locations of the earlier rounds of the state tournament remain unchanged with sectionals scheduled for March 2-6; regionals on March 13, and semi-state games on March 20.

This will be just the second time ever and first time since 1978 that the boys state finals will be contested in the month of April. That year, winter weather and an energy crunch caused by a coal miners' strike forced a delay of the state tournament following the sectional championship round. Regional games resumed three weeks later than originally scheduled on April 1 with semi-states on April 8 and the state finals on April 15 at Market Square Arena in Indianapolis. Muncie Central would go on to win its sixth state championship defeating Terre Haute South in overtime, 65-64.

Female-led ownership group launches new NTT INDYCAR SERIES team

Paretta Autosport, a new NTT INDYCAR SERIES race team spearheaded by female automotive and motorsport executive Beth Paretta, has announced its entry for the 105th Running of the Indianapolis 500 presented by Gainbridge.

2010 Indianapolis 500 Rookie of the Year Simona De Silvestro has been announced as the driver for Paretta Autosport, which will utilize Chevrolet power and run the No. 16 for this year's legendary "The Greatest Spectacle in Racing." The 32-year-old from Switzerland is a veteran of five Indianapolis 500 starts.

The team is an extension of INDYCAR and the Indianapolis Motor Speedway's "Race for Equality & Change" announced last July. Team Penske will provide technical support to Paretta Autosport in assisting in the preparation for competing in the race Sunday, May 30.

Paretta Autosport will integrate women in the team to ensure that it provides opportunities, including competition, operations and administrative roles such as logistics, marketing and public relations.

"Today is the beginning of a commitment to gender equity in sport, to encourage women to work hard so they can earn their seat at the table or spot on the grid," Paretta Autosport Team Principal Beth Paretta said. "INDYCAR has been a leader and a welcoming place for women for many years because of the hard work of many women and men before us, but now we have a stronger commitment with INDYCAR's 'Race for Equality & Change' to make sure opportunities continue in the future.

"Our team, along with our technical alliance with Team Penske, will work hard to give Simona the best car we can provide so she can achieve her best results. Competition drives us. The Indy 500 is the greatest race in the world, and one day soon we hope to have a woman's face on the Borg-Warner Trophy."

Said Mark Miles, president and CEO of Penske Entertainment Corp.: "We are pleased to welcome Beth and her Paretta Autosport team to INDYCAR this year. Her team's addition to the INDYCAR 'Race for Equality & Change' program this year will ensure that INDYCAR and the Indianapolis 500 continues the legacy of having a female driver qualify for the 2021 Indy 500. Of course, it will be up to Simona and the team to qualify the car for the grid, but knowing Beth, I know that her team will be up for the task."

Paretta has a long history as an automotive and motorsports executive in leadership roles with some of the most respected performance brands, including SRT (Street and Racing Technology) at FCA (Fiat Chrysler Automobiles), where she was the first female director to lead a performance brand and motorsports for an original equipment manufacturer. In

that role, she led successful racing programs that earned three national championships: the NASCAR Cup Series championship for Dodge with Team Penske in 2012, the IMSA GTLM championship with the factory Viper GTS-R program in 2014, and the Trans Am championship with the Dodge Challenger TA2 in 2014. She is also a board member of the Motorsports Hall of Fame of America.

In addition to her Rookie of the Year honors in 2010, De Silvestro also captured the Tony Renna Firestone Rising Star Award for her 14th-place finish. Her accomplishments throughout the motorsports world are numerous after competing in Australian Supercars, as a Formula One development driver, in Formula E, the IMSA SportsCar Championship and, since 2019, as a factory driver for Porsche.

"I am very excited to have this incred-

ible opportunity to return to Indianapolis and the Indy 500 with Paretta Autosport this year," De Silvestro said. "My career really took off through my time competing in INDYCAR and the Indy 500, so returning to compete with Beth and her new team in alliance with Team Penske is a special and rare chance in my career. Being part of the goal of diversity and inclusion for everyone, and especially women in INDYCAR, and in motorsports in general, is very important to me and how I would like to see the future of racing. I want to thank the NTT INDYCAR SERIES for taking such an important leadership role in providing gender and overall diversity inclusion in motorsports."
