The REPORTER

The sun was shining for the fourth annual Topgolf Fundraising Event held on March 7. Even with social distancing and masks in place, one could feel the positive energy from attendees who were there to support the Westfield Education Foundation (WEF). The event raised \$28,000 on behalf of students and staff at Westfield Washington Schools (WWS).

This year’s event sponsors included the following:

- **Co-Title sponsors:** CSO Architect and Skillman Construction
- **Eagle sponsors:** SFE and Stifel
- **Shamrock Pride sponsors:** Blades Audio Video, CCHA, Community First Bank, Equitable Advisors, Hoosier Glass, Ice Miller, KI, and Wittler Orthodontics
- **Shamrock Family sponsors:** Assured Partners, Kroger Gardis & Regas, LLP, L.E. Isley & Sons, Inc., MJ Insurance, and SSC.
- **Shamrock Friends:** American Fidelity, BMO Bank, and Puddle Jumpers.

“What a great day to come together safely and raise money for a great cause. My family and I enjoyed our day playing games and spending time with each other,” said Kyle Messmore, a math teacher at Westfield Middle School.

To date, WEF has awarded approximately \$1.3 million to students and staff at Westfield Washington Schools. Through events such as Topgolf, WEF can acquire funds allowing the opportunity to award grants and scholarships.

“Raising funds with today’s circumstances has many barriers,” said Ashley Knott, WWS Family and Community Coordinator and WEF Vice President. “Were thankful for the opportunity to host our event and for sponsors that made it such a success. Creating awareness in regards to the Foundation is essential.”

The annual Topgolf Fundraiser will be held again in 2022. If you would like to be a sponsor or a player, please email foundation@wvs.k12.in.us for more information about becoming a Westfield Education Foundation Partner.

County moves to ‘Blue’ COVID advisory level

The REPORTER

The Indiana Department of Health has revised Hamilton County’s weekly 2-metric score from Yellow to Blue.

The Indiana Department of Health added 213 newly-reported COVID-19 positive cases to the county’s dashboard on Saturday, March 6.

Upon further review, the state found that some of the test results dated back as far as January. However, color status is based on the date the test is reported, not the date the test was taken. The state has adjusted Hamilton County’s level to Blue to reflect this change.

Being that last week was the second week that Hamilton County has been under Blue status, its advisory level has now been lowered to Blue as well.

That means events and social gatherings may take place at up to 100 percent capacity so long as participants social distance and wear masks. This includes K-12 extracurricular and co-curricular activities, community recreational sports, and college and professional sports. Social gatherings should be no more than 250 people.

Hamilton County once again receives AAA bond credit rating

The REPORTER

In spite of the challenging financial times, Hamilton County’s superior bond credit rating will continue.

Hamilton County received the coveted AAA bond rating from S&P Global credit-rating service, which allows the county to maintain low interest rates when repaying bonds.

“The pandemic has created financial challenges for everyone, including Hamilton County Government,” said Hamilton County Auditor Robin Mills. “The AAA bond rating means the citizens of Hamilton County will be saving money due to the careful, fiscal stewardship of the county’s leadership.”

Hamilton County’s bond rating offers insight into the county’s financial strength. Bonds get rated for much the same reason consumer agencies rate products, to gauge and communicate quality. If the bond rating is good, the county is strong enough to pay its obligations, which include expenses, payment of debts, and dividends.

“Even during this difficult economic downturn caused by the pandemic, the county remained fiscally strong, disciplined, and resilient,” said County Council member Fred Glynn. “These fundamentals show the county is positioned for more growth in the future.”

Mills

Glynn

Heirbrandt

“The AAA rating is evidence of Hamilton County’s strong fiscal foundation and its ability to face and overcome adversity,” Mills said. “Hamilton County is the only local income tax county in the state to receive the highest possible rating, which is a testament to the thoughtful management versus crisis management approach we have taken toward county government.”

In assigning a rating for General Obligation Bonds, the rating agency assess factors such as:

- Economy
- Debt Structure
- Financial Condition
- Demographic Factors

• Management practices of the governing body and administration

In its rating report S&P Global noted: “We consider the county’s economic fundamentals to be very strong. The county’s population has increased in recent years as have the employment opportunities. The county’s tax base is primarily residential and commercial – we view income taxes as a revenue stream that could be more susceptible to economic swings and the long-term implications of the COVID-19 pandemic. But we also recognize that economic growth in the county has persisted and, as a result, the county anticipates continued revenue growth in future years as a result, which we view likely.”

“This rating saves our residents money, by providing

a lower cost of borrowing to finance capital projects. This also makes the county more attractive to businesses and signals a sound and stable economic climate,” said Mark Heirbrandt, president of the Hamilton County Commissioners. “It certainly speaks to the hard work and teamwork of our county commissioners, county council, and finance team over the past three months.”

A tangible example of savings resulting from the county’s bond rating is the recent reissuing of the county’s bonds at a lower interest rate, which will yield roughly a \$4.5 million savings.

“I am thrilled that Hamilton County has been able to maintain this bond rating in such trying times,” Mills said. “The county is always working hard to meet the needs of the residents, but even more so when faced with challenges such as those posed by the current pandemic.”

Heirbrandt concluded, “To improve our credit rating, while we continue to recover from the effects of the pandemic, ramp up numerous projects, and provide pandemic-related assistance to our residents and businesses is simply exceptional.”

Russell’s seat on Arcadia town council to be filled by appointment

By FRED SWIFT
ReadTheReporter.com

With the death of Arcadia Town Council member Mitch Russell on Feb. 23, there is a vacancy on the town council.

Republican County Chairwoman Laura Campbell said last Tuesday that under state law she will be responsible to fill the vacancy.

Persons interested in being considered for the position should contact Mrs. Campbell at GOP headquarters, (317) 849-9600, before March 15.

State law provides that the party to which the deceased belonged will fill the vacancy for the remainder of Russell’s term which runs through Dec. 31, 2023.

Since there is only one precinct in the vacated district, the law gives the county chairman the right to fill the vacancy. Russell, a Republican, was elected to the three-member council in 2019.

Rental assistance now available for those harmed by pandemic’s impact

The REPORTER

Hamilton County officials last Wednesday announced the opening of the Hamilton County Emergency Rental Assistance Program (HC ERAP) for renters who have experienced a financial impact due to COVID-19. Applications are now being accepted.

Earlier this year, Hamilton County was awarded a \$10 million Emergency Rental Assistance grant from the U.S. Department of Treasury for COVID-19 assistance. Specifically, this funding will assist renter households unable to pay rent and/or utilities due to loss of income from the pandemic.

The Hamilton County Commissioners selected the Hamilton County Trustees Association (HCTA) to oversee the grant with the funds being administered by the Westfield Washington Township (WWT)

Trustee’s office.

The online application, available in 10 languages, is found at HCTA-Indiana.com. A call center has been established for assistance and that number is (317) 618-3125. The website also provides a list of local partners throughout the county available to help residents with the application process. You can visit your local library or a partner site if you need internet access. Paper applications will also be available at partner sites.

To be eligible for financial assistance from HC ERAP, you must be a renter in Hamilton County, at least one adult in your household must have experienced a loss of income due to COVID-19, and your household income must be at or below 80 percent of the area’s median income. Danielle Carey Tolan, Hamilton County Trustee Association President and Westfield Washington Township Trustee, will oversee and administer the program.

“During this pandemic, Township offices have been flooded with struggling residents and it has been heartbreaking to hear about so many unfortunate situations,” Tolan said. “Now there’s a lifeline and we are excited to be able to bring some financial stability to our neighbors in need, as well as help landlords struggling with back-due rents. The program allows us to pay back rent or utilities from April 1, 2020. As part of the program, landlords will also need to register so we can pay them directly should the tenant’s application be accepted.”

New HSE Supt. announcement delayed until after spring break

By LARRY LANNAN
LarryInFishers.com

Hamilton Southeastern (HSE) school officials had been saying that the new superintendent would be named at the March 24 board meeting, but the current superintendent, Dr. Allen Bourff, announced at the March 10 board meeting that the announcement will be delayed.

The new leader for the school corporation will be announced after spring break. HSE students return from spring break on Monday, April 12.

HSE School Board President Janet Pritchett told the Reporter’s newsgathering partner, Larry Lannan, that the search is down to two potential superintendent candidates.

Dr. Bourff is planning to retire as HSE superintendent at the end of June this year.

HSE survey coming, plus virtual learning options for next school year

By LARRY LANNAN
LarryInFishers.com

HSE Schools administrators reviewed plans for the remainder of this school year and virtual learning options in the next school year last Wednesday, while the board debated the speed of returning the students to in-person classes. One board member questioned the speed of district surveys to instruct next steps.

Superintendent Allen Bourff told the board a survey is coming for parents of seventh- and eighth-grade students, and a survey is in the works for high school parents and possibly high school students. Some families have built themselves around the hybrid system of class attendance being used now, but others want an in-person school experience. The goal of the surveys would be to measure the community's views.

A return to classrooms could come as soon as April 12, according to the Bourff.

Board member Suzanne Thomas questioned why surveys had not been done earlier, but other board members responded there are good reasons to conduct the survey now. Bourff said school officials are reviewing the new Centers for Disease Control (CDC) guidance as plans are made

for the future.

Assistant Superintendent Matt Kegley briefed board members on plans to offer an all-virtual option for families in the 2021-2022 school year. There is not enough time to establish virtual schools themselves, so any virtual option will be a program, not a full school.

Bourff

State lawmakers are looking to fund virtual school at 100 percent; current law funds virtual schools at 85 percent.

Kegley acknowledged the stress teachers have been under with in-person and virtual students. Preliminary plans call for families making a commitment to keep their child in the all-virtual program for a semester, or possibly the entire school year. Kegley said he expects to provide more information, and possibly a recommendation, on the all-virtual option at the March 24 board meeting.

In other action, the board approved a \$1.4 million bid to resurface parking lots at HSE Schools. The project had been budgeted at \$1.8 million, so the bid came in under the estimates. A new technology network was approved for HSE High School, replacing the current system, which is more than 10 years old. The board also voted to destroy audio recordings of past meetings that are many years old.

Westfield Supt. Chris Baldwin details plans for in-person learning

The REPORTER

Editor's note: Westfield Washington Schools Interim Superintendent Chris Baldwin recently sent the following message to WWS families.

Rocks community,

As COVID-19 case numbers continue to trend

in the right direction in our schools and in the community, WWS administrators, in collaboration with the Hamilton County Health Department, have begun planning for increased in-person learning for students in grades 7-12. With full support from the health department, we have selected Monday, April 26, to update the 7-12 hybrid plan to four days a week (Monday through Thursday) with Friday remaining a district-wide virtual learning day.

We believe this is the safest return date for staff and students and is the best way to minimize the impact of potential spread after Spring Break while providing flexibility to make adjustments in the event of any COVID-related issues.

NOTE: K-6 will remain in-person Monday through Thursday, with Friday as a virtual learning day.

Our success in safely increasing in-person learning is completely contingent on our ability to continue to keep cases low, monitoring conditions after Spring Break, and the continued guidance from the Hamilton County Health Department. It is more important than ever that we stay home when sick, properly mask, and report symptoms in the lead up to this transition.

As the health and safety of students and staff is always a top priority, masking will continue to be required and buildings will continue to practice vigilant hygiene procedures to help reduce the spread of germs. Fridays will continue to be district-wide virtual learning days to facilitate coordination with quarantined students, afford teachers time for professional development and allow teachers to have proper planning time.

If you do not wish for your student(s) to be in-person four days a week, you still have the option to switch to the 100 percent virtual platform. The middle and high school will reach out to families with additional information.

I would like to thank you for your continued support and flexibility during this unique school year. I want to thank the teachers, staff and administrators for their selfless work ethic and unwavering dedication to the education of our students. Without them, this school year and school district would not be what it is today. We are all looking forward to finishing the school year on a strong, positive note and I thank you all, in advance, for doing your part to make that happen.

CrossRoads Church seeking applications for home repairs

The REPORTER

CrossRoads Church at Westfield is bringing 200 to 300 high school students to Westfield this summer for a week to provide free home repair for those in need. This program is being offered in partnership with Group Mission Trips, a youth mission organization based in Ft. Collins, Colo., and has a long history.

CrossRoads is seeking applications from any who need home repairs. Applications are due by April 1, 2021.

Building or repairing wheelchair ramps, constructing decks, doing mobile home skirting, or painting the exterior of homes are the home repair services being offered for free this summer. This program is geared primarily toward older adults, veterans, and any low-income families who live in the community and own their own homes.

"The qualification is very simple," said Eric Lohe, who is the lead pastor of CrossRoads Church at Westfield. "If you are in need of housing repair so you can live in your house, we want to help. We are not checking your bank statements or any of that. Once you submit an application, we have people from our congregation and the community who will go assess the needed repairs and determine if we have the skills and people power to meet the need."

"To help people stay in their homes is the reason for doing the home repairs," Lohe told the Reporter. "This summer from June 21-25 we are going to have up to 300 high school kids, church kids, and their adult leaders come into the Westfield community, to live at Westfield Middle School, and go out in smaller groups of six people to serve. They will go to 35 to 45 home sites where each of those small groups will spend a week doing repairs for those people in need."

Applications are available as an online form at crchurch.org/for-our-neighbor/homerepairapplication and in a downloadable PDF format at readthereporter.com/Public_Files/CrossRoads-home-repair-application-2021.pdf.

The current focus toward this goal is the free home repair program coming to Westfield, Noblesville and northern Hamilton County this summer.

"Since folks in our church are in Westfield, Noblesville, Cicero, and Sheridan, we decided for this round of doing this camp we were going to focus in those four communities," Lohe said. "This effort is one of four church initiatives called, 'For Our Neighbor.' We are trying to meet, know, enjoy, and serve the needs of our local neighbors."

"In addition to seeking work group sites, we are also seeking businesses or service organizations to be a part of this," Lohe said. "If a Rotary Club asks, 'What can we do?' I'd say, 'The kids come back really hungry in the afternoons. Could you cook up some hot dogs and have them available when the kids come back from camp?' Or a business could take out pop-sicles to a group or to a couple work sites during the week to say, 'Thank you. We're glad you are here and thanks for what you are doing.' It is not just about us as a church trying to do something for our neighbor, it's also about helping people be the best neighbors we can be."

If you would like to help, email forourneighborinfo@gmail.com or call Eric Lohe at (317) 402-6574.

Carmel Clay, Noblesville schools eye plans to put all students back in classrooms

By LOGAN GAY
WISH-TV | wishtv.com

Getting teachers vaccinated is a big step to getting all students back in school full-time.

Some Central Indiana schools have already announced plans to bring kids in middle schools and high school back to classrooms after spring break.

Now, Carmel Clay Schools is working on a plan to do the same. Families at Carmel Clay Schools shared mixed reactions after finding out the school administration is working on a plan to get grades 6-12 back into the classroom full-time.

Myla McKinney has three kids in Carmel Clay Schools. She said the hybrid education model has been challenging for them. McKinney said the sooner the students are back in class full-time, the better.

"It's a good way to start the summer where they can feel like they are not alone anymore and reestablish relationships with friends they had before all this begun," McKinney said. "It's a good trial run for next year and help us work out all of the kinks."

McKinney said she understands the hesitation from some members of the community but think getting back into classrooms is the right thing to do at this point.

"That is a very hard decision to send your child back into a COVID-era school," she said. "But we've got to do something

because the kids are just falling more and more behind academically because they are not in school the full time."

The administration at Carmel Clay Schools said parents will be notified when the transition plan is finalized.

But Carmel Clay Schools is not the only district considering this. Noblesville Schools sent a message to parents and staff telling them it is looking at next steps with the goal of getting back to normal schedules – when it is safe.

The president of the Indiana Teacher Association, Keith Gambill, said school administrations and parents need to proceed with caution.

"An appointment to be vaccinated is not the same as being vaccinated," he said. "I know that teachers and all staff are wanting to get everything back as close to normal as soon as possible. The CDC (U.S. Centers for Disease Control and Prevention) is pretty clear we need to make sure we don't get out too far ahead of things. We don't want to make the wrong decision this close to the finish line."

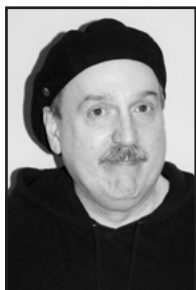

Gambill said there are a lot of questions that need to be considered.

"How classrooms need to be set up when you're welcoming more students into the classrooms, that needs to be considered," he said. "The lunchroom, when you would have had half as many seats filled, you may have all of the seats filled – what does that look like?"

Live theater returns to Westfield

Showing Thursday through Sunday for two weeks only, Main Street Productions (MSP) is bringing live theater back to Westfield Playhouse. *Squabbles* will stage Thursday through Sunday from March 18 to 28 at the new Westfield Playhouse, 220 N. Union St.

Davis

The Reporter spoke with Director Doug Davis about the story, the ways MSP is keeping both the actors and audience safe, and the opportunity to be the first live, in-person production in a year.

As the COVID-19 numbers fall and Hamilton County has moved back into the "Blue" advisory level, going to see a comedy after a long year of strict pandemic protocols seems

like a welcome diversion. "Exactly!" Davis said. "That's what we were looking for when we chose this. We have gotten to the point that we feel we could put this live on stage again instead of streaming it."

According to Davis, in this play Jerry Sloan (played by Matt McKee) writes advertising jingles for a living. His wife, Alice Sloan (played by Sabrina Lang) is a successful lawyer. Living with them is the wife's grumpy father, Abe. Jerry's mother, Mildred, loses her house in a fire and needs a place to stay, but Abe and Mildred can't stand each other. Comedy ensues.

"Dwayne Leatherman plays the grumpy father-in-law," Davis said. "He is like a legend among actors in the Indy area. This is first time acting for me and I was

Seating will be limited

to approximately 60 audience members for each performance.

"When people arrive at the building, they will have their temperatures taken and masks will be required," Davis told The Reporter.

"There has to be a first as the COVID lightens up a little," Davis told The Reporter. "We are pleased to be the first theater for people to come out to live performances again. We are very happy to be bringing live theater back to Central Indiana."

Tony William Bailey, Sr. April 30, 1955 – March 8, 2021

Our beloved husband, father, grandfather and friend, Tony William Bailey, Sr., 65, passed away on March 8, 2021. The life in the years is what we will remember him for. Tony will be greatly missed.

He was born on April 30, 1955 to the late Guy and Esther (Bilby) Bailey in Tipton, and for most of his life he called Boxley his home. Tony was a graduate of Sheridan High School, Class of 1974.

Tony and Debbie (Hicks) Bailey were married on May 29, 1976 at Sheridan United Methodist Church, and the two of them have been at each other's side for 45 years. Together they have three children, Tony (Amy), Shannon Young (Tony Piatt), and Matt. He was a loving grandfather to his five grandchildren, Zoe and Jocelyn Young, and Colton, Elise, and Lillian Bailey. He was the youngest of four siblings, Terry (Alison) Bailey, Tim Bailey, and Nancy Catterton.

Tony proudly served in the United States Marine Corps and was based in Camp Pendleton, Calif., for four years. When Tony returned home to Indiana, he worked at Biddles/EMC for 36 years as a maintenance technician.

He was a Boy Scout troop leader, neighbor, and never knew a stranger. Someone who knew him may have assumed that he was shy, but to his close family and friends he was a deep thinker who had a warm heart. Ordinary moments brought him great joy – being with his family and spending time with his grandkids. He appreciated a home-cooked meal and dessert. His many projects, including “the wheel,” kept him very busy and he was always creating something. He was hardworking and patient. He was kind but firm. His voice could command attention and his arms could soothe a baby ... well, some babies. His hands built a house, and his love built a family. He greeted us with the best, deep hugs. He gave us the greatest gifts – love of family, love of community, and love of country. He will be deeply missed and tearfully remembered.

Please join us in celebrating his memory as you hug the ones you love. Donations may be made to the Wounded Warrior Project at woundedwarriorproject.org.

Everyone is invited to sign the online guestbook, leave a condolence or share a memory at fisherfunerals.com. Fisher Family Funeral Services is honored to serve the Bailey Family.

Jill Kristine Bollinger March 8, 1947 – March 3, 2021

Jill Kristine Bollinger, 73, of Noblesville, passed away on Wednesday, March 3, 2021 at St. Vincent Hospital in Indianapolis. She was born on March 8, 1947 to Doyle S. and Mary Lea (Burns) Elliott in Wood County, W. Va.

Jill was a high school math teacher for many years before becoming a homemaker. She was a member of First Baptist Church in Carmel and was very involved with mentoring the women of the church. Jill was part of a group that made blankets for children at Riley Hospital and other places. She enjoyed sharing her own Bible studies with others.

She is survived by her two sons, Seth (Kim) Bollinger and Cullen (Kimberly) Bollinger; three grandchildren, Lexi and Taylor Bollinger and Joshua Bollinger.

In addition to her parents, she was preceded in death by her husband, Floyd Bollinger, in 2017; and brothers, Timothy Q. Elliott and William K. Elliott.

The Bollinger family has entrusted Randall & Roberts Funeral Home with Jill's care. Services will be held at a later time. Burial will be at Crownland Cemetery in Noblesville.

Larry Earl Sells February 16, 1958 – March 7, 2021

Larry Earl Sells, 63, Indianapolis, passed away on Sunday, March 7, 2021 at his home. He was born on February 16, 1958 to Orville L. Sells Sr. and Norma (Durham) Sells in Noblesville.

Larry proudly served his country in the United States Marine Corps. He retired after 25 years as an asphalt paving operator for Rieth-Riley and was a member of the International Union of Operating Engineers. Larry enjoyed fishing and golf and collecting Native American and wolf artifacts. His life was his beloved dog and three cats.

Larry is survived by his twin brother, Garry (Jody) Sells; older brother, Orville (Janice) Sells, Jr.; sister, Ida (Paul) Woolard; and several nieces and nephews.

In addition to his parents, Orville Sr. and Norma, he was preceded in death by his niece, Natasha Woolard.

Visitation was held on Wednesday, March 10, 2021 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville. Graveside services followed at Crownland Cemetery in Noblesville.

Council minutes with Ken Alexander

I want to thank everyone who reached out to me after my first column ran in the Hamilton County Reporter last month. I'm excited to share a regular recap of what is going on with the Hamilton County Council. Informed citizens can make the greatest impact.

This month's meeting was relatively brief, so I've included some information from our joint Council/Commissioner meeting and highlighted a few exciting developments.

We recently learned Hamilton County has become the only S&P rated "AAA" local income tax county in the State of Indiana. AAA is the highest rating possible, which is a tremendous reflection of our overall financial health. While we continue to recover from the effects of the pandemic, have numerous projects planned and underway, and provide assistance to our residents and businesses also recovering from the pandemic, to improve our credit rating is impressive. Taking it one step further, we are doing all of this while also improving services and building assets for our citizens, which is our number one priority.

For example, Governor Holcomb announced last week that Hamilton County has been awarded another grant from the Indiana Department of Natural Resources (IDNR) in the amount of \$1,047,670 through the Next Level Trails Grant Program for trail expansions. It will be used to build the Steven Nation Community Pathway Phase 1 (Kathryn Street in Cicero to Koteewi Park). The trail will eventually follow 234th Street from Cicero to White River Campground at Koteewi Park and connect with the pedestrian bridge over the river. I must

COLUMNIST
KEN ALEXANDER
County Councilman

note – of the 62 projects submitted, Hamilton County was one of 18 selected in this highly competitive program.

The parks system in Hamilton County is wonderful and the interconnectivity of the trails is part of what makes them so accessible. In addition to the wonderful grant mentioned above, the Council authorized the Hamilton County Parks Department to move forward with the purchase of land to support their strategic plan at 216th Street and Hinkle. Timing is everything in these types of transactions, and while DNR has not been able to get their funds in place to meet that timing, the Council agreed to allow the Parks Department to use its cash to cover the DNR portion, knowing that reimbursement for the land will happen later this year.

These community assets and attractions are what help make Hamilton County one of the most sought-after places to live in not only Indiana, but in the entire country. You don't get where we are today without purposeful planning and spending strategically.

While we are discussing finances, I serve on the finance committee for the county, and we were presented with a laundry list of projects that included considerations for the State Road 37 project, parking garage additional floor, Pleasant Street Bridge project, our new ERP (financial software), support for a women's shelter, park land acquisition, and intersection improvements along 146th street at Allisonville, Hazel Dell, Carey and Gray roads.

One issue I raised was the strategic projects lists in many cases already had committed obligations because of grant applications. Such is the case for 146th Street and Allison-

ville Road. I directed our Council Attorney to draft a resolution stating that financial obligations included in grant applications need to be shared with the County Council so we could update our financial plan. While a minor change, it is not meant to stop progress but to be more collaborative with the rest of the county government.

Our financial plan for these projects was well received by the Council. We will bond the garage in its entirety which will not affect our tax levy. The overages that we are obligated to on SR 37 will be funded with cash, and the Pleasant Street bridge and intersection at 146th Street and Allisonville will be funded out of our "Major Bridge" fund. The additional intersection improvements along 146th street will not be considered at this time but could be brought back to our attention if they were part of an MPO (Metropolitan Planning Organization) grant application. The rest of the projects will be addressed at budget time.

On a side note, I want to share with the readers that the "Major Bridge" fund (Ind. Code 8-16-3) is a statutory fund that has limitations to what it can be used to support. Because of these stipulations, it effectively can only be used on river crossings in excess of 200 feet and major elevated intersections, which means the county has minimal, if any, opportunities to use this fund for projects in Adams, Washington, and Clay townships.

Following up on a conversation from last month, the Council voted unanimously to add a fifth level to the parking garage being built in downtown Noblesville. While some may say the expansion is unnecessary, it is being added primarily due to the impact of the court system. We are in the process of adding a court, and with that

will come additional jurors and litigants who will need to have a place to park. It would be easy to vote no, as a fifth floor isn't necessarily needed now, but our job entails planning for the future in addition to the here and now. We expect for the garage to bid this month with construction to start in May. The project should take 12 to 14 months to complete with consideration for the added floor.

Lastly, on a personal note, I would like to sincerely thank Chris Sorensen, former President/CEO of Janus Development, for her dedication and commitment to Janus and Hamilton County over the last nine years.

I would also like to congratulate Yolanda Kincaid who will begin her role as President/CEO on March 29th. Yolanda brings to her new position more than 20 years of experience in adult disability services. I know firsthand that it takes a special person with a huge heart for people with disabilities to lead this organization. My sister-in-law, Erin, has Down Syndrome and participates in programs in Elkhart similar to programs that Janus provides our community. I know how impactful this has been to her life, which is why I asked to be the liaison to Janus Development this year.

Erin participates in numerous activities and was even provided the support to start her own business selling her quilting and blankets ([etsy.com/shop/buttercupsemporium](https://www.etsy.com/shop/buttercupsemporium)). We are very proud of Erin and as a family will do all we can to support Janus Development's mission. Best of luck to Chris and Yolanda and the entire Janus organization.

Ken Alexander is serving in his first term on the Hamilton County Council, representing District 4, which includes Adams and Washington townships, and part of Clay Township.

Nicole Ridens named Heights Middle School assistant principal

The REPORTER

Nicole Ridens has been named as assistant principal for Hamilton Heights Middle School (HHMS), effective July 2021, after being officially approved by the school board last month. Ridens, who has been serving as the interim assistant principal since September, has been well received and proven to be an excellent fit.

"Mrs. Ridens quickly earned the respect of her colleagues and parents as a science teacher who deeply cares about students," HHMS Principal Bret Bailey said. "She brings great experience as an administrator, knowledge of the teaching profession, and compassion to her work every day. Her transition into the interim assistant principal role last semester was extremely smooth, and she has instantly made a positive difference at HHMS for both students and staff. She builds constructive relationships with students, communicates well with families, and listens attentively to staff. We are thrilled to add her to our administrative team next year as we work together to help all students become the best version of themselves."

Ridens began her career in education as a classroom teacher, and over the past 20 years has had the opportunities to transition between teaching and administration at four different school systems. After earning her administrator's license in 2007, she served as the Assistant Principal at Tri-Central Elementary School from 2008 to 2013. She returned to the classroom with a transition to Clinton Central Schools in 2013 to 2019 prior to being hired as the eighth-grade

science teacher at Hamilton Heights Middle School.

Ridens said her teaching and administrative experiences at Tri-Central and Clinton Central prepared her for this unexpected opportunity.

"I really enjoyed working at Tri-Central and Clinton Central but wanted to continue my teaching career at Hamilton Heights because of its long-standing commitment to education excellence and the district's supportive community," she recalled. "That opportunity presented itself when educator and former eighth-grade science teacher, Terry Reed, retired. It's been everything I thought it would be and more. The students, staff, administration, and community have been welcoming and wonderful."

Ridens has a philosophy of helping wherever she can, and it's earned her a respected reputation in her role as a teacher and administrator at Heights.

"I hope to be a resource for all members of the community so that we can work together to support each child that comes through our school as they strive to become the best version of themselves and prepared for success in high school," she explained. "I am thankful for and appreciative of the opportunity to be here."

"I really love what I am doing," she added. "I am excited to be in our new building, adding the fifth grade, creating new initiatives that will have a long-term positive impact on student development, and for the plans underway that will really blossom in the year ahead."

Ridens is a native of Kokomo and lives outside of Kempton. She is married and has three children.

BROUGHT TO YOU BY FIRST FARMERS BANK & TRUST OF CICERO

Welcome back for a second installment in the home improvement journey for a warren of rabbits. Last week, two rabbits were making their way towards an open sandbox. Are they looking to build a sandcastle of their very own?

The rabbits in the hill warren were mostly brown, with a few white coats mixed in. They were of generous size, as the warren was comfortable, safe, and largely ignored by its human neighbors. Unlike many rabbits, these had stayed put for a few generations. Every season, some of the young bucks would wander off, drawn by a mysterious call to the wilds beyond the small town. For a rabbit, a journey of a mile is quite an undertaking, as they must proceed cautiously, on the lookout for foxes, dogs, hawks, cars, and all sorts of dangerous things.

The rabbits that remained on the hill didn't follow that same philosophy. They were still naturally watchful, and the cry of a hawk will send them racing back to their burrows before the threatening shadow has fully passed them by. But the two rabbits that sat on the ledge of wood around the sandbox didn't give too much thought to the blue house behind them, the cat that watched them greedily from the windowsill, or the perfectly audible voices of the children inside the home.

With a sudden decisive run that is characteristic of rabbits, the biggest one dove into the sandbox, scraping experimentally at the ground, delighting in the soft and slid-

ing texture of the sand. This new experience was both terrifying and exhilarating for the rabbit, but due to his large stature and confident movements, he felt himself something of a role model for the younger buck who still sat on the ledge. This large rabbit, brown with a gray dusting across his nose and ears, had once stood down a weasel that was creeping through the grass outside the warren. Having developed a rather high opinion of himself since that encounter, he stubbornly ignored any instinct to flee. Now, covered in sand, he was showing off, and with a mighty kick of his hind legs, he knocked over the half-crumbled sandcastle just recently abandoned by the little girls.

Convinced, the younger rabbit joined in the fun, and the pair explored the sandbox for a few minutes. Soon, their attention was caught and held by the bucket. The same instinct that led them to collect scraps of fabric and bring in grass to the burrow for nesting had them studying this contraption. The bucket, shiny and red in the afternoon light, lay on its side, trailing sand from its rim. The oldest rabbit gave it a nudge with the top of his head, and it rolled slightly, the sand sliding inside.

Again and again, the two rabbits pushed at the bucket until it rolled up against the side of the sandbox, and here they were stuck. Eventually, the largest rabbit managed to bury his head partially underneath the bucket and push, which resulted in it lifting slightly off the ground. Ad-

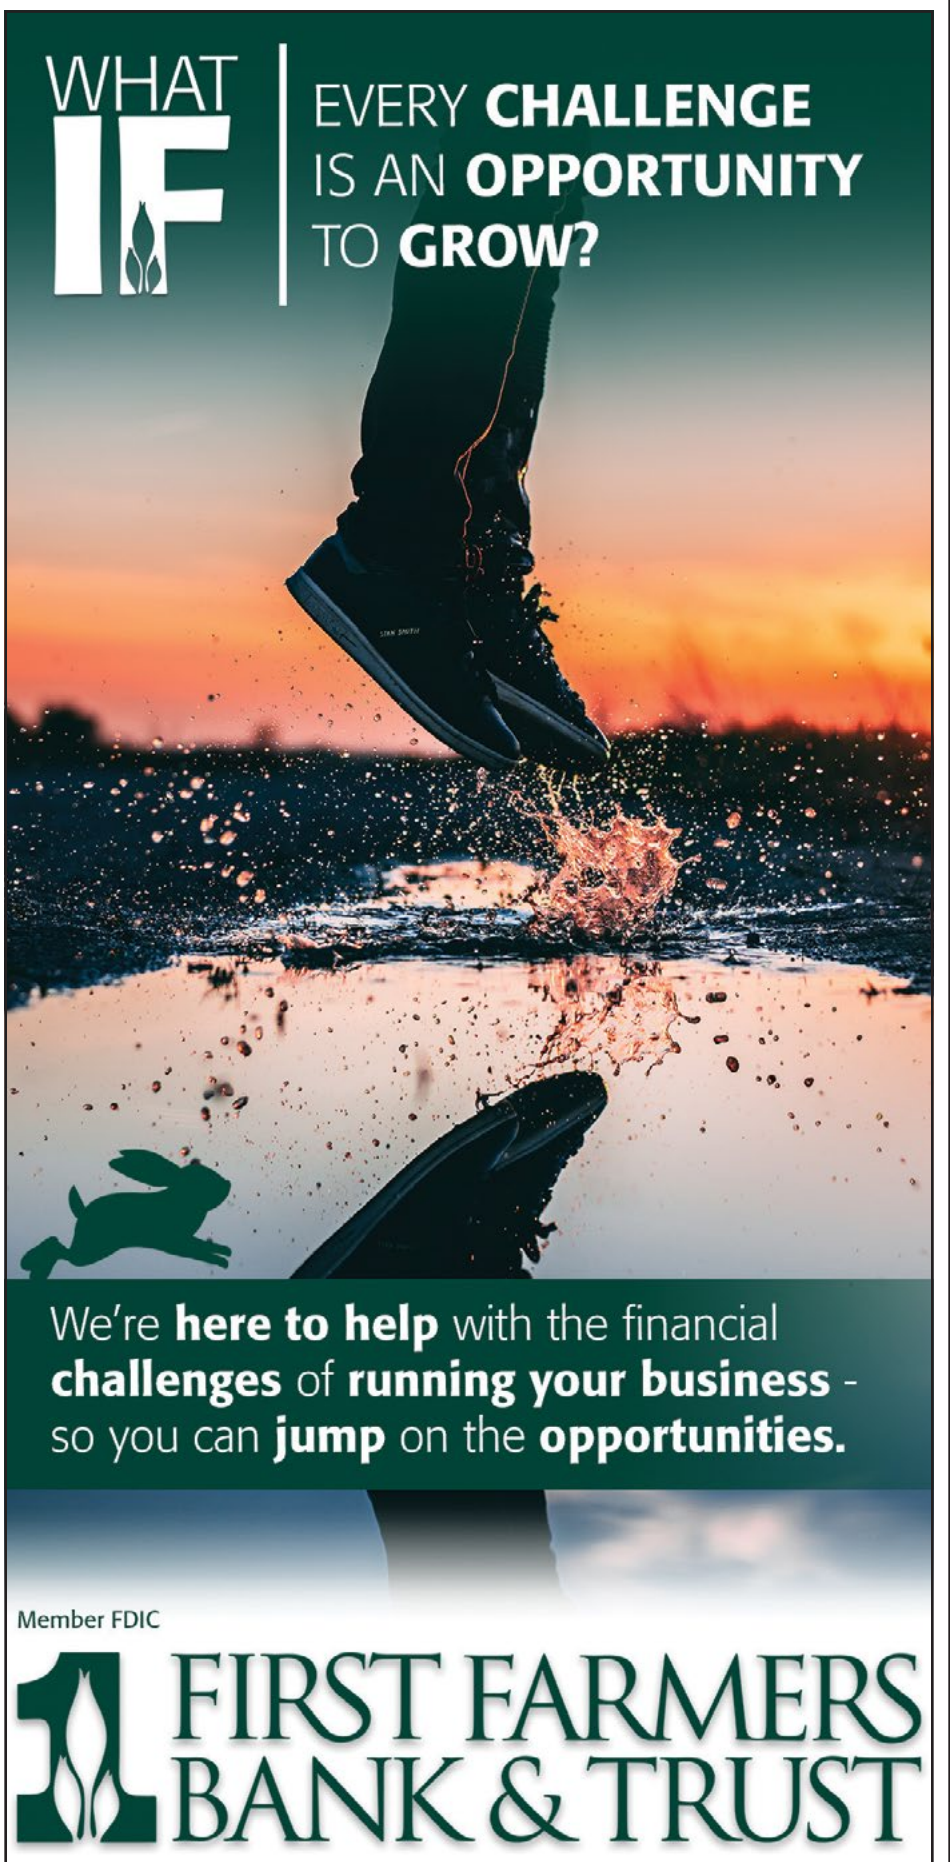

mitedly, rabbits aren't the most clever creatures on the planet, but these two surely would have succeeded in moving the bucket outside the sandbox to whatever end they had in mind, but at that exact moment, as the red, plastic bucket balanced precariously between the rabbits' head and the ledge of the sandbox, as gravity nearly shifted to help the rabbits rather than hindering them, the cat, once relaxing quietly on the windowsill, made a quick and sudden entrance onto the scene.

If you've ever watched your cat or dog chase a rabbit, you know what is most likely to happen. While fast, our canine and feline friends don't have the speed and agility to match a rabbit that has been responsibly keeping tabs on them. These two rabbits, caught up in a struggle with the red bucket, did not notice when the cat disappeared from the window, nor did they pay attention to her shadow as it crept loyally in front of her along the side of the house. Surprised, they bolted, an instinct that no amount of comfortable living on the hill could dull. Unfortunately, in the immediate and mindless urge to run, they were quickly confused by the encroaching walls of the sandbox, and rather than hurdling over this obstacle, they'd simply turn. The result was a circular race between cat and rabbits, until finally they ended up at opposite ends of the sandbox, staring across the scratched and furrowed landscape at each other, unmoving.

Thank you for reading! Make sure to check back next week as we find out if our rabbits make an escape from the sandbox. Until then, from First Farmers Bank & Trust, I'm Jess, and I'm listening.

Carmel holds off Lafayette Jefferson for regional championship

By **RICHIE HALL**
LOGANSPORT – Whether it’s on offense or on defense, Carmel always seems to be able to make that “one more play” that wins games.

Last Saturday evening, the Class 4A No. 2-ranked Greyhounds made one more play on both ends of the floor, and that resulted in another regional championship.

With his team trailing No. 7-ranked Lafayette Jefferson 49-48 and 17 seconds left in the Logansport regional title game, Carmel senior Brian Waddell made two free throws to put the ‘Hounds up by one. The Broncos tried for one last shot, but Carmel senior Connor Gioia tipped the ball away.

The ball eventually landed in the hands of Greyhounds junior Josh Whack, who held on to it until the final buzzer. That gave Carmel the regional championship, 50-49 over a determined Broncos squad that twice came back from large deficits to challenge the ‘Hounds.

Carmel’s victory over Jefferson was an instant classic. But don’t forget about the Greyhounds’ semi-final game. That was another remarkable performance, one where Carmel shut down No. 1-ranked Homestead 60-49 with yet another solid defensive effort, handing the Spartans their first, and ultimately only, loss of the year.

The regional title was the 11th for the Greyhounds, and their third consecutive championship at this level. Carmel won regional trophies in 2018 and 2019; there was no regional

round in 2020. “You think about this team and where we started in November of 2019, and it’s basically the same group, minus Jackson Jannsen, who graduated,” said Greyhounds coach Ryan Osborn. “We’ve been through a lot of games together. And they’ve matured. They’ve got experience. I’m just proud of them.”

Carmel is now 24-2 for the season and will play at Lafayette Jefferson Saturday for the Class 4A north semi-state, taking on No. 10-ranked Gary West Side.

GAME OF RUNS
The championship game between the Greyhounds and the Broncos was a true game of runs, with both teams going on lengthy scoring spurts throughout the game. The first big run came at the end of the first quarter, when Carmel finished the period with an 8-0 stretch to lead 16-11.

The ‘Hounds traded the lead with Lafayette Jeff for most of the first quarter, with Broncos star Brooks Barnhizer hitting a 3-pointer to put his team up 11-8. But Carmel ran through the final minutes of the first, with Waddell scoring seven points, including a dunk and his own 3.

Another Waddell dunk – he’s 6-foot-7, athletic, and knows how to combine the two – put the Greyhounds up 26-15 midway through the second quarter. Waddell also hit another 3 early in the period, as did Wil Leary.

But Jefferson stormed back, finishing the half on a 12-0 run to take a 27-26 lead at the break. Barnhizer got going, scoring seven points of that run, and Ashton Beaver contributed a three-point play.

The Broncos continued the run into the second half, with Barnhizer making a layin to open the third quarter. It was now a 14-0 run and gave Jeff a 29-26 lead. Waddell ended the run with – guess what? – a dunk, but Beaver’s jumper and a 3 from Barnhizer gave the Broncos their largest lead of the game at 34-28.

Carmel then went on its biggest run of the contest, a 13-0 spurt that ran into the fourth quarter. Charlie Williams scored on a putback, Sam Orme hit a triple, and

Reporter photos by Kent Graham
Carmel was in celebration mode seconds after holding off Lafayette Jefferson 50-49 last Saturday evening to win the Class 4A Logansport regional championship. The Greyhounds advance to the semi-state, where they will play Gary West Side Saturday at Jefferson.

Waddell added five points – a putback and a 3 that finished the quarter. The score after three was 38-34, and it became 41-34 once Orme nailed a 3.

Orme continued to be hot in the fourth, hitting another 3-pointer to give Carmel a 46-37 lead. Then Barnhizer took over, scoring seven straight points to bring Jefferson within 46-44. He would lead all scorers with 27 points.

“I think you first have to give credit to them. Barnhizer is a heck of a player and he fought and fought to the end,” said Osborn. “It’d be really easy in that situation to get selfish and take bad shots or let it get out of hand. You got to give them credit for sticking with it and fighting for it, bringing their team back. He’s another guy that just made senior plays.”

Williams made two free throws to get the Greyhounds up 48-44. The Broncos responded with a Beaver basket off a Barnhizer rebound, then Jacob Collicott converted an and-1 to get Jeff ahead 49-48 with 1:44 left. Carmel was able to get the ball back, drew a foul with 17 seconds left, and Waddell took care of business at the line.

Waddell admitted he felt the pressure when he stepped up to make those free throws, especially with a loud Jefferson crowd screaming in the background.

“But that’s why we get up every week, shoot free throws,” he said. Waddell approached the moment like he was in an empty gym. “Just me and the rim, knocking down two huge free throws,” he said.

Osborn had this to say about Waddell’s success: “It couldn’t happen to a better person right now.”

“He’s worked and he’s fought through injury,” said Osborn. “He’s developed as a player and he’s matured

as a leader.” Waddell finished the game with 23 points. Peter Suder collected seven rebounds, while Waddell pulled six rebounds.

SEMI-FINAL GAME
Carmel never trailed against Homestead, and the game was only tied twice in the early stages, at 2-2 and 4-4. Williams scored the Greyhounds’ first four points on jumpers.

Meanwhile, the Spartans’ two stars, Big Ten recruits Fletcher Loyer and Luke Goode, each made a basket to keep up with Carmel. The Greyhounds answered that with a 6-0 run; Suder scored four of those points and Williams the other two. A layin from Waddell finished the first quarter and put Carmel up 12-4.

Homestead made its own run in the second quarter, using a 9-2 stretch to get within 14-13. Waddell got the ‘Hounds out of trouble with a floater, then Williams made a layin to put Carmel up 18-13. The Greyhounds expanded their lead to 25-17 by halftime, with Waddell scoring eight points in

the second quarter. “Our guys battled,” said Osborn. “They saw three different guys, both of them did, and I thought every one of our guys gave them different issues. Got in foul trouble early and we had some guys step up and guard in positions that they haven’t had to yet this year.”

Carmel stayed a step ahead of Homestead for the entire second half. The Spartans did get close early in the third quarter, when Loyer’s and-1 got Homestead within 29-25 with 6:13 left. The ‘Hounds scored the next two baskets, a putback by Waddell and a Suder layin, and they were back up by 33-25. Suder finished the period with a floater to give Carmel a 42-32 lead.

Homestead made one more push in the fourth quarter, getting within 50-46, then 53-49. Loyer did the honors in both instances, first with a 3-pointer, then a 3-point play. The Greyhounds never let the Spartans get closer, finishing the game on a 7-0 run. Williams scored six of

those points. Osborn said that Williams has “grown more than anybody” from the beginning of the season to the end.

“You talk about a kid who had every right to be a little bit frustrated early,” said Osborn. “He got sick, he had his wisdom teeth taken out. And then he would come back, and something would happen, and so he just couldn’t get in a rhythm.”

Osborn said that after Christmas, Williams found his confidence.

“And today, he put it all together. He rebounded well. He scored it well. And we need that. When you have a post presence like that, it frees up the perimeter guys a little more,” said Osborn.

Williams finished the game with 20 points, with Waddell scoring 16 and Suder adding 12. Waddell and Williams both pulled eight rebounds. Suder had seven rebounds, five assists and two blocked shots, while Gioia dished out four assists.

Summary of Ordinance 09-02-21

Ordinance No. 09-02-21, adopted by the Common Council of the City of Noblesville on February 23, 2021, repealed and replaced Chapter 90 of the Noblesville Code of City Ordinance (the "Code").

Section 90.00 adopted certain state laws and regulations.

Section 90.01 set out definitions to be used throughout the Chapter.

Section 90.02 set out the duties and responsibilities of animal owners such as allowing access to adequate food, water and space, adequate shelter, keeping all vaccinations current, protection from abuse, cruelty, neglect, torment, overload, overwork or mistreatment, providing adequate veterinary care, and maintaining in compliance with all laws and regulations.

Section 90.03 requires animal bites to be reported promptly to the local health official.

Section 90.04 sets out owner responsibilities for animal attacks/bites. It is a violation of the Chapter for an animal to chase or approach in an aggressive manner or attach a person or other domestic animal which results in injury. Defenses to the violation include if the animal is confined without means of escape, there is posted at the entrance to beware the animal and the person attached entered the enclosure as well as if the attack occurs during the commission or escape from a criminal act on the property or keeper of the animal. An animal may deemed vicious if they cause a serious injury or death and the animal may be forfeited or destroyed.

Section 90.05 sets out vaccination and tag requirements. Dogs and cats must be vaccinated against rabies and vaccinations must be kept current.

Section 90.06 set out standards against animal cruelty, neglect and abandonment. A person who kills, abuses, maims, tortures or disfigures an animal or who administers poison to any animal or exposes the animal to poison commits animal cruelty. A person who overloads, overworks, torments or intentionally deprives an animal of necessary food, water or shelter commits animal cruelty. A person who engages an animal in fighting commits animal cruelty. A person who confines an animal without shelter, food, water, space or veterinary care commits animal cruelty. A person who abandons an animal commits animal cruelty. An animal found to be the victim of animal cruelty, neglect or abandonment may be impounded. A person found to commit animal cruelty faces a fine up to \$2,500 per occurrence and their animal seized by law enforcement and relinquished to the Humane Society or ordered to counseling or to pay restitution.

Section 90.07 requires owners to remove their animal feces from public property, public walks, parks, beaches, recreation areas or private property of others.

Section 90.08 sets out standards when animals are deemed vicious and the extra precautions required for keeping animal both confined in an enclosure and when it is not in an enclosure.

Section 90.09 sets out prohibitions of keeping wild or exotic animals within city limits without the proper permits.

Section 90.10 sets out requirements for stabling of horses and ponies within the city limits, minimum of one acre.

Section 90.11 sets out requirements for keeping an animal restrained; not allowing animals to roam free off owners' property. Prohibits tethering of dogs between the hours of 11:00 pm and 6:00 am unless an owner is present while tethering is occurring. Choke chain/collar prohibited during tethering and tether cannot become caught/entangled on objects inhibiting dog's free movement. Outlines specific requirements for guard/watch dogs including signage.

90.12 requires all dogs and cats have permanent identification at all times via tag or microchip. Requires animals without permanent identification to be microchipped if impounded and transported to the Humane Society.

90.13 sets out the requirements for feral cat colonies, including care, feeding, housing, medical treatment, and spay/neuter requirements, ear tipping requirements. Allows impounding of feral cats in violation of requirements.

90.14 prohibits individuals from placing out poisonous bait, certain individual excluded.

90.15 requires individuals to report vehicle/animal collisions to notify animal owner or local enforcement agency the animal's location and condition.

90.16 prohibits animals from being kept in vehicles when the conditions in the vehicle would cause a health hazard.

90.17 sets out requirements for training of animals.

90.18 set out requirements for animals in heat.

90.19 sets out requirements for spay/neuter of dogs and cats, exceptions for health reasons, or has a breeder's permit. Outlines specific requirements for non-commercial breeding, how to obtain permit and length of time permit is valid (one year).

90.20 outlines reasons for animals to be designated as public nuisance animals.

90.21 reserved

90.22 prohibits puppies and kittens from being sold at less than eight weeks of age.

90.23 prohibits individuals from offering animals as prizes or incentives to enter any business establishments, except those selling animals as primary business.

90.24 prohibits animals (fowl) being given away as novelties or those who have been altered by means of dyes.

90.25 sets out the standards for commercial animal establishments including medical care, food/water, sanitation, shall not engage in acts of neglect/cruelty. Defines commercial animal establishments.

90.26 prohibits certain animals in the city limits unless property is zoned agricultural.

90.27 prohibits certain animal events/contests, requirements for approval of exceptions.

90.28 outlines the destruction of animals, including manner, and those who are approved to conduct such activities: licensed veterinarian, certified euthanasia technician, law enforcement, fire personnel, animal owner, those engaged in immediate self-protection.

90.29 sets out the requirements for disposing of dead animals, notification of proper authorities when finding a dead animal, timeline for disposing of bodies/parts (24 hours) for commercial establishments, prohibits offensiveness of keeping dead animals or parts thereof. Dead animals being hauled must be covered or blocked from public view. Exceptions of skinning, dissecting, etc. include legal hunting or fishing.

90.30 prohibits noisy dogs, and manners in which the issue may be addressed.

90.31 prohibits the feeding of birds in the public areas of the city without approval of park employees.

90.32 prohibits interfering with those city official designated to handle animal complaints, including removing or attempting to remove animals from city vehicles, impoundment areas, animal control shelter, or attempting to prevent an animal control officer from conducting their lawful duties.

90.33 sets out prohibitions of interfering or enticing with another person's animal, including tempting an animal to leave its own property for the purposes of keeping animal or taking to an animal control shelter, or bringing into the city an animal for the purposes of impounding the animal or collecting a fee.

90.34 prohibits animal sacrifice or the sale of animals for ritual sacrifice. Does not apply to religious slaughter or agricultural purposes.

90.35 sets forth the requirements for notification of proper authorities when stray animals are located within the city limits. Noblesville Police Department may demand any found animal and finder much relinquish said animal(s). Stray animals to be held for 7 days.

90.36 sets out the requirements when an animal bites another animal or person, must be reported to Noblesville Police Department and quarantined for 10 days per state law, at location to be determined by Police Department. Animal cannot be destroyed; exceptions, and body detainment.

90.37 provides for violations of the chapter as grounds for impoundment of animals.

90.38 reserved

90.45 reserved

90.46 reserved

90.47 sets out the requirements for housing and record keeping for veterinary clinics, hospitals, clinics and grooming salons

90.48 reserved

90.49 reserved

90.50 sets out the requirements for inspection of animals and premises where animals are kept, to inspect conditions of the animal(s) and the conditions in which they are kept. Must be in accordance with state laws, must be at reasonable times, present proper credentials, and explain reason(s) for requesting entry to the property.

90.51 reserved

90.52 reserved

90.65 sets out grounds for impoundment of animals including those in cruel, abusive, or neglectful situations, suspected abandonment, and written notice must be left advising of location and reason for the impoundment. Impounded animals to be held and the Hamilton County Humane Society or designated facility, at violators cost. Cost of any care, treatment, or euthanasia shall be at the violator's expense.

90.66 sets out the requirements of redemption including proof of ownership and payment of service/medical fees. Unclaimed animals become the property of the Humane Society.

90.75 provides the types of substances permitted for the purposes of euthanasia by approved persons/agencies.

90.76 reserved

NOTICE OF ADOPTION OF TAX RATE FOR CUMULATIVE CAPITAL DEVELOPMENT FUND

To the Taxpayers of the City of Noblesville, Hamilton County, State of Indiana: You are hereby notified that on March 9, 2021, the Common Council of the City of Noblesville, Hamilton County, Indiana, held a public hearing after publication of notice pursuant to law, concerning Ordinance No. 10-02-21, ("the Ordinance"). The Ordinance was approved and reestablished a Cumulative Capital Development Fund, ("the Fund") and a tax rate to generate money for the Fund, all pursuant to Indiana Code 6-1.1-41.

The Ordinance provides that the money in the Fund may be used for all purposes for which property taxes may be imposed by the City under Indiana Code 6-1.1-41.

The Fund will be funded by a property tax rate not to exceed \$0.0500 on each \$100 of taxable real and personal property within the City of Noblesville, Hamilton County, Indiana, beginning in 2021, payable in 2022, and each year thereafter, until reduced or rescinded.

Ten (10) or more taxpayers in the taxing district who will be affected by the tax rate and corresponding levy may file a petition with the Hamilton County Auditor, not later than noon thirty (30) days after the publication of this Notice of Adoption, setting forth their objections to the proposed rate and levy. Upon the filing of the petition, the County Auditor shall immediately certify the same to the Department of Local Government Finance, at which point the department will fix a date for and conduct a public hearing on the proposed rate and levy before issuing its approval or disapproval thereof.

Dated this 12th day of March, 2021.

COUNTY OF HAMILTON) CAUSE NO.: 29D01-2008-AD-1197
IN THE MATTER OF THE ADOPTION OF)
CONSTANTINE ROBERT CRISSMAN,)
MINOR)

NOTICE TO UNNAMED FATHER

The unnamed putative father of the child born to Shannon Rae Worlow f/k/a Shannon Crissman, or the person who claims to be the father of the child born to Shannon Worlow on October 30, 2014, is notified that a Petition for Adoption of the child was filed in the Office of the Clerk of the Hamilton County Superior Court, 1 Hamilton County Square, Noblesville, Indiana 46060.

If the unnamed putative father seeks to contest the adoption of the child, the unnamed putative father must file a motion to contest the Adoption in accordance with I.C. 31-19-10-1 in the above-named Court within thirty (30) days after the date of service of this Notice. This Notice may be served by publication.

If the unnamed putative father does not file a motion to contest the Adoption within thirty (30) days after service of this Notice the above-named Court will hear and determine the Petition for Adoption. The unnamed putative father's Consent is irrevocably implied and the unnamed putative father loses the right to contest the adoption or the validity of the unnamed putative father's implied consent to the adoption. The unnamed putative father loses the right to establish paternity of the child under I.C. 31-14.

Nothing Shannon Worlow or anyone else says to the unnamed putative father of the child relieves the unnamed putative father of his obligations under this notice. Under Indiana law, a putative father is a person who is named as or claims that he may be the father of a child born out of wedlock but who has not yet been legally proven to be the child's father.

This Notice complies with I.C. 31-19-4-4, but does not exhaustively set forth the unnamed putative father's legal obligations under the Indiana adoption statutes. A person being served with this Notice should consult the Indiana adoption statutes.

SUMMONS BY PUBLICATION

This summons is to the defendants above named, and to any other person who may be concerned. You are notified that you have been sued in the Hamilton County Circuit Court, 1 Hamilton County Square, Suite 337, Noblesville, Indiana 46060, (317) 776-9635, in an order entitled *Justin Journay, and 3C, LLC, d/b/a 3Chi v. Jane Doe and/or John Doe, Numbers 1-10*, Cause No. 29C01-2102-CT-001371, by the persons named above as plaintiffs. This summons by publication is specifically directed to all defendants, whose whereabouts and identities are unknown. The named plaintiffs are represented by Michael D. Moon, Jr., Atty. No. 19143-49, Barnes & Thornburg LLP, 11 South Meridian Street, Indianapolis, Indiana 46204.

The nature of this suit against you is defamation, including unsubstantiated accusations of fraud and unlawful activity. Plaintiffs claim damages against each defendant in an amount to be determined by the evidence, reasonable attorneys' fees and expenses, the costs of this action, and for all other just and proper relief in the premises.

An answer or other response in writing to the complaint must be filed either by you or your attorney within thirty (30) days after the last notice of the action is published, and if you fail to do so, judgment by default may be rendered against you for the relief demanded by the plaintiffs.

Dated: 3/5/2021

Bid Documents – Review:

Construction will be in accordance with the Bidding Documents, which may be viewed at the following location, as well as local plan rooms:

- City of Noblesville
- Architect / Engineer

Bidders shall assure that they have obtained complete sets of Bidding Documents and the Project Manual and shall assume the risk of any errors or omissions in Bids prepared in reliance on incomplete sets of Bidding Documents or Project Manual. Bids must be submitted on the forms contained in the Project Manual and must contain the names of every person or company interested therein.

Bid Security:

Each Bid shall be accompanied by bid security in the form of a Bid Bond as provided in the Project Manual in the amount of ten percent (10%) of the total Bid amount, including alternates with a satisfactory corporate surety qualified to do business in the State of Indiana or by a certified check made payable to the City of Noblesville, on a solvent bank in the amount of ten percent (10%) of the amount of the total Bid including alternates. The Bid Bond or certified check shall be security that the successful Bidder will, within ten (10) calendar days or such other time specified by Owner from the acceptance of the Bid, execute the Agreement and provide the required Payment and Performance Bonds, included in the Project Manual and Certificate of Insurance.

Performance Bond and Labor and Material Payment Bond:

A Performance Bond with good and sufficient surety as required by the Owner on the Form provided in the Project Manual, shall be required of the successful Bidder in an amount equal to at least one hundred percent (100%) of the Contract Sum, conditioned upon the faithful performance of the Agreement. The surety of the Performance Bond may not be released until one (1) year after the Owner's final settlement with the Contractor.

The Contractor shall provide a Payment Bond with a good and sufficient surety as required by the Owner on Form provided in the Project Manual, in an amount equal to one hundred percent (100%) of the Contract Sum. The Payment Bond is binding on the Contractor, its subcontractors, and their successors and assigns for the payment of all indebtedness to a person for labor and services performed, material furnished, or services rendered. The Payment Bond must state that it is for the benefit of the subcontractors, laborers, material suppliers, and those performing services. The surety of the Payment Bond may not be released until one (1) year after the Owner's final settlement with the Contractor.

All out-of-state bidder corporations must have a Certificate of Authority to do business in the State. Application forms may be obtained by contacting the Secretary of State, State of Indiana, Statehouse, Indianapolis, Indiana 46204.

IN THE JUVENILE COURT OF COBB COUNTY, GEORGIA

IN THE INTEREST OF:
M.C.; SEX -M; AGE - 1; DOB: 5/11/19; CASE # 20CV0951-08 Aka M.G.H. A Child Under the Age of 18 Years Old.

NOTICE OF SUMMONS

TO: Any unknown and unnamed father including Shawn Kafery, Terry Smith, Christopher Curtis, Ricky McGuire, Ryan Jones, Arthur Cider, and Christopher Schuapp. The mother of the above referenced child is Amy M. Henslee. The alleged biological father of the above referenced child is unknown.

YOU ARE FURTHER NOTIFIED that a petition for termination of parental rights in regard to the above referenced child was filed in the Juvenile Court of Cobb County, Georgia, on the 28th day of April, 2020 , and that by reason of an Order for service by publication entered by the court on the 23rd day of February, 2021;

YOU ARE HEREBY COMMANDED AND REQUIRED to appear before the Juvenile Court of Cobb County, Georgia, in Marietta, Georgia, on the 28th day of June, 2021, at 9:00 o'clock a.m. The hearing is for the purpose of determining whether parental rights should be terminated. The effect of a termination judgment as set forth under O.C.G.A. § 15-11-284 includes the following: Georgia law provides that you (i.e., a parent) can permanently lose your rights as a parent. A petition to terminate parental rights has been filed requesting the juvenile court of Cobb County, Georgia, to terminate your parental rights to your child (i.e., the above child). If you fail to appear at the hearing on the petition for termination of parental rights, then the court can terminate your parental rights in your absence.

If the court at the trial finds that the facts set out in the petition are true and that termination of your rights will serve the best interests of your child, the court can enter a judgment ending your rights to your child. If the judgment terminates your parental rights, you will no longer have any rights to your child. This means that you will not have the right to visit, contact, or have custody of your child or make any decisions affecting your child or your child's earnings or property. Your child will be legally freed to be adopted by someone else. Even if your parental rights are terminated, you will still be responsible for providing financial support (child support payments) for your child's care unless and until your child is adopted and your child can still inherit from you unless and until your child is adopted. The petition which seeks to terminate your parental rights is a very serious matter and it is suggested that you contact an attorney immediately so that you can be prepared for the court hearing on such petition. You have the right to hire an attorney and to have the attorney represent you. If you cannot afford to hire an attorney, then the juvenile court of Cobb County, Georgia, will appoint an attorney to represent you if the court finds that you are an indigent person. Whether or not you decide to hire an attorney or seek appointed counsel, you have the right to attend the hearing on such petition, to call witnesses on your behalf, and to question those witnesses brought against you.

A copy of the petition for termination of parental rights may be obtained from the clerk of the Juvenile Court of Cobb County, Georgia, which is located at 32 Waddell Street, Marietta, Cobb County, Georgia 30090, during regular business hours, Monday through Friday, 8:00 a.m. until 5:00 p.m., exclusive of holidays. A free copy shall be available to you. Upon request to the clerk, the copy will be mailed to you. The child is in the present temporary custody of the department of family and children services of Cobb County, Georgia.

The general nature of the allegations are that parental responsibilities and obligations owed to said child have been effectively abandoned.

YOU ARE FURTHER NOTIFIED that while responsive pleadings are not mandatory they are permissible and you are encouraged to file with the clerk of this court and serve upon petitioner's attorney, Lori A. Cheatham, 2774 Cobb Parkway NW, Suite 109-118, Kennesaw, Georgia 30152, an answer or other responsive pleading within sixty (60) days of the date of the order for service by publication.

All concerned parties are informed that they are entitled to have an attorney represent them and if a party requests appointed counsel and qualifies for such appointment, then the court will appoint counsel at no cost if the party is unable, without financial hardship, to employ counsel.

Witness The Honorable Wayne E. Grannis, Judge of said court.

This 23rd day of February, 2021.

**NOTICE OF ADOPTION OF TAX RATE FOR
CUMULATIVE CAPITAL DEVELOPMENT FUND**
To the Taxpayers of the City of Noblesville, Hamilton County, State of Indiana:
You are hereby notified that on March 9, 2021, the Common Council of the City
of Noblesville, Hamilton County, Indiana, held a public hearing after publication
of notice pursuant to law, concerning Ordinance No. 11-02-21, ("the Ordinance").
The Ordinance was approved and reestablished a Fire Cumulative Capital Fund,
("the Fund") and a tax rate to generate money for the Fund, all pursuant to Indiana
Code 6-1.1-41.
The Ordinance provides that the money in the Fund may be used for all purposes
for which property taxes may be imposed by the City under Indiana Code 36-8-14.
The Fund will be funded by a property tax rate not to exceed \$0.0200 on each
\$100 of taxable real and personal property within the City of Noblesville, Hamilton
County, Indiana, beginning in 2021, payable in 2022, and each year thereafter, until
reduced or rescinded.
Ten (10) or more taxpayers in the taxing district who will be affected by the tax
rate and corresponding levy may file a petition with the Hamilton County Auditor,
not later than noon thirty (30) days after the publication of this Notice of Adoption,
setting forth their objections to the proposed rate and levy. Upon the filing of the
petition, the County Auditor shall immediately certify the same to the Department
of Local Government Finance, at which point the department will fix a date for and
conduct a public hearing on the proposed rate and levy before issuing its approval
or disapproval thereof.
Dated this 12th day of March, 2021.

**NOTICE OF AVAILABILITY OF ENVIRONMENTAL ASSESSMENT (EA),
PUBLIC HEARING AND PUBLIC COMMENT PERIOD**
Indiana Department of Transportation (INDOT) and the Federal Highway
Administration (FHWA)
have published the Environmental Assessment (EA) for the Interchange Project
at U.S. 31 and 236th Street in Hamilton County, Indiana.
ENVIRONMENTAL ASSESSMENT (EA)
Federal and state funds are proposed to be used for construction of this project.
An Environmental Assessment (EA) document has been prepared for the project.
INDOT and FHWA published the EA for the National Environmental Policy
Act (NEPA) clearance for the Interchange Project at U.S. 31 and 236th Street on
Monday, March 8, 2021. It is available online at <https://www.in.gov/indot/3831.htm>. Those who want to review a printed copy may do so on or after March 12, 2021, at:
• Sheridan Public Library – 103 W 1st Street, Sheridan, IN 46069
• Hamilton North Public Library – 209 W. Brinton Street, Cicero, IN 46034
• Crawford, Murphy & Tilly's (CMT) office – 8790 Purdue Road, Indianapolis, IN 46268
• INDOT Greenfield District – 32 S. Broadway Street, Greenfield, IN 46140
Masks must be worn at the repositories. Used equipment at libraries must be
flagged (provided) for cleaning.
PREFERRED ALTERNATIVE
The proposed project will include the construction of an interchange at U.S. 31
and 236th Street. The project will grade separate 236th Street over U.S. 31 in a
tight diamond configuration. U.S. 31 will remain at the same elevation. The ramp
terminals will be single-lane roundabouts with single lane exits. The proposed
project will provide free flow operations for U.S. 31 through the corridor and
will maintain corridor consistency with most other interchanges on U.S. 31 in
Hamilton County, providing driver familiarity. Additional project information is
available at <https://www.in.gov/indot/3831.htm>.
The project has minimized other impacts to the extent practicable, including
right of way, wetlands, streams, floodplains, Section 4(f) and cultural resources.
The EA documents project impacts – including public and agency involvement
– and documents any mitigation commitments for the project.
PUBLIC HEARING AND VIRTUAL PUBLIC MEETING
In response to the current COVID-19 pandemic, INDOT will host two events:
one virtual public meeting and one in-person public hearing. The formal
presentations will be identical, and both provide an opportunity for the public to
provide testimony about the EA.
The virtual public meeting will be hosted on Microsoft Teams on Thursday,
March 25, 2021 from 5:30 to 7 p.m. with a formal presentation at 6 p.m. For the
virtual meeting information, including a call-in number, residents should
email US31Interchange@cmtengr.com or call (317) 983-3242. Anyone
who would like the presentation and/or handouts mailed to them may also email
US31Interchange@cmtengr.com or call (317) 983-3242.
An in-person public hearing will be hosted on Tuesday, March 30, 2021, from
4:30 to 7 p.m. at the Sheridan Community Center, 300 E. 6th Street, Sheridan, IN
46069. The presentation at 6 p.m. will be followed by a formal public comment
session. There will be displays and representatives available to answer residents'
questions throughout the hearing.
The public hearing will follow Indiana State Department of Health (ISDH)
guidance for health and safety protocols. Project team members will wear face
masks and/or coverings and attendees are encouraged to do so. Face masks, hand
sanitizer and access to hand washing facilities will be provided. Social distancing
guidelines will be adhered to, including monitoring the number of attendees
participating to comply with local regulations.
Attendees may make a public comment at the hearing, provide verbal
comments to a court reporter, or may return or mail a comment form available at
the public hearings and online. In accordance with the Americans with Disability
Act (ADA) and with advance notice, INDOT can provide accommodation
for persons with disabilities requiring auxiliary aids or services such as sign
language interpretation, large print materials and/or other related services. If you
are an individual with a disability or represent an ADA stakeholder group and
require accommodation related to participating at the public open house, you are
encouraged to contact Erin Pipkin at erin@compassoutreachsolutions.com or
(317) 966-7301.
PUBLIC COMMENTS
In addition to providing written or verbal comments at the public hearings, the
public may submit comments on the EA through April 15, 2021 via:
• Email to US31Interchange@cmtengr.com
• Mail to CMT's office at 8790 Purdue Road, Indianapolis, IN 46268
• A telephone line with voice mailbox at (317) 983-3242
The public comment period for the EA began on March 8, 2021, and will end
on April 15, 2021.
INDOT respectfully requests comments be submitted utilizing the options noted
above by April 15, 2021.
Please direct any questions or comments concerning this project to Adam
Burns, CMT, 8790 Purdue Road, Indianapolis, IN 46268. Comments on the
proposed project will be accepted for two (2) weeks following the public hearing.
This notice is published in compliance with Code of Federal Regulations, Title
23, Section 771 (CFR 771.111(h)(1) states: "Each State must have procedures
approved by the FHWA to carry out a public involvement/public hearing
program." 23 CFR 450.212(a)(7) states: "Public involvement procedures shall
provide for periodic review of the effectiveness of the public involvement process
to ensure that the process provides full and open access to all and revision of
the process as necessary", approved by the Federal Highway Administration,
U.S. Department of Transportation on August 16, 2012. Current INDOT Public
Involvement guidance, in response to COVID-19, can be found at <https://www.in.gov/indot/4039.htm>.

**NOTICE OF HEARING ON PROPOSED LEASE
NOBLESVILLE SCHOOLS**
You are hereby notified that a public hearing will be held before the Board
of School Trustees (the "Board") on April 20, 2021 at the hour of 7:00 p.m.
(Local Time) at 18025 River Road, Noblesville, Indiana, upon a proposed lease
agreement (the "Lease") to be entered into between Noblesville Multi-School
Building Corporation (the "Building Corporation"), as lessor, and Noblesville
Schools (the "School Corporation"), as lessee.
The proposed Lease upon which hearing will be held is for a term of twenty
(20) years, commencing, with regard to Education Service Center (Tract I),
with the acquisition of title to the building to be renovated by the Building
Corporation, and commencing, with regard to Tennis Facility (Tract II), with the
completion of the building to be constructed by the Building Corporation. The
Lease provides for rental during renovation for Tract I in the maximum amount
of \$1,300,000 per payment payable on June 30 and December 31 beginning on
June 30, 2022 until completion of construction. Thereafter, the Lease provides
for a maximum annual rental of \$2,600,000, payable on June 30 and December
31 of each year during the term of the Lease, commencing with the completion
of the building or June 30, 2023, whichever is later. As additional rental, the
School Corporation shall maintain insurance on the buildings as required in the
Lease, shall pay all taxes and assessments against such property, as well as the
cost of alterations and repairs, and shall pay rebate amounts to the United States
Treasury, as necessary. After the sale by the Building Corporation of its ad
valorem property tax first mortgage bonds to pay for the cost of the buildings,
including the acquisition of the sites thereof and other expenses incidental
thereto, the annual rental shall be reduced to an amount equal to the multiple of
\$1,000 next higher than the sum of principal and interest due on such bonds in
each twelve-month period ending on January 15 plus \$5,000, payable in equal
semiannual installments.
The Lease gives an option to the School Corporation to purchase the property
on any rental payment date.
The building to be renovated will be the Education Service Center located at
18025 River Road, Noblesville, Indiana and the facility to be constructed will be
Tennis Facilities located at 1610 Field Drive, Noblesville, Indiana. Both located
in the School Corporation.
The plans and specifications, including the estimates for the cost of said
renovation and construction as well as a copy of the proposed Lease, are
available for inspection by the public on all business days, during business hours,
at the Administration Building of the School Corporation, 18025 River Road,
Noblesville, Indiana.
At such hearing all persons interested shall have a right to be heard upon
the necessity for the execution of the Lease, and upon whether the Lease
rental provided for therein to be paid to the Building Corporation is a fair and
reasonable rental for the proposed buildings. Such hearing may be adjourned
to a later date or dates, and following such hearing the Board of the School
Corporation may either authorize the execution of the Lease as originally
agreed upon or may make modifications therein as may be agreed upon with the
Building Corporation.
Dated this 15th day of March, 2021.

Bobilya sets 3-point records in title game . . .

'Incredible' defense leads Golden Eagles to regional championship

LEFT: Guerin Catholic's Matthew Gillis reached double-double status during the Golden Eagles' regional semi-final game last Saturday against host Greencastle. Gillis had 20 points and 11 rebounds in that game, helping Guerin Catholic to a 52-41 victory. The Golden Eagles would later beat Northview 59-43 to win the regional championship.

RIGHT: Will Grissom scored nine points and pulled five rebounds for Guerin Catholic during its semi-final game with Greencastle.

Coaches like to say “defense wins championships,” and Guerin Catholic’s defense did just that last Saturday.

The No. 6-ranked Golden Eagles triumphed at the Class 3A Greencastle regional, first beating the host Tiger Cubs 52-41 in the semi-finals. That sent Guerin into the championship, where it defeated Northview 59-43. That game featured an incredible shooting performance by senior Joseph Bobilya, who scored a career-high 40 points and made a school-record 10 3-pointers.

The GC offense scored quite a few points, and the defense did its part in helping the Golden Eagles win their fourth regional championship and first since 2015. Guerin Catholic held both of its opponents to well under their season averages.

“Our defense was incredible today,” said Golden Eagles coach Bobby Allen.

The defense was ready from the start, as Guerin Catholic jumped out to a 12-2 lead over Greencastle after one quarter. The Tiger Cubs cut into the Golden Eagles’ advantage in the second quarter, but GC still led 25-19 at halftime. Guerin held a 32-27 lead after three periods, then pulled away in the fourth with a 20-point quarter.

Matthew Gillis reached double-double status with 20 points and 11 rebounds, while Kaleb Edwards added 14 points. Will Grissom collected five re-

bounds and Bobilya dished out four assists.

RECORD-SETTING GAME

In the championship game, Guerin Catholic outscored Northview in each of the four quarters. The Golden Eagles went up 11-10 after one period, then jumped out to a 26-17 lead by halftime. Guerin led 43-32 after three quarters.

Bobilya led the way, making 10 of 16 3-point attempts. That sets new records for most field goals attempted and made in a Guerin Catholic game. The old records were seven 3s made and 14 attempted, both set by Christian Munson.

“Everything he threw up was going in,” said Allen. “Towards the end of the game, he realized that they were trying to take him out, and he was able to get the ball where it needed to go in the end.”

Edwards added 10 points and led the rebounds with eight. He also played tough defense the entire time in both games.

“He had the two toughest assignments and he stepped up and he played incredible defense for 64 minutes today,” said Allen.

Jack Cherry and Gillis both collected seven rebounds against Northview, while Grissom handed out six assists.

The Golden Eagles improved to 21-3 after the victory. Guerin Catholic will play in Saturday’s Class 3A south semi-state, taking on No. 2-ranked Silver Creek at Seymour.

'Hounds overwhelm Millers in season opener

By RICHIE HALL

NOBLESVILLE - Carmel boys lacrosse coach Jack Meachum said his team’s mantra this season is “fast and aggressive.”

The Greyhounds lived up to that last Wednesday when they played their season-opening game against Noblesville at the Millers’ Beaver Materials Field. Carmel overwhelmed Noblesville 22-1, with its junior class leading the attack.

“We played great,” said Meachum. “It was fun to see a lot of different guys contribute. We talk a lot about being fast and aggressive and getting up and down the field, and the boys did a really good job of that.”

The ‘Hounds set the tone early, scoring their first goal just 46 seconds into the game. Junior Jake Klein was the first to find the back of the net. Klein did it again in short order, putting in his second goal exactly one minute after scoring his first.

Junior Bryce Cannon got Carmel’s third goal with 8:26 left in the first period. Noblesville got its lone goal soon after, with junior Tyler Roberts finding the back of the net at the 6:56 mark. But the Greyhounds poured in four goals during a 78-second span to go up 7-1. Klein notched his third goal during that flurry.

Carmel added six more goals in the second quarter for a 13-1 halftime lead. Klein added two more scores to take his tally up to five goals, while junior Matthew Rodgers and sophomore Kyle Fedorchka both got one goal, after having scored one each in the second quarter.

“We have some really strong senior leaders and we have a lot of talented juniors,” said Meachum. The Greyhounds’ junior class was responsible for 16 of the team’s 22 goals.

“It’s a pretty wide range from freshmen to seniors on this team, but our senior leadership this year’s pretty unique and we have a really talented junior class behind it,” said Meachum. “It’s a fun team.”

Carmel scored four times in the third period, with Rodgers putting in two of those goals. The Greyhounds then added five more goals in the fourth quarter. Klein scored for the sixth time 11 seconds into the period, and sophomore Leo Hammons put in two more goals to finish the game.

Noblesville coach Mark Milam was pleased with his team’s effort in the face of such a tough team.

“I think the kids played with a lot of effort,” said Milam. “The kids played with a lot of passion. The thing is, when we scheduled this game, we knew what the possible

outcome could be. But we like to look to people who have had success in this league.”

Milam used the example of his alma mater, reigning state champion Cathedral, who played reigning national champion Culver Academies and also lost a tough game.

“The idea being is, if you want to get better, you have to play teams that are better than you,” said Milam. “And you have to try and follow what teams that have had success do.”

Milam also wants his team to focus on what he calls effort over the long-haul, as opposed to effort in the moment.

“Effort over the long haul is, hitting the ball playing wall-ball,” said Milam. “It’s going running when you don’t want to. It’s picking up your stick, getting together with your friends and going to shoot. Effort in the long haul pays off and creates success.”

Klein scored six goals for Carmel, followed by Rodgers with five and Fedorchka with three. After Hammons’ two fourth-quarter goals, six other Greyhounds had one goal each: Senior Meade Hicks, followed by juniors Cannon, Chase Arbuckle, Will Spraeitz, John Keeney and Brannick Arbuckle.

Hamilton County basketball players compete in college tournaments in Indianapolis

Hamilton Southeastern graduate Mabor Majak (pictured here during CSU's semi-final win over Milwaukee last Monday) is a freshman with the Vikings team this season. As a first-year player, Majak has seen action in 11 games. He scored four points and pulled three rebounds in Cleveland State's Dec. 13 game at Ohio State, and three points at the Viking's Dec. 6 contest at Ohio University.

Carmel's Kate Clarke, Westfield's Alyssa Crockett named as Girls Junior All-Stars

Over 24 years of games, from 1996 through 2019, the Indiana Senior girls lead the Indiana Junior girls 39-10 and the Indiana Senior boys lead the Indiana Junior boys 39-10. In five years of games against the Kentucky Juniors, the Indiana Junior girls lead 9-1 and the Indiana Junior boys lead 6-4. Games against the Kentucky Juniors were played in 2012, 2013, 2014, 2018 and 2019.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
