

Courthouse Square removed from Noblesville's city logo

Fishers residents among first to see new design

The REPORTER

Noblesville Mayor Chris Jensen announced the selection of a new city logo at a Hamilton Southeastern School Board meeting last Tuesday. Those in attendance at the meeting were some of the first to see the new design.

In August of last year, the City of Noblesville contracted with Indianapolis-based consulting firm Hiron's for \$20,000 to design a new city logo and to refresh Noblesville's brand.

The new design replaces the current logo that features the historic courthouse that sits in the middle of Noblesville's historic downtown square.

In August, Jensen said, "The city is seeking to do a whole refresh of our brand to highlight

both the history of Noblesville, as well as promote the progress made and growth to come."

Emily Gaylord, Communications Director for the City of Noblesville, said, "We just thought it was time for a new brand because the current one is a building that belongs to the county. We'd like something that shows a city with a rich history that is ripe for progress."

After receiving several design options from Hiron's, Noblesville offered area residents the opportunity to vote one of five options. The new logo was not among them.

Hamilton County gets \$65.5 million in pandemic relief

By FRED SWIFT
ReadTheReporter.com

Hamilton County government will share 'big time' in the federal stimulus grants to local governments, getting \$65,555,000. The money will arrive in two disbursements, the first half on May 10 this year, and the other half on May 10 next year.

The money is designed to recover lost revenue from the national pandemic, and allows it to be spent on any number of services that suffered such pandemic losses, says county grants administrator Todd Clevenger.

Actually, the county did not suffer the extreme losses that some localities experienced. County revenues through property taxes and local income taxes held up fairly well through the past year.

Cities and towns within the county will each receive their own grants based on criteria set by the federal legislation. In total, these amounts will likely exceed the \$65 million the county receives.

The money is in addition to the \$10 million the county is getting for rent assistance to individuals, a grant being administered by the Washington Township Trustee's office.

And, all individuals in the county are also due to receive \$1,400, with lesser amounts to those whose annual earnings exceed \$75,000.

Spending of the county's grant will be determined by county commissioners and subject to appropriation by the county council.

County Surveyor Kent Ward given DoD's Seven Seals Award

The REPORTER

The Employer Support of the Guard & Reserve (ESGR) through the U.S. Department of Defense recently recognized Hamilton County Surveyor Kenton Ward with its Seven Seals Award.

ESGR is the lead Defense Department program promoting cooperation and understanding between civilian employers and their National Guard and Reserve employees.

Ward was nominated for the award by Sgt. First Class Scott Dykes, a Section Corner Technician in the surveyor's office and a member of the Army National Guard. Dykes recently returned from a nine-month deployment to Kuwait.

"Kent did more than just hold a job for me while I was gone," Dykes said. "The entire Surveyor's office was really supportive,

even sending a couple of care packages while I was gone. Mine was the first deployment out of

their office and they went above and beyond in terms of support."

The Seven Seals Award is

presented in recognition of significant individual or organizational achievement, initiative, or support that promotes and supports the ESGR mission, to include the efforts of the more than 4,500 volunteers who carry out ESGR's mission across the Nation on a daily basis.

"I like to hire veterans like Scott whenever I can," Ward says. "They know the chain of command, have a good work ethic and demonstrate initiative. Scott is a quick study and has been an excellent asset to our team."

ESGR develops and promotes supportive work environments for service members in the Reserve Components through outreach, recognition, and educational opportunities that increase awareness of applicable laws and resolves employer conflicts between the service members and their employers.

Celebrating 50 years of golf at Brookshire

Carmel's official golf course gets new logo, upgrades to course and clubhouse

The REPORTER

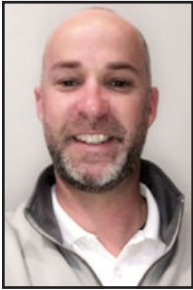

Carmel's official municipal golf course, Brookshire Golf Club, will celebrate its 50th anniversary this year with a new logo, upgrades to the 18-hole public golf course, and new features to the two-year-old Brookshire Clubhouse.

Established in 1971, the golf course – located east of Keystone Parkway near 116th Street and Gray Road – is marking its 50th anniversary season and the first unofficial round of golf ever played on June 25, 1971. The City purchased this golf course in 2007 in order to preserve it as a public amenity, rather than being replaced by private development.

"Brookshire is a fixture in Carmel's history that we plan to preserve and improve now and in the future; a wonderful community asset," Carmel Mayor Jim Brainard said. "We hope our residents and visitors use this 50th anniversary

Noblesville bypass to exceed \$113.5M

Downtown traffic to be reduced by 24%, reroute will improve east-west connectivity

By JEFF JELLISON
Reporter Publisher

Last Tuesday, Noblesville Mayor Chris Jensen, along with other city officials, presented the city's plan for a proposed bypass around downtown Noblesville. The project is titled by city officials as Reimagine Pleasant Street.

Reimagine Pleasant Street is a multi-year initiative expected to improve east-west

connectivity and accessibility through Noblesville with an expected cost exceeding \$113.5 million.

The price tag includes two county funded bridges – one over White River at a cost of \$15.5 million, and the other crossing Cicero Creek at a price yet to be determined.

The project will create a new east-west corridor through Noblesville.

Information published on

the project's website describes the location of the bypass as follows:

Beginning from the west, the project begins at the intersection of State Road 32 and Hague Road and continues south and east across the White River, where it will follow the former Midland Trace railroad bed. The project will then jog south to 8th Street and continue south to the existing alignment of Pleasant Street. Unlike

previous designs, this corridor will minimize impact to the National Register-listed Plum Prairie Residential Historic District.

The corridor will continue on the existing alignment of Pleasant Street to 19th Street.

Noblesville officials estimate the bypass is expected to result in a 24 percent reduction in traffic on SR 32 through the

Noblesville Mayor Chris Jensen discusses eastward expansion into HSE school district

By LARRY LANNAN
LarryInFishers.com

The Hamilton Southeastern (HSE) School District has been known as mostly a Fishers school system. It takes in the entire city of Fishers, unincorporated areas of Fall Creek and Delaware townships, as well as all of Wayne Township.

The City of Noblesville projects that it will be expanding east into Wayne Township, meaning what had been a rural area will see population

growth as development moves in that direction.

For that reason, Noblesville Mayor Chris Jensen and members of his staff addressed the HSE school board on his city's plans that will impact HSE Schools. Jensen projects that in the coming five to 10 years, the population of Noblesville will double in size, with most of that growth happening within the HSE school district.

Jensen

HSE is constructing a new school within the current boundaries of Noblesville at 156th Street and Boden Road, named Deer Creek Elementary. Jensen reviewed the commercial development and other infrastructure improvement plans for that area of the city.

HSE Superintendent Allen Bourff asked how Noblesville will work with Fishers on pro-

viding School Resource Officers – sworn police stationed at schools. Chad Knecht, Director of Public Safety for Noblesville, said his staff will work with Fishers for consistency in providing School Resource Officers to HSE Schools.

Joining Mayor Jensen and Knecht in speaking before the school board were Noblesville Deputy Mayor Matt Light and Noblesville Community and Economic Development Director Sarah Reed.

This week, the Hamilton County Reporter is publishing Annual Performance Reports (APRs). You will find the reports for Noblesville, Hamilton Heights, Hamilton Southeastern, Sheridan, and Westfield Washington schools on Pages A5 through A11.

Noblesville set to move forward with Downtown Streetscape plan

The REPORTER
The Downtown Streetscape project has its origins in the 2018 Streetscape Master Plan.
This phase of the Downtown Noblesville Streetscape program will focus on Logan Street between Eighth and 10th streets, and Ninth Street between Conner and Clinton streets. The Downtown Streetscape project goals include:

- Support and sustain downtown businesses through significant infrastructure and aesthetic investments
- Preserve and protect historic and charming elements of downtown
- Significantly increase pedestrian friendliness and safety through widened sidewalks

- Preparation for new residents through extra walking space
- Post-COVID recovery efforts with more outdoor space for businesses to use
- Encourages a healthy lifestyle

City officials talked with many downtown businesses in the fall of 2020 as to preferred project timing in light of last year's economic disruptions, and according to city officials, the overwhelming majority view at the time was to move forward with project construction in 2021.
The city and the Downtown District Committee recently completed open house meetings with more than 50 downtown businesses and stakeholder groups, including Noblesville Preservation Alliance, Chamber, Nick-

el Plate Arts, Downtown Restaurant Association, and Main Street to get additional feedback on the project.
The city has moved its focus to 2022 for the construction season. City officials say that waiting a year also is optimal for the coordination of other developments and projects, particularly involving some of the aging wastewater infrastructure downtown.
The city plans to move forward this year with preparatory work and some smaller-scale steps to beautify the Downtown Square. Between now and when construction starts in 2022, the city will continue to engage with downtown merchants, residents, and other key stakeholders to get their feedback and explain the strategies the city is pursuing to make downtown a more pedestrian-friendly space and to help drive more business to valued restaurants, retailers, and service providers.
Bid letting for this project will be held later this year.
With the redesign of Logan Street, some parking spaces will be reallocated to a number of places in close proximity to the Downtown Square, including surface lots, on street and the Levinson (which is scheduled to open Aug. 1 with more than 200 parking spaces for the public), and the future Hamilton County Parking Garage (which would be open to the public on evenings and weekends once completed).
City officials say that these plans will result in a net increase in overall parking downtown.
Information obtained from the city indicates Noblesville is pursuing state funding in coordination with the Indiana Department of Transportation and regional Metropolitan Planning Organization (MPO), including an application for \$10 million for Phase 1.
Additional funding for the project could include a vehicle excise tax of \$25 per registered vehicle within the City of Noblesville and city officials are considering an increase in the current \$1.10 per \$1,000 assessed valuation property tax rate.
According to project documents, the city will tap numerous other funding sources to minimize the costs to taxpayers, including revenue generated through new private investments, that are already underway that will result in additional tax increment revenue of \$500,000 per year.
Construction is expected to begin in late 2022 with utility relocation. Roadwork is estimated to start in the spring of 2023.
Construction will be conducted in three phases:
1. The first phase will create the connection over the White River from River Road to 10th Street.
2. The second phase will improve existing Pleasant Street from 10th Street to SR 37.
3. The third phase will connect Pleasant Street from River Road to SR 32 at the Hague Road intersection.
City officials estimate the entire project should be completed in the fall of 2025.

County Elections Administrator Beth Sheller earns state certification

The REPORTER
Hamilton County Elections Administrator Beth Sheller recently completed a Certificate in Election Administration, Technology, and Security (CEATS) through Ball State University.

The program, in cooperation with the Secretary of State's office and the Indiana Election Division, serves to professionalize interest in election administration, provide instruction and troubleshooting on various voting systems, provide information on technology, security, election personnel training, management, election law, and Election Day reporting.

The program consists of two phases of instruction. The final stage is a capstone project utilizing informa-

tion gained throughout the program. Sheller's project focused on Poll Worker Instruction and included updating current manuals and researching new ways to train poll workers for Election Day.

Sheller received a scholarship from the Secretary of State's office to cover the cost of tuition. Hamilton County Clerk Kathy Kreag Williams said, "Beth will be able to use the information she learned to administer fair and efficient elections for Hamilton County."

"The CEATS Program taught me skills for election management that I will use for upcoming elections," Sheller said. "This was a great opportunity, and I am appreciative for the many things I was able to learn."

Supt. Bourff recommends four-day in-person classes at HSE junior highs starting April 12

By LARRY LANNAN
[LarryInFishers.com](#)

Hamilton Southeastern School Superintendent Allen Bourff covered a number of topics in a video message released Friday, including his recommendation on junior high school students moving to in-person classes.

"I will be making a recommendation to the school board ... to shift Junior Highs to an in-person, four-

day week, beginning Monday, April 12," said Bourff in the video message. The final decision rests with the seven-member board of trustees, which is set to meet at 7 p.m. Wednesday night.

Bourff points to a survey conducted with families of junior high school students, showing 86 per-

cent support for in-person instruction, even if school officials are not always able to adhere to CDC guidelines. With the new guidance of three-foot social distancing, Bourff says "even that will be difficult in some circumstances."

A total of 73 percent of the respondents favor four-

days-a-week in class over the hybrid system.

Of those families with in-person students, 38 percent did not respond to the survey, and 64 percent of families with virtual students failed to respond.

"I want you to be aware that without a response, we will assign in-person students to an in-person schedule and virtual students will remain virtual until the end of the semester," the superintendent said.

Carmel students in grades 6-12 will not return for full in-person learning this school year

WISH-TV | [wishtv.com](#)

Carmel Clay Schools students in grades 6-12 will not return to full in-person instruction during the remainder of the school year, according to an update posted to the school's website last Wednesday.

"We have determined that it is in the best interests of our students to remain in the hybrid model for the remaining 8 weeks of the school year," said Superintendent Dr. Michael Beresford.

Beresford cited social distancing, transportation,

and class size and balance as the reasons for the decision. The school said it plans to return to full-time, in-person learning in the fall.

"We will continue to work with our medical community and follow the safety precautions moving forward," the statement read.

"We will also work with the school community at CHS and each middle school to create additional social opportunities and events where students who feel comfortable can safely gather before the end of the school year."

With the new logo, Brookshire chose to incorporate the image of its history. The crest of the logo mimics the pillars at the entrance of the Brookshire neighborhood, which is accessible off of Gray Road, just north of 116th Street and along 126th Street, west of Gray Road.

"The golf course is also continuing to see improvements with new bridges going in and we continue to work on getting paved cart paths all the way around the course," said Brian Ballard, PGA Director of Golf at Brookshire. "We are also installing two state-of-the-art indoor golf simulators in our new clubhouse in hopes of offering year-round golf experiences in Carmel."

Brookshire is expanding its pro shop by bringing in new merchandise, including T-shirts, pullovers, headwear, polos, tumblers, poker chips, and other items with the new logo. You can also look for new clothing apparel lines like Nike, Bad Birdie, Levelwear, and Black Clover.

Brookshire will continue with safety procedures and precautions.

"Our goal is to provide a safe outdoor environment for people to be able to enjoy golf at Brookshire," Ballard said. "Customers and staff are still wearing masks inside the clubhouse, we continue to fog restrooms and other common areas, as well as disinfecting guest golf carts immediately after they are turned in."

Tell me a story

BROUGHT TO YOU BY FIRST FARMERS BANK & TRUST OF CICERO

W e l c o m e back to the third installment of our story about a warren of rabbits on a hill outside of town. We left two of our inquisitive bunnies facing off with the cat that lived in the blue house whose yard held the sandbox. Has their curiosity gotten the better of them?

Cats are contrary creatures. This is not an insult. Many people are contrary creatures as well. The cat that had been chasing the two rabbits around the sandbox is typical for her species. The rabbits sat quivering on their side of the tiny arena, eyes beginning to glaze over as panic, originally pushing them into thoughtless and frantic flight, now clamped around their muscles in a kind of allowed paralysis. The cat, sometimes called Princess by the little girls, more often referred to as monster and even more colorful names by their mother, determined that this was the perfect time for a quick bath in the sun. The rabbits, quite obviously, could wait.

And wait they did, watching the tabby as she groomed her tail, seemingly at ease but always, always glaring at the two rabbits, ready to resume the chase at a moment's notice. The standoff couldn't last, and our two intrepid bunnies would surely have come away from the encounter on the losing end, but the little girls chose that moment to return to the yard.

"Princess!" they squealed and pounced on the long-suffering feline. And

then, "Look, sis! Mom! Rabbits!"

The smaller girl made a dash for the rabbits but upon seeing their tormentor captured in the loving embrace of the humans, they recognized the sandbox walls as the easily cleared obstacles they were and made a quick escape back towards the hill.

If you've ever read any stories about Peter Rabbit, you'll know that rabbits, as innocent and mild as any small creature upon the earth, are also mischievous. They're not above playing pranks on each other, which usually consists of hiding outside of one another's burrows and pouncing upon the unsuspecting victim at the earliest opportunity for a quick tussle. If you have time and the opportunity to observe a warren of rabbits, which is difficult, as they tend to avoid people, you'll notice all kinds of social dynamics that we don't see when a lone hare crosses our path. When Princess the cat interrupted our two adventurers, they reacted on instinct. As calm once again settled over the hill, however, without any of the tiresome conversation and planning that keeps us humans from concocting nearly as many schemes as we could, they came to the conclusion that not only would they return to the sandbox, they would make sure that they weren't caught in the same precarious situation again. The cat might show up, but if she did, they would be ready for her.

The bigger rabbit used all of his charisma and a considerable amount of good-natured bullying to gather a trio of young rabbits together, and along with his earlier companion, the group of bunnies set off down the hill later that evening. The sun had started to drop towards the western horizon, but its stately process promised another hour of daylight. No amount of bunny bravado would see these rabbits so far away from their burrows once dusk settled across the land.

As they scampered closer to the blue house and the sandbox with its mysterious red bucket, movement in the shadow of the house betrayed the tabby. She was crouched low, hugging the side of the home, intent upon the line of rabbits that threatened the boundaries of her domain.

The rabbits huddled together, ready to run, looking back at the cat. The biggest rabbit, unofficial leader of this expedition, slowly bounded to the ledge of the sandbox. Rising up on his hind legs, he did not so much remember the weasel that he'd backed down, he just felt slightly more of an urge to move forward and face danger than to run from it. With an almost contemptible glance at the crouching tabby, he hopped down into the sandbox, moved to the bucket, and began to dig.

Thanks for reading the third installment of this story. Next week, we'll find out what happens. Does the cat catch a rabbit? Do the rabbits gain a bucket? And what do they want with it, anyways? Until then, from First Farmers Bank & Trust, I'm Jess, and I'm listening.

| 2020 School Corporation Annual Performance Report (APR) | |
|---|--|
| General Explanations The APR is a report on the performance of schools and school corporations (districts) in your area. The goal is to provide information regarding the progress schools are making to help students become college-and-career ready. Where possible, this report contains three years of data to show trends - not just this year's results. In addition, the State Average is also shown for comparison purposes. There are additional indicators that are available on the Indiana Department of Education's Web site (inview.doe.in.gov), including data broken out by different student subgroups, such as race, gender, income level and special education. Indiana educators and citizens have developed higher academic standards for all students. These standards are necessary to prepare Indiana students to be successful in life, whether they go directly to higher education or to the workplace. For high schools, you will see graduation rates and the percentage of graduates who plan to go on to college. Other important data are provided, such as average attendance rates and indicators of school safety, including expulsions and suspensions. Also included is information about your school corporation, such as how much is spent, on average, for each student; how much teachers are paid; and the percentage of corporation students who are in special education classes or gifted and talented classes. NOTICE OF AVAILABILITY OF ENVIRONMENTAL ASSESSMENT (EA), PUBLIC HEARING AND PUBLIC COMMENT PERIOD
Indiana Department of Transportation (INDOT) and the Federal Highway Administration (FHWA)
have published the Environmental Assessment (EA) for the Interchange Project at U.S. 31 and 236th Street in Hamilton County, Indiana.
ENVIRONMENTAL ASSESSMENT (EA)
Federal and state funds are proposed to be used for construction of this project. An Environmental Assessment (EA) document has been prepared for the project. INDOT and FHWA published the EA for the National Environmental Policy Act (NEPA) clearance for the Interchange Project at U.S. 31 and 236th Street on Monday, March 8, 2021. It is available online at <https://www.in.gov/indot/3831.htm>. Those who want to review a printed copy may do so on or after March 12, 2021, at:

- Sheridan Public Library – 103 W 1st Street, Sheridan, IN 46069
- Hamilton North Public Library – 209 W. Brinton Street, Cicero, IN 46034

- INDOT Greenfield District – 32 S. Broadway Street, Greenfield, IN 46140

Masks must be worn at the repositories. Used equipment at libraries must be flagged (provided) for cleaning.
PREFERRED ALTERNATIVE
The proposed project will include the construction of an interchange at U.S. 31 and 236th Street. The project will grade separate 236th Street over U.S. 31 in a tight diamond configuration. U.S. 31 will remain at the same elevation. The ramp terminals will be single-lane roundabouts with single lane exits. The proposed project will provide free flow operations for U.S. 31 through the corridor and will maintain corridor consistency with most other interchanges on U.S. 31 in Hamilton County, providing driver familiarity. Additional project information is available at <https://www.in.gov/indot/3831.htm>.
The project has minimized other impacts to the extent practicable, including right of way, wetlands, streams, floodplains, Section 4(f) and cultural resources.
The EA documents project impacts – including public and agency involvement – and documents any mitigation commitments for the project.

NOTICE TO TAXPAYERS OF ADDITIONAL APPROPRIATION
Notice is hereby given to the taxpayers of the Noblesville Schools (the "School Corporation") that the Board of School Trustees (the "Board") of the School Corporation will meet at 18025 River Road, Noblesville, Indiana, at the hour of 7:00 p.m. (Local Time) on April 20, 2021, to consider the following additional appropriation which the Board considers necessary to meet the need existing at this time:
An appropriation in the amount not to exceed \$22,540,000, plus investment earnings thereon, on account of multiple projects, including the renovation of and improvements to school corporation facilities, including site improvements, construction of a tennis facility and the purchase of equipment and technology (the "Projects"), including the incidental expenses necessary to be incurred in connection with the Projects. The funds to meet such additional appropriation are to be provided by the sale of real estate to the Noblesville Multi-School Building Corporation.
The foregoing appropriation is in addition to all appropriations provided for in the existing budget and tax levy, and a need for such appropriation exists by reason of the inadequacy of the present buildings to provide necessary school facilities.
Taxpayers of the School Corporation appearing at the meeting shall have the right to be heard in respect to the additional appropriation.
In light of the changing circumstances as they relate to COVID-19 and the Indiana Governor's Executive Orders regarding social distancing, please check the School Corporation's website prior to the scheduled hearing to receive up to date information about meeting logistics.

IN THE JUVENILE COURT OF COBB COUNTY, GEORGIA
IN THE INTEREST OF:
M.C., SEX -M, AGE - 1, DOB: 5/11/19; CASE # 20CV0951-08 Aka M.G.H. A Child Under the Age of 18 Years Old.
NOTICE OF SUMMONS
TO: Any unknown and unnamed father including Shawn Kaferly, Terry Smith, Christopher Curtis, Ricky McGuire, Ryan Jones, Arthur Cider, and Christopher Schuapp. The mother of the above referenced child is Amy M. Henslee. The alleged biological father of the above referenced child is unknown.
YOU ARE FURTHER NOTIFIED that a petition for termination of parental rights in regard to the above referenced child was filed in the Juvenile Court of Cobb County, Georgia, on the 28th day of April, 2020 , and that by reason of an Order for service by publication entered by the court on the 23rd day of February, 2021:
YOU ARE HEREBY COMMANDED AND REQUIRED to appear before the Juvenile Court of Cobb County, Georgia, in Marietta, Georgia, on the 28th day of June, 2021, at 9:00 o'clock a.m. The hearing is for the purpose of determining whether parental rights should be terminated. The effect of a termination judgment as set forth under O.C.G.A. § 15-11-284 includes the following: Georgia law provides that you (i.e., a parent) can permanently lose your rights as a parent. A petition to terminate parental rights has been filed requesting the juvenile court of Cobb County, Georgia, to terminate your parental rights to your child (i.e., the above child). If you fail to appear at the hearing on the petition for termination of parental rights, then the court can terminate your parental rights in your absence.
If the court at the trial finds that the facts set out in the petition are true and that termination of your rights will serve the best interests of your child, the court can enter a judgment ending your rights to your child. If the judgment terminates your parental rights, you will no longer have any rights to your child. This means that you will not have the right to visit, contact, or have custody of your child or make any decisions affecting your child or your child's earnings or property. Your child will be legally freed to be adopted by someone else. Even if your parental rights are terminated, you will still be responsible for providing financial support (child support payments) for your child's care unless and until your child is adopted and your child can still inherit from you unless and until your child is adopted. The petition which seeks to terminate your parental rights is a very serious matter and it is suggested that you contact an attorney immediately so that you can be prepared for the court hearing on such petition. You have the right to hire an attorney and to have the attorney represent you. If you cannot afford to hire an attorney, then the juvenile court of Cobb County, Georgia, will appoint an attorney to represent you if the court finds that you are an indigent person. Whether or not you decide to hire an attorney or seek appointed counsel, you have the right to attend the hearing on such petition, to call witnesses on your behalf, and to question those witnesses brought against you.
A copy of the petition for termination of parental rights may be obtained from the clerk of the Juvenile Court of Cobb County, Georgia, which is located at 32 Waddell Street, Marietta, Cobb County, Georgia 30090, during regular business hours, Monday through Friday, 8:00 a.m. until 5:00 p.m., exclusive of holidays. A free copy shall be available to you. Upon request to the clerk, the copy will be mailed to you. The child is in the present temporary custody of the department of family and children services of Cobb County, Georgia.
The general nature of the allegations are that parental responsibilities and obligations owed to said child have been effectively abandoned.
YOU ARE FURTHER NOTIFIED that while responsive pleadings are not mandatory they are permissible and you are encouraged to file with the clerk of this court and serve upon petitioner's attorney, Lori A. Cheatham, 2774 Cobb Parkway NW, Suite 109-118, Kennesaw, Georgia 30152, an answer or other responsive pleading within sixty (60) days of the date of the order for service by publication.
All concerned parties are informed that they are entitled to have an attorney represent them and if a party requests appointed counsel and qualifies for such appointment, then the court will appoint counsel at no cost if the party is unable, without financial hardship, to employ counsel.
Witness the Honorable Wayne E. Grannis, Judge of said court.
This 23rd day of February, 2021.

NOTICE TO UNNAMED FATHER
The unnamed putative father of the child born to Shannon Rae Worlow f/k/a Shannon Crissman, or the person who claims to be the father of the child born to Shannon Worlow on October 30, 2014, is notified that a Petition for Adoption of the child was filed in the Office of the Clerk of the Hamilton County Superior Court, 1 Hamilton County Square, Noblesville, Indiana 46060.
If the unnamed putative father seeks to contest the adoption of the child, the unnamed putative father must file a motion to contest the Adoption in accordance with I.C. 31-19-10-1 in the above-named Court within thirty (30) days after the date of service of this Notice. This Notice may be served by publication.
If the unnamed putative father does not file a motion to contest the Adoption within thirty (30) days after service of this Notice the above-named Court will hear and determine the Petition for Adoption. The unnamed putative father's Consent is irrevocably implied and the unnamed putative father loses the right to contest the adoption or the validity of the unnamed putative father's implied consent to the adoption. Ordinance No. 03-02-2021-1
AN ORDINANCE AMENDING CHAPTER 50 OF TITLE V OF THE CICERO MUNICIPAL CODE OF ORDINANCES

WHEREAS, the Town of Cicero (hereinafter "Town") owns and operates the Cicero Water Utility (hereinafter "Utility") to provide clean drinking water (hereinafter "Services") to residents of the Town; and

WHEREAS, federal and state law require that the Utility make Services available to any and all residents of the Town that wish to receive it (hereinafter "Customers"); and

WHEREAS, the Utility relies on the collection of various fees to cover the costs of operating the Utility; and

WHEREAS, these costs include, but are not limited to, costs associated with the production and cleaning of water, pumping water throughout the Utility's system, the making of necessary repairs, system maintenance, system improvements, meeting federal and state environmental regulations, and covering the cost of debt service associated with repairs and improvements to the Utility's system (hereinafter collectively "Expenses"); and

WHEREAS, Customers pay in arrears for said Services (hereinafter "Service Fees"); and

WHEREAS, some Customers fail to make timely payment of Service Fees from the Utility; and

WHEREAS, the Utility must pay all monthly Expenses regardless of whether individual Customers make timely payment of their Service Fees; and

WHEREAS, the Town Council, as the body charged with managing the Utility, has determined that, in light of the failure of some Customer's to make timely payment in full for Service Fees, a deposit fee program is essential to ensuring the Utility's financial ability to pay for said Expenses; and

WHEREAS, the Town Council has also determined that it is sometimes necessary to discontinue Services to some Customers for their failure to make timely payment in full of Service Fees, and

WHEREAS, the Town Council finds that establishing said deposit fee program and rules for discontinuation of service are essential to the continued operation of the Utility; and

WHEREAS, the Town Council therefore finds that establishing said deposit program and rule for discontinuation are in the interest of protecting the public health, safety and welfare; and

NOW, THEREFORE, BE IT ORDAINED by the Town Council of the Town of Cicero, Indiana, that Chapter 50 of Title V of the Town of Cicero's Municipal Code is amended as follows:

1. Current Section 50.03 entitled "Deposit" is hereby deleted.

2. Current Section 50.04 entitled "Usage Rates and Charges" is hereby renumbered as new Section 50.03 entitled "Usage Rates and Charges."

9. New Section 50.09 is hereby added to the Municipal Code and shall read as follows:

Section 50.09 Reconnection and Reconnection Fee For Water Service Discontinued Due To Non-Payment

In the event a Customer's Service is discontinued due to non-payment, said Service shall be reinstated if said Customer makes payment in full of Customer's Service Fees, Late Fees, Deposits, and any other applicable fees or charges. In such instances, Customer shall be charged a Reconnection Fee for reinstating Service to the Customer and reconnecting Customer's property to the Utility's water system. The Reconnection Fee shall be sixty dollars (\$60.00) per property to be reconnected. Upon receipt of such Customer's payment in full, the Utility shall have twenty-four (24) hours to restore Service. Absent the existence of a verified emergency, the restoration of Service shall not take place after 3:00PM or on Sundays or holidays. In the event Customer's Payment in full is not received until after the close of business on Friday, Customer's Service will not be restored until the following Monday. If Customer's reconnection request is received after 3:00PM on the day before a holiday, the restoration of Customer's service shall not take place until the first business day after the holiday. In all events, the Utility shall have twenty-four (24) hours, commencing from the opening of the Utility's office on the first business day after the weekend or holiday, to restore Service.

10. New Section 50.10 is hereby added to the Municipal Code and shall read as follows:

Section 50.10 Deposits for Late Payments

A customer's creditworthiness will be considered to have been impaired when the customer has been mailed disconnect notices for two (2) consecutive months or any three (3) months within the preceding twelve (12) month period, or when the service has been disconnected for nonpayment. Such customers shall be required to submit a Deposit. Said Deposit shall be in an amount equal to two months of the Customer's average Service Fees as based on the Customer's average monthly usage over the preceding three months (hereinafter "Deposit Amount"). In the event Service Fees, Late Fees, Reconnection Fees, or other fees and charges for water Service are not paid, the deposit will be forfeited and applied toward such delinquent fees and charges as occur, and the water Service will be discontinued.

A. Customers may make weekly payments toward fulfilling the required Deposit (Deposit Payment Plan) amount provided the following conditions are met:

1. Customer must obtain advanced, written approval from the Clerk-Treasurer's office approving Customer's proposed Deposit Payment Plan.

2. No Deposit Payment Plan may permit more than nine weeks for Customer to make payment in full of the Deposit.

3. All Deposit Payment Plans shall require that the Customer make at least one payment per week toward the required Deposit.

4. In the event Customer fails to make payment in full of the required Deposit per the Deposit Payment Plan, the Utility may discontinue Service to Customer's property. The reinstatement of Service discontinued under this Section must be in accordance with Section 50.09.

5. In the event Customer fails to make a timely payment of any Service Fee before the Deposit is paid in full, the Utility shall apply any Deposit funds already in the Utility's possession toward the Service Fee.

a. The Customer will still be required to make payment in full of the required Deposit by the end date of the Customer's Deposit Payment Plan.

b. Under such circumstances, no extension of the Deposit Payment Plan will be permitted.

B. In the event the Utility is forced to apply Deposit funds toward the payment of a late or otherwise unpaid Service Fee, Customer shall be required to replace said funds with funds sufficient to meet the required Deposit Amount for Customer.

C. Once a Deposit is required, it shall be retained by the Utility until Customer meets one of the following conditions:

1. Customer makes timely payment in full of all Service Fees for the Utility for twelve straight months.

2. Customer ceases to be customer of the Utility. For the purposes of this Section, a Customer whose Service is terminated due to non-payment shall not be considered to have ceased being a Customer of the Utility.

D. Service Deposits held for a period exceeding twelve (12) months shall bear simple interest, at the rate of six percent (6%) per annum, from the date of Deposit until service is discontinued, the Deposit funds are applied toward unpaid services, or Utility makes a refund of such Deposit.

11. New Section 50.11 is hereby added to the Municipal Code and shall read as follows:

Section 50.11 Refunding of Deposits

Customers that meet the criteria set forth under Section 5(c), shall be entitled to the refund of the remainder of their Deposit. If the total amount of the Deposit is not used, the remainder of the Deposit will be refunded to the Customer after their Service has been permanently discontinued. For the purposes of the refund of deposits, discontinuation for non-payment shall not constitute being permanently discontinued. Customers may elect to apply any remaining Deposit funds toward their last Service Fee or bill.

12. New Section 50.12 is hereby added to the Municipal Code and shall read as follows:

Section 50.12 Insufficient funds

If the Utility receives a payment for Services provided, fees and or contract charges and the payment method employed is returned for insufficient funds, the Utility shall assess an insufficient funds fee of twenty dollars (\$20.00) in addition to all other applicable charges. Service may be disconnected or denied until the account balance has been made current. Cash, cashier's check or money order may be required to pay all such charges.

13. New Section 50.13 is hereby added to the Municipal Code and shall read as follows:

Section 50.13 New Service to Past Due Accounts

No new water Service may be provided to any properties owned or controlled by a Customer who has a Utility delinquent account balance that is forty-five (45) days or more past due.

14. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

15. Except as amended in this Ordinance, all of the terms, conditions, and provisions set forth in Chapter 50 of Title V of the Cicero Municipal Code of Ordinances shall remain in full force and effect.

This Ordinance shall become effective on the date of its passage and publication according to law.

THIS ORDINANCE IS HEREBY PASSED by the Town Council of the Town of Cicero, Indiana, on this 16th day of March, 2021.

Wendy L. Morrison

January 10, 1958 – March 16, 2021

Wendy L. Morrison, 63, Noblesville, passed away early Tuesday morning, March 16, 2021 at Riverview Health in Noblesville. She was born on January 10, 1958 in Waukegan, Ill., but grew up in Indiana.

Wendy was a homemaker and loved gardening. She could grow anything you gave her! Her favorite flowers were "Crazy Daisies" because she said the kaleidoscope of colors told a story about life and love. She also loved feeding the local wildlife and enjoyed sitting on the porch soaking up the sun. Wendy was a master at *Jeopardy!* (she seemed to know EVERY answer) and she also enjoyed a friendly game of Monopoly.

Wendy never met a stranger and would do anything for anyone. Even through her own struggles, Wendy made sure she was making others feel comfortable in their own skin and made sure everyone knew they were loved. Her upbeat attitude and love for life will be missed by so many that love her, especially her best friend and husband, Jim. Wendy loved music and asked that everyone celebrate her life with a dance.

Wendy is survived by her husband, Jim Morrison; daughter, Stephani Woods; son, Anthony Woods; three stepdaughters, April Morrison, Charity Morrison, and Tracey Goff; nine grandchildren; her mother, Kay (Suttie) Robinson; and her brother, Douglas Robinson.

Wendy chose cremation and the family has entrusted Randall & Roberts Funeral Homes with her care.

Tough 'Hounds head back to state

Carmel prevails over Gary West in overtime, 53-50

By **RICHIE HALL**
LAFAYETTE - No matter what the challenge has been during this boys basketball season, the Carmel Greyhounds have always answered it with their experience and toughness.

Carmel needed both of those intangibles last Saturday afternoon at Lafayette Jefferson's Crawley Center, when it took on Gary West Side for the Class 4A north semi-state. The No. 2-ranked Greyhounds needed overtime against the No. 10-ranked Cougars before prevailing 53-50 in yet another instant classic.

With that, Carmel won its third consecutive semi-state championship and earned a ticket to the April 3 4A state championship game. The Greyhounds will play No. 3-ranked Lawrence North, which won the 4A south semi-state at Seymour over Bloomington South 54-52.

"Our kids keep coming back and giving us their best and more than anything, believing," said Greyhounds coach Ryan Osborn.

Carmel finished the first quarter up 7-6, with Charlie Williams scoring five points during that period. The Greyhounds and Gary West traded the lead for most of the first half until two big 3-point baskets allowed the Carmel to get some separation at the end of the half.

With his team down 14-13, Samuel Orme nailed the first 3, pushing the 'Hounds ahead 16-14. After the Cougars' Chrishawn Christmas hit a free throw, Josh Whack answered that with a triple to finish the half and put the Greyhounds up 19-15.

"These guys are experienced," said Osborn. "I trust them to take good shots. Sometimes I got to tell them 'Hey, you're being selfish if you don't take that shot.'"

Whack made another big play early in the third quarter by converting a traditional three-point play to get Carmel up 22-17. Seconds later, Brian Waddell's basket put the Greyhounds up 24-18, and that would be their largest lead of the game. The Cougars were starting to push back towards the end of the third quarter, but Carmel stayed

in front 26-24 at the end of the period.

Gary West tied the game with a basket to open the fourth quarter, but Peter Suder answered that with a tipback, and Carmel was in the lead again, 28-26. Minutes later, two free throws from Waddell kept the Greyhounds up 31-28 with 5:11 left in regulation, but Quimari Peterson tied it up with a 3-pointer. Waddell's layin put Carmel back in the lead, then Christmas scored on an and-1 to move the Cougars ahead 34-33 with 3:50 left.

The Greyhounds responded with a 6-0 run. Waddell scored again, then Williams and Connor Gioia both made two free throws. Carmel led 39-34 with 1:58 left, but would only score one more point in regulation. Gary West tied the game up when Christmas scored off a steal, then got the ball back. But a last-second shot didn't go, so it was on to overtime.

"The stop at the end of regulation was huge," said Osborn. "And I felt like that gave us some momentum, some positives going into the overtime."

Sure enough, Carmel took the lead right away in the OT when Nick Frische made a free throw 19 seconds into the extra period. The 'Hounds would hold the lead for good after that. The Cougars got within 43-42 after a Peterson layin, but Orme knocked in his second 3-pointer of the night.

Carmel was now up 46-42 and the momentum had definitely shifted in its favor. Gioia took over after that, scoring the Greyhounds' last seven points. He went 5-of-6 from the free-throw line during the final 68 seconds of the game, and also made a layin.

"We knew they were tough, a lot of pressure, physical," said Gioia. The senior said his team knew it had to lock in on the defensive end and get stops.

"That's what ended up winning us the game down the stretch," said Gioia.

Gioia, who stands 5-foot-8, led the Greyhounds with 16 points. He showed no fear in the game, even when taking on play-

ers that were much taller than him. "It doesn't matter what size the guys are on the floor, I'm going to take Connor every time," said Osborn. "Out of everybody. This is no joke, total truth: We were in a one-on-one rebounding drill, and Connor was in with two 6-7 guys, and it was his point to win, and he won it. It was game point. It was a rebounding drill and he had to score. Connor may be little, he may be short, but he doesn't play short, he doesn't play little. He's one of the toughest dudes out there."

"Every night you got to go out there and play your best and as a shorter guy, be tougher than most as well," said Gioia. "Just got to be tough, have that mindset when you go out there."

Waddell added 13 points, also collecting five rebounds and making two blocked shots. Suder dominated the boards with 10 rebounds.

Peterson led Gary West with 16 points, while Christmas scored 12 and pulled eight rebounds. The Cougars finished their season 22-5.

Carmel is now 25-2, the third time in the past decade that the Greyhounds have reached that win mark. Car-

Connor Gioia scored 16 points for the Greyhounds, including the final seven points in overtime. Gioia went 5-of-6 from the free-throw line during the extra period.

mel also hit 25 wins in the 2012-13 season, and was 26-1 two seasons ago, in 2018-19.

In addition, the Grey-

hounds won their eighth semi-state championship in school history. Carmel is tied for sixth in terms of all-time semi-states won, putting it-

self in some good company: East Chicago Washington, Evansville Bosse, and Kokomo have also won eight semi-state titles.

Fishers' Burton, Carmel's Dunn named Indiana Girls All-Stars

Fishers' Katie Burton and Carmel's Bridget Dunn are among the 14 players that have been selected for the 2021 IndyStar Indiana Girls All-Stars, All-Stars game director Mike Broughton announced last Monday.

Those chosen to the team will play three games in June -- one exhibition game against the Indiana Junior All-Stars as well as home-and-home contests against the Kentucky All-Stars.

The other 2021 Indiana Girls All-Stars, listed alphabetically, are: Ally Becki of Brownsburg, Madelyn Bischoff of Roncalli, Courtney Blakely of

Hammond Noll, Kaitlyn Costner of Penn, Sydney Jaynes of Trinity Lutheran, Chloe McKnight of Bedford North Lawrence, Meg Newman of North Central, Vanessa Shafford of Linton-Stockton, Brynn Shoup-Hill of Goshen, Jayla Smith of Lawrence North, Trinity Thompson of Michigan City and Ariana Wiggins of Heritage Christian. Dunn is injured and is not expected to play in the games.

The coaches for the 2021 All-Stars will be the same staff that was to guide the All-Stars a year ago, as the 2020 All-Star events were canceled because of

the COVID-19 pandemic. The head coach will be Jeff Allen of Bedford North Lawrence. He will be assisted by Donna Buckley of Noblesville and Doug Springer of Northridge.

Jayla Smith was announced as Miss Basketball last Friday. She has committed to play at Purdue University.

The Junior-Senior exhibition game is set for June 9 at a site to be announced. The first game against Kentucky will be June 11 at the

Owensboro SportsCenter in Owensboro, Ky. The final game against Kentucky will be June 12 at Southport Fieldhouse in Indianapolis. The games in Indianapolis are at Southport because Bankers Life Fieldhouse is unavailable this summer because of another phase of renovations that will be occurring there.

All three dates will be doubleheaders with the IndyStar Indiana Boys All-Stars.

The Indiana Junior All-

Stars will play just one game this year -- June 9 against the seniors. There are no Junior All-Star games against Kentucky this year.

The Indiana All-Stars program was founded in 1939 when the Indiana Boys All-Stars played the state champion Frankfort Hot Dogs. The series with Kentucky began in 1940, and the girls portion of the All-Stars was added in 1976. The Junior All-Stars, boys and girls, were added in 1996. The All-Star senior

girls have played Kentucky every year since 1976, except 2020 (COVID-19 pandemic). The All-Star senior boys have played Kentucky in all but three years since 1940 -- 1943 (World War II), 1944 (World War II) and 2020 (COVID-19 pandemic).

The Indiana portion of the All-Star Games is organized and produced by the Indiana Basketball Coaches Association. The Indianapolis Star, with its *IndyStar* brand, is a title sponsor.

Guerin Catholic's post-season run came to an end last Saturday at the Class 3A Seymour semi-state, as the No. 6-ranked Golden Eagles were beaten by No. 2-ranked Silver Creek 54-46.

It was a close first half. Guerin Catholic led 13-10 after the first quarter, but the Dragons worked their way back to a 20-19 ad-

vantage at halftime. Silver Creek then outscored GC in both the third and fourth periods, going up 34-29 after three. The Dragons ran their lead to 51-38 in the fourth quarter and held on to earn their ticket to the state finals.

Noblesville girls lacrosse starts season with 3-0 record

The Noblesville girls lacrosse team is off to a blistering start this season, with two overwhelming victories in its first three games.

The Millers took care of Hoosier Crossroads Conference opponent Avon 18-0 at Beaver Materials Field in their season opener March 13. Ten different Noblesville players scored, with senior Sidney Klinger leading the way with four goals and four assists.

Freshman Chloe Barnett, playing in her first varsity game, scored three goals for a hat trick. Emma Potter made six draw controls, while Aubrey Arms and Isabelle Imes both picked up three ground balls.

The Millers kept the momentum going last Wednesday night in another home game, sailing past North Central 20-0.

Noblesville scored three goals in the first three minutes of the game, with Brooke Miller, Potter and Barnett all putting the ball in the net. The Millers continued the torrid pace in the first half, going up 9-0 with 15 minutes left, and expanding that lead to 14-0 by halftime.

"We have a lot of senior leadership on this team, which is really great," said Noblesville coach Veronica Mitchell. "Our first real game got canceled, so we were really looking forward to our game Saturday, and then tonight we came out again and just kept rolling with what we had. They've done a great job adjusting to a different style of play and just a lot."

The Millers' balance was on display again, as 13 different players scored. Barnett had four goals, with Miller, Potter, Klinger and Arms all scoring two. Noblesville had eight more players score one goal: Rheagan Haney, Nataley Blackburn, Emma Hammond, Marisha Woehler, Maya Hill, Tori Cook, Chaney Cornell and Lindsay Wilson.

"I think that's going to be our biggest strength this year is just the all-around ability

of everyone to just step up and do something different in every game," said Mitchell. "It's going to be really fun to watch. We have a lot of people who can put the ball in the back of the net and we also have a lot of people who do a really good job on the other side of the ball as well."

Noblesville's defense forced 15 turnovers and picked up 13 ground balls. Hammond had three draw controls, two ground balls and three forced turnovers.

"We've had two shutouts now, which is great," said Mitchell. "We also are doing a good job of putting a lot of pressure on the balls it's getting transitioned down to our defensive end. And they're doing a good job of working together and making sure that we keep the ball in our possession as much as possible."

Noblesville beat Hamilton Southeastern 15-6 last Friday to improve to 3-0. Klinger led Noblesville with five goals and two assists, giving her seven total points for the third consecutive game. Klinger now has 11 goals and 11 assists for the season.

Barnett added another three goals for her third consecutive hat trick. Potter had three ground balls and three draw controls; she is now the career high school record holder in both categories. Maddie Christie had two goals, forced three turnovers and picked up three draw controls, while Maddie Reel made 10 saves in addition to two ground balls and an interception.

Chloe Sztot scored three goals for the Royals, with Ava Brucik, Caitlin Carter and Ashley Springer each scoring one.

Southeastern dropped to 2-1 for the season. In their first game on March 9, the Royals beat Cathedral 14-7, with Sztot scoring five goals and making three assists, and Olivia Schenck putting in four goals. On March 11, Southeastern beat Westfield 13-3. Sztot scored five goals and dished out four assists, while Schenck added four goals.
