

Carmel installs ‘selfie station’ on back of Midtown Screen

The REPORTER

Say cheese! Yet another vibrant splash of color has been added to Carmel’s Midtown Plaza in the form of a “selfie station” mural. Applied to the back of the BIG SCREEN at Midtown Plaza, the 45-foot illustration by Wilkinson Brothers Design will face Elm Street.

“We built Midtown Plaza in order to bring people together from all walks of life, from nearby residents to the hundreds of workers along the Monon Greenway,” Mayor Jim Brainard said. “It is nice to see these public spaces filled with so many who are creating memories that can now be captured with this new selfie station.”

“We were inspired by vintage travel postcards that welcome visitors and promote local tourism,” Corey Wilkinson said. “Our goal was to create engaging public art, but

also creatively represent what makes the City of Carmel a welcoming draw for residents and visitors alike.”

The Carmel-based illustrators created vignettes that feature Carmel’s architecture, parks, art scene and entertainment culture inside the letterforms and over-

laid postage stamps. Similar to the selfie stations seen in other tourist-friendly cities, the intent is to give the tens of thousands of visitors to Carmel an opportunity to chronicle their time in the community.

Passers-by are encouraged to take a picture with the selfie

station, post it on social media and tag the City of Carmel on Facebook and Instagram. A decal indicating where to stand for a picture-perfect selfie will be placed on the sidewalk on the south side of Elm Street, just outside Java House Coffee Bar and Penn & Beech Candle Co.

Mayor Cook details benefits of project to improve SR 32

Editor’s note: The following is the first in a new series of columns from Westfield Mayor Andy Cook. These columns are scheduled to appear monthly in the pages of The Reporter.

As the mayor of Westfield, I know a lot of what we do benefits the rest of Hamilton County. The other cities can certainly say the same thing. Whether it’s investments in things like Grand Park or the Palladium or infrastructure improvements like Keystone Parkway or 146th Street, we are a very connected county. That is a good thing. I am a big proponent of regionalism. I’ll save that for another column.

Today I want to mention a topic with far-reaching consequences, not just to Westfield and Noblesville, but across the county. It has to do with State Road 32.

On Monday, March 22, a member of the Westfield City Council tried to introduce an ordinance to terminate the City of Westfield’s agreement with the Indiana Department of Transportation (INDOT) to have SR 32 reconstructed through our downtown. Council President Mike Johns tried to add the ordinance to the meeting agenda at the last minute. Proper procedures were not followed so it was not discussed. I have to believe Councilor Johns intends to have it on the agenda at the next meeting on April 12.

This would be irresponsible if the council were to terminate this agreement. It would certainly hurt Westfield, but it has impacts on Noblesville too.

A little background: Improving SR 32 was studied by Westfield’s citizen-driven Grand Junction Task Group for almost 10 years. As a result, the 2018 Westfield City Council, including two present members (Edwards and Spoljaric), voted unanimously to enter into an interlocal agreement with INDOT to split the cost of the \$15 million project 50/50. Any overages, the city would cover. Our goal was to work collaboratively on design such that we could create a boulevard that is walkable (very similar to the city road that goes through Clay Terrace), allows for increased traffic, looks good, preserves our most historic buildings and improves public safety. We have been working toward that end for the last two and a half years.

INDOT owns SR 32 – a major State Road that stretches across Hamilton County and into Boone County. The current section through Westfield is failing with an increasing traffic count of more than 17,000 vehicles a day. With the construction of our downtown destination, the Grand Junction

Biden’s ‘American Rescue Plan’ provides \$19.8 million for Fishers

By LARRY LANNAN

The American Rescue Plan (ARP), the \$1.9 trillion in spending recently enacted by Congress, provides local governments money, and Fishers Mayor Scott Fadness says his city is receiving \$19.8 million. The mayor wants to work with the city council on how the funds should be spent.

According to Fadness, there are some restrictions in the federal law as to how the money can be spent, and he wants to sift through all the provisions before working with council members on spending the cash.

“We are in a very good financial position, so Fishers

will not need to use this money to plug holes in our budget,” Fadness told *LarryInFishers*.

According to national news reports, the local ARP money must be spent by the end of 2024 on certain projects, including:

- Reimbursement and ex-

penses related to the coronavirus pandemic

- Grants to assist small businesses, nonprofits and industries impacted by the pandemic
- Water, sewer and broadband projects

All ARP funds must be spent by the end of 2024 and the money cannot be used to lower taxes or to pay into municipal pension funds.

Mask mandate extended for county buildings

The REPORTER

On March 29, the Hamilton County Commissioners announced the extension of Resolution No. 7-31-20-02 for another 30 days.

The policy requires county employees and people visiting county buildings to wear a face covering when inside all county-owned buildings. The use of masks is only excused for documented medical and health risks.

Indiana’s mask mandate will end April 6, at which time it will change to a mask advisory. This resolution supersedes that order in all Hamilton County

buildings.

“We want to continue to do everything we can to protect the health and well-being of our employees, our vendors, and our visitors,” Commissioner Christine Altman said. “While our county’s positivity rate is headed in the right direction, we’re not out of the woods yet. We’ll continue to watch the numbers and revisit the issue again next month.”

Face coverings are still mandatory in all state buildings and all vaccination and COVID-19 testing sites. K-12 schools will also still be expected to follow the current mask requirements.

Fishers ends mandate, but “strongly advises” mask wearing

By LARRY LANNAN

The Fishers Health Department is issuing a new Public Health order effective once the current document expires April 6, “strongly advising” mask wearing, but no longer mandating it. To read the new order, go to [tinyurl.com/3fvu7f8j](#).

Here is what the Fishers Health Department strongly advises as of April 6:

- Continued mask-wearing
- Distancing from those outside your household
- Sanitizing high-touch surfaces
- Getting vaccinated when

eligible

The city is also challenging all adults to sign-up for a COVID vaccine appointment, now that anyone 16 years of age and older is eligible for the shot. The Health Department wants 85 percent of those eligible to be vaccinated. Vaccination rates for Fishers will be tracked and reported by the health department during the week of April 5.

The order contains the expiration of the mask mandate and social gathering restrictions, along with ending limits on capacity for restaurants and other businesses.

Carmel Street Department will soon begin \$5.2M in street paving, road upgrade projects

The REPORTER

More than 80 streets are scheduled for an upgrade this spring and summer as the City of Carmel Street Department kicks off its annual paving projects with a budget of \$5.2 million to improve local thoroughfares. Some of the preliminary work began last week with major paving set to begin April 12.

“As much as we focus our efforts on building new roundabouts and increasing our multi-purpose trails and pathways, it is also important to keep our existing roadways in top condition,” Mayor Jim Brainard said.

This year’s budget for street paving includes a \$1 million Community Crossings grant from the Indiana Department

of Transportation, which will allow the city to repave seven of its busiest parkways and thoroughfares.

Each paving project begins with preliminary concrete and curb repairs that can take a few weeks to complete before the big job of milling the top surface of blacktop and repaving it with a new layer of about 1.25 inches in thickness. Typical milling and paving projects take three to five days to complete and require lane restrictions.

“Our goal is to have all the pavement work done before school starts in the fall, with concrete street repairs lasting until November if needed,” said Carmel Street Commissioner Terry Killen. “Concrete

Range Line Road, Westfield Boulevard construction updates

The REPORTER

The City of Carmel has decided to postpone a portion of the next phase of construction on Range Line Road between City Center and Elm Street until after the July 4 holiday. The construction of a new roundabout at Walnut Street (6th Street) and South Range Line Road will begin sometime after July 6 and will include a full closure of the intersection for approximately 75 days.

Meanwhile, a new round-

about project at 111th Street and a new culvert installation at Carmel Creek will prompt the closure of Westfield Boulevard from just south of 116th Street to 111th Street beginning on or after May 10 until about mid-August. The roundabout project will include utility work and a full closure for about 45 days. After that is completed, work will begin on the culvert project under Westfield Boulevard at the creek, just south of 116th Street.

work can be done later in the calendar year when the weather starts to turn colder.”

Carmel to expand police headquarters

The REPORTER

The City of Carmel is set to begin expansion of its police department. The nearly \$40 million renovation will include relocating the Carmel City Court into police headquarters and moving the IT department into the John W. Hensel Government Building located near 106th Street and College Avenue.

The project will expand the current police department east onto the Huntington Bank property and will add an additional 47,000 square feet to the current three-story facility built in 1990.

“The new space will be a welcome and much-needed addition,” Carmel Police Chief Jim Barlow said. “In 1990, we had 49 sworn officers and 17 civilians. Today we have 134 sworn officers, 25 civilians, four part-time employees, a prosecutor and athletic trainer.”

Barlow also indicated the expansion would allow his investigation division, which is housed at a remote satellite facility, to return to police headquarters.

“I appreciate the mayor and city council’s support in not only meeting our needs now, but also 20 to 30 years into the future,” Barlow concluded.

Altrusa completes literacy project for Cicero Library

The REPORTER
Altrusa of Hamilton County, a local service organization, recently announced that it has completed its three-phase literacy project at the Hamilton North Public Library in Cicero. A member of Altrusa International, the local club focuses on literacy and service projects throughout the calendar year.

Learning that the children's reading table needed replacement at the Cicero site, the membership donated a new literacy and creative center for preschoolers in the children's section of the library as part of Phase 1. In addition to the table, the club's membership also donated a full set of large Legos building blocks which will enhance gross and fine motor skills and foster imaginary play.

The table will be a center for children to gather for story time, engage in constructive play activities, and assist the younger children in developing basic social skills. The table is designed to store materials on open shelving and in large storage book bins. The table was donated in memory of a member's mother who was a school teacher and social worker, who believed in the development of early reading skills.

Phase 2 of the recent project consisted of a donation of numerous Primary Board Books aimed at children in the three to six age group. Joanne Kemp, President of the local chapter, said that the club donated the reading materials to foster reading for pleasure, assist children in learning the alphabet, enhance vocabulary development, and help establish a love for learning in general.

Carol Rader, a club member, said the club also donated a new literacy and creative center for preschoolers in the children's section of the library as part of Phase 1. In addition to the table, the club's membership also donated a full set of large Legos building blocks which will enhance gross and fine motor skills and foster imaginary play.

Tell me a story

BROUGHT TO YOU BY FIRST FARMERS BANK & TRUST OF CICERO

You have to find joy in the little things. I've heard that before, and I believe it. We're drawn into our daily routines, crossing off our to-do lists staying on top of housework and paying bills, and time goes sailing by. The big things are great, too, of course, like a tropical vacation, a wedding, or a family reunion ... but they don't come around all that often for most of us. I'm excited when vacation approaches, don't get me wrong, but you have to find those moments of joy every week – little things that make the day brighter and bring a smile to your face.

Big projects often benefit from those small pieces of happiness as well. A few years ago, we were having some work done on our home. We needed to replace the roof and some windows, and decided to do a few small cosmetic changes while we were at it. The funds came from my Home Equity Line of Credit, and that was probably the easiest part of the whole experience.

The roofing company discovered that there were three layers of shingles to the roof, which isn't ideal. It's also more expensive. Then a chimney pipe was removed that should not have been, and which had to then be replaced. The windows took longer than expected to come in, and it seemed like the whole experience in home improvement was headed off the rails. I appreciated having the funds on hand, but I was not too thrilled with how often they seemed to be needed. And while a new roof and windows is a definite plus when it comes to your home's value and energy efficiency, it doesn't have that wow factor I was hoping for. In fact, it looked pretty much the same. That might be why those small cosmetic changes started to multiply.

One day, I found myself at the home improvement store, picking out new flooring for the bathroom and a selection of paint colors. These were projects I felt confident in handling myself. Back at home, I had to push the furniture off the walls in the family room, making way for that wow factor I was looking for. One piece, a bookshelf, needed to be emptied out first, and in the cabinet underneath the open shelving, I found a treasure. Photo albums, some that my family had made

for me, some of my own from my younger years, had been put in the cabinet, and forgotten. The painting was put on hold, and I indulged in a long walk down memory lane, where I found plenty of those small moments of joy to get through the rest of the renovation. Plus, I found great motivation to get all those photos off my phone and into some new photo albums for whenever I might be looking for smiles in the future.

Eventually, the new roof was on, chimney and all, and the windows were installed. Walls were painted and the bathroom had a new floor. I was able to start paying down my HELOC instead of adding to it, and while the most expensive improvements weren't dramatic, I did enjoy a much warmer home that winter. For me, the biggest impact of that project came from those little moments of joy I found, looking through old photo albums. They've been liberated from the closed cabinet and now enjoy a prime spot on the bookshelf, where the girls and I can enjoy them together. I hope you're able to find plenty of those little moments of your own as we head into spring.

Until next week, from First Farmers Bank & Trust, I'm Jess, and I'm listening.

Local graduates gaining experience at the Statehouse

Plan Director Kiphart retiring

The REPORTER

Local graduates are gaining experience as interns with area lawmakers and their fellow members of the Indiana House of Representatives during the 2021 legislative session.

Eric Foley, a resident of Noblesville, is the son of Rick and Tara Foley. A graduate of Noblesville High School, Foley attends Indiana University-Purdue University Indianapolis, where he is majoring in political science.

“Working at the Statehouse as an intern has been extremely fulfilling,” Foley said. “This experience helps me grow as a professional while adding more skills to my resume that can prepare me for my future career.”

Drew Formisani, also a resident of Noblesville, is the son of Richard and Shelia Formisani. He also graduated from Noblesville High School, and now Formisani attends Purdue University, where he is majoring in law and public policy.

“This internship is a truly rewarding experience, as I’ve had the opportunity to work with lawmakers and staff to serve Hoosiers across our state,” Formisani said.

State Reps. Chuck Goodrich (R-Noblesville) (back, second right) and Donna Schaibley (R-Carmel) (front, center) join House Republican interns Rachel Winkler (front, left), Garrett Tiberi (front, right), Drew Formisani (back, first left), Colin Patrick (back, second left) and Eric Foley (back, first right) before the legislative session on Tuesday at the Statehouse in Indianapolis.

“I’d recommend anyone interested in law or politics to apply for the program.”

Colin Patrick, a resident of Fishers, is the son of Brian and Shelli Patrick. A graduate of Hamilton Southeastern High School, Patrick attends Purdue University, where he is majoring in political science and global studies.

“In such a unique time as this, not only is it amazing to see how the Indiana General Assembly is responding to COVID-19, but it is also incredible to help and take an active role in that response,” Patrick said. “The hands-on experience this internship

provides is invaluable and will help me take the next step professionally.”

Garrett Tiberi, a resident of Carmel, is the son of John and Sarah Tiberi. Tiberi attends IUPUI where he studies Business Management at the Kelley School of Business.

“Throughout this internship, I’ve been able to develop valuable skills employers look for and hopefully land my first job out of college,” Tiberi said. “Students from any major who are looking for an opportunity to fine tune their skills should consider applying for this internship

next year.”

Rachel Winkler, a resident of Westfield, is the daughter of Steve and Karen Winkler. Winkler is a recent IUPUI graduate who earned a bachelor’s degree and majored in English.

“This internship has been such a blessing to me personally and professionally,” Winkler said. “I’ve learned so much, met so many wonderful people and love that I get to spend my work day serving our elected officials and the Hoosiers they represent.”

Virtual career fair set for April 13

Targeting advanced manufacturing, healthcare, hospitality, construction

The REPORTER

The Hamilton County 21st Century Talent Region Team, in cooperation with Invest Hamilton County, will hold a Virtual Career Fair from 1 to 4 p.m. on Tuesday, April 13. The Career Fair is specifically targeted to job seekers looking for work in the Advanced Manufacturing, Healthcare, Hospitality, and Construction industries.

“Our research shows that these industries have a significant need for workers to fill open positions,” said Carol Sergi, Director of Workforce Strategy for Invest Hamilton County.

As Robert Kneberg with HCWIN explained, “Hamilton County companies are beginning to increase hiring as we transition to a post-COVID economy so companies can

get ahead of the curve by joining this virtual hiring event.”

Many Hamilton County employers have career path, in-demand positions available. Many of the employers will provide the necessary training or apprenticeships required

Carmel’s Meadowlark Park closed for new playground, pickleball courts, basketball court, boardwalk, fishing pier

The REPORTER

Meadowlark Park in Carmel closed on April 1 to undergo planned improvements as part of Carmel Clay Parks & Recreation’s (CCPR) Reimagining Parks initiative. Through this initiative, CCPR is working to update and enhance existing parks to make them more accessible, safer, and available year-round.

Improvements to Meadowlark Park will include a new playground, four pickleball courts, a full basketball court, a boardwalk through restored wetlands, a new fishing pier, a year-round restroom facility, a parking lot expansion, and more. The park is anticipated to reopen after construction is completed in December.

The Clay Township Impact Program is funding these improvements. Over the next three years, the Clay Township Impact Program will fund improvements to six parks in the local community with a focus on parks and public safety. These improvements will provide benefits for all township residents, schools and businesses, and make Clay Township a better place to live, work, and play.

Plaza, and the announcement of more than \$60 million of private investment (and more to come), the amount of people and cars in our downtown will grow substantially in the next two to three years. So, instead of waiting for INDOT to take on the project, we accelerated the reconstruction and partnered with the state.

Our police and fire chiefs support the project, our Chamber of Commerce supports the investment, and we are working diligently with the historic preservation groups to ensure our past is embraced as we move into the future. I am sure most motorists want better mobility and

residents want a walkable downtown.

Additionally, the project will not increase taxes as the city plans to pay for its portion with CASH. It seems like a win-win.

I want to be open – the original \$15,050,000 estimate is accurate, but the total cost of the project will likely go up. We have had additional requests for historic mitigation from a local group (avoiding one house and moving the green Erika’s building), as well as Indiana Landmarks. We are working to accommodate them. That may cost an additional \$1 million. Is the added cost worth it? If it keeps this critical project

on course, then we will do what it takes.

Now, back to the move to pull out of the project.

To say it would be costly is an understatement. The design costs we have to pay amount to about \$1.5 million, so far. But, there are more far-reaching impacts. Westfield could lose millions in future Community Crossing grants and Rural Call funds. Additionally, INDOT’s planned upgrade of SR 32 between Noblesville and Westfield is in jeopardy. This state-funded project was to start construction in 2026. It would have added much needed travel lanes and, specific to some of our citizen concerns, sidewalks to improve walkability in Westfield.

It is my hope that our communities will participate in this conversation and communicate the importance of the SR 32 Reconstruction. Feel free to email me at acook@westfield.in.gov and Westfield City Council members at CouncilMembers@westfield.in.gov.

SR 32 needs to be the road that our communities deserve and need.

February 27, 1936 – March 30, 2021

James A. Smith, 85, Noblesville, passed away on Tuesday, March 30, 2021 at Riverview Health in Noblesville. He was born on February 27, 1936 to Edward and Marjorie Smith in Anderson.

Jim was a life-long resident of Noblesville and graduated from Noblesville High School in 1954. He proudly served his country in the United States Army and attended Butler University. Jim retired from the Teamsters and Wonder Bread in 2004. He was truly a jack of all trades, working as a paper boy, at a Texaco station, as a Noblesville fireman, as a demerit clerk for the railroad, as a charter employee of Household Hazardous Waste, and as an insurance agent, just to name a few. In addition to his many talents, Jim was a belly dancer and also played a mean one-string bass.

Jim belonged to the Noblesville Friends Church where he served as a trustee and member of the ministry and counsel. He was a Sunday School teacher. Jim helped his wife in her preschool and adored all kids. He was a member of the Do-Si-Squares square dancing club and served two terms as their president. Jim enjoyed his membership with the Noblesville Jaycees and loved the companionship of his fellow members of the Noblesville Lions Club. He was a 32nd Degree Mason and enjoyed Lodge 54.

Jim was a lover of life and his humor permeated his life. He will be sorely missed, but we're sure he is telling God some pretty good stories!

He is survived by his wife of 58 years, Charlotte Smith; daughter, Jamie Isaacs; son, C.E. James (Melanie) Smith; grandchildren, Alex (Cory) Smith, Sam (Courtney) Smith, Robert Smith, and Ben (Jessica) Isaacs; great-grandchildren, Eli, Sawyer, Gavin, Adeline, and Lynlee; as well as many nieces and nephews, and many loving friends.

In addition to his parents, Jim was preceded in death by his grandson, Wes Isaacs.

Ronald Cooper

September 25, 1949 – March 23, 2021

Ronald Cooper passed away on March 23, 2021, after a long battle with cancer. He was born in Beech Grove, Ind., on September 25, 1949 to Osborne and Jewell (Miller) Cooper. A Southport High School graduate, he also attended Indiana University before he set out to conquer the world.

He was a salesman, and a very good one, helping to "make people happy spending their money." After many years working for Certified Floor Covering, he moved onto the Housing Sign business. But 17 years ago, going to work for himself, he built His & Hers Target Sports selling guns. He became known for his black rifles! He found his arena and was happy and blessed.

Being in the gun business brought him into the action shooting sport, USPSA. He supported the sport every year as a sponsor. He also served on the Board of Directors of the Atlanta Conservation Club and is the longest known member there.

Previous to his gun hobby he was an expert boater. While living on Morse Lake he spent many hours on the water enjoying good times with friends. He loved to travel and spent time in Mexico, the Bahamas, and Belize where he went scuba diving. He checked off a lot of places on his list of vacations but never did see the cactus bloom. He loved going to museums and studied history and fossils. He dreamed of being a substitute teacher or mentor for young men after retirement.

Ron will be forever remembered by his wife and best friend, Mary Ann; his son, Nick; his brothers and sister, Larry, Gary, and Michelle; and granddaughter, Sydni. He will also be remembered fondly by his numerous nieces and nephews, extended family and good friends.

Family and friends will gather for a Celebration of Life at Big Hoffa's Barn in Westfield at 4 p.m. on Sunday, April 11.

Darrell Parks

October 29, 1954 – April 2, 2021

Darrell Parks, 66, Elwood, passed away on Friday, April 2, 2021 at his home. He was born on October 29, 1954 to Rev. John E. and Gladys M. (Ely) Parks in Monongahela, Pa.

Darrell had a love for church. He gave God the praise for all His Blessings. The Lord blessed Darrell with good health, a family he truly loved and many good friends. He raised his children to have a love for church, love others, and have respect and compassion. Darrell loved spending time with his family. He had a special bond with his grandchildren, letting them ride and drive the tractors, being around horses, and putting up hay. Darrell taught his granddaughter how to throw a lasso. He was a hard worker and provider. We are truly blessed.

Darrell is survived by his wife of 44 years, Evelyn Napier Parks; daughter, Stephanie Parks, Elwood, who had her daddy wrapped around her little finger; son, Darrell W. Parks, Pickard, Ind., who was always Dad's right-arm man; daughter-in-law, Amanda Parks, who Darrell truly loved as his own and always ready to help; grandchildren, MaKayla Parks and Brantley Parks, who both had a special bond with their Papaw; two brothers, Alfred Parks, Strawtown, and John D. and Rhonda Parks, Indianapolis; two sisters, Claretta and Curt Monday, Strawtown, and Velma Turner, Noblesville; nephews and nieces, Michael and Nikki Turner, Tonya and Michael Ridsen, Noblesville, and Justin Parks, Indianapolis; and great-nephews, Jonathan and Joshua Ridsen.

In addition to his parents, Darrell was preceded in death by his brother-in-law, Mike Turner. He was also preceded in death by his grandparents, Peter and Maggieleen Ely Parks, Puckett Creek, Va., with whom he spent most of his childhood and young adult life; and his grandparents, Ray and Pauline Ely, Cooney Hollow, Va.

Visitation was held on Monday, April 5, 2021 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville. An additional visitation will be held from noon to 1 p.m. on Tuesday, April 6, 2021, with the funeral service beginning at 1 p.m. at the funeral home. Rev. Clifton Smith will officiate. Burial will follow at Cicero Cemetery in Cicero.

The family would like to give a special thank you to Darrell's best friend, Jim Cook.

Darrell touched many lives throughout his life and many more throughout his sickness. May everyone remember to put God first and foremost in their lives.

Christopher "Chance" Davis

September 29, 1984 – March 24, 2021

Christopher "Chance" Davis, 36, Carmel, passed away on March 24, 2021. He was born on September 29, 1984 in Indianapolis, son of Dorwin and Marsha Westerfield Davis.

Chance was a graduate of Western Boone High School. He worked for Crown Moving & Storage as well as Carter Express Jet Star.

As an avid sports fan, Chance followed Butler basketball, the Miami Dolphins and Nebraska football. Chance possessed a beautiful, infectious smile. He loved his entire family deeply.

Chance was preceded in death by his grandfather, Kenneth Westerfield, and grandfather, Basil Davis.

Survivors include parents, Dorwin and Marsha Davis; son, Rece Mason Davis; grandmother, Julia K. Westerfield, and grandmother, Marilyn Davis; as well as several aunts, uncles, and cousins.

A time of visitation was held on Friday, April 2, 2021 at Northview Chapel, 12900 Hazel Dell Pkwy., where the Memorial Service followed.

In lieu of flowers, the family requests donations in memory of Chance be directed to Shatterproof, a national nonprofit organization dedicated to reversing the addiction crisis in the United States, at shatterproof.org.

member and retired elementary school teacher, said that learning to read is fundamental to academic success during the school years thereafter. She noted that learning to read is about developing listening skills, recognizing the printed letters and words, and, finally, understanding the basic concepts contained in the stories. The Cicero Library currently offers Story Time hours three days a week to preschoolers.

Altrusa of Hamilton County wrote a grant for Phase 3 of its literacy project, and when funds were received from District Six of Altrusa International, additional books were purchased for the summer reading program for intermediate level students who use the Cicero Library.

Rader explained that this age group frequently receives a recommended reading list prior the dismissal in May and students receive extra credit

for the books read. The Cicero Library provided Altrusa with a list of book titles most requested by Intermediate Readers and members used the chapter's grant money to buy additional books. The majority of books focus on biographies, history, and social science subjects.

Altrusa International has been serving communities since 1917. The local chapter will present its most recent project at the Altrusa International, District 6 conference on May 7 and 8 via Zoom. Public Notice Des. No. 1901879

The Indiana Department of Transportation (INDOT) is planning to undertake a roundabout project, funded in part by the Federal Highway Administration (FHWA). The project is located at the intersection of SR 38 and Oakmont Drive in Noblesville, Noblesville Township, Hamilton County, Indiana.

Under the preferred alternative, the proposed project would involve the construction of a single-lane roundabout. The project requires approximately 0.33 acre of permanent right-of-way and 0.15 acre of temporary right-of-way. Neighborhood subdivision entrance signs will be replaced.

The proposed action does not impact properties listed in or eligible for the National Register of Historic Places. INDOT, on behalf of the FHWA, has issued a "No Historic Properties Affected" finding for the project due to the fact that no historic properties are present within the Area of Potential Effects (APE). In accordance with the National Historic Preservation Act, the views of the public are being sought regarding the effect of the proposed project on the historic elements as per 36 CFR 800.2(d), 800.3(e) and 800.6(a)(4). Pursuant to 36 CFR 800.4(d)(1), the documentation specified in 36 CFR 800.11(d) is available for inspection in the offices of Cultural Resource Analysts, Inc., at 201 NW 4th St, Suite 204, Evansville, Indiana 47708. Additionally, this documentation can be viewed electronically by accessing INDOT's Section 106 document posting website IN SCOPE at <http://erms.indot.in.gov/Section106Documents>. This documentation serves as the basis for the "No Historic Properties Affected" finding. The views of the public on this effect finding are being sought. Please reply with any comments to the offices Cultural Resource Analysts, Inc., at 201 NW 4th St, Suite 204, Evansville, Indiana 47708 no later than May 3, 2021.

Boys basketball state finals - Carmel wins second consecutive championship

'Hounds overcome Wildcats in overtime

By RICHIE HALL
INDIANAPOLIS

A close game in the state tournament. Win or go home.

Carmel and Lawrence North played each other last Saturday night in the Class 4A boys state championship game, so both teams were going home regardless of what happened. It's just that one of them would be going home with a bigger trophy.

That team would be the Greyhounds. Carmel won its second consecutive boys basketball state title, getting past the Wildcats in an overtime thriller, 51-46 at Bankers Life Fieldhouse. The No. 2-ranked Greyhounds used their trademark defense and solid free-throw shooting to hold off third-ranked Lawrence North in another all-Metropolitan Conference battle for the big trophy.

Senior Brian Waddell noted that his Carmel team had been through close games before during the tournament, and said "that gave us a little bit of an edge." Indeed, this was the second consecutive game where Carmel needed an extra period to win a tournament game. The Greyhounds beat Gary West Side in overtime to win the Lafayette Jefferson semi-state two weeks ago.

Carmel also had a close game in the Logansport regional final over Lafayette Jeff. That experience would serve the Greyhounds well Saturday night.

Carmel threatened to run away with the game late in the third quarter. The Greyhounds took off on a 7-0 run that ate up the middle part of that period. Peter Suder made back-to-back layins, then Waddell threw in a dunk while being fouled and made the subsequent free throw. That gave Carmel what would be its largest lead of the game, 32-25 with 1:55 left.

But the Wildcats came back, using a 9-0 run to take a 34-32 lead midway through the fourth quarter. CJ Gunn finished the third period with a jump shot, then opened the fourth by draining a 3-pointer and making a layin to tie the game. DJ Hughes then scored on a putback, and LN was ahead 34-32.

Charlie Williams stopped the run with a free throw, then Waddell nailed a 3 to put the 'Hounds back up 36-34. Carmel would not trail again, but the game would be tied a few more times.

Sure enough, Gunn tied up the game with two free throws at the 1:44 mark. Waddell made a layin to give the Greyhounds another lead, but Gunn again answered with a pair of foul shots. That made the score 38-38 with 29.3 seconds left, and neither team

would score again in regulation.

Carmel got the first word in the overtime, as Connor Gioia hit a triple. The 'Hounds would stay in front until about a minute-and-a-half left, when Hughes made a layin, tying the game at 42-42 with 1:17 left.

Then Josh Whack took over. The junior made 7 of 8 free throws during that final 1:17. His first two put Carmel ahead 44-42; Whack was fouled a few seconds later, and he drained two more foul shots. Now the Greyhounds were up 46-42 with under a minute to go.

"Josh did a little bit of everything," said Carmel coach Ryan Osborn. "He hit some big free throws, but he's shooting over 80 percent for the year. Just a mental toughness thing. You can credit his defense in the same manner."

Gunn hit a 3-pointer with 30 seconds left to get LN back within 47-46, but the Wildcats would score no more. They immediately fouled Waddell out of a timeout, and he made both his free throws. Waddell finished a perfect 8-of-8 from the line.

Two more foul shots by Whack sealed the game with 17.9 seconds left in the OT. That brought Whack to 11 points on the night.

"Credit to LN, they played a heck of a game," said Waddell. "I had faith in our guys throughout the whole time, even when we were down, we were going to find a way to pull it out."

Lawrence North came out hot in the opening minutes of the game, quickly going up 6-0. Carmel called a 30-second timeout with 5:57 left in the first quarter.

"We kind of anticipated they would come out swinging, come out ready to play," said Osborn.

But his team would quickly absorb that early run, and go off on an 11-2 run of its own. Whack got the Greyhounds on

Carmel's Connor Gioia won the Arthur L. Trester Mental Attitude Award after the game. Gioia is the third consecutive Greyhounds player to win the prestigious award.

the board with a floater. Hughes made a dunk to push LN ahead 8-2, but Carmel ran off the next nine points: Waddell and Gioia both made 3s, then Waddell turned a putback into an and-one at the 2:53 mark of the quarter. Neither team would score again in the period, but now the Greyhounds were up 11-8.

"After the timeout, I think we settled in, took what the defense gave us," said Osborn.

Suder made a basket to open the second quarter, giving Carmel a 13-8 lead. Gunn cut the advantage to 13-12 with back-to-back baskets, but the 'Hounds used a stretch of free throws (5 of 6) to get back ahead 18-14 at the 5:01 mark.

Donaven McCulley scored twice to tie the game at 18-18, then Gioia nailed a 3. The Wildcats again made consecutive baskets for a 22-21 advantage, but Whack finished the half with a basket, putting Carmel up 23-22 at the break.

Waddell finished the game with a double-double of 20 points and 10

Carmel finished its season with a 26-2 record, making this the second time in the past three years that the 'Hounds have reached the 26-win mark. In addition, Carmel claimed its fifth boys basketball state title. Only three schools have more: Marion and Muncie Central with eight

each, and Washington with seven.

The Greyhounds also picked up their 159th IH-SAA state championship in school history and their fifth of the school year. Carmel has also won boys tennis, girls cross country, girls swimming and boys swimming state championships in 2020-21.

Should a successful Bidder within ten (10) days after written notice of acceptance of bid withdraw its bid, fail to provide the required payment and performance bonds, or execute a satisfactory contract, the Owner may then declare that Bid Security forfeited as liquidated damages, not as a penalty.

Wage rates shall not apply to this Project. All Contractors and Sub-Contractors shall comply with all applicable laws including but not limited to the requirements of Ind. Code 5-16-13 et seq. and as detailed in the Bidding Documents. Contractor must also be able to and meet all requirements found in applicable public works and contract statutes.

Copies of the Bidding Documents may be obtained from Eastern Engineering Supply, Inc, 9901 Allisonville Road, Fishers, IN, (317) 598-0661, www.easternengineering.com. Costs associated with digital and printed plans and specifications obtained from Eastern Engineering Supply Inc. are and will be incurred by and at the expense of the contractor and are non-refundable.

Prior to approval and execution of the Owner’s contract, the Contractor(s) who is the successful Bidder shall furnish an approved Performance and Labor and Materials Payment Bond in the amount of 100% of the contract amount, which shall cover the faithful performance of the contract and the payment of all obligations arising hereunder. Performance and payment bonds shall remain in full force and effect for a period of one year after the Owner’s acceptance of the work and Owner’s final settlement with the successful Bidder.

The Owner expects to award the contract(s) for the work to the lowest, responsible and responsive Bidder(s). The Owner reserves the right to hold bids, including any alternates, for up to 60 days from the date of the bid opening. The Owner reserves in its sole discretion the right to reject any and all bids, is not obligated to accept the lowest or any other bid, and may waive any irregularities, discrepancies, omissions, variances or informalities in the bidding procedure.

A pre-bid meeting for discussion of the Project, reviewing the scope of work, project specifications and drawings, bid documents, the bidding qualifying requirements and other important matters will be held at Hamilton Heights High School in the LGI Room, 25802 State Road 19 Arcadia, Indiana 46030 on Wednesday, March 24, 2021 at 11:30 p.m. (EST).

Please enter at Entrance B of the Hamilton Heights High School building. Immediately following the pre-bid meeting, an opportunity to tour the project site will be offered. All prospective bidders are encouraged to attend this meeting. Bidders will be responsible for complying with items discussed at the meeting.

Questions regarding the project, or requests for equal status, can be directed in writing to:

TOWN OF ARCADIA
PUBLIC HEARING NOTICE

On or about June 25, 2021, Town of Arcadia intends to apply to the Indiana Office of Community and Rural Affairs for a grant from the State Community Development Block Grant (CDBG) Wastewater/Drinking Water Program. This program is funded by Title I of the federal Housing and Community Development Act of 1974, as amended. These funds are to be used for a community development project that will include the following activities: Improvements to the wastewater treatment plant and collection system. The total amount of CDBG funds to be requested is \$700,000.00. The amount of CDBG funds proposed to be used for activities that will benefit low- and moderate-income persons is \$380,520.00. The Applicant proposes to expend an estimated \$770,000.00 in non-CDBG funds (local match) on the project. These non-CDBG funds will be derived from the following sources: A State Revolving Loan Fund in the amount of \$310,000.00 and the Cumulative Sewer Fund in the amount of \$460,000.00.

Town of Arcadia will hold a public hearing on April 19, 2021 at 6:30 p.m., in the Arcadia Town Hall located at 208 West Main Street to provide interested parties an opportunity to express their views on the proposed federally funded CDBG project. Persons with disabilities or non-English speaking persons who wish to attend the public hearing and need assistance should contact Tina Henderson, P.O. Box 428, Arcadia, Indiana 46030 or call 317-984-8639 not later than April 16, 2021. Every effort will be made to make reasonable accommodations for these persons.

Information related to this project will be available for review prior to the public hearing as of April 16, 2021 at the Clerk Treasurer’s office located 208 West Main Street in Arcadia between the hours of 9am – 3pm. Interested citizens are invited to provide comments regarding these issues either at the public hearing or by prior written statement. Written comments should be submitted to Tina Henderson, PO Box 428, Arcadia Indiana no later than April 16, 2021 in order to ensure placement of such comments in the official record of the public hearing proceedings. A plan to minimize displacement and provide assistance to those displaced has been prepared by the Town of Arcadia and is also available to the public. This project will result in no displacement of any persons or businesses. For additional information concerning the proposed project, please contact Jennifer Pickett, Clerk Treasurer – 317-984-3512 from 9am to 3pm or write to Tina Henderson at the address listed above.

Acreage .00, Section 36, Township 19, Range 3, NEWBY’S WESTFIELD HEIGHTS, Lot 16, Irreg. Shape

NOTICE IS HEREBY GIVEN THAT:
Hamilton County, Indiana, (the “County”) sold, and a Purchaser purchased, the above described tract or item of real property (the “Property”) at tax sale held by the County on October 1, 2020. The Property has not been redeemed.

The last date that the Property can be redeemed is prior to the expiration of the redemption period. The redemption period is one (1) year after the date of the tax sale. The redemption period expires Friday, October 1, 2021 per the Hamilton County Auditor which date may be verified with the Auditor. Any person may redeem the Property before the expiration of the redemption period.

In order to redeem the Property, the person who redeems must contact the County to determine the amount required for redemption under IC 6-1.1-25-2, which includes: up to 115% of the minimum bid for the Property depending upon date of redemption, the amount by which the purchase price exceeded the minimum bid plus 5% per annum interest, the total amount of all taxes and special assessments on the Property paid by the Purchaser or the Purchaser’s assignee after the tax sale plus 5% per annum interest; as reimbursement to the Purchaser, the amounts certified by the Purchaser or the Purchaser’s assignee as incurred for attorneys fees, costs of giving notice, and costs of a title search; and any other sums allowed by statute. The Purchaser or the Purchaser’s assignee is further entitled to reimbursement for any additional taxes or special assessments on the Property that were paid by the Purchaser or the Purchaser’s assignee subsequent to the tax sale, lien acquisition, or purchase of the certificate of sale, and before redemption, plus 5% per annum interest.

If the Property is not redeemed, the owner of record at the date of the tax deed is entitled to the tax sale surplus, if any. If the Property has not been redeemed before the expiration of the redemption period, on or after October 2, 2021 the Purchaser intends to and shall file a petition for a tax deed for said Property and vacation of liens. If the Property has not been redeemed before the expiration of the redemption period, and the Purchaser has complied with statutory requirements, the Purchaser or the Purchaser’s assignee will be entitled to receive a deed to the Property.

You should contract Hamilton County, Indiana, Auditor if you intend to redeem and consult with your attorney and/or your advisor as to your rights and obligations. This Notice is made on behalf of the Purchaser as of the date of the first publication.

Noblesville bowling team defends its state championship

The Noblesville bowling team defended its state championship in late March.

The Millers traveled to Pro Bowl West in Fort Wayne, where they finished first in the team portion of the meet. That sent Noblesville into the stepladder round, and it easily defeated Eastside 367-299 in order to win its second straight state title.

Noblesville's team consisted of seniors Nathan Smith, Noah Tannenbaum and McKinley Brooks, juniors Lena Tarzwell, Zach Wilson and Andrew Elliott and sophomore Cayden Russell. This made the Millers the first coed team to repeat as state champions.

The Noblesville team was coached by Tom Tarzwell, Doug Smith and Jamie Elliott. Reserve players were Cameron Kirby, Cullen Irvin, Jacob Brown, Jimmy Krach, Grant Irvin and Zach Davis.

The Millers finished their season 8-0 during a COVID-interrupted conference season. But they were still able to post the third-highest team average in Indiana with a 1,008. Noblesville had three of the top 11 high series during the season, including the fourth-highest at 2188, and the third-highest game score at 1128.

Noblesville's tournament march began Feb. 19 and 20 at the White River Valley I sectional, which took place at Championship Lanes in Anderson. The Millers won the sectional title, qualifying first out of three teams, then beating Anderson in the stepladder championship 430-402.

Noblesville's qualifying score was 2550, which was achieved after 12 Baker games. In the stepladder, teams

play two games against each other, with the combined score determining the winner.

In addition, six Noblesville individuals finished among the top 11 in the singles competition and qualified for the regional. Smith was third (721), Russell fourth (697), Brown sixth (629), Wilson seventh (628), Tannenbaum eighth (619) and Irvin (11th) 595. Individuals bowl a three-game series to determine their score.

Russell and Smith both went on to the individual stepladder, but Elwood's Brayden Alfrey beat Smith in the first match 245-225. Russell edged out Alfrey in the semi-final match by one pin, 245-244, but fell to Daleville's Hunter Thompson in the championship 267-226.

The Noblesville team advanced to the New Castle regional, which took place March 13 at Rose City Bowl. The Millers placed third in the team portion to qualify for semi-state, but lost to Connersville 328-281 in the first stepladder match.

Russell and Smith qualified third and fourth respectively in the singles portion, advancing to semi-state. Russell scored a 618 and Smith bowled a 601. As a result, the two had to compete against each other in the first stepladder match, with Smith winning 259-207. Smith then went on to beat Thompson 223-181 in the semi-finals and defeated Connersville's Wesley Boyd 223-168 for the individual regional championship.

Noblesville played the semi-state on March 20, returning to Anderson's Championship Lanes. The Millers were first in the team portion with a

score of 2295, earning them a bye into the stepladder championship where they defeated Evansville Central 338-314.

Smith also qualified first in the singles competition with a score of 688, but was edged out by Indianapolis Lutheran's Ryan Speer in the stepladder final 247-243. Still, Smith was one of 12 individuals who qualified for state.

At the state meet, Noblesville finished first in the team portion, edging out Eastside 2305-2300. But it would be a different story in the stepladder, as the Millers won the first game by 40 pins (192-152) and

took the second game just as easily (175-147) to repeat as state champion.

Smith, meanwhile, finished fourth individually. He rolled a 635 in the singles qualifier, but again fell to Speer in the first stepladder match 258-223.

OTHER TEAMS

Carmel's boys team also qualified for the state meet. The Greyhounds got their start at the Indianapolis West sectional, which took place at Woodland Bowl in Indianapolis.

Carmel finished second to Brownsburg at the sectional

363-336, but both teams advanced to the regional. Meanwhile, Carmel had three individuals move on as well. Tyler Smith qualified first with a 565, Dalton Grubbs was fourth with 555 and Nolan Thorpe placed seventh with a 513.

In the stepladder, Smith received a bye into the championship, where he won a close game with Avon's Ryan Gorman, 183-182, to claim the sectional title. Gorman had beaten Grubbs 225-197 in the first stepladder match.

In the girls competition, Carmel's Casey Saas led the way in the singles qualifying,

scoring a 558 to place first and advance to the regional. In the stepladder, Saas fell to Brownsburg's Meagan Kennedy 191-183.

The Carmel bowlers advanced to the Kokomo regional at Heritage Lanes on March 13. The Carmel team qualified first with a Baker score of 2070 to earn a spot at the Anderson semi-state, but were beaten by Western in the stepladder championship 348-327.

Saas qualified third in the girls singles, rolling a 563 to earn a place at semi-state. She also advanced to the stepladder round, where she fell to Franklin Township's Hunter Sullivan 236-160.

At the semi-state, the Carmel boys team placed fourth by scoring 2131, earning a spot in the state finals. The Greyhounds team then defeated Western 397-347 in the first stepladder match. In the semi-finals, Evansville Central beat Carmel 440-350. Meanwhile, Saas finished sixth in the girls singles with a score of 570 and earned a spot at state.

The Carmel boys placed ninth at the state meet, rolling a Baker score of 2031. In the girls singles, Saas finished 10th with a score of 531.

Hamilton Heights' Kylee Trexler finished fifth in the girls singles at the White River Valley I sectional with a score of 558, qualifying for the regional. At New Castle, Trexler was the top qualifier with a score of 547, but fell to Alexandria's Shayla Gwynn in the stepladder final 171-144.

Westfield's Sydney Black placed seventh in the girls singles at the White River Valley I sectional, rolling a 527 and earning a place at the regional.

Baseball

Noblesville hosts its own Invitational

Instead of traveling down to Tennessee for Spring Break, the Noblesville baseball team is staying home this year.

The Millers are keeping active, though, as they hosted the Noblesville Invitational last week. The Millers played their first game of the tournament last Friday night, falling to Mount Vernon 8-4.

Noblesville is dealing with a situation that many teams are: "We return zero starters," said Millers coach Justin Kever.

The last time high school baseball was played in Indiana, this year's senior players were sophomores. The juniors were freshmen. As a result, these players have been thrown into varsity competition without much varsity experience.

"And we've started off a little bit different than we've had in the past, so not only are the players a little bit out of sorts, the coaches are out of sorts, because we haven't coached games and stuff like that in two years," said Kever.

But the Noblesville tradition is still there, and this year's Millers are trying to add to that.

"We've got a really good group of kids," said Kever. "They're very coachable, they want to learn."

Noblesville scored a run in each of the first two innings. The

Millers' first run was walked in, as they drew three walks to load the bases, then Jacob Weiler got the fourth walk of the inning, which sent Dean White home.

White scored again in the second inning, but this time he got on base with a single, then got home on a double from Drew Niswonger. That put Noblesville up 2-1.

But the Marauders took the lead in the top of the third with three runs, then added three more runs in the fifth inning to lead 7-2. The Millers scored runs in the fifth and sixth innings, both times due to wild pitches. Kolbi Kazmierski ran home in the fifth, while Josh Kern scored in the sixth.

Three Noblesville players finished with two hits: White, Niswonger and Mason Bohland. White hit a double in the fifth inning. Ethan Leslie got the start on the mound for the Millers, striking out seven in four and a third innings.

"We've got some ability, we've got some athletic ability, we've got some guys that are capable," said Kever. "Just got to get there and we're not there right now."

MARATHON GAME

The Noblesville baseball team split its two games at the Invitational last Saturday.

The Millers fell to Zionsville 6-5 in their first game, then won a marathon contest with Fishers 14-13 in nine innings. Noblesville's Bryce Adams hit a walkoff sacrifice fly to clinch the Millers' first win of the season.

The Noblesville-Fishers game was a roller coaster. The Millers scored three runs in the bottom of the first inning: Kazmierski hit an RBI single into center field for the first run, then Adams got home on a wild pitch and Kazmierski later scored on an error.

The Tigers loaded the bases in the top of the third inning. JP Preston drew a walk to get the first run home, then Fishers added two more runs when Jack Braun and Jack Brown were both hit by pitches. The game was now tied at 3-3, and two more bases-loaded walks from Caulin Brown and Zach Cox, put the Tigers in the lead.

Matt Bryant then smacked a single into center field for two more runs, and Cox later scored on a passed ball. With that, Fishers led 8-3. Noblesville got two of those runs back in the bottom of the third, with Bohland getting home on an RBI groundout by Weiler. Adams then scored on the next at-bat.

Both teams added a run in the fourth inning. Fishers' Caulin Brown singled home Preston,

then the Millers' Keegan Speek got home from Bryce Riggs' RBI groundout; Speek came into run for Conner Bloss, who got on base with a triple. The score was now 9-6, Tigers.

Fishers added four more runs in the top of the sixth. Braun doubled in Dom Oliverio, then was batted in by Caulin Brown. Grant Moritz came up next and blasted a two-run home run, scoring himself and Tate Warner, who came in to run for Caulin Brown.

But Noblesville stormed back in the bottom of the sixth, scoring seven runs to tie the game at 13-13. Riggs drew a bases-loaded walk for the first score. Drew Niswonger sent a two-RBI hit into right field. Kazmierski smacked a two-RBI double into center field, Adams scored on a wild pitch, then Weiler's RBI single tied the game.

The score stayed tied at 13-13 until the bottom of the ninth. White got on base with a single, then moved to third base on an error. Two walks loaded the bases, then Adams hit a fly to center field. It was caught, but White made it home.

White, Kazmierski and Weiler all had two hits, with Kazmierski and White each hitting a double. Kazmierski totaled three RBIs.

Bryant was 3-for-5 at the

plate for the Tigers, with Caulin Brown batting in three runs. Kyle Manship came into pitch during the later innings and threw five strikeouts. Starter Gavin Kuzniewski struck out four.

In the earlier game, Zionsville got up 2-0 on the Millers in the top of the first inning. Noblesville scored its first run in the bottom of the second inning, with Caden David's sacrifice fly sending Adams home.

The Eagles added a run in the top of the third, but Noblesville came back to tie it with two runs in the bottom of the fourth. Speek and Kazmierski both scored on separate wild pitches.

The Millers jumped ahead 5-3 in the fifth inning when Kazmierski hit a two-RBI double, scoring Bohland and Adams, who got on base with a double. But the Eagles came back and scored three runs in the top of the sixth, and held the lead from there.

Kazmierski finished the game 3-for-3 with two RBIs. Michael Stremmler pitched four and two-thirds innings, striking out four.

It was a frustrating tournament for Fishers, as it went 0-3 at the event. The Tigers dropped two games last Friday, first to Franklin Community 6-5.

Fishers got ahead early, scoring in the top of the first inning

when Joey Brenzewski got home on an error. The Tigers got another run in the fourth inning. Preston hit a two-out single, and he was soon back home after Braun nailed a double into left field. Fishers now led 2-0.

Franklin scored a run in the bottom of the fourth, but the Tigers responded with three in the top of the fifth. With the bases loaded, Caulin Brown got home when Carson Dunn hit into a fielder's choice. That kept the bases loaded when Dom Oliverio came up to the plate, and he hit a double into center field, scoring Bryant and Brenzewski.

But that would be it for Fishers. Franklin scored a run in the fifth and two runs in the sixth to get within 5-4. A single tied the game with two outs, then with the bases loaded, Franklin hit a walkoff single for the victory.

The Tigers had five hits, and four of them were doubles. Caulin Brown and Bryant joined Braun and Oliverio in getting extra-base hits for the game. Tate Warner pitched five innings, striking out eight.

Fishers played Columbus East in its second game and lost 10-0 in five innings. The Tigers were held to two hits, one each from Preston and Jack Brown.

Both Noblesville and Fishers are 1-3 for the season.

Millers' Donna Buckley, Greyhounds' Ryan Osborn among 2021 Bob King Coaches of the Year

The Coach of the Year award is named for the late Bob King, the IBCA executive director from 1984-94. King was a Lebanon native who coached at Sacred Heart and Shortridge high schools in Indianapolis before serving as an assistant basketball coach at Purdue and later as an assistant and associate athletic director at Purdue.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
