# Hamilton County Youth Service Awards scheduled for May 24

## Winner will receive \$1,000 scholarship

**The REPORTER**  
The 28th annual Hamilton County Youth Service Awards ceremony will take place at 4:15 p.m. on Monday, May 24 at the Government & Judicial Center in Noblesville. A recording of the ceremony will also be posted to Hamilton County's Facebook, Twitter, LinkedIn, and Instagram pages.

The ceremony is sponsored by the Hamilton County Commissioners and the Hamilton County Council on Alcohol and Other Drugs (HCCOAO) as part of their ongoing efforts to recognize outstanding service by youth in the community.

"We are proud of each of the

applicants that have chosen to lead a drug-free lifestyle and contribute their time to help make positive changes in the lives of others," HCCOAO Executive Director Monica Greer said.

Each school's winner was selected by the school's counseling department. This year's

nominees include Felicia Sanders from Carmel High School, Brian Zachary from Hamilton Heights High School, Mya McGavic from Noblesville High School, Cameron Ney from Sheridan High School, and Claire Davis from Westfield High School.

A selection committee made up of employees of the probation department screened the applications using a set criterion to select an overall winner of the \$1,000 scholarship. Each finalist not selected as the overall winner will receive a \$300 scholarship.

# Open meeting next week to discuss plans for new Westfield Public Library

**The REPORTER**  
The Westfield Washington Public Library will host a community meeting at 7 p.m. on Wednesday, May 26 to discuss plans for a new library.

The library board would like to build a new library in downtown Westfield at Westfield Boulevard and Park Street. The current library on Hoover Street was built in 1983 and expanded in both 1994 and 2014. At 32,230 square feet, the current site does not offer enough room for further expansion.

"While the current building has served us well through the years, it doesn't allow us room to grow and continue to meet the

# Educator power couple

## How is kindergarten like grad school?

**The REPORTER**  
The students are surprisingly similar, according to a couple of married teachers who moved to Westfield during the pandemic. Dinner conversations at the Schubert household reveal that the challenges of elementary school students and those pursuing post-graduate degrees may not be so different.

Yvette Schubert is a 28-year veteran of Indiana schools and teaches at the Rosa Parks Kindergarten Academy in Perry Township. Last week, she was awarded Teacher of the Year by her principal. She also received flowers from two of her students, but that was before the announcement. Her number one concern with five-year-olds? Telling them over and over to stay focused on their task.

"Same for me," says her husband, Peter, who teaches in the Purdue School of Engineering & Technology at IUPUI. He supervises a small team of graduate students who have already earned their Bachelor's degrees in science or engineering and are pursuing a MS or Ph.D.

"They are curious, and want to pursue every new thing they learn," Dr. Peter Schubert told The Reporter.

Dr. Schubert also mentors undergraduate students and just finished supervising three senior design

teams. Since 2011 he has been the faculty advisor for the student rocket club on the Jaguar Campus, called Students for the Exploration and Development of Space (SEDS). For his efforts, IUPUI just awarded Dr. Schubert the Alvin V. Bynum Award for Excellence in Academic Mentoring.

What does this education power couple think of Westfield? "Our neighbors are very friendly, and everything we need is close by," said Yvette, who holds a Master's degree from IUPUI.

"I'm delighted at all the restaurants," said Peter, who received his doctoral degree from Purdue. They live close to the Monon Trail and look forward to exploring north and south by bicycle.

So, how do their jobs compare? Yvette is at school every workday and manages a class of 28. Peter works from home twice a week and teaches electronics to a class of eight. At night, Yvette works on lesson prep while her husband

# Sugar is everywhere, and it's making us overweight

"Sugar in the morning, sugar in the evening, sugar at suppertime ..." — McGuire Sisters, 1958

I imagine that when the McGuire Sisters recorded this tune many years ago (gosh, I sure hope you know who they were!) it was not the intent of their lyrics to include overconsumption of sugar and related health issues. But yes, you guessed it — that is exactly my topic this week!

There are several reasons why we should be wary of sugar consumption, one reason being too much added sugar can crowd healthier foods from a person's diet — calories unaccompanied by fiber, vitamins, minerals, and other nutrients.

Sugar-sweetened beverages such as sodas, energy

SHARON MCMAHON

drinks, and sports drinks are by far the biggest sources of added sugar in the average American's diet. They account for more than one-third of the added sugar we consume as a nation.<sup>1</sup>

Other important sources include cookies, cakes, pastries, and similar treats; fruit drinks; ice cream, frozen yogurt and the like; candy; and ready-to-eat cereals. I especially want to point out fruit juices — even the "healthiest" juices have quite a bit of sugar. Most of us don't consider added sugar in canned fruits and vegetables — yes, even vegetables. Manufacturers' goals are to make us "happy consumers" which includes what I consider to be the addiction of sugar.

According to the National Center for Health

Statistics, an astounding 62 percent of adult Americans were overweight in 2000, up from 46 percent in 1980. Twenty-seven percent of adults were so far overweight that they were classified as obese (at least 30 pounds above their healthy weight) — twice the percentage who were classified as such in 1960. Alarming, an upward trend in obesity is also occurring for U.S. children. What that portends for our future I shudder to consider.

One hundred and fifty-six pounds. That's how much added sugar Americans consume each year on a per capita basis, according to the U.S. Department of Agriculture (USDA). Imagine it: 31 five-pound bags for each of us. Only about 29 pounds of it comes as traditional sugar, or sucrose, according to

# HSE sophomore named finalist in National Cyber Scholarship Competition

**The REPORTER**  
Hamilton Southeastern High School sophomore Aryadeep Buddha has been named a finalist in the National Cyber Scholarship Competition.

In recognition of his achievement, Buddha earned an invitation to participate in the Cyber Foundations Academy — a multi-week online program based on the nationally recognized SANS Foundations training course and certification — valued at more than \$3,000.

The National Cyber Scholarship Competition (NCSC) is a rigorous 48-hour online cybersecurity competition sponsored by The National Cyber Scholarship Foundation (NCSF). Qualifiers competed against over 5,000 other high school students

# Fishers FD, IU Health team up to bring virtual care to patients on the spot

By KATIE WISELY  
WISH-TV | [wishtv.com](http://wishtv.com)

It's an effort to help improve mental health. The Fishers Fire Department and IU Health are teaming up to bring virtual care to patients on the spot and as soon as it's needed.

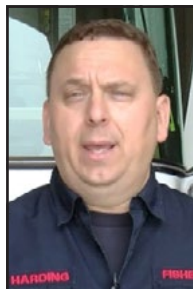

The Fishers Fire Department says the program is critical. In 2020, firefighters responded to more than 450 emergency incidents involving patients with behavioral issues, nearly a 16 percent increase compared to what the department saw in 2019.

The program will provide virtual psychiatric assessments and in-home consultations for individuals experiencing behavior-related incidents. These are incidents related to suicide, substance use or bipolar disorder.

When firefighters respond to these calls, they have the ability to connect patients instantly with IU Health's virtual behavioral health hub. Psychiatrists and experienced psychiatric nurse practitioners are accessible 24/7 via iPads to provide patient consultations and recommendations for the next steps in the patient's care.

The fire department says over half of these calls apply to those under the age of 18.

"What we've really watched is an 18-month trainwreck and I think it's really wearing on people day to day," Fishers Fire Captain Joe Harding said. "It would be one thing if this was just a one-off smash and grab kind of thing, but it's not. This is just a continued thing over and over

# Sheridan library's Summer Reading Program goes virtual

**The REPORTER**  
The Sheridan Public Library's Summer Reading Program is going online this year.

Students from pre-K to high school can participate by registering online beginning June 1 at [sheridan.lib.in.us](http://sheridan.lib.in.us). The program will run from June 1 to July 9.

A bingo sheet will be included for the reading adventure; participants need to get one bingo and read their book goal to complete the program.

Participants who get two bingos and read their book goal will earn a free book.

A pizza party will be given for those who complete the Summer Reading Program.

## Fishers Police surveying the public through June 14

By **LARRY LANNAN**  
[LarryInFishers.com](mailto:LarryInFishers.com)

The Fishers Police Department has received accreditation from the Commission on Accreditation of Law Enforcement Agencies (CALEA) in past years and is seeking to keep that certification.

Part of the process is a survey of the general pub-

lic. It is an opportunity for Fishers residents to provide feedback on contacts with local officers and perceptions of safety within your own neighborhood or frequented business areas.

"It is the goal of the Fishers Police Department to achieve and maintain the highest level of quality service for our residents and visitors," according

to a news release from the Fishers Police Department. "Input from the citizens of Fishers is essential in the Fishers Police Department's continued effort to promote effective police services and protection to all members of the community."

The survey is open through June 14. You can access the survey online at [this link](#).

Franklin College honored its students in late April for their exceptional scholarly efforts during the 2020-21 academic year with merit awards and scholarships. The annual Spring Honors Convocation was held in two parts this year in keeping with COVID-19 guidelines.

The following students

from Hamilton County were honored:

- **Avery M.K. Bundy**, son of Malinda Bundy of Sheridan, received the Indiana Certified Public Accountants Award.

- **Claire E. Castillo**, daughter Daniel and Dianne Castillo of Fishers, was honored for completion of the Pulliam Fellowship.

- **Alexis Cheatham**,

daughter of Jill English of Indianapolis and Riley Cheatham of Fishers, received the Tunison Award for Excellence in English and the Wayne Coy Award.

- **Ashlynn N. Meadows**, daughter of Brad and Dawn Meadows of Carmel, received the Dr. Jerry L. Curnutt Endowed Scholarship for Chemistry & Physics.

## New soybean production facility in Wabash bringing expedient precision to farmers

### The REPORTER

AgVenture McKillip Seeds based in Wabash, Ind., recently unveiled a brand-new soybean production plant. The 84-by-64-foot facility offers state-of-the-art technologies and innovative systems that extend the company's soybean processing capacity by more than five-fold. In addition, a new 180-by-120-foot warehousing facility will be completed this summer.

"This extensive investment in proficiency and impeccable quality represents our commitment to our customers and their profitable future," said Troy McKillip, owner at AgVenture McKillip Seed. He said the new facility is designed and developed for their customers' benefit. "As technologies advance on the farm, we work hard to bring the cutting-edge science to the seed. Our investment in this soybean production facility offers our growing customer

base the very best in soybean seed care. The technologies and equipment we have in our soybean processing plant allow us to meticulously handle soybeans and to precisely apply and distribute seed treatment products for optimal performance."

More capacity and the latest in color sorters, new cleaners, bucketed belts, etc. make for ease of handling of soybeans.

"That means our customers have more expedient access to their soybean seed, processed, treated, and ready for them. It's faster and much more responsive so we can meet the customers' demand much faster in-season," McKillip added.

In addition, the new plant's innovative design and equipment help make the plant safer for employees while taking the quality of the seed handling to a higher level.

AgVenture McKillip Seed Marketing Manager

Mitch Snyder said, "We have always worked with and for our customers. We work hard together to bring them best seed products – specifically adapted to their soils, conditions, and growing environments. The new plant brings exacting precision to seed treatment application. The value that brings our customers is so important in making them more profitable today and for the future. We are really pleased to see what a difference it will make already in the 2021 crop."

AgVenture Business Development Manager Chuck Schneider said, "We are very proud to recognize McKillip Seed's progressive commitment to the precision and accuracy that directly impact their customers' bottom lines. The forward-thinking and innovative science they've incorporated into the facility will benefit their customers and the community for years to come."

# Virtual event will explore ways to reduce maternal mortality in Indiana

**The REPORTER**

Indiana has historically had one of the highest maternal mortality rates in the United States, and though efforts are being made to reverse that fact, the state still outpaces the national

rate for mothers who die during birth and up to the first year after birth. The rates for Black women are three to four times higher than white women. Over 60 percent of maternal deaths are prevent-

able, and countless studies have shown the causes of the deaths. However, the dismal outcomes have not changed for Hoosier women. That's why Women4Change will hold a free virtual event, "Listen, Con-

nect, Participate: Maternal Health and Infant Mortality," at 6:30 p.m. on Wednesday, May 26. Register now at [listen-connect-participate.eventbrite.com](https://listen-connect-participate.eventbrite.com)

The moderator will be Velvet G. Miller, Ph.D., RN, FAAN, whose career has included being a clinical nurse, an academician, and a health care administrator in the public and private sectors. She is currently the Project Director for Not One More: Promoting Maternal Health and Preventing Maternal Death.

- Panelists will be:
- State Rep. Vanessa Summers
  - Dr. Kristina Box, State Health Commissioner
  - Dr. Virginia Caine, Director and Chief Medical Officer, Marion County Public Health Department
  - Lucia Guerra-Reyes, Ph.D. Associate Professor, Department of Applied Health Science, IU School of Public Health

Women4Change is hosting this event in partnership with the National Coalition of 100 Black Women, Birth Equity & Justice SJC, Indiana Minority Health Coalition, and The Not One More Project.

Women4Change is a non-partisan organization that educates, equips and mobilizes Hoosiers to make positive change for women. It hosts quarterly "Listen, Connect, Participate" events on a variety of topics.

# Sen. Young releases new video thanking Hoosier police officers

**The REPORTER**

Following National Police Week last week, U.S. Senator Todd Young (R-Ind.) released a new video thanking men and women in uniform for their service.

Last week, Senator Young joined a resolution recognizing National Police Week that passed the Senate by unanimous consent. Senator Young also cosponsored the COPS Counseling Act to encourage law enforcement to seek peer counseling programs confidentially, which was approved by the Senate Committee on the Judiciary and now heads to the Senate floor.

"We're here to provide the tools wherever we can to members of law enforcement so they can go out

there and continue to keep us safe and secure," Sen. Young said. "So that I can send off my kids to school every day, and we don't have to worry about their safety. So that people will move to great towns like Kokomo, Indiana, to be able to start businesses without worrying about the security environment. These are things that I think too often we take for granted."

"We need somebody in Washington, to say the least, that supports law enforcement. We all do great things every day, like I said, a lot of people do not see," said Howard County Sheriff Jerry Asher. "Senator Todd Young, thank you again for being here with us."

# Register now for summer hiking adventures at Cool Creek Park, Coxhall Gardens

**The REPORTER**

Youth in grades 3 through 8 are invited to register for a Summer Hiking Adventure. During this two-day adventure, attendees will explore Cool Creek Park on June 15 and Coxhall Gardens on June 17 from 8:30 a.m. to noon each day. In the event of inclement weather, June 18 will be the make-up date.

Adventures will include exploring animal habitats, identifying local trees and plants to learn what's safe and what's not, examining the science behind garden design, and relating the benefits of hiking on the mind

and body. This program will be presented by Purdue Extension Hamilton County and partners at Hamilton County Parks and Recreation.

The cost is \$30 per participant. 4-H membership is not required.

Registration deadline is Tuesday, June 8. Space is limited, so act now. To register visit [bit.ly/SummerHikingAdventure](https://bit.ly/SummerHikingAdventure) or call (317) 776-0854.

## William Robert "Bill" Stotts

May 14, 1939 – May 12, 2021

William Robert "Bill" Stotts went to his eternal Home on May 12, 2021. Born on May 14, 1939, in Paris, Ill., Bill accepted Jesus Christ as his Lord and Savior and was called to the ministry at the age of 14, passionately loving and serving Him above all else.

His love for God was evident in his lifelong love and care not only for his family but for all people. Armed with an extraordinary ability to remember names and a great sense of humor, Bill made friends easily and well.

His family grieves deeply at the loss of a great husband of 59½ years to Jane Ellen (McIntire) Stotts; a loving father of Jeff (Regine) Stotts, Kay (Leonardo) Godoy Stotts, and Doug (Rachel) Stotts; a proud grandpa of Brett (Elizabeth), Hope, Amelia, Jacob, Owen, Sofia, and Ben; a great-grandpa of Emily, a beloved brother of Florence (Don) Magee, and a wonderful uncle of many nieces and nephews. They rejoice over his faithful life and that he is now with Jesus.

As a boy, Bill was never without a ball! His love for sports began early in life. When told by the Paris High School basketball coach that he was too small for the team, Bill trained hard to make up for the deficit by being fast. Really fast! He excelled as a Paris Tiger, going on to play 6-foot guard for Indiana Central University. It was there that Bill met his beloved wife Jane and together they joyfully decided to give their lives in service to their Lord.

Bill attended Evangelical United Brethren Seminary. They pastored several United Methodist churches in Illinois: Potomac, Naperville, Danville and Henry. Moving to Indiana in 1975, Pastor Bill continued fruitful ministry with the Free Methodist Church in Terre Haute, Indianapolis Ritter Avenue, and Washington. Upon retirement, he gladly filled in as pastor for several congregations throughout Wabash Conference.

As a humble servant leader, no job was too small or insignificant for Pastor Bill, who could be found shoveling snow, cleaning church bathrooms and driving the church van. He would work until the job was done. But his passion was relationships: visiting the sick and grieving, helping people with daily tasks, befriending the poor and disenfranchised. He loved pointing people – all people – to Jesus and sharing God's love with them. Many are in Heaven because of his life lived with genuine integrity and purpose.

Bill is preceded in death by his parents, Charles and Esther (Harrison) Stotts; stepmother, Caddie; sisters, Mary (Fred) Yost and Virginia; and brother, Charles (Anna) Stotts.

A celebration of life service, scheduled for Saturday, May 29 at Ritter Avenue Free Methodist Church in Indianapolis, will be officiated by Pastor Dave Nicholson. The visitation at 11 a.m. will be followed by a memorial service at noon. Burial will follow at Washington East Memorial Cemetery in Indianapolis.

Any memorial contributions can be made to: Alzheimer's Association, 50 E. 91st St., Suite 100, Indianapolis, IN 46240 ([tinyurl.com/BillStottsAlzMemorial](http://tinyurl.com/BillStottsAlzMemorial)); or International Child Care Ministries, 770 N. ## Charles "Chuck" Inman

October 21, 1944 – May 18, 2021

Charles "Chuck" Inman, 76, a lifelong resident of Sheridan, passed away on Tuesday, May 18, 2021 with his family by his side. He was born in Sheridan on October 21, 1944 to the late Warren Henry and Audia Deloris (Greathouse) Inman. Chuck attended Sheridan High School and afterwards worked as a millwright for 45 years for United Feed, from which he retired in September of 2009.

On February 9, 1963, Chuck married the love of his life, Karen (Mace) Inman, and the two of them have remained at each other's side for the last 58 years. Chuck and Karen involved themselves deeply with Six Points Wesleyan Church and used their faith and devotion as the foundation of their marriage, while at the same time instilling these values upon their children and future generations to come.

Being a proclaimed gunsmith, Chuck became a member of the NRA. Not only did he collect guns for himself, but also repaired any firearm entrusted to his care. When he was not collecting or repairing guns, he could be found training hunting dogs and would often bring them along on his hunting expeditions with his friends. He also enjoyed leather work, and while he could make all different sorts of items using leather, he was most known for his leather gun holsters for people to carry their firearm by their side.

Chuck never knew a stranger and was guaranteed to know someone no matter where he went. One of his greatest joys was his grandchildren. He looked forward to spending time with them and going to their activities.

He was preceded in death by his brothers, Jack, Billy, Dave, Jim, and Tuffy; and his sister, Julia Ann.

Left to cherish his memory are his loving wife of 58 years, Karen; their devoted daughters, Karen (Phil Schultz) Inman, Grayslake, Ill., and Mary (Chris) Moudy, Frankfort, Ind.; and his sister, Sue Wallace. He was a proud grandfather to Sadie, Cora, Matthew, Max, and Chloe; and enjoyed spending time with his nieces and nephews, along with many friends.

Funeral services for Chuck will be held at 2 p.m. on Saturday, May 22, 2021, at Six Points Wesleyan Church, 1545 W. 226th St., Sheridan, where family and friends are invited to gather from noon until time of services. Pastor Scott McDermid will be officiating. Burial will follow at Crown View Cemetery.

Everyone is invited to sign the online guest book, leave a condolence, or share a memory at [fisherfunerals.com](http://fisherfunerals.com). Fisher Family Funeral Services is honored to serve the Inman family.

## TODAY'S BIBLE READING

*Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will not last, but we do it to get a crown that will last forever. Therefore I do not run like someone running aimlessly; I do not fight like a boxer beating the air. No, I strike a blow to my body and make it my slave so that after I have preached to others, I myself will not be disqualified for the prize.*

# Golden Eagles triumph at county meet

## GC's Modleski goes five under, four teams break 300

By **RICHIE HALL**  
**NOBLESVILLE** - The Hamilton County boys golf tournament took place Friday at Pebble Brook, and continued to prove that this area is arguably the strongest in Indiana for golf.

The county currently boasts four of the top eight schools in the latest coaches poll, and they lived up to those rankings on Friday. Top-rated Guerin Catholic won the meet with a 283, following up its school-record performance of 281 just two days ago at the Woodland Invitational.

Second-ranked Carmel was right behind with a 286, while No. 7 Westfield placed third with a 289. Hamilton Southeastern, ranked No. 8, was in the mix as well, placing fourth with a 296.

The Golden Eagles had two players break 70, including the medalist, Jacob Modleski. He lit up the North Course with a five-under par 65, making seven birdies along the way.

"I really couldn't have played much better," said Modleski. "Obviously parts of my game hadn't been quite where I wanted them to be the last couple days, so for today to have gone as well as it did, I couldn't have really asked for much more."

Guerin Catholic went 1-2 at the tournament, as Leo Wessel was the individual runner-up with a two-under par 68. Wessel has six birdies for the meet.

In fact, every Golden Eagles player drained at least one birdie: Connor McNeely (who scored 74) made four, Andrew White (76) had two and Christian Hein (77) had one.

"We're playing pretty well," said GC coach Mark Mathews. "We've got great rounds posted. We shot a 67 at Woodland on Wednesday, we shot a 65 today. But all four players are not playing their best at the same time yet, so we haven't jelled

Hamilton Southeastern finished a Hoosier Crossroads Conference sweep of Franklin Central on Friday, beating the Flashes 6-4 in an eight-inning away game.

The Royals scored their first run in the first inning when Noah Wolf scored on a dropped third strike. Southeastern added a run in the third inning; Wolf got home again on a Cole Earlewine single.

The Flashes got their first run in the bottom of the third. The Royals scored in the fifth inning when JT Mutchner scored after Hunter Wright reached on error. Southeastern went up 4-1 in the sixth inning; Wolf scored on another Earlewine single.

Franklin Central scored twice in the bottom of the sixth and added a seventh-inning run to tie the game at 4-4, sending it to extra innings. HSE only needed one extra inning: Earlewine smacked a double in the top of the eighth to send in Wolf and Peyton Lusby. The Royals then ended the game with a double play.

Wolf totaled four runs scored, while Earlewine was 3-for-4 and batted in four runs. Starting pitcher Cam Howard got the win, while Ty Bradle finished the game, striking out five in three innings.

Southeastern finished the regular season 12-15-1 and plays Fishers Wednesday in the first round of the Westfield sectional.

# Fever fall to Dream

After getting her first start of the 2021 season, Fever forward Jessica Breland hauled in a career-high 16 rebounds in Friday night's loss to the Atlanta Dream, 83-79. Breland ended the night with 1,450 rebounds for her career, which still has her in the top 50 in WNBA history. Her season-best 15 points secured her 23rd career double-double performance as well.

Fever center Teaira McCowan also made history on the glass Friday night as well. McCowan became the eighth player in WNBA history to reach 500 rebounds in their first 60 career games. The 60 games also made McCowan the fastest in franchise history to reach the rebounding plateau, which was previously held by current VP of Basketball Operations and General Manager, Tamika Catchings. The newest Naismith Memorial Hall of Fame inductee reached 500 rebounds in 61 career games.

The Fever found bright spots off the bench in rookies Bernadett Hatar and Kysre Gondrezick. In Hatar's second game, the 6-foot-10 Hungarian center notched a new career-best 12 points in just under 21 minutes of action. Gondrezick ended her night 3-of-3 from the

floor and added eight points to go along with three rebounds.

Tiffany Mitchell was also inserted into the starting lineup and dished out a season-best six assists. The 20 assists distributed as a team were a new season-high for the Fever.

Kelsey Mitchell led all Fever scorers again with 19 points on 7-of-18 shooting. Mitchell is currently third in points per game (16.8 ppg) for players who have played at least four games already this season.

For Atlanta, second-year guard Chennedy Carter led all scorers with 23 points and tied a team-best four assists. Courtney Williams and Tiffany Hayes each added 16 and 14 points each as the Dream tallied its first win of the 2021 regular season.

The Fever return to Bankers Life Fieldhouse on Sunday against Washington at 1 p.m. On Sunday, the Fever will honor current VP of Basketball Operations and General Manager, Tamika Catchings, following her induction into the Naismith Hall of Fame. Tickets for the game can still be purchased at Fever-Basketball.com.
