Carmel H.S. senior wins 2021 Youth Service Award

The REPORTER

Felicia Sanders, a senior at Carmel High School, was awarded the 28th annual Hamilton County Youth Service Award on Monday. The ceremony is sponsored by the Hamilton County Commissioners and the Hamilton County Council on Alcohol and Other Drugs (HC-COAOD). Sanders was awarded a \$1,000 scholarship.

Sanders is a student trainer and advocate for Take Down Tobacco and the Campaign for Tobacco-Free Kids. She informs her peers on how and why commercial tobacco products, including e-cigarettes, are a major problem for public health, the local environment, and local communities. She was also a member of former Congresswoman Susan Brooks' Youth Advisory Group, where she discussed legislative solutions that could help deter youth access to tobacco and tobacco-related products.

"I have a friend who was unable to participate in volleyball due to the damage vaping inflicted on her lungs," Sander said. "That experience helped

Fishers, Carmel, Westfield among top places to live in Indiana

The REPORTER

Trip101, a travel-based digital platform, has ranked three Hamilton County communities as the best places to live in Indiana.

Trip101 selected Fishers as No. 1. The selection was based on aspects like cost of living, economic health, ease of living, as well as amenities and public education and its high ranking for public safety.

Carmel was ranked No. 4 on this list. According to Trip101, Carmel earned a top 10 spot due to its dense suburban feel with most residents owning their own homes. In addition, the town offers many parks, restaurants, shops and coffee shops, and attracts many families. Carmel is also considered the 39th safest city in the USA, according to a safety research report. Trip101 also noted Carmel's commitment to the arts with the Palladium.

Westfield rounded out the list with a No. 10 ranking. The choice was based on the cost of living, employment opportunities and diversity in the city. Westfield has been ranked seventh among the Top 10 Safest Places in Indiana by Movoto.com. Attractions in the city include the Monon Trail, Grand Park, and Cool Creek Park Nature Center.

The REPORTER

Your friends at Hamilton County Parks and Recreation say it is time to once again celebrate a long-standing summer tradition, and parks officials say they are excited to stage the popular Cool Creek Summer Concert Series, this year proudly sponsored by Ashlin Hadden Insurance. Because the concerts were canceled in 2020, the staff and event team are eager to welcome fans back to Cool Creek Park to once again "party on the pavilion lawn!"

To make up for lost time and fun, the parks department has scheduled six concerts this season, starting with a kickoff concert performance on Friday, June 11, by the stellar duet of Dave and Rae.

In celebration of the return of the concerts, the parks event staff have arranged for fun, family-engaging activities and food and treats beyond the musical entertainment – all served up in a beautiful natural setting. Care has been taken to ensure the comfort and safety for all event attendees, and of course

Carmel earns GFOA certificate for 'excellence in financial reporting'

The REPORTER

The City of Carmel has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada for the city's comprehensive annual financial report for the fiscal year ending Dec. 31, 2019.

In a news release issued in April, the Chicago-based association said the Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The report has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the report.

"These are complicated times as we emerge from a year of pandemic closures and restrictions, and I know our City Controller's office has been working hard to stay on top of managing our finances and carefully accounting for multiple budgets and many complicated funding and revenue streams," Mayor Jim Brainard said. "I congratulate Ann Bingman and her staff for doing this task and diligently caring for taxpayers' money, investing wisely and keeping our residents informed."

In addition, Brainard expressed his gratitude for many others who played a part in achieving this honor, including the Carmel City Council, Executive Department Directors and longtime financial consultant Curt Coonrod and his staff – who worked in collaboration to ensure excellence in the city's financial reporting.

Carmel City Controller Ann Bingman said the honor should give residents of Carmel a level of comfort and assurance that the city has a strong financial reporting system in place, one that passes the scrutiny of both a State Board of Accounts audit and the prestigious Certificate of Achievement process.

IndyCar drivers, professional cornhole players to square off in Cornament of Champions

Event to benefit GiGi's Playhouse Indianapolis

The REPORTER

Just days before they are set to throw their cars into high gear, drivers for Andretti Autosport will be throwing their weight behind corn hole bags. They are participating with the George4 Foundation to raise money for GiGi's Playhouse Indianapolis, a local achievement center that provides free educational and therapeutic programs to people with Down syndrome.

"GiGi's is an organization that is near and dear to myself and my family," said George Steinbrenner IV, co-owner of James Hinchcliffe's Number 29 car with Andretti Autosport. "My youngest brother has Down syndrome and our family has done a lot of work with the GiGi's Playhouse in Tampa. We look forward to expanding that work into Indianapolis."

Dubbed the Cornament of Champions, the fundraiser will pair Indianapolis sports celebrities with USA Cornhole National Team members and American Cornhole League (ACL) professionals. The pairings will pit Steinbrenner and corn hole player Matt Guy against Indy Car driver James Hinchcliffe and ACL pro Frank Modlin. 2016 Indianapolis 500 Champion Alexander Rossi will be paired with ACL player Allison Peters and Indianapolis Colts cornerback Kenny Moore Jr. will team up with ACL pro Christine Papcke. The event will be hosted by comedians Shaun Latham and Todd McComas and live streamed on the NBC

Sports app and ACL streaming networks.

Daredevil Brewing in Speedway will host the Cornament of Champions from 2 to 5 p.m. on Thursday, May 27. Live music will be provided by country singer and native Hoosier Clayton Anderson. The public is invited to vote for their favorite team and partake in a silent auction of IndyCar and New York Yankees autographed memorabilia at Cornament2021.Givesmart.com.

The goal is to raise \$60,000 to purchase a new 12-passenger van for GiGi's EPIC Program.

"Our EPIC program — which stands for Empowering Participants to get Involved in the Community — provides opportunities for socialization and community involvement for adults with Down syndrome," Executive Director Denisse Jensen said. "The van will help boost confidence and encourage independence among our participants by allowing them to travel to vocational and volunteer opportunities."

The Cornament of Champions is co-sponsored by American Cornhole League, the Indianapolis Colts, Daredevil Brewing, and CarSnoop.

Mary Jo Owens

January 21, 1930 – May 22, 2021

Mary Jo Owens, 91, Cicero, passed away peacefully at her home on May 22, 2021. A strong believer in a better life after this one, she awaited a joyous reunion with loved ones no longer with us. Mary Josephine Recobs was born on January 21, 1930 in Elwood. Her parents were Virgile G. (Osborne) and Frank E. Recobs, who preceded her in death. She was a graduate of Tipton High School, Class of 1948.

From an early age, music was a great interest and she played the flute and occasionally piccolo in the Tipton High School band and the Ball State Orchestra. For a time, she studied at the Arthur Jordan Conservatory of Music in Indianapolis.

Mary Jo attended Ball State University, receiving a bachelor's degree in elementary education in 1952. In her early years she taught in the Indianapolis Public Schools System, Northwestern Howard Schools in Galveston, Ind., and Third Ward in Noblesville. Finally, she taught in the Hamilton Heights Schools community for the next four decades. She completed her master's degree at Ball State in 1967.

She married Bill Owens on June 12, 1953, and raised three children in Cicero. Her husband preceded her in death in 2002.

Her retirement years were spent tutoring her grandchildren, enjoying the company of family and friends, going to church, studying the Bible and rooting for Notre Dame football. She also enjoyed reading voluminously, especially mysteries and spy stories of a British or New England flavor. She enjoyed sharing her community spirit with her friends of the Cicero Kiwanis Club.

Survivors include a daughter, Anne (Bill) Tharp; a son, Steve Owens; and a daughter, Kathy (Doug) Bures. She is survived by four grandsons, Chad (Amy) Dunn, Robert (Catrina) Dunn, Benjamin Bures, and Joseph Bures. Mary Jo was blessed with six great-grandchildren, Kaylie (Kyle) Snodgrass, Jaysie (Lenard) Vander Lyke, Dreiken Dunn, Madison Dunn, Caitlin Dunn, and Dusty Dunn. She also had a great-great grandson, Atlas Vander Lyke, and two more expected this year. Her children also included the hundreds of students she taught throughout her career.

In addition to her husband and parents, she was preceded in death by a great-granddaughter, Madison Dunn, and son-in-law, Douglas K Bures.

Special thanks to Dr. Nathan Lambert and his staff and Dr. Lori Wisely and her staff. The family also wishes to thank Guardian Angel Hospice of Kokomo for their strong support and guidance in a very difficult time.

Services have been entrusted to Hartley Funeral Home, 209 W. Jackson St., Cicero, where friends are invited to visit from 3 to 8 p.m. on Tuesday, June 1, with a candle-light ceremony at 7:45 p.m. Funeral services will be held at the same location at 11 a.m. on Wednesday, June 2, followed by a brief graveside service.

In lieu of flowers, friends may wish to make a contribution in Mary Jo's name to the Hamilton Heights Educational Foundation, P.O. Box 469, Arcadia, IN 46030; or Victory Chapel, 13350 E. 216th St., Noblesville, IN 46060. Condolences: hartleyfuneralhomes.com

TODAY'S BIBLE READING

Now these things occurred as examples to keep us from setting our hearts on evil things as they did. Do not be idolaters, as some of them were; as it is written: "The people sat down to eat and drink and got up to indulge in revelry." We should not commit sexual immorality, as some of them did—and in one day twenty-three thousand of them died. We should not test Christ, as some of them did—and were killed by snakes. And do not grumble, as some of them did—and were killed by the destroying angel. 1 Corinthians 10:6-10 (NIV)

Joseph Eugene Wilson

Girls track and field regional

Millers make history with first-ever team title

By RICHIE HALL

LAFAYETTE - Lafayette Jefferson's Scheumann Stadium heard something last night that no one had ever heard before: The cheers of a Noblesville girls track and field team after winning a regional title.

The Millers made history Tuesday night by winning their first-ever regional championship. Noblesville had been keeping pace with defending champion Hamilton Southeastern and Carmel through the night, then pulled ahead once the results of the high jump and pole vault came in.

The Millers had the most event wins of the night with four. But it was truly a team effort for Noblesville, as a happy first-year coach Jim Pearce pointed out.

"We just did well all night," said Pearce. "We've just been talking about staying relaxed the whole time and just being a team and doing things for the team. We had so many kids that scored small points in here. We had kids in seventh, sixth place scoring points. That's what it takes and we're really trying to build that team part."

Leading the way for Noblesville was junior Kiana Siefert. She swept both hurdles events, winning the 100 hurdles in 15.09 seconds and the 300 hurdles in a new Millers school record time of 45.21 seconds. Siefert also placed second in the long jump with a best effort of 18 feet, 2.75 inches.

"I'm happy with it," said Siefert. "That was my new PR and school record, so that was super exciting. I'm hoping that I can get to mid 18s by state and just do even better."

Siefert qualified for the state meet in all three events, as the top three finishers in each event advance to state, which

The Noblesville girls track and field team won its first-ever regional championship Tuesday at Lafayette Jefferson. The Millers scored 77 team points, took four individual events and qualified seven to next weekend's state meet at Ben Davis.

takes place next Saturday, June 5 at Ben Davis. Noblesville had seven state qualifiers, including two in the high jump. Rylee Hassan won while Malina Miller placed second. Both sophomores cleared 5 feet, 5 inches; Hassan won on misses.

"I'm so excited," said Hassan. "At first I wasn't really confident in myself, but then I got the energy and I was super excited when I cleared 5-5, and going on to 5-6, I thought I was really close. And I can't wait to go to state."

"It feels so good," said Miller. "I've been wanting this for a while and I

thought I was going to get it last year, but obviously things got cut a little short. But I'm glad to be going this year."

Freshman Hannah Alexander won the discus with a winning throw of 127 feet, 5 inches. Senior Parker Davis placed second in a loaded pole vault by clearing 11 feet, 9 inches. The top five athletes in the pole vault all made at least the state standard of 11 feet, 3 inches and will all go to state.

Hamilton Southeastern placed second with 66 points. The Royals had one event win, but it was a big one: Senior Halle Hill won another battle with Hamilton Heights' Maria Mitchell in the 1600 run. Hill finished in a time of 4:52.72, a new regional record. She also placed second

in the 3200 to advance to state in both events.

"I think I ran really well," said Hill. "That was a PR and a school record. I'm really happy with my time, just because my past few 1600s, I haven't necessarily taken out fast, so I'm happy that I could close fast and start it off fast, too."

Southeastern finished with six state qualifiers. Ally Elsbury was second in the 100 hurdles. Regan Wans placed third in the 400 dash, then joined Alyssa Barker, Annice McFarland and Madisyn Etheredge to place second in the 4x400 relay. The Royals also took third in the 4x800 relay, with Olivia Brown, Grace Newton, Maggie Powers and Allie Latta running

in that race.

Carmel took third as a team with 62 points. The Greyhounds had two event wins, and the 4x800 relay was the first one. Annie Christie, Jasmine Klopstad, Mahalet Zeruesenay and Abbey Grogan won that race in 9:18.82, well below the state standard of 9:24.45.

That was just the start of a great night for Christie. The senior placed third in the 1600 run, then ran away with the 3200 in a new regional record time of 10:35.17.

“I felt pretty good,” said Christie. “I was definitely tired because I ran two races before it, so I could definitely feel those two races. I felt good for the circumstances.”

Carmel had a total of six qualifiers for state. Cara Naas also made it in the 3200 by finishing third. Tristan Barr placed fourth in the pole vault, but made the state standard of 11-3 to qualify. Carmel’s 4x400 relay of Ellie Marsella, Claire Swigart, Zeruesenay and Grogan also placed third.

Fishers finished fifth with 51 points. The Tigers won three events, starting with Ella Scally. The junior took care of business in the dashes, winning the 100 in 12.30 seconds. She also was first in the 200 in 25.04 seconds, edging out Avon’s Alana Springer by 0.02 seconds.

Senior Alison Casey placed first in the pole vault, with an effort of 12 feet, 3 inches.
