The REPORTER

Felicia Sanders, a senior at Carmel High School, was awarded the 28th annual Hamilton County Youth Service Award on May 24. The ceremony is sponsored by the Hamilton County Commissioners and the Hamilton County Council on Alcohol and Other Drugs (HCCAOOD). Sanders was awarded a \$1,000 scholarship.

Sanders is a student trainer and advocate for Take Down Tobacco and the Campaign for Tobacco-Free Kids. She informs her peers on how and why commercial tobacco products, including e-cigarettes, are a major problem for public health, the local environment, and local communities. She was also a member of former Congresswoman Susan Brooks' Youth Advisory Group, where she discussed legislative solutions that could help deter youth access to tobacco and tobacco-related products.

Noblesville Common Council passes wheel tax, excise surtax

By JEFF JELLISON
Reporter Publisher

Last Tuesday, the Noblesville Common Council unanimously approved two ordinances that will put in place a wheel tax and a motor vehicle excise surtax beginning January 2022 and paid when Noblesville residents register their vehicles.

The funds generated from the new taxes will fund a portion of the Pleasant Street bypass.

During the meeting, Mike Corbett, a Noblesville resident and former candidate for mayor, addressed

the council and suggested to the council to make the Pleasant Street bypass a toll road instead of implementing new taxes. Corbett believes people might be willing to pay the toll to get through Noblesville more quickly.

Councilman Wil Hampton said a toll would defeat the purpose of the road because people would avoid the toll.

Councilman Brian Ayer said, "I don't take lightly

imposing a surtax, but I've heard about this road for 30 years. Eight years ago, the initial cost estimate was \$65 million dollars. Initial cost estimates now are \$113 million. I don't know what

Fishers leads state in vaccine jabs

The REPORTER

The Fishers Health Department (FHD) announced a major milestone in its COVID-19 vaccination efforts last Friday.

According to Indiana Department of Health data released May 28, 59 percent of eligible residents are fully vaccinated with residents 60 and older reaching a 91.2 percent vaccination rate. Over 67 percent of the eligible population has received their first dose of the COVID-19 vaccine.

The Fishers Health Department leads the COVID-19 vaccination effort in Fishers, which outpaces all other county jurisdictions in Indiana for first dose administration by greater than 5 percent and just second behind Ohio County in full vaccination coverage, according to the May 28 data.

"We are thrilled to see our community continue to take COVID-19 seriously and realize the importance of vaccinations in getting

life back to normal," said FHD director Monica Heltz. "Under-scoring this effort is the impact the vaccinations are having on positive COVID-19 cases in which we're seeing no new cases since March for residents 80 and older. Our hope is that residents in that 12-29 age category prioritize their vaccination so we can start to see a true drop in new cases in our community."

FHD tracks vaccination rates by age group, gender, and ethnicity on the dashboard at fishers.in.us/1254/Data-Center.

"When we set out to provide the best public health service for Fishers residents, early in the COVID-19 fight, we knew we had to be prepared for and support the vaccine when it became ready," said Fishers Mayor Scott Fadness. "Our FHD answered

that call and now has distributed more than 46,000 vaccines since early 2021 with half of those administered to non-residents. To be able to provide this essential service to anyone, improve residents' experiences, and ultimately lower the tax burden on our residents is nothing short of amazing during a pandemic."

The city challenged its residents in March in achieving a community-wide vaccination rate of 85 percent. FHD anticipates reaching this rate by July based on current uptake rates.

County Council, Commissioners to meet on COVID relief funds

By FRED SWIFT
[ReadTheReporter.com](https://www.readthereporter.com)

Hamilton County Commissioners and representatives of the county council will meet June 14 to discuss methods of distribution for federal COVID relief funds.

The county has been granted \$65.5 million which must be distributed in the next two years. But, there are only certain areas where the money can be spent, including to

county agencies with pandemic-related losses, certain infrastructure needs, non-profit community groups, and assistance to small businesses impacted by the pandemic.

The county thus far has only expended the relief funds for its employees who were paid bonus amounts up to \$3,000 for the hazardous duty they experienced.

The 9 a.m. June 14 meeting is largely to get an explanation of the

methods and guidelines for distribution of funds, and not for establishing amounts to be granted to specific agencies, organizations or firms.

The funds cannot be used for capital building projects.

Cities and towns within the county also receive relief funds designed to compensate for lost revenue during the past year. None has yet revealed their plans for distribution.

Carmel’s ‘Feed the Frontlines’ ends after providing 12,000 free meals

The REPORTER

The Feed the Frontlines Carmel program, which started in April of 2020 at the height of the pandemic, has ended.

The increased availability of vaccines and the development of improved medical therapies to treat COVID-19 have decreased the number of cases and lessened the strain on hospital systems. Therefore, there is no longer the urgent need to provide meals to frontline healthcare workers who did not have the time to leave their units as they were inundated with COVID-19 patients.

Feed the Frontlines Carmel provided an opportunity for the community to donate meals from local restaurants to be delivered to healthcare workers on the frontlines. Workers enjoyed nourishing meals, while local restaurants received the critical business needed to help keep staff employed. One participating Carmel restaurant shared that without the Feed the Frontlines program, they could not have made payroll.

The program provided meals during the two separate surges; those meals were divided between Ascension St. Vincent Carmel and IU Health North hospitals to support healthcare workers dealing di-

rectly with COVID-19 patients.

The locally owned restaurants and caterers who participated were: A Cut Above Catering, Agave Bar & Grill, Blu Moon Café, Bubs Burgers, Burger IM, Divvy, Donatello’s, Fat Dan’s Deli, Fork + Ale House, Greek Tony’s Pizza, Greek’s Pizza Main Street, Greek’s Pizza Village of West Clay, Jacque’s Gourmet Catering, Jamaican Reggae Grill, Joe’s Next Door, Juniper on Main, KingCal Kitchen, Mul-

doon’s, Papa Fattoush, Rad’s, Rose & Lois, Rosie’s Place, Saltus Gyro’s, Sauce on the Side, Savor, and Woodys Library Restaurant.

After initial funds donated from Clay Township and the City of Carmel kickstarted the program, the community joined in by contributing more than \$175,000. These generous contributions funded more than 12,000 meals to frontline healthcare workers. The financial aspects of the program were

managed by the Rotary Club of Carmel with assistance from the Rotary District 6560 Foundation. The remaining funds in the amount of \$25,376.89 will be donated by Carmel Rotary to the following food pantries located in Carmel:

Tell Me a Story

BROUGHT TO YOU BY FIRST FARMERS BANK & TRUST

Welcome back to another edition of *Tell Me a Story* from First Farmers Bank & Trust. We’re going to be doing something a little different for the next few weeks. We just rolled out our “Top Dog Banking” campaign, and in true Top Dog fashion, we’re bringing in guest columnists for the next few weeks.

Introducing Money Barks!
Advice from the Dogs
This week’s columnist:
Petunia Pooch

Dear Petunia Pooch: I know it’s important to take some me time during my day, but I’m so BUSY! I have two fantastic children, a full-time job that I LOVE, and I like to volunteer for some non-profits in my hometown. The problem is, I’m starting to feel overwhelmed, and when that happens, I turn to shopping ... with credit cards. It seems like my me time comes with interest!

– Overwhelmed with Interest

Dear Overwhelmed,

It sounds to me like you deserve as much me time as you want! Life can be very busy at times, especially when you have a few pups to take care of and a career. I’m sure it feels like more than four legs could keep up with! I can tell that giving the best of yourself is important to you – that’s very TOP DOG of you! Us canines are the same way, always giving 100 percent. That means 100 percent to our jobs, 100 percent to our families, and 100 percent when it’s time to unwind and relax. In other words, 100 percent to ourselves too!

When you go so long without checking in with your own feelings, it’s easy to get overwhelmed and then overindulge when the opportunity presents itself. Credit cards can be convenient and help build our credit score ... but they can also make overindulging WAY too easy.

My advice is to build some high quality me time into your schedule. Make plans for how you’ll spend it, sometimes maybe shopping, but also taking walks, reading a book, or just relaxing with a good movie and popcorn. Whatever lets you refuel your energy and show appreciation for your own TOP DOG personality. Once

you put it in the schedule, make sure you treat it with the same importance you give your other appointments. You’ll be feeling less overwhelmed and more in control of your time and your finances with a little planning!

Dear Petunia Pooch: I just graduated high school, and all of my older relatives are sending me checks and congratulations! I work most of the day and don’t have a ton of time to cash them or write the thank you notes. How long do I have to do that without being ungrateful?

– Busy but Thankful

Dear Busy,

Congrats on your graduation! What an exciting time, when a young dog is ready to start their Top Dog journey! You asked two questions, and they’re both important.

First, here’s what you do. Get all the cards in a pile and count them. Then make sure you have enough thank you cards, sit down, and write them. Write them NOW. Your relatives and family friends know you’re busy, and they might not be offended if they don’t get a thank you card. BUT they will be very happy when they DO get a thank you card. Taking time to appreciate the people or pups who support you is a huge part of living the TOP DOG lifestyle.

As far as the checks, you almost always have 180 days to cash those before they expire, but keep in mind that the person who sent that to you is expecting it to come out of their account soon. By waiting too long, you might cash it when they’ve forgotten about it and inadvertently cause them some financial issues. If you can’t get to the bank, you can deposit checks into your account with mobile check deposit.

Good luck with your new top dog journey! And remember ... write those thank you cards!

Thanks for reading *Money Barks*! If you’re determined to be a Top Dog of finance, come on in to First Farmers – we’d love to talk to you about a plan to reach your financial goals. Until next week, keep your tails wagging and your paws trotting!

Carmel cuts ribbon on solar array project

Future savings on utility bills estimated at \$1.8M

The REPORTER
The City of Carmel, Carmel Utilities and Telamon Corporation cut the ribbon last Tuesday on a new solar array project – nearly 3,000 solar panels at two locations – that will provide power to the city water plant and save about \$1.8 million in future utility costs.
The ribbon cutting and dedication was held at the solar array located at 4915 E. 106th St., just east of Gray Road.
“We are very excited to see this project come online and provide us with a source of clean, effective energy that will save our taxpayers millions in future utility costs,” Mayor Jim Brainard said. “We are proud to join Telamon, one of our long-time corporate partners in this project that will benefit the environment for many

years to come.”
Construction on the \$1.7 million project began in 2020 and features the installation of 2,988 panels that produce 365 watts of power each. In addition to the project site at 106th Street and Gray Road, a second location has been established near 106th Street and Hazel Dell Parkway. The combined locations are already generating enough electricity that could power about 1,230 homes per year.
The project was financed through a combination of a low-interest loan from the Indiana Finance Authority’s State Revolving Fund program and a water utility bond. Carmel Utilities will see energy cost savings of \$140,000 per year and the average life of a solar panel is 25 to 30 years.

Wil Hampton to step down from Noblesville Common Council

The REPORTER
Noblesville Common Councilman Wil Hampton will step down from his position at the end of July as he and his family relocate to Florida.
Hampton, who was elected in 2015 to the Noblesville Common Council and re-elected in 2019 to the District 4 seat on the nine-member council, has accepted a position as asso-

ciate director of athletics at Ave Maria University. Ave Maria is located in Southwest Florida, near Naples.
“We never thought we would leave Noblesville, but this opportunity is remarkable,” Hampton said. “Ave Maria is an authentic Catholic

Hampton

University, and I am driven by my faith to go make a difference.”
Hampton was a well-known sportscaster in the Indianapolis television market, including WISH-TV where he was the sports director from 1998 to 2004. He also worked with the Indianapo-

lis Colts, Ball State University, Marian University and Catholic Radio Indy.
District 4 includes South Harbour, West Harbour, Morse Pointe, Whitcomb Ridge, North 10th Street, Fairfield Farms, Potters Woods, Westbrook Village and a portion of Old Town. Hampton’s position on the Common Council will be filled by a GOP caucus in August.

County Health Department teams up with Aspire Indiana Health

Trio of free courses designed to strengthen mental health

The REPORTER
The Hamilton County Health Department has teamed up with Aspire Indiana Health to offer a series of free virtual courses designed to help residents improve their mental health. The three-week curriculum will cover trauma after a major life event, debunk myths about suicide, and offer ways to determine a loved one’s suicide risk.
The first of three courses, *Psychological First Aid*, will be held at 7 p.m. on Monday, June 14. Designed

to help children, adolescents, adults, and families in the immediate aftermath of a disaster, the course will teach participants how to reduce the initial distress caused by traumatic events and to foster short-term and long-term adaptive functioning and coping. To learn more and register, go to tinyurl.com/PsychologicalFirstAidCourse.
The second course, *Question, Persuade, Refer*, is scheduled for 7 p.m. on Monday, June 21. Just as people trained in CPR

and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Participants will learn to recognize the warning signs of suicide, how to offer hope, and how to get help. To learn more and register, go to tinyurl.com/QuestionPersuadeReferCourse.
The third course is an introduction to the

Columbia Suicide Severity Rating Scale (C-SSRS). It will be held at 7 p.m. on Monday, June 28. Built by Columbia University, the University of Pennsylvania, and the University of Pittsburgh, and supported by the National Institute of Mental Health, it offers a standard, direct way to identify people at risk for suicide through a series of simple, plain-language questions that anyone can ask. Help pack cruisers for summer lunch at Krogers across Hamilton County

The REPORTER
Come help Pack the Cruisers with food for Summer Lunch from 10 a.m. to 2 p.m. on Saturday, June 5. All Hamilton County Kroger stores and the police and sheriff departments are partnering with countywide Summer Lunch programs and food pantries that will provide meals to local children for summer vacation.
When school’s out, some kids go hungry. Summer Lunch coordina-

tors all across Hamilton County will provide food for children at a variety of programs that vary from hot meals to healthy meal packs to extra food pantry privileges to packed lunches. These programs are designed to serve those children most in need throughout the county who would typically receive free or reduced lunches throughout the school year.
The Pack the Cruiser Food Drive was piloted in 2017 in Fishers to help jump-

start food contributions. In 2018 it went countywide. This year, at the fifth Pack the Cruiser, all nine Kroger stores will be matched with six police departments and the Sheriff Department to help the Summer Lunch programs and food pantries fulfilling this need.
Police officers, deputies, and volunteers will be at the stores on June 5 with lists of the specific items that each of the programs need. Kroger gift cards are welcome also as this enables pro-

grams to purchase healthy fruits and vegetables and protein throughout the summer. Please help by donating the items from the list and Packing the Cruisers.
Hamilton County Harvest Food Bank works closely with Meals for Kids programs year-round and is proud to be a partner of Pack the Cruiser 2021. For more information, please visit HCHFoodBank.org or email Anita Hagen at hamiltoncountyharvest@gmail.com.

Former V.P. Mike Pence moves to Carmel

By FRED SWIFT
[ReadTheReporter.com](https://www.thereporter.com)
Former Vice President Mike Pence and his wife, Karen, are now residents of Hamilton County.
They registered to vote last month in Clay Center precinct, which is in the western section of Carmel.
Pence, 61, originally from Columbus, Ind., left office as vice president in

January and announced he was returning to Indiana.
At the time, he did not say where in the state he would be living, but recently it was reported he was locating in the Indianapolis area.
The former governor, before serving as vice

Pence

president under Donald Trump, now has a position with the Heritage Foundation, a conservative think tank.
“It’s good to be back home in Indiana,” Pence said on social media.
Carmel is becoming a home for former vice pres-

idents.
Dan Quayle lived in Carmel for several years after leaving Washington in 1993. He served one term as V.P. with George W. Bush and now lives in Arizona.
Charles Warren Fairbanks, who served as Teddy Roosevelt’s vice president, had a farm in Carmel after leaving office in 1909.

Your words really matter

“She’s a pretty little girl, just a bit pudgy.”

Can I tell you I hate the word “pudgy”? I was maybe eight or nine years old. I remember sitting in the hospital room where my dad was a patient. The wife of his roommate said those words to my mother ... about me.
It was the first time I remember feeling “less than.”
She used the word “pudgy” but I heard fat. I felt “not pretty.”

I’m sure she meant no harm but that was some 57 years ago and I still remember.
It was the first time I realized ... words do matter.
I remember hearing words over the years that have made me feel “less than.” I heard the words with my ears but they lodged not only in my mind but in my heart.

My love language is words of appreciation and affirmation, so imagine the power of negative words on me.

Sometimes I struggle with the echo of negative words. “You will never be ...” “I love you but I don’t like you.” “I’d rather work with a man.” “Oh, you didn’t finish college.” Less than. Less than. Less than.

Negative words take their toll. They break your heart. They shatter your dreams. They can convince you to give up.

Perhaps because I have been so affected by those negative words, I go out of my way to pour out positive words into others.

I look for opportunities to affirm those who are

Janet Hart Leonard
From the Heart

struggling. If someone is succeeding, I love being a cheerleader {without the cartwheels}.

If I see a reason to compliment a stranger, I will do so, even if I seem a bit strange doing it. Yes, I’ve actually complimented a man for his great job parallel parking. We both laughed.

Words can make someone’s day. They are like a verbal way of paying it forward.

Words remain when we are no longer around. I remember the teachers who cheered for me over the years. It wasn’t so much the A on the test but the note that was written under it. Words of affirmation.

My eighth grade English teacher, Mr. Purvis, sends me emails complimenting my writing as he now reads my columns. I feel like I am still that awkward junior high girl needing affirmation that I am a good writer.

Words coming from those we love or respect hold the most weight in our mind and in our heart. The damage, when it is negative, can have residual effects for years. The kudos of affirmation can be heard for years to come, keeping alive the drive to succeed.

I’ve told my husband that words of love and affirmation are my love language. They cost nothing. He has spent the last almost eight years using words that make me feel valued and loved. He’s such a caring man. I don’t ever have to worry about him using the word “pudgy.”

Have I mentioned that he’s also a very wise man?

Carmel earns GFOA certificate for ‘excellence in financial reporting’

The REPORTER

The City of Carmel has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada for the city’s comprehensive annual financial report for the fiscal year ending Dec. 31, 2019.

In a news release issued in April, the Chicago-based association said the Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

“These are complicated times as we emerge from a year of pandemic closures

and restrictions, and I know our City Controller’s office has been working hard to stay on top of managing our finances and carefully accounting for multiple budgets and many complicated funding and revenue streams,” Mayor Jim Brainard said. “I congratulate Ann Bingman and her staff for doing this task and diligently caring for taxpayers’ money, investing wisely and keeping our residents informed.”

Carmel City Controller Ann Bingman said the honor should give residents of Carmel a level of comfort and assurance that the city has a strong financial reporting system in place, one that passes the scrutiny of both a State Board of Accounts audit and the prestigious Certificate of Achievement process.

Track and field regionals

NHS girls make history with first-ever team title

HSE's Hill, Carmel's Christie set new records - Scally wins two dashes - Siefert dominates hurdles - Mitchell qualifies in two events

By RICHIE HALL

LAFAYETTE - Lafayette Jefferson's Scheumann Stadium heard something last night that no one had ever heard before: The cheers of a Noblesville girls track and field team after winning a regional title.

The Millers made history last Tuesday night by winning their first-ever regional championship. Noblesville had been keeping pace with defending champion Hamilton Southeastern and Carmel through the night, then pulled ahead once the results of the high jump and pole vault came in.

The Millers had the most event wins of the night with four. But it was truly a team effort for Noblesville, as a happy first-year coach Jim Pearce pointed out.

"We just did well all night," said Pearce. "We've just been talking about staying relaxed the whole time and just being a team and doing things for the team. We had so many kids that scored small points in here. We had kids in seventh, sixth place scoring points. That's what it takes and we're really trying to build that team part."

Leading the way for Noblesville was junior Kiana Siefert. She swept both hurdles events, winning the 100 hurdles in 15.09 seconds and the 300 hurdles in a new Millers school record time of 45.21 seconds. Siefert also placed second in the long jump with a best effort of 18 feet, 2.75 inches.

"I'm happy with it," said Siefert. "That was my new PR and school record, so that was super exciting. I'm hoping that I can get to mid 18s by state and just do even better."

Siefert qualified for

the state meet in all three events, as the top three finishers in each event advance to state, which takes place Saturday, June 5 at Ben Davis. Noblesville had nine state qualifiers, including two in the high jump. Rylee Hassan won while Malina Miller placed second. Both sophomores cleared 5 feet, 5 inches; Hassan won on misses.

"I'm so excited," said Hassan. "At first I wasn't really confident in myself, but then I got the energy and I was super excited when I cleared 5-5, and going on to 5-6, I thought I was really close. And I can't wait to go to state."

"It feels so good," said Miller. "I've been wanting this for a while and I thought I was going to get it last year, but obviously things got cut a little short. But I'm glad to be going this year."

Freshman Hannah Alexander won the discus with a winning throw of 127 feet, 5 inches. Senior Parker Davis placed second in a loaded pole vault by clearing 11 feet, 9 inches. The top five athletes in the pole vault all made at least the state standard of 11 feet, 3 inches and will all go to state.

The Millers had two relays earn callbacks to state, which means they are fast enough to fill a field of 27 in their respective events. Those relays were the 4x800 team of Paige Hazelrigg, Mya McGavic, DeLaney Boles and Summer Rempe, and the 4x400 relay team of Boles, Reagan Wilson, Elan Chatterton and Jenna Chatterton.

Hamilton Southeastern placed second with 66 points. The Royals had one event win, but it was a big

one: Senior Halle Hill won another battle with Hamilton Heights' Maria Mitchell in the 1600 run. Hill finished in a time of 4:52.72, a new regional record. She also placed second in the 3200 to advance to state in both events.

"I think I ran really well," said Hill. "That was a PR and a school record. I'm really happy with my time, just because my past few 1600s, I haven't necessarily taken out fast, so I'm happy that I could close fast and start it off fast, too."

Southeastern finished with six state qualifiers. Ally Elsburry was second in the 100 hurdles. Regan Wans placed third in the 400 dash, then joined Alyssa Barker, Annice McFarland and Madisyn Ethredge to place second in the 4x400 relay. The Royals also took third in the 4x800 relay, with Olivia Brown, Grace Newton, Maggie Powers and Allie Latta running in that race.

Carmel took third as a team with 62 points. The Greyhounds had two event wins, and the 4x800 relay was the first one. Annie Christie, Jasmine Klopstad, Mahalet Zeruesenay and Abbey Grogan won that race in 9:18.82, well below the state standard of 9:24.45.

That was just the start of a great night for Christie. The senior placed third in the 1600 run, then ran away with the 3200 in a new regional record time of 10:35.17.

"I felt pretty good," said Christie. "I was definitely tired because I ran two races before it, so I could definitely feel those two races. I felt good for the circumstances."

Carmel had a total of eight qualifiers for state. Cara Naas also made it in the 3200 by finishing third. Tristan Barr placed fourth in the pole vault, but made the state standard of 11-3 to qualify. Carmel's 4x400 relay of Ellie Marsella, Claire Swigart, Zeruesenay and Grogan also placed third. Alivia Romaniuk received a callback in the 1600, as did Jasmine Klopstad in the 800.

Fishers finished fifth with 51 points. The Tigers won three events, starting

Greyhounds boys dominate regional, send 13 to state

Schafer sets 400 record - Soehngen, Castillo shine for Fishers - Satterfield wins another close 1600 - Millers qualify eight to state

By RICHIE HALL

LAFAYETTE - The only thing that could stop Carmel at last Thursday's Lafayette Jefferson boys track and field regional was the weather.

Lightning delayed the start of the meet for about an hour, but once it got going, so did the Greyhounds. Carmel won the regional championship with an impressive score of 115 points, nearly 50 points ahead of runner-up Brownsburg's 66. It's the first regional title for the 'Hounds since 2017 and the 20th in program history.

Just as important, Carmel had 11 qualifiers for the IHSAA state meet, which is set for Friday at Ben Davis. The Greyhounds won four events and had nine other qualifiers. The top three in each event advance to state.

"The kids ran really well," said Carmel coach Ken Browner. "We had some really good times, couple of school record times."

The first new school record came in the 4x100 relay. The Greyhounds team of Anthony Iskander, Thomas Maurer, Colton Parker and Owen Schafer finished that race in a winning time of 41.79 seconds.

A few minutes later, Schafer was back on the track for the 400 dash. The senior battled it out with Fishers junior Keef-er Soehngen, and Schafer won in a new school and regional record time of

48.01 seconds. Soehngen's second-place time of 48.12 seconds was under the old record of 48.14 seconds; that mark had stood for 21 years.

"I think I ran well," said Schafer. "I had a plan going into it after I watched film last week. I actually didn't win sectionals, credit to Keefer from Fishers. I watched the film over and I realized I needed to push harder in a certain section of a race. I did that and ended up with a good result."

There is mutual respect between Schafer and Soehngen, both of whom will be big factors at the state meet in the open 400 and their respective relays as well.

"Owen Schafer from Carmel, he pushed me," said Soehngen. "I think that it's going to be a good race at state."

The Greyhounds' Kole Mathison cruised to victory in the 3200, winning by over 10 seconds. His teammate, senior Jacob Fisher placed second. Carmel finished the meet with a victory in the 4x400 relay, with Schafer, Andrew Willman, Maurer and Zachary Cox getting the win by nearly four seconds.

Carmel's seniors shined at the meet. Cox qualified for state with second-place finishes in the 110 and 300 hurdles. Colton Parker, placed third in the 300 hurdles. Hudson Alden took a close second in the 1600 and was part of the

Carmel's Owen Schafer (429) and Fishers' Keefer Soehngen (480) battled it out in the 400 dash at last Thursday's Lafayette Jefferson boys track and field regional. Schafer won and Soehngen was second. Both advanced to Friday's state meet at Ben Davis.

Senior Alison Casey placed first in the pole vault, with an effort of 12 feet, 3 inches.

“I think I did pretty good,” said Casey. “I definitely think I can do a lot better. There’s still a few more things that I can work on, which is a good thing. But overall, I think it went pretty well.”

The Tigers also got two relays out to state, as both finished second: The 4x800 relay team of Vera Schafer, Megan Mybeck, Anna Runion and Elizabeth Barrett, and the 4x100 relay team of Myah Donaldson, Maya Taylor, Scally and Genesis Bowers. Barrett received a callback in the 3200, for a total of six state qualifiers.

Hamilton Heights had three qualifiers. Mitchell advanced after placing second in both the 1600 and 800 runs, while Kelsey Smith took third in the high jump.

second-place 4x800 relay team, with seniors Will Anderson and Hudson Alden, and the sophomore Mathison. Senior Seth Hutchison took second in the pole vault.

“Our seniors all year long have been our top dogs. They have led us from day one. They came out here today, set the tone right away. I can’t be more proud of this senior group. I’ve just never seen this many guys truly lead a group like this,” said Browner.

Carmel had two more athletes qualify after receiving a callback, meaning their times were good enough to fill a field of 27 in the event. Charlie Schuman advanced in the 1600 and Andrew Willman qualified in the 400 dash.

Hamilton Southeastern finished fifth as a team with 48 points. Nolan Satterfield won the 1600 run, yet another close victory for him. Satterfield won in 4:20.20, getting ahead of Alden by 0.36 seconds.

“I’m a fan of letting the race play out, other people letting it play out in the first two laps and then going with two laps to go,” said Satterfield. “And that last lap is where I feel my strongest, and that last 400 meters, I feel like I’ve had a lot of success in this post-season.”

The Royals had six qualifiers for state. Stephen Sydnor and Lamine Sall placed second and third in the long jump, giving Southeastern two qualifiers in that event. Bennett Dubois finished sixth in the 800 run with a time of 1:55.44, but will advance to state after finishing under the state standard time of 1:55.70. Anyone who equals or betters the standard automatically heads to state, whether they finish in the top three or not.

In addition, the Royals received callbacks. Garrett Hicks advanced in the 1600 and Xan Cluff got the call

in the pole vault.

Fishers took sixth as a team with 45.5 points and had five qualifiers for state. The Tigers had two victories: Jaylen Castillo won that exceptionally fast 800 run in a time of 1:53.68. He and Sohngen were also part of the first-place 4x800 run, joining Will Clark and Jonathon Roth to finish in 7:46.33.

Soehngen and Castillo also joined Tyler Tarter and Grady Stanley to place second in the 4x400, also qualifying for state.

“I ran a good leg,” said Soehngen. “I think our team ran well. We can go faster.”

Soehngen also advanced in the 400 dash, while Caleb Gates placed second in the discus to qualify for state.

Noblesville had six qualifiers for the state meet. Mac Smith advanced in two events, taking third in the 100 and 200 dashes, then joining Brayden Colon, Christ Degni and Tanner Gibson to place third in the 4x100 relay. The Millers also had three distance runners place third in their respective events: Joel Mumaw in the 1600, Andrew Anderson in the 800 and Travis Hickner in the 3200.

Noblesville got two callbacks. Asher Propst received one in the 1600 and Joel Mumaw got a call in the 3200 run.

Westfield’s 4x800 relay team placed third to advance to state. The team of Kai Connor, Jacob Beene, Colin Lakomek and Josh Springborn finished in 7:50.35, under the state standard.

“It feels great,” said Beene. “This is what we’ve worked for all season. Ever since December once we started training again, putting all the work in during those cold, snowy workouts. It’s great.”

Christiaan Huisden received a callback in the 300 hurdles for the Shamrocks.

The Carmel (left) and Fishers (right) girls tennis teams won semi-state championships last Saturday. The No. 1-ranked Greyhounds beat Peru 5-0 for the La Porte 1 semi-state title, while the No. 9 Tigers defeated No. 12 Delta 4-1 for the Homestead 1 championship.

Carmel, Fishers win semi-state titles

Two Hamilton County girls tennis teams won semi-state championships last Saturday. Both were historic in their own way.

Carmel extended its record total in semi-state titles with a 5-0 victory over Peru at the La Porte 1 semi-state. The No. 1-ranked Greyhounds claimed their 17th overall semi-state championship and their 12th in a row, which also extends a record. Carmel has won a semi-state title every year since 2009 (except last year when the tournament was canceled).

No. 1 singles Emma Brune came back after dropping the first 7-5 to win the next two sets 6-0, 6-0. In the other singles matches, No. 2 Leila Antony and No. 3 Nora Perkins got 6-0, 6-0 victories. No. 1 doubles Hallie Reeves and Alexa Lewis won 6-0, 6-2 and No. 2 doubles Katelyn Conley and Anjali Natarajan were 6-0, 6-1 winners.

Meanwhile, Fishers traveled up to Homestead and came home as a first-time semi-state champion. The No. 9-ranked Tigers beat No. 12 Delta 4-1 to claim the Homestead 1 title.

Fishers swept all three singles matches, with No. 1 Lucy Loy winning 6-0, 6-3; No. 2 Isabelle Mokra getting a 7-6, 6-1 victory and No. 3 Caroline Ober winning a tough one, 6-4, 6-7, 10-6, the last set a super tiebreak. No. 2 doubles Madelyn Barron and Meredith Ober won 6-2, 6-3.

Both teams now advance to the state quarter-finals, which take place at noon Friday. Carmel travels to Center Grove to take on No. 3 Park Tudor in one of the two quarter-finals taking place there. The other quarter-final features No. 6 Homestead taking on Sullivan, another first time semi-state champion.

Fishers will play at Carmel's Todd Witsken Tennis Center on Friday, playing No. 10 Jasper in a quarter-final match. The other quarter-final at Carmel will be contested between No. 4 Evansville Memorial and No. 1 South Bend St. Joseph.

Quarter-final winners advance to the semi-finals, which take place at 10 a.m. Saturday (June 5) at North Central. The championship match also takes place that day at North Central, with a 2 p.m. start.

HSE DOUBLES TEAM IN REGIONAL

The Hamilton Southeastern doubles team of Misha Bukkasagaram and Emily Orme will play in the individual regional this weekend. Bukkasagaram and Orme beat Mount Vernon 6-1, 6-0 earlier in the week to win the individual sectional. The team will play at the Fishers regional on Saturday.

NOBLESVILLE

Carmel got two hits from Ohrvall, Roop and Sullivan, with Sullivan hitting a double. The Greyhounds finished their season 15-13. Carmel coach Ginger Britton was pleased with the progress of the 'Hounds, noting that this Carmel team was a "very green team."

"We've made a lot of adjustments and we've come a long way both defensively and offensively, and I think our pitching staff has done a really great job of learning on the fly with three pitchers that had no varsity experience before this year," said Britton. "And I think offensively we did a really nice job starting out strong and being able to maintain that through the entire season," and then into the post-season.

Noblesville is 24-5 and will play at Harrison Tuesday for the regional championship. The Raiders, coached by former Carmel standout Kelsi Jones, won Sectional 7 at Logansport.

EARLIER GAMES

In semi-final games last Tuesday, Noblesville beat Fishers 6-3, while Carmel overwhelmed Zionsville to win 16-6 in six innings.

Grayson finished the game 3-for-4 at the plate. She also was the winning pitcher, with six strikeouts in a complete-game effort.

Emily Walsh was 3-for-3 for the Tigers, who finished their season 14-11.

Ohrvall and Esposito both were 4-for-5 at the plate. Hussain hit 3-for-4. Esposito, Roop and McDonald all batted in three runs. Maddie Stacy got

the pitching win.

In first-round games last Monday, Noblesville beat Hamilton Southeastern 11-0 in five innings, while Fishers defeated Westfield 6-0.

SHERIDAN

COMEBACK WIN

Sheridan blasted to a seventh-inning comeback last Wednesday in the first sectional semi-final game, scoring three runs to get past South Newton 8-7 and advance to the championship game.

The Blackhawks got off to a good start, scoring three runs in the bottom of the first inning. Delph got the first run on a passed ball, then Reed scored when Ream reached on error. Ream was sent home by a Neese base hit.

South Newton got a run back in the top of the second inning, but Sheridan added two in the bottom of the inning. Crail sent a triple into right field, then got home on Delph's single. Delph stole

second base and then went home on Reed's center field hit.

That put the Blackhawks up 5-1. But South Newton scored three runs in the third inning, then took the lead in the fifth with three more runs. Neither team scored again until the bottom of the seventh.

Going into that inning, Sheridan trailed 7-5. But the 'Hawks worked quickly to get in a winning position. Delph led off with a single, stole second base and moved to third base on an error. Delph scored when Reed reached on error, eventually getting to second.

Ream came up and hit a single, then moved to second. Reed advanced to third base.

After the Blackhawks absorbed a pop out, Bates came up to bat and nailed a triple into left field, sending both Reed and Ream home and getting Sheridan the win.

Delph was 3-for-4 at the plate and also stole four bases. Ream pitched the last two innings for the win.

In the first round last Monday, Sheridan beat Clinton Central 3-1.

The Blackhawks got on the board in the third inning when Bates batted in Delph. The Bulldogs tied the game in the fourth inning, but Sheridan jumped ahead in the sixth when Reed doubled in Maelei Casler and Claudia Headlee.

Ream pitched a complete game, striking out 13.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
