A total of 41 motorcycles braved the heat on Saturday, Aug. 28 in support of a Motorcycle Run co-sponsored by the Cicero American Legion Riders and the Delta Chapter (Arcadia/Cicero) of Phi Beta Psi Sorority, whose national project is giving yearly grants to physicians and scientists who are diligently working on research to fight cancer.

The run kicked off with a breakfast at the Cicero American Legion (sponsored by First Farmers Bank of Cicero) and the ride included stops at the Fortville American Legion, The Curve restaurant in Alexandria,

The Blue Room in Converse, and the Tipton American Legion before returning to Cicero for raffles of two \$100 gift cards and numerous donated items.

The heartwarming generosity of everyone involved in the event generated \$4,600.

The Legion Women's Auxiliary followed up the event with a taco bar dinner to raise funds for their support of scholarships for local students.

# OneZone partners with The Gideon Group to build, launch XBE program

*Mentor-protege program designed to enhance, expand supplier diversity*

**The REPORTER**

OneZone has announced a Mentor-Protege Program, in partnership with The Gideon Group, a local MBE/WBE consulting partner, to enhance and foster the continued success rates of XBE firms, specifically in Hamilton County. The primary goal of the program is to better improve XBE companies' access to procurement opportunities through locally sourced contracts.

"As an organization centered on business advocacy, it is critical we better understand and establish programming to grow and develop relation-

ships with our XBE businesses and how they can best compete in our local marketplace," said OneZone Chamber of Commerce CEO Jack Russell.

XBE businesses refer to Minority-owned Business Enterprise (MBE), Women-owned Business Enterprise (WBE), and Veteran-owned Business Enterprises (VBE).

The OneZone Mentor-Protege Program will develop working relationships between XBE firms and prime contracting firms with a proven track record of success.

"Hamilton County is a thriving community and has a myriad of business opportunities for those of all backgrounds and experiences," said Terry Dove-Pittman, Founder/

CSO, and Enterprise Strategist at The Gideon Group. "We are excited to be a part of such an amazing initiative that not only fosters economic development, but also creates a movement of commonality, unity, and inclusiveness."

The program is slated to launch in January 2022. To be eligible for the OneZone Mentor-Protege Program, each XBE firm must meet the designation as a small business based on State and County definitions. They must also be owned by community members who are

# Noblesville opens Olio Road, 146<sup>th</sup> Street three months ahead of schedule

**The REPORTER**

Noblesville city officials and construction crew members from E&B Paving, 3D Company, HWC Engineering, and Butler, Fairman & Seufert, Inc. gathered at Olio Road for a ribbon-cutting ceremony to mark the completion of the new Corporate Campus infrastructure improvements.

The project reopened to traffic Tuesday evening – more than three months ahead of schedule.

"This project improves travel and safety in a growing area of our city," said Mayor Chris Jensen. "It also improves access to one of the greatest outdoor music venues in America, so concert fans can get in and out of Ruoff Music Center easier."

The new Corporate Campus infrastructure improvements included:

- Widening Olio Road from 141st Street to 146th Street to four lanes
- Widening 146th Street from Bergen Boulevard to Olio

Noblesville Common Council President Darren Peterson, Councilor Megan Wiles, Mayor Chris Jensen, Councilor Greg O'Connor, City Engineer Ali Krupski and Project Manager Andrew Rodewald cut the ribbon to open the Corporate Campus improvements to Olio Road and 146th Street.

Road to three lanes

- A two-lane roundabout replaced the two-way stop at Olio Road and 146th Street
- Correcting significant

drainage problems in the area

- Extending sanitary availability to ground surrounding the project area
- Adding 10-foot-wide paths

to the west side of Olio Road and the north side of 146th Street

The \$9 million project was fully funded by the City of Noblesville.

# Fishers Blues Fest takes the stage this weekend

**The REPORTER**

End the summer with Fishers Parks & Recreation's ninth annual Fishers Blues Fest, a Labor Day tradition. The free, two-night event includes performances by renowned local and national blues artists.

This year, Blues Fest returns from 5 to 10 p.m. Friday, Sept. 3, and from 3 to 10 p.m. Saturday, Sept. 4.

Eight acts will perform sets across two nights. Local vendors will be on site selling food, drinks, snacks, beer, and wine. Outside alcohol is not permitted, and bags and coolers will be searched at entry gates. Blankets and lawn chairs welcome.

# Boys & Girls Club of Noblesville to unveil outdoor basketball court

**The REPORTER**

Members at the Boys & Girls Club of Noblesville (BGCN) now have a new opportunity outdoors to participate in Indiana's pastime: Basketball. On Tuesday, Sept. 7, BGCN will hold a ribbon cutting ceremony on the court that was made possible thanks to funding by the Indianapolis NBA All-Star Legacy Project Grant.

"This project has provided an outdoor space where we can provide additional programming during after-school and out-of-school hours to youth members ages 5-18 that promotes basketball education, physical fitness and recreation while teaching members the importance of an active, healthy lifestyle," said BGCN Executive Director Becky Terry. "The Club will be able to offer new programs to recruit teenagers, such as 3-on-3 tournaments, events, or leagues, during Club hours and after-hours to provide them with a

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

# Senior dogs at Humane Society for Hamilton County fetch grant

## The REPORTER

Old dogs have something to wag about this summer, as the Grey Muzzle Organization announces the recipients of its annual grants, and dogs at the Humane Society for Hamilton County (HSHC) are among the winners.

HSHC is one of 77 animal welfare groups chosen from 266 applicants to receive a grant to help local senior dogs. The winning groups received more than \$616,000 in grants to help save or improve the lives of at-risk old dogs in their communities.

"This grant will help us give senior

dogs like 11-year-old Aretha the veterinary care and heartworm treatment she needs to find her forever home," said Megan Davis of HSHC. "No one is more grateful or loving than an old dog, and we are grateful for the support of Grey Muzzle Organization and look forward to serving the 'grey muzzles' in our community."

Over the past 13 years, the national nonprofit Grey Muzzle Organization has provided more than \$3.1 million in grants to support its vision of "a world where no old dog dies alone and afraid."

"Thanks to the generosity of our donors, we're delighted to help deserving organizations like the Humane Society for

Hamilton County make a difference in the lives of dogs and people in their communities," Grey Muzzle's Executive Director Lisa Lunghofer said. "Many senior dogs in the Hamilton County area are enjoying their golden years in loving homes thanks to the wonderful work of HSHC."

### About the Grey Muzzle Organization

The national nonprofit The Grey Muzzle Organization improves the lives of at-risk senior dogs by providing funding and resources to animal shelters, rescue organizations, sanctuaries, and other nonprofit groups nationwide. For details, please visit [greymuzzle.org](http://greymuzzle.org).

## Letter to the Editor

### Reader says it's time for change in the White House

Dear Editor:

Did you see it? It didn't last long, and in a week or so it'll be gone. But for at least a few days our Marxist media was forced to tell us the truth.

They had no choice.

The humiliation the Biden administration brought down on us was so obvious and undeniable even they couldn't spin their way out of it. For a precious few days, they had to painfully and accurately report that the bumbling shell of a man they helped put in the White House had royally screwed the pooch. Even the media couldn't support the White House narrative that the Afghan exit was a monumental success. Yes, much as the Titanic was a great cruise.

Today the Biden White House finally got to pivot from damage control to full blown spin, and the media will eventually pivot, too – right back to the partisan hacks they were before. Already Biden is claiming a participation trophy for putting out the massive dumpster fire HE created. Just now, the president is on TV lauding himself for having met the 13 flag-draped coffins he left exposed to enemy fire. Interestingly, he didn't men-

tion how unhappy the families were to meet him. Oh, and he also took a swipe at those still trapped behind enemy lines for being too stupid to get out. That last 10 percent isn't his fault.

This president is not worthy of the office he sits in. He is the only president in modern history to order the finest fighting force in the world to tuck tail and sneak off of a battlefield under the cover of darkness. He's also the first one to surrender without warning our allies, effectively leaving them to fend for themselves. And of course, he offered the obligatory "it's Trump fault" excuse.

Hopefully, the weak-kneed Republicans will discover some rare courage and step up to fill the void created by this incompetence. Perhaps they can patch together the video clips of the many outright lies and deceptive messages long enough to induce a meaningful impeachment effort.

America as we know it will not survive under the "leadership" of this doddering fool and his Marxist puppeteers. He MUST be removed from office.

## Camp Atterbury to temporarily house some Afghan evacuees

By ADAM STATEN

WISH-TV | [wishtv.com](http://wishtv.com)

Some Afghan evacuees are heading to Central Indiana.

Representative Greg Pence (R-Ind.-06) posted on social media Tuesday morning that he has received confirmation from the Department of Defense that Camp Atterbury will temporarily house Afghan evacuees.

The Indiana National Guard said the location, through the Department of Defense and U.S. Northern Command, will provide the Department of State "transportation and temporary housing sustainment, and support inside the United States for Afghan special immigrant visa applicants,

their families and other at-risk individuals at suitable facilities, in permanent or temporary structures, as quickly as possible."

This announcement comes after the last American troops withdrew from Afghanistan Monday afternoon, ending American's 20-year war in the Middle Eastern country.

"As Hoosiers, we are proud to do our part and provide a temporary home for Afghan evacuees who have supported this nation," Gov. Eric J. Holcomb said. "Our federal partners are taking necessary and appropriate steps to establish that there is a smooth process to allow these men, women and children to quickly find their permanent home across the United States. I have faith in the Indiana National Guard's ability to support this federal mission."

Update #67 from Dr. Derek Arrowood, Superintendent, Hamilton Heights School Corporation.

This Friday is the first of four (9/3/21, 11/5/21, 2/7/22, and 5/20/22) scheduled E-Learning days built into this year's calendar. For students, these E-Learning days will serve as a continuation of the previous day's instruction, provide continuity to the current course of study, and help prepare them for unplanned school closures that may arise due to weather or other events in the future. For staff, it provides an invaluable opportunity to develop their professional learning communities, sharpen teaching practices, and enhance their knowledge and skills to improve student outcomes.

Despite our positive start to the school year, we are reminded daily that our students are attending school during a pandemic. As we have shared in the past, we will need to adapt and adjust to meet the demands of these unique times and are prepared to do so. Please take a moment to review the change, effective immediately, to our safety protocols on Page 5, the second bulleted item under "What quaran-

*Due to reports of siblings and family members developing COVID-19 in the same household, we are implementing a quarantine requirement when a member of a household is positive for COVID-19. When someone in a family's household tests positive for COVID-19, the unvaccinated students and staff in the home must quarantine for 7 days after the date of the close contact. Unvaccinated students and staff may return to school on day 14 without a negative test, or day 8 with a confirmed negative test taken on days 5, 6, or 7 after the student/staff was in close contact (within 6 feet for 15 minutes) of the family member who tested positive for COVID-19.*

Beginning next Tuesday, Sept. 7, we will have a full slate of festivities for this year's Fall Homecoming including spirit days, homecoming parade, and dance. I want to give a shout out to Lori Hippensteel and the members of the high school Honor So-

ciety and Student Government organizations for their efforts in bringing a week of celebration and spirit leading up to the football game on Friday, September 10 between the Hamilton Heights Huskies and the Northwestern Tigers. We published our newest HHSC Monthly Update, Volume #70 to our [website](#) on Monday. Filmed on Aug. 18, it highlights two high school students who rocked the 4-H Fair, introduces the newest members of our Athletic Hall of Fame, as well as two guys who did heroic work this summer in our Transportation Department.

On Saturday, Sept. 11, we will be inducting our second class to the Hamilton Heights Athletic Hall of Fame beginning at 1 p.m. Tickets for the ceremony and lunch are \$10 and available through Friday. Contact [Mitch Street](#) for more information and/or tickets.

I remain both encouraged and grateful to our families who reach out with questions, concerns, and support that help us take pause, review, and at times, adjust. Have a safe and enjoyable holiday weekend.

# Make the decision to serve your neighbor

Everyone gets to decide, do I serve a neighbor or not? Will I choose to make a difference today or stay on the sidelines? It's estimated that the average adult makes about 35,000 remotely conscious decisions each day. Researchers at Cornell University estimate we make 226.7 decisions each day on food alone.

Purposeful decisions to serve others selflessly reflects the character of the community. Today's example of selfless sacrificial service to a neighbor is inspiring for us all.

Recently while loading the pantry at the Hamilton County Fire Fighters Lo-

cal 4416, we met "Bill" (not his real name) and learned that he regularly shops the pantries. Cautious, he left his car running as he approached to make his request. Bill is in his eighties, a tall

man at 6-foot-8 and weathered, rugged from life. As he told his story, we shook hands and he recoiled in arthritic pain. He talked about recently losing his wife and the struggles of being his age and now alone. He was searching for dried white beans and stewed tomatoes. Unfortunately, we did not have any with us and there wasn't any in the three pantries that Bill frequents. He likes

to ferment the beans, but his wife was not a fan. Bill walked away with several items thanking us for the kindness and drove away.

We wrote about Bill on social media and immediately neighbors started reaching out asking to help. As a no questions asked organization, we didn't have Bill's contact information. We only know Bill's story because he offered it.

Enter Sarah (also not her real name). Sarah, a local neighbor herself is 84 and on dialysis three times a week. Sarah took it upon herself to solve this challenge. During a week with three dialysis treatments and a surgery, she took the time to go shopping and buy enough dried white beans and stewed tomatoes to supply all three of the pantries

that Bill frequents.

This selfless, kind, caring act was Sarah's choice and it's what we stand for. These two elderly neighbors will never know each other, and that's okay. We see thousands of meals going out every month completely confidentially. Neighbors Serving Neighbors is fully on display through our neighbors in Hamilton County.

We will never know the stories of most of our neighbors who struggle with food insecurity. We believe it's not our business unless a

## Why your Medicare insurance company keeps calling

If you purchase a Medicare Advantage plan, your insurance company gets paid more money to keep you healthy.

That is a great incentive. It is a win-win. Get an annual physical, they get a bump. Get your flu shot or colonoscopy, more money. So naturally, your insurance company is very interested in you getting your regular checkup and all preventative services. This makes dollars and sense as it is much cheaper to prevent an illness than treat one. Since you are 65 or over, you know that hasn't always been the rationale of insurance companies. This new focus on keeping you healthy comes with some annoyances.

"I'm a former nurse. I get all my required medical needs and do not appreciate being hounded by X insurance company. Kindly tell them to STOP calling me,"

COLUMNIST

SYLVIA GORDON

is a statement I've heard many times. But no, I cannot get them to stop calling you. In fact, when I asked, I was shot down and told, "We plan to step up 'engagement' with our members!"

One company (yes, only one) has announced that they will allow you to be put on a company "do not call" list. But the majority of companies see the opportunity to enhance profits by nagging you about your health. Plans offer smoking cessation, nutrition classes, discounts to health clubs and more. One insurance company even sends nurses to your house to bring flu shots to you and gives away mirrors so diabetics can more easily see the bottoms of their feet to check for sores.

Many companies are cutting the Medicare member in on the extra money they are getting from the

federal government. If you get your annual physical, you could get a \$25 gift card. Humana, for example, although they are one of many companies that does this, offers a variety of incentives for its members to stay healthy. Some give away Fitbits and reward you for steps goals you reach; others give you a gift or gas card for attending a fitness or yoga class.

But this all comes with a lot of outreach from the companies to educate seniors about these programs. Expect to be called, emailed and mailed a lot of information if you purchase a Medicare Advantage HMO or PPO plan. It might be annoying, but the company is invested in keeping you healthy.

TODAY’S BIBLE READING

Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

This service that you perform is not only supplying the needs of the Lord’s people but is also overflowing in many expressions of thanks to God. Because of the service by which you have proved yourselves, others will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else. And in their prayers for you their hearts will go out to you, because of the surpassing grace God has given you. Thanks be to God for his indescribable gift!

Robert Francis Kraft  
December 25, 1930 – June 29, 2021

Bob has a history of consistency, which he deemed the most important part of one’s character. We often argued that point! That aside, he was consistently kind to people, helpful to those who needed help, forgiving of all his son’s and wife’s peccadilloes. Patient to a fault, he would think long and hard about making decisions and starting projects. Firm in his belief in a moral life, he was very reluctant to condemn anyone who didn’t have the same moral code. He has given money away to anyone who knocks on the door, he has helped friends build porches, fix auto engines, repair anything broken.

As an example, we had a friend, Ted, a well-known Indianapolis photographic artist, who had advanced Multiple Sclerosis. As that man’s father was on his deathbed, he wanted to get one last photo of his dad, but his muscles would not let him operate any of his cameras. Bob surreptitiously observed the movements that Ted could make, then spent hours grubbing around in his mysterious junk drawers in the garage, subsequently inventing a mechanism that he attached to our friend’s wheelchair. Ted was then able to make that cherished photo and was most appreciative.

Bob loved being around kids of all ages, so he helped with Webelos, tutored elementary and junior high students in mathematics, and coached Little League baseball teams for several years, emphasizing sportsmanship and team building, not just winning. He kept complete records so that every player had exactly the same amount of playing time, no matter the skill of that player. (Ignoring parental protests!)

He was a member of the Indiana chapter of the American Society of Lubrication Engineers (two years as president), led the W.S. Blatchley Nature Study Club for a year or two, was one of the seven founders of the Hamilton County Theatre Guild in 1965. He recruited teenage students to help him build sets that actually stood up, and acted in a couple plays (always a non-speaking part!). One of those fellows is still a dear friend today.

He was born on Christmas Day in 1930, in the bedroom of their home in Hazel Crest, Ill., just as his mother was cooking Christmas dinner for family and friends. Shortly thereafter, the family moved to Gary, where he attended Lew Wallace elementary school in Gary until fifth grade. They moved to Merrillville where he was educated from fifth through twelfth grade. He played basketball, football, and baseball for Merrillville High School, then attended the University of Nebraska on a full basketball scholarship in 1949. After one semester, he decided to return to Indiana, and finished his education at Hanover College, where he played football and occasionally stayed awake in classes. He majored in P.E. and Mathematics, graduating in 1954.

He was in the U.S. Army, mostly in Alaska, from 1954 through 1956, at which time he married Mary Ellen Harkins. He then enrolled in Case-Western Reserve University in Cleveland for advanced engineering courses, while working at the Cleveland Worm and Gear Company and the Farval Corporation. After moving to Noblesville in 1956, the “team” produced three fantastic sons (Ned, Steve, and Tim) who now live in California and Georgia. All three graduated from Noblesville High School. Ned graduated from Rose-Hulman Institute of Technology, Steve attended Purdue University, and Tim went to Indiana University. Bob, as loving father, was gentle ... an educator, not a punisher.

Bob had two brothers who predeceased him, Richard (1928) and Carl (1935). Both were engineers and lived most of their lives in Illinois. Bob was very fond of his 11 nieces and nephews.

After moving to Madison in 2006, he supported the Jefferson County History Center, Historic Madison Inc., Madison Music Movement, Madison Arts Alliance, Jefferson County Community Foundation, and many national charities.

Bob’s family will host a celebration of his life from 1 to 5 p.m. on Sunday, Sept. 19, 2021 in the Overlook Room at the Forest Park Inn, 701 Cicero Road, Noblesville.

It is expressly requested that in lieu of flowers, expressions of sympathy take the form of donations to: For the Little Ones Fund, an endowment created by Bob and Mary to benefit the Madison Consolidated Schools Pre-Kindergarten Program.

Online condolences, remembrances and memorials can be left at [morgan-nay.com](http://morgan-nay.com).

# Millers, Huskies win all-county games

The Noblesville girls soccer team found itself in an unusual position Wednesday night during its Hoosier Crossroads Conference game with Fishers at the Millers' Hallmark Orthodontics Soccer Complex.

Noblesville, the top-ranked team in Class 3A fell behind 1-0 to the 3A No. 15 Tigers in the first half before tying it up at halftime. The Millers then scored early in the second half, and that was enough for a 2-1 victory.

Freshman Mallory Slabaugh scored Fishers' goal in the 29th minute, with Aubrey Robertson delivering the assist. Noblesville responded six minutes later when Kiana Siefert found the back of the net off a Makenna Maloy assist.

The game was now tied 1-1 at halftime. Nine minutes into the second half, the Millers took the lead when Ava Bramblett scored off a Meredith Tippner assist. Noblesville held on from there.

The Millers improved to 2-0 in the HCC and 4-0 overall. Noblesville's next game is Friday night, when it plays Park Tudor at North Central. The Tigers are 1-2-1 in conference play and 3-3-2 overall. They host Hamilton Southeastern next Wednesday in the Mudsock game.

Another all-county girls soccer game took place at University Wednesday, as the Trailblazers hosted 2A No. 8 Hamilton Heights.

The Huskies were unbeaten coming into the game, and they remained so after beating University 8-0. Heights was in control early, leading 5-0 at halftime. Keri Townsend and Cassidy Felger both scored two goals for the Huskies, with Kyndall Ferguson, Sarah Toll, Natalie Marcum and Abby Colvin all scoring one.

With the victory, Heights is 7-0 for the season.

"At the beginning of the season, our first week and a half was a good test for us," said Huskies coach Travis Kauffman.

"I knew it would be. I knew we had the potential to be really strong, but the depth I wasn't sure about. And that's what's really come together for us, what's made that 7-0 possible is our depth has stepped up, whether it's subs, 11th man. They've done well."

University had solid play from goalkeeper Abby Hannon, who made several saves during the game. The Trailblazers

are 3-3, with wins over Muncie Burris, Shortridge and Eastern.

"Each time that we're on the field, we're growing," said first-year University coach Jeff Denny. "And that's what I'm happy with. We're progressing as a team, growing as a team, staying positive. We can always grow anytime that we're on the field."

Heights' next game is an away Hoo-

sier Conference contest at old rival Tip-ton. The Trailblazers are back in action Friday at Bethesda Christian.

Hamilton Southeastern, ranked No. 3 in 3A, cruised to a 4-0 HCC win over Avon in the Royals' Senior Night game.

Southeastern scored two goals in each half. Ella Chester got the first goal with

# Silver in the T12 400 meter dash . . . Noah Malone wins second Paralympic medal

Hamilton Southeastern graduate Noah Malone picked up his second silver medal in the Paralympic Games Wednesday night.

Malone finished second in the T12 400 meter dash, clocking in at a time of 47.93 seconds. This followed Malone's first silver medal on Monday in the T12 100 meter dash.

## Volleyball

# 'Hounds sweep LC, are 2-0 in MIC

The Carmel volleyball team swept Lawrence Central 25-6, 25-13, 25-9 on Wednesday in a Metropolitan Conference match.

Carly Christy hit 10 kills for the Greyhounds, while Lauren Evans had seven kills, five digs and four aces. Kiah Jackson had six kills. Emerson Evans served five aces and collected three digs, while Ella Bostic dished out 30 assists, and hit four aces and four kills.

Carmel is 2-0 in the MIC and 7-1 overall, and will play in the Avon Invitational on Saturday.

In 2015, Malone was diagnosed with leber's hereditary optic neuropathy, which eliminated half of his vision. He had to leave his high school basketball team but remained on the track team and began training for the Paralympic games after officials contacted him in 2017.

Sheridan dropped a home match with Traders Point Christian on Wednesday, 25-18, 25-19, 25-18.

Claudia Headlee, Taylor Bates and Jacquelynne Bates all served one ace. Taylor Bates added 16 digs, four kills, four assists and two block assists, while Jacquelynne Bates collected a season-high 22 digs.

Kenzie Garner hit nine kills and made two block assists. Lexi Lewin had one solo block and Nova Cross handed out six assists.

The Blackhawks host Eastern tonight in a Hoosier Heartland Conference match.

## SOCCER

a header; Daniela Rios-Rojas provided the assist. Chloe Count scored the Royals' second goal, off an assist by Tatum Coleman.

In the second half, Rios-Rojas put in the third goal, with Caroline Kelley making the assist. Chester scored HSE's fourth goal, assisted by Sam Borgert.

The Royals are 3-0 in conference play and 6-0-1 overall. Southeastern hosts Evansville Mater Dei Friday evening.

Sheridan sailed past Herron 9-0 in a Wednesday home game.

The Blackhawks led 6-0 at halftime. Chaney Smith scored two goals and

made two assists, while Cecila Timme and Emma Alexander both had two goals and one assist.

Lilly Chesney had one goal and one assist, while Berkley Williams scored one goal. Herron also had an own goal. Hailey Godby made three saves and earned her first shutout.

Sheridan hosts Western Boone at 5:30 p.m. today.

Westfield dropped a 2-0 HCC game at Zionsville on Wednesday.

The Shamrocks are 1-1-1 in the conference and 3-2-1 overall. Westfield returns home on Tuesday to host Bishop Chatard.

## Football previews

# Conference openers highlight Week 3 games

For Indiana high school football teams, Week 3 is when things start to get serious.

Not that the first two games were unimportant - far from it. But for many schools, the third game of the season is also the first conference game of the year. That is true in the Hoosier Crossroads Conference, which sees all eight of its teams begin league play on Friday.

The big HCC game in Hamilton County is an all-county game between Noblesville and Fishers. That one kicks off at 7 p.m. at Beaver Materials Field. It should be a good one, as both the Millers and the Tigers are off to 2-0 starts.

### KEEP ON RUNNING

The Millers literally ran away with their first two games, blitzing Mount Vernon 57-36 in their opener and Terre Haute South 45-12 in their second game. In those two contests, Noblesville totaled 968 yards of rushing.

Sophomore Logan Shoffner has emerged as a star for the Millers, having already gained 590 yards on the ground and scored eight touchdowns. Two seniors are also solid runners: Alairic Rogers-Walton has 155 yards and three touchdowns, while Brayan Gómez Sánchez has 154 yards and a TD.

"Noblesville has a very explosive offense," said Fishers coach Curt Funk, noting that the Millers are also big in the offensive line and tight end positions.

"We are going to have a big challenge ahead of us on Friday," said Funk. "They have a lot of talent on the offensive side of the ball and have been putting up a lot of points."

Senior Seth Stone leads the Millers defense with 22 tackles, with senior Jacob Hofmann making four tackles for a loss.

Meanwhile, the Tigers have been doing well themselves. Fishers has only given up one touchdown in its first two games. That was in the Tigers' opener,

where they beat North Central 27-7. In Week 2, Fishers defeated Pike 14-0.

"Defensively, they haven't given up much of anything this year to two good MIC (Metropolitan Conference) schools in North Central and Pike," said Noblesville coach Dave Sharpe. "We're very impressed with the quickness and tenacity of their front seven. We know that it's going to be tough to consistently put drives together and finish drives."

As for the Fishers offense, junior Luke Minns has already put together some good numbers as quarterback, completing 17 of 27 pass attempts for 314 yards and three touchdowns over the Tigers' first two games. Senior Jeffrey Simmons has five of those receptions, including a TD. Junior Carson Dunn leads the rushing with 163 yards and a touchdown.

Sharpe said that Fishers gives an opponent "a lot of formations," and called the Tigers "a very smart football team and a team that can attack you with multiple formations and multiple players."

Fishers' defense is led by junior Grady Stanley, who has 23 tackles, including five for a loss and two sacks. Sophomore Brady Wolf has made four tackles for a loss.

### CARMEL-CENTER GROVE

Carmel will go from one big game to another this week, as the Greyhounds host defending Class 6A state champion Center Grove Friday.

This will be a 1 vs. 2 battle, as the Trojans are ranked No. 1 in 6A and the Greyhounds are No. 2. Both teams are 2-0 for the season. Center Grove already has a jump on the MIC standings, as it opened the season against Warren Central, winning 38-14. The Trojans followed that with a 56-7 win over Decatur Central.

Senior Tayven Jackson is off to a good start at the quarterback position for Center Grove, going 16-for-28 with

252 yards and four touchdowns. Senior Daniel Weems leads the Trojans in both receptions with five and in rushing yards with 112, having scored one touchdown each way. Senior Trei Specker leads CG in tackles with 16.

Center Grove will be Carmel's first Indiana opponent this season. The Greyhounds won two hair-raising games against out of state opponents, beating Louisville Trinity Lutheran 49-38 in Week 1 and Detroit King 42-40 in Week 2.

Senior Zach Osborne has completed 33 of 52 passes for 381 yards and three touchdowns. Junior Desmond Duffy has had an outstanding start in the receiving game, with 11 catches, including two TDs.

Senior Ethan Hall leads the rushing with 174 yards and a touchdown, while Osborne has rushed for five scores. Junior Winston Berglund is on top of the defense, with 21 tackles, four of them for a loss.

### AVON-SOUTHEASTERN

Hamilton Southeastern is back at TCU Field to host its HCC opener, welcoming Avon for a 7 p.m. kickoff.

The Orioles are 0-2 to start the season, having lost high-scoring games to Lawrence North 26-22 and Ben Davis 59-35. Avon is working with a sophomore quarterback, Mason Reynolds, who already has impressive numbers.

Reynolds has completed 30 of 56 pass attempts this season, totaling 536 yards and seven touchdowns. Senior Carson McCray has 17 of those receptions, including six for touchdowns. Meanwhile, senior Derrick Shaw II leads Avon's defense with 11 tackles.

The Royals are off to a 2-0 start, with big wins over Lawrence Central 35-7 and North Central 45-13. Southeastern has two solid senior running backs, Owen

Jones and Blaine Wertz, who have each scored two touchdowns on the ground. Jones has rushed for 152 yards and Wertz for 112 yards.

On the quarterback front, senior Sam Jacobs is 7-for-12 with 119 yards and three touchdowns to his credit, while junior Ty Bradle is 3-for-6, totaling 69 yards and two scores.

### WESTFIELD-ZIONSVILLE

Westfield will go back on the road for Week 3, but not too far, as the 6A No. 4 Shamrocks travel to 5A No. 2 Zionsville.

The Eagles are yet another team that is 2-0 to begin the season. Zionsville scored wins over Pike 28-10 and county rival Lebanon 30-2. Junior Christian Abney is the Eagles' quarterback, and he is throwing at a 24-of-42 clip for 267 yards and a touchdown.

Senior Colin Price has been solid on offense for Zionsville, as he leads in receptions with nine and in rushing with 212 yards and three touchdowns. Abney has also scored three rushing touchdowns. Senior Otto Kyler is the Eagles' leading tackler with 13 stops.

Westfield has started its campaign 1-1, falling to Cathedral 14-0 in its opener before beating Harrison 33-11 in Week 2. Senior Maximus Webster has had an efficient start, completing 18 of 25 attempts for 214 yards and three touchdowns.

Senior Ian Bruch has stepped up in the receiving department, leading with 10 catches, including a TD.
