Young Republicans welcome former Pence advisor to speak

Photo courtesy Pooja Garb

On Sept. 9, the Hamilton County Young Republicans welcomed Tom Rose, former Chief Strategist and Senior Advisor to Former Vice President Mike Pence. Rose gave an analysis of the current state of American politics. He also discussed his time in Israel and gave an account of his experience working in the Trump White House. Learn more about the Hamilton County Young Republicans on [Facebook](https://Facebook.com/hcyoungrepublicans) and at hcyoungrepublicans.org.

'Golf Courtney's Way' to help end EGFR lung cancer

Submitted

Courtney Cox Cole was a bright light in the world. She touched the lives of so many including her golf coach at Indiana University, Sam Carmichael. He loved coaching "Court." Her work ethic, competitive spirit and leadership skills were everything a coach dreams of in a player. Off the golf course, she was smart and quick-witted. Her laugh was contagious. Courtney Cox Cole Carmichael says not only was she one of the best athletes he ever coached, she was one of the best human beings.

Courtney Cox Cole Carmichael

Courtney fought EGFR lung cancer the way she did everything – her way. Even now, she is driving the fight for a cure through the Courtney Cole Endowed Lung Cancer Research Fund. Since there is no better way to honor Courtney than to take up this fight, Sam Carmichael and his family are proud to host the inaugural golf outing at Martinsville Golf Club, 1510 N. State Road 37, Martinsville.

Schedule of Events

- 10:30 a.m. Registration
- 11:30 a.m. Welcome Ceremony
- 11:45 a.m. Players to starting holes
- Noon Shotgun Start
- 4:45 p.m. Awards

To purchase your tickets, [click here](#). If you'd like to make a donation, please [click here](#).

All proceeds from the event will go to Courtney's fund and be matched dollar for dollar. So, grab your clubs and Golf Courtney's Way.

For more information, go to one.bid-pal.net/golfcourtneysway/welcome.

Water main flushing begins Sunday night in Noblesville

The REPORTER

Indiana American Water will conduct water main flushing in the Noblesville service area beginning overnight on Sunday, Sept. 12 and continuing through Monday, Sept. 13 in the downtown area from 10 p.m. to 6 a.m.

Flushing of the remaining areas of Noblesville and northern parts of Fishers will start on Wednesday, Sept. 15 and run through Friday, Nov. 19 from 8 a.m. to 4 p.m., Monday through Saturday.

The company conducts the annual maintenance program to assure high-quality water service and to ensure fire hydrants are operational.

According to Noblesville Superintendent Josh Cox, "Water main and fire hydrant flushing is an important part of a regular maintenance program for water distribution systems. Indiana American Water consistently meets or exceeds all drinking water standards."

No interruptions in water

service are anticipated as a result of the work. Customers may experience a slight drop in water pressure or temporary water discoloration or air in customer plumbing lines while this program is underway. Customers should refrain from doing laundry during the time of day the flushing program is taking place in or near their neighborhood.

If tap water is discolored, Indiana American Water recommends allowing several cold-water faucets to run for

a short time until the water runs clear. Using more than one faucet allows the water to clear more quickly.

Customers who have questions regarding hydrant flushing may call our Customer Service Center at 1-800-492-8373.

The water main flushing will be performed by Indiana American Water crews. They will be working out of trucks identified with the company logo. All employees will also have photo ID badges.

Mayor Jensen unveils 2022 Noblesville city budget proposal

The REPORTER

Mayor Chris Jensen presented the City of Noblesville's 2022 Civil City budget plan at Thursday's Finance Committee meeting. The proposed budget continues to focus on all four of his Policy Pillars and maintains continued focus on government modernization, cost containment, and proactive preservation of taxpayer-owned assets.

"Our city is growing and with that growth comes a city budget strategically shaped to meet the needs of our increased capacity," said Jensen. "We are now the 10th largest city in the state and it is our responsibility to plan a smart budget to meet that growth. We are fortunate to have healthy cash reserves, accumulated through many years of growth in assessed valuation and prudent management of public funds for us to be able to invest back into our community."

Jensen added, "With this budget, our revenues are projected to exceed ongoing expenses by \$2.2 million. While the 2022 budget begins to spend down a portion of the city's reserve balances, those balances remain very strong. This budget proposal continues our emphasis on return on investment principles while allowing for bold investments in Noblesville's future in ways we had envisioned since this administration took office."

The Civil City Budget maintains a property tax rate of \$1.10 per \$100 of assessed value, which the city has held for three years.

"I have had the opportunity to discuss the budget with the administration and I look forward to the official presentation on Tuesday," Common Council President Darren Peterson said. "Our administration has worked hard to put together a holistic budget that keeps our reserve balance strong while meeting the

Governor Holcomb responds to federal vaccine mandate: 'Announcement from President Biden is a bridge too far'

By ADAM STATEN

WISH-TV | [wishtv.com](https://www.wishtv.com)

On Thursday, President Joe Biden announced a coronavirus vaccine mandate.

Biden's mandate makes the vaccine mandatory for all businesses with 100 or more employees or their employees will be required to be tested once a week. Companies found in violation of the mandate could face thousands of dollars in fines.

Additionally, Biden signed an executive order requiring all government employees to be vaccinated against COVID-19. However, government employees do not have the option of weekly testing.

The mandate could apply to as many as 100 million Americans.

The newly-announced mandate from Biden is taking things too far, according to Governor Eric Holcomb.

On Friday, Holcomb released the following statement in response to Biden's mandate:

"I believe the vaccine is the number one tool that will protect us and our loved ones against COVID-19. It is the tool that will end the pandemic.

However, I strongly believe it's not the state or federal government's role to issue a vaccine mandate upon citizens and private businesses. This is the approach our administration has taken all along. The announcement from President Biden is a bridge too far. Private businesses should be able to look at their own mission, their staff and their goals and make the decision best for them that will keep their doors open.

"I believe it is fundamentally a citizen's right to choose whether or not to get the vaccine. While I wish everyone would get the vaccine, we are a country built on this exact type of freedom."

Holcomb

Senate Democrat calls Holcomb's statement "extremely irresponsible"

The REPORTER

On Friday, Senator Tim Lanane (D-Anderson) released the following statement regarding Governor Holcomb's opposition to this mandate:

"Governor Holcomb's opposition to mandating the life-saving COVID-19 vaccine is extremely irresponsible. President Biden correctly recognizes that the science and the data tell us that the unvaccinated population is allowing the virus to spread and mutate at an unacceptable rate. It is well established that vaccines can be required in the United States, as every student attending a public school knows. In fact, the 1905 Supreme Court Ruling in *Jacobson v. Massachusetts* established that requiring vaccines to protect

public health is constitutional, and this precedent was just referenced again by the Supreme Court in the recent case over

Indiana University's vaccine mandate. Our state has allowed healthcare employers to mandate employee vaccines for years, to no public outcry.

"Over 100 years of Supreme Court precedent tells us that President Biden's announcement today is not an encroachment on freedom, and it is not unconstitutional. Unfortunately, Governor Holcomb is choosing to put the interests of the far-right anti-science wing of his party above the health of Hoosiers, especially children under 12 who cannot yet be vaccinated. Hoosiers deserve better, and they deserve real leadership."

Lanane

Noblesville Lions host interesting speaker

Photo provided

On Wednesday evening, the Noblesville Lions Club hosted Mary Ann Haymaker, Hamilton Heights Youth Assistance Coordinator. Ms. Haymaker enlightened the club on what her organization does to help youth in the county. (Above) Mary Ann Haymaker (left) was thanked by Lions Club Vice President Kim Luckey.

MEET ME

from Page 2

of Carmel Art Education Studio. Art in the Garden is an event that takes place in the garden located immediately outside of the World's Smallest Children's Art Gallery, which will be open for visitors. There will be a children's table to allow kids to join in the fun of making art. (**Carmel Arts Council**, 40 W. Main St.)

CCA Gallery & Gifts

The gallery's feature show artists are Laurie Alvier, painter, and Kelly Jenkins, fused glass jewelry artist. Join them from 6 to 8:30 p.m. for a reception. Visitors can check out the beautiful display of their work, meet them in person and find out what inspires them. (**CCA Gallery**, 111 W. Main St., #135)

Indiana Artisan Gallery

This gallery will feature Kevin Harvey's bowl-carving process that involves only hand tools. He performs most of the wood shaping with an adze, a tool similar to an axe, but with an arched blade. Watch him transform wood rescued from a burn pile into beautiful, functional art. The Brownsburg-based wood artist will carve in the garden next to Indiana Artisan

Gifts & Gallery from 5 to 9 p.m. (**Indiana Artisan Gifts & Gallery**, 22 N. Range Line Road)

Indiana Design Center

Holder Mattress, Rusted Window and Stephanie Wiott Designs will offer light refreshments, a kid's craft and in-store special offers. Join them inside the Indiana Design Center for a "back to school" themed evening. Kids can design a pencil pouch full of school supplies while moms and dads can shop the new fall home décor arrivals and summer clearance. (**Indiana Design Center**, 200 S. Range Line Road)

Kuaba Gallery

The gallery will be featuring new paintings by Carmel artist Anne Cleary. Also on display are beautiful new SWAN sculptures by Dominic Benhura from Zimbabwe and a collection of traditional African Masks. (**Kuaba Gallery**, 404 W. Main St.)

The Olive Mill

Experience a European tradition of sampling the freshest selection of small batch and artisan extra virgin olive oils and balsamic vinegars from all over the world. Drop your name in the fishbowl and you could

win a special \$50 gift certificate from the Olive Mill. (**Olive Mill**, 10 S. Range Line Road)

A map of the gallery locations and more information about Meet Me on Main activities can be found at CarmelArtsAndDesign.com.

Public parking is available in the Carmel Lions Club lot (141 E. Main St.), Sophia Square parking garage (entrance off of 1st Ave. NW), Indiana Design Center parking garage (200 S. Range Line Road) or on-street. [Click here](#) to download the Arts & Design District parking map.

About the Carmel Arts & Design District

The Carmel Arts & Design District is the Midwest's premier arts and design destination. Home to more than 200 businesses, including art galleries, restaurants, antique dealers, design showrooms, boutiques and creative service providers, the Carmel Arts & Design District promises to stimulate the senses. The Indiana Design Center is housed in the Carmel Arts & Design District. In addition, hundreds have taken advantage of the wide variety of housing opportunities and call the Carmel Arts & Design District home.

Sen. Todd Young on September 11: “We must not ever relent”

The REPORTER
U.S. Senator Todd Young (R-Ind.) on Friday issued the following statement regarding the 20th anniversary of the September 11, 2001 terrorist attacks:
It is difficult to believe that 20 years have passed since September 11, 2001. No matter the distance, it remains equally difficult to revisit the images and emotions of that day. The shock, grief, and anger. The Twin Towers, the Pentagon, and the field in Shanksville, Pa. Though we carried on with our lives over the past two decades, we have never forgotten the terrorists' attack on our way of life and their taking of thousands of innocent lives. Threats to our national security re-

main. That life returned to normal after 9/11 is proof how tirelessly we fight them. We must not ever relent.
This is a somber anniversary. We can celebrate, though, that at its worst hour, the world saw America at its best. The first responders charging up staircases and rushing into the burning buildings, the volunteers driving all night and across country to dig through the rubble. The staggering donations of blood, food, and money. The prayers for the lost and the lines around our Armed Forces' recruiting offices. The flags draped

Young

over buildings and waving from highway overpasses. These are among the memories, too.
And of course, so are the patriots who stormed Flight 93's cockpit to save our Capitol, the politics of those inside it never crossing their mind. Inspired by their sacrifice and heroism, we grieved together, we comforted one another, and we vowed to seek justice with a single voice. In that moment, we remembered that we are Americans above all else.
No matter how many Septembers pass, let us never forget that.

Letter to the Editor

Cicero reader has several questions about town pool

Dear Editor:
It's been awhile and I note the postings of minutes is not up to date, but I have reviewed the most recent posted minutes of meetings in July and early August. I was surprised and flabbergasted that the suggested survey results are apparently **meaningless** when considering amenities for taxpaying residents.
When was Cicero pool really permanently closed? Three or so years ago? Has this shenanigan and shell game been ongoing for the past 24 to 36 months or longer?
Per the minutes Dan Strong stated to Mr. Kelso, the pool was **permanently closed** and nothing in any posted minutes reviewed by me suggest any realistic or known actual repair cost figure or any cost for a replacement pool was ever submitted or discussed in the Cicero Council; just that pool was permanently closed and no pool will be considered as was suggested by your votes, regardless of the fact that 56.31 percent of the 760 respondents to your survey used the pool. Mathematical trending regardless of the small sample size may suggest that a taxpaying majority may desire using and having the pool.
It appears the consensus of the existing Cicero Council has no interest in any pool regardless.
Could it be staffing and real, required, and perpetual maintenance are the real issues? Why were the taxpayers not advised of your July decision and when is the demo going to start if it's no longer a viable amenity for Cicero taxpayers?
In the opinion of many, the existing and current state the pool is an eyesore and hazard! Maybe during the past few years of closure and inactivity the facility was best used as a vermin and mosquito harvesting pit or location, as the casual observer has noticed no effort has been used to salvage and reopen this facility.
From me and many others in Jackson Township, including Cicero and the Hamilton Heights community, we feel the need for a Cicero pool that may or likely include a splash pad, but not a solo splash pad. A city pool is needed in the Cicero community as was suggested by many others who rendered their time and opinions concerning the public pool, Cicero Parks and Amenities.
Where is the real hard figure for repairs? Replacement? Or is the town run on opinions and limited detail unless the engineering department is involved?
The work on the Little League Ball Diamonds is a great positive step and will improve and expand the diamond/facility use as well as the overall Cicero community reputation.
Without the pool amenity – which, if I read the minutes correctly, with the 1 to 4 vote on Mr. Lutz's motion is off the table and no pool will be in Cicero again – it will be overall detrimental to the overall community spirit and reputation.
Jim Williams

Fishers One group calls on HSE to adhere to parental access, transparency

Submitted
Editor's note: The following is a statement received by The Reporter from Fishers One on Thursday. Statements from independent groups and individuals do not reflect the opinions of The Reporter, its publisher or its staff. If you'd like to see your own opinion printed in the pages of the Reporter, send your Letter to the Editor by email to News@ReadTheReporter.com.
Fishers One believes HSES [Hamilton Southeastern Schools] is not currently following their own stated policy related to parental access, notification and consent.
HSES Board of Trustees has adopted Indiana Code 20-10.1-4-15 as its policy (according to HSE Policy, Section I, Code 105.02) which "in part requires the school corporation to make available for inspection by parents the following instructional materials: Teachers' Manuals, Student Texts, Films or other video materials Tapes and Other Materials."
"In addition, a student shall not be required to participate in a personal analysis, an evaluation, or a survey not directly related to academic instruction... without the prior written consent of the student's parent or guardian." This also includes giving parents and students notice of their rights under this policy.
Fishers One has re-

ceived reports from parents that HSES has not requested parental consent for to have their children participate in the recent Panorama Surveys for quite some time.
As a result, Fishers One is calling on the HSES Administration to immediately adhere to their stated policy and ensure prior notice and written parental consent for any personal analysis, evaluation, or survey given to students not directly related to academic instruction both now and in the future.
If any parents have evidence of not being provided notice before a non-academic instruction survey was given to their child you can report your experience anonymously to fisherson-etips@protonmail.com.
About Fishers One
Fishers One is a grassroots, community-based organization dedicated to restoring academic excellence in HSE Schools, maintaining Fishers as a great place to live, and cultivating the next generations of community leaders. You can learn more about Fishers One and how to get involved at fishersone.org and on Facebook at [facebook.com/FishersOne](https://www.facebook.com/FishersOne).

Thanks for reading!

Chasing the Paralympic dream, meeting the Bosma standard

Americans feel a strong sense of pride in our Olympic representatives. We celebrate their skills and dedication. When these games end, a second wave of Paralympic athletes also deserve our support as they demonstrate unparalleled strength and resilience.

This year, Bosma had a hometown hero to cheer on in the Paralympics. One of our own success stories, Noah Malone, represented the country as a sprinter for Team USA Track and Field, competing in the 100-meter and 400-meter dashes in the T12 classification. He also competed in the mixed 4x100-meter universal relay.

During his time in Tokyo, Noah won a silver medal in both the men's 100-meter dash and 400-meter dash. Noah also took home a gold medal in the mixed 4x100 universal relay.

Noah is one of the few legally blind Division I track athletes in the nation. At age 13, he was diagnosed with Leber's Hereditary Optic Neuropathy (LHON), a rare genetic disease that leads to central vision loss. Little did Noah know, he had yet to unlock his true potential when he found Bosma after his diagnosis.

JEFF MITTMAN

Noah participated in Bosma's Student Training and Employment Program (STEP), which provided him with the necessary training to gain confidence and navigate life as a person who is legally blind. He learned about our summer internship opportunities while in high school. This internship helps high school students who are visually impaired develop a career path and skills. Noah still uses the skills he learned from STEP to this day.

As someone who knows Noah and has seen him grow through his vision loss, I am proud to have him represent our country and Bosma's mission. Noah is a testament to what we do here at Bosma, and we have been honored to watch and support him in his success.

Stories like Noah's are why I am proud to lead Bosma, an organization committed to creating opportunities for people who are blind or visually impaired. As a service-disabled veteran who lost my vision in combat, I understand the unique challenges facing people with disabilities. Noah has shown how those who are visually impaired can beat the odds

stacked against us.

As Noah returns from Tokyo, we are excited to continue supporting him in his running and writing careers. Noah is publishing a memoir, *Losing Vision, Not Dreams: Reflections on My Teenage Years*, about his journey through vision loss and becoming a Paralympian. Noah wrote the book to encourage teenagers and kids to pursue their dreams no matter what.

Noah is just one example of how Bosma can

help the community of people who are blind or visually impaired. Through Bosma, people are given the skills and confidence to chase their dreams just like Noah.

Whatever Noah attempts in the future, his enthusiasm and indomitable spirit will bring him success. So, from me and the rest of the Bosma family, congratulations, Noah.

Jeff Mittman serves as the CEO of Bosma Enterprises. Learn more at bosma.org.

TODAY'S BIBLE READING

I repeat: Let no one take me for a fool. But if you do, then tolerate me just as you would a fool, so that I may do a little boasting. In this self-confident boasting I am not talking as the Lord would, but as a fool. Since many are boasting in the way the world does, I too will boast. You gladly put up with fools since you are so wise! In fact, you even put up with anyone who enslaves you or exploits you or takes advantage of you or puts on airs or slaps you in the face. To my shame I admit that we were too weak for that!

2 Corinthians 11:16-21 (NIV)

Meeting Notices

The Sheridan Community Schools Board of Trustees will meet to discuss the budget at 6:30 p.m. on Monday, Sept. 13, 2021, in the Media Center at Sheridan High School, 24185 N. Hinesley Road, Sheridan.

Big plays lead HSE to Mudsock trophy

By RICHIE HALL
FISHERS - If a team wants to win the big game, it sometimes needs to make big plays.

Hamilton Southeastern made more than a few big plays during its Mudsock football game with Fishers Friday at the Tigers' TCU Field. The Royals stepped it up on both sides of the ball, and the end result was a convincing 42-13 victory.

The game was played in front of a sold-out, enthusiastic crowd of around 8,000 people and was yet another reminder of just how big the Mudsock rivalry is. At the same time, HSE coach Michael Kelly was pleased that his team was able to stay focused in the midst of the atmosphere.

"We talked all week long about 'do your jobs,'" said Kelly. "It's not about who we play, it's how we play. At the beginning of the game, I think we were focused on who we were playing and then we settled in and focused on how we were playing."

Southeastern won on the strength of its running game, which totaled 441 yards. All six of the Royals' touchdowns were scored on the ground. The defense stepped up with three interceptions. And HSE wasn't afraid to take chances, either, making three fourth-down conversions in the first half.

"In this kind of environment, you got to take away any chance that's there," said Royals coach Michael Kelly. "And I'm pretty confident in our offensive line. I think we got a great offensive line that can get those tough yards. I felt confident that we could get those, so I figured we'd roll the dice and just see what happens."

Southeastern wasted no time getting on the board, scoring on its first drive. A 34-yard pass from Ty Bradle to Dylan Conner set the Royals up at the six-yard line, and Owen Jones ran the ball in from there for the first touchdown, which would be the only TD of the first quarter. Alex Geroulis made the extra-point kick, the first of his six extra-point kicks during the game.

At the beginning of the second period, Southeastern got a turnover on downs, giving it the ball on the Royals' 41. But on the first play of that drive, Dominic Oliverio forced a fumble, and Curtis Kearschner recovered it, then sprinted 35 yards into the end zone. Tate Talbot's extra-point kick tied the game up at 7-7.

The Royals snapped back in a hurry, dominating the other 11 minutes of the second quarter. Sam Jacobs rushed 83 yards for a touchdown on the first play of HSE's next drive.

The Southeastern defense then stepped up, with Peyton Daniels intercepting a Tigers pass. The Royals had the ball again, and Wertz soon had them in the end zone on a 35-yard rush. Southeastern wouldn't let up, as Cole Earlewine picked off a Fishers pass on the Tigers' next drive. That led to another quick touchdown score, with Jones jogging in from 39 yards.

The Royals thus led 28-7 at half-time. Fishers cut into that led in the third quarter, when Colin McPeek caught a seven-yard touchdown pass from Lucas Minns.

But the Tigers would get no closer, as HSE added two more touchdowns in the fourth. Bradle took the ball in from two yards during the first minute of the quarter, then Wertz made another 35-yard run

The Hamilton Southeastern football team won the Mudsock Trophy Friday, beating Fishers 42-13. Senior members of the Royals football team are pictured here with Cherie Bryant, daughter of Robert "Dub" and Jean Clark, who sponsored the Mudsock Trophy. HSE players are Louden Sundling (21), Jack Greer (73), Isaiah Kegley (64) and Jackson Constantine (33).

Hamilton Southeastern's Peyton Daniels (1) made a second-quarter interception that would lead to a Royals touchdown, one of three scores during that period.

to the end zone late in the period. Wertz finished the game with 215 yards rushing, while Jacobs gained 103 yards and Jones totaled 96 yards. Griffen Haas led the Royals' defense with eight tackles (six solo and two assists).

"They were more physical than us, and that's a big difference in the game," said Tigers coach Curt Funk.

Fishers was held to 52 yards rush-

ing, although Minns had a solid passing game, going 11-for-20 and totaling 132 yards. Oliverio made seven tackles.

"You got to catch a break in games like this," said Funk. "The ball just didn't bounce our way in some situations. In games like this, you can't turn the ball over and we just had too many turnovers."

Southeastern improved to 4-0 with the win, continuing its best start since

the 2008 season. This was also a Hoosier Crossroads Conference game, and the Royals are now 2-0 in league play. As for the Tigers, it was their first loss of the year, dropping them to 3-1 and 1-1 in the conference.

Southeastern hosts Westfield in another big rivalry game next week, while Fishers will play at Brownsburg.

Rajeev Ram wins U.S. Open men's doubles

Carmel's Rajeev Ram won the U.S. Open men's doubles Friday, collecting his first-ever title at Flushing Meadow.

Ram and his partner, Joe Salisbury of the United Kingdom, beat the UK's Jamie Murray and Brazil's Joao Soares 3-6, 6-2, 6-2 to claim the title. It's the second Grand Slam title for Ram and Salisbury; they had previously won the 2020 Australian Open. The U.S. Open win is Ram's 22nd tour doubles title of his career.

Ram has now four major championships. In addition to the men's doubles wins, Ram won two Australian Open mixed doubles titles with the Czech Republic's Barbora Krejickova, in 2019 and 2021.

Shamrocks run away from Millers

Westfield coach Jake Gilbert summed up his thoughts quite well when discussing how his team performed Friday night during its 42-15 win over Noblesville.

“I just don’t know that we can play much better,” said Gilbert. The Shamrocks were back at Riverview Health Stadium after two weeks on the road, and celebrated a chance to play on their home field with their third straight victory.

Westfield scored right away, with Micah Hauser making a six-yard touchdown run just 92 seconds into the game. Hauser would again find the end zone midway through the first quarter on a five-yard rush, giving the ‘Rocks a 14-0 advantage by the end of the period.

The Millers answered when Parker Bell punched the ball in from the one-yard line early in the second quarter and Jack Letourneau made the extra-point kick. Westfield answered back with two touchdowns from Trevon Hatchett. His first score was a three-yard run with 7:26 left in the half, then Hatchett zoomed into the end zone from 84 yards with under a minute to go. With that, the Shamrocks led 28-7 at the break.

Westfield added two more touchdowns in the third period. Maximus Webster connected with comeback kid Jackson Wasserstrom, who had been out due to injury, on a 30-yard touchdown pass early in the quarter. Then Hatchett scored his third TD of the night on a seven-yard run midway through the period.

“We were rolling on offense,” said Gilbert. The coach also credited the Shamrocks’ offensive line with having a good night, and the special teams with performing well. Caleb King was a perfect 6-of-6 in extra-point kicks.

Westfield’s defense was also solid. Gilbert credited Popeye Williams, Blayze Dezelan, Vance Farrar and Dalen Blanding with leading the way.

“We just kept them from the long, explosive play,” said Gilbert.

Noblesville scored one more touchdown in the fourth quarter, with Sevin Barringer-Hoonhout making a 79-yard run to the end zone. He would wind up the leading rusher, followed by Alairic Rogers-Walton, who gained 65 yards. Jack Skomp made a two-point conversion run following the touchdown.

“Defensively, we struggled to contain all those players,” said Millers coach Dave Sharpe. “But that’s a tremendous football team. We know we have a lot to work on, but we’re seeing signs.”

Tyler Dikos led the Westfield tackles with 15, followed by Farrar with 13, and Hauser, Williams and Bryson Hoover all had 10. Austin Hastings, Cole Richardson and Sam Steinhofer all made five stops for Noblesville.

The Shamrocks are 1-1 in Hoosier Crossroads Conference play and 3-1 overall. They will play at Hamilton Southeastern next Friday. The Millers are 0-2 in the conference and 2-2 overall, and host Zionsville next Friday in their Homecoming game.

Huskies overwhelm Northwestern

Hamilton Heights had one of its best Homecomings in recent years Friday night, as the Huskies cruised past visiting Northwestern 42-7 in their Hoosier Conference East Division opener.

With the win, Heights improved to 3-1 overall, its best start since the 2016 season, “and it feels pretty good,” said Huskies coach Jon Kirschner.

Kirschner credited his team with overcoming any mistakes it may have made during the game, leading to the convincing win.

“We all make mistakes, we got to be able to rise from those mistakes,” said Kirschner. “And in a lot of facets in the game tonight, when it mattered the most, we were able to overcome those mistakes, whether it be defense, getting a big turnover.”

Heights trailed 7-0 after the first quarter, but didn’t allow the Tigers to score again. Meanwhile, the Huskies poured in 21 points in the second period. Chance Yeager started things off with a five-yard touchdown run, then Gavin Bramel caught a pair of touchdown throws from Guy Griffey. All that led to a 21-7 halftime lead for Heights.

Yeager struck again in the third quarter, punching the ball in from the two-yard line. In the fourth quarter, Bramel and Griffey connected for another touchdown pass play, then Owen VanHaaren streaked 52 yards to complete the Huskies’ scoring. Jonathan Glenn made all six extra-point kicks.

“Kudos to Northwestern,” said Kirschner. “He’s got his kids playing hard. They’re well-coached. They’re going to be good down the road. At the end of the day with us, we’ve got to improve on silly mistakes. But again, I’m not going to take anything away from a 42-7 victory on Homecoming. It’s conference victory No. 1.”

Griffey had an outstanding game, going 15-of-21 for 236 yards and the three touchdowns. Bramel totaled seven catches for 121 yards. Trey Ehman led the rushing with 73 yards, while VanHaaren totaled 59 yards.

Heights goes back on the road next week to continue division action, playing at Western next Friday.

Sheridan dropped its first Hoosier Heartland Conference game of the season Friday, as visiting Delphi used a fourth-quarter touchdown to get past the Blackhawks 14-12 at Bud Wright Stadium.

The Oracles led 7-0 at halftime. Sheridan scored both of its touchdowns in the third period: Gavin Reners took a four-yard run into the end zone, then Jalen Herron gave the Blackhawks the lead when he scored on a 56-yard punt return. But Delphi sealed the win with its late score.

Reners led Sheridan's offense with 118 yards rushing, while Peyton Cross gained 57 yards.

Sheridan is now 2-1 in conference play and 2-2 overall. The 'Hawks will play another home HHC game next Friday, hosting Clinton Prairie.

Sheridan's Gabe Holler makes a tackle for a loss during the Blackhawks' game with Delphi Friday.

'Hounds take care of Pike

Carmel picked up a rebound victory on Friday, traveling to Pike and coming home with a 34-6 Metropolitan Conference win.

The Greyhounds scored once in the first quarter, with Desmond Duffy catching a 27-yard touchdown pass from Zachary Osborne, who returned to the field after an injury. Ben Sponsler kicked the extra point to give Carmel a 7-0 lead.

Sponsler booted a 32-yard field goal early in the second quarter, putting the 'Hounds up 10-0. The Red Devils scored their lone touchdown on a pass play later in the period, keeping within 10-6 at halftime.

Carmel pulled away in the third quarter, with Evan Brehl taking a 20-yard fumble recovery into the end zone. Osborne later scored on a six-yard run. Duffy began the fourth quarter with his second touchdown reception of the game, a 22-yard throw from Osborne. Sponsler completed the scoring with a 29-yard field goal.

Osborne went 20-of-31 for 304 yards, with Duffy and Jaedon King each collecting seven receptions. Osborne led the rushing with 42 yards.

The Greyhounds are 1-1 in MIC play and 3-1 overall. Carmel returns home next Friday to take on Lawrence North.

GC drops conference opener

Guerin Catholic dropped its Circle City Conference opener on Friday, falling on the road at Brebeuf Jesuit 42-14.

The Braves led 35-0 at halftime and added another touchdown in the third quarter. Brebeuf quarterback Nolan Buckman threw five touchdown passes in the game.

The Golden Eagles scored all of their

points in the fourth quarter: Cooper Navarro made an eight-yard touchdown run, then Ryan Zimmerman punched the ball in from the one-yard line. Evan Guenther kicked both extra points. Justin Zdobylyak led the rushing with 43 yards.

Guerin Catholic is 1-3 and returns to the Eagles Nest next Friday to play Roncalli in a conference game.
