Questions about Fishers, Carmel and Envoy

By STU CLAMPITT | ReadTheReporter.com

When the Highline project was on the agenda at the Aug. 16 Fishers City Council meeting, Councilwoman Jocelyn Vare raised multiple concerns including the fact that the company involved, Envoy, has State Senator Scott Baldwin as its CEO. Hamilton County residents have since been asking about multiple Envoy projects, so the Reporter spoke to city council members in both Fishers and Carmel about their most recent Envoy partnerships.

The Reporter's attempts to reach Sen. Baldwin for comment were unsuccessful.

Fishers Highline Project (\$10 million)

The Highline project is a private development to be located south of 106th Street between Lantern Road and Kincaid Boulevard. The project is supposed to involve apartments, restaurants and other amenities, which one councilmember compared to Fishers Marketplace. You can read the project agreement, which includes maps, a conceptual drawing, a list of prohibited businesses and other details at [this link](#).

Vare said she was only given three business days' notice that the Highline project would

Carmel Police Headquarters (\$38 million)

The Carmel Police Headquarters expansion is a very different project. This is not private development, but is classified as a "Build Operate Transfer" (BOT) under Indiana statute IC 5-23-3, which reads in part, "A governmental body may enter into a BOT agreement with an operator for the acquisition, planning, design, development, reconstruction, repair, maintenance, or financing of any public facility on behalf of the governmental body."

Noblesville Lions welcome Jeff Meyer to speak on his entrepreneurial enterprises

On Thursday, Jeff Meyer of Meyer Foods Inc. gave a presentation to the Noblesville Lions on his business and its development over the years. Meyer owns multiple Culver's Restaurant franchises in several states. He is headquartered in Noblesville and purchased the old Boys and Girls Club building. He remodeled the building and recently had a grand opening. The building is his corporate headquarters, along with many conveniences he offers to other businesses. In his remodel, he mentioned that he tried to keep some of the history of the building intact. Anyone interested may tour the facilities if they wish. Meyer's story is one of hard work and American entrepreneurship. (Above) Lions Club Vice President Kim Luckey and Jeff Meyer.

'Convenient' foods lead to inconvenient health issues

"If more of us valued food and cheer and song above hoarded gold, it would be a merrier world."
— J.R.R. Tolkien

This week's topic relates more to the "food" aspect of Tolkien's quote that the "cheer and song"—although those are important to everyone's lives as well! In particular, I am addressing this week the food choices we make based on the

nutritional value of those choices. And yes, I know that the pandemic has influenced our food choices as we have looked for "comfort" during this troubling time!

True confession here ... if you happen to run into me in the grocery store, chances are I will be surreptitiously glancing at the items in your cart. I suppose it is just a professional hazard of mine

as I am both confounded and amazed often times at what I observe in others' grocery carts! Appearing most of the time are the processed, packaged foods which are so convenient to prepare ... and so unhealthy when eaten on a frequent basis. We are advertised-to, marketed, and frankly bombarded with these "tasty and quick options" for meal preparation. I also note that the snack aisles appear to grow every week with a plethora

Six Indiana ZIP codes have over 90% fully vaccinated for COVID

By GREGG MONTGOMERY
WISH-TV | wishtv.com

More than 90 percent of the population age 12 and older in six Indiana ZIP codes have been fully vaccinated against the coronavirus, according to data from the Indiana State Department of Health. All but one of the ZIP codes with the highest vaccination rates are in Central Indiana.

The ZIP codes, their location and the total and percentage vaccinated are:

- 46914, Bunker Hill and Grissom Air Force Base, 1,662 fully vaccinated, 105 percent.
- 46074, Westfield, 27,521 fully vaccinated, 99.6 percent.
- 46077, Zionsville, 23,648 fully vaccinated, 99.4 percent.
- 46814, Fort Wayne, 10,074 fully vaccinated, 97 percent.
- 46037, Fishers, 30,777 fully vac-

inated, 91.3 percent.

- 46040, Fortville (includes southeastern Hamilton County), 9,230 fully vaccinated, 90.9 percent.

As a result of the high vaccination rates in these ZIP codes, Boone and Hamilton counties continue to lead the state as the only ones with more than 70 percent of residents who are fully vaccinated. Hamilton County has recorded 220,384, or 78.6 percent, of its residents as fully vaccinated against COVID-19. Boone County has recorded 41,535, or 73.7 percent, of its residents as fully vaccinated.

The county with the fewest people who are fully vaccinated is LaGrange County, which is northwest of Fort Wayne on the Indiana-Michigan state line. In two of its ZIP codes, 46565 (Shipshewana) and 46571 (Topeka), less than 14 percent of the population is fully vaccinated. Both ZIP codes

of yummy, salty snacks! In particular, I am concerned about children who are frequently offered these items.

Federal health statistics show that 12.3 percent of Americans 20 and older have diabetes, either diagnosed or undiagnosed. About 37 percent have pre-diabetes, a condition marked by higher-than-normal blood sugar. That's up from 27 percent a decade ago. An analysis of 16 studies involving almost 900,000 people worldwide, published in the most recent issue of the journal *Diabetologia*, shows pre-dia-

betes not only sets the stage for diabetes but increases the risk of cancer by 15 percent. Children are being diagnosed pre-diabetic at an alarming rate in recent years.

In referring back to the quote at the beginning, however, my point this week is also the monetary cost of food. Although the price of produce and healthy foods can fluctuate depending on season of the year, etc., the price of highly processed food is significant regardless of the season! "Convenience" comes not only at a cost to our health, but a

budget hit as well. And I am sure you have noticed the rate hikes in all food items during the pandemic.

An example I will give is the cost of a simple baked potato with salsa, grated parmesan or spices vs. a box of "instant" mashed potatoes. There are many other examples of which you readers are aware so I won't use space here to cover those. You don't need a cookbook these days to come up with healthy and simple recipes using nutritional items – the internet has you covered! If you have any doubt of the nutri-

tional value of the shelf-stable, processed foods, the labels will tell you most of what you need to know. If you suffer from high blood pressure, *always* read the labels for sodium content of that item.

So – who do I think I am, right ... do I ever eat processed foods? Of course – in moderation, which is the key to most anything.

Potato chips – once in a while. Frozen entrees – not often, but a bean burrito sure heats up quickly in the microwave when a person is in a hurry! Whether you live alone, are feeding a family, or you are somewhere in between, try to stick to the "80-20" rule ... with whole, natural (organic when possible) and unprocessed food items as your go-to menu

items. *Bon appétit!*

The REPORTER

The Noblesville Brewfest and Wine Garden will return from 3 to 7 p.m. this afternoon at Forest Park. The Brewfest committee is busy working with lo-

cal distributors, breweries, wineries and health officials to plan a safe event this autumn.

Founded in 2010, the Noblesville Brewfest and Wine Garden is Hamilton

County's oldest and largest wine and beer-tasting event. Try four-ounce samples from dozens of local and national breweries in a souvenir glass. The wine tent also will be back by

popular demand.

The Indigos will perform. There also will be food, a silent auction and plenty of cornhole games. Tickets are \$50 the day of the event. Find ticket and

event information at forest-parkpool.org/brewfest.

All proceeds will benefit the Forest Park Aquatic Center, the Olympic-sized community swimming and diving facility in the

heart of Noblesville. In 1997, local swim families organized the non-profit Friends of Central Pool in partnership with the City of Noblesville to save and manage the facility.

Sen. Young makes speech against raising national debt limit

The REPORTER

On Wednesday, U.S. Senator Todd Young (R-Ind.) spoke on the Senate Floor regarding his intent to vote against raising the debt limit. Read his remarks below.

When I served in the House of Representatives, I walked into a lot of meetings back in Indiana full of conservatives who were angry about the debt limit.

2011. 2013. 2014. And more. In each of those meetings, I made the argument that raising the debt limit was a necessary thing to do. And, in fact, it was the conservative thing to do.

I still believe that.

Defaulting on our debts will start a spiral of economic turmoil.

Interest rates would rise. The dollar would drop. Essential government workers might not get paid.

In those days, as a Republican in the House majority, we never failed to raise the debt limit. We also never failed to have a say in the spending that necessitated raising it. And in 2019, we again raised the debt limit, this time through July 31, 2021.

Now, Democrats control the majority in both chambers.

With that control, the left has embarked on an unprec-

edented, reckless spending spree designed to remake America in their own image. \$1.9 trillion in March.

A \$4.2 trillion budget.

Now \$3.5 trillion on a reckless tax-and-spend spree.

You've decided to do all that on your own. And now you want our help?

When you have a number of options at your disposal to raise the debt limit on your own, just as you've gone it alone on this spending spree?

A farmer back home over the August state work period told me it seems like the butcher wants to build a new slaughterhouse, and he's asking the cows to co-sign on the construction loan.

I couldn't agree more.

If Democrats had treated Republicans as a governing partner these past nine months, I might feel differently. Instead, they've treated us as an obstacle.

America must never default on its debt.

A vote to raise the debt limit at this point in time is a vote to co-sign on the Democrats' partisan and unprecedented spending spree. Republicans will not be complicit.

TODAY’S BIBLE READING

Paul, an apostle—sent not from men nor by a man, but by Jesus Christ and God the Father, who raised him from the dead—and all the brothers and sisters with me,
To the churches in Galatia:
Grace and peace to you from God our Father and the Lord Jesus Christ, who gave himself for our sins to rescue us from the present evil age, according to the will of our God and Father, to whom be glory for ever and ever. Amen.

Phillip L. Munsey April 4, 1946 – September 22, 2021

Phillip L. Munsey, 75, Noblesville, passed away on Wednesday, September 22, 2021 in his sleep at his home. He was born on April 4, 1946 to Raleigh and Hope (Johnson) Munsey in Indianapolis.

Phil attended Beech Grove High School and received higher education at Sams Technical Institute and Indiana Northern University, going onto pursue a career in technology and engineering. He was a man of many loves, most of all the outdoors – whether it be bicycling in Utah, rafting in Colorado, hiking in Tennessee, or simply camping in Southern Indiana. Even in the last weeks of his life, Phil took comfort by just sitting outside with his beloved companion Rosey. Another love of his was food, and when it came to this, he was adventurous! Uni shooters, pickled herring washed down with vodka, or a train trip to Chicago for an oyster lunch, anyone?

Though the best things are free, I’m referring to all the wonderful friends he had accumulated over the years, especially the ones made in the town of Cicero. Phil became very intertwined with the community while working at Sacred Heart. He even found a brotherhood through the Knights of Columbus. He was very loving, caring, respectful, and at times stubborn and set in his ways. Phil was a wonderful father, grandfather, and great-grandfather.

He leaves behind by his children, Tonya, Anthony, Matthew, and Anna; grandchildren, Aly, Tia, Austin, and Mady; and six great-grandchildren.

Phil’s end was bitter, but his life was sweet. He will be profoundly missed by his family and friends. Thank you to anyone and everyone who played a part in his life. May God keep him at peace, and bless all of you.

A Mass of Christian Burial will be held at noon on Wednesday, September 29, 2021 at Sacred Heart of Jesus Catholic Church, 410 S. Pearl St., Cicero. Visitation will be from 10 a.m. to the time of service at the church. Cremation will follow then interment will be at Washington Park East Cemetery in Indianapolis.

In lieu of flowers, memorial contributions may be made to the Knights of Columbus through Sacred Heart of Jesus Catholic Church, P.O. Box 889, Cicero, IN 46034.

Steve earned a BA in History from the University of Indianapolis and completed his Master’s Degree in Public Administration at Baruch College, City University of New York.

Steve began working as a clerk at the Indianapolis Office of the FBI in 1956 and became a Special Agent upon completion of his college degree in 1962. His first assignment was in the Tampa, Fla. Office, followed quickly by assignments in St. Petersburg, Fla., and Monterey, Calif., where he was sent to learn Russian. Steve served in the New York City Office for nine years in both the Counter Espionage and Criminal Investigations squads. He was often asked to talk about his cases and experiences while working for the FBI. Two notable NYC cases that he had a hand in included the Manhattan bank robbery upon which the movie *Dog Day Afternoon* with Al Pacino was based, and the half-million-dollar theft of jewelry belonging to the actress Sophia Loren. Steve returned to the Indianapolis Office in 1972 where he became one of the FBI’s first profilers and the Internal and External Training Coordinator. At the time, every officer involved in hostage negotiations and every local police officer and State Police officer received part of their training from Steve. As Indiana’s only profiler, Steve consulted in a number of prominent serial killer and sexual assault cases, including the kidnapping and sexual assault of Anita Wooldridge in Kokomo and the apprehension of serial killer Herbert Baumeister. Both of these cases resulted in TV documentaries on *FBI Files* and *A & E’s Investigative Reports*, respectively.

Following his retirement from the FBI in 1988, Steve enjoyed a second career as a tenured Associate Professor in the School of Technology at Purdue University in Kokomo where he taught Organizational Leadership. He was a much-admired teacher and made a difference in the lives of many of his students. During his time at Purdue, he published books on workplace and school violence. He also continued to train and teach local police thru his consulting business Personnel Services.

Steve’s hobbies included gardening, making stained glass windows and colorful bird feeders, antiquing and scrounging, and storytelling. He liked to engage in lively discussions on current events, religion, science and philosophy. He recently published a book on reconciling science and religion. He loved all kinds of animals, especially dogs, cats, mules and donkeys. While his children were young, he raised a number of mules and donkeys and was a member of the Midwest Mule and Donkey Association.

Above all, Steve was a dedicated and loving husband, father and grandpa. He will be greatly missed by his wife of 21 years, Sherry Lynch McVey; and by his children, Kimberly McVey Allanson (Tim), Kristen McVey Watson (Chris), Sean McVey (Angie), Carolyn Lynch Grover (Steve) and Matthew Lynch. In addition to his wife and children, Steve is survived by his eight grandchildren, Jenna Grover, Kate Grover, Tyler McVey, Riley McVey, Samuel Watson, Charlotte Watson, Ted Allanson (Rachel) and Keegan Allanson; and two great-grandchildren, Lyla and August Allanson. He was preceded in death by his only sibling, Daniel Neil McVey (Jane Ann).

Visitation will be from 10 to 11:30 a.m. on Saturday, October 9, 2021 at Indiana Funeral Care, 8151 Allisonville Road, Indianapolis. A memorial service will follow at 11:30 a.m.

In lieu of flowers, please send memorial donations to Former Agents of the FBI Foundation, 3717 Fettler Park Drive, Dumfries, VA 22025-2048; or Sheridan Youth Assistance, 24185 Hinesley Road, Sheridan, IN 46069.

Friday night football - Week 6

King kicks Westfield to win over Bulldogs, top of HCC standings

For the second year in a row, Westfield won a pivotal Hoosier Crossroads Conference showdown with Brownsburg.

The Class 6A No. 2 Shamrocks hosted the 6A No. 4 Bulldogs at Riverview Health Stadium on Friday. Just like last year, it was a close contest between, as Westfield coach Jake Gilbert put it, “two very even teams.”

The score was tied at 21-21 going into the fourth quarter. The difference-maker turned out to be the Shamrocks’ Caleb King, who drilled a 34-yard field goal midway through the period. Westfield then hung on for a 24-21 victory, a win that puts the ‘Rocks all by themselves on top of the HCC standings at 4-0.

“We got to feel good about winning this one,” said Gilbert.

Neither team led by more than a touchdown during the game. Brownsburg scored first at the 5:36 mark of the first quarter, but Westfield responded with a touchdown pass towards the end of the quarter. The ball was thrown to Jackson Wasserstrom, who tossed it to Ian Bruch. The senior took the ball 61 yards to the end zone, and King’s extra point tied the game up.

Micah Hauser punched the ball in from the one with 6:57 left in the second quarter, and King’s kick made the score 14-7. But the Bulldogs also scored from the one with 15 seconds left, so the half-time score was 14-14.

Westfield again took the lead in the third quarter, when Maximus Webster connected with Gabe Arambles for a 15-yard touchdown pass. King again made the extra point kick, going 3-for-3 in the game. The ‘Rocks led 21-14, but a short Brownsburg run tied the game at 21-21 going into the fourth.

game with a field goal attempt, but Vance Farrar blocked it, preserving the victory.

Coleton Vondersaar also blocked a punt earlier in the game.

“The kickers did great and blocking the two kicks was enormous,” said Gilbert.

The coach had good things to say about his defense as well.

“I thought Charlie Dager and Tyler Dikos were excellent,” said Gilbert. “Micah Hauser and Dillon Thieneman were good at safety as usual. I also felt like our D-line, several guys chipped in and made big plays. It was a great group effort by them.”

As for the offense, Webster was solid, going 11-for-16 with 125 yards. Bruch made six receptions totaling 121 yards. Hauser finished with 61 yards rushing, with Trevon Hatchett gaining 55 yards.

“Maximus was awesome,” said Gilbert, who called his quarterback “poised and controlled” during the game. “Ian Bruch was excellent on offense.” Gilbert also credited Nic Depasquale with making “big-time catches.”

The win puts Westfield at 5-1 for the season. The Shamrocks play at Avon next Friday.

Carmel rolls past NC for third straight win

Carmel rolled to its third consecutive win on Friday, beating North Central 45-0 as the Class 6A No. 5 Greyhounds celebrated Homecoming at Carmel Stadium with a Metropolitan Conference win.

The 'Hounds took care of business in the first quarter, scoring 21 points. Desmond Duffy scored two touchdowns starting with a 16-yard reception from Zachary Osborne midway through the period that got Carmel on the board. Then with under two minutes left in the quarter, Duffy took a 46-yard pass from Osborne into the end zone. In between, Ethan Hall punched the ball in from the one-yard line.

In the second quarter, the Greyhounds added another 17 points. Duffy and Osborne connected for their third touchdown pass of the night, a 24-yard throw. Ben Sponsler kicked the extra point, as

he did for all of the first-quarter scores, then minutes later nailed a 21-yard field goal.

Osborne threw one more touchdown reception with 25 seconds left in the half. That one was an 11-yard toss to Reese Bellin. Sponsler kicked the extra point, making him 5-of-5 for the night.

The second half was played under a running clock. Carmel got one more touchdown early in the fourth quarter when Lleyton Lukowski ran the ball in from the three. Joshua Placzek made the extra point.

Osborne finished the game with 166 yards passing, while Bellin led the receptions with five. Nick Beidl was Carmel's leading rusher with 33 yards.

The Greyhounds are 3-1 in MIC play and 5-1 overall. Carmel travels to Ben Davis next Friday.

Huskies come back, beat Twin Lakes

Hamilton Heights proved on Friday night that once again, it's not how you start, it's how you finish.

The Huskies quickly found themselves down 14-0 midway through the first quarter of their home game with Twin Lakes. But Heights regrouped on both offense and defense, eventually coming back to win 26-17.

"I'm very proud of my kids," said Huskies coach Jon Kirschner. "We're in really good shape and we feel good about where we are. We got a gritty win."

After that initial scoring binge, which took place in the first six minutes of the game, the Indians were held to only three points for the other 42 minutes.

Heights, meanwhile, got on the board late in the first quarter on a 19-yard pass play from Guy Griffey to Isaac Tuma. Jonathan Glenn's kick got the Huskies within 14-7.

Griffey threw another touchdown pass in the second quarter, sending a seven-yard throw to Gavin Bramel. That made the score 14-13 at halftime. Twin Lakes kicked its field goal early in the third quarter, keeping it ahead 17-13 as the game entered the fourth quarter.

Heights took the lead with 8:01 to go in the fourth when Trey Ehman made a seven-yard touchdown run. Then with 37 seconds left, the Huskies put the game away when Griffey and Bramel connected on a 25-yard passing touchdown. Michael Lecher made the extra-point kick.

"At the end of the day, we got a good, solid victory," said Kirschner. "And kudos to Twin Lakes. They played tough, they were very physical. They gave us some fits offensively just by some of the things they were doing."

"Trey Ehman, he had a really good game tonight. I'm very pleased with how we came out in the second half and all facets of the game were much improved.

Greyhounds triumph at the regional

Westfield team, GC's Pfefferkorn, UHS' Williams also qualify for state

The latest installment of the friendly girls golf rivalry between Carmel and Westfield played out at the Roncalli regional, which took place Friday at Smock Golf Club in Indianapolis.

The Greyhounds won that round, as they claimed the regional championship. Carmel totaled a team score of 301, with the Shamrocks placing second by scoring 306. Both teams will advance to next weekend's state meet, which takes place at Prairie View Golf Club in Carmel.

Carmel had two players finish in the top five. Ava Hedrick finished second with a score of 72, while Claire Swathwood tied for third by carding a 74. Hedrick made three birdies in her round, while Swathwood had two. In fact, all five of the Greyhounds' players had at least one birdie: Sophie Mock and Michaela Headlee both drained two and Ava Nguyen made one.

Carmel claimed the program's 13th regional championship. That puts the Greyhounds in a tie with Penn for second-most girls golf regional titles. The school with the most is Martinsville with 21. Carmel qualified for its 30th appearance at state, second only to Lafayette Jefferson's 31.

Westfield also landed two players in the top five. Samantha Brown carded a 72, and won meet medalist honors in a playoff. Sophie McGinnis finished in fifth place by scoring 76.

Brown made three birdies in her round, with McGinnis draining two. Brette Hanavan and Addi Kooi both made one birdie as well. Westfield will be making its seventh appearance at state.

"We put together two consistent nines and that has been one of our strengths this year," said Shamrocks coach Trevor Neu.. "We are excited to be heading back to Prairie View for the State Championship. I was really proud of Sam Brown who played a really clean round and won the individual medalist in a playoff."

Strong second half powers HSE past Eagles

Hamilton Southeastern bounced back from last week's tough loss with a decisive Hoosier Crossroads Conference win on the road Friday.

The Class 6A No. 7 Royals ran away from 5A No. 6 Zionsville in the second half, and the end result was a 41-21 victory. The game was tied 14-14 at halftime, but Southeastern outscored the Eagles 27-7 in the second half.

"I thought we came out and controlled the game on the offensive side, and coming up with four big takeaways was very important," said HSE coach Michael Kelly.

Zionsville scored first with a one-yard run early in the first quarter. The Royals answered quickly, with Sam Jacobs throwing a 21-yard touchdown pass to Ian Bucher to get on the board.

Both teams scored again late in the second period. Blaine Wertz took the ball in from the two-yard line to get Southeastern ahead 14-7. But a long

touchdown pass during the last minute of the half brought the Eagles back to tie it up, 14-14 at the break.

In the second half, the Royals reeled off 21 straight points to lead 35-14 by the fourth quarter. Jacobs connected with Jack Wafford on a 24-yard pass play score, then Jacobs streaked 91 yards for another touchdown. Owen Jones also came up with two big runs in the fourth quarter, scoring from 39 yards with 8:47 left. Zionsville scored on a short pass a couple minutes later, but Jones' 47-yard touchdown run clinched the game.

"I think our kids responded well in the second half," said Kelly.

Three Southeastern players topped 100 yards rushing: Jacobs totaled 194, Jones had 149 and Wertz rushed for 120 yards. Wafford made five catches. The Royals had 621 all-purpose yards.

Southeastern is 3-1 in conference play and 5-1 overall. The Royals return home next Friday to host Noblesville.

Fishers got back in the winner's circle on Friday, as the Tigers defeated Avon 35-25 in a Hoosier Crossroads Conference game at the Fishers' TCU Field.

In the second quarter, the Tigers extended their lead to 21-3. Carson Dunn helped out with a 42-yard rushing touchdown, then Minns threw a scoring pass to Jeffrey Simmons later in the period. Avon scored on a passing touchdown seconds before halftime, but Fishers held a 21-10 lead at the break.

Minns had an efficient night, going 11-for-18 on 133 yards. Simmons was the top receiver with six catches totaling 100 yards. Dunn finished with 127 yards on the rushing. Jack Alvarez led the defense with eight tackles, while Dominic Oliverio and Brady Wolf both made two sacks. Wolf made 2.5 tackles for a loss, with Oliverio and Caleb Myers both getting two.

The Tigers are 2-2 in HCC play and 4-2 overall. Fishers continues its homestand next week by hosting Franklin Central.

Noblesville dropped a tough Hoosier Crossroads Conference game at Franklin Central on Friday, 28-22.

The Flashes scored two touchdowns in the first quarter to take a 14-0 lead. The Millers got on the board in the second period when Gage Gulley took the ball in to the end zone for a two-yard touchdown. Logan Shoffner then made a two-point conversion run, and Noblesville was within 14-8 at halftime.

Gulley struck again in the third quarter, running the ball in from the three-yard line for his second touchdown of the game. Jack Letourneau stepped up and made the extra point, and the Millers led 15-14. But Franklin Central scored on a

two-yard run, then made a two-point run to lead 22-15, and never trailed again.

Both teams scored a long-run touchdown in the fourth quarter. Connor Meinderding blasted off for a 54-yard scoring rush with 5:01 left, and Letourneau's kick got Noblesville within six. But the Flash-es held on to the ball for the remainder of the game.

Meinerding finished the game with 139 yards rushing. Sam Steinhofer led the Millers' defense with nine total tackles, while Jacob Hoffman had two tackles for a loss.

Blackhawks get HHC win at Taylor

Sheridan picked up a Hoosier Heartland Conference win at Taylor on Friday, 66-6.

The Blackhawks scored right away, with Jaylan Herron taking the opening kickoff 78 yards for a touchdown. Sheridan added two more touchdowns in the first quarter on runs by Gavin Reners and Cole Webel.

Webel scored again in the second quarter with an eight-yard run, then Jacob Jones rushed 11 yards into the end zone. Herron followed that with a 55-yard punt return for a score, and Reners dashed off for a 57-yard run to make the score 45-0, which is where the first half finished.

Jones added two more long-run touchdowns in the third quarter, and Eli Kolb ran 57 yards for a score in the fourth period.

Webel led the rushing with 113 yards, one of three Blackhawks runners that reached 100 yards rushing. Jones finished with 108 yards and Reners totaled 142 yards.

Sheridan improved to 4-1 in HHC play and are 4-2 overall. The Blackhawks will take a conference break next week, traveling to Seeger.

Golden Eagles fall to Bishop Chatard

Guerin Catholic fell to Bishop Chatard 33-10 Friday at the Eagles Nest in the Golden Eagles' final Circle City Conference game of the season.

The Class 4A No. 9 Trojans scored first on a two-yard touchdown run. Guerin Catholic answered that with a field goal by Evan Guenthner, cutting Chatard's lead to 7-3. After that, the Trojans steadily increased their lead, going up 14-3 at halftime and 20-3 after three quarters.

Chatard led 33-3 in the fourth quarter, but the Golden Eagles fought to the end, as Ryan Zimmerman threw a 31-yard touchdown pass to Ryan Glenn during the game's final minutes. Guenthner made the extra-point kick.

"I thought we could've played better," said GC coach Tom Dilley. "I thought we could've certainly executed better and played more physically, so I don't think that was indicative of our kids' best effort. That's on me. They weren't prepared."

Zimmerman and Sam Miller shared quarterback duties, with Miller going 11-for-16 and each player totaling 67 yards. Glenn had five catches for 70 yards.

The Golden Eagles finished conference play 0-3 and are 1-4 overall. Guerin Catholic will play next Friday at Northview.
