New program at Hamilton County Jail teaches women sewing & business skills

The REPORTER

Kaitlin Vanderpool walked into the Hamilton County Jail a newly convicted felon. She walked out an entrepreneur. The 36-yearold Noblesville resident is part of a new program led by Butler professor Kristi Mitchell called the Launch HOPE Foundation.

"We're trying to transform lives and help women from marginalized communities find hope through the power of entrepreneurship," Mitchell said. "HOPE stands for Hope, Opportunity, Prosperity, and Entrepreneurship.'

Vanderpool was sentenced to three months in jail in June following a third DUI (driving under the influence) conviction. A former newspaper reporter, and later a veterinarian tech, Vanderpool slowly sunk into the depths of alcohol following a divorce.

"Addiction doesn't discriminate," Vanderpool said. "I have been struggling with addiction for half my life. I know now that I cannot have a relationship with alcohol. This is the first time I feel like I have control over it. This program saved my life. I have a plan and I'm ready to go."

The daughter of a seamstress, Vanderpool's mom taught her how to sew. Through the Launch HOPE program, she was allowed to sew while also taking entrepreneurship classes at the jail twice a week. She is now preparing to launch her own handmade apparel boutique called Kiki's Collections with the help of a team of business students from Butler University's Lacy School of Business.

She was Grammy to Grace, Abbie, Emma, Ava, Luke, and Asa Reasen. Brenda hosted "Grammy Camp" for her grandchildren every year for 14 years.

Brenda was a true soul-winner for the Lord. You didn't have to know her long before you knew she loved God and couldn't wait to share Him with you. The love for her Lord was evident in her everyday conversations. She will be missed greatly by all who knew her.

Family and friends will gather from 4 to 7 p.m. on Wednesday, October 20, 2021 at Trinity Baptist Church, 1415 E. 191st St., Westfield, where the Funeral Service will begin at 7 p.m.

Hey! My name is Claudia

omore at Sheridan High School. I am involved in a lot of activities, such as sports, volunteering, clubs, school, and of course, school. Ever since I can remember, I have always been a very involved person, taking every opportunity possible.

I always push myself to see how much I can do, which isn't always good. In school I like to be ahead, so I take the hardest classes possible just to prove to myself what I can do. When signing up for classes at the end of last year, I had people asking if I was sure I could handle what I was signing up for, but I never backed out of a challenge.

My schedule involved an AP World class, two math classes, weights class, Accelerated English, plus other necessary classes, and may I mention I don't have a study hall.

A couple weeks into school, I realized AP World wasn't for me, which made

Headlee and I am a soph- ter. Having that class off my shoulders definitely did help a lot, but it wasn't the source of all my stress.

> In school I am also involved in many clubs. Every time I hear about a new one I am slightly interested in, I look to join it, or sometimes they'll reach out to me first, but either way I always take the opportunities. Currently I am in Sheridan C.A.A.R.E.S, Student Council, Bring Change to Mind Ambassadors, Sunshine Society, and I am an Athletic Ambassador. I am also part of the Youth and Family Alliance, which is outside of school, and came from being in ACTS, which I was in last year but I graduated from. I also try to volunteer as much as possible, whether it is at the school or elsewhere.

sports, I enjoy playing all ing time with him. I hate of them. Currently, I am in having a messy room and volleyball and cheer, but in being behind, but honestly the winter season I will be that's all my life has been in basketball. I was looking lately. lot of thinking be possible for me since and talking with basketball is a big commitcounselor ment. Then in the spring, I play softball and I am planning on doing track for the first time.

That might sound like a lot, but it's what I enjoy: Having responsibilities, being a part of something, and keeping busy.

In my past, I have played many sports such as soccer, football, and gymnastics, which I would totally play again if I could without dropping my current sports. Not only have I already set the expectation to always be in a sport for myself, I also feel as if I set it for others. When I try to imagine myself not playing sports, I simply cannot do it, because sports have always been my whole life.

All of that is really just in-school activities. I also love spending time with my friends and my boyfriend. Although it might not be the most responsible choice, I hang out with my boyfriend pretty often. While I could be doing the things I am stressing about like homework, cleaning my room, doing projects, When it comes to instead I am just spend-

myself. After a ly I don't believe that will a game after school, then hang out with my boyfriend or go straight to bed because I am just too tired for anything else. Keeping a clean and organized room plus doing chores at home is very hard to get done with my schedule.

I also enjoy being responsible and making and spending my own money, so every other Sunday morning, I clean an office building for some quick cash since a normal job is so difficult at the moment.

Something that realdoesn't help with all this is my mental health. I have things holding me I'm definitely in this rather back constantly that I can't always control. A lot of people, including myself, feel the need to be perfect. Perfect is different to everyone; you should be perfect to you. Nobody knows what perfect actually looks like, so just make it up.

That was a quick look into my life as a very busy teen, and hopefully reading this can spread a lot of different messages. I am not perfect and doing all these activities is very difficult. I will admit it: I remember when I used to see people do a lot of stuff and I just thought they were always great at what they did and never made a mistake, but that is not true in the slightest. James Dale "Jim" Kellam April 12, 1949 - October 17, 2021

James Dale "Jim" Kellam, 72, passed away at his home in Sheridan surrounded by his loving family on

Sunday evening, October 17, 2021. Born on April 12, 1949 in Lebanon, Ind., he was the son of the late Carl M. "Todd" and Thelma Louise (Harrison) Kellam. Jim was a 1967 graduate of Sheridan High School and earned an Associate's Degree in

as a project manager with AT&T. He retired in 2017 after 22 years of dedicated service. Jim proudly served his country in the National Guard.

Electronics from Ivy Tech. His attention to

detail and strong work ethic served him well

Never one to let grass grow under his feet, Jim seemed as busy on days off as he was on his days on. He loved being out on the water. For years he kept a houseboat down at

Dale Hollow Lake; he always looked forward to visiting and getting in some good fishing. He also loved to ski, and he played golf whenever he had the opportunity. Jim also enjoyed traveling; St. Thomas, St. Martin, Puerto Rico, Arizona, and Gatlinburg were a few of his favorite destinations. No trip was complete without a little antiquing.

Jim loved the Colts, even during the lean years, and was an avid ASCAR fan. Jeff Gordon was his driver; when Jeff retired, Jim seemed to lose interest in the activity. As with most people who grew up around Sheridan, Jim was a huge Blackhawks fan and supporter.

Jim also had a passion for cars. His pride and joy was a '54 Ford that he lovingly and painstakingly restored. There would always be a soft spot in his heart for that old Ford, but his Corvette – that is what captured his soul. He was a member of Corvette Indy. He loved going to car shows and never tired of talking about his hobby. Later in life Jim found the perfect job: He became a driver for Mecum Auction Company. It was a perfect fit.

Jim led a very active life, but there was nothing like spending some quality time with his family, and that included his Great Danes. He loved following his kids' activities and was thrilled to get to do it all over again as a grandparent.

Jim is survived by his loving wife, Pamala "Pam" (Mynatt) Kellam. She and Jim were married on August 13, 1983. He is also survived by his sons, Brett Allen Kellam (Tera) of Tampa, Fla., and Todd Dean Melahn (Valerie) of Sheridan; daughter, Cary Lois Marlow (Brandon) of Sheridan; five grandchildren, Halee Kellam, Taylar Melahn, Shawn Cox, Shane Cox, and Savannah Cox; brothers, Joe L. Kellam of Sheridan, and twin brother (of which Jim was the oldest), Jerry C. Kellam (Jeannie) of Bloomington; sister, Benita J. Watkins of Noblesville; his Great Danes, Remington and Blue; and his granddog, Stella.

He was preceded in death by his parents; brother-in-law, Keith Watkins; and his sister-in-law, Jane Kellam.

Visitation was held on Thursday, October 21, 2021 at Kercheval Funeral Home, 306 E. 10th St., Sheridan. Jim was laid to rest during a private graveside service at Crown View Cemetery in Sheridan.

Pastor V.J. Stover will be officiating. Condolences: kerchevalfuneralhome.com

He later received a Bachelor's in Health Administration from Indiana University.

After serving as a Hospital Corpsman in the U.S. Navy Reserves on Guam during Vietnam, Rick devoted his career to helping others in medical and long-term care environments. Rick spent his later years at

Third consecutive state doubles crown for Carmel . . .

Malpeddi and Jentz cruise to doubles title

Greyhounds are the top dogs in doubles.

The Carmel duo of senior Srisanth Malpeddi and junior Jack Jentz claimed doubles championship. The match took place last Saturday at Carmel's own Todd Witsken Tennis Center, as the Greyhounds hosted the IHSAA's annual singles and doubles tournament.

The Carmel team swept through two matches in straight sets, beating the Floyd Central team of seniors Landon Hodges and Colin Jacobi 6-0, 6-1 in the semi-finals, then defeating the Munster team of junior Daniel Sroka and senior Charles Morton 6-4, 6-3.

The Greyhounds duo played close with the Mustangs in the first set before breaking the Munster team's serve to win it 6-4. The two teams traded breaks early in the second set, then Malpeddi and Jentz broke to go up 5-3 and served the match out from there.

"We were more focused and our energy levels were a little low at the beginning, said Malpeddi. "But then we started getting a little bit more energetic, and I think that worked out really well."

"We had a lot of chances, and then some things didn't go our way," said Jentz. "But then we knew we were going to finally get

Malpeddi and Jentz finished their season with a 31-0 record. It was also Malpeddi's second state doubles title; he won last year with now-graduated Jones McNamar.

"Everybody playing high school tennis, they're really good players. They got that ton due to rainy weather.

For the third year in a row, the Carmel far," said Malpeddi. "I'm just thankful for the opportunity. It is a challenge, but I was able to work through it."

This is the eighth time Carmel has won the Greyhounds' third consecutive state a doubles state championship. It's also the third time since 2014 that a Greyhounds doubles team completed an unbeaten season. Matt Quammen and Radha Vishnubhotal were perfect in 2016, as were McNamar and Uday Lomada in 2019. Meanwhile, Malpeddi and Jentz matched the 31 wins that Carmel's 2012 doubles state champions, Charlie Emhardt and Daniel Rodefeld, compiled that season.

In addition, Malpeddi became the ninth player to win two doubles state championships, and the third to do so with two different partners. Both Malpeddi and Jentz have played on two Carmel team state titles as well; Jentz played No. 3 singles last year before moving to doubles this season.

In the singles state tournament, West Lafayette senior Aidan William swept to victory, beating North Central sophomore Alex Antonopoulos 6-2, 6-4 in the championship. William frequently trains with the Carmel players, so they were cheering him on during the match while also cheering for Malpeddi and Jentz.

Malpeddi and Jentz advanced to the semi-finals by winning an all-county quarter-final match last Friday. The Greyhounds team beat Hamilton Southeastern seniors Aiden De Witt and Andrew Spirrison 6-0, 6-4. The match was moved to the Community Sports and Wellness Center in Pendle-

Carmel boys and girls, Noblesville boys headed to state championship games

For the third consecutive ond overtime when Morgan put year, there will be an all-Hamilton County match-up at the IHSAA soccer state finals.

This time, it's on the boys side. Noblesville and Carmel both advanced to the Class 3A boys state championship match after winning their respective semi-states last Saturday. The No. 2-ranked Millers cruised past No. 4 Chesterton 5-0 to win the north semi-state at Kokomo, while the No. 10 Greyhounds got past No. 3 Castle 2-1 in overtime to claim the south semi-state at Seymour.

Carmel girls soccer team also won the Seymour semi-state and qualified for the 3A girls state championship. The No. 4-ranked Greyhounds girls also needed overtime, but edged out

No. 5 Bloomington South 1-0. The Class 3A state final games will both take place Saturday at IUPUI's Carroll Stadium. The girls will go first, with Carmel taking on No. 2-ranked Homestead at 4 p.m. The Noblesville and Carmel boys will then face off at 6:30 p.m.

OVERTIME GOAL

Both teams scored their first goal in the first half. The Knights got on the board first, but Carmel tied it up when Connor Dora scored off a Will Morgan assist. The score would stav at 1-1 through the second half, and into the first of two overtime periods.

În IHSAA soccer, overtime consists of two seven-minute periods with no golden goal the entire 14 minutes must be played. If it's still tied, then it's on to the dreaded penalty kicks. But the Greyhounds scored with just over a minute left in the secthe ball in the net. Nic Basso made the assist.

Carmel kept the intensity up during those last few seconds, however, if one asks coach Shane Schmidt what the team's mood was after the score. The coach said it was "Don't give up a goal. Do whatever we can to finish this game out.'

Castle, in fact, did get a free kick in the final seconds, but the 'Hounds were able to clear

"By the time we got it cleared, it was a point where the Never to be outdone, the end of the game was in sight," said Schmidt.

Later, Schmidt said, "I couldn't be more proud of how the guys played today. Their efforts today were fantastic." Carmel improved to 16-3-2 with

OVERWHELMING WIN

Noblesville took care of defending 3A state champion Chesterton right away. The Millers scored their first goal in the fourth minute; Brayden Doll broke the ice, with Spencer Holland providing the assist.

Jake Johns added Noblesville's second goal in the 13th minute off a Doll assist. Palmer Ault got the third goal minutes later off Holland's second assist of the game. Then in the 22nd minute, Ault delivered the Mill-

ers' fourth goal unassisted. Noblesville completed the scoring in the 66th minute when Holland got the Millers' fifth goal. Drew Cochran assisted that one. A little later, Noblesville had a semi-state trophy and a 19-1-1 record.

Both the Millers and the Greyhounds broke long droughts with their respective

semi-state wins. Carmel had last won a semi-state in 2006; this is the Greyhounds' fourth overall title. Meanwhile, Noblesville picked up its second semi-state crown, the Millers having won their first back in 1999.

SHEPHERD SCORES

Carmel's girls team had as intense a game as the boys did. Neither team scored in regulation, so it was on to overtime. After no score in the first overtime, the Greyhounds finally broke through with 4:35 left in the second overtime when Sophie Shepherd put a header into the net off a cross by Rylie Wilpolt.

"The girls then went into possession and defensive mode to run off the last minutes of

the game," said Carmel coach Frank Dixon. The coach pointed out that in the 26 years that the IHSAA has had a semi-state level for soccer, the Carmel girls "have now won that title 13 times."

Those 13 semi-state wins are by far a record. In addition, the Greyhounds have made it to the state finals for the third time in four years.

Carmel is 18-2-2 and will get a state finals re-match with Homestead; the teams played for the 2018 3A state title with the Greyhounds winning 2-1 in overtime. The Spartans are 21-0 and edged out 3A north semistate host and No. 9-ranked South Bend St. Joseph 1-0 to advance to state.

Carmel girls, HSE boys claim team titles

Hamilton County cross country will once again be well-represented at the state

Four county teams from both the boys and girls sides qualified for state after their performances during last Saturday's semi-state meets. First, at the Shelbyville semistate, which took place at Blue River Park, the Carmel and Noblesville girls teams finished 1-2, with Westfield placing fourth. The top six teams from each semi-state advance to the state meet, scheduled for Saturday at the LaVern Gibson Cross Country Course in Terre Haute.

Meanwhile, the Carmel and Noblesville boys teams also qualified out of Blue River Park, with the Greyhounds taking third and the Millers fifth. Up at Huntington University, Hamilton Southeastern's boys team won the New Haven semi-state, with Fishers taking second. The Royals' girls team placed third to advance to state as well.

In the semi-finals, Fishers beat Fort Wayne Carroll in a tough four-set match, 29-27, 18-25, 25-20, 25-17. The Tigers toughed out the match thanks to their blocking, especially in the last set.

"We had 15 blocks as a team and seven in Set 4," said Peek. "But we knew blocking would be really important to what we had to do, because Carroll does spread the ball around a lot and they set things

really well. You have to have the legs and the focus to be able to do a lot of blocking, whether it's to get a block or to help your back row. We did a good job initially, but kind of warmed up into our prime there, especially in Sets 3 and 4. I think that definitely helped tilt things in our favor.

Groff hit 17 kills for the Tigers on .500 hitting. Plew had 11 kills and 10 digs, with Henderson hitting eight kills. Vickers made eight blocks, Perdue collected 12 digs, and Hernandez had 44 assists, eight digs and seven blocks, including three in the fourth set.

Victims of Crime and Abuse prevailinc.org

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
