Celebrate Giving Tuesday by supporting Westfield Youth Assistance Program

The REPORTER
For the fourth year, the Westfield Youth Assistance Program (WYAP) will participate in Giving Tuesday. This year a loyal donor, George Kristo, will match every donation, dollar for dollar, up to \$12,500. Giving Tuesday is a worldwide day of charitable giving that occurs each year on the first Tuesday after Thanksgiving. There is Black Friday, Cyber Monday, and Giving Tuesday, a day set aside for people to transform their communities. WYAP will use the dollars raised from Giving Tuesday to offer to pay for tutoring for those struggling from being out of in-person classes for a year or for those who just need help. Additionally, the funds will be used to support winter and summer camp participation, support WYAP’s mentoring program, and link youth to critical community support resources like counseling and skills development. “Every dollar received goes towards changing the life of a young person in need,”

said WYAP Board President Steve Latour. “Being able to match those dollars with the generous gift from George Kristo for our annual Giving Tuesday campaign brings us one step closer to giving youth in Westfield every advantage to be successful. Giving to this campaign creates the opportunity for Westfield and Hamilton County neighbors to come together. What we can continue to accomplish together is truly remarkable. I hope we can count on your support.” Donate now at westfieldyouth.kindful.com. **About WYAP** WYAP was formed in 2009 to serve as an early intervention advocate for youth ages 3 to 17 facing challenging life circumstances. Services are voluntary, confidential, and are provided at no cost to the family and include mentoring, tutoring, food, clothing, financial assistance, camps, and recreational opportunities, just to name a few. Rep. Spartz introduces CRA resolution to nullify federal COVID-19 vaccine mandate

The REPORTER

Congresswoman Victoria Spartz, along with Rep. Fred Keller, Republican Leader of the Workforce Protections Subcommittee, have introduced a Congressional Review Act (CRA) resolution to nullify the Department of Labor's "COVID-19 Vaccination and Testing Emergency Temporary Standard."

This standard would mandate that companies employing over 100 people must require their employees be fully vaccinated or

show a negative test at least once a week.

"This burdensome and unconstitutional federal regulation would infringe on the rights of private employers and employees," Rep. Spartz said. "It also reaches far beyond the scope of the Administration's authority and should be nullified by Congress."

Read the text of the Congressional Review Act

Spartz

(CRA) resolution below:

"Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That Congress disapproves the

rule submitted by the Department of Labor relating to 'COVID-19 Vaccination and Testing Emergency Temporary Standard' and such rule shall have no force or effect."

Grant process open for Fishers neighborhood vibrancy, arts & culture

Grant programs aim to cultivate creativity, vibrancy, sense of place

The REPORTER

The City of Fishers has opened applications for the 2022 Neighborhood Vibrancy Grant Program and the 2022 Fishers Arts & Culture Commission Grant Program. Applications for both programs will be accepted through Jan. 31, 2022.

"We are proud to offer another round of grant opportunities for neighborhood and art organizations within our city," said Megan Vukovich, Director of Planning & Zoning for the City of Fishers. "Investing in projects that establish vibrant spaces and foster a sense of place influences our collective wellbeing and promotes pride in our community."

The Neighborhood Vibrancy Grant is a matching grant program that provides funding for creative and innovative ideas that make the Fishers community a more beautiful place to live, and

impact the lives of the community at large in a smart, vibrant, and entrepreneurial manner. Neighborhoods groups, homeowners, and homeowner's associations within Fishers are invited to apply. Eligibility has been expanded in 2022 and now includes community engagement initiatives that contribute to neighborhood vibrancy, such as community gardens, playgrounds, and community gathering hubs.

Priority will be given to projects that have a focus on neighborhood beautification, public space improvements, recreation and public health, and environment and agriculture. Project examples include subdivision entrance beautification, tree plantings within common areas, native plant restoration, seating areas, walking trails and sidewalks, and more. To learn more and apply, visit fishers.in.us/matchinggrants.

Earlier this year, the Fishers Arts & Culture Commission (FACC) launched a new grant program aimed at nurturing creative partnerships within the Fishers arts community. The Commission awarded grants totaling \$43,000 to 18 different projects in the first grant cycle. Funding for the grant program is allocated from the annual Fishers city budget.

For the 2022 program, grants will range from \$1,000 to \$5,000 and will be awarded to projects taking place within Fishers city limits in 2022. Projects can be exhibits, events, programs, displays, or other artistic or cultural expressions and should relate to two or more of the Commission's core values: inclusive, authentic, engaging, collaborative, innovative, and educational.

Carmel Clay Parks’ new website tool expands accessibility

The REPORTER

Carmel Clay Parks & Recreation (CCPR) has rolled out UserWay, an accessibility widget that provides an inclusive web experience. Website visitors can now customize their experience with a variety of visual aids and the ability to select from over 30 language settings.
“Implementing UserWay on CCPR’s website provides a user-friendly experience for all,” said Kelvin Solares, CCPR Inclusion Program Supervisor. “It’s important to be mindful of how others experience and engage with the world. If there are ways we can eliminate unnecessary barriers, especially with modern advances in technology, we’re going to do that.”

bringing accessibility to the digital realm. These customizations include the ability to set preferred button types, language, size, position, color, utilize a screen reader, and more.
“As someone with color blindness, I’ve always struggled to navigate websites,” said Kurtis Baumgartner, CCPR Assistant Director of Parks and Recreation. “I truly appreciate this resource, not only for our community, but for my own use as well.”
UserWay further expands CCPR’s efforts to make all experiences, spaces and offerings as inclusive as possible to meet the diverse needs of the community.

Conner Prairie prioritizes accessibility at this year’s ‘A Merry Prairie Holiday’

The REPORTER

Conner Prairie has announced Huntington as the 2021 presenting sponsor of “A Merry Prairie Holiday.”

The third annual festival kicks off on Friday, Nov. 26, running daily through Sunday, Dec. 19, and on Tuesday and Wednesday, Dec. 21 and 22. Conner Prairie’s grounds will be transformed into a winter wonderland of lights and warm holiday fun from 5:30 to 9:30 p.m. nightly, inviting guests to step into the story of holidays past and explore traditions from yesteryear, while also creating new memories with their families sock-skating at Frosty’s Skating Rink, flying down the Polar Bear Plunge tubing hill, or taking a spin around Kringle’s Carousel.

New experiences are planned for 2021. For example, the William Conner House will be transformed into a magical 3D projection mapping holiday show that will spark the nostalgia of the holidays. Guests can immerse themselves in a new, timeless story as the house comes to life in an imaginative and heartwarming show.

Also new are two initiatives to make “A Merry

Prairie Holiday” accessible to more Hoosiers.

First is the expansion of Conner Prairie’s Access Pass program, which allows families who receive support from the Supplemental Nutrition Assistance Program, Temporary Assistance for Needy Families, Hoosier Healthwise Insurance, Commodity Supplement Food Program, or the Healthy Indiana Plan to visit Conner Prairie and other museums and cultural attractions for just \$2 per family member. Conner Prairie has been able to expand its Access Pass program to include reduced-price admission to Conner Prairie’s festivals in addition to general admission.

Huntington’s support has also made “A Merry Prairie Holiday” more accessible to guests who are deaf or hard of hearing. The sponsorship funds a new series of American Sign Language tours, available at 6, 7, and 8 p.m. on Dec. 10 and 18. These interpreted tours will help guests with hearing disabilities more fully enjoy and experience the festival.

Bidders on this work shall be required to comply with the provisions of the President’s Executive Order No. 11246, as amended. The Bidders shall also comply with the requirements of 41 CFR Part 60 - 4 entitled Construction Contractors - Affirmative Action Requirements. A copy of 41 CFR Part 60 - 4 may be found in the Supplemental General Conditions of the Contract Documents and Specifications.
The Bidders attention is also called to the “Minority/Women Business Participation” requirements contained in the Project Specifications. The Indiana Office of Community and Rural Affairs has adopted a State goal of 10% participation for minority and women owned businesses for construction related or purchase related contracts for the work.
The Contractor must meet guidelines and practices established by the Indiana Office of Community and Rural Affairs and appropriate federal regulations including: 1) Executive Order 11246, 2) Section 3 of the Housing and Community Development Act of 1968, as amended, 3) Certification of Non-Segregated Facilities, 4) OMB Circular A-102, 5) Title VI of the Civil Rights Act of 1964, 6) Section 504, Rehabilitation Act of 1973, 7) Age Discrimination Act of 1975, 8) Executive Order 12138, 9) Conflict of Interest Clause, 10) Retention and Custodial Requirements for Records Clause, 11) Contractors and Subcontractors Certifications, and others that may be appropriate or necessary.

Stanton Stuart Watts 1932 – November 13, 2021

Stanton Stuart Watts, 89, Fishers, passed away at his home on November 13, 2021. Stanton was born in Thayer, Mo., in 1932, where he spent a large part of his childhood. He also lived in Arkansas and Kansas but moved to Indiana, creating his legacy as an adult.

Stanton served in the Army as a tank mechanic in Korea and Germany until 1959. While on leave with a buddy from Ft. Knox, Ky., Stanton met Bonnie Josephine Mann on a blind and double date, and so began their entire lives together, which we are certain was his greatest happiness and pride in life. I am compelled to take out a billboard and fill it with the finest print to display his unique and impactful life, but must try to tailor his story to just a few words.

Growing up, Stanton helped his dad paint houses and build Jon boats. His first official job was taken at the young age of 15, digging post holes for REA light company. There's no romance in that nostalgia, as he said it was long, cold, and hard days and some of the worst work he'd ever done. He came to Indiana after leaving the service and worked for Railway Express in Indianapolis while also painting houses. He moved from Railway Express to Firestone and a few short years later secured a position at the Chrysler Transmission Plant in Indianapolis in 1968, where he would retire in 1993. He had his own business for many years, building Volkswagen cars in the 1970s and moving to late model cars and trucks. He was a collector of antique cars and had an impressive collection. His passion was anything on wheels. He could build and fix anything and tell you more about it than you'd be able to remember or care to know.

Stanton was preceded in death by his parents, Ernest and Jessie Isabelle Watts; brother, Harry Gene Watts; sisters, Charlotte Ann and Barbara Ann Watts; and daughter, Donna Jean (Watts) Johnson (Roger Johnson).

His life will be forever cherished in the lives of his wife, Bonnie Josephine (Mann) Watts; children, Joyce Ann (Watts) Randolph (Steve Randolph), Stacy Stuart Watts (Nicole), Opal June (Watts), Francescon (Mark Francescon), and Destry Deon Watts (Stacia); grandchildren, Chessa Johnson, Joann (Randolph) Friedman (Ben Friedman), Steven Randolph, Abigail (Randolph) Jones, Dreama Randolph, Maxine Randolph, Victoria Randolph, Mannley Randolph, Shannon Watts, Taylor (Watts) Anderson, Mason Watts, Coralynn Watts, Tyler Francescon, Josie Francescon, Christian Francescon, Mackenzie Watts, and Xavier Watts; and great-grandchildren, Poet Kenworthy, Melody Watts, Sabian Watts, Riften Watts, Lydian Watts, Octavius Watts, and Colton Anderson.

Funeral services and visitation were held on Friday, November 19 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, Fishers. Burial directly followed at Highland Cemetery in Fishers.

Flowers and condolences may be offered at randallroberts.com.

Wilma Jean Hunt

December 17, 1934 – November 8, 2021

Wilma Jean Hunt, 86, Sheridan, passed away on Monday morning, November 8, 2021, at Riverwalk Village in Noblesville. Born on December 17, 1934 in Marion County, Ind., she was the daughter of the late Jennie F. Gray.

For over 17 years, Wilma worked for Aero Drapery in various capacities, including supervisor for the cutting department. She also enjoyed her years as a seasonal employee with Heartland Growers. Wilma was a local Avon Rep. for many years as well.

She was an active member of the Terhune United Methodist Church and the Terhune Ladies Aide.

Wilma was a woman of strong faith, calling upon it daily to help guide her through life's journey. Family was an important part of that journey. She was a loving mother and dedicated wife; however, grandma would prove to be her favorite role. There were so many things to get to experience all over again with the grandkids. She assisted her husband with farming as well as helping him in the woodshop. Together she and Philip made a lot of neat projects and crafts that they would sell at various flea markets. Wilma loved to go to flea markets, even if they weren't selling anything there.

Although she graduated from Westfield High School, Wilma was a loyal Sheridan Blackhawks fan. She faithfully followed both Blackhawk football and basketball. She really loved just getting out of the house and going for a ride, and what better excuse than to hit up a flea market or go watch Sheridan play. In Wilma's eyes, the destination was a toss-up – it was the journey she always looked forward to. Wilma enjoyed sewing and embroidery, and truly loved the time she dedicated to fussing with her garden and flowers.

Wilma is survived by her sons, Stephen D. Hunt (Trena) of Kirklin, and Dana L. Hunt (Micki) of Sheridan; daughters, Nancy L. Synanowicz (Kerry) of Dobson, N.C., and Donna J. Piercy (Ron) of Whitestown; eight grandchildren; 12 great-grandchildren; several nieces and nephews; her grand lapcat, Sassy; and her canine grandbaby, Pugsy.

She was preceded in death by her mother; her son, Leslie E. Hunt; her canine BFF, Max; and by her loving husband, Philip Eugene Hunt, on April 20, 2005. She and Philip were married on April 4, 1953.

A Celebration of Wilma's life took place on Saturday, November 20, 2021, at the Terhune United Methodist Church, 8392 N. Washington St., Sheridan, with Visitation prior to the time of Service. Rev. Frank Ciampa and Pastor Cheryl Weesner officiated. Wilma was laid to rest at Spencer Cemetery in Sheridan.

In lieu of flowers, memorial contributions may be presented to the Terhune United Methodist Church, c/o Cindi Duchemin, 3211 W. 246th St., Sheridan, IN 46069.

The glamorization of mental illness in media

What a difference a year makes

Editor's Note: The Sheridan Student Column is brought to readers by Sheridan High School's 10th grade English class, taught by Abby Williams.

Within television, books, movies, and even social media, we see mental illness everywhere. While it is good to have open discussions on how to avoid developing mental illness and the reality of living with a mental illness, the discourse has become almost jovial. When people who are mentally ill talk about their real-life struggles to feel like someone understands, those who don't understand feel left out and sometimes lead to people faking a disorder to feel "special."

Despite what many people think, living with a mental illness quite frankly sucks: It's not special; it's a battle in your mind that does not need to be glamorized.

Take, for example, the book turned to show *Thirteen Reasons Why*. For those unfamiliar with the Netflix show, it

PEARL HENDERSON
Sheridan High School Student

details the life of a girl named Hannah who died by suicide and then sent a tape to everyone detailing 13 reasons why she did it. Not only does *Thirteen Reasons Why* actually show the actions of Hannah choosing suicide, but it also takes every reason and displays it like a beautiful crown of burden resting upon the delicate mind of a fragile, justified teenager.

Reports indicate that teen suicide rates rose by 28.9 percent in the month following the release of *Thirteen Reasons Why*, according to the National Institute of Mental Health. Hannah's fictional story affected real lives because of how romanticized and glamorized it was. Some teenagers, if they are unstable, are easily influenced by the media around them, as displayed in this instance.

There are other examples of this phenomenon in the media, some of which are even worse.

Dear Evan Hansen's effect on the musical world was

tremendous and beautiful, but what about its effect on mental health? *Dear Evan Hansen* deals with many dark and sad topics, among those being anxiety and suicide.

In *Evan Hansen*, social anxiety is used as an excuse to allow Evan Hansen to get away with unacceptable behavior. Not only is it used as an excuse but also a quirk of sorts. Evan Hansen's anxiety is like a microwaved potato, half-baked and used to pretend that something, or someone, is interesting when really, it's just a potato. Having anxiety is a war in your brain that doesn't stop, not a quirk to make you interesting. *Dear Evan Hansen* certainly had many positive effects, but its treatment of mental disorders is not one of them.

To conclude, mental health is a serious topic. Yes, we as a society need to acknowledge and have open discussions about mental health, but blatant displays of mental health as a quirk is not the way to go. Using mental illness as an attention-getter and an interesting topic is not the way to go.

This needs to stop before more real people are affected.

I like to play a little game in my head. It's called "What a Difference a Year Makes." Sometimes I edit it to "a month", "a week", or even "a day." For today's column, though, we'll go with a year.

This week I'm reflecting on the pain I was feeling last year as Thanksgiving approached. I know I wasn't alone in my sadness and anger. In October of 2020, Mom's assisted living facility opened back up and I could visit her whenever I wanted (with masks and precautions, of course). After almost seven months of only seeing her through a door, a window, or outside under a tent once a week, this was incredible.

My sister-in-law and I cleaned her apartment one day. Mom and I enjoyed more relaxing visits soon after. I was excited to get to see Mom for Thanksgiving, as we hadn't been able to be with her for Mother's Day and other holidays due to the pandemic.

AMY SHANKLAND
Sandwiched

Then, in mid-November, a staff member at the facility came down with COVID-19. And everything quickly went south. We were back to once-a-week visits – only if you could show a negative test for COVID. I got my COVID test and was determined to at least see Mom the day before Thanksgiving. But the virus reared its ugly head again at Mom's facility. We were told "absolutely no visits" soon after.

I was so sad, angry, and frustrated. I ran into a friend at Dollar General who asked me how I was – the poor thing wasn't ready for my ranting reply. Thanksgiving in 2020 was a meal at my home with only my guys. I dropped off a covered paper plate to Mom's facility that afternoon so she could enjoy a home-cooked holiday dinner. That was it.

Here we are a year later. I can visit Mom whenever I want. As I write this, it's Thursday, Nov. 18. My husband and

I am joining Mom at her facility this evening for a delicious Thanksgiving celebration. I'm on vacation all next week and I intend to spend some time with her enjoying various on-site activities. I can't wait to get out her Christmas decorations, something she absolutely loves.

I know things aren't perfect yet with this pandemic. I still have to take my temperature and mask up when I see Mom. However, when I think back to my heartbreak from a year ago, I'm filled with gratitude.

My little game is probably not unique. But as I've gotten older and (hopefully!) wiser, I've learned to play it often. I even play it in reverse – when I am having a terrible day and the world seems to be falling apart, I'll often say to myself "I know things will be better in 24 hours... next week... next month..."

There's a wonderful saying by J. Cole – "The bad news is nothing lasts forever. The good news is nothing lasts forever." As I approach this Thanksgiving, I'm grateful for that saying. I'll strive to keep it top of mind every single day.

God is great, God is good

What you can do to improve your sleep quality, Part II

Could the prayers you hear when you are a child echo for years to come?

"God is great, God is good." With those words, a meal was blessed. With those words, my life was blessed.

Those words were how my mother believed and how she lived her life.

Counting my blessings this week, the legacy of Faith that my mother left with me was at the top of my list.

I grew up hearing my mother pray. She prayed, not just at meals, but each night as she knelt beside my bed and helped me with my prayers. She would tiptoe back to her and Dad's bedroom, next to mine, and I would hear her pray as she knelt beside her bed.

"Dear God, thank you for giving us Janet. Help us to love her well. Help me to show her who Jesus is and that He loves her. Help her to come to know Him as her personal Savior. Keep her safe from harm. Keep

From the Hart

her healthy. Watch over her wherever she goes. Bless her life. Amen."

As I grew older it wasn't just my ears that heard those prayers ... but my heart.

It wasn't the sermons I heard on Sunday mornings, and Sunday nights, and Wednesday night prayer meetings, but the sermon my mother lived, daily, that showed me who Jesus could be in my life.

Mom loved and lived the scriptures. *Love your neighbor as yourself. Be ye kind and forgiving. Love the Lord, your God with all your heart. Trust in the Lord and lean NOT unto your own understanding.*

It's more than obeying the Ten Commandments. It's a way of living your life ... and living it abundantly.

The first song she taught me to sing was "Jesus Loves Me." I knew Jesus had to love me to give me the parents to whose home I had been delivered.

With fear and trepidation, Mom and Dad told me that I

was adopted. It was right before I entered kindergarten. I was not bothered by it at all. I only knew that I was loved.

As a child, my mother and I attended a little Nazarene church, just two blocks from our home. I was about seven years old when the altar call was given. I had heard it many times before but this time I felt different, as I hear the words ... Jesus is calling. My heart told me I needed Jesus in it. I really had no sins to confess, but I wanted to live for Jesus and let him come into my heart.

Softly and tenderly, Jesus was calling, and my mother walked with me to the altar. Her prayers had led me there. For this child she had prayed for God to bring to her to raise, and now, show her the way in which she should go.

Her prayers would be with me until the day she passed. They would echo, even after.

My mother's Faith and her prayers are still so much a part of who I am today.

I was blessed and am still being blessed because of her legacy.

And yes, God is still great and God is still good!

"The shorter you sleep, the shorter your life."

– Mathew Walker, Director, Center for Human Sleep Science, UC Berkeley

Yes, I know the above quote is not pretty. I wish it were not so, but think about it – there is a reason that sleep deprivation has been used as a torture device for centuries!

Thankfully, I dare say that none of us has been in that predicament, although judging from the number of OTC sleep aids available and advertised, along with prescription medications available to patients, there is a significant problem going on in our society which results in sleep loss for many. An estimated 50 to 70 million Americans suffer from sleep disorders/sleep deprivation. Only one-third of American get the recommended seven to nine hours of sleep. Nearly 9 million U.S. adults take prescription sleep aids.¹ I personally believe those numbers have increased significantly

SHARON MCMAHON
Be Well

as our country has struggled through the past couple of years of pandemic.

All that being said, let's discuss some of the potential results of lack of sleep.

Without sleep, the brain struggles to function properly. Because they do not have time to recuperate, neurons become overworked and less capable of optimal performance in many types of thinking. Apart from occasional sleepless nights, over the long-term poor sleep may put someone at a higher risk of cognitive decline and dementia.² Lack of sleep can affect not only our brains, but all our bodies functioning organs. This is a subject which I recommend each person who struggles with insomnia or other sleep issues to research and discuss with their physician.

Poor sleep can take many forms. It can be caused by short sleep duration and/or fragmented sleep. Both insufficient and interrupted sleep makes it difficult to progress through sleep

cycles in a normal, healthy way.

Sleep deprivation has been shown to cause greater likelihood of car accidents. Drowsy driving accounts for thousands of crashes, injuries and fatalities each year, according to the National Highway Traffic Safety Administration.

Another cause of poor sleep could be a condition called "sleep apnea" which is a potentially serious sleep disorder in which breathing repeatedly stops and starts. This condition must be diagnosed by a physician with resulting treatment prescribed by a physician.

In Part III of this topic, we will look at ways in which our sleep can be improved. Until then – Goodnight!

Each bid must be enclosed in a sealed envelope bearing the title of the Project and the name and address of Bidder. All bids must be submitted on the bid forms as identified in the Contract Documents and Specifications.
Each bid shall be accompanied by a certified check or acceptable bidder's bond made payable to the Owner, in a sum of not less than five percent (5%) of the total amount of the highest aggregate bid, which check or bond will be held by the Owner as evidence that the bidder will, if awarded the contract, enter into the same with the Owner upon notification from him to do so within ten (10) days of said notification. Should any BID be rejected, such certified check or bond shall be forthwith returned to the BIDDER, and should any BID be accepted, such certified check or bond will be returned upon the proper execution and securing of the contract. When the contract is executed, the certified check or bid bond of all unsuccessful BIDDERS will be returned.
Bids shall be properly and completely executed on proposal forms included in the Specifications. Bids shall include all information requested by Indiana Form 96 (Revised 2013) included with the Specifications. Under Section III of Form 96, the Bidder shall submit a financial statement. The Owner may make such investigations as deemed necessary to determine the ability of the Bidder to perform the work and the Bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request. The Owner reserves the right to reject any bid if the evidence submitted by, or investigation of, such Bidder fails to satisfy the Owner that such Bidder is properly qualified to carry out the obligations of the Agreement and to complete the work contemplated therein.
Approved performance and payment bonds guaranteeing faithful and proper performance of the work and materials, to be executed by an acceptable surety company, will be required of the Contractor at the time of contract execution. Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. Any bid received after the time and date specified shall not be considered. No bid may be withdrawn after the scheduled closing time for receipt of bids for at least ninety (90) days.
A conditional or qualified Bid will not be accepted.
Award will be made to the low, responsive, responsible bidder. The low, responsive, responsible bidder must not be debarred, suspended, or otherwise be excluded from or ineligible for participation in federally assisted programs under Executive Order 12549.
All applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the project throughout. Bids shall be properly and completely executed on bid forms included in the Specifications. Bids shall include all information requested by Indiana Form 96 (Revised 2013) included with the Specifications. Under Section III of Form 96, the Bidder shall submit a financial statement. A copy of the proposed Financial Statement to be submitted with the bid is included in the bid documents section to these specifications. The Owner may make such investigations as deemed necessary to determine the ability of the Bidder to perform the work and the Bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request. The award of the contract is subject to all approvals required by local and federal agencies. Upon securing of all approvals, the successful bidder shall receive a "Notice to Proceed" with construction and said contractor shall begin construction within ten (10) days of receipt of such notice, and shall complete the project pursuant to the contract documents.
Each bidder is responsible for inspecting the Project Site(s) and for reading and being thoroughly familiar with the Contract Documents and Specifications. The failure or omission of any Bidder to do any of the foregoing shall in no way relieve any Bidder from any obligation with respect to the Bid.
A conditional or qualified Bid will not be accepted. All applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the project throughout. Award will be made to the low, responsive, responsible bidder.
By the submission of its bid, each bidder acknowledges that he understands and agrees to be bound by the Equal Opportunity Requirements of EPA regulations (40 CRF Part 8, particularly Section 8.4 (b)), which shall be applicable throughout the performance of work under any contract awarded pursuant to his solicitation. The Equal Employment Opportunity requirements shall be equal to all other requirements of the bid documents, and failure to satisfy same shall be cause for forfeiture to the OWNER of the amount of money represented by the certified check or bidder's bond.

Award will be made to the low, responsive, responsible bidder. The low, responsive, responsible bidder must not be debarred, suspended, or otherwise be excluded from or ineligible for participation in federally assisted programs under Executive Order 12549.
In addition, the Contract Division procurement is subject to the Federal Regulations contained in the OMB Circular A-102, Sections B and O and the State of Indiana requirements contained in IC-36-1-9 and IC-36-1-12.

Information explaining other prevailing wage laws which apply to this work is also contained in these specifications.
Wage rates on the project shall not be less than the federal wage scale published by the U.S. Department of Labor. The wage decision is subject to change and the one that is in effect on the date of the bid opening will be applicable to the total project if the contract is awarded within 90 days of bid opening. **IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
MONITORING REQUIREMENTS NOT MET FOR ATLANTA WATER
DEPARTMENT**

Our water system recently violated a drinking water standard. Although this is not an emergency, as our customers, you have a right to know what happened, what you should do, and what we are doing to correct this situation.
Due to a lab error we do not have results available for our 2021 TTHM/HAA5 annual testing.
We are required to monitor your drinking water for specific contaminants on a regular basis. The results of regular monitoring are an indicator of whether or not our drinking water meets EPA's health standards. The 1/1/2021 to 12/31/2021 testing for Total Trihalomethanes (TTHM) and Haloacetic Acids (HAA5) was either not performed or failed to comply with all the requirements of the Stage 2 Disinfectants and Disinfection Byproducts Rule (Stage 2 DBPR); therefore, we cannot be sure of the quality of the water at that time.
What should I do?
You do not need to use an alternative (e.g., bottled) water supply. However, if you have specific health concerns, consult your doctor.
What does this mean?
This is not an immediate risk. If it had been, you would have been notified immediately. Some people who drink trihalomethanes in excess of the Maximum Contaminant Level (MCL) over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer. Some people who drink water containing haloacetic acids in excess of the MCL over many years may have an increased risk of getting cancer.
What Happened? What is being done? (Explain below the reason, corrective action, and when the system expects to be or was back in compliance.)
We anticipate resolving the problem within the 2022 monitoring period. For more information, please contact Andy Emmert at 765-292-2626 or 105 E. Main St. Atlanta 46031

Running and defense power Westfield football to semi-state title . . .

Shamrocks soar back to state

By RICHIE HALL

WESTFIELD - By keeping their feet on the ground, the Shamrocks are soaring back to Lucas Oil Stadium.

The Westfield football team punched its second consecutive ticket to the IHSAA state finals last Friday night, pulling away from Merrillville 48-19 to win the Class 6A north semi-state. The 'Rocks got off to a very quick start, held off the expected run by the Pirates, then used its run game and defense to dominate the second half.

Westfield improved to 12-1 with the win and will take on Center Grove in a repeat of last year's Class 6A state finals. The game is set for 7 p.m. Saturday.

This year's semi-state game was almost a rerun of last year's contest between Westfield and Merrillville, with the only change being the location. The Shamrocks won last season's game at the Pirates' Demaree Stadium. This time, Westfield's River-view Health Stadium was the site, a welcome relief after the 'Rocks took a road trip to Fort Wayne Carroll last week to play and win the regional.

"You can have all the time in the world," said Micah Hauser, Westfield's do-it-all senior star. "So last week was extremely stressful and under really bad conditions. But this week, being at home, being able to relax before the game was extremely nice."

If they were relaxed before the game, the Shamrocks were ready to go at the start. Westfield scored on its first two drives, not wasting any time. Hauser broke loose for a 30-yard touchdown run just 85 seconds into the game, with Caleb King making the extra-point kick. Then after the Shamrocks' defense forced a three-and-out, Maximus Webster powered his way into the end zone on a 20-yard run.

"I don't think we could've gotten off to a better start," said Westfield coach Jake Gilbert. We had a great kick-off return. We scored in a few plays. And then the defense stepped up right away."

A good example of that would be Merrillville's series after Webster scored. The Pirates picked up a first down, but Popeye Williams made a sack to push Merrillville back 10 yards. Then on third down, Tyler Dikos delivered a sack, this one moving the Pirates back 13 yards.

Merrillville eventually put together a drive, and got on the board midway through

the second quarter when Lavarion Logan ran 34 yards for a touchdown. The Pirates had been scoring a ton of points during the season on their way to an unbeaten record coming into the semi-state, so Westfield had to adopt a "bend but don't break" philosophy when it came to the Merrillville offense. (The Pirates finished their season 12-1.)

"Yes, because there's so explosive," said Gilbert. "Part of the problem is, they're so good at running the ball, that we played them with a little more depth thinking they may start to throw a little more, and that left some running lanes. These guys average like 45 a game, so our varsity held them to two touchdowns, so that's pretty darn good."

The Shamrocks came back after the Pirates scored, putting together another resolute drive. This one was mostly on the ground, save for a 13-yard Webster to Nic Depasquale pass that got Westfield into Merrillville territory. The 'Rocks continued to move, and Hauser punched the ball in for a three-yard touchdown. King made another good kick, and Westfield led 20-7 at halftime.

In the third quarter, the Shamrocks' threw another shutout, while the offense added a couple more touchdowns. The first one came at the 3:36 mark: Westfield had ground its way down to the one-yard line, and Webster ran the ball in from there.

After the defense took care of business again, the 'Rocks quickly added another touchdown. Hauser cut loose for a 39-yard score. King kicked both extra points.

"He's the best player in Indiana," Gilbert said of Hauser. "He's the best all-around football player in Indiana." That's not a hyperbolic statement if one considers the numbers. In this game alone, Hauser led the rushing with 171 yards and the tackles with 11. He also forced a fumble.

"I've never seen somebody do the things he did," said Westfield senior running back Trevon Hatchett. "When I got here, he was actually the first person I talked to. So coming to see that in person, it's great."

Hatchett, who transferred from Lawrence North, is also pretty great at football. Merrillville scored with 8:27 left to cut Westfield's lead to 34-13, but Hatchett essentially sealed the game by running

48 yards for a touchdown on the Shamrocks' very next drive. King kicked the extra point, his fifth of the game.

"I felt like once we got past that o-line, we were gone," said Hauser. He credited the line with making his job easier: "So as long as they do theirs, it makes mine a hundred times easier," said Hauser.

Hatchett also had praise for the offensive line, saying it "blocked absolutely very well" and that the holes were "opening up perfectly."

"I give all credit to the o-line tonight," said Hatchett. "All credit."

The Shamrocks had extra motivation to win the game as they were honoring manager Jeannelle Rooney, a 2021 Westfield graduate who recently passed away after a lengthy cancer battle. Rooney would have her chemotherapy treatments on Mondays so she would be well enough to attend the Friday night games.

Gilbert said her goal was to "make it through the season, then make it through Christmas," but Rooney would also go on to attend prom and then graduate.

"We're so proud of the fight that she put up," said Gilbert. "She outlasted all the predictions. We can learn so much from her in so many ways. She was very, very tough."

"We loved Jeannelle deeply," said Hauser. "She was there for everything. Last year at this time, she was scheduling her chemotherapy around our games. She would do it on Monday so she could get well enough on Friday so

Westfield's Micah Hauser helped the Shamrocks fly high to another semi-state championship last Friday night. Westfield beat Merrillville for the second consecutive year to qualify for the Class 6A state finals. Hauser scored three touchdowns for the 'Rocks, leading in both rushing yards and total tackles with 11.

she could go. She drove the two and a half hours last year up to Merrillville to watch us win, and that meant the world to us. So we had to win out tonight in her honor."

"We knew that at some point this day was coming," said Gilbert. "She loved us and our football program so

much. But the best way to honor her was to come out here and play our butts off. And we did."

After Hauser's performance, Webster was next in line for rushing with 79 yards, followed by Hatchett with 63 yards. Webster completed seven of nine pass attempts

for 78 yards, with Depasquale catching three of them.

Dikos finished the game with 10 tackles, while Dillon Thieneman made nine stops. Williams had two sacks to go along with his eight tackles, with Magwire Graybill also making eight stops. Charles Dager had a sack as well.

The Westfield football team managers, with coach Jake Gilbert in the background, show off the semi-state trophy. They were wearing yellow in honor of Jeannelle Rooney, a 2021 graduate and former Shamrocks manager who recently passed away after a lengthy cancer battle. Rooney scheduled her chemotherapy treatments on Mondays so she could be well enough to attend Friday games.

Tigers tough out win over 'Rocks

By RICHIE HALL

WESTFIELD - Are the young Fishers Tigers playing beyond their years?

Fishers showed a nice amount of maturity during its game with Westfield at the Shamrocks' CSI Gymnasium last Thursday. In the Hoosier

Crossroads Conference opener for both teams, the Tigers got off to a big early lead, then held steady during a Westfield comeback in the third quarter. Fishers would regain the lead in the fourth, and eventually win 46-43 in a hard-fought game.

With that, the Tigers remained perfect for the season at 5-0.

"Obviously young teams are more motivated by the wins because that's all that they know, right?" said Fishers coach Lauren Votaw. "They haven't been through the process and they don't know how long the season is. It is really important to continue to get those wins, but like I've challenged them, it's important to learn from every opportunity that we have in order to keep growing and getting better. I've told them, we got to turn around, we're practicing tomorrow morning at 6:30 and we got to get ready for Zionsville on Tuesday."

Fishers trailed 33-30 going into the fourth quarter, but went on a 7-0 run that took up the first part of that period. Olivia Smith got the Tigers back in front by making back-to-back layins, then Jordyn Smith made two free throws. Hailey Smith finished the run with another foul shot. (If your name was Smith,

you were scoring during the game.)

With that, Fishers led 37-33. The 'Rocks pushed back to tie the game after Ellie Kelleher's layin and two free throws from Alyssa Crockett. But Hailey Smith would break that tie by hitting a 3-pointer, which would turn out to be the game-winner, as the Tigers never trailed again. The game's final two minutes followed a pattern: Westfield would cut Fishers' lead to one point, but Fishers would make the baskets it needed to stay ahead. Emmrey Collinsworth hit two foul shots to get the 'Rocks within 40-39, then Hailey Smith made a layin. Crockett's two free throws were answered by an Olivia Smith basket, then Crockett scored to keep Westfield within 44-43.

The Shamrocks had to foul, though, and that put Hailey Smith on the line with 5.4 seconds left. She made the two free throws to seal the game.

"I think our players did a great job of managing the game down the stretch," said Votaw. "We talk about layups and free throws. They know when I say 'layups and free throws' that I want them to take great shots only and literally, or if you get

Golden Eagles score first-ever win over Huskies

There was some history at the Eagles Nest last Tuesday, as the Guerin Catholic girls basketball team took on Hamilton Heights in an all-county game.

The Golden Eagles rolled to a big halftime lead, then weathered a comeback from the Huskies before prevailing 34-30. It was the first time Guerin Catholic had beaten Heights in girls basketball - the teams had been playing since 2007, and the Golden Eagles were 0-9 until last week.

"We want to play together, and we want to be the hardest workers in the gym," said Guerin Catholic coach Marc Quaranta. "This is my third year here, and that's the first thing I wanted to learn three years ago is, outwork everybody. We also have a very talented group."

The Golden Eagles jumped out to a 10-2 lead after the first quarter, then increased their lead to 19-4 by halftime. Six different GC players scored; Kathryn Loso led the way with five points.

The Huskies came roaring back in the third quarter, outscoring Guerin Catholic 20-8. Camryn Runner scored nine points during that period, with MyKayla Moran adding seven points. The Golden Eagles thus led 27-24, but they were able to hang on in the fourth quarter. Loso helped out with seven points in the fourth; she would lead all scorers with 15 points. Megan Cobb was next with six points; both she and Hannah Weitzel made one 3-pointer.

Quaranta said his team wants to model after Hamilton Heights.

"They work harder than most teams I'll see all season and they got talent," said Quaranta. The coach said that if his team could follow the Huskies' model "and just outwork everybody, now we're a little bit older, a little bit better, that we can compete with some of the best teams and I consider Hamilton Heights one of the best teams."

Runner scored 13 points for the Huskies, including a 3-pointer, while Moran finished with 11 points.

ROAD WIN

Guerin Catholic put together a dominant performance last Thursday, sailing past Cardinal Ritter 61-30 in an away game.

The Golden Eagles outscored the Raiders in all four quarters, leading 11-6 after the first period and 27-13 at halftime. Weitzel threw in two 3-pointers during the second quarter, and added another basket for eight points.

Loso stepped up during the third quarter, pouring in 11 points and helping Guerin Catholic to a 21-point period. The Golden Eagles led 48-21 after three.

Loso led the way with 19 points; she made all eight of her field goal attempts and all three of her free throws. Weitzel finished the game with three 3-pointers and 11 points. Katie Koger added eight and Cobb drained two 3s for six points. Koger also made a 3-pointer.

HUSKIES REBOUND

Hamilton Heights rebounded from that early-week disappointment with a resounding win over Lebanon last Friday, by the score of 53-38.

The Huskies and the Tigers were tied at 14-14 after the first quarter, with Moran scoring seven points. Heights outscored Lebanon in each of the next three periods. Ella Hickok had a big second quarter, scoring nine points for the Huskies and helping them to a 25-22 half-time lead.

Heights added to their advantage by the end of the third quarter, going up 39-34. The Huskies' defense then took over in the fourth, allowing the Tigers only four points. Meanwhile, Heights pulled away thanks to free-throw shooting, as it made eight of 10 during the period.

Hickok and Moran each scored 15 points for the Huskies, while Runner added 10 points.

"Really proud of the girls tonight," said Heights coach Keegan Cherry. "After our game earlier in the week, which we feel short of our standards, we challenged the girls following that game in practice. They responded big time. When teams try to take away a key weapon in Camryn Runner, other girls have to step up. MyKayla Moran was fantastic. Maybe some of her best high school minutes to date. Ella Hickok was a monster getting into the lane. And did a nice job being strong and finishing. Kaylee and Hadleigh were also great in their role. Hadleigh really battles defensively and Kaylee was good late game handling the ball late as we worked clock. Mia Shields also contributed. Overall, it was a great team win with contributions from all."

Circle City Conference opener last Saturday afternoon, falling to Heritage Christian 48-44 at the Eagles Nest.

Heritage led 13-9 after the first quarter. The Golden Eagles cut into that lead by halftime, getting within 25-23. Koger and Weitzel both made a 3-pointer during the second period; Koger

had nine points for the first half and Loso scored eight.

Heritage pulled away again in the third quarter, and led 40-31 going into the fourth. The Golden Eagles held Heritage to eight points in the fourth quarter, but Heritage was able to hold on.

Koger finished the game

with 17 points, while Loso added 14 points.

NEXT GAMES

Guerin Catholic is 3-2 for the season and hosts Lapel on Tuesday, then travels to McCutcheon on Saturday.

The Huskies are also 3-2 and play their next game on Tuesday at Greenfield-Central.

TIGERS

Fishers' Hailey Smith scored 19 points for the Tigers during their 46-43 win at Westfield last Thursday, in the Hoosier Crossroads Conference opener for both teams. Smith made two free throws with 5.4 seconds left that sealed the victory. [Click here](#) to see more pictures from the game.

fouled, you're allowed to shoot the free throws. And I thought they did a fabulous job of moving the basketball, meeting passes, staying out of trouble. And then when we drew everybody out, finding the open player and finishing layups. I thought we battled on the defensive end of the floor for the rebounds all night long. I was really proud of our effort down there, too."

Fishers jumped out to a 13-3 lead after one quarter of play. Hailey Smith scored six points and Olivia Smith added four. Alycia Triplett also helped out by making a three-point play.

A Triplett free throw gave the Tigers another 10-point lead, at 18-8. But Westfield roared back with an 8-0 run to get back into the game. Collinsworth and Olivia Robey each hit 3-pointers, sandwiched between a basket from Chesney Tebbe. Joirdyn Smith made a pair of foul

shots to give Fishers a 20-16 lead at halftime.

Joirdyn Smith then nailed a 3 to put the Tigers up 25-22, but back-to-back baskets from Robey and Crockett put Westfield in front for the first time at 26-25. It was the first of five straight lead changes in the quarter. The fifth was due to Mikayla Rudolph's layin, which put the Shamrocks up 31-30, then Robey scored to give Westfield the three-point advantage after three.

But after that, the Smith twins took over, with Hailey scoring eight and Olivia six.

"They're our leaders and they know that and they embrace that," said Votaw. "I challenged them in the second half to step up and to be those leaders and they exceeded my expectations of what to do. I was just really proud of our kids. We were

running kids in and out. We got some young kids minutes and everybody who came in, I thought did a good job. Credit to Westfield. They just would not go away. Their shots weren't falling early on and they battled and battled and battled."

Hailey Smith finished with a double-double of 19 points and 10 rebounds, while Olivia Smith scored 16 points. Triplett collected five rebounds.

Crockett had a double-double as well, with 13 points and 10 rebounds. Robey scored nine and Collinsworth added eight, including two 3-pointers.

"We didn't maximize opportunities when we had them," said Westfield coach Ginny Smith. "They switched all the screens and we never got it in the paint. We had mismatches. First half, we shot 27 percent and just didn't make shots, didn't make free throws. We were excellent

defensively overall. We had very few missed boxouts, we didn't give out a lot of o-boards. We only had 11 turnovers on the night. We forced 19 turnovers, but never capitalized on any of them. We forced them to cough the basketball up, but then couldn't convert. I think until we can find some consistent scoring, it's going to be tough to beat a good team. We can put ourselves in a position, but when you need a bucket and you can't get a bucket, it makes it tough to win."

The Tigers' next game is back home at the Tiger Den, as they host HCC opponent Zionsville on Tuesday. Fishers then plays at Fort Wayne Snider on Saturday.

Westfield is 3-2 and hosts Pike on Tuesday before playing a game against Centerville (Ohio) Saturday afternoon at Brownsburg.

Defense leads HSE to conference-opening victory over Flashes

Hamilton Southeastern got back on the winning track last Friday, triumphing in its Hoosier Crossroads Conference opener.

The Royals won a tough home game over Franklin Central 45-36. Southeastern led 12-7 after the first quarter, with Maya Makalusk scoring eight points during that period.

The Royals held a 23-19 lead at halftime, but outscored the Flashes in each of the next two quarters. Riley Makalusk took over in the second half, pouring in 12 points. She would

go on to lead Southeastern with 16 points and six rebounds. Olivia Brown had an outstanding game, with nine points, seven steals and five assists.

"Wasn't our best shooting night, but we found a way," said HSE coach Brian Satterfield. "Our defense was tremendous and kept us in the game."

Southeastern is 4-2 overall. The Royals' next game is Tuesday at Brownsburg, in another HCC contest. Southeastern then hosts Carmel on Friday afternoon.

'Hawks have 2-1 week Millers win two big games

Sheridan had a winning week last week, as the Blackhawks won two out of three games.

Sheridan picked up its first win of the season in dominant fashion last Tuesday, traveling to Brebeuf Jesuit and returning with a 59-32 victory.

The Braves led the Blackhawks 11-10 after the first quarter, but Sheridan caught fire in the second period, outscoring Brebeuf 26-9. Berkley Williams and Kenzie Garner both scored seven points during that period, with Ashley Webel making two 3-pointers. Sheridan led 36-20 at halftime.

The 'Hawks ramped up their defense even more in the third quarter, allowing Brebeuf only four points. Meanwhile, Cecilia Timme and Garner both added five points, and Sheridan held a 53-24 advantage after three. Garner then scored all six of the Blackhawks' points in the fourth.

Garner, a freshman, totaled 20 points. Chaney Smith added 11 and Williams scored 10; Williams' hustle and tight defense helped Sheridan to win, as did the Blackhawks' balanced scoring.

Sheridan dropped a tough game to Covenant Christian 47-43 last Thursday at Larry Hobbs Hall.

The Warriors outscored the Blackhawks in the first three quarters, leading 14-8 after one and 27-17 at halftime. Sheridan trailed 38-26 after three periods, but went on a fourth-quarter run, with Garner scoring seven points during that period. Garner also had seven in the third quarter as well. But Sheridan's comeback fell just short.

Garner finished with a double-double, scoring 22 points and pulling 10 rebounds. Garner made four 3-pointers for the 'Hawks. Timme also had a strong game, with 11 rebounds to go with nine points. Berkley Williams had seven rebounds and Taylor Bates collected five.

Sheridan cruised to its second win of the season last Saturday afternoon by beating Elwood 56-10 at Larry Hobbs Hall.

The Blackhawks dominated from the start, leading 25-0 after the first quarter. Sheridan's freshmen starters led the way, with Timme scoring nine points and Garner adding eight points. Garner then scored another seven points in the second

period, and the 'Hawks were up 44-4 at halftime. Garner finished the game with 19 points, while Timme totaled 17 points. Ashley Webel threw in two 3-pointers.

The Blackhawks are 2-2 for the season and play another home game Tuesday against Western Boone.

The Noblesville girls basketball team won two important games last week.

First, the Millers had no trouble in their Hoosier Crossroads Conference opener last Friday night, sailing past Brownsburg 63-28 at The Mill.

Noblesville outscored the Bulldogs, last year's Class 4A state finalist, in each quarter of the game. The Millers led 14-7 after the first quarter, then took control in the second period, allowing Brownsburg only four points. Noblesville held a 29-11 lead at halftime, and then went up 45-21 in the third quarter.

Three Millers players reached double figures, starting with Reagan Wilson's 13 points. Ashlynn Shade was all over the stat line, reaching double-double status with 11 points and 10 rebounds, then dishing out four assists and making four steals. Kaitlyn Shoemaker added 10 points.

Shade and Brooklyn Ely both drained two 3-pointers. Brooklyn Smitherman, making a return after an injury, collected six rebounds, as did Wilson. Meredith Tippner had five rebounds.

Noblesville scored another tremendous win last Saturday evening, going on the road to play Homestead and coming home with a 69-48 victory.

The Millers were in control from the beginning, as they led 18-6 after the first quarter. In fact, Noblesville extended its lead throughout the next two pe-

riods, going up 37-16 at halftime and 58-28 after three quarters.

"I thought our kids played really well on the defensive side," said Millers coach Donna Buckley. She called it "relentless pressure" that never let up on the Spartans.

"They never really got into a flow," said Buckley. "They turned it over, which led to some easy opportunities for us on offense."

"Our pressure was

really good for most of the entire game," said Buckley. "We just flew around all over the place and made them very uncomfortable."

Shade led Noblesville with 26 points, making four 3-pointers. Kaitlyn Shoemaker contributed 12 points. Wilson had another outstanding all-around game, with 10 points, seven steals and five assists.

Zionsville edges out Greyhounds, 40-39

By RICHIE HALL

CARMEL - Since the Carmel girls basketball team is nursing injuries and doing the usual early-season fine tuning, the Greyhounds are figuring things out as they go through the first few weeks of their 2021-22 campaign.

Of course, Carmel's schedule isn't one that allows any leeway. But the Greyhounds fight as they always do, and they fought a good Zionsville team last Tuesday at the Eric Clark Activity Center before falling to the Eagles 40-39.

Both teams made fourth-quarter comebacks. Carmel was down 34-31 with five minutes left in the game before going on an 8-0 run. Mackenzie Woods made a layin, Jamie Elliott hit a 3-pointer and Hannah Lach was good on a three-point play. Just like that, the 'Hounds

led 39-34.

But the Eagles answered that with their own 6-0 run that finished the game. Allie Caldwell started it with a free throw, then Emma Haan drained a 3-pointer. Haan later scored off a steal to put Zionsville in front. Carmel got the ball back and called a timeout with 7.9 seconds left, but a last shot didn't go.

"I thought we were in control," said Greyhounds coach Erin Trimpe. "I felt pretty good and I felt like they understood needing to take care of the ball. We've got the lead. Unfortunately we just made some early-season bad decisions and it's just about getting back in the gym and hopefully fine-tuning everything. It was a great game. A lot of fun. I'm sure it was a lot of fun to watch. It was a lot of fun to coach. But we just didn't have enough to put it away in that last

minute."

Carmel led 7-4 in the first quarter, with Lach scoring five of those points. After that, the Eagles' star Laila Hull took over, pouring in the next seven points to give Zionsville an 11-9 lead. Caldwell nailed a 3 for the last basket of the quarter, and the Eagles led 14-9.

Zionsville held the lead for the entire second half, although the 'Hounds stayed close. Lach's tripe at the end of the half kept Carmel within 19-18.

In the third quarter, Mackenzie Thomas got the Greyhounds in front 24-23 with a putback. A Haan 3 put Zionsville back ahead, but Thomas tied it up with a layin.

"Mackenzie Thomas has just been phenomenal for us the past couple games and really creates an inside presence that people really have to pay attention to,"

said Trimpe. "Getting other girls to be able to hit shots from the perimeter is going to be a really big part of being able to balance our offense a little bit better."

The Eagles led 29-26 after three periods, but Woods opened the fourth quarter with a 3 to tie things up. Hull answered that with a three-point play, then answered a Lach layin with a basket of her own to give Zionsville a 34-31 lead.

Lach finished the game with 13 points, while Thomas scored nine and collected eight rebounds. Emily Roper had six rebounds while Woods pulled five. Carmel has been without senior and Michigan commit Kate Clarke for the first few games of the season.

"She's good," said Trimpe. "She's still a little while out. We're just nursing it a little bit, taking care of her, getting her

some reps and hopefully we'll see her in December."

Hull led all scorers with 17 points, while Haan had 13.

Carmel is 1-2 and hosts Noblesville Tuesday, then plays at Hamilton Southeastern Friday afternoon.
