Westfield Lions Poker pulls players from across continent

The REPORTER
The Westfield Lions Club's first Poker for Sight Tournament in two years was a "roaring" success – Lion-pun intended.

Over 350 players from all over North America came together at the Hamilton County Fairgrounds on Friday and Saturday, Nov. 19 and 20 to participate in what is believed to be the largest charity poker competition in the Midwest.

The last Poker for Sight tournament was in November 2019, as the pandemic forced the Lions to temporarily shutter all Poker for Sight events.

"It certainly has been a challenge," said Lion Mike Birk, Poker for Sight chairman. "Because of the very nature of poker, players need to be close to one another, nine to a table. We have done everything possible to make it safe for everyone. The Lions want to thank all our

competitors. This was a great tournament."

The Poker for Sight series constitutes the largest fundraising efforts of the year for the Westfield Lions.

"Yes, it is nice getting back to normal," Birk said. "Frankly, our piggy bank was getting pretty light, but this will get us moving for the community again. It is what Lions do: We give way more than that we receive, and that is a great feeling. The Lions motto is 'We Serve,' and we will."

Mr. Brainard goes to Washington to celebrate signing of bipartisan infrastructure deal

Submitted
Carmel Mayor Jim Brainard accepted an invitation from the White House to attend the recent signing into law the Bipartisan Infrastructure Deal, a ceremony that took place on the lawn of the White House.

Mayor Brainard was among those invited after he was one of only two Republican Indiana mayors to sign a letter to Congress in July urging Representatives to come together and pass a bill that will benefit cities like Carmel, all across the nation.

The letter was sent by the U.S. Conference of Mayors, where Brainard holds a leadership position as a Trustee. Brainard has long been an advocate for compromise and bipartisanship at the local and national level, especially when it comes to issues that can directly benefit residents of Carmel, who he has served since 1996.

Fishers police warn residents of dangerous, deadly trend

The REPORTER
The Fishers Police Department (FPD) is warning parents, students, and young adults about a dangerous and potentially deadly trend happening nationwide and in local communities.

Over the past several months, FPD has investigated several accidental overdoses and three deaths believed to be related to the

use of counterfeit pills containing the drug fentanyl.

Overdoses are not only attributed to an individual abusing fentanyl, but also individuals consuming a drug they believe to be originally distributed by a licensed pharmacy. Pills such as oxycodone (Oxycontin, Percocet), hydrocodone (Vicodin), and alprazolam (Xanax), or other stimulants like amphetamines (Adderall), are being marketed as legitimate prescription pills and often sold on social media platforms. Popular apps like Snapchat, Facebook, Instagram, TikTok, Telegram, and Whisper allow teens to connect with local as well as national drug dealers, often while remaining anonymous.

Last month, officers assigned to the FPD Crime Reduction Unit seized more than 25,000 counterfeit pills believed to contain fentanyl.

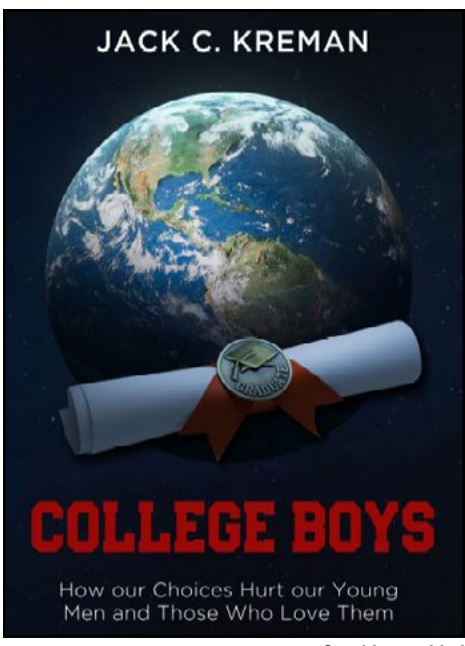

FPD urges all Fishers' residents to be aware of the dangers of counterfeit pills and to only take medications prescribed to them, by a medical professional, and dispensed by a licensed pharmacist. For more information, please visit DEA.gov/onepill.

"College Boys" details American's shrinking male collegiate population

Submitted
According to local author Jack C. Kremen, the country's young men and boys are being left behind.

As the latest figures available confirm, men now comprise barely 40 percent of all college students. What has caused this dramatic shift in enrollment? How are men being limited from achieving success in education? What impact are these undereducated men having on society? The answers to these important questions form the basis of a new book by Kremen, a Noblesville native.

The damage doesn't extend to just young men and boys. All members of society – wives, mothers, daughters, sons and even community members suffer from the undereducation of young men and boys. Kremen's first book, *College Boys*, is necessary reading for anyone raising young men and those who love them.

BRAINARD

from Page 1

"When it comes to investing public money into infrastructure, we only have one opportunity to build our city the right way and we don't want to strive for mediocre or just good; not the easiest nor cheapest," Brainard said. "We must strive for the best when we have the opportunity to do so. That is what great cities do. We want to create the best and highest quality of life through building the most ambitious and glorious city we can build. Having the highest quality roads, city services, trails, bridges, parks and other amenities in place, will ensure quality long-term growth. Everything we do is focused on that."

President Biden signed the bill at a ceremony at the White House lawn surrounded by members of Congress, governors and mayors from both parties, business leaders and labor leaders.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

Farmers donate 200K pounds of poultry

By MARY WILLKOM
WISH-TV | wishtv.com

The Indiana State Department of Agriculture (ISDA) on Monday honored poultry producers at the 74th annual Indiana state poultry recognition event. Over the past year, the department says Hoosier poultry farmers have donated nearly 200,000 pounds of poultry products to Indiana residents in need.

Eggs, chicken, duck and turkey were among the main products donated throughout the year.

According to the USDA National Agriculture Statistics Service, Indiana ranks No. 1 in duck production, No. 2 in egg production, No. 4 in turkey production and is home to high-quality broiler chicken production.

"Indiana's agriculture industry is making strong economic impacts across the

state, nationally and across the globe and that is due in part to Hoosier poultry producers," said Governor Eric Holcomb. "As we enter the holiday season, let us all recognize the contributions Hoosier farmers make in ensuring our plates are full of a variety of nutritious foods, and, of course, all of our favorite seasonal treats."

The department says the poultry industry contributes more than \$12 billion in total economic activity and employs more than 12,000 Hoosiers.

The ISDA says the state's poultry producers have a long history of working to address food insecurity in their local communities. According to ISPA President Becky Joniskan, over the last 12 months members have contributed more than seven million eggs to their local communities.

TODAY'S BIBLE READING

For you were once darkness, but now you are light in the Lord. Live as children of light (for the fruit of the light consists in all goodness, righteousness and truth) and find out what pleases the Lord. Have nothing to do with the fruitless deeds of darkness, but rather expose them. It is shameful even to mention what the disobedient do in secret. But everything exposed by the light becomes visible—and everything that is illuminated becomes a light. This is why it is said: "Wake up, sleeper, rise from the dead, and Christ will shine on you."

Girls basketball

Millers start hot, hold off Carmel

By RICHIE HALL

CARMEL - A good start can make all the difference in a big game.

The Noblesville girls basketball team got the good start it needed Tuesday evening when the Class 4A No. 3 Millers traveled to Carmel. Hot 3-point shooting helped Noblesville to a big early lead, and the Millers were able to hold off the Greyhounds' comebacks, eventually winning 69-53.

Noblesville never trailed in the game, and the score was only tied once, early in the first quarter. Meredith Tippner got the game's first basket on a jumper, then Carmel's Laura Valiente scored off a steal.

Kaitlyn Shoemaker hit a 3-pointer to get the Millers up 5-2, and they never trailed again. That was just the beginning for Shoemaker, who went on to nail four 3s in the first quarter alone. Reagan Wilson hit a triple as well. Shoemaker's fourth 3-pointer put Noblesville up 21-7 late in the first quarter. Emily Roper hit a free throw for Carmel to make it 21-8 by the end of the first quarter.

Roper's foul shot was the start of an 11-2 run for the Greyhounds. Valiente opened the second period with a 3. Mackenzie Thomas then made back-to-back layins to finish the run and get Carmel within 23-19.

But that would be as close as the 'Hounds would get. Ashlynn Shade scored her first points of the game with a jumper, then quickly threw in another basket while getting fouled, making the free throw for the three-point play. Brooklyn Ely finished the half with another 3, and Noblesville led 31-21 at the break.

"We just hit some big shots," said Millers coach Donna Buckley. "I thought we went through stretches where they cut it down, and then Kaitlyn hit several big shots. Ash came alive and hit some big shots. We just kept answering. And then they forced us to have to answer, because they kept coming at us and Thomas played really well. They had some kids step up. They made us have to really earn that win."

Thomas stepped up again with back-to-back baskets early in the third quarter, cutting Noblesville's lead to 33-25. Shoemaker threw in her fifth 3 of the game, which Roper answered by making two free throws. Shoemaker responded with 3-pointer No. 6, then Shade scored off a steal. The Millers' lead stayed in double digits from that point forward.

Shade scored 10 points in the third, which ended with Noblesville ahead 49-33. Ava Carter made two 3s for Carmel during the fourth period, and Thomas' three-point play cut the Millers' advantage to 61-49 with 2:42 left.

"She's really put a lot of work into the off-season, a lot of work into her body, a lot of work into her skill set," said 'Hounds coach Erin Trimpe. "She's an outside threat."

Trimpe noted that Thomas was looking to expand her role with the team. "In order to expand it, she worked her butt off to get there," said the coach. "So it's been fun to see."

Ava Shoemaker stepped up for Noblesville during the final minutes of the game, scoring six points and helping to seal the game for the Millers.

"It's good for us," said Buckley. "We really honestly haven't had too many

Noblesville's Kaitlyn Shoemaker got off to a hot start for the Millers, hitting four 3-pointers during the first quarter. Shoemaker would go on to make six 3s, helping Noblesville beat Carmel 69-53.

games where we've been challenged too much yet." Buckley noted that players like Tippner and Ava Shoemaker still have few varsity games under their belts.

"Those are two big pieces of the puzzle, so for them to have to handle some adversity, I think that's really good for our team, especially those young kids to see what does that look like and how do you answer when you're challenged," said Buckley.

Shade finished the game with 20 points, and reached double-double status with 10 rebounds, also getting eight assists and four steals. Kaitlyn Shoemaker's six 3-pointers gave her 18 points. Wilson finished with nine points and eight assists, while Tippner collected five rebounds.

Thomas had 17 points and five rebounds to lead Carmel, while Hannah Lach drained three 3s for nine points. Roper scored nine points, collected seven rebounds and dished out four assists, and Jamie Elliott collected five rebounds.

"Very rarely do you come out of a locker room with a 16-, 17-point loss and feel pretty good about the things that you do," said Trimpe. "I really think that we're right where we need to be and just keep getting better. Our schedule's brutal. We're playing the best teams every single night and for us to get down and keep fighting back and have to make some adjustments on their end, I was just really impressed with our girls. I'm anxious and excited about what we can keep doing throughout the rest of our schedule."

Noblesville is still unbeaten at 6-0 and plays a Hoosier Crossroads Conference game Saturday at Avon. Carmel is 1-3 and plays Friday at 4A No. 10 Hamilton Southeastern.

Greyhounds drop opener at Zionsville

Golden Eagles pull away from Lapel

The Carmel boys basketball team found itself on the wrong side of a comeback on Tuesday, as the No. 1-ranked and two-time defending Class 4A state champion Greyhounds opened their season at No. 10 Zionsville.

Carmel enjoyed a nine-point halftime lead before the Eagles came roaring back in the third quarter. Zionsville then took the lead in the fourth period and went on to beat the Greyhounds 45-42.

Carmel got off to a good start, leading 15-8 after the first quarter. Senior Pete Suder was playing well early, scoring seven points. Suder then added another seven points in the second period, including a 3-pointer. Senior Josh Whack hit a 3 as well, and that helped the 'Hounds along to a 30-21 halftime lead.

But the Eagles' defense took over in the third quarter, allowing Carmel only three points. Whack scored a basket and junior Spencer White made a free throw. By the time the period was over, Zionsville had cut the Greyhounds' lead to 33-31. The Eagles took the lead with under three minutes to go and stayed in front from there.

Suder scored 23 points, including three 3-pointers, and led the rebounds with nine. Junior Garwey Dual, a transfer from the Houston area, came off the bench and made two blocked shots.

Carmel will go back on the road Saturday, traveling to Mason, Ohio to take on Cincinnati Elder. The game starts at 4 p.m. and will be livestreamed on [chatter-boxsports.com](#)

Sheridan started fast on offense, and started and finished well on defense, and that added up to a 57-35 win over Western Boone Tuesday at Larry Hobbs Hall.

The Blackhawks blasted out to a 19-5 lead after the first quarter. Freshman Kenzie Garner scored 10 points during that period, while Ashley Webel threw in a 3-pointer. The Stars got their offense going in the second period, but Sheridan kept up its offensive pace, leading the 'Hawks to a 38-23 halftime advantage. Garner had 18 first-half points.

"We just talked about how WeBo's a really good team and how they do a really good job of running in offensive transition," said Sheridan coach Jaidlin Bradshaw. The coach said she and her staff emphasized that "we had to have great defensive transtion and be on point with that and not let them score a lot of points," then make sure their offensive transition was working as well. Bradshaw said she thought "we did a good job of that."

The Blackhawks out scored WeBo in each quarter, including a tight third period. Sheridan led 50-33 at the end of the quarter, with Chaney Smith scoring eight points during the third. The 'Hawks then

clamped down on defense again, allowing the Stars only two points in the fourth.

Garner led with 20 points, followed by Smith with 13 and Webel with 12. Bradshaw was pleased with her team's depth.

"We're really fortunate that one through 15, 16 were pretty much able to come in and do our job," said Bradshaw.

Sheridan is 3-2 and plays at Frankfort next Tuesday.

Double-doubles for Seay, DuBois . . .

'Blazers take care of Brebeuf Jesuit

Juniors Payton Seay and Kelsey DuBois recorded double-doubles as the University girls broke a two-game losing skein with a 63-40 homecourt win over Brebeuf Jesuit Tuesday evening.

DuBois had a game-high 14 points and pulled down 11 rebounds while Seay grabbed a game high 13 rebounds and had 12 points. Eight of Seay's rebounds were on the offensive end.

The teams battled back and forth in the first period with Taylor Seay's basket with six seconds left pulling the Trailblazers even at 12. University took the lead for good when Jordan Patterson scored 25 seconds in to the second quarter. DuBois made four free throws to push the lead to 18-12. Brebeuf kept battling back and was down just 24-22 with 1:30 left in the second before two more DuBois free throws and a Patterson three-pointer but University up 29-22 at halftime.

Kamryn Washington opened the third quarter with an old fashioned three-point play and Payton Seay had a rebound basket as the Blazers opened up a 34-22 lead less than a minute in to the third quarter. Brebeuf fought back to 36-29 before baskets by DuBois and Payton Seay restored a double-digit lead that University main-

tained the rest of the game.

Patterson led University in assists (four) and steals (six) and contributed nine points. Patty Chikamba had six points, five steals and three assists. Washington had seven points and Taylor Seay provided eight points off the bench.

University improves to 3-2 on the season. The Trailblazers are next in action Tuesday when they host Clinton Prairie at the U Center.

Huskies overwhelm Greenfield-Central

Hamilton Heights picked up its second consecutive big win on Tuesday, beating Greenfield-Central 63-29 in an away game.

The Huskies outscored the Cougars in each quarter. Heights led 15-8 after the first period, with Camryn Runner scoring seven points and MyKayla Moran adding five. In the second quarter, seven different Huskies players scored on their way to a 33-15 halftime lead.

Greenfield mounted a challenge to Heights in the third quarter, but the Huskies still increased their lead to 50-29 by the end of the period. Moran scored another six points, while Mia Shields had five. Heights then shut out the Cougars in the fourth period, outscoring them 13-0.

"Tonight we did a nice job of sharing the basketball," said Huskies coach Kee-gan Cherry. "We played with thought and did a nice job of attacking Greenfield's zone. Everyone wanted the basketball. We played inside out. Our girls were basketball players. We have been really intentional in our last several practices of getting paint touches on offense. When we are able to attack the paint and play off two feet, good things happen. When it's all about the team and no one cares

who gets the credit, it's fun to watch. Tonight was fun. Our locker room is taking shape and as a coaching staff we like the direction we're headed. With big challenges ahead, we must continue to embrace the process. Get better each day."

Runner finished the game with 17 points and three 3-pointers, while Moran scored 15 points. Shields had 13 points, also draining three 3s.

Heights is 4-2 and is off until Wednesday, Dec. 1 when it plays at Fishers.
