To build the toboggan, the Hoosier Hotshots are hosting a "toboggan build day" which will take place from 9 a.m. to 4 p.m. on Saturday, Jan. 29 in the Community Room off the South Alley at 839 Conner St., Noblesville. Community members who show up to the open house-style event will be able to help assemble the race-grade toboggan by drilling screws, learning how to bend wood, and helping ensure the toboggan

While endless commercials, ads, and apps would endeavor to convince you that their “proven methods” work for your healthy weight-loss goals (there is a reason that the “diet industry” is a multi-billion-dollar industry!) remember that each one of us is different and we need to find the approach that works best for our personality, schedules, family life, and lifestyle.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

Mobile COVID testing, vaccine clinic in Carmel thru Saturday

The REPORTER

The Indiana Department of Health (ISDH) will hold a free mobile testing and vaccination clinic as part of its ongoing efforts to prevent the spread of COVID-19. The mobile clinic will operate from noon to 8 p.m. today through Saturday, Jan. 22 at the Jill Perelman Pavilion, 3000 W. 116th St., Carmel.

Register online by visiting ourshot.in.gov or call 211 (866-211-9966) and a representative will schedule an appointment for you

from 8 a.m. to 8 p.m. daily. Appointments are encouraged, but walk-ins are accepted.

“We are incredibly grateful to the State Department of Health for its help,” said Chris Walker, emergency preparedness coordinator with the Hamilton County Health Department. “We’re working around the clock to process as many tests as we can, but we’re limited by supply and staff. This mobile testing unit should provide the extra manpower we so desperately need right

now.”

“This mobile vaccination site is one more way we are working to give all Hoosiers convenient access to COVID-19 vaccine in their communities,” said State Health Commissioner Kris Box, MD, FACOG. “I encourage everyone who hasn’t been vaccinated yet to take advantage of this safe, effective vaccine, which is the best protection we have against this virus.”

If you are 18 or older, you may choose to receive either the single-dose John-

son & Johnson (Janssen), Moderna or Pfizer vaccine, which requires a second dose to be fully protected. This will be scheduled at the time of your first dose. You can also get the booster dose of your choice.

Individuals aged 5-17 must receive the Pfizer vaccine. An adult must accompany children aged 5-15 to the vaccine appointment. If the adult present is not the parent or guardian, consent must be submitted in advance. For anyone aged 16-17 it’s preferred that a parent or guardian accompany the minor to the vaccination site. Of course, this may not always be possible. In those cases, the parent or guardian can provide written or verbal authorization.

Here are some additional facts:

- The vaccine is available at no cost, but insurance information is requested, because an administration fee may be charged.
- Each individual will need to schedule an appointment, even if they live in the same household.
- This site offers the Pfizer and Moderna vaccine, which require a second dose to be fully protected. This will be scheduled at the time of the first dose.

• Proof of age will be required at the appointment.

• After receiving the vaccine, recipients should sign up for V-safe, the after-vaccination health checker, on any smartphone, at vsafe.cdc.gov.

According to the Centers for Disease Control and Prevention, if you’ve been fully vaccinated, you do not need to stay away from others if you’ve been around someone who has COVID-19 or get tested, unless you have symptoms.

Once you’re fully vaccinated, you should still:

- Wear a mask and socially distance to reduce the risk of severe illness or death from COVID-19
- Avoid medium- or large-sized gatherings
- Protect yourself while traveling
- Get tested and stay home if symptoms develop

Atlanta reader impressed by Sheridan student's column

Dear Editor:

Sheridan reader says Sen. Baldwin likely meant to say "objective"

Dear Editor:

The Jan. 9 headline "[Indiana Law-makers debate how to teach race in schools](#)" stirred the pot of support and complaints of many, especially after a year of contentious school board meetings where parents tried to explain to the boards their displeasure of CRT, SEL and DEI inclusions in the curriculum.

Senate Bill 167 laid out a plan of what teachers could not teach about race and racism. Scott Baldwin, who authored Senate Bill 167, exclaimed that teaching about fascism and Nazism should be neutral. Several definitions of neutral are *objective, non-subjective, and impersonal*. I don't see a problem of teaching to the facts such as Representative Cook stated, who is authoring [House Bill 1134](#).

Columnist writer Isaac Taylor said his male ancestors who fought in WWII, "didn't fight for the preservation of American freedom in World War II so a misguided state senator could say we need to be 'impartial' about teaching Nazism, Marxism and fascism." I truly believe Senator Baldwin was not saying to be impartial about teaching about the three "isms." He most likely meant to be objective when teaching about the two "isms" that came to the forefront, and he has the protection of the First Amendment which Taylor's ancestors fought for.

State Senator J.D. Ford said, "Senate Bill 167 seems to be a solution looking for a problem." There is a problem, and it is teaching social issues not contributing to the well-being of our students such as CRT, SEL and DEI. These theories cause discrimination and division, and with the lockdowns, parents were surprised to see what was on the curriculum at their child's school. Therefore, we had school board meetings that were disruptive with unhappy parents not allowed to express their concerns by school board members who would not allow for any discussions on the above-mentioned topics.

And as writer Susan Steele said, "Parents are able to run for school board or attend their meetings to make their voices heard." Susan is partially correct, there will be an influx of parents running for school boards but those who did attend or try to were not allowed to make their voices heard which was present at Carmel.

Going back to when I was in high school when we studied WWII, I do recall the illustrations of where the battles were fought in Europe, the names of the Generals and how the US helped win the war against Germany and Japan. I associated fascism with Italy and Nazism with Germany.

But within the past five years we have become familiar with the name-calling words of fascist, Nazi and most currently Marxism, which the "someones" are wanting to force upon American citizens. This all ties in together and Senate Bill 167 was trying to bring back the power to the American people.

George Hodgson of Noblesville hit the nail on the head in his letter: "November is critically important! Parents, get involved and know who you are voting for!" We all must do this.

Noblesville reader encourages community feedback on upcoming school superintendent hiring process

Dear Editor:

The Noblesville school district will be hiring a new superintendent in the spring of 2022. The current school board consisting of five members has the sole responsibility to procure the next viable candidate.

Five people carry the entire weight for making a decision affecting the lives of students, parents, and taxpayers.

The initial phase in the hiring process may be for the school board to secure a superintendent search firm to recruit candidates that best match the needs of the district and desires of the board.

The superintendent search process also often includes a way for the community to provide feedback early on and the Noblesville board has already said members of the community will be able to share their input to determine the qualities needed in a new leader.

No matter what you heard or read, the most current I-STEP and I-LEARN failing proficiency scores in English and Math are a testament to the direction the school district is going.

We demand and require a superintendent that will implement administrative procedures that will be in the best interest of our children's futures.

Email the Noblesville school board members with your thoughts, concerns, and suggestions.

Indiana Physician Coalition calls for new law requiring transparency in medical practitioner identification

Dear Editor:

When you have a health concern, your doctor should be the first person you turn to for advice. And a doctor is the professional you expect is overseeing your care at the hospital.

But, without patients realizing it, they often don't see a board-certified physician – a doctor who has spent four years in medical school and three to eight years of residency and fellowship for a minimum of 10,000 hours in patient-centered clinical training.

The professional you may see could be a physician assistant, nurse practitioner, or doctor of nursing practice – none of whom are physicians. And that's okay because every member of the physician-led health care team plays an important role in ensuring patients get exceptional care.

But, what's not okay is the confusion caused by the industry's use of abbreviations in clinical settings. Our ID badges are an alphabet soup full of letters that mean little to the average Hoosier, such as MD, DO, PA, NP, DNP, CRNA, CNM – the list goes on and on. The same is true in health care advertising, showing everyone wearing white coats or scrubs, but no way to tell if you're looking at a physician, pharmacist, phlebotomist or other health care practitioner. And it's even worse when ID badges and advertising lack any license type at all.

That's why, for the sake of patient safety, the Indiana Physician Coalition is calling on state legislators to pass a law requiring greater transparency in practitioner identification and advertising so patients understand whose expertise they are seeking and receiving.

We applaud the Indiana General Assembly's focus on price transparency in the health care industry. The same focus on transparency should include the very professionals providing that care. Who are they and what are their qualifications? Visit INphysicians.org to learn more, and then ask the same question of your own health care team.

The Indiana Physician Coalition is an alliance of statewide medical associations and specialty societies advocating for physician-led health care that protects patients from harm, increases access to quality care and controls health care spending.

County Democrats recommend two women for Fishers police, fire merit commissions

The REPORTER

Editor's note: The two women were not named in the news release from the Hamilton County Democratic Party.

The Hamilton County Democratic Party is requesting immediate support from Fishers Mayor Scott Fadness to bring the Police and Fire Merit Commissions

into compliance with state code, which mandates a minimum of two Democrats on each of the five-member commissions.

In an effort to ensure bal-

ance at the community level, the code dictates that party affiliation is determined by their three most recent primary elections.

"The City of Fishers has skirted the mandate by including historically Republican commission members who have voted for a Democrat only once in recent history, which is not a true representation of how they will govern, and thus represents a conflict," said Hamilton County Democratic Party

Chair Dayna Colbert.

In light of the pending change, two women have applied for the Police and Fire Merit Commissions and have been officially recommended to the city by the Hamilton County Democratic Party.

"We are asking the city to act swiftly to come into compliance and support our efforts to bring proper representation to each community commission. This new year creates the

opportunity for a fresh and fair start," Colbert said. "Both women are engaged, well-informed Fishers residents who will bring great value to their roles."

The Police and Fire Merit Commissions were established to give the community a voice in promotions, disciplinary actions, applicants to the fire or police departments, and more. It is essential that these bodies represent more than one political party.

7 cast portray nearly 60 characters in Belfry's *The Dining Room* play

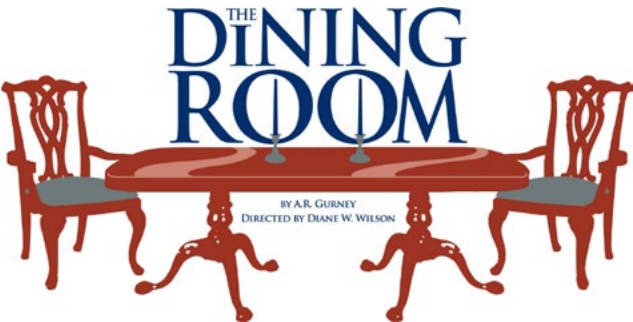

Submitted by The Belfry

Hamilton County Theatre Guild presents The Belfry Theatre's production of *The Dining Room*, a comedy/drama by A.R. Gurney, opening Jan. 21 with eight performances through Jan. 30 at The Switch Theatre in Ji-Eun Lee Music Academy in Fishers.

The Dining Room is a comedy of manners set in a dining room where a dozen-and-a-half scenes from different households overlap and intertwine. Actors change roles, personalities and ages with virtuoso skill as they portray a wide variety of characters, from little boys to stern grandfathers and from giggling teenagers to Irish housemaids.

Director is Diane W. Wilson of Carmel. She is a new director to The Belfry.

The cast of seven will portray 60 total characters over three decades. The cast features Mia Gordon of Noblesville, Debbie Underwood of Carmel, and Tim

Long, Jeff Maess, Tom Riddle, Jennifer J. Kaufmann and Addie Taylor of Indianapolis.

The crew includes: producer, Betsy Reason of Noblesville; stage manager, Anne Auwaerter of Fishers; house manager, Nancy Lafferty of McCordsville; costumes, Addie Taylor and Diane Wilson; lighting designer, New Palestine; lighting operator, Quinten Hobbs of Noblesville; property mistress, Diane Wilson; Props, Molly Kraus, Susie Walden, Jan Borchering and Sherri Byer; sounds designer and operator, Eric Dixon of Indianapolis; set design and decoration, Diane Wilson; set construction, Richard Wilson of Carmel and Doug Whisman of Fishers; set crew, Richard Wilson, Sherri Byer of Noblesville, Tim Long, Jeff Maess, Michelle Maess, all

of Indianapolis; Debbie Underwood of Carmel; Tony Gordon and Alec Gordon of Noblesville; headshots photography, Erin Keller of Fishers.

The show opens Jan. 21 and continues with eight performances through Jan. 31, at 8 p.m. Fridays and Saturdays and 2 p.m. Saturdays and Sundays.

Tickets are \$17 for adults, \$14 for ages 12 and younger and ages 65 and older. Group tickets of 10 or more are also available when booked in advance.

The play will be staged at The Switch Theatre in Ji-Eun Lee Music Academy, 10029 E. 126th St., Suite D, Fishers.

This is the second show in The Belfry Theatre's 57th season for 2021-22.

For tickets, call 317-773-1085 or go online at thebelfrytheatre.com.

— WESTFIELD —

LEGAL NOTICE OF PUBLIC HEARING
Proposed Improvement to State Road (SR) 32 in Westfield, Hamilton County

The City of Westfield and the Indiana Department of Transportation (INDOT) will host a public hearing on Wednesday, January 26, 2022 at the Grand Park Sport Campus Event Center, 19000 Grand Park Blvd., Westfield, IN. The hearing will begin at 6:00 pm. The purpose of the public hearing is to offer all interested persons an opportunity to comment on current preliminary design plans to improve SR 32 in Westfield, Hamilton County, IN. The purpose of the proposed project is to improve corridor mobility along SR 32 through the downtown Westfield area for both motorists and pedestrians alike. Currently, the existing corridor does not provide a safe traveling environment for motorists or pedestrians, as the existing roadway is congested.

As proposed, the project consists of widening and reconstructing SR 32 from just east of the Poplar Street roundabout to just east of Timberbrook Run. Outside of the boundaries of the Stultz-Stanley House (209 W Main Street) and the Westfield Historic District (NR-2521), the existing 2-lane section of SR 32 will be reconstructed to consist of four, 11-to-12-foot wide travel lanes (two westbound, two eastbound), with a raised 13-foot wide center median, curb and gutter, and 8-foot wide sidewalks separated by 6-foot wide grass buffers on both sides of the roadway. Along SR 32 left turns will be restricted with left turn movements only available at Westlea Drive/ Mill Street and Union Street. This reconstruction will result in widening the roadway to the south by approximately 25-feet.

In front of the Stultz-Stanley House (209 W Main Street), SR 32 will be shifted north by approximately 34-feet, and the typical section of SR 32 will remain the same with the exception of no 6-foot wide grass buffer along the south side of the roadway between the sidewalk and roadway. Within the boundaries of the Westfield Historic District (NR-2521), SR 32 will be reconstructed to consist of four, 11-to-12-foot wide travel lanes, an 11-foot wide turn lane, a 2-foot wide raised center curb with 1-foot wide curb offset, curb and gutter, and 8-foot wide sidewalks separated by 6-foot wide buffers on both sides of the roadway. This will result in widening SR 32 to the south by approximately 25-feet and result in the removal of four buildings from the Westfield Historic District: 101 S. Union Street, 102 S. Union Street, 103 S. Union Street and 111 E. Main Street.

Moving east outside of the district, the intersection of SR 32 and East Street will be reconstructed to a two-lane roundabout with 15-foot wide travel lanes (two westbound, two eastbound) with 8-foot wide sidewalks separated by 6-foot wide grass buffers on all sides. North of the roundabout, East Street will be reconstructed to consist of two 11-foot wide travel lanes (one northbound, one southbound) with 6-foot wide sidewalks adjacent to the curb and gutter on the west side of the roadway. East Street will be realigned to provide the appropriate transition into the roundabout as well as to straighten out the existing S-curve along East Street, north of Penn Street. East of the roundabout and extending to just east of Timberbrook Run, SR 32 will be reconstructed to consist of four 11-to-12-foot wide travel lanes (two westbound, two eastbound).

The existing 186-foot long 6-foot tall by 10-foot wide box culvert between Westlea Drive and Camilla Court, which conveys the unnamed tributary (UNT) to Grassy Branch under SR 32, will be replaced with a 220-foot long 6-foot tall by 14-foot wide box culvert to account for the widening of SR 32. Throughout the project area the existing overhead utilities along the south side of SR 32 will be moved underground beneath the new sidewalk.

The Maintenance of Traffic (MOT) plan for the project is proposed as phased construction that will maintain at least one-lane of traffic in each direction during construction. Closure of Union Street and East Street will be required during certain phases of the project. Union Street traffic would be detoured utilizing 181st Street, Wheeler Road/Westfield Park Road, and 169th Street. East Street traffic would be detoured utilizing 181st Street, Wheeler Road, 186th Street, and Grassy Branch Road. Pedestrian detours will be provided during each phase of construction to route pedestrians around the various construction areas. A full closure of SR 32 is currently being evaluated between Poplar Street to Union Street for a period of time during construction to determine if it would minimize the construction timeline, as well as reduce construction costs. If a full closure of SR 32 is determined to be the preferred MOT, the public will be notified of the revised MOT. Access to all properties within and adjacent to the project limits will be maintained at all times during project construction.

The project will require approximately 3.34 acres of permanent right-of-way (ROW) and 1.62 acres of temporary ROW from residential and commercial properties. The project will result in the relocation of thirteen buildings. State and local funds are proposed to be used for construction of this project. INDOT has determined that this project poses minimal impact to the natural environment. An Environmental Assessment (EA) has been prepared for the project. This document and project information can be mailed upon request. The environmental documentation and preliminary design information is available to view prior at the following locations:

1. Westfield City Hall, 130 Penn Street, Westfield, IN 46074
2. American Structurepoint, Inc. website: www.structurepointpublic.com/sr32westfield

Project information, including the hearing presentation, will be available on-line via the American Structurepoint, Inc. website (www.structurepointpublic.com/sr32westfield).

Attendees are advised that face coverings and adherence to CDC guidelines for social distancing are recommended.

Public statements for the record will be taken as part of the public hearing procedure. All verbal statements recorded during the public hearing and all written comments submitted prior to, during and for a period of two (2) weeks following the hearing date, will be evaluated, considered and addressed in subsequent environmental documentation. Written comments may be submitted prior to the public hearing and within the comment period to: Sarah Everhart, at American Structurepoint, Inc., 9025 River Road, Suite 200, Indianapolis, Indiana 46240. E-mail: severhart@structurepoint.com. **The City of Westfield and INDOT respectfully request comments be submitted by February 10, 2022.**

With advance notice, the City of Westfield will provide accommodations for persons with disabilities with regards to participation and access to project information as part of the hearings process including arranging auxiliary aids, interpretation services for the hearing impaired, services for the sight impaired and other services as needed. In addition, the City of Westfield will provide accommodations for persons of Limited English Proficiency (LEP) requiring auxiliary aids including language interpretation services and document conversion. Should accommodation be required please contact Sarah Everhart, American Structurepoint, Inc., 9025 River Road, Suite 200, Indianapolis, Indiana 46240. E-mail: severhart@structurepoint.com.

In the event of inclement weather resulting in hazardous driving conditions, please check the project website at www.structurepointpublic.com/sr32westfield or call Sarah Everhart, American Structurepoint Inc., at 317-547-5580 to learn of any postponement of the public hearing. If the public hearing is postponed due to inclement weather, it will be rescheduled for Wednesday, February 9th at 6:00 pm.

This notice is published in compliance with Code of Federal Regulations, Title 23, Section 771 (CFR 771.111(h)(1)) states: "Each State must have procedures approved by the FHWA to carry out a public involvement/public hearing program." 23 CFR 450.212(a)(7) states: "Public involvement procedures shall provide for periodic review of the effectiveness of the public involvement process to ensure that the process provides full and open access to all and revision of the process as necessary." approved by the Federal Highway Administration, U.S. Department of Transportation on July 7, 2021.

Florence Cecile Fountain

August 19, 1915 – January 10, 2022

Florence Cecile Fountain passed away in Milan, Tenn., on January 10, 2022, at the age of 106.

Florence was born in Montreal, Canada, on August 19, 1915, to Ephrem and Emma Hurtubise. In September 1922 at the age of 7, her family moved to Chicago, Ill. Florence became a naturalized citizen of the United States in 1954.

After graduating from eighth grade, Florence helped her parents survive the Great Depression by cleaning houses. She always regretted not going to high school, but never regretted making sure her parents had food to eat during those difficult years.

Florence married her only love, Alfred Fountain, on September 14, 1935, in Chicago, Ill. Together they raised three children, Fred (Marilyn) Fountain, Richard (Nancy A.) Fountain, and Nancy F. Fountain.

In addition to raising a family, Florence worked at Madigan's store in Chicago during the 1950s. She also sold crocheted items to help raise money for a down-payment on a new house. Florence and Al bought their house in Justice, Ill., in 1957.

Florence then worked at Sears and Roebucks until she had to leave her job to care for her husband after he was diagnosed with cancer. After Al passed in 1967, she moved to Sheridan with her son Richard, and began working at Curtis Automotive Devices, Inc. in Westfield.

Florence worked there until retirement at the age of 60. She then moved in with her daughter in Westfield to help care for her granddaughters. She also worked as a babysitter for several families.

Florence lived in Noblesville for a few years, then moved to Milan, Tenn., to live with her son, Richard.

Florence was preceded in death by her husband Alfred; her son, Fred Fountain; and daughter Nancy F. Fountain; and daughters-in-law Nancy A. Fountain and Marilyn Fountain.

She is survived by her son, Richard Fountain (Milan, Tenn.), grandchildren: Dan (Kathie) Fountain (Middletown, Ind.), David E. (Gina) Fountain (Anderson, Ind.), Sandra (Mark) Turzinski (Wisconsin Dells, Wis.), Sharon (Keith) Isley (Newton, Iowa), David W. Fountain (Branson, Mo.), Catherine (Dave) Mutchler (Florence, Ariz.), Deborah (Tony) Nelson (Aurora, Ill.), Joseph (Lindsey) Fountain (Milan, Tenn.), and James (Haley) Fountain (Milan, Tenn.); 33 great-grandchildren; 14 great-great-grandchildren; and three great-great-great-grandchildren.

Family and Friends will gather to celebrate Florence's life at 3 p.m. on Sunday, January 23, 2022, at East Union Christian Church, 1711 E. 296th St., Atlanta. The committal will follow at Union Cemetery.

TODAY'S BIBLE READING

So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.

See to it that no one takes you captive through hollow and deceptive philosophy, which depends on human tradition and the elemental spiritual forces of this world rather than on Christ.

For in Christ all the fullness of the Deity lives in bodily form, and in Christ you have been brought to fullness. He is the head over every power and authority.

Colossians 2:6-10 (NIV)

John A. Cooksey

October 26, 1950 – January 16, 2022

John A. Cooksey went to his forever home in Heaven on Sunday, January 16, 2022, at the age of 71, in Carmel. His battle with serious medical issues in the last year showed his courage in facing life's challenges with a smile. Despite the pain, John came out a hero and stayed strong until the end. John was born October 26, 1950, in Noblesville. He was the son of Edgar Cooksey, Sr., Fredia Isenhower Cooksey and Stepdad Tommy Lair.

John was a 1968 graduate of Noblesville High School. Following graduation, he served with the U.S. Air Force. After the service, John married his sweetheart, Kay, in 1977.

John enjoyed spending time with the family, fishing, reading, watching old time movies, and going to the casino.

John is survived by his beautiful wife of 44 years, Kay; his brothers, JR and George; and sister, Erna. He was a loving father to his children, Phil (Rose) Boothroyd, Don (Stephanie) Boothroyd, Mandy (Kevin) Brooks, Sarah (David) Stewart, Dawn Cooksey (Mike Cyrus), and Shawn Cooksey.

John was a proud Grandfather to many grandchildren and great-grandchildren.

Visitation will be held from 4 to 8 p.m. on Friday, January 21, 2022, followed by military honors at 8 p.m., at Randall and Roberts Funeral Home, 1150 Logan St., Noblesville. Honoring John's last wishes, there will not be a funeral service. Celebration of life will be scheduled at a later date.

Bill Bailey Lewis

April 3, 1946 – January 11, 2022

Bill Bailey Lewis was born on April 3, 1946, in Huntington, Ind., to the late Fred Eugene and Mary Evelyn Bailey Lewis. He passed on January 11, 2022, in The Villages, Fla.

Bill met his wife, Cheryl Guenin Lewis, in first grade where they attended school in LaFontaine, Ind. They graduated from Southwood High School in Wabash County, Ind., in 1964. They were married on August 28, 1966, at the LaFontaine Christian Church.

Bill went on to attend Purdue University where he graduated with a degree in Mechanical Engineering in 1969. He then entered the United States Air Force where he worked as a missile maintenance instructor at Minot Air Force Base in Minot, N.D. Upon completion of his military service, Bill entered Krannert School of Management at Purdue, graduating in 1974. He worked at Marathon Electric in Wausau, Wis., from 1974 to 1984. Bill and his family then returned to Indiana where he worked as a Project Manager at Ransburg Corporation and Puritan Bennett. He retired from Visteon in 2008.

Bill loved his Boilermakers, working with stained glass, and time spent with his grandchildren. His biggest passion was the game of golf!

Bill is survived by his wife, Cheryl; and his daughters, Kelly (Chris) Pryor and their sons, Ethan and Grant, and Wendy (Mike) Palermo and their daughter, Leah. He is also survived by his siblings, Sharon (Don) Steltz of Clermont, Fla., James (Lois) Lewis of Henryville, Ind., Jerry (Teresa) of West Lafayette, Ind., and Brian (Deanna) Lewis of Fishers; his brothers-in-law, Greg Guenin of Jonesboro, Ind., and Guy Guenin of Indianapolis; as well as many nieces and a nephew and their families.

Visitation will be held from 11 a.m. to 2 p.m., with services at 2 p.m., on Friday, January 21, 2022, at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville. Burial will follow at Hamilton Memorial Park Cemetery in Westfield.

In lieu of flowers, please consider donations to First Tee – Indiana, 9795 Crosspoint Blvd., Indianapolis, IN 46256.

Girls basketball

Tigers win tough battle over 'Hounds

By RICHIE HALL

FISHERS - The girls basketball sectional tournament draw is only four days away, so every game and every opportunity is becoming more important.

Fishers hosted Carmel Tuesday night, and the two teams are both in Sectional 8 - a sectional that has four of the top 14 teams in the latest Sagarin ratings. The Greyhounds gave the Class 4A No. 8 Tigers a tough battle before Fishers was able to pull away in the fourth quarter for a 52-47 victory. In the IBCA one-class poll, Fishers is No. 10 and the 'Hounds are No. 20.

"I felt like it was like, big shot, big shot, big shot there for a while," said Tigers coach Lauren Votaw. "It was fun. It felt like tournament atmosphere a little bit, which was great."

Carmel had been on a seven-game win streak, and after absorbing an early 6-2 Fishers lead (Karina Scott and Olivia Smith made 3-pointers), the 'Hounds took off on a 9-0 run that would keep them ahead for most of the next two quarters. Emily Roper scored the first six points of that run, then Laura Valiente threw in a 3.

The Tigers stopped the run when Morgan Roberts hit a triple, but Hannah Lach scored off a steal to finish the first quarter and give Carmel a 13-9 advantage.

The Greyhounds led 17-11 during the middle minutes of the second quarter before fishers' Joirdyn Smith drained back-to-back 3s to tie the game at 17-17, the only time in the period where Carmel didn't lead. Clarke answered that with a three-point play, then hit another 3 to give the 'Hounds a 23-19 advantage. Hailey Smith kept Fishers close with five points during the final two minutes of the half, but Carmel still led 25-24 at the break.

Votaw said that the Greyhounds' length made it difficult to find openings and attack their zone.

"They do a good job of mixing up the depth of it, the aggressiveness of it and so it keeps you guessing," said Votaw. "They just do a really great job. Credit to (coach) Erin (Trimpe), because she's got them playing that thing really well."

Carmel's Mackenzie Thomas opened the second half with a layin to move the Greyhounds ahead 27-24. Olivia Smith cut it to one with a layin, then a putback from Hailey Smith got Fishers back in front 28-27, and the two teams began trading the lead throughout the third quarter. Clarke made another triple to push Carmel in front 36-34, but the Tigers' Talia Harris and Joirdyn Smith hit consecutive 3s towards the end of the quarter, which finished with Fishers ahead 40-36.

Joirdyn Smith scored the first basket of the fourth period with a jumper.

"I thought that Joirdyn Smith, for the most part, played very well at the point under control," said Votaw. "She did a good job of driving and then when people collapsed on her, she found her open teammates."

Joirdyn Smith said that she's "coming in every morning, after practice I'm staying after, getting extra shots, just fine-tuning my shots before sectionals. And I know as the season goes on, the games get more important, game by game."

Carmel went on a 7-0 run to take a 43-42 lead; Clarke scored five points and Roper got a basket off a steal. But Fishers would finish the game on a 10-4 run; Hailey Smith scored seven of those points during the run. The Greyhounds got within 48-47 after a Clarke jumper, but Harris, Hailey Smith

Fishers' Joirdyn Smith (4) scored 14 points, including four 3-pointers, for the Tigers during their 52-47 win over Carmel Tuesday at the Tiger Den.

and Karina Scott combined for the game's last four points, all from the free-throw line.

"I thought we did a lot of good things, just not enough," said Trimpe. "And they did just a few more of those. Their offensive rebounds in the second half just absolutely destroyed us. Our turnovers, our pass selection, missed layups was obviously a huge problem for us. But we told them, we did all the things to put ourselves in a position to beat a really good team, but we have to figure out how to get over that hump and make those plays to get it done."

Hailey Smith led the Tigers with 15 points, while Joirdyn Smith scored 14 points. For Carmel, Clarke led with 18 points, followed by Roper with 16 points.

Fishers is 15-4 and hosts Avon Saturday afternoon in a Hoosier Crossroads Conference game. The Greyhounds are 12-7 and play a Metropolitan Conference game Friday at Pike.

Handing Bison their first loss of the season . . .

‘Blazers stun Benton Central, 50-44

It was a battle of Top 5 teams Tuesday night at The U Center and the University girls defended their home court as the Class 2A No. 5 Trailblazers handed Class 3A No. 3 Benton Central its first defeat of the season 50-44.

Junior Kelsey DuBois and senior Patty Chikamba led University to their 14th consecutive win. DuBois had 16 points, eight rebounds, seven blocked shots and seven assists. Chikamba had 14 points, eight rebounds, six blocked shots and three assists.

The Trailblazers outscored the Lady Bison, ranked 11th in the IBCA single class poll, by a 14-4 margin in the second quarter to take a 27-15 halftime lead. University led by double digits for more than 17 minutes, from the 3:01 mark of the second quarter until 1:45 remained in the game. The Blazers made enough plays down the stretch to pull out the win, with the final score representing the closest margin since early in the second quarter.

The teams traded baskets in the first quarter with University taking a 13-11 lead after one on Chikamba’s three pointer from

the top of the key with 22 seconds remaining.

Benton Central knotted the score just 12 seconds in to the second quarter before Chikamba put University on top to stay with 6:36 left, sparking a 10-point Trailblazer run. Payton Seay hit a three pointer from the right wing before Emily Adamowicz added a three pointer from the left wing. Chikamba’s basket put University up 23-13 with 3:21 left.

Carlee Musser ended a four plus minute scoreless streak for the Lady Bison with a rebound basket before DuBois ended the first half scoring with four foul shots and a 27-15 halftime lead for University.

University stretched their lead to 17 early in the third quarter. DuBois hit a three pointer, Seay scored a layin off a pass from DuBois and then Kamryn Washington scored on another DuBois assist. The lead ballooned to 37-20 with 4:40 left in the third when the 6-0 DuBois hit her second triple of the third quarter.

Benton Central started to climb back in the game but Jordan Patterson scored and

Chikamba added an old-fashioned three point play with 32 seconds left in the third to put University’s lead back to 16 at 42-26. The Blazers led 42-29 after three quarters.

The Lady Bison stepped up their defensive intensity and held University without a basket for nearly three minutes before Seay scored off an assist from Chikamba. Chikamba added another basket before University went nearly two minutes without scoring. After Benton Central got within 46-38, Adamowicz had a big basket to restore a 10 point lead. DuBois closed out the scoring for University making both ends of one-and-one with 30 seconds left for a 50-40 lead and the Blazers held on.

Seay had nine points and seven rebounds, including five big offensive rebounds. Adamowicz finished with five points and four rebounds, Washington had four points on 2-for-2 shooting. Patterson had just two points but contributed five rebounds and three assists.

The win improves University to 16-2 on the season. The Trailblazers have won 14 in a row and are next in action Saturday morn-

ing at Yorktown with an 11:30 varsity tip. Benton Central lost for the first time in 22 games. Sarah Gick had 16 points and Tressa Senesac 10. The Lady Bison will play Friday night at Hamilton Heights in the Hoosier Conference championship game. Tipoff in the Husky Dome is 7:30 p.m.

Balance leads GC to victory over Patriots

Guerin Catholic picked up a win over Bethesda Christian 51-36 Tuesday at the Eagles Nest.

The Golden Eagles got out to a strong start, leading 14-5 after the first quarter, then held a 24-13 advantage at halftime. Kathryn Loso and Mia Thompson both scored eight points; Thompson’s total included two 3-pointers. The Patriots cut into GC’s lead slightly in the third quarter, but the Golden Eagles were still up 36-27 going into the fourth, and they pulled away by outscoring Bethesda 15-9 in that period.

Loso finished the game with 13 points, while Thompson scored 10. Thompson and Hannah Weitzel both made two 3s. Weitzel and Natalie Fernandez each added eight points, while Katie Koger scored seven as the Golden Eagles had solid balance.

Guerin Catholic is 10-8 and will now

prepare for a weekend of back-to-back Circle City Conference games on the road. The Golden Eagles play at Brebeuf Jesuit on Friday and at Bishop Chatard on Saturday.

Buckley: “They responded to the challenge”

Millers get rebound win over Raiders

Noblesville rebounded after a tough Friday loss in a big way Tuesday, as the Millers blasted Harrison 69-26 in their final home game of the season at The Mill.

Noblesville, ranked No. 6 in Class 4A and No. 7 in the IBCA one-class poll, took care of this contest early. The Millers led 20-8 after one quarter and 41-14 at halftime, then cruised ahead 53-20 after three periods. Noblesville didn’t allow the Raiders more than eight points in a quarter.

Millers coach Donna Buckley said her team played “much better” than it did last week, especially in a Friday defeat to Zionsville.

“I thought our kids really came out and understood what we need to do to be successful,” said Buckley, who also said that her team is “trying to do the right things on both ends of the floor.”

Ashlynn Shade led Noblesville with 21 points, and also had eight rebounds and six steals. Kaitlyn Shoemaker drained three 3-pointers on her way to 14 points. Reagan Wilson had 10 points, six assists and five steals.

Ava Shoemaker collected nine rebounds, while Meredith Tippner pulled six and Dani Mendez five. Tippner also dished out four assists and Brooklyn Smitherman

had two blocked shots.

“We challenged them the last two days, so they definitely responded to the challenge that we gave them,” said Buckley.

Noblesville is 16-4 and plays its final Hoosier Crossroads Conference game of the season Saturday at Franklin Central.

Royals beat LN

Hamilton Southeastern beat Lawrence North 79-52 in a Tuesday away game.

Results from the game were not available at press time and will run in a later edition. The Royals are 12-7 and host Zionsville Friday in their final Hoosier Crossroads Conference game of the season.

Millers gymnastics opens season

The Noblesville gymnastics team opened its season with a three-team meet against Bloomington South and Guerin Catholic Monday at Bloomington South.

The Millers finished second in the meet with a score of 90.675. Bloomington South won with 101.175 while the Golden Eagles, competing with one gymnast, scored 23.50.

Noblesville’s highest score of the night came on vault, typically its strongest event. Senior Hailey Knoll scored an 8.40, good for fourth place, while freshman Charlotte Moise was fifth with an 8.325. Moise had the highest place of the night, as she took third on the uneven bars with a 7.65. Lyrric Barnett placed fifth on bars.

Millers coach Jody Kiovisky said she “was pleased to see our team perform as

well as we did” for its first competition on bars, as they struggled with it last season. “I am hopeful that this sets the tone for us on bars,” said Kiovisky.

Barnett finished fourth on the balance beam, including a “beam stick,” while Knoll took sixth on that event. Knoll placed fifth in the floor exercise, with Moise taking sixth. Knoll scored 30.50 in the all-around, followed by 30.025 for Moise and 29.875 for Barnett.

Kiovisky said that she was very pleased overall. “We have great potential with this team as we move forward into the competition season,” she said.

Guerin Catholic sophomore Harleigh Abbott represented the Golden Eagles at the meet. Abbott totaled 23.50 for her all-

around score; her best score was an 8.175 on vault.

Noblesville’s next meet is Monday, when it hosts Lapel in the Millers’ home opener.
