Filling a new position in the city, Taylor's time will be focused on attracting the right companies and partners to Noblesville, extensive relationship building, and supporting existing businesses in Noblesville. Taylor earned her undergraduate degree in communications from IUPUI. She has a background in real estate with a focus on construction and development projects in and around Central Indiana.

"I'm very excited to serve the City of Noblesville on the economic development team," Taylor said. "We have a group of extremely talented and dedicated leaders who truly care about our city, its businesses, and most importantly the people. I'm excited about the road ahead and what's to come next in our great city. I look forward to using my experience in the commercial development and construction sectors toward growing our city and our relationships."

Taylor, her husband, Daniel, and their two children live in Noblesville and enjoy boating and spending time outdoors on Morse Reservoir.

Lions go all-in on biggest charity poker event to hit the Midwest

The REPORTER

The Westfield Lions Club's first Poker for Sight Tournament in two years was a "roaring" success - Lion pun intended. Over 650 players from all over North America came together at the Hamilton County Fairgrounds on Friday and Saturday, Nov. 19 and 20, 2021, to participate in what is believed to be the largest charity poker competition in the Midwest.

Prior to last November, the previous Poker for Sight tournament was in November 2019 as the COVID pandemic forced the Lions to temporarily shutter all Poker for Sight events.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. Noblesville reader: No injecting school boards with politics

Dear Editor:

In regards to partisan school boards, follow the money.

Over a century ago, education was deemed so important that legislatures everywhere were pressured to set up entirely separate funding mechanisms for schools. At the time, parents were concerned that tics into school board races. education needed a reliable and continuing stream of money, separate from roads, public safety, and the pork barrel. School boards were a further manifestation of

Mary Anne Ogle

November 7, 1925 - January 22, 2022

Mary Anne Ogle, 96, Sheridan, passed away on Saturday evening, January 22, 2022, at Wellbrooke of Westfield. Born on November 7, 1925, in Clinton County, Ind., she was the daughter of the late David and Ethel (Smith)

Mary Anne was a 1943 graduate of Sheridan High School. She

was an active member of the Sheridan First United Methodist Church, where she belonged to the Women's Circle. She was also a member of the Sherettes Home Ec. Club and enjoyed playing cards with her husband at Euchre Club.

Mary Anne was a dedicated farm wife, assisting her husband with all their farming responsibilities – that was, until their son Aaron came

along. It was then that she decided to retire from her farming duties and take on the role of professional homemaker and mother. Taking care of her growing family and home were the most important priorities in her life.

Mary Anne is survived by her son, Aaron David Ogle (Cindy) of Sheridan; daughter, Karen Elizabeth Arthur of Fort Wayne; grandchildren, Michael Arthur (Leeann) of Dunkirk, Md., Rebecca Arthur-Kaverman (Steve) of West Lafayette, Maggie Ogle-Herrington (Robert) of Noblesville, and Adam Ogle (Tamara) of Cutler, Ind.; 10 great-grandchildren; and sister-in-law, Alice Lecklitner.

She was preceded in death by her parents; brothers, David Lecklitner and Don Lecklitner; son-in-law, Gerald Arthur; and by her loving husband, David Paul Ogle, on October 27, 2002. He and Mary Anne were married on August 25, 1945.

Services will be held at 1 p.m. on Saturday, January 29, 2022, at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with Visitation from 11 a.m. until the time of Service. Burial will follow at Crown View Cemetery in Sheridan. Pastor John Meunier will be

Betty Charlene Lindenmayer December 17, 1925 – January 19, 2022

Betty Charlene Lindenmayer, 96, Frankfort, formerly of Sheridan, passed away on Wednesday evening, January 19, 2022, at Clinton House in Frankfort. Born December 17, 1925, in Sugar Creek Township of Clinton County, Ind., she was the daughter of the late Hersal "Heiny" and Nellie M.

Betty graduated from Sugar Creek High School in 1944. Soon after, she traveled to Illinois for a performance on one of the local radio stations. It was in that moment a performer was born. For Betty, playing music was as natural as taking a breath. She would sit and play with her grandfather for hours as a child, developing her musical skills and a genuine love for "old timey" music. Betty could play piano and organ, but she could make a stringed instrument sing. Fiddle was her favorite, and it showed. She

earned numerous trophies and awards throughout her life, including winning the Indiana State Fair Old Fashioned Fiddler's Competition. Using the stage name Betty Lin, she quickly started making a name for herself in Bluegrass and square dance circles. In 1971, she began traveling to Renfro Valley, Ky., to play on their weekly radio show, The Renfro Valley Barn Dance. It was during those years that she released her live album, Country Violin. In 1979, she helped establish the New Coon Creek Girls. Betty Lin eventually left the group she helped found, going on to play with many others acts throughout her career, including The Country Sunshine Band, The Sunny Valley Gang, and Loretta Lynn. Her reputation as a performer can be summed up with the greatest compliment a musician could hope to hear - whenever the name Betty Lin would come up in conversation, the universal response was, "She was one heck of a fiddle player."

Betty did have other interests outside of music, including collecting Native American jewelry and artifacts. She also loved to entertain, which made her the perfect Tupperware representative – a position that she held for 20 years.

Music may have been Betty's passion, but her family was her heart and soul. Her strong faith, along with the love and support of her family, helped her live her dream. She was a people person who loved nothing more than when her friends and family could get together to tell stories, enjoy being in each other's lives, and of course, play some good music.

Betty is survived by her sons, Gary Allen Lindenmayer (Janet) of Sheridan, and Chris Morton Lindenmayer (Kathy) of Frankfort; grandchildren, Roy Lindenmayer (Lindsey) of California, and Crystal Lindenmayer of Frankfort; great-grandchildren, Austin Cearlock of Peru, Annissa Lynch (Andrew) of New Ross, Kendra Gregory of Ft. Wayne, Christian Lindenmayer of Frankfort, Kyle Lindenmayer of California, Gianna Lindenmayer of California, Lilly Lindenmayer of California, and Knox Lindenmayer of California; two great-great-grandchildren, Camdyn Cearlock of Peru, and Freya Lynch of New Ross; brother, Morris W. Buzan (Karen) of Sheridan; and many nieces and nephews.

She was preceded in death by her parents; sister, Lilalee Wright; brothers, Gene W. Buzan and wife Phyllis, and Warren L. Buzan and wife Judith; grandchildren, Ray Lindenmayer and Tami Lindenmayer; and by her husband, Roy M. Lindenmayer, on December 24, 2014. She and Roy were married on November 2, 1942 and spent the next 72 years by each other's side.

Private family services will be held on Wednesday, January 26, 2022, at Kercheval Funeral Home in Sheridan. Betty will be laid to rest at Crown View Cemetery in Sheridan. Pastor George Cooper will be officiating.

Des. No.: 180142 LEGAL NOTICE OF PUBLIC INFORMATION MEETING New Interchange Construction at 146th Street and Allisonville Road Hamilton County, Indiana

Hamilton County will host a public information meeting on Wednesday, ebruary 9, 2022 at the Delaware Township Community Center, 9094 East 131st Street, Fishers, IN 46038, the information meeting will begin at 6pm and will conclude by 7:30pm. The purpose of the information meeting is to offer all nterested persons an opportunity to review current preliminary design plans to nterested persons an opportunity to review current preliminary design plans to ntersection of 146th Street and Allisonville Road in Hamilton County, Indiana. The public information meeting presentation will also be broadcast virtually at the following weblink: https://tinyurl.com/nxaht89v.

The need for the project is based on the overall function of the 146th Street and Allisonville Road Intersection. This intersection operates poorly under peak hour raffic conditions. Traffic counts were collected at the project intersection in early December of 2017. Based on the traffic data, it was determined the traffic signal s metering the traffic flow, and the demand on the signal is greater than what is currently being served.

currently being served.

The projected 2023 AADT for 146th Street is 37,102 vehicles per day and Allisonville Road is projected to be 15,675 vehicles per day. Traffic is projected to increase to 48,549 vehicles per day along 146th Street and 20,511 along Allisonville Road by the year 2043. The intersection is congested during peak hour traffic (5:00 p.m. -6:00 p.m.) traffic. The predicted capacity issues will result in user delays and could result in traffic patterns shifting to other roadways.

The project will construct 146th Street over Allisonville Road via a new express bridge. There will be avit and entrance ramps connecting 146th Street.

verpass bridge. There will be exit and entrance ramps connecting 146th Street to the roundabout on Allisonville Road below. Further, the project will include ew storm sewer systems throughout the entirety of the project limits, whose pipe networks will discharge into the White River. New or reconstructed 8-foot-wide HMA pedestrian paths will be installed on the west, south, and east legs of the project. The project will also include the reconstruction of the northern portion of the roadway that circles the Northridge Retirement Facility in the southwest quadrant of the intersection, a new entrance to the Willow Crest neighborhood n the southeast quadrant of the intersection, and a new frontage road to provide access to six residential properties in the northeast quadrant of the intersection. The westbound (29-0230W) and eastbound (29-0230E) bridges carrying 146th Street over White River are located approximately 900 feet west of the Allisonvill Road intersection. Under Des. No. 1801865 (westbound) and 1801866 eastbound), these bridges would be widened to accommodate the additions of both an acceleration and deceleration lanes.

The Maintenance of Traffic (MOT) plan for the project involves closing northbound/southbound traffic on Allisonville Road. SR 37 will provide an alternative route for northbound/southbound traffic. The following is a description of the traffic sequencing during construction:

Phase 1: Construct crossover pavement in the grass median west of Allisonville Road. Remove median curbs along 146th Street and Allisonville Road within the

Phase 2abc: Traffic will be shifted on existing pavement to allow the construction of the ramps offline. Two lanes of traffic will be maintained in the eastbound and westbound directions, while one lane will be maintained in the northbound and southbound directions. Right turns will be allowed for every direction during this phase. The 146th Street Bridge over the White River will be widened during this shase and traffic will be shifted on the bridge during several sub phases to allow

Phase 2d: Allisonville Road will be closed to construct the pavement connecting he newly constructed ramps. Two lanes of traffic will be maintained in each lirection on 146th Street.

Phase 3a: Allisonville Road still closed to construct the rest of Allisonville Road the north and south and the piers for 146th Street bridge over Allisonville Road Two lanes of traffic will be maintained in each direction on the newly constructed

Phase 3b: Allisonville Road is reopened with one lane north and southbound with right turns only. 146th Street traffic remains on the ramps while 146th Street, he retaining walls, and the bridge are constructed.

Phase 4: Traffic is open in all directions with some single lane closures to allow

for removing temporary pavement throughout the project; finalize curb, gutter, and pedestrian path construction; reconstruct center curbs; and to allow milling and verlay on the eastern end of the project. The preferred project alternative will require 1.7 acres of additional nev

ermanent right-of-way, 1.11 acres of temporary right-of-way and 16 relocations f which 11 have already been acquired in anticipation of the project. Federal and local funds are proposed to be used for construction of this project. A Categorical Exclusion (CE), Level 4 environmental document is being prepared for the project. The preliminary design information is available to view prior to the

Ten 3-pointers for each team...

'Rocks win hot-shooting game over Millers

By RICHIE HALL

NOBLESVILLE - It has to be an Indiana thing: Whenever the weather gets really cold, basketball teams get really hot.

There was plenty of hot shooting at The Mill in Noblesville on Tuesday, as the Millers hosted Westfield in a Hoosier Crossroads Conference and all-county game. outside, with each side making 10 3-pointers in total.

But the Shamrocks, ranked No. 7 in the IBCA one-class poll and No. 10 in the Associated Press Class 4A poll, made several other baskets, and finished with a convincing 69-52 victory over Noblesville. It was a significant win for two reasons.

First, Westfield is having to adjust to playing without Braden Smith, who is sidelined for the next few weeks with a foot injury. Smith was there to cheer on his team from the bench during the game.

And the second reason?

"A lot of people probably don't realize this: This is our first conference win this year," said Shamrocks coach Shane Sumpter. Westfield was 0-3 in HCC play before finally breaking through on Tuesday.

The 'Rocks never trailed during the contest. Cam Haffner scored the game's first baskets, both on floaters, to give Westfield a 4-0 lead. Aaron Fine got the Millers on the board with a three-point play.

The Shamrocks slowly built their lead throughout the game, outscoring Noblesville in each quarter. Westfield never went on any long runs during the game; in fact, a 7-0 run at the start of the second quarter was their longest spurt of the game. But the Shamrocks did have several instances of

with really one practice since we haven't had Braden," said Sumpter. "We've played two really good basketball games where we've moved the basketball, we've shared the ball. We've done a lot of good things, and that's all we can do. We played really well tonight. We made a lot of shots.'

A Haffner 3 put Westfield up 11-5 late Both teams were shooting the ball well from in the first quarter before Fine's layin and a Luke Almodovar steal and dunk cut the lead to 11-9. That would be the score at the end of the first period, and that's when the 'Rocks went on their 7-0 run. Sam Bishop drained a 3, then Alex Romack hit two free throws and Haffner scored on a jumper.

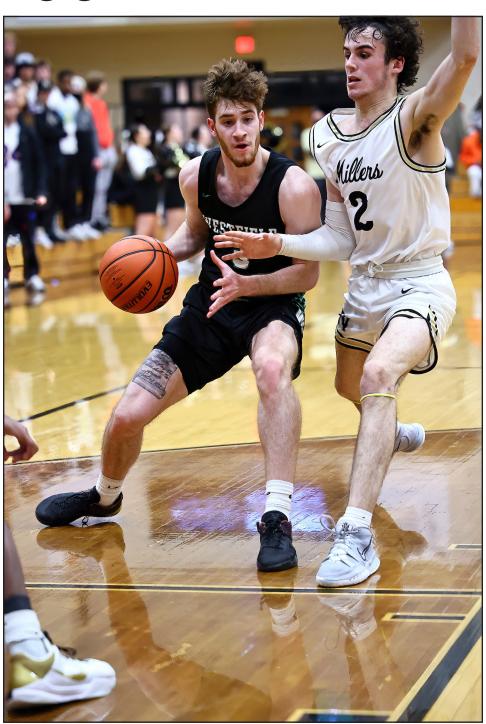

Everyone was getting into the act. Reiner Obray came off the bench in the second quarter and made a 3-pointer to push Westfield's lead into double digits (23-12) for the first time. Almodovar began heating up for the Millers in the second period as well, pouring in 14 points (including four triples). His fourth 3 got Noblesville within 30-25, but Haffner's jumper and Bishop's and-1 with 0.6 seconds left in the half gave Westfield a 35-25 advantage at the break.

The pattern continued in the second half. Westfield threw in four more 3s in the latter half of the third quarter, with Haffner making two and Bishop and Trey Buchanan each making one. Almodovar hit two 3s for Noblesville, and Fine had a triple as well. But Haffner had the last word, and his second 3 of the quarter gave Westfield a 53-37 lead heading into the fourth.

Haffner threw in three more 3s in the fourth quarter. He finished the game with six triples and lead all scorers with 32 points. Romack had 16 points and Bishop

Westfield's Cam Haffner (left) and Noblesville's Luke Almodovar (right) both had hot shooting night during the Shamrocks-Millers game Tuesday night at The Mill. Haffner scored 32 points in Westfield's win and made six 3-pointers, while Almodovar scored 25 points and made seven 3s.

GC boys beat Lions for third straight win

Guerin Catholic picked up its third consecutive win on Tuesday, beating a solid Liberty Christian team 68-58 at the Eagles

The Golden Eagles led 19-14 after the first quarter, then extended their lead in the second period, going up 37-25 by halftime. Guerin Catholic then led 55-36 after three quarters. The Lions cut into GC's lead in the fourth quarter, but the Golden Eagles were able to stay firmly in control.

Will Grissom had an ousttanding game, scoring 31 points and collecting seven rebounds. Two more Guerin Catholic players reached double figures: Kamea Chandler added 11 points and Lucas Parker contributed 10 points. Jack Cherry and Patrick Baird both collected five rebounds and Robert Sorensen handed out four assists.

The Golden Eagles are 9-6 and host Lafayette Central Catholic Friday in a girlsboys doubleheader.

'Rocks win regular-season finale at Ben Davis

wrapped up its regular season with a 56-42 win Tuesday at Ben Davis.

The two teams played to an 11-11 tie after the first quarter before the Shamrocks, ranked No. 7 in the ICGSA Class 4A poll and No. 8 in the IBCA one-class ratings, jumped ahead in the second period to take a 28-22 halftime lead. Westfield then had a solid defensive third quarter, holding the Giants to nine points. That allowed the 'Rocks to hold a 43-31 advantage after three periods.

Alyssa Crockett led the Westfield scoring with 15 points and seven rebounds. Hailey Remaks was right behind with 14 points and also made five steals. Emmrey Collinsworth added nine points. Olivia Robey handed out five assists and blocked two shots.

The Shamrocks finished the regular season 18-4 and will host Sectional 8 next

Westfield's girls basketball team week. Westfield drew a bye and will play the winner of next Tuesday's Hamilton Southeastern-Fishers first round game in the Friday, Feb. 4 semi-finals.

'ROCKS

Almodovar made seven 3-pointers for busy week with two more home game the game and finished with 25 points. Fine First, Noblesville hosts Hamilton Southscored 12.

"They deserved to win," said Noblesville coach Scott McClelland. "The tougher team won tonight by far. They just kicked us all night. They just out-toughed us. They wanted it more. Credit to their kids and their coaching staff. They just kicked us."

Westfield is now 12-4 overall. The Shamrocks return home on Friday for another HCC game against Avon, then host a good Liberty Christian team on Saturday. Sumpter said his team will have to "grind away and figure out how to get better. Hopefully at the end of the year, it's going to make our basketball team better."

The Shamrocks will also be waiting to see if Smith will be ready to go as well.

"It's all about playing the waiting game and seeing how he heals right now, so he'll go back in a few weeks and see if he's healed up," said Sumpter.

The coach knows that it's difficult for Smith not to be playing.

"He's the one who's hurting the most out of all this, because he's not being able to play the game that he loves with the guys that he loves," said Sumpter. "We're going to play hard. We're going to play hard for him and play hard for each other and show up, and that's all we can do and that's what we did tonight from start to finish."

Noblesville is 2-2 in conference play and 7-7 overall. The Millers also have a from Page 8
