Get out there and vote

The REPORTER
Today is Primary Election Day. While voting is a right, it is also a responsibility, and Hamilton County's Hometown Newspaper is offering you as much information as we can so you can make an informed decision at the polls.
Early voting numbers have been low, and in-person turnout is expected to be low as well, but that is no excuse for you – yes, you right there . . . the one who

has not voted yet – to get to the polls and cast your ballot.
Many candidates have ads in today's special edition and our thanks go out to them both for supporting local, independent news, as well as for engaging with voters.
The resources we have assembled to help you make your

choice include:
• A list of everyone on both the Republican and Democratic ballots on Page 2
• The complete list of polling locations on Pages 6 to 8.
• An abundance of candidate bios on Pages 9 to 12
• Road construction information that could impact your

drive to the polls, which you can see below
According to Hoosier Weather Daddy Paul Poteet, today will have periods of showers and storms. Strong storms and heavy rainfall are possible with an afternoon high of 74. Tonight will bring scattered showers and storms in the evening, then it will turn mostly cloudy with a low 48. No more excuses. Get out there and vote, Hamilton County. Our republic needs you.

Low voter turnout likely for primary

Primary elections do not often bring voters to the polls in record numbers, but with less than a week until this year's May 3 primary there are indications this year's will see among the lowest turnout in years. That's unfortunate because primaries are so important in Hamilton County.

FRED SWIFT
The County Line

Historically, elected officials in our county are chosen in the Republican primary. Democrats have little success in the November general election, and thus the winners of the GOP primary are almost certain to become our next elected leaders.

Election watchers can usually predict when a big or small election day turnout is likely. For example, this year only about 1,800 citizens have voted early. Hamilton County has more than 200,000 registered voters on the rolls. Candidates can also get a feel for voter interest as they travel the county, and most see something less than great enthusiasm this year.

One reason for the apparent low interest is the lack of burning issues that bring voters to the polls. Add to this the fact that there are relatively few contested races, but there are a few contests on the GOP ballot that appear very competitive.

Major traffic change at 116th Street and Range Line Road in Carmel

Currently, there is no access to Range Line Road from 116th Street

The REPORTER
The 143rd roundabout at Range Line Road and 116th Street began construction on Monday, May 2.
There is also a significant traffic switch on South Range Line Road between Medical Drive and 116th Street.
The roundabout at 116th Street will be constructed one half at a time with east/west connectivity maintained for the duration of the approximately 110 days of work.
What does this mean?
• The northern half of the roundabout will be constructed with continued vehicular traffic on 116th Street and limited connectivity to

Westfield Boulevard. Therefore, southbound Range Line Road will not have access to this intersection.
• Drivers traveling eastbound on 116th Street will be able to turn south onto Westfield Boulevard or continue eastbound on 116th Street.
• Drivers traveling northbound on Westfield Boulevard will only be able to continue east on 116th Street.
• Drivers traveling westbound on 116th Street will only be able to continue westbound for the first 60 days or so of the project while the north half of the intersection is being completed.

Stories from the political front

Having lived through several elections, experience has taught me that one cannot always tell jokes during the political season without having the joke misconstrued or misused by political opponents.

RAY ADLER
Ask Adler

Years ago, I made what I thought was a casual joke that I was helping a local candidate so that I could be appointed administrator of Riverview Hospital. Pushback came within days from those who took it as a serious statement.
Sometimes a joke is merely a physical event at an inappropriate time. For instance, I remember the packed house where one prominent politician was accused of being full of hot air and promptly blew a large amount of "wind," causing those nearby to nearly turn over the tables in an effort to get away.
One of my favorite local attorneys once jokingly counseled me that when putting up yard signs in favor of a candidate, one should act in the most environmentally correct way. By that he explained, you should put up two signs and harvest only one.

GOP energy unmatched for 2022 elections

Hamilton County Republican Party Chair Mario Massillamany thanked this year’s Lincoln Day attendees for their faithful support, and he had a few special words for everyone who made the dinner possible:

“As Hamilton County Republican Party Chairman, I want to give a heartfelt thank you to everyone that helped put together the biggest Lincoln Day Dinner ever in Hamilton County. Thank you to our Central Committee, sponsors, club members, elected officials, candidates, and our wonderful hardworking volunteers: Lisa Everling (Vice Chair), Beth Sheller (Secretary), Lisa Elmore (Executive Assistant), Lora Cooper, Madeline Priest, Cathy Black Boone, Paul Hevesy, Dee Kirkland, Dawn Lang, Tom Fritts, Evelyn Hoffman, Dawn Rogers, Sheryl Clifford, Tina Mangos, Trini Beaver, Angie Frazier, Emily Pearson, Andrea Goetz, Chris Elmore, Kathy Ray, Denise Moe and the staff from Embassy Suites, Scott Wilcox and the Fishers Police Department, Travis Rogers, and everyone that donated (and bid on) auction items and our 50/50 scholarship raffle. Also, to everyone that attended and made this the biggest Lincoln Day Dinner ever.”

The Hamilton County Republican Party Lincoln Day Dinner and VIP Reception was held on April 19 at the Embassy Suites Conference Center, 13700 Conference Center Drive South, Noblesville.

With over 720 attendees, it was the largest crowd in Hamilton County GOP history. Well done, Chairman Mario Massillamany, Vice Chair Lisa Everling, Secretary Beth Sheller, staff, and volunteers.

“Lincoln Day” is an annual event celebrated by many Republican organizations, designed to honor President Abraham Lincoln, the first Republican President.

“I feel Hamilton County’s success is the result of the continuity and cooperation among our conservative, forward-thinking Republican leadership,” County Commissioner Christine Altman said. “No other county in the state even comes close to the growth that we have experienced in the last 20 years and in the economic investments that we

have been able to acquire.”
“We are blessed to be No. 1 in many categories, with the safest communities, best schools, best roads, low taxes, and high quality of life – all the while maintaining fiscal responsibility and stability,” County Commissioner Mark Heirbrandt said. “We are well positioned for the future while being one of the fastest growing counties in the nation.”

Not only is Hamilton County the fastest growing county in the state, the cities of Carmel, Fishers, Noblesville and Westfield are among the fastest growing cities in Indiana. The leadership of Republican County Commissioners, Council and Mayors has strategically earned Hamilton County’s place in the state and in the nation as a thriving economic driver with a unique mix

of urban, suburban and rural and a high quality of life.
“What a fantastic way to celebrate the successes of Hamilton County and to look forward to our bright future under good Republican leadership,” County Councilor Steve Schwartz said. “We will continue the teamwork that has propelled Hamilton County to have been continually voted as one of the top places to live in the entire country.”

by a former Marion County deputy prosecutor, Greg Garrison, and in the contest for judge of the newly created Superior Court 7, court magistrate Darren Murphy and local attorney Stephenie Gookins are vying for the Republican nomination.

And, for County Council District 3, incumbent Steve Schwartz is being challenged by businessman Mark Hall in what is seen as a potentially close race.

The Democratic ballot has no contests at the county level, and almost no candidates. The party has another two months to fill its ticket but doing so may be difficult as potential candidates may see a trend toward the GOP this year. Usually, Democrats do not field candidates for judge, prosecutor and some other major offices.

An election office official pointed out this week that from a cost standpoint, it will be unfortunate if the primary has few voters because elections cost the same amount whether there is large or small participation.

STORIES

from Page 1

I had become crosswise with one prominent politician years ago and so did not attend his funeral. A friend of mine reported that he had attended. I asked him why he had done so as I thought he too was crosswise with the deceased. He reported that it was the largest funeral that had ever occurred in Hamilton County. When asked how many attended, he said that he counted five mourners, and the rest of the remaining crowd had attended to make sure.

Holding political office is serious business but sometimes a deft response answers questions without really answering them.

A reporter once asked Abraham Lincoln if he polished his own shoes. Lincoln replied, “I sure don’t polish anyone else’s.” Another time, a candidate was asked, “Are you in favor of abortion?” He replied, “Some of my friends favor abortion and some of my friends are against abortion and I will always stand with my friends.”

In this political season, let us remember the words of former sheriff candidate, Bill Clifford, who said, “We were friends before the election, we’ll be friends afterward, so let’s all act like we’re friends.”

Meet the Candidates

Step right up, ladies and gentlemen! It's election season once again, and this year we have a fine selection of local, state, and national candidates for you – our readers – to get to know.

Jeff Jellison

Republican for County Coroner

I am the current Hamilton County Chief Deputy Coroner with seven years of experience as Deputy Coroner. I have 13 years of law enforcement experience, am a certified Medical-Legal Death Investigator, and an Indiana Law Enforcement Academy graduate. I have death investigation training from Northwestern University, Indiana University, Federal Bureau of Investigations, and Indiana State Coroner's Association.

Connect with Jellison at
JellisonforCoroner.com and on Facebook.

Ned P. Masbaum, M.D.

Republican for County Coroner

My interest in running for Coroner developed from a personal family tragedy that occurred in Hamilton County less than six months ago. A young family member died, and his death was not ruled a crime by the Coroner nor did the recorded cause of death make sense from my medical perspective. The role of Coroner is to investigate causes of death, such as violence, accidents, suicide, homicides, etc. that are not natural. I decided to do my own investigation. It was my opinion based on reasonable medical certainty, that a crime had been committed by one or more persons causing my family member's death. About that time, I realized the position for Coroner with medical and psychiatric training is best equipped for the job to bring justice. I can direct a standard physical autopsy as well as provide a psychological autopsy to provide the best medical diagnosis of the manner and cause of death.

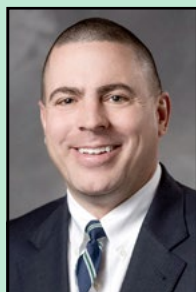

Connect with Masbaum at forpnpsych.com or by emailing npmmd@forpnpsych.com.

D. Lee Buckingham II

Republican for County Prosecuting Attorney

I am a good candidate because I have served as the Hamilton County Prosecuting Attorney for the last 11 years. During that time, my office has worked together with law enforcement throughout the county to ensure that crimes are aggressively but fairly prosecuted.

Through this cooperation and teamwork, Hamilton County has remained a very safe and wonderful place to live, work and raise a family. In 2021, all four cities finished in the top seven on the list of safest cities in Indiana.

I am the only candidate with experience working in the Hamilton County Criminal Justice System. My 27 years of service to the citizens of Hamilton County, coupled with my office's proven track record of success, makes me the only truly qualified candidate for prosecuting attorney.

Over the last 11 years as prosecuting attorney, I have led a highly effective and efficient office that has completely transitioned to the digital world, all while remaining under budget each and every year. Over \$2.4 million has been returned to county general fund over the last 11 years.

I will always do everything possible within the strict legal and ethical boundaries I live by to keep Hamilton County safe.

Greg Garrison

Republican for County Prosecuting Attorney

The prosecutor of Hamilton County must be focused at all times on the protection of our citizens.

Currently, there are violent crimes within the county that are going unprosecuted. As we are seeing more and more crime coming from Marion County, the priorities of the prosecutor's office need to change right now.

My entire legal career has been dedicated to criminal prosecution. I have 50 years of experience in the prosecution of felonies across Indiana. I have tried high profile death penalty murder cases as well as successfully prosecuted Mike Tyson for rape in Marion County. I won't back down from a tough case.

I will focus on protecting citizens from violent crimes, build a rapport with law enforcement to prepare stronger cases for prosecution and train the next generation of deputy prosecutors so as to leave Hamilton County safer for our children and grandchildren.

I am experienced, passionate and trusted. Hamilton County will be safer, now and in the future, with me, Greg Garrison, as prosecutor.

Joe Arrowood

Republican for Noblesville Township Board

I served two terms on the Noblesville Township Board, and I've certainly enjoyed being a board member. I've been in the community for about 40 years, and I've served on a variety of boards. I volunteered and worked downtown as a Main Street director for about nine years, and I was a Boys and Girls Club director for about 22 years, so I've been in the community for a long time. I'm both in the Lions Club and the Kiwanis Club and I've been past president of both of those clubs. We've established a lot of things where we give assistance to people by providing emergency shelters to those who don't have any place to go. I've helped with the grants that were given out by the government on COVID-19 relief for rents and utilities and that's part of our duties throughout the year. I've really enjoy seeing that we are helping the Township out and our staff does a tremendous job on taking care of people in the Township and it's a rewarding feeling. I just want to give back to the community and I've certainly enjoyed doing this as a board member.

Peggy R. Pfister

Republican for Noblesville Township Board

I have a calling to make a difference for those Noblesville residents with the greatest needs. I've been involved with the Good Samaritan, Hamilton County Republican Women, Noblesville Chamber of Commerce, as well as the Grace Community Church Outreach and Food Pantry. I am an avid supporter of the Forest Park Aquatic Center and Youth Assistance in addition to various other social services.

I have experience in local and county government, and currently serving on the Noblesville Township Board. I have contributed to lowering tax prices for the last three years, establishing scholarships for low-income students graduating Noblesville High School and Overseeing Federal COVID relief grants for rents and utilities. I am dedicated to improving mental health programs and counseling, affordable housing, including homeless and expanding low-income housing, and creating more effective programs fighting drug addiction in our community. I believe you cannot overlook the importance of a connected community and knowing someone cares. I want you to know I truly care.

Mary Sue Rowland

Republican for Noblesville Township Board

I was born and raised in Noblesville and graduated from Noblesville High School in the top 10 percent of my class. I attended Ball State University, married, raised my family and co-founded Rowland Printing with my husband Ted. We are celebrating 50 years this year at our same location in Historic Downtown Noblesville. Our sons now own and operate the business. In business, public service or community service, my passion is my community and how I can help. Now retired from my work and public service, I would like to contribute once again to my community by serving on the Noblesville Township Board. From 1988 to 1996, I served as Mayor of Noblesville in addition to three terms on the City Council. I want to help provide for our citizens by filling a seat on the Noblesville Township Board and use my experience to help fill the needs of people who need it the most. Serving the people is my passion and my work.

Connect with Rowland by calling (317) 877-4126 or mailing her at: Mary Sue Rowland, P.O. Box 69, Noblesville, IN 46061.

Paula Jo Gilliam

Democrat for Noblesville Township Board

I have put my name in because I am of the people, by the people and for the people. I have lived most of my life here. I am a single mother who went from low income to middle and back to low. I worked at Delco Remy Anderson until they decided to start sending jobs to Mexico. I have moved twice and worked at Corvette, then got rid of second shift 200 people. I then moved to Norwood that closed and then the plant was torn down. I came back to Indiana and went to ITT Technical Institute and got HVAC certified. I can bring a different perspective to the board for people.

Connect with Gilliam by emailing pg&am@aol.com.

Charlie McMillan, Jr.

Republican for Noblesville Township Board

I was born and raised in Noblesville, graduated from Noblesville High School in 1981 and have lived in Noblesville Township my entire adulthood. I managed for more than 35 years a family-owned downtown Noblesville auto-repair and towing business, which closed in 2021. I ran for Hamilton County Commissioner, District 2, in 2020. I am an experienced chairman of the Hamilton County Board of Zoning Appeals, South District. I sat on the Hamilton County Plan Commission Comprehensive Plan Update Committee, and I am past president of the board of directors of the 57-year-old nonprofit Belfry Theatre in Noblesville. I am a member of Noblesville Lions Club, Ralph Lehr VFW Post 6246 Auxiliary, Noblesville Moose Lodge No. 540 and an advisory committee member for Legacy Keepers Music educational nonprofit. I also volunteered several years for the White River Cleanup. I am a good listener and put the needs of the community first. I am a good decision maker and know my township well. I have experience in solving problems, using common sense, dealing and communicating with the public and working as a team. I will be a good steward of our township taxpayer dollars and donations and help those most in need.

My business career included 38 years at General Motors and then at Siegel Automotive in management. In 2011, I was the Main Street Director in Ripley, Tenn. Retiring in 2013, it has given me the opportunity to volunteer in many areas of our community. In 2015, I started broadcasting local sports and community activities for Hamilton County Television. Other activities I am involved with include Noblesville Main Street board, 2014-2018, and President 2016-18; Hamilton County Tourism Commission, appointed by the mayor in 2019, continuing to serve, President 2019 to 2021; HHHHS Youth Assistance Board, President for two years; Noblesville Youth Baseball, Board of Directors; appointed by the mayor as a founding member of the newly created Noblesville Youth Sports Alliance.

Dennis Quakenbush

Republican for County Sheriff

I am a life-long resident of Hamilton County. I currently live in Cicero with my wife and four sons and am a member of Cornerstone Bible Church where I serves as a deacon. My wife and I own two small businesses based in Hamilton County.

I hold a master's degree in business administration from Indiana Wesleyan University with an undergrad degree in business management. I love learning and have attended multiple leadership courses, command training and other executive level law enforcement courses. I chose law enforcement over my corporate career because of my passion to set an example by helping others in need, treating everyone with respect and putting others first.

For the past 20 years, I have been faithfully serving Hamilton County and moving up the leadership ranks within the Hamilton County Sheriff's Office. I started my career as a dispatcher in the department's communication division in 2002. I became a merit-deputy in 2003 and was promoted to sergeant in 2007 before being promoted in 2011 to Captain of the Patrol Division. As an active resident of Carmel for almost 30 years, I experience and understand resident needs daily. For 19 years, I have served as a firefighter for the Carmel Fire Department, and over six years ago, my commitment and passion for communicating with residents led to the additional role of Public Information Officer. As a fiscal conservative, I will ensure that Hamilton County maintains its AAA Bond Rating – currently the highest rating in the state.

As a Public Information Officer, I am focused on the importance of communicating with constituents. I believe that a collaborative, approachable and communicative council will keep Hamilton County heading in the right direction.

In addition to my professional roles, I have dedicated my career to serving the residents of Carmel through public service. I am an executive Board Member for the Carmel Professional Firefighters Local 4444, Board President for Promote Carmel Inc., Hero Olympics participant, former Our Lady of Mt. Daniel Bragg

Republican for Sheridan Town Council, At-large

Born and raised in Sheridan, I have a deep connection to the people of this community. I am the youngest of three siblings, the children of two Sheridan High School graduates. My love for this community is endless.

Since moving my wife and son to Sheridan in late 2017, I have run for Sheridan Town Council twice, and State Representative once in 2020. I also joined the Sheridan Redevelopment Commission and the Plan Commission in 2020, being elected Vice President of the Plan Commission during my first meeting. In 2021, I was elected President of the Plan Commission, and continue that responsibility to this day.

A population boom is coming for our community in the next few years, and the Council must take action to ensure that the town is prepared. I believe that the military has prepared me with the leadership skills as well as forward-thinking ability to ensure Sheridan's success while we move into the future together.

A huge part of my plan also comes with added transparency. I have always believed that a well-informed populace only stands to benefit the community, and the challenges of the future will require everyone's effort.

Steven Fisher

Republican for Sheridan Town Council, At-large

I have a dedication and love for my hometown. For over 22 years, I have coached youth sports, been a member of the Lions Club, operate two businesses, and raised my children here.

Over the past 11 years, I served on the Town Council, and I'm asking for your support to continue the momentum. I have supported our police and fire by making sure they have the right equipment, established a police and fire retirement pension fund, and a public pension plan for the Clerk's Office and Street Department. I serve on the Metropolitan Police Board and served as Public Safety Board President.

I have guided growth, seeing our population rise 16% by investing in businesses, spearheading projects like the Splash Pad, overseeing the Storm Water Board to address flooding, and making sure Sheridan receives its fair share of funds for roads.

Growth is coming to our area. It is important to have someone in office who has the experience and understanding of the governmental processes to ensure that we control the growth in a manner most beneficial to Sheridan. If elected for another term, I promise to continue to address these issues and bring my experience and focus.

Eric Gifford

Republican for Sheridan Town Council, At-large

I have been a resident of Sheridan all my life. I am also a volunteer firefighter here in Sheridan as well. I currently work at Sheridan Community Schools as the director of transportation and grounds. Some of the main reasons that I want to run for town council is I feel like we are being very reactive in town versus being proactive. There's a lot of growth coming our way; several new housing additions have been proposed here for us and I just feel like we are at a disadvantage. I really want to see this town grow in a positive way and become a booming area of Hamilton County. I am a very likable person, very respected in the community with my job and feel like anybody in the community could come up and talk to me about anything and I would do everything that I could to try to help them and try to help anybody in this community.

Trini Beaver

Republican for County Recorder

I have been employed with Hamilton County since 2002, holding positions in the Auditor's office, IT department and the last seven years serving as Chief Deputy to the current Recorder, Jennifer Hayden. I graduated with a business degree from Ohio University in 1988 and completed Certified Public Supervisor and Certified Public Manager courses at Ball State University.

I have been married to Brad for 32 years and we have three adult children and one grandchild. I attend White River Christian Church in Noblesville. I enjoy volunteering with my church, Noblesville High School, and other charities throughout Hamilton County such as Preval and Shepherd's Center. I am a member of Hamilton County Republican Women's Club, Co-Chair of the Noblesville GOP Club and serve as a vice precinct committeeman.

I pride myself on excellent customer service and feel that my experience in multiple county offices has solidified good working relationships throughout the county. I look forward to continuing my service to the citizens of Hamilton County in the Recorder's office.

Kevin Poore

Republican for County Assessor

Hamilton County has been my home since 1993. Since graduating with my bachelor's degree in Public Affairs from Indiana University, my career has been almost entirely in property tax assessment and appraisal.

I have worked for the Hamilton County Assessor's office since 1999 and currently serve as the Chief Deputy Assessor. I have been at the forefront of helping manage the massive growth of the assessment base in our county over these past 23 years assessing all property types (residential, commercial, industrial).

I have taught continuing education classes for various groups including appraisers, software vendors, and the Indiana Department of Local Government Finance. I have the Level III Assessor designation with the State of Indiana, and I am the only person in Hamilton County to hold an Assessment Administration Specialist designation from the International Association of Assessing Officers.

By law, property assessments are required to reflect market value. The real estate market has experienced significant price appreciation in recent years which is having a significant impact on property assessment and therefore taxes. My philosophy includes using a conservative approach to valuation changes, ensuring fairness in assessment, and providing quality customer service when dealing with our taxpayers.

Jim Ake

Republican for Washington Township Board

I have held a leadership position in private industry, sales marketing, team development and city government. My top priorities in the Township will be to remain fiscally sound and stay that way going forward mindful of what our Township needs while caring for what they have. I will protect all our citizens, which is a high priority for me, and then advocate with the trustee over positive projects which would better our community. I've run successful businesses. I've had my own business; I've sold a business. I took that business to number one in a short time after it was the worst performing franchise in the system. I think my connections throughout Hamilton County and the Statehouse are another asset. I'm familiar with fire operations. I'm a community emergency response team member and I'm prepared to serve the citizens of the Township well because of my experience, organizational abilities and the imagination and ideas that I can bring forward to help everybody in the Township enjoy where they are living and make it a better place than when I found it.

I have spent 30 years in law enforcement until I retired about four years ago and I now work as a corporate investigator for large health companies. I do a lot of fraud investigation and risk management related jobs. I've got two kids at Indiana University right now. I've got one that's married and out of the house so I'm trying to get more involved with things because there's a lot going on in the world right now. Instead of sitting back on the sidelines and complaining I want to get actively involved and try to do my little part by making things better overall if I can. The only elected office I've ever held is FOP president at Carmel Lodge for about four years, dealing with City Councils and the Mayor's Office. I think that translates well into this type of position and I have the ability to look into things and make sure everything is above board and the money is going where it's supposed to be.

Joe Cox

Republican for Cicero Town Council, At-large

In 2015, my family was welcomed to the Cicero community. We instantly fell in love with the small-town atmosphere and sense of belonging that small community culture can provide. As part of our decision to settle in Cicero, we committed to being involved in the community, setting an example for our children and striving to ensure that the community culture is preserved for future generations.

Serving as Chairman of Cicero's Economic Development Committee since 2017 has allowed for a greater understanding of the pillars upon which a community is properly constructed. This involvement has provided me with the opportunity to collaborate with local leaders while networking with and learning from leaders in the surrounding communities.

Preserving Cicero's small-town way of life is an important topic to many residents, including myself. We can accomplish this with a measured economic strategy of controlled growth, continuous infrastructure and the development of small commercial districts.

As an elected official, I will dedicate myself to a responsible, collaborative and transparent business-minded approach to decision-making and leadership. This includes a commitment to community engagement and transparency while operating within the best interests of Cicero and its residents.

Brett Foster

Republican for Cicero Town Council, At-large

In 1998, I was sworn in as a reserve Cicero Police Officer, and in 1999 my family moved to Cicero. We knew immediately what a blessing this town was and were very excited to make it our permanent home. Fresh from the 9/11 attacks, I was moved to run for Town Council in 2002.

After 16 consecutive years on the town board (01/2003 – 01/2019), I stepped away for a breather and to spend more time with my grandkids. I am now fully refreshed and "ready to jump back in."

An essential part of being a successful Councilman is building relationships! As they say, "Teamwork makes the Dream Work." I am proud of my voting record and the many accomplishments we have made together to improve the quality of life during my previous Council terms. A few of these include parity in pay for Fire and Police, the Jackson St. Veterans Memorial Walkway, the Stringtown Trail, the Cicero Sports Complex, and more.

Having an excellent working knowledge of the town's needs, I have served on many of the town's boards. Most importantly, I want to ensure we don't lose our small-town charm as we prepare for the growth we know is coming.

Erica Strahm

Republican for Washington Township Board

I'm currently the Chair of the Westfield Washington Township Board serving in my first term.

In 2018, when I initially filed to run for a board position, I did so because I felt that the taxpayers needed more of a voice in local government. In my second term, I plan to continue to allow taxpayers to have that voice.

Since becoming a member of the township board, Westfield Washington Township taxpayers haven't seen an increase in their township tax rate, our township has incurred (and carries) no debt, and we've still been able to provide all necessary services to our constituents.

In my professional life, I'm the Youth Coordinator for VOICE Hamilton County, which is an anti-tobacco organization serving our county, and I teach at Faith Montessori Preschool. I'm also a member of the Westfield GOP Club, a Philanthropy Liaison with National Charity League, President of the Westfield Shamrocks Rugby Club, an inaugural member of Westfield Washington Schools' Shamrock Academy, and a member at Orchard Park Presbyterian Church.

In my personal life, I'm most proud of being a mom to Will (18), Lucy (16), Sam (14), and Charlie (8).

Garry Harling

Republican for Cicero Town Council, At-large

I'm Garry Harling and I'm running for Cicero Town Council At-large.

I have over 24 years of experience, while working with schools and businesses to ensure the community is safe and growth is done right. As a Fire Marshal in Washington Township, Indianapolis, then as Westfield Fire Marshal, I learned fire and building codes on the job. This experience will be a great asset because we know development is coming to Cicero. The people should be heard when it comes to how we will grow, and I will listen.

My experience will help ensure that Cicero will continue to offer residents the same qualities that brought many of us to this quaint lake town. I want to make sure the growth is strategically planned and properly executed.

I also understand the importance of working within a budget. Today, I'm the White River Township Fire Chief. The money allocated for the department belongs to the people. I stand firm in my belief that asking for additional appropriations or raising taxes without exhausting all other avenues is unacceptable.

As your representative to the town council, I pledge to work for and with you, be transparent and to be the best servant leader.

Eric Hayden

Republican for Cicero Town Council, At-large

I have lived in Cicero since 1992. I took a little leave in the middle for college and right before I got married, but I really love this community and I believe the current council has done a nice job and I would really like to just continue what they have done. I am an engineer by day, so I make sure I have all the facts before I make decisions. I did sit on the council for eight years previously, so I do have a little bit of history. People know my tendencies on how I vote and what I stand for from the past when I was on the council. I am very conservative from a financial standpoint, and I want to make sure the budget is compliment. I want to make sure the residents, the public safety department and the parks department have what they need to improve the community and make sure that the community stays at a status quo.

I have lived in Cicero for 25 years. My goals are to have better transparency within the town council and to engage the community. As far as growth goes, I would like to see small growth, but I want smart growth that invests in our community instead of investing in our builders. I just want us to win; I don't want the developers to win. I wanted to see development in our parks, better programs for our children and our community and see improvements in our Cicero parks and community parks. I believe I am a good candidate because of my love for our values. I want to give back to the community that gave so much to me.

I have been a Hamilton County resident for 35 years and am an active business owner and demonstrated leader and I serve on several charity boards. My wife and I have been active in food charities for 16 years. For the last two years we launched a food charity here in Central Indiana that provides 7,000 meals a month to hungry neighbors and not one penny of government money was used to do that. We have organized over 75 volunteers and 28 families in order to create a vehicle that provides meals to hungry people here in Hamilton County.

I am an individual freedoms guy and I'm a full-service conservative. I believe in pro-life, pro-gun, pro-taxpayer, personal freedoms and family values. We can't expect the same results for Hamilton County without continuing to fight for the principles that made the place special to begin with. What has made this place special for decades has begun to erode and if we don't fight for the principles that made Hamilton County special, it won't be special.

I'm a 35-year resident of Fishers/Fall Creek. I've been married 41 years to my wife Shelly with two adult children.

I've been Trustee for six years and prior to that served on the Board for six years. I've also served on the Fishers Planning Commission and led City Yes PAC that advocated for Fishers becoming a city. I have also served as either a president, officer or board member of several statewide conservation groups and IDNR committees. I was awarded IDNR's Conservationist of the year in 1995.

I'm proud to be part of the acquisition of the Township's 80-acre Fall Creek Woods nature park I am designing, which is partially open to the public. I'm proud of the way I have guided the Township through COVID with assisting those in need of shelter and food. Through measures I put in place, we protected staff and the public, while at the same time working from the office and extending Food Pantry hours. We leveraged federal dollars to serve a much greater number of people while still having the second-lowest township tax rate in Hamilton County.

I believe my experienced leadership with my board and staff have made Fall Creek Township exceptional.

I've been in office for four years and I am really excited to try and continue my time on the Township Board. I think that we have done some great things over the last four years. It's one of the few bipartisan working bodies in Hamilton County, which I am very excited to be a part of. We've done a lot of great things for the community such as working on the Fall Creek Woods Park and providing assistance to those individuals that have experienced hardships from COVID-19, and I'm so happy and proud to be a part of that effort. I provide a fresh perspective in that I am still the newest member of the board and can provide some different perspectives as compared to people that have been in office for a while. I am very different from the others on the board that I am a woman, I'm a working mom with younger kids and so I am able to share some insides from a different kind of view that I think are important to give a voice to those of individuals of Fall Creek Township and make sure that we are working for all types of residents in the community.

Democrat for U.S. House, Indiana's 5th District

I was born in Indianapolis, to the late Betty Jean Lee and the Rev. Clarence I. Lee, and later became a resident of Muncie growing up with 11 brothers and two sisters. My family was poor due to the family being so large; however, my parents showed constant abiding love with all their children and instilled faith into us. I am now the mother of four adult children, two grandsons and one granddaughter.

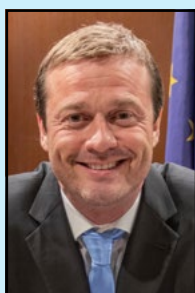

I realize the importance of good leaders who exhibit calm, compassion and concern. My platform for this election is one that I believe benefits all Americans and all Hoosiers, everything from knowing the importance of affordable and accessible healthcare to concerns about LGBTQIA issues. I believe if you work together with the people of other affiliations, races, ideologies, you get more done when you realize that you can work better together, and I've been doing that for a very long time as an African American woman. Fred Glynn

Republican for State Representative, District 32

I am finishing my second term on the County Council. In county government, we have achieved a AAA bond rating, low taxes, and have maintained balanced budgets. I am running to provide the same conservative leadership at the statehouse that I have on the county level. A few items on my platform include:

- **Schools** – Let's focus on excellence in education in our schools and remove divisive ideology.
- **Federal interference** – Over the past few decades, the federal government has been able to usurp states' rights by returning our own tax dollars with strings attached. These strings have included mandates on schools and interfered with local government decisions. As your next State Representative, I will work to remove this corrosive influence.
- **Law enforcement** – Recently there have been increased attacks on law enforcement. These attacks come from groups that are more sympathetic to criminals than law enforcement. This misjudgment in policy is causing crime to skyrocket in our communities and leading to a shortage in police officers. I will work to implement policies that thwart these practices and promote safety in our communities.

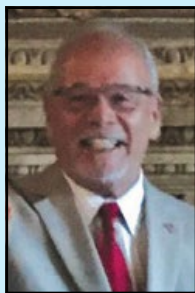

I have always stood up for my constituents even under immense pressure and will do the same at the statehouse.

Paul Nix

Republican for State Representative, District 32

I grew up in Fort Wayne and moved to this area back in 1987. We moved to this home in Fishers in 1990 and raised our seven children here. I am 66 years old now and I've been in the insurance business for 44 years, but we are empty nesters, and the kids are grown. I never had time to be a state representative or city councilman or anything like that.

I'm wanting to run to get elected to be a conservative representative to the Statehouse to help conservatives in our state. In my opinion we need to have more conservatives in our government to help Americans be able to exercise their constitutional rights. I'm not happy with a lot of things that are going on. As a conservative, I don't have any tendency towards the Democratic issues that are going on, but I do have a strong conservative thought process. Faith, family and freedom are the three things that are most important to me, and I don't want the government interfering with those things.

Suzie Jaworowski

Republican for State Representative, District 32

I have had my own business for almost 20 years, and as the chief of staff in the Office of Nuclear Energy at the U.S. Department of Energy I had a \$1.4 billion budget and 175 employees that I was responsible for. I think that kind of background lends itself well to being a legislator where you must evaluate a lot of different issues and think about what the outcome of policy can be on Hoosiers.

After I ran the Trump Administration's Office of Nuclear Energy and the short time that President Joe Biden was in office, he had undone everything that I had been a part of when I worked at the U.S. Department of Energy. It was very discouraging to come home and see how we had gone from being energy independent to dependent. These are the things that made me want to run because I like that Indiana is business and family friendly and I want to be a part of keeping it that way.

My platform is really all about prosperity and maintaining a very prosperous environment. I look at security, education, pro-business and pro-family community.

Born and raised in Hamilton County. I developed a competitive nature on the football field at Hamilton Southeastern High School and gained a thirst for knowledge during my studies, particularly in speech and history. I went on to earn my Juris Doctorate from the George Washington University in Washington, D.C., where I realized that my purpose was to serve others. I am proud to follow in my grandfather's footsteps when I earned a commission as a JAG officer in the United States Navy. I deployed in support of Operation Iraqi Freedom during the troop surge in 2006 and 2007.

We are raising our family here and our commitment to the area runs deep. I won't make many promises to you, but one I will make is this: I can promise you that no one will work harder to make White River Township better and to keep our taxes low. I will work to create bridges to the community around us and work collaboratively with local government to get the citizens of White River Township what they deserve.

Jamie Rulon

Republican for White River Township Trustee

I am Jamie Rulon, and I am running for White River Township Trustee. I have 15 years of township experience starting on the township board, then grew into the trustee position.

I absolutely love what I am doing, which provides me with the opportunity to help and serve many people of White River Township. I worked with Hamilton County from 2019 to today assisting with COVID-19. Together we disperse over \$40,000 in relief.

Additionally in 2020, I orchestrated the purchase of a new ambulance and helped develop the new EMS Division for the fire department. With the new division, we have staff on station 24 hours a day, 7 days a week, 365 days a year.

I am pro-God, pro-life, pro-liberty, and pro-freedom of speech. I am for maintaining a balanced budget, keeping taxes low and providing a safe community. I know my record speaks to all the accomplishments. I look forward to your support on May 3.
