### The REPORTER

Noblesville Mayor Chris Jensen has selected Noblesville Police Department Therapy Dog Luna as the grand marshal of this year's Fourth of July Stars & Stripes Forever Parade sponsored by Gaylor Electric.

The one-year-old black lab joined the police force earlier this year. Luna's job is to comfort and love people. She helps police officers, firefighters, first responders and community members dealing with stress or trauma.

"The Fourth of July is about celebrating our freedom and independence and Luna helps members of the community regain their own freedom from mental health issues," Jensen said. "Luna's presence helps to calm and de-escalate stress and emotions in people who are having a bad day and need help. Therapy dogs help break down barriers to communication. By combining

## The gift of ... shhh

There's just something about silence. Shhh ...

As I was growing up, I watched my mother sit on her front porch and rock ... and rock ... and rock. I just didn't understand when she said it was good for her soul.

But now I do.

It's as though I enter a sacred space where my heart hears what it needs to hear. I hear a voice coming from my soul, reminding me that it is OK to "Be still." Scripture even says so in Psalm 46:10.

Who is to argue with the inspirational words of God? I call it divine permission. Who am I to argue with my mother, even when she has passed? I'm still not brave enough to do it.

All too often I cannot hear the words my soul needs to hear over the noise of the everyday chatter. You need to ... You cannot ... It's not on your to-do list. You don't have time for that.

Then I hear ... shhh.

When I take the time to be still ...

I am reminded of my strength. That strength doesn't come from a physical workout but that of a soul workout.

It is in the quiet where I realize I am a force to be reckoned with because of what has happened in my life, giving me no choice but to find the strength I never knew I had.

I realize the challenges that have tripped me, and I fell hard. But ... I got back up to find the person I was designed to be. I've not been shaped and refined by fluffy words and pats on my back. I've been refined by words that damaged and bruised my heart.

I find I am kinder not just because people have been kind to me but because of those who extended a voice of ugliness and ridicule and belittling.

I am nicer not only because someone saved me a seat but because I was left out of the inner sanctum of a group of girlfriends.

I find myself feeling empathy and compassion for those who hurt, not just because of being surrounded by those who have walked my journey to tell me I will get through whatever crisis I am dealing with, but because someone has made their problem, my problem. Sometimes, they blamed me for their problem. I've finally been able to let go of that weight ... whew!

The quiet allows me the space to seek my well-aged wisdom. It reminds me I cannot take ownership of the problems of others. I cannot "fix" people and I cannot carry the weight of the anger someone feels.

It is in the quiet I am reminded of all these things. It is then I can remove the weight on my shoulders that others have placed there and lay it, not in my lap but at the foot of the cross. There is only one Savior, and I am not Him.

### County Council to consider mileage reimbursement rate increase for some county employees

The June County Council meeting arrived quickly. While lots of activity is happening in the background, as we plan for projects and prepare for budget hearings, the Council agenda was relatively benign. There were three topics worth discussing in the agenda.

**KEN ALEXANDER** Council Minutes

The first was the annual review of compliance of the Beck's real and personal property tax abatement. As shown in their documentation, Beck's has more than met its commitment. These tax abatements are one way our county can support economic development. This support creates a contract with the corporate entity and obligates them to continue to grow and invest in Hamilton County by creating jobs and increasing property values through building.

The second item was a request from the County Commissioners to increase the mileage reimbursement rate by \$0.10 per mile for employees who travel using their own vehicle. It has been stated that the current federal reimbursement rate (\$0.585 per mile) is not covering the costs for the employee due to inflation. This may seem like a minor issue, but even the best-intentioned plan can lead to unintended consequences. The federal rate establishes a maximum so that employee and employer taxes are not

### New principal named at Promise **Road Elementary**

### The REPORTER

Noblesville Schools announced last Wednesday that it has named Christy Martino as the new principal of Promise Road Elementary, replacing Kelly Treinen, who will retire at the end of June.

Martino joins Noblesville Schools from her previous role as principal of Perry Township's Rosa Parks Elementary in Indianapolis. She brings over 20 years of experience in education including roles as prin-

cipal, assistant principal, classroom teacher, literacy consultant, intervention director, and regional coordinator for the Center for Excellence in Leadership of Learning.

We had a strong group of applicants for this position and Christy rose to the top of our list based on her steadfast commitment to relationship building, data analysis expertise, and ongoing focus on academic excellence for all," said Dr. Heather Hendrich, assistant superintendent of human resources and safety for Noblesville Schools.

Martino holds a master's of technology in education degree from National Louis University in Chicago, a bachelor's in elementary/middle school education from Saint Norbert College in Wisconsin, and principal preparation certification from the University of Indianapolis.

## **Carmel reopens Inlow & Meadowlark parks**

### The REPORTER

Carme's Inlow Park, 6310 E. Main St., and Meadowlark Park, 450 Meadow Lane, are now open for the public to enjoy.

As part of Carmel Clay Parks & Recreation's Reimagining Parks initiative and the Clay Township Impact Program, these parks received a complete refresh in order to meet the needs of the growing local community.

### **Inlow Park**

Inlow Park features an allnew splash pad, year-round restrooms, pickleball courts, an expanded parking lot, and two new picnic shelters.

• Splash pad: The new splash pad is open daily from 8 a.m. to 9 p.m. through Labor Day. Splash pad features can be activated using the hand or foot activation panels. For splash pad safety and FAQs, visit carmelclayparks.com/dedicatedto-a-fun-and-safe-summer-season.

· Pickleball courts: The park sports two outdoor pickleball courts that are open from sunrise to sunset. Play is first come, first serve, and there is no charge to use the courts.

· Shelters: The two new shelters will be available for rent beginning in 2023.

Photos provided by Carmel Clay Parks and Recreation

Both parks now boast fun ways for kids and families alike to enjoy the outdoors.

### **Meadowlark Park**

Located west of the Monon Greenway and Arts & Design District just off Main Street, Meadowlark Park is a hidden gem that is destined to become a popular destination in the core of the city. While portions of the park remain under construction, some of the most exciting features are now open for the public to enjoy, including all-new playground equipment, pickleball courts, an accessible boardwalk, year-round reexpanded parking lot.

Reimagined play experience: The new "tree-tastic" playground equipment accommodates play for ages 2 to 12. With cues from the natural surroundings, the custom-designed play structures were crafted to look like artistic renderings of trees and shrubs.

Pickleball courts: Pickleball courts are now open as well. The park sports four outdoor pickleball courts that will be open from sunrise to sunset. Play is first come, first serve and there is no charge to use the courts.

Boardwalk & restored wetlands: The accessible boardwalk threads throughout the wetland area strooms, picnic shelters, and an and allows park guests to get an up-

close look at the animals and plants living here. Over the next two to five years, the wetlands will come to life. Once established, the wetland will create a robust habitat for a variety of reptiles, fish, birds, and other creatures.

Coming soon . . .

• A wheelchair-accessible fishing pier and trails on the west side of the park are currently under construction. A portion of the trails on the east side of the park near the boardwalk will be installed soon. Please respect all closure signage and fencing as the city finishes this project.

· Shelters will be available for rent beginning in 2023.

· Full-court basketball court.

### SHERIDAN

Notice of Public Meeting The Sheridan Park Board's meeting for July 7, 2022, has been rescheduled to hursday, July 14, 2022, at 7:00 pm at the Sheridan Community Center located 300 East 6th Street, Sheridan, IN 46069. Sheridan Park Board Members are:

Keith Rinkenberg, President; Jason Rumph, Secretary; Beth Rush and Wanda yons 6/13/2 R817

of Noblesville, Hamilton County, Indiana. The project will take place on Little Chicago Rd. from Elderberry Rd. to Carrigan Rd.

The purpose of this project is to improve north-south connectivity of non-motorized transportation facilities and connectivity to neighborhoods along Little Chicago Rd. from Elderberry Rd. to Carrigan Rd. Additionally, the purpo of the project is to improve Hamilton County Bridge No. 106 (29-00106, NBI

220000094) to condition ratings greater than 7 (good) of 9 for all bridge element The need for the project stems from the lack of north-south connectivity for on-motorized transportation facilities (pedestrian and bicycle) along Little Chicago Rd. from Elderberry Rd. to Carrigan Rd. Presently, there are several esidential neighborhoods (South Harbor, Pine Knoll, and The Bluffs), apartmen condominium complexes (Lions Creek and The Villas on Morse Reservoir), and businesses within the Harbour Town Shoppes strip that lack connectivity for non-motorized transportation facilities along Little Chicago Rd. Another need for the project stems from the deteriorated condition of Hamilton County Bridge No. 106. According to the most recent bridge inspection report, the existing bridge has a condition rating of 5 (fair) of 9 for all bridge elements and the channel bank protection has a condition of 6 of 9 (bank slump, widespread minor damage). This project involves construction of a 10 ft. wide, multi-use, asphalt trail adjacent to Little Chicago Rd. along the east side of the roadway for its entire ength, providing the connection between the current terminus of the trail at each ocation and linking the north and south side of Morse Reservoir. The project will nvolve constructing curb and gutter and storm sewer along the east side of the coadway. The northbound travel lane will be widened to 12 ft. and the roadway vill be resurfaced alongside the limits of the trail work. The existing causeway and bridge will be widened over the reservoir.

The bridge rehabilitation will include widening of the piers and end bents and replacement of the beams, bridge deck, and railing. An 11 ft. wide raised idewalk will be constructed over the bridge. The bridge rehabilitation will include widening the travel lanes to 12 ft. and shoulders to 4 ft. Deterioration and cracking of the piers and end bents will be repaired. The widened portion of the substructure will sit on a pile foundation and riprap scour countermeasures will be placed.

The project will also include replacement of the bridge approach slabs, standard guardrail components, curb ramps and geometrics for ADA compatibility, retaining wall construction, public road approach and driveway reconstruction, itility relocation, and waterway mitigation

The proposed construction of this project will require 1.17 acres of new permanent right-of-way and 0.02 acres of temporary right-of-way. The project wil esult in 0.51 acres of impacts to the Morse Reservoir, which is a jurisdictional Waters of the United States.

The project is expected to take 11 months to complete. The maintenance of traffic (MOT) plan proposes a road and bridge closure of approximately four months and for one lane of the road to remain open with temporary signal or flaggers for approximately seven months. During the full road closure, an official detour route utilizing SR 38, Hague Rd., and Carrigan Rd. will be used luring construction. Other local roads may be used by local traffic. Access to all properties will be maintained throughout construction. School corporations and emergency services will be notified of closures prior to construction. The proposed start of construction is 2024.

The cost associated with this project is approximately \$7 million which includes preliminary engineering, right-of-way, and construction with both federal, state, nd local funds anticipated to be used. The Federal Highway Administration (FHWA) and INDOT have agreed this project falls within the guidelines of a Categorical Exclusion (CE) Level 3 environmental document. ## IHSAA state doubles tournament HSE's Bukkasagaram, Orme finish as semi-finalists

### **By RICHIE HALL**

A12

**INDIANAPOLIS** Hamilton Southeastern tennis players Misha Bukkasagaram and Emily Orme are state medalists once more.

The Royals seniors finished their high school careers last Saturday at the IHSAA state doubles tournament, reaching the semi-finals of the event for the second year in a row. Bukkasagaram and Orme dropped their semi-final match to the South Bend St. Joseph team of sophomore Ashi Amalnathan and freshman Anni Amalnathan 6-0, 6-2.

The Amalnathans quickwon the first set, then lv broke serve to take the first game of the second set. The Royals broke back to get on the board, and would later get another service break to pull within 4-2. But the St. Joseph team won the next two games, using their precise and powerful groundstrokes to take the match.

"They are both singles players, and we might not be used to that," said Bukkasagaram. "But a similar kind of thing happened at state last year. It's kind of hard to keep coming in, which is our strength, when the balls are so deep in the court. When they were doing that a lot, it was hard to come in, so we weren't able to get a quick start. But I think if we continued how we did in that second set, we would have came out with a better outcome if we started that way."

Still, the Royals team kept fighting, and seemed to get better as the match went on. Orme agreed with ference play, a league that 7-6 (5). Bukkasagaram and broke back. that, saying also "I think the at one point had seven of its Orme thus advanced to the

said he hoped that the fans who watched, especially the underclassmen who will be playing next year, will "get a look at what it takes to be here, the skill level it takes to be here, the commitment, the work ethic and just what it takes to really play at this sort of level."

"I can't say I was expecting it to make it this far," said Bukkasagaram. "But overall, I think I'm pretty proud of how we played in the state tournament, throughout the season, and just building up and continuing to get better as the season progressed."

"Last year, we made it this far, but at the beginning of the season, I feel like we had a rough start and we lost a few matches and so we weren't as confident to make it this far," said Orme. "But I'm pretty proud of how we did in the post-season."

Bukkasagaram is headed to the University of Evansville where she will enter the eight-year B/MD program, or "Baccalaureate to Doctor of Medicine." Orme will enroll at Indiana University to study biology. Both will now be playing tennis for fun, and thoroughly enjoyed their tennis-playing days at Southeastern.

"I would say the best thing about it is the team Schwoeppe. That really and the coach and Emily." said Bukkasagaram.

"It was definitely the best part of high school from my perspective," said Orme.

As a team, the Royals finished the season ranked 10th in the state, and had 11 dual meet wins. Southeastern also finished second in Plymouth juniors Taylor Hoosier Crossroads Con- Delp and Ellie Jones, 6-2,

was between the Westfield and Guerin Catholic boys golf teams, the regional was even closer.

The Shamrocks managed to pull through, winning the Lake Central regional championship by one stroke over the Golden Eagles last Thursday at Sandy Pines Golf Course in Demotte. Westfield posted a 299, while Guerin Catholic scored a 300. It's the third regional championship for the 'Rocks; they won back-to-back titles in 2014 and 2015.

Both teams will advance to the IHSAA state finals, which begin Tuesday at Prairie View Golf Club in Carmel.

"Couldn't be prouder of these young men today," said Westfield coach Josh Bryant. "Every team faced some adversity out there with a couple of major waits and pin locations and I thought we handled it really well."

Two freshmen led the way for the Shamrocks. Jake Cesare finished with an even-par 72, while Will Harvey was right behind him with a 73, playing his back nine two under. Cesare totaled three birdies for the regional and Harvey made two.

Over at The Players Club in Yorktown, both Noblesville and Hamilton Southeastern were in celebratory moods, as they also qualified for the state meet after their performances at the Muncie Central regional.

The Millers finished with a team score of 305. Cathedral also totaled a 305, and won the regional on the fifth-man score. Still, Noblesville was happy as it qualified for state for the first time since 2019 and the 23rd time in program history.

"We had a goal at the start of the year to make it back to Prairie View, and we're headed that way, so we're going to enjoy the ride home," said Millers coach Gary Deakyne.

Noblesville had two of its golfers finish in the top five of the individual standings. Will Perkins placed fourth with his score of 73, while Drew Decker's 74 put him in a three-way tie for fifth place. Perkins collected three birdies and Decker made two. I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
