# Adler Attorneys goes purple with Prevail

The folks at Adler Attorneys, 136 S. 9th St., Noblesville, have gone purple with Prevail, Inc. for Domestic Violence Prevention Month. You can too! If you, your co-workers, friends, or family go purple with Prevail, send a photo to [News@ReadTheReporter.com](mailto:News@ReadTheReporter.com) and we'll be sure to publish it! Please include the names of everyone in the photo. Thank you for helping raise awareness about domestic violence.

## My first conversation with my birth mother

*As my adoption and reunion story continues, I've changed some names, places, and dates.*

I had no idea how long it would take a letter to get from Indianapolis to Boston or vice versa. I tried to keep myself busy and distracted with work and our family's activities. But when I went to bed at night, I always wondered – would I get a phone call tomorrow? Or a letter? Or an email? Or would I hear nothing at all?

Perhaps my birth mother wanted to leave the past alone. I had to be prepared for and understanding of that potential outcome.

My boys were at their youth group at church on the evening of Wednesday, April 15. I took advantage of the 60 quiet minutes to pick up the house. Just as I finished, I noticed there was a voicemail on my cell phone. I played it back and had to sit down immediately because I started shaking so badly. It was Linda.

## Westfield's Grand Junction Plaza receives first-place honors at 45<sup>th</sup> Monumental Awards

**The REPORTER**

Westfield's Grand Junction Plaza recently received first-place honors at the 45th annual Monumental awards presented by the Indy Chamber. The six-acre downtown park was nominated in the Landscape Architecture category.

The Monumental Awards represent the nine-county Indianapolis region's highest honor in the built environment. According to the Indy Chamber, winners are selected based on the region's most significant and broadest impact.

"This honor represents the vision 15 years ago of the Grand Junction Task Group, dedicated volunteers who pursued the idea of a vibrant urban destination for downtown Westfield," Mayor Andy Cook said. "Grand Junction Plaza has fulfilled that ambition and created a place for reflection and serenity: a gathering place for friends and families for generations to come."

Grand Junction Plaza opened in late 2021 and hosts the Westfield Farmers Market, Westfield Welcome's Movies and Music in the Plaza, and other significant community events throughout the year.

The city shares this honor with its partners on the project, including Wilhelm Construction, Land Collective, HWKN, and Ratio.

# Rep. Schaibley: 'Go Purple,' stand up to domestic violence

October marks National Domestic Violence Awareness Month, which helps spread awareness, and lift up and support those who may be in or survived an abusive relationship.

According to the National Coalition Against Domestic Violence, one in four women and one in seven men have been victims of severe physical violence by an intimate partner. Across the state and our community, there are multiple ways to get involved in the fight against domestic violence.

In Hamilton County, Prevail, Inc. in Noblesville serves

as an advocate for victims of crime and abuse by offering free, confidential services to empower, educate and strengthen our community. They also operate a 24-hour crisis line at (317) 776-3472. Last year alone, they served nearly 3,500 clients, and 63 percent of these individuals were adults, teens and children who were victims of family violence.

Every October, Prevail launches its "Go Purple" campaign to engage local businesses and community members to raise awareness of domestic violence and develop effective prevention strategies. Prevail

is asking the community to pick a day and wear purple, share their pictures using the hashtag #GoPurplePrevail and include why they're going purple. For more information about how you can get involved, contact Holly Connelly at (317) 773-6942 or [hconnelly@prevailinc.org](mailto:hconnelly@prevailinc.org).

Across the state, the Julian Center helps victims of domestic abuse through supportive services, education and cooperative partnerships. The Julian Center is the largest domestic violence shelter in Indiana and helped about 3,000 people last year. They also operate a 24-hour hotline, which can be reached at (317) 920-9320. To get involved, you can donate items to the

center's wish list, give gently used clothes, home goods and furniture to their Thrifty Threads store, or make a monetary donation. To learn more about how you can get involved, visit [juliancenter.org/help-others](http://juliancenter.org/help-others).

Domestic violence affects Hoosiers across the state, regardless of race, income, age or occupation. No one deserves to be physically or emotionally harmed, and help is available. To connect to resources or find ways to get involved, please contact me at (317) 232-9863 or email [H24@iga.in.gov](mailto:H24@iga.in.gov).

State Rep. Donna Schaibley (R-Carmel) represents House District 24, which includes portions of Boone and Hamilton counties.

## Go Purple with Prevail!

Often a victim of crime or abuse is blamed for the abuse they have endured. The blame often comes from everywhere – family members, close friends, law enforcement, social media, etc. In cases of domestic violence, victims are often asked, "Why don't you just leave?" or "What did you do to make him/her that mad?" The victim should never be blamed. Help is available when they are ready.

Fishers considers food & beverage tax to fund \$170M event center

By CAMILA FERNANDEZ  
WISH-TV | [wistv.com](http://wistv.com)

The Fishers city government on Thursday held a hearing so residents could share what they think about a bump in the food and beverage tax.

The extra cash would be used to fund a \$170 million event center. The Indy Fuel minor league hockey team will be using it as the team's home arena.

Fishers is proposing an additional 1 percent tax on food and beverage sales at restaurants.

Fishers Mayor Scott Fadness says the city would use the money to help pay for the new event center at the Fishers District.

"We've been waiting to find an amenity or a catalyst for economic development and growth that supports our growing restaurant community, because we think it makes sense that a food and beverage tax should be directly related back to the industry," Fadness said. "When we came up with the concept of this event center we thought here's an example of an amenity that really does support the local restaurant community and, so, we're willing to contemplate raising that 1 percent to pay for the event center."

The 1 percent tax would be added to customers' bills at restaurants, including fast-food locations.

"If you went to lunch and it was \$15, you'd be paying an additional 15 cents on your lunch in order to accomplish what we're trying to do here," Fadness said.

The new tax would be in addition to the 1 percent food and beverage tax that is already collected for Hamilton County.

The Republican mayor told News 8, "A, it benefits the very folks that we're going to be collecting this from the restaurant industry. B, it allows us to collect money from individuals that don't live within the confines of Fishers, and, C, it goes to something that we can all enjoy, a common gathering place where we can do anything from graduating our high school seniors all the through world class concerts."

The Fishers City Council will take a final vote on the tax hike during its meeting Monday night.

CONVERSATION

from Page 1

"Hi, Amy, this is Linda Murphy calling. I received your letter about renewing a friendship that began almost 44 years ago. That's what I'm calling about is your letter." She gave me her number. "It's Tax Day, April 15th, and it's about seven o'clock. I don't know if you have a different time zone in Indiana, but I'm up late if you'd like to call me later on, that's fine. Or, if you'd like to call me tomorrow a good time to call would be after one o'clock. All right, talk to you then, goodbye."

After that moment, I knew that Tax Day would have an entirely new meaning for me. It is the day I first heard my birth mother's voice. I still have the voice-mail on my phone today.

My husband John seemed to have a knack for being home right when I needed him during this journey, and that evening was no exception. He often had to travel in the evenings for his sales job, but fortunately was home on that Wednesday. John knew as soon as he saw my face what had happened.

"I'll pick up the kids tonight," he said. "I think you're going to be on the phone for a while."

I grabbed a notebook and a pen and sat down on the floor at our coffee table. I punched in the numbers on the phone with trembling fingers. Ten seconds later, I was speaking with Linda.

Tears began to flow at both ends of the line. I thanked her profusely for getting back to me.

"At first I was going to wait maybe a week or so to respond after I got your letter," Linda said, "But then I thought after a couple days, 'Aw, screw it, I'm calling her now.'" We both laughed.

I noticed her voice had a higher pitch than mine and was trembling as much as my own that evening. I explained the process that helped me find her. Linda hadn't even known that the State of Ohio was opening up its adoption records. I told her just how grateful I was to know that she was alive and well. Linda shared with me, however, that she had faced some major medical issues in recent years, such as bladder cancer. But she had been four years cancer free at the time of our conversation.

"I'm so glad... Thank God!" I exclaimed.

Advocating for Victims of Crime & Abuse

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

# Stand tall, age gracefully

*"It bothers me when women think that they're not allowed to look older ... because that's what I am." – Sally Field, age 75*

I don't know how many of you remember the TV show *Gidget*, but it was one of my favorites in the '60s. I recall trying to style my hair like Sally Field but somehow it just wasn't

the same.

Today, we of course see Sally as an "older" woman who retains an aura of health and beauty. Good genes perhaps? Of course, that is a possibility and as a celebrity Ms. Field has had op-

tions of good "products and services" available to her, although she indicates she has had no surgical procedures. She states that she retains a healthy lifestyle and is as fit as she was over 40 years ago. No mean feat!

As American women, it seems we face a great deal of pressure – some obvious and some subliminal – to remain youthful, fit, and vibrant. While corralling youth is not possible, staying healthy and fit is possible and will help us to be both energetic and vibrant. Of course, comparing ourselves to celebrities, models, and those whose physical attributes equate to a career is not realistic nor is it helpful.

However, as a nutrition and fitness coach, I will say that we do have a certain amount of control over the "aging" process, both physically and mentally. As

our muscles lose tone and elasticity, we must amp up our movement regimen (I won't call it exercise!) to stay strong and flexible. Our lung capacity naturally diminishes as we age, and aerobic conditioning will improve both our lungs and our heart rate. An important part of an activity schedule is to incorporate things we enjoy; walking on a treadmill/outside depending on weather and safety factors, dancing, which can be done as a couple or with friends, line dancing, participating in a Zumba or other aerobic-style class, and sports such as swimming, tennis, golf, bowling, etc.

I find with many of my clients that they have not and don't really wish to lift weights ... may I say that this is very important to do! Lifting small weights can make a difference in muscle tone and definition, posture, and ability to retain energy. Stretching and flexibility are increasingly important for us as we age, and there are plenty of yoga classes, DVDs and other avenues to access proper stretching and movement techniques. Recent studies have shown

## Letter to the Editor

### Westfield voter calls on GOP candidates to participate in forums

Dear Editor:  
On Oct. 4, the nonpartisan League of Women Voters of Hamilton County conducted a forum for State Senate and Representative candidates.

J.D. Ford, Josh Lowry, Joey Mayer, Matt McNally, and Victoria Garcia Wilburn attended. They are all Democrats. No Republicans attended.

If you go to the League's website at [LWVHCIN.org](http://LWVHCIN.org), you can find biographical information about the candidates along with their answers to a series of questions about the economy, law enforcement, gun policy, etc. At least I could for the Democrats running in my district. Very little, if anything, for the Republicans.

At the forum, each of the candidates answered questions not only about the issues listed above, but also about voting, marijuana, the environment, healthcare and inflation. I would have liked to have heard from the Republican candidates. In fact, I think it is a disservice to Indiana voters that they didn't take the time to attend the forum. How am I supposed to learn about how a candidate stands on an issue if they refuse to attend a forum, or even answer written questions?

We all have busy lives, but if you want my vote, show up.

## AGING

from Page 4

that exercise – even movement – can possibly forestall or slow down dementia and Alzheimer's.<sup>1</sup>

Now – the “eating plan” (remember diet should always be considered a noun, NOT a verb!) as we gracefully age ... it must change. Sorry, but it is true – for both genders! As a “baby boomer” I grew up in a time where families did not constantly snack; snacks were for special occasions, thankfully. Dinners were served at home and dining out at a restaurant was ... you guessed it, for special occasions!

True confessions here: I have a habit of checking out others' grocery carts at the checkout line! (Of course, I do this very surreptitiously!) And I must tell you that I am often horrified by what I see, especially when there are obviously children in the household. Childhood obesity is skyrocketing – but that is a topic for another day.

For women, we simply must focus on providing the right balance of protein,

complex carbohydrates, and hydration in our eating plan. Men – this applies to you as well!

Is all this work worth it? You bet it is! Does it sometimes seem like a “second job” – perhaps! However, instead of a “paycheck” we get a healthier, more fit and energetic life for ourselves and our loved ones. Taking care of your body and your mind will reap rewards that outpace the concerns of our aging appearance which is inevitable.

Sally is correct: we should stand tall, proud, and lovely as we mature through this earthly life. Remember, the best “face lift” of all is completely free – SMILE!

## Center for the Performing Arts gala supports new ventures

Folks seemed to have a great time last month at the Center for the Performing Arts' annual gala fundraiser, which is no surprise considering the entertainment lineup led by Straight No Chaser and Michael Feinstein, the cocktails, the dinner, the auction, the after-parties, etc.

## Obituary

### Nelson Todd Hinkle

December 6, 1941 – October 3, 2022

Nelson Todd Hinkle, 80, Fishers, who lived his life for the sake of the gospel of Christ Jesus, faithfully completed the race marked out for him, peacefully passing from the loving embrace of his family into the arms of his Savior on Monday, October 3, 2022, at Grand Brook Memory Care in Fishers. He was born on December 6, 1941, to John, Sr. and Lela (Todd) Hinkle in Knox County, Ind.

Todd's life was defined by humility, humor, and love for Christ and his fellow man. Following the receipt of a bachelor's degree from his beloved alma mater, Taylor University in Upland, Ind., and a master's degree from the University of St. Francis in Fort Wayne, Ind., his servant's heart and strong work ethic characterized his long career as a middle school teacher (Miracle Hill School & Children's Home in South Carolina, Huntington Community Schools in Huntington, Belzer Middle School in Lawrence Township, and Heritage Christian School in Indianapolis); his joyful service to the local church (Old Bethel United Methodist Church and Northside Baptist Church, both in Indianapolis); and his love and dedication to his wife of almost 50 years and their two daughters and their husbands and children. Out of his passionate zeal for Christ and his love for all people, Todd never stopped proclaiming the good news of God's salvation, that, "if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved." (Rom. 10:9)

Todd is survived by his wife, Suzanne Hinkle; daughters, Stephanie (Brian) Gambrel and Sarah (Kelly) Jones; grandchildren, Elliott, Graham, and Naomi Jones; siblings, Phoebe Ivers, Nancy Cobb, Roger Hinkle, and Jack Hinkle; and many nieces, nephews, other family members, and dear friends.

He is preceded in death by his parents, as well as brothers Harlan Hinkle, John Hinkle, Jr., and Jerry Hinkle.

Visitation will be held from 11 a.m. to noon on Friday, October 7, 2022, with services immediately following at noon, at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, Fishers, with Chaplain David Golden, U.S. Army, Ret. officiating.

In lieu of flowers, the family requests that donations be made in memory of Todd Hinkle to Taylor University ([taylor.edu/giving](http://taylor.edu/giving)) or to the Alzheimer's Association ([alz.org/donate](http://alz.org/donate)).

"I have fought the good fight; I have finished the race; I have kept the faith." – 2 Tim. 4:7

## Paul Bernard Hansan

June 24, 1967 – October 2, 2022

Paul Bernard Hansan, 55, Fishers, passed away on Sunday, October 2, 2022, at his residence. He was born on June 24, 1967, in Muncie, the son of Bernard and Nancy Hansan.

Paul graduated from Indiana University Bloomington with a Bachelor of Science in Business in 1989. He was also a member Sigma Nu Fraternity, the Beta Eta chapter.

After graduating, Paul briefly worked in the golf business in Florida before moving back to Indiana, where he eventually started a career in sales. He was very successful, building up his business through his strong work ethic and a tenacious desire to work for himself.

Paul met Kelly on a blind date, set up by mutual friends in February 2002. Their Catholic faith and love of Indiana University brought them together. Paul and Kelly were married on January 24, 2004, at St. John the Evangelist Catholic Church.

Paul loved the game of golf. He was passionate about the game and traveled around the world to play exclusive courses with many of his friends. He loved sharing the game of golf, making travel plans and setting up tee times, just to make sure his buddies got together. Paul never boasted about it, but he had made six hole-in-ones during his golf career.

Paul also enjoyed traveling with his wife, including a recent trip to Ireland in August. He lived life to the fullest. While he loved golf, he loved his family, friends, and his cats (Charley, Calvin and Hobbes) much more. He was a wonderful friend to so many. He was passionate, loving, generous, caring, and charming. He was charismatic, gentle, thoughtful, encouraging and funny. He was a coach, leader and mentor; most importantly, he would do anything for his family and friends.

Paul also had a strong and deep faith in the Lord. He was a faithful parishioner at St. Louis de Montfort in Fishers.

Survivors include his wife of 19 years, Kelly Hansan; sisters, Heidi Hansan (Maura Gilday) of Kensington, Md., and Aimee (Matt) Parker of Pendleton; nephew, Wren Parker; and niece, Sydra Parker.

His parents, Bernard and Nancy Hansan, preceded him in death.

A funeral Mass will be celebrated at 10:30 a.m. Monday, October 10, 2022, at St. Louis de Montfort Catholic Church with Rev. Thomas J. Haan officiating, with a Eulogy at 10:15 a.m. Burial will immediately follow at Oaklawn Memorial Gardens. All are encouraged to attend a luncheon at St. Louis de Montfort after the burial.

Friends may call from 3 to 7 p.m. on Sunday, October 9, 2022, at the Randall & Roberts Fishers Mortuary. Additional visitation will be from 9:15 to 10:15 a.m. on Monday, October 10, 2022, at St. Louis de Montfort Catholic Church.

In lieu of flowers condolences memorials may be made to St. Louis de Montfort Church ([osvhub.com/sldmfishers/giving/funds](https://osvhub.com/sldmfishers/giving/funds)) or St. Jude Children's Research Hospital ([stjude.org](https://stjude.org)).

## Randall Wayne Shelden

November 13, 1964 – October 3, 2022

Randall Wayne Shelden, 57, Atlanta, passed away on October 3, 2022 at his home.

He was born November 13, 1964, in Noblesville to Russell Frank and Bonnie Elizabeth (Dean) Shelden. His local roots were in farming with his family, but he grew up in South Dakota due to allergies that were bothersome in Indiana. So he attended schools in South Dakota and graduated from Harding County High School in South Dakota with the Class of 1983. He then furthered his education at Anderson College.

He was a man of many talents and was adept as a blacksmith, gardener, historical researcher, and musician. He played the trombone in high school, then learned to play the piano and the guitar.

He served his country in the Army Reserves, 23rd Engineer Division for several years working as a medic and a mechanic. He also was a CNA Certified Nursing Assistant, respiratory therapist, and social services activity director.

He loved to return to his family's farms and help with the work going on there. He also spent time in the kitchen with his grandmother who taught him how to cook for farmers. And he became a great cook, the kind of cook who did not need a recipe.

He enjoyed listening to rock music, playing practical jokes, caring for his dog, Bessie, and several cats.

He was a member of the Atlanta Christian Church and the Cicero American Legion, a past member of the Pickard Masonic Lodge, and a past member Indianapolis Scottish Rite.

He was preceded in death by his father; his sister, Rebecca Elizabeth Shelden; grandparents, Geneva & Roma Dean and Lina & Frank Shelden; and great-aunt, Elizabeth Dean.

He is survived by his mother, Bonnie Elizabeth Shelden of Atlanta; his daughter, Adrianna Elizabeth (Levi) Gatliff of Kokomo; and his son, Jacob Ryan-Freeman Shelden of Kempton, Ind.

Funeral services will be held at 1 p.m. on October 13, 2022 at Hartley Funeral Home Cicero Chapel, 209 W. Jackson St., Cicero, with Pastor Jody Brown officiating. Burial will follow at the Arcadia Cemetery. A time of visitation will be from 4 to 7 p.m. on October 12, 2022, also at the Funeral Home.

# Millers best HSE, head to sectional championship match this weekend

The REPORTER

The Noblesville girls soccer team advanced to the championship game of Class 3A Sectional 8 on Thursday with a 1-0 win over Hamilton Southeastern at Hallmark Orthodontics Soccer Complex.

It was a typical game between the No. 1-ranked Millers and the No. 2 Royals: Hard-fought and intense with both teams playing at a high level. The score was tied 0-0 at half-time, but that wouldn't last long into the second half.

Less than two minutes into the half, Ava Bramblett sent a corner kick into the center of the field. Mia Brake was there when it landed, and she lobbed it into the net. It was Brake's first-ever career goal.

Brake said she saw the ball went "near post and I just made the run from front post and then I put my foot out after I saw that it was past one player and I hit it in the goal."

Noblesville was able to hold the lead from there, challenging the goal again a few times, while holding off Southeastern's challenges during the last 10 minutes of the game.

"That's a real good soccer team," said Millers coach Mike Brady. "We're fortunate. I like how we played tonight, but that game could have gone the other way. Those are two heavyweights battling and tonight we came out on top."

The Millers are 15-1 and host the Sectional 8 championship game at 2 p.m. Saturday. Noblesville plays Pendleton Heights, who beat Anderson 12-0 in the second semi-final.

The Royals finished their season 14-3.

"Super proud of the girls for the season the put in," said Southeastern coach Greg Davidson. "I will go so far as to say I

think our No. 2 ranking is legit, that we are the second-best team in the state

of Indiana, and that only Noblesville could beat us this year."

### Greyhounds beat Eagles

Carmel won a heavy-weight game at Class 3A Sectional 10 at Westfield Thursday, as the No. 3 Greyhounds took care of No. 4 Zionsville 3-1.

"The girls picked a great time to play one of their best games of the year," said Carmel coach Frank Dixon.

The Eagles scored first, off a corner-kick goal at the 15:13 mark of the first half. That didn't last long, as Megan Hamm took a ball on the right side, beat several Zionsville players and put in the equalizer just 27 seconds after the Eagles scored.

Olivia Cebalo scored the go-ahead goal in the 31st minute, off a pass from Hamm. Cebalo then scored late in the second half unassisted.

"Between the offensive action, there was a lot of great defensive play by every Carmel player who saw the field," said Dixon.

The 'Hounds are 14-2-2 and play No. 14 North Central at 2 p.m. Saturday in the championship. The Panthers defeated Arsenal Tech 9-0 in the second semi-final.

### Huskies cruise at Yorktown

Hamilton Heights easily advanced to the final at Class 2A Sectional 24 at Yorktown, beating the host Tigers 4-0.

Ella Hickok had an outstanding game for the No. 20-ranked Huskies, scoring three goals. Riley Landis also scored a goal, with Cassidy Felger had one assist. Freshman Audrey Lang had five goalkeeper saves.

Heights is 13-5-1 and plays Jay County at 2 p.m. Saturday in the Sectional 24 championship. The Patriots beat Delta 4-0 in the second

semi-final.

### 'Hawks fall to Tipton

Sheridan's sensational season came to an end on Thursday, as the Blackhawks fell to Class 1A Sectional 37 host Tipton 1-0 in the semi-finals.

The No. 16-ranked Blue Devils gained control on the wing and scored their goal with 19 minutes left in the first half. Sheridan controlled the second half, with seven shots and multiple corner kicks. Emma Alexander drove the ball from midfield into the goal box with three minutes left, but the Tipton goalkeeper deflected it away.

Blackhawks coach Brian Prange said his seniors dedicated "their time and effort for all the time they have been on the program. We are very proud of them and want to thank them for their effort and leadership."

Sheridan finished its season 10-8.

# Your Friday Night Football Preview

# With sectionals nearing, get ready for excitement as Shamrocks take on Tigers

## The REPORTER

The IHSAA's football post-season draw takes place on Sunday, and teams are starting to measure the time until sectionals in days, not weeks.

But there are still two regular-season games left to play, including tonight's Week 8 games. That includes an all-county contest: Westfield will travel to Fishers for a 7 p.m. game.

The Shamrocks hold a 3-2 Hoosier Crossroads Conference record, and an overall mark of 4-3. Westfield got above .500 last Friday when it beat Avon at home, 35-21.

"We have had an uneven year," said Shamrocks coach Jake Gilbert. "All three phases have showed flashes of playing great but have also struggled at times. We have to get everyone playing great at the same time to win the sectional."

Senior quarterback Cole Ballard is 89-of-151 for the season, with 1,205 yards and seven touchdowns to his credit. Sophomore Gabe Arambles has 24 of those catches, including two for touchdowns.

Sophomore Kendall Garnett remains the leading rusher with 398 yards, including seven scores, while Ballard has 336 yards and eight touchdowns. Senior Tyler Dikos has been dominant on defense with 81 tackles.

"Westfield is a tough opponent," said Fishers coach Curt Funk. "What impresses me the most is how hard they play on every snap. Their kids play with excitement and give full effort. We will need to match their energy on Friday night."

The Tigers also hold an HCC mark of 3-2 and are 5-2 overall. Fishers beat Franklin Central on the road last week 26-15.

"Our team has room for growth," said Funk. "The past two weeks, we have played in two close games." The coach said his team needs to play four quarters of "solid football to have success in the postseason."

"Fishers has found ways to win," said Gilbert. "I respect that for sure."

Senior quarterback Lucas Minns has completed 59 of 106 pass attempts, totaling 882 yards and 10 touchdowns. Seniors Aidan Zimmer and Carson Dunn have 17 and 16 catches respectively; each have caught two touchdown throws.

Junior Khobie Martin has 671 yards rushing with eight TDs, followed by Dunn with 429 yards and six touchdowns. Senior

Grady Stanley leads the defense with 54 tackles; junior Brady Wolf has made 14.5 tackles for a loss.

"This is a very good football team," said Gilbert. "Great running backs. Excellent corners. Fundamentally sound defense. Pretty good everywhere."

## SHERIDAN-EASTERN

Sheridan has the county's only other home game tonight, and it's a big one: The Blackhawks welcome Eastern to Bud Wright Stadium in a crucial Hoosier Heartland Conference game.

Sheridan leads the HHC race with a 5-0 record, while the Comets are 4-1. Eastern's only loss in the conference has been to Carroll, 42-14 in Week 5.

The Comets' HHC victories have come against Delphi 49-0, Taylor 48-20, Clinton Central 52-8 and Tri-Central 44-6. Outside of the conference, Eastern fell to Oak Hill 41-3 in its opener, then beat Northwestern 53-30.

Junior quarterback Eli Edwards is 93-of-134 through the air, with 1,303 yards and 18 touchdowns. Junior Blake Robinson leads the receptions with 26, including four touchdowns, while junior Clayton Kelley has six TDs among his 20 catches.

Junior Jayden Eagles is on top of the rushing chart with 899 yards and nine touchdowns. Senior Reid Keisling leads the defense with 67 tackles, while Edwards has 60 stops, including 12 for a loss.
