This 1928 Ford Tri-Motor 5-AT is on the tarmac in Fishers and ready to take you a thrilling ride through yesteryear.

Planes, trains & automobiles

The REPORTER

Reporter Publisher Stu Clappitt seems to be stuck in the 1920s, but he's hoping his recent flight on a 1928 Ford Tri-Motor 5-AT has brought him back to the present.

Early this month Clappitt found a 1922 Ford Model T parked behind him in a small town in west-central Indiana. On Oct. 15 and 16, he took part in the Nickel Plate Express Murder Mystery Ride, a 1920s-themed experience. Then on Thursday, Oct. 20, he and photographer Nik Roberts took to the skies over Fishers in one of the first mass-produced airliners the world has ever known. Thanks to the Experimen-

tal Aircraft Association (EAA), a plane flown by both Amelia Earhart and Charles Lindbergh is flying out of the Indianapolis Metro Airport, 9913 Willow View Road, Fishers, through Sunday, Oct. 23.

According to EAA Chapter 67 President Nick Boland, the Ford came to Fishers because "EAA national called me and asked if we would be interested in sponsoring it. We did that 13 years ago and we thought it would be a good opportunity to have a historic aircraft here. A lot of what we try to do is get the community interested in aviation. Something like this fits that perfectly."

Decorate your tree while giving back

The REPORTER

Local non-profit Nickel Plate Express (NPX) and Noblesville photographer Daniel Grose have partnered to release a first-edition holiday ornament in honor of the annual Reindeer Ride Express.

The ceramic holiday ornament features a photograph of the iconic F7 4214 Nickel Plate Engine taken by Daniel Grose on the front and the Nickel Plate Express logo and date on the back.

"I have a passion for bringing the unique to the ordinary and photographing the Nickel Plate Express does just that," Grose said. "I am humbled to

have the chance to partner with them to bring joy and something special to those that purchase the ornament."

A portion of the profits from the sale will go back to Grose, while the remaining amount will go to supporting the programming offered by Nickel Plate Express.

"Partnerships and supporting other local businesses are a vital piece of what Nickel Plate Express does," NPX Director Emily Reynolds said. "I was honored to work with Daniel Grose to create a piece that families will be able to take home and remember their experience on our train. We

Photos provided by Daniel Grose Photography

look forward to working with other local artist each year to create a unique ornament to represent the magic of our Reindeer Rides."

Ornaments will be for sale

at the NPX gift shop starting Nov. 19. This collector's item ornament will sell for \$25.

For information about the holiday-themed rides in 2022, visit nickelplateexpress.com.

Carmel's River Heritage Park now open

The REPORTER

River Heritage Park, located at 11813 River Road, Carmel, is now open for the public to enjoy.

The park received a major overhaul as part of Carmel Clay Parks & Recreation's (CCPR) **Reimagining Parks** initiative and the **Clay Township Impact Program**.

In 2001, River Heritage Park's accessible playground was dedicated as "Everybody's Playground." When the park was reimagined in 2022, the focus on inclusion remained a top priority. The park's updates focus on accessible play

and providing access to the community's most significant natural resource: the White River.

Inclusive playground features

The park's new playground has two main sections: the front pod, which is located at the entrance of the park, and the back trail,

which winds through the wooded areas extending toward the White River.

Both sections include play features that are wheelchair accessible, including a swing and merry-go-round. Play experiences along the back trail provide options

See *Park* . . . Page 2

Go Purple with Prevail!

Why do people return to their abusers? Victims stay or return for many reasons. Abusers work very hard to keep victims in the abusive relationship. There is a real fear of death or worse abuse if they leave.

PAINTED

he might not have ended up a human popsicle. During my first pedicure last winter, I was asked the same question, “What color toenail polish would you like?” It came as a surprise. I didn’t know toe paint was part of the pampering. I passed on the polish proposal faster than you can say toe jam. The dorsal fin of the SOCIAL NORM SHARK breached the surface and kept me from taking a deeper dive on the wild side. Treating my tootsies up to the point of actually breaking the seal on a bottle of toenail paint suddenly seemed to be daring enough for one day. That someone wanted to paint my toes had well exceeded my already stretched comfort zone. I basically bolted for the door. I felt ashamed for worrying about what other people thought about what I did with my toes. So, yes, near the end of my second pedicure, I was prepared for the return of the BIG QUESTION: “What color toenail polish would you like?” Forget that it was Brynne’s 50th birthday; facing that question again was the main

Photo provided

reason I had returned. It was redemption time. Instead of maneuvering from my massage chair and eyeing the exit, I pointed my thumb “hitchhiker style” at Brynne and answered, “I’ll have what she’s having.” I was determined to get my toes painted, to defy the norm, to stop conforming, to be my own man. Judge me and be damned. I was tired of toeing the line. With foam separators between my toes, I knew there was no turning back. I was actually going through with it! Both pedicurists seemed surprised. Apparently, a man in their massage chairs was a rarity. Brynne’s pedicurist recalled a male customer who requested a polish but quickly assured all customers and employees in the spa that he was still “ALL MAN” ... whatever that means. The pedicurist proceeded to paint my toes. It was too late to get cold feet.

from Page 1

Bright red – if you must know. A hue somewhere between Fire Engine Red and Cherry Bomb. Secretly, I branded my color of choice Lillian Lips, for it matched my grandma Lillian’s Technicolor lips that sought me out like a heat-seeking missile when I was a kid, leaving no time to duck. My cheeks carried the Lillian Lips seal of approval up until bath time. It has been three weeks now since Brynne’s birthday, and I’m still surprised each time I put on or remove my socks and see my spa treated toes. When I glance down in the shower and see my painted toes, I can’t help but think that I’m standing in someone else’s feet ... a creepy thought. Still, seeing my happy feet brings a bit of joy to my otherwise mundane days. Next time, maybe I’ll go for a crazier color scheme, really loosen up, give those pedicurists something to really talk about. Yes, there will be a next time, for I’m a man comfortable in his own feet. Contact: scottsaa-man@gmail.com. Buy Scott’s books on Amazon.

PARK

for parkgoers with varying levels of mobility and body strength, including zip lines, climbing structures, and more. **Wheelchair accessible nature trail** A looping nature trail invites parkgoers on an adven-

ture through the forest and along the White River. The unique trail has a hard, rubberized surface and boardwalks that are wheelchair friendly. **White River overlooks** Two new overlooks offer tranquil viewing of the White River. The structures are wheelchair friendly and feature foot railings for safety and unobstructed viewing. “We’ve created a nature trail to our community’s most significant natural resource – the White River,”

from Page 1

CCPR Executive Director Michael Klitzing said. “It’s very easy for people to use by intention. Whether you are walking, in a wheelchair, or pushing a stroller, it is a place all members of the public can go out and enjoy.”

PREVAIL

Advocating for Victims of Crime & Abuse

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

- Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

AIRPLANE!

from Page 1

Pilot Taylor Oliver told The Reporter, “If you’ve seen one Ford Tri-Motor, you’ve seen one Ford Tri-Motor. They are all different. There are small nuances and they were all hand-built.”

Oliver said this particular plane had its first flight on Dec. 1, 1928. The 5-AT line was world’s first purpose-built all-metal airliner. It inaugurated westbound transcontinental commercial air service on July 7, 1929.

With only 10 seats available on the plane, this is very a limited opportunity for those who would like to experience part of American aviation history. According to the EAA website, at the time of publication, walk-up space is still available, though pre-scheduling a seat on the 5-AT is not possible online. Call onsite

crew at (920) 379-8339 for more information.

Both Clampitt and Roberts found the flight to be fascinating and exhilarating. There was a fair bit of turbulence on Thursday’s flight. Perhaps they should have bribed Hoosier Weather Daddy Paul Poteet for a bit less wind that day.

Clampitt said he hopes he is done with the 1920s for a while, now that the planes, trains and automobiles cycle seems to have closed. “Can I come back to the 21st century now?” Clampitt asked when he was back on solid ground.

I don’t know, Mr. Publisher. We do hear some interesting things about the 1940s.

Learn more about the EAA in general and about the Ford Tri-Motor in particular at eaa.org.

Deputy Coroner improves her death investigation skills with entomology

The REPORTER

This week, Hamilton County Deputy Coroner Ashley Taylor attended a two-day Forensic Entomology class.

Forensic Entomology is the study of arthropods, specifically insects, and how their development relates to determining a time of death in a death investigation.

The class was put on by world-renowned Forensic Entomologist Dr. Neal Haskell and several of his colleagues. Dr. Haskell has used Forensic Entomology in more than 450 murder cases, most notably the Casey Anthony case.

A deceased body will attract insects in a reliable and predictable sequence that allows investigators who are trained in this field to closely estimate a date and time of death.

“Entomology is important to our field in determining an accurate date of death in a deceased person who may have been a vic-

Taylor

tim of a violent crime or one who has died and not been found for some time,” Deputy Coroner Taylor said.

The Coroner and the Deputy Coroners of Hamilton County attend as much additional training as possible throughout the year to further their understanding of the complexities that go along with death investigations.

According to Taylor, Forensic Entomology is an invaluable tool that “can be used in court trials to accurately determine a date or time of death in criminal cases.”

BUCK
STATE SENATOR

JIM BUCK
FOCUSED
ON KEEPING OUR
COMMUNITIES SAFE

PROUDLY ENDORSED BY:

CRIME IS RISING ALL AROUND
AND JIM BUCK IS RISING TO THE CHALLENGE

From Kokomo to Westfield and all points in between, Hoosiers can rest assured that State Senator Jim Buck is:

SUPPORTING POLICE OFFICERS AND FIREFIGHTERS:

Jim is a leader in the State Senate when it comes to making sure our police and fire departments are fully funded so they can keep us all safe. Jim “Backs the Blue,” and they have his back as well – his reelection campaign is endorsed by the Fraternal Order of Police and the State Police Alliance.

KEEPING VIOLENT CRIMINALS BEHIND BARS:

Jim Buck is keeping the most violent and dangerous criminals behind bars. He supported efforts to increase sentences for violent felons and voted to close a loophole that allowed these criminals to be released from jail early.

LEADING WITH COMPASSION FOR HOOSIERS WITH MENTAL HEALTH CHALLENGES:

Jim Buck understands that non-violent offenders dealing with addiction and mental health challenges deserve help, not prison sentences. That’s why he passed legislation to fund mental health and addiction services, and to support the 988 Mental Health Hotline (a vital resource connecting Hoosiers with licensed professionals).

Tiffany Pascoe earns conservative group’s endorsement in HSE school board race

Submitted

Tiffany Pascoe, a self-proclaimed proven conservative candidate, has received an endorsement from the Central Indiana Coalition of Conservatives (CICC) for the HSE School Board District 1 seat.

CICC supports American traditions, conservative values, liberty, freedom, limited federal government, and state’s rights. The organization’s mission is to reinvigorate civic engagement and influence decision-makers by educating, honoring, and applying core beliefs in the foundational principles of the United States.

In its endorsement, CICC said, “She has committed to partnering with parents and guardians by

giving them a voice on the board and plans to focus on the academic achievements of the district’s students by putting them first. Earlier than many, Tiffany Pascoe supported students returning to in-person learning. She recognizes a need for conservative values and principled leadership to be maintained and restored in our community. We believe Tiffany Pascoe will be a vigilant defender of our children. We also trust, as a HSE School Board member, she will avoid the government interference that seeks to indoctrinate our children in the classroom. Vote for Tiffany Pascoe on November 8!”

Learn more about Pascoe at Pascoe4HSE.nation-building.com.

Letter guidelines this election season

With the approach of the Nov. 8 General Election, the Reporter is establishing some Letters to the Editor guidelines to keep things fair and balanced.

Letters addressing new topics about the upcoming election or the policies of individual candidates will be accepted until the end of the business day on Tuesday, Nov. 1 and will be published on Wednesday, Nov. 2.

Letters in response to new topics published in our Nov. 2 edition will be accepted until Friday, Nov. 4 and will be published in our Saturday, Nov. 5 edition.

These deadlines will give candidates and their supporters the opportunity to reply to letters addressing new topics.

Please send your letters to News@ReadTheReporter.com.

Letters to the Editor do not represent the opinions of The Reporter or our staff.

Lose a necklace on the Nickel Plate?

If you lost a dainty infinity necklace with rose gold and small diamonds on this past weekend's Murder Express ride, please know that it was not stolen in 1922 by the infamous jewel thief Ruby Keyhole. Nickel Plate Express staff found the necklace and want to get it back in the hands of its rightful owner. Since everyone was taking photos this weekend, if you lost a necklace and have a photo to prove it is yours, please reach out to Executive Director Emily Reynolds at ereynolds@nickelplateexpress.org.

State Sen. Ford calls on Health & Hospital Corp. to drop Supreme Court case

The REPORTER

On Thursday, State Senator J.D. Ford (D-Indianapolis) joined community activists, elected leaders and Congressional leadership in calling on Health and Hospital Corp. of Marion County to withdraw their case, *HHC v. Talevski*, from consideration before the Supreme Court.

Ford

"HHC v. Talevski puts the legal rights of millions of Americans under direct threat," Ford said. "This case could strip away crucial protections for America's most vulnerable citizens – the poor, the elderly, the disabled – and render any Americans whose rights have been violated under federal spending programs essentially helpless. I stand with those who spoke before the board last night and ask Health and Hospital Corp. to withdraw the suit before they irreversibly change millions of Americans' fates for the worse."

"Every institution, especially those that receive taxpayer money, should be accountable to the people they are supposed to serve; this case directly challenges that most basic principle. Americans should not just be thrown at the mercy of hospitals and nursing homes that violate their rights. No facility should have this sort of unfettered power over the lives of those they serve. We should not make it easier for care providers to toss people aside or to trample on people's lives and liberties. I hope that HHC has a change of heart and withdraws the case, but I will be looking for ways to preserve the rights and dignity of those impacted if they do not."

Sen. Ford represents Indiana Senate District 29 which encompasses Boone County's Eagle Township, Hamilton County's Clay Township, and Marion County. Marion County communities include Pike and Wayne townships.

Good news from Stony Creek Church of Christ

Baptism – whose work is it?

First of all, lest I be misunderstood and falsely accused of believing in "water salvation," let me say as plainly and strongly as I can that I am fully persuaded that the Bible teaches that man is saved from the consequences and guilt of his sins through the blood of Jesus Christ (Eph.

JOHN A. SMITH
Think on These Things

1:7; Romans 5:9). Man is not saved on the basis of his own works or through works of human merit (Eph. 2:8). A passage that is most helpful in this discussion is Colossians 2:13. *“And you, who were dead in your trespasses and the uncircumcision of your flesh, God made*

alive together with him, having forgiven us all our trespasses...” When man is buried with Christ in baptism (Romans 6:4-7), he is made alive together with Him having had his sins forgiven. This Paul attributes to the "working of God" (v.12). When a man is baptized God removes the man's sins that caused him to be spiritually dead. The watery grave of baptism is where God promises to do

His work of cutting away the filth of his transgressions. What is significant is not that the man allowed himself to be plunged under the water, but that he agreed to meet God "at the place" where God promised to do His surgery. Thus, man is not saved on the basis of his own work, but rather the work of God.

Jesus taught that repentance was a prerequisite to salvation (Luke 13:3,5 "... unless you repent, you will all likewise perish."). Thus, when we meet God on His "operating table" where He cuts away our spiritual filth, we must do so because we are truly sorrowful for our sins and desire to turn our life around. Peter in agreement with Jesus, preached in Acts 3:19 that those who had rejected Jesus needed to, "Repent therefore and return, that your sins may be wiped away ..." The New Testament clearly teaches that man must repent of his sins before God

We hope you will accept our offer to visit and investigate. We meet at 15530 Herriman Blvd. in Noblesville. Our phone number is (317) 219-5852. We meet for Sunday morning Bible Study at 10 a.m. and have classes for all ages. Worship begins at 11 a.m. and we have a Bible Study at 7 p.m. on Wednesdays. A warm welcome awaits!

and acknowledgment that they wanted to turn from the consequences of their sins. Did the suicidal jailer have faith in Jesus as God's son? How was Paul going to know, thus he told him to begin his journey to salvation at the point of faith. As with faith so it is with the blood of Jesus (Romans 5:9), it forms a portion of the foundation of salvation.

By what right do we eliminate any command of God? By what right do we pick and chose which of His commands we like and chose to obey? I can no more eliminate baptism than I can eliminate faith or repentance.

Would you like more information or a personal study of this issue? I would love to accommodate your request. May we help you come to know your God and Creator more fully? Do you have questions or disagreements? If you do have concerns about your knowledge of the eternal God and salvation, please contact us at the Stony Creek Church of Christ. We will be happy to study God's Word with you and help you find the "peace that passes understanding" (Philippians 4:7).

Vietnam Veterans and Korea Veterans

Open House, Saturday, November 5

9:00 – 11:00 a.m.

Most states celebrate "Welcome Home Vietnam Veterans Day" the date of the final withdrawal of U.S. troops from Vietnam. The day commemorates the sacrifices of Vietnam veterans and is part of a national effort to recognize the men and women who were denied a proper welcome upon returning home more than 40 years ago. The United States Congress has designated March 29 of each year to be recognized as National Vietnam War Veterans Day. This year Horseshoe Prairie Chapter, NSDAR, will recognize these veterans on November 5th.

To recognize military service men and women who served during the Vietnam era, as well as those who served in Korea, we invite you to attend an Open House at Noblesville Township Community Center, 372 S 8th St. in Noblesville.* Coffee, juice and various food items sponsored by The Farmers Bank will be served by members of the Horseshoe Prairie Chapter. Members of the "Rugged Brothers" band will entertain us with a few of our favorite songs.

The Horseshoe Prairie Chapter recognizes and thanks all our military veterans for their service and dedication to our country. Ancestors of the Daughters of the American Revolution fought to establish a country free from tyranny and provide the independence we enjoy today.

PLEASE JOIN US ON NOVEMBER 5 – WE APPRECIATE YOUR SERVICE AND LOOK FORWARD TO SEEING YOU !

*ALL veterans who served during the Vietnam and Korean wars, whether overseas or stateside, are invited to attend!

Rep. Spartz sends letter to President Biden on offshore energy leasing plan

Submitted

This week, Rep. Victoria Spartz (R-Ind.) joined Minority Whip Steve Scalise (R-La.), in sending a letter to President Biden regarding the five-year offshore energy leasing plan.

The letter demands President Biden and U.S. Department of the Interior Secretary Deb Haaland reverse course on the current disastrous energy policies and invest in America’s energy independence by issuing a five-year offshore leasing plan that includes regular annual lease sales in America’s offshore areas.

The offshore leasing program is required under the Outer Continental Shelf Lands Act (OCSLA), mandating the Department of the Interior to finalize a five-year plan before any leasing can occur. While past administrations ensured a smooth transition between

schedules, Secretary Haaland broke tradition and severely delayed the release of a proposed program, further undermining American energy production.

In the letter, Rep. Spartz and House Republicans underlined the grave consequences of undermining oil and gas exploration, pointing to the ongoing energy catastrophes in Europe and California that led to skyrocketing gasoline and electricity prices for hard-working families.

“President Biden has continuously taken steps that hurt American energy production,” Rep. Spartz said. “Our letter outlines commonsense actions the President can take to get American energy back on track. We need to develop energy policies, not politics.”

[Click here](#) to read the full letter.

Spartz

Greg Garrison receives endorsements from Carmel & Fishers FOPs

Submitted

Attorney, former prosecutor and well-loved radio host Greg Garrison has been endorsed by Carmel Fraternal Order of Police Lodge #185 and Fishers Fraternal Order of Police Lodge #199.

“I have spent my entire career working with and earning the respect of law enforcement,” Garrison said. “In fact, it was many of them who urged me to get into the race for Hamilton County Prosecutor in the first place. I am grateful for the votes of confidence and loyalty by our local police officers.”

Garrison has spent the months since his Primary Election victory holding meetings with local police officers. This has been an opportunity to grow their relationships, promise to work hand-in-hand, as well

as hear their concerns.

“As I have said since the start of my campaign, I will ensure my prosecutor’s office is working together with law enforcement to build stronger cases for the successful prosecution of criminals in Hamilton County,” Garrison said.

Garrison points to the growth of the county as a concern for the potential of increasing crime and says the prosecutor’s office will make it clear to would-be criminals that Hamilton County does not tolerate lawlessness.

“It needs to be well known in the criminal underworld that Hamilton County is the last place you want to commit a felony,” Garrison said. “This is why I have been and will continue to work closely with our county police departments.”

Garrison

HOW MUCH TIME DO WE HAVE TO DO SOMETHING GREAT?

Thanks for reading! Tips to avoiding hitting deer

The REPORTER

Each year in Indiana, several thousand dollars of damage occurs from vehicle-deer crashes. In many cases motorists can be severely injured or killed when drivers panic and swerve to miss a deer, and then lose control of their vehicle and crash.

Last year in the state of Indiana there were over 15,000 accidents involving deer. Out of those accidents there were 366 with injuries and two fatalities. The Pendleton District offers a few safety tips to help you avoid a possible collision with a deer this year.

Be cautious while driving during dusk or dawn hours

Deer are most active at dawn and dusk, but can appear at any time, especially

during the mating season, which is in full swing from October through December. Please remember, though, that deer can appear at any time. Ensure that you and your passengers are always wearing seat belts in case you need to make a sudden stop.

Pay attention to deer crossing signs

Be alert and observe your surroundings for any signs of deer while on the road. Deer are abundant in forested areas, so it's important to drive cautiously even if you're no longer in a deer-crossing zone.

Stay alert if you spot a deer

Deer tend to travel in packs, so if you see one deer, slow down and proceed with caution. Be prepared for more to follow. If you see a deer, slow down, tap your brakes to warn others, or flash your lights and sound your horn to warn other motorists. It will give everyone an opportunity to slow down.

Take precautions when driving at night

If there is no oncoming traffic, turn on your bright lights. You'll not only be able to see clearer, but you'll have a greater chance of spotting a deer from a distance and allow you to react accordingly.

Drivers should watch

approaching vehicles to see if what interrupts their headlights beams could be a passing deer. This technique allows extra time to slow your speed and be alert for the deer.

Remember when looking for deer on the side of the road, look for the reflection of the deer's eyes caused from the headlights.

Don't swerve to avoid hitting a deer

Do not swerve to avoid a deer collision. By swerving you put yourself at risk for a worse collision with another motorist or running off the roadway. Brake firmly and stay in your lane.

Report the deer-vehicle collision

If your vehicle strikes a deer, do not touch it. A frightened or wounded deer can cause you serious bodily injury. Remain in your car, make sure you and your passengers are safe, and call the police to obtain a crash report for your insurance company. You must report this as you would any other crash.

Remember deer are unpredictable and could dart into traffic at any time, so be alert at all times!

Indiana State Police Pendleton District wants everyone to buckle up and hopes that everyone travels safely during this time of year.

Myers Architectural Millwork Inc. broadens regional options for custom craftsmanship

The REPORTER

Myers Architectural Millwork Inc. is the Indianapolis area’s newest commercial millwork producer, dedicated to elevating environments through the creation of custom, first-class architectural millwork and casework.

A division of Myers Cabinets, Inc. – a trusted regional name for more than 26 years – Myers Architectural Millwork has the ability to design, build and install, maintaining top-tier quality during each phase of its builds. The company specializes in new commercial environments, including lobbies and panels, reception areas, office rooms, wood trim and casework.

Located at 4954 Fieldstone Drive, Whitestown, Myers Cabinets, Inc. employs 38 people at its nearly 38,000 square-foot facility.

“We’re ecstatic to widen the scope of our services and get back to basics with what we do best – ornate woodworking and fine details,” President Roy Myers said. “This is a chance for us to hone in on what we’ve already perfected and offer our region a millwork producer they know and can

Photos provided

depend on.”

Whether it’s a restaurant window seat in an odd-shaped alcove, bare hotel rooms, blank-canvas corporate offices or shelving to showcase a museum’s collection, Myers Architectural Millwork Inc. can create a custom solution that is both functional and aesthetically fit.

Recent regional Myers Architectural Millwork Inc. projects include:

Myers

Myers Architectural Millwork Inc. often joins in work with gener-

9800 Crosspoint Blvd., Fishers

- Keystone at the Crossing, 8888 Keystone Crossing, Indianapolis

- Box Factory, 1411 Roosevelt Ave., Indianapolis

al contractors and owners’ reps, providing fine craftsmanship, custom solutions and responsive communication at a fair price – on time and on budget.

The company collaborates with clients during

each step of the process, from drafting designs and choosing appropriate materials to selecting the hardware, installation methods and more, ensuring its final product is exactly what the customer envisioned.

Working with Myers Architectural Millwork Inc. allows for a level of customization that simply isn’t possible with mass-produced pieces. From design to install, clients can be certain their vision will see light.

James Albert Bellamy
May 12, 1943 – October 21, 2022

James Albert Bellamy, 79, Cicero, passed away on Friday, October 21, 2022, at his home. He was born on May 12, 1943, to Samuel and Ruby (Russell) Bellamy in Bonnie Blue, Va.

Jim was a proud military veteran. He served in the regular Army in Company A 709th Battalion as an MP with a sharpshooter in rifle and expert in pistol. Jim also served in the National Guard Battery C 2nd Battalion 150th and retired from the U.S. Army Reserve. For over 40 years, he worked as a tool and die maker at Steel Parts Corporation, retiring in 2005. Jim was an avid fisherman and bowler, and he loved nice cars and babies.

He had a deep love for his family, including a special relationship with his maternal grandfather, Richard Jackson Russell. Jim provided a special, father-like love to all his nieces and nephews.

Jim is survived by his wife of 54 years, Gail Arlene Bellamy; daughters, Vanessa (Jesse) Junker and Vivian (John) Pirics; and the lights of his life, grandsons, Trevor and Henry Pirics.

In addition to his parents, he was preceded in death by his sister, Jo Anne Hamilton; and his brothers, William R. Bellamy and Samuel Wells Bellamy II.

A celebration of life will be held at a later date. The Bellamy family has entrusted Randall & Roberts Funeral Homes with Jim's care.

Annabel Brooks
June 9, 1941 – October 20, 2022

Annabel Brooks, 81, Noblesville, passed away on Thursday, October 20, 2022, at her home. She was born on June 9, 1941, to Charles and Gertie (Story) Boatwright in Tusculumbia, Ala.

Annabel was a homemaker who enjoyed camping, bowling, gardening, and watching game shows on the Game Show Network, especially Jeopardy!. She was extremely kind-hearted and never knew a stranger. Most of all, Annabel loved spending time with her family and enjoyed large family holiday gatherings.

She is survived by her husband, R.C. Brooks; daughter, Cathy Brooks (Gary White); sons, Mark Brooks (Carol Montgomery), Michael Brooks (Jaime Day), and Shawn (Tisha) Brooks; grandchildren, Brian Brooks, Jason (Ashley) Brooks, Kristin (Austin) Morrow, Arianna Brooks, Mark (Jule) Brooks Jr., Tia Brooks, Randy Brooks, Colin Brooks, and Cameron Brooks; great-grandchildren, Abbie Brooks, Chloe Brooks, Alexis Brooks, Teegan White, Logan Morrow, Kaiden Brooks, Kaysee Brooks, Lyla Brooks, and Nakaiya Brooks; sister, Julie Feltz; brother, Laymon (Lou) Boatwright; many nieces and nephews; and many great-nieces and great-nephews.

In addition to her parents, Annabel was preceded in death by her son, Randy Brooks; sister, Linda Fox; and her brother-in-law, Ronnie Feltz.

Visitation will be from noon to 4 p.m. on Wednesday, October 26, 2022, at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville.

Memorial contributions may be made to American Cancer Society, P.O. Box 681405, Indianapolis, IN 46268-1405 (cancer.org).

TODAY'S BIBLE READING

So then, dear friends, since you are looking forward to this, make every effort to be found spotless, blameless and at peace with him. Bear in mind that our Lord's patience means salvation, just as our dear brother Paul also wrote you with the wisdom that God gave him. He writes the same way in all his letters, speaking in them of these matters. His letters contain some things that are hard to understand, which ignorant and unstable people distort, as they do the other Scriptures, to their own destruction.

2 Peter 3:14-16 (NIV)

Amber Elizabeth Miller
May 6, 1984 – October 16, 2022

Amber Elizabeth Miller, 38, Fishers, passed away unexpectedly on Sunday, October 16, 2022, at her home. She was born on May 6, 1984, to Larry and Rebecca (Conlon) McCauley in Indianapolis.

Amber loved arts and crafts, painting, spending time together as a family, and laughing. Amber had numerous extraordinary attributes such as loyalty, honesty, giving, ability to forgive, willingness to help others, and courage to stand up for what she believed in. She was always extremely appreciative and was just as beautiful on the inside as she was on the outside. However, Amber's greatest attribute was her ability to love. Amber will forever be loved and missed dearly.

She is survived by her father, Larry McCauley; brother, Andrew McCauley; children, Lyrik, Chloe, Caleb, Noah and Savannah; and her husband, Kyle Miller.

Amber was preceded in death by her mother, Rebecca McCauley.

A memorial service for Amber will be held at 12:30 p.m. on Sunday, October 23, 2022, at the Church of Nativity, 7300 Lantern Road, Indianapolis.

William Allen Boyer

July 13, 1942 – October 9, 2022

William Allen Boyer, 80, Noblesville, and formerly of Carmel, passed away on October 9, 2022, at his home in Noblesville. He was born July 13, 1942, in Tipton to Richard and Phyllis (Gullion) Boyer. He outlived his parents and his sisters, Peggy Ann Hebner and Sally Anne McFall.

He is survived by an aunt and several nieces and nephews, including his guardian, Michael Barker. He also leaves behind his girlfriend of many years, Donna Mahen.

He was a kind and friendly soul, and many will remember him riding his bicycle with orange flags on Main Street in Carmel. He visited many of the shops and businesses in downtown Carmel and even had a table designated to him in a restaurant. He was also a faithful and active member of Carmel United Methodist Church where he played the kazoo in their band.

He was first employed at Goodwill Industries, then worked in the bakery at O'Malia's Grocery Store, and lastly, he worked for several years at Janus Development Center in Noblesville. During his younger years he participated in Special Olympics for several years, then as grew older he stepped into the role of supporting them.

He loved listening to country and gospel music. He also enjoyed bowling and the game of Bocce. He was an avid Colts fan.

Funeral services will be held at 11 a.m. on Monday, October 24, 2022, at Hartley Funeral Home Cicero Chapel, 209 W. Jackson St., Cicero, with Pastor Patti Napier officiating. Burial will follow at Cicero Cemetery. Visitation will be from 10 a.m. until time of the service.

Memorial contributions may be made to Carmel United Methodist Church, 621 S. Range Line Road, Carmel, IN 46032; or Janus Developmental Services, 1555 Westfield Road, Noblesville, IN 46062.

Send condolences at hartleyfuneralhomes.com.

Timothy E. Schroer

May 1, 1953 – October 20, 2022

Timothy E. Schroer, 69, died Thursday, Oct. 20, 2022, at home with his wife after a diagnosis of metastatic pancreatic cancer on Sept. 9. After more than 28 years in Brownsburg, Ind., Tim and his wife Becky (Snelling) Schroer moved to Westfield in August 2022.

Tim was a dedicated high school English and Latin teacher for 36 years. He loved his students who knew him as Magister Schroerus. He often called himself a “sinister dude” because the Latin word for left-handed, which he was, meant sinister. He was anything but sinister!

Tim started his teaching career at Jac-Cen-Del Schools in Osgood, Ind. He then had a brief stint at Lawrence North High School in Indianapolis before finishing his love of teaching at South Putnam Community Schools (on U.S. 40 south of Greencastle), from where he retired in 2013.

Tim was born on May 1, 1953, in Geneva, Ill., to the Rev. Kenneth and Anita (Berning) Schroer, who preceded him in death. Tim lived in Illinois until his family moved to Noblesville and then South Bend, Ind., from where he graduated from South Bend Washington High School in 1971. He also is a proud 1975 graduate of Wabash College, Crawfordsville, Ind. He received his master's degree from Ball State University in Muncie, Ind.

Tim was an amazingly loving and patient husband to his adoring wife Becky. They married in 1974 and have been parents to cats. They enjoyed wintering in their Arizona condo where they have met many wonderful friends. Together they enjoyed sports and cultural events.

Tim was an avid sports card/memorabilia, coin and stamp collector for many years. His favorite teams were the Indiana Pacers as well as the Chicago Bears, Cubs and White Sox. He was thrilled to see each Chicago team win a championship in his lifetime! He also loved reading, especially Roman and American history and sports. He would many times read three to four books at a time.

Tim is survived by his adoring wife, Becky (hometown Noblesville), Westfield; his brother, David (Cindy), Stamford, Conn.; his brother, Peter, Kokomo, Ind.; and his sister, Lisa (the late Mark) Wesley and brother, Nathan (Connie) Schroer, both of Fort Wayne, Ind. His surviving niece and nephew are Sarah Schroer, Brooklyn, N.Y., and Kenton (Lainey) Schroer, Kokomo.

Lutheran Missouri Synod funeral arrangements are as follows: All services will be held at Advent Evangelical Lutheran Church, 11250 N. Michigan Rd., Zionsville, by the Rev. James Grady. Calling will be held from 4 to 7 p.m. on Friday, Oct. 28. An additional calling will take place from noon to 1 p.m. on Saturday, Oct. 29, with the funeral service following at 1 p.m. Additional information may be found at indianafuneralcare.com.

In lieu of flowers, the family gratefully asks that donations be made to South Putnam Community Education Foundation (Memo: Timothy Schroer Memorial Scholarship) at P.O. Box 863, Greencastle, IN 46135; and Advent Evangelical Lutheran Church at 11250 N. Michigan Road, Zionsville, IN 46077.

Joseph Paul Druckemiller

June 23, 1964 – October 19, 2022

Joseph Paul Druckemiller, 58, Noblesville, passed away on Wednesday, October 19, 2022, at his home. He was born on June 23, 1964, to the late Oris and Esther (Winters) Druckemiller in Van Wert, Ohio.

Joe served with Campus Crusade for Christ (Cru) for 28 years, in both the U.S. ministry as well as Power to Change in Australia. Working in full-time ministry with Cru as well as Grace Church, Joe focused on global communications, conference programming and production. He was an a cappella jazz vocalist and enjoyed traveling and living overseas for 20 years. Joe had a green thumb and enjoyed growing his orchids and bonsais. He cherished watching movies with his daughter and loved spending time with family and friends.

Joe is survived by his wife, Alison Druckemiller; daughter, Anna LeMei Druckemiller; and his siblings, Jim (Rose) Druckemiller, Michelle (Mark) Finnestad, and John (Angie) Druckemiller.

Visitation will be from 5 to 7:30 p.m. on Monday, October 24, 2022, at Grace Fishers Church, 12450 Olio Road, Fishers. An additional visitation will be on Tuesday, October 25 at Grace Fishers Church from 10 to 11:15 a.m., with funeral services following at 11:30 a.m. Burial will be at Crownland Cemetery in Noblesville.

Memorial contributions may be made to Project Main Street, 244 5th Ave., Suite #2417, New York, NY 10001 (projectmainst.org/how-to-help); or ALS Association of Indiana, 7202 E. 87th St., Suite 102, Indianapolis, IN 46256 (webin.alsa.org).

Condolences: randallroberts.com

Huskies unleashed

Heights overpowers Maconaquah, gets first sectional victory in five years

The REPORTER

Hamilton Heights broke a long drought on Friday when it traveled to Maconaquah for a first-round game in Class 3A Sectional 28.

The Huskies broke away from the Braves late in the first quarter and then roared to a 51-18 victory. It was the first sectional win for Heights since 2017 and sends them into next Friday’s semi-finals.

“I’m very proud of the effort tonight,” said Huskies coach Jon Kirschner. “Very proud all the way around.”

Maconaquah got on the board first with a 41-yard touchdown pass less than two minutes into the game. But after that, Heights took over, as the first quarter and a half became the “Trey Ehman and offensive line show,” said Kirschner.

Ehman dominated the first quarter, scoring three touchdowns. His first was a 71-yard streak into the end zone at the 9:26 mark to tie the game, and a Teigan Scoles extra-point kick put the Huskies in front. Ehman scored again midway through the period on an eight-yard run.

Maconaquah quickly struck back, scoring on a 76-yard pass from Kaleb

Skeleton to Braxton Birner. The Braves tied for two-point conversions both times, but didn’t get either one, so Heights led 14-12.

Maconaquah got the ball back, but tried to punt. The Huskies’ Kaleb Murray blocked the punt, which led to a safety. Heights now led 16-12, and that became a 23-12 lead after Ehman scored on a 12-yard run with 1:37 left.

If the first quarter belonged to Ehman, then the second quarter was the Bodie Derrer show. The quarterback was responsible for three touchdowns and for powering the Huskies to a 44-12 halftime lead.

Derrer’s first TD was a 30-yard throw to Vincent Harley early in the quarter. Derrer then ran the ball in from 12 yards to score, and followed that with a nine-yard toss to Tyler Champion. Derrer then began the third quarter with one more touchdown pass, a 30-yarder to Evan Tilton. That completed the scoring, and the Huskies were up 51-12.

“It was a good night,” said Kirschner. “Very dominating night for the Huskies. I’ll give Maconaquah credit. They’re young.

Heights individual stats					
Rushing: Ehman 15-224, Owen VanHaaren 12-155, Kyle Michael 3-11, Derrer 4-minus 2, Joey Sigler 4-minus 7.					
Passing: Derrer 3-5-69.					
Receiving: Harley 1-30, Tilton 1-30, Champion 1-9.					

They’ve got some very talented receivers.” Kirschner also noted that the Braves have some good skill players coming up as well.

Heights’ defense also played well. Jaylyn Pugh caught an interception in the end zone in the final minute of the first half. Carson Fetting “played extremely well,” said Kirschner. “Probably had one of his top two or three games of the year. We had several batted balls. We knocked down a lot of passes tonight.”

The coach noted that Dean Mason “had a couple pass breakups.”

Ehman finished the game with 224 yards rushing, with Owen VanHaaren collecting 155 yards on the ground. Derrer was 3-for-5 passing, but all three of those completions resulted in touchdowns. Scoles was 7-for-7 in extra-point kicks.

The Huskies are 8-2 and host Bishop Chatard in next week’s Sectional 28 semi-finals.

Frost tops tight Indy Lights

time sheet at Griffis Test at IMS

The REPORTER

Danial Frost staked his claim as a driver to watch for the 2023 Indy Lights championship by leading the Chris Griffis Memorial Test on Friday, Oct. 21 at Indianapolis Motor Speedway.

Indy Lights veteran Frost, from Singapore, led the 16 drivers participating in the annual test with a top lap of 1 minute, 16.2526 seconds in the No. 68 HMD Motorsports with Dale Coyne Racing entry. That time came during the morning session on the 14-turn, 2.439-mile road course, and he also led the afternoon session at 1:16.2794.

“Today went pretty well,” Frost said. “I’m quite happy with how the prog-

ress has gone. We’re looking more to getting the balance right, and being at the top is a nice refresh and helps us make sure we’re making good progress. The team has done an excellent job even though we have nine cars now. We’re still fast.”

Less than one-half second separated the top nine drivers overall in the test, named in memory of Chris Griffis, the team manager of Schmidt Peterson Motorsports who passed away suddenly in September 2011. Griffis led the team to five Indy Lights championships from 2003-2011.

2022 Rookie of the Year Hunter McElrea was second at 1:16.3769 in the No. 27 Andretti Autosport car. Ernie Francis Jr., who

has joined the powerful HMD Motorsports team for his second season in 2023, ended up an impressive third at 1:16.4489 in the No. 99 HMD Motorsports with Force Indy car. Francis finished 10th in the series standings as a rookie in 2022.

“Coming into today, expectations are high, being with HMD, a championship-winning team last year,” Francis said. “We know we have the potential to be fast, and today was pretty good. We ended up P3. Really happy with that. That’s the highest we’ve been in the order all season.

“I think it should be a really competitive (2023) season. The times look really close, and I think we have a

top-five car. It will make for a good year.”

Rookie Nolan Siegel was fourth at 1:16.4852 in the No. 39 HMD Motorsports with Dale Coyne entry, and Kyffin Simpson ensured HMD drivers took four of the top five spots by ending up fifth at 1:16.4858 in the team’s No. 21 car.

There was only one incident in six hours of testing. Three-time W Series champion Jamie Chadwick touched the grass at the entry of Turn 14 and made contact with the SAFER Barrier in the No. 28 Andretti Autosport car. She was unhurt and continued in the afternoon session.

The 16 drivers combined to turn 945 laps during the test.
