The Punkin family is an eclectic bunch of characters with deep roots in the rich earthy soil of our Hamilton County community. Pictured above from the left are BroBilly (he needs a haircut), MamaMia (the queen of the roost – if Mama ain't happy, ain't nobody happy), Sister Suzie (our hippie girl and the family vamp), Mr. Steve (Steve Martin – the creative mastermind), Noodles the Wonder Dog (she's a good pup), Poppo (the glue that keeps the family together), and Uncle Joe (he's from Kokomo, don't ya know, and he enjoys a good cigar).

## Sheridan Historical Society welcomes the Punkin family

By STEVE MARTIN  
Sheridan Historical Society

The Sheridan Historical Society is playing host to the Punkin family this Halloween season. The family is celebrating the season by making an appearance at the Society's Museum front windows for all to see, especially on the evening of Monday, Oct. 31. That's Halloween, of course, and as usual the community

will celebrate with a big parade of costumed kids and adults on Main Street. After the parade, all participants are invited to visit merchants and trunk 'n treaters all up and down Main Street for fun and candy. The Museum will be open, and girls and boys of all ages are invited into the Museum for trick or treat candy bags (while they last!) and fun and games. The Punkin family will be on

display in the Museum's front windows, docents will be available for a guided tour of the artifacts and displays we have, Sandy, the Ben Franklin horse, will be available for rides, and other activities are planned. Best of all – and we hope this does not occur – if the weather is cold or rainy, or God forbid if it is snowing, you can come into the museum to sit and warm up and visit with us. We hope you will plan to be

on Sheridan's Main Street for the parade and Halloween fun. And we hope you will come by the Museum and meet the Punkin family. They will be disappointed if you don't stop by and say hello. Or just come the Museum after dark any evening for the next few weeks and see our Punkin display in the windows. The Museum is located at 315 S. Main St. in beautiful up-town Sheridan.

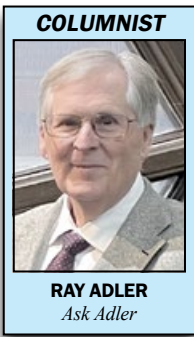

## When short hair was illegal

After college at Purdue University, where I was fortunate to graduate with honors in mathematics and chemistry, my uncle called. Uncle Sam.

At that time the draft was still in effect. Because there were more potential draftees than necessary, a lottery system based on birthdate was utilized. My number was one of the last numbers called. We were bussed to Indianapolis, ordered to strip down and were given a free physical inspection. I passed with flying colors while the guy next to me was disqualified for service because of his flat feet. He had told me that he was a multi-sport letter athlete in high school, but the doctor said he was not fit for military service.

The military assigned me to be a tank mechanic. When I arrived at my destination, Ft. Leonard Wood, Mo., I found my bunkmate had been assigned to be the Army chemist! He had just received his journeyman's card as a mechanic and I the honors chemistry degree. Had they switched our paperwork?

It was September when I left home, and I was very well tanned having worked that entire summer on the farm. The local barber hated long hair which was then in fashion for men, and mine was below my ears. I knew I would need a haircut in the military so I told him he could do anything he wanted to with my hair if he would pay me \$5. He paid me the \$5 and shaved my head, and away I went to serve my country.

## Noblesville Supt. Hile delivers first State of the Schools address

District announces plans to renovate STEM & performing arts spaces

### The REPORTER

Noblesville Schools Superintendent Dr. Daniel G. Hile presented his inaugural State of the Schools address Wednesday at the Noblesville Schools Community Center. The annual luncheon was hosted by the Noblesville Chamber of Commerce and covered a wide variety of topics ranging from academics to finances to construction projects.

Hile opened the presentation, themed "Going Places," with several examples of the district's academic excellence including:

- "A" rating from the Indiana Department of Education.
- National recognition for Science/Technology/Engineering/Math (STEM), Advanced Placement (AP), and music education.
- First-in-the-nation educator apprenticeship program for high school students.
- Noblesville High School (NHS) student one of only four in state named to Governor's STEM Council.
- Top 10 percent performer on ILEARN and SAT testing.

## Hamilton County to take part in National Drug Take Back Day

### The REPORTER

In honor of National Drug Take Back Day, the Hamilton County Council on Alcohol & Other Drugs (HCCOAO) will host a take-back event on Saturday, Oct. 29 in the far east parking lot of Riverview Health in Noblesville. The drop off location is directly across from Wendy's on State Road 32.

"Most people who misuse prescription drugs get them from family, friends, and acquaintances," HCCOAO Executive Director Monica Greer said. "We know prevention starts at home. The simple step of clearing out medications that are no longer needed makes our homes safer, prevents

## Westfield's historic log cabin set to open soon

By CAMILA FERNANDEZ  
WISH-TV | [wishtv.com](http://wishtv.com)

A historical cabin in Westfield will finally open next month after it was nearly lost.

The community says it's the only historical structure, specifically a family dwelling, that's been saved in the city.

Westfield Washington Historical Society (WWHS) President Diana Peyton said, "It's a part of our history, it's a part of us, [and] it's a part of me."

Now, the historical society is doing whatever it can to keep it in their community.

According to WWHS, in the 1830s Nicholas Barker built this cabin for his wife and 11 children. The Barker family moved from North Carolina to Indiana in search of a better life.

"They decided that they'd go west for fertile and more down to earth living and get out of the war area and out of the slavery area," Peyton said. "Some of our logs are 26 to 28 inches and these were logs from the community out by Shady Nook Road, and of course they chopped the tree down. You see the hack marks where they actually split the log and hacked it."

"This gentleman had 11 children," WWHS Program Director James Peyton said. "Some of his children married into families that were involved in the Underground Railroad, so they didn't write it down. It was against the law."

The cabin stood inside a barn along Shady Nook Road for about 200 years until plans were made to tear it down for

city development.

With help from the community, the organization raised thousands of dollars to preserve the cabin. It was moved to Penn Street, and after a long pause during the pandemic, WWHS is getting ready to open it to the public as an educational center

next month.

"It's a huge thing to honor the pioneers of this community that came in here," James Peyton said. "This was just a wilderness when they came here and to build the foundation of the city that we have now is really something to be excited about."

Children suffer from domestic violence. Even when children are not directly physically or emotionally abused, the stress of the situation in the household causes immense harm. Children who witness domestic violence have increased stress, anxiety, and emotional challenges. This not only affects their mental health but also their ability to focus and learn in school.

education program, Millers Success Academy, is showing a 94.7 percent graduation rate for students who were previously at risk of dropping out of school.

The district used the address as an opportunity to announce upcoming plans to renovate STEM and performing arts spaces at Noblesville High School due to significant ongoing growth in these programs.

The speech also touched on the district's commitments to safety and mental health, with over 50 safety and 30 mental health enhancements made thanks to funding from the 2018 referendum. Additionally, Noblesville

Schools is one of only a few districts in the state with School Resource Officers in every building.

Regarding finances, the district reported that the total property tax rate is expected to decrease for the fourth year in a row. The schools are in good financial health with a balanced budget, an increased credit rating, and secure savings.

Hile also noted that referendums are a critical component of Indiana school funding and that the current operating referendum is set to expire in 2026. He emphasized the district's commitment to being a transparent and responsible steward of taxpayer dollars.

Photos provided by Noblesville Schools

Labor shortages and competitive compensation continue to be major challenges for the schools. The district currently has over 40 support staff positions, like instructional assistants and custodians, that they are unable to fill. Noblesville Schools is the largest employer in Noblesville.

Hile also reported that the spread of false school information continues to be a challenge and encouraged the public to seek information through the district's website, board meetings, official district social media and local news media. He stated that he is committed to transparency and invited the public to contact school staff, including him directly, regarding any school questions or concerns.

Updates on several construction projects were covered, all of which will be funded through bonds

(loans) and will not use referendum dollars or raise the tax rate.

- The grand opening of the new Beaver Stadium took place earlier this summer and the venue, which is 50 percent larger than the former field, has seen record fan attendance.
- The high school's new tennis complex opened recently across the street from Noblesville East Middle School, increasing the district's overall court capacity by 50 percent for this growing program.
- Updates/expansions are currently taking place at NHS (athletic and office spaces) and Promise Road Elementary (additional classrooms). Both schools have over-capacity enrollment.

The address wrapped up by celebrating Noblesville's Teachers of the Year and multiple state and national recognitions in athletics, music, and academics.

SHORT HAIR

The bus stopped in St. Louis. It was shortly after I disembarked that I was arrested by a local police officer. "Son," he said, "the only haircut I see like that is an AWOL (away without leave) from Fort Leonard Wood and we get \$100 to bring you in." It took some explanation and production of my mustering papers before he would let me go. The rest of the trip was uneventful.

At Fort Leonard Wood the drill sergeant loudly proclaimed that everyone needed a haircut, "except for that guy," pointing at me. The Native American with hair down his back claimed a religious exemption. The barber granted that exemption and then promptly ran his clippers down the center of the man's head. We were given shots,

every vaccine known to man, and pressed into service.

Fort Leonard Wood was beautiful in its uniqueness. It was said it was the only place you could choke on the dust while crawling through the mud.

Fifteen minutes was the time allowed for the entire company to eat. Eggs were fried by dropping on a griddle so hot that only the bottom half of the egg was fried, and the top was still raw. As soon as they could fit on a spatula they were on your plate. The rest of the food was bad. Needless to say, everyone lost weight.

prescription drug misuse, and can help save lives."

The Centers for Disease Control and Prevention estimates 100,306 people died of drug overdoses in the United States last year, marking the largest number of drug-related deaths ever recorded in a year. With close to 5,000 collection sites nationwide, the United States Drug Enforcement Administration, along with its law enforcement partners, have removed more than 15.2 million pounds of medication from circulation since the inception of National Drug Take Back Day in 2010.

"The only safe medications are ones prescribed

by a trusted medical professional and dispensed by a licensed pharmacist," Greer added. "Old and unwanted medicine too often becomes a gateway to addiction. Events like these are a critical effort to curb the historic surge in U.S. overdoses."

Hamilton County residents are encouraged to drop off their expired or unused medications between 9 a.m. and noon. No liquids, sharps, or needles will be accepted. For those who cannot make it, there are opportunities to safely dispose of unneeded medications at local pharmacies, hospitals, and police departments throughout the year.

PREVAIL

Advocating for Victims of Crime & Abuse

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

This program is free and no registration is necessary. Invite your family, friends and neighbors who are struggling through grief. All attendees will receive a Holiday Survival Guide with over 30 encouraging readings, helpful charts and tips to manage the holiday season during this difficult time.

# Former Congresswoman Susan Brooks endorses Stephanie Flittner for Carmel Clay School Board

## The REPORTER

Susan Brooks has announced her endorsement of Stephanie Flittner for Carmel Clay School Board. Brooks is a Carmel resident, a parent, as well as the daughter, sister, and mother of teachers.

“I am endorsing Stephanie Flittner for Carmel Clay School Board because she has the experience and qualifications needed to be extremely effective on the school board during this critical time,” Brooks said. “Stephanie Flittner is an engineer, lawyer at a well-known local construction firm, and serves as the leader of one of the largest women’s community service organizations in central Indiana. I’m proud to have witnessed her strong and thoughtful leadership in the Junior League of Indianapolis. Stephanie has consistently demonstrated critical thinking, collaboration with stakeholders and transparency in board roles. I’m a strong supporter of those

like Stephanie who believe in teaching our children how to think, not what to think.”

Brooks continued, “It is my hope that the Carmel voters strongly consider voting to elect Stephanie because she has the experience and qualifications needed to be an effective school board member. I am confident that Stephanie Flittner will collaborate with and listen to parents, teachers, students, and taxpayers to do what’s best for Carmel students.”

Flittner said, “I am honored to receive Susan’s endorsement. Susan exemplifies the conservative leadership style I hope to emulate. During her time in Congress, Susan collaborated with both public and private sector leaders for the betterment of all Hoosiers. I intend to collaborate with all stakeholders for the betterment of Carmel Clay Schools.”

# Indiana’s education secretary weighs in on results of ‘Nation’s Report Card’

By AMICIA RAMSEY  
WISH-TV | [wishtv.com](http://wishtv.com)

The scores from the most recent **National Assessment of Educational Progress** – also called the “Nation’s Report Card” – are out and News 8 spoke with Indiana’s education secretary, Dr. Katie Jenner, about the results.

The assessment tested fourth- and eighth-grade students across the country this year and compared the results to pre-pandemic years. Experts consider the

results alarming and discouraging.

Math scores saw their most significant declines ever, and reading scores dropped to levels not seen in three decades.

Indiana’s assessment shows students outperformed their peers nationally in math, with 40 percent of fourth graders and 30 percent of eighth graders scoring at or above proficiency.

In addition, reading levels match the national average, with 33 percent of Indiana’s fourth graders and 31

percent of the state’s eighth graders marked proficient or better.

Dr. Jenner tells News 8 she believes the results show that an “intentional, targeted approach” is necessary.

“Typically, as a state, in mathematics and reading, we are above the national average,” Jenner said. “We are reading at the national average. However, when you dig into our data for our fourth-grade students beginning in about 2015, we’ve seen a decline, which

is a significant reason and urgency. We must do everything we can to make sure all of our children in Indiana can read by the end of third grade.”

The Indiana Department of Education has launched several initiatives to help support Hoosier students and educators. **The state and the Lilly Endowment are investing \$111 million** to support early literacy for Hoosier students, and a **statewide tutoring program in math and English** is also available.

Letter to the Editor

Parent asks: no CRT in Noblesville Schools?

Dear Editor: I attended the School Board Forum on Monday evening, Oct. 24, and was happy to hear all five Noblesville School Board candidates don't support CRT in the classroom. Sounds familiar. Where have I heard that before?

In May 2021, I attended one of the community meetings on DEI in which the former Superintendent Beth Niedermeyer officially stated that CRT was not supported or taught in Noblesville Schools. Yet at the Oct. 24 School Board Forum, Joe Forgey, current President of the School Board seeking re-election, admitted that CRT was indeed being taught in a few instances going back to 2018. To further confuse matters, during a prior forum on Sept. 26, Joe Forgey denied that CRT was taught in Noblesville Schools.

Which is it? Furthermore, at the Oct. 24 Forum, Forgey stated that he brought CRT to Dr. Niedermeyer's attention starting in 2018 and they started looking for evidence of it in classrooms. I attended many School Board meetings the summer of 2021. I remember several parents providing Joe Forgey and the School Board with current evidence

of CRT that seemed to fall on deaf ears. Joe Forgey never mentioned any prior occurrences and he did not offer to investigate further. If Joe Forgey was focused on keeping CRT out of the classrooms in 2021, he did an excellent job of keeping it a secret.

I also found it interesting during the Forum Forgey's statement that on his watch several links to CRT were found on the Noblesville School website and "bumped out." Again, there were links to CRT identified by parents during the summer of 2021 that were simply moved to a different spot on the website ... not bumped out. Interestingly enough, those links are currently back in their original spot under the DEI section of the school website.

Editor's note: On the [NoblesvilleSchools.org](https://noblesvilleschools.org) website, under the "Our District" tab there is a category for "Diversity, Equity & Inclusion." On that page there is a "Noblesville Diversity Coalition" (NDC) link which goes to the following page: [noblesvilleschools.org/Page/8750](https://noblesvilleschools.org/Page/8750). That page has a text hyperlink to NDC's website: [noblesvillediversitycoalition.org](https://noblesvillediversitycoalition.org). On that website, in top navigation there is a "Resources" link to a

page with a category labeled "On Race" which contains the information the author of this letter is referring to. It does not exist directly on the Noblesville Schools website, but rather on a subpage of the NDC website which can be accessed from the school corporation's site.

Noblesville voters: don't be fooled. Joe Forgey is not tough on CRT. Despite all the reassurances by school leadership that CRT was not being taught, somehow it managed to sneak in and stay in while Joe Forgey was on the School Board and President for the last two years. He may be a nice man and a good dentist, but we need to use facts, not feelings, as we choose the next members of the School Board. Maybe Joe is against CRT in K-12 education, but his actions certainly haven't demonstrated that.

Candidates Melba Kiser and Misti Ray have seen the decline in Noblesville education over the past several years and are running on increasing academic excellence and getting political agendas such as CRT out of our schools.

Vote for Melba Kiser and Misti Ray.

The state’s largest teacher’s union on Monday said a state legislative panel missed an opportunity to address the state’s teacher shortage.

A legislative study committee endorsed several recommendations for schools, including integrating financial literacy into math coursework. The committee chair and education advocates said this is a good way

to teach students a needed skill without creating a new course requirement.

The panel also recommended scrapping the requirement that school corporations submit an annual performance report, saying the soon-to-be-launched Indiana GPS Dashboard makes the requirement redundant.

Indiana State Teachers Association President Keith Gambill said he was disappointed the committee did not discuss the state’s edu-

cation worker shortage. The ISTA estimates the state’s K-12 schools are short 3,600 workers, including nearly 2,200 teachers.

“We have to recognize that what our students need are the resources and the educators, at all levels,” Gambill said. “We need those supports wrapped around those students so that we can guide them through what they have had to go through for the past three years.”

Committee chair Rep.

Robert Behning, R-Indianapolis, said school staffing was beyond the study committee’s purview this year. Topics for study committees are approved at the end of each legislative session and the teacher shortage was not among the issues his committee could consider. Still, Behning said to expect legislation meant to bring more educators into the classroom, such as increased funding for scholarships for education majors.

## FOCUSED ON PROTECTING OUR FAMILIES AND OUR FUTURE

### SUPPORTING OUR SCHOOLS AND TEACHERS

Senator Jim Buck has voted for **record funding increases for Indiana schools**. This has allowed our schools to direct more dollars to the classroom and give much-deserved pay raises to teachers.

### EMPOWERING PARENTS

Jim Buck feels parents should remain in control of their children’s education. He supports parents having the opportunity to choose **the best schools for their children** and voted to guarantee parents can speak at school board meetings.

### KEEPING STUDENTS SAFE

Jim Buck believes students must have a safe and secure learning environment. He has supported legislation that has provided Indiana’s schools with **over \$133M in safety grants** that can be used to hire safety officers, purchase warning alert systems, and implement safety training programs.

# Indiana Democrats will conclude ‘Contract with Women’ tour in Carmel

### Submitted

This Friday evening in Carmel, join ZeNai Brooks (candidate for Indiana Auditor), Destiny Wells, (candidate for Indiana Secretary of State), JD Ford (Indiana State Senator, District 29), Jocelyn Vare (candidate for Indiana Senate District 31), Victoria Garcia Wilburn (candidate for Indiana House District 32), Joey Mayer (candidate for Indiana House District 24), and Matt McNally (candidate for Indiana House District 39) will conclude the “Contract with Women” tour, a statewide effort calling on all Democrats and Republicans to sign a pledge that would put women and girls’ future first – not special interests and agendas.

the following:

- Restoring the freedom to choose
- Expanding the right to birth control and other contraceptives
- Fixing Indiana’s dismal maternal mortality rate
- Passing legitimate workplace protections for pregnant women
- Repealing the state’s high taxes on hygiene products
- Addressing the state’s childcare crisis
- Creating a statewide Pre-K system for our children

The Indiana Democratic Party also urges Hoosiers to add their name as well by going to [indems.org/contract-with-women](http://indems.org/contract-with-women).

The “Contract with Women” Tour will be the 11th and final statewide tour by the Indiana Democratic Party for the 2022 election year. Once finished, the state party will have held more than 160 events in about 70 counties in about a year and a half.

The event will take place at 7 p.m. on Friday, Oct. 28, at the Hamilton County Democratic Party’s Carmel headquarters, 182 W. Carmel Drive.

by APWA’s Accreditation Council for the third time, the Fishers Department of Public Works was originally awarded APWA Accreditation in 2013.

“I’m extremely proud of the men and women of our public works team who work tirelessly 24-7 to keep our community running,” Fishers Mayor Scott Fadness said. “With accreditation comes industry acknowledgment of their hard work, and frankly, innovative approaches to making sure our roadways are clear and maintained, our parks remain well-kept, and sewer and stormwater are appropriately processed. This is a department that can often be taken for granted but without their dedication, Fishers wouldn’t be the community we all know and love.”

# Fishers Department of Public Works remains only such accredited agency within Indiana

### The REPORTER

The Fishers Department of Public Works (DPW) received full accreditation from the American Public Works Association (APWA) for the third time, maintaining its place as the only accredited public works department in Indiana.

The accreditation formally verifies and recognizes that the agency is in full compliance with the recommended management practices set forth in APWA’s Public Works Management Practices Manual.

Accreditation aims to promote excellence in the operation and management of a public works agency, its programs, and its employees. Accreditation is designed to assist the agency in the continuous improvement of operations and management, and in providing a valid and objec-

tive evaluation of agency programs as a service to the public and the profession.

“The awarding of our third APWA Accreditation reflects the dedication from all the staff toward continuous improvements and excellence. We are extremely proud to receive this honor,” Fishers DPW Director Eric Pethtel said. “Recognition for this prestigious APWA award goes to all the staff from public works whose mission is to provide professional services and programs that contribute to making Fishers a great place to live and work. We received our first APWA accreditation award

in 2013 and have worked hard to maintain that status for nearly a decade.”

Open to all governmental agencies with responsibilities for public works functions, initial accreditation from APWA is for a four-year period, during which time semi-annual updates are required to demonstrate continuing compliance. After that time, there is a re-accreditation process that builds on the initial accreditation, encouraging continuous improvement and compliance with newly identified practices.

“Today, we are a significantly larger garden with a greenhouse and dwarf apple orchard. Post COVID we developed partnerships with the WHS Culinary Arts program, the WHS Environmental Club, and the SFE dietician. Our garden is now busier and more productive than ever. Not only do we donate produce to our local food pantries that serve WWS students; our produce is being utilized in the Culinary Arts program at the high school. “Our goal is to be a sustainable and environmentally responsible garden that provides countless opportunities for students at both the elementary and high school levels to learn. This grant proposal seeks funding for much needed tools that will maintain our garden at high levels and render us self-sustaining.

In particular, we hope to continue fostering connections between elementary and high school students, to pair science and culinary arts, to provide examples

of scientific understandings and real world applications, and to develop attitudes of sustainable and conscientious stewardship of our environment.”

I would love to have a designated area apart from the circle time carpet where they could be read to and explore books independently. Reading promotes brain development, imagination, and language skills in early childhood.

“This reading nook will include teepee reading tents,

seat cushions, new books, and leaf canopy décor items. Through reading, students’ use of language improves,

as well as their imagination skills and ability to connect with teachers and classmates.”

# VisionQuest Eyecare of Fishers named Practice of the Year for work with children who have myopia

## The REPORTER

VisionQuest Eyecare of central Indiana has been named Practice of the Year by **Treehouse Eyes** for its work with children diagnosed with myopia.

Drs. Terry Null and Chris Browning and the VisionQuest team were selected for their success rate and ongoing promotion of the help available for this growing vision-impairment condition among young people. VisionQuest provides myopia management at its offices in Greenwood and Fishers.

“It was an honor to be recognized by our peers,” Dr. Browning said. “However, it’s most satisfying to see the results of our help for kids and their parents.”

Myopia is the inability to see things clearly unless they are relatively close to your eyes. Also called nearsightedness or shortsightedness, myopia is the most common vision issue among children and young adults. Childhood myopia rates are increasing, with one in three children now affected.

Treehouse Eyes is a national organization that has practices across the country with the mission to give children better vision for life. As the first healthcare practice dedicated to treating myopic children, our doctors have helped thousands of children to have better vision and reduce their risks of serious eye diseases associated with

myopia.

VisionQuest partners with the leading optometrists and ophthalmologists across the country involved in research and clinical practice of managing myopia. VisionQuest diagnoses and prescribes the treatments using the Treehouse Vision System. In addition to clinical excellence, Treehouse Eyes practices have a commitment to be a nurturing and positive space for parents and their children.

Treehouse Eyes cited the VisionQuest team for its willingness to share essential data amongst their peers, exceptional community outreach and hosting incredible continuing education events.

“We are thankful to be partnered with such a motivated and inspiring team at

VisionQuest,” Treehouse Eyes said in a statement. [Click here](#) for more information about VisionQuest’s myopia management services.

# Spartz: McCarthy & McConnell are both right on Ukraine

As someone with firsthand knowledge of the situation in Europe, I urge President Biden and the Democrats to stop playing politics with people’s lives regarding the war in Ukraine. While incorporating Ukrainian war spending into their large wasteful omnibus bills might be a clever political maneuver – as it forces most Republicans to vote “no” – it’s counterproductive to the war effort. In fact, such actions allow Putin to intensify anti-Ukrainian propaganda and divide our country.

Even though winter is coming, the Biden administration is still playing reckless politics with energy policies. Understanding the danger of this situation, I recently visited Europe myself and met with a number of stakeholders in Berlin, Brussels, Kyiv and London.

I also joined Yulia Yatsyk, a member of the Ukrainian parliament, in Zaporizhzhia. I was impressed by the bravery and boldness of this courageous woman who not only goes to the frontlines to support the brave Ukrainian soldiers but is also not afraid to challenge corrupt government officials in her region.

We visited an old monastery near the frontlines founded by the Zaporizhian

Sich Cossacks on a very special holiday for Ukraine, Oct. 14 – the Protection of the Mother of God, the Defender of Ukraine Day, Ukrainian Cossacks Day, and the 80th anniversary of the creation of the Ukrainian Insurgent Army. Being an ancestor to freedom loving Zaporizhian Sich Cossacks, I was especially humbled to witness the Cossacks initiation ceremony and share some Cossack “kulish” (porridge) with frontline soldiers.

I also was able to visit some major Ukrainian cities and discussed the situation on the ground with the local governments which are doing a tremendous job protecting their cities and their citizens. Life in Ukraine is very hard – hearing artillery shells land close by, being woken up by explosions and machine gun fire, and observing “kamikaze” drones from my hotel window, reminded me what the Ukrainian people are going through on a daily basis. As a mother myself I can only imagine all the worries of Ukrainian mothers.

Although, I was inspired again by the spirit and toughness of the Ukrainian people and Ukrainian fighters. They reminded me of the freedom loving Americans who founded our country – brave, patriotic and unwavering. This war is the people’s war against tyranny.

However, we cannot underestimate the complexity of the situation and brutality of this war. Therefore, I completely agree with Kevin that Congress cannot send “blank checks” and with Mitch that the Biden administration needs to be “quicker and more proactive” for the sake of freedom-loving people fighting this war.

Victoria Spartz serves as the Republican Congresswoman for Indiana’s Fifth District.

# Smith launches re-election campaign to Noblesville Common Council

**Submitted**

Aaron Smith, Noblesville Common Council member and local entrepreneur, formally announced his intent to run for reelection to the Common Council’s 3rd District. Smith currently serves as vice president and has represented the district since 2020.

“Over the past three years, I’ve worked consistently to ensure we’re protecting downtown, balancing our books and investing taxpayer dollars wisely in the midst of economic uncertainty,” Smith said. “We’ve made actionable progress in many important areas, but work remains.”

In his time on the Council, Smith has:

- Authored protections for downtown buildings: The protections passed Plan Commission, Common Council, and were signed into law by the Mayor.
- Secured funding for Old Town infrastructure: Smith secured funding in the budget for sidewalk repairs in Old Town

(\$250,000 in 2021 and \$300,000 in 2022) and much-needed brick rehabilitation on Logan and Clinton streets.

- Maintained a consistent property tax rate: The Council has held the city’s property tax rate flat for the last four years at \$1.10 per \$100 of assessed value.
- Ensured healthy rainy day fund reserves: While the State of Indiana recommends that cities target 12 percent of annual revenue

Smith

for cash reserves, the Council and Administration have increased that to a minimum of 15 percent for the City of Noblesville.

Smith’s re-election campaign will focus on three areas for Noblesville’s future. He wants to protect and promote downtown Noblesville, invest in infrastructure to reduce traffic, and embrace restraints to ensure government is living within its means. You can learn more about these areas of focus and his broader platform by visiting [aaronsmith.org](http://aaronsmith.org).

**About Aaron Smith**

Smith currently represents the 3rd District on the Noblesville City Council and serves as the founder of a strategic communication firm with offices on the Square. He previously worked for Senator Dan Coats. Smith also serves on the boards of Noblesville Main Street and the Noblesville Chamber of Commerce Foundation. Together with his wife Bronwen, they have two children, Declan (5) and Parker (1).

## Blood donation restrictions lifted for many who spent time in certain European countries

### The REPORTER

The American Red Cross now invites those who spent time in the U.K., Ireland or France and have never tried to give blood due to concerns over variant Creutzfeldt-Jakob Disease (vCJD) – related to mad cow disease – to give blood and help save lives.

Recently, the U.S. Food and Drug Administration updated its blood donor eligibility guidance on vCJD, eliminating the deferral for those who spent time in the U.K., Ireland and France between 1980 and 2001. In alignment with FDA changes, the Red Cross began accepting donations on Oct. 3 from individuals who have not tried giving blood before due to the prior donation criteria.

In combination with prior eligibility updates in 2020 for those who spent time in other European countries, this new change effectively eliminates the deferral related to vCJD for all donors.

“For many years, the Red Cross has heard from people who have spent time in these countries – often members of the military and their families – hoping for the opportunity to donate blood or platelets,” said Julie Brady, Regional Donor Services Executive. “We now welcome all donors who may have spent time in Europe and avoided blood donation as a result to join us in our lifesaving mission to help patients in need.”

More blood donors – especially type O donors – are urged to donate now to prevent disruptions to essential medical care this fall. Book a time to give by using the Red Cross Blood Donor App, visiting [RedCrossBlood.org](#) or by calling 1-800-RED CROSS (1-800-733-2767). As a thank you, all who come to give now through Oct. 31 will receive a \$10 e-Gift Card by email to a merchant of choice.

### Changes in progress for those with a Red Cross donor record

Those who have tried to give with the Red Cross and have been previously deferred from donating will be contacted by the Red Cross once system records are updated. This deferral is more complex to remove than others as there are decades of donors in the Red Cross system who have been deferred under the previous FDA requirements.

Individuals who have questions about their donor record can contact the Red Cross Donor and Client Support Center at 1-866-236-3276.

### How to donate blood

Simply download the American Red Cross Blood Donor App, visit [RedCrossBlood.org](#), call 1-800-RED CROSS (1-800-733-2767) or enable the Blood Donor Skill on any Alexa Echo device to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age in most states (16 with parental consent where allowed by state law), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood and platelet donors can save time at their next donation by using RapidPass® to complete their pre-donation reading and health history questionnaire online, on the day of their donation, before arriving at the blood drive. To get started, follow the instructions at [RedCrossBlood.org/RapidPass](#) or use the Blood Donor App.

# Bard Fest’s reimagined *Richard II* still a hit with this theater reviewer

By JON LINDLEY  
*A Seat on the Aisle*

It may be one of Shakespeare’s most meta speeches, I’m not sure. But when *Richard II* appeals to his comrades, “For God’s sake, let us sit upon the ground and tell sad stories of the death of kings,” is it any wonder if we, as knowing audience members, can hardly decide whether to laugh or gasp in recognition of the dramatic irony. We know how events will unfold: his own end is the story being told.

I won’t try to detail the intricacies of Shakespeare’s plot – the political intrigues, the twists and turns that bring Richard to his fate and propel his cousin Bolingbroke to power. But I can vouch that the production of *Richard II* mounted for (and, apparently, by) Bard Fest, as seen on its opening weekend, is a worthy rendition of this seldom-performed Shakespeare history play, and that’s thanks largely to the deep commitment and spirited performances of its talented cast.

Their love for the language is apparent. In Afton Shepard’s portrayal of King Richard, we’re treated to language as revelation of a precariously poised mind. In Rayanna Gibbs’ Bolingbroke, we hear the steady surety of her well-chosen words and feel the steadiness of her climb to power in the process. While both actors superbly conveyed the music of the language in equal measure, they still managed to reveal character through contrast – the brittle king who poeticizes his problems vs. the

contender who minces no words and wields them rather like the weapons to which he’s more accustomed. And in some of the production’s finer moments, the two are together onstage, where we delight in the interplay between the two and the verbal manifestations that drive their actions and their respective fates. It’s Richard, of course, who observes in his poetic way that the golden crown he so loves is now “like a deep well” and how he and Bolingbroke are two buckets, one filling and one emptying.

But this is a Shakespeare history play, after all, so there are far more players to keep track of in the political machinations that surround the two main characters. Standouts for me were Damick Lalloff who provided touchingly heart-felt moments as the Duke of York, Nan Macy in some scene-stealing moments as John of Gaunt and the Duchess of York, and Evangiline Bouw, as Aumerle, for her delicate portrayal of the intriguing complexities of loyalty in this bandying-for-power story.

You may be noticing that I haven’t yet made an issue of the gender swap of this particular production, as presented by its all-female cast. That’s because I found it to be a non-issue. Or rather, I should say, if there was anything notable about it, the all-female cast simply reinforced that these struggles of power, political allegiance, loyalty, and the like are not the sole domain of men but of human beings. The fact that director,

Glenn Dobbs, chose to set the production in a women’s prison was an interesting novelty. And fitting enough, given the state of tension and bellicosity that dominates the play. But as a directorial choice, I wondered if it was one made to somehow justify having only women onstage. If so, I’m not sure I needed it. The play works with women in these roles (pronoun predicaments notwithstanding). But at the same time, that’s not to say I minded the nontraditional setting. The director made clear in his notes that this was an experiment. And I’m all for that. As an experiment, it was engaging, it was appropriate for the piece, and it presented us with some creative prop choices – cigarette packs hurled down as flung gauntlets, toothbrush shivs for rapiers...

If I had a quibble to make about the staging, though, it was with the stage combat. I know it’s a challenge for a fight choreographer in live theatre to walk the fine line of verisimilitude – allowing us to believe blows are landing while also being reassured that actors are not being injured. But some of the initial punches in the fights I witnessed were so cautiously thrown, so wide of the mark, I had a hard time suspending my disbelief – or even realizing it was a fight that was breaking out, as opposed to, say, an embrace. It may seem like a small detail, but sometimes, a hit must at least seem to be a palpable hit.

But overall, the fights were otherwise well-executed and reinforced the

conflicts essential to the story. And this telling of this story was still a hit with me in the end.

*Richard II* continues through Oct. 30 at the Indy 11 Theatre at the Indy Fringe building, 719 E. St. Clair St., Get your tickets at [indybardfest.com/richard-ii-at-indy-11](http://indybardfest.com/richard-ii-at-indy-11).

## Vietnam Veterans and Korea Veterans

Open House, Saturday, November 5

9:00 – 11:00 a.m.

Most states celebrate “Welcome Home Vietnam Veterans Day” the date of the final withdrawal of U.S. troops from Vietnam. The day commemorates the sacrifices of Vietnam veterans and is part of a national effort to recognize the men and women who were denied a proper welcome upon returning home more than 40 years ago. The United States Congress has designated March 29 of each year to be recognized as National Vietnam War Veterans Day. This year Horseshoe Prairie Chapter, NSDAR, will recognize these veterans on November 5<sup>th</sup>.

To recognize military service men and women who served during the Vietnam era, as well as those who served in Korea, we invite you to attend an Open House at Noblesville Township Community Center, 372 S 8th St, in Noblesville.\* Coffee, juice and various food items sponsored by The Farmers Bank will be served by members of the Horseshoe Prairie Chapter. Members of the “Rugged Brothers” band will entertain us with a few of our favorite songs.

The Horseshoe Prairie Chapter recognizes and thanks all our military veterans for their service and dedication to our country. Ancestors of the Daughters of the American Revolution fought to establish a country free from tyranny and provide the independence we enjoy today.

**PLEASE JOIN US ON NOVEMBER 5 – WE APPRECIATE YOUR SERVICE AND LOOK FORWARD TO SEEING YOU !**

\*ALL veterans who served during the Vietnam and Korean wars, whether overseas or stateside, are invited to attend!

Brad Scott Hill

September 27, 1973 – October 22, 2022

Brad Scott Hill, 49, Noblesville, passed away on Saturday, October 22, 2022, at IU Health North Hospital in Carmel. He was born on September 27, 1973, to Bill and Nancy (Hall) Hill in Muncie.

For six years, Brad worked for SMC and attended church regularly. He enjoyed the outdoors and going “Jeeping.” Brad was a fun-loving friend and father who was friends with everyone. He was a hard worker and he loved to tinker and play in the mud.

Brad is survived by his wife, Holly Hill; parents, Bill and Nancy Hill; daughter, Braydon Hill; brother, Mike (Chrissy) Hill; his dogs, Sunshine and Evie; and his cat, Mow Mow.

He was preceded in death by his grandparents, Charles & Frances Hall and Ethel & Chester Hill.

Visitation will be from 11 a.m. to 1 p.m., with services at 1 p.m., on Saturday, October 29, 2022, at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville. Pastor Clifton Smith and Pastor Michael W. Ridsen will officiate. Burial will be at Crownland Cemetery in Noblesville.

TODAY’S BIBLE READING

*This is the message we have heard from him and declare to you: God is light; in him there is no darkness at all. If we claim to have fellowship with him and yet walk in the darkness, we lie and do not live out the truth. But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin.*

*If we claim to be without sin, we deceive ourselves and the truth is not in us. If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness. If we claim we have not sinned, we make him out to be a liar and his word is not in us.*

Ruth Moorhous

June 11, 1936 – October 24, 2022

Ruth Moorhous, 86, Indianapolis, went to be with her Lord and Savior on Monday, October 24, 2022. She was born on June 11, 1936, in Lowell, Ind., to Matthew and Ruth (Vallee) Theis.

In addition to her parents, Ruth was preceded in death by her husband of 60 years, George; son, George W.; brother, Ted; and sister, Janet.

Survivors include her sons, Greg (Kathy), Scott (Deana Stewart); daughter-in-law, Cathie; seven grandchildren; six great-grandchildren; and sister, Doris.

Family and friends will gather at 11 a.m. on Saturday, October 29, 2022, at Pleasant Grove United Methodist Church, where the Funeral Service will begin at 1 p.m.

Please visit [bussellfamilyfunerals.com](http://bussellfamilyfunerals.com) to read Ruth’s complete obituary.

Bussell Family Funerals is privileged to assist the family with arrangements.

Karen Sue (Rice) Jones  
October 12, 1942 – October 20, 2022

Karen Sue (Rice) Jones, 80, Celina, Tenn., and formerly of Sheridan, joined her late husband Gene on Thursday, October 20, 2022. She was born on October 12, 1942, to the late Bill and Viola (Showalter) Rice in Noblesville.

Karen enjoyed talking and meeting new people. She worked as a cashier at Walmart. When her husband Gene retired, they decided to move on the river in Celina, Tenn., where the two of them would look forward to fishing together.

Karen was quite the bowler; she and her daughter Gayla bowled in leagues. She looked forward to their bowling nights. Karen loved playing softball and she continued to play in adult leagues for many years. There wasn’t a position she hadn’t played.

She enjoyed the outdoors and she and Gene would look forward to camping with their family and friends. She also loved to cook, and her family would look forward to the meals she would prepare. When Karen was home, she could be found watching westerns and game shows.

The most important thing to Karen was her family, especially her grandchildren, whom she loved very much and would look forward to seeing them. She leaves behind her children, Gayla (Terry) Hart and Bryan (Erin) Jones. She was a loving grandma to Joshua, Taylor, Jacob, Craig (Courtney), Brooke, Laura, Danielle and Dawn. Karen was a proud great-grandmother to 18 and a great-great-grandmother to one. She was a devoted sister to David Jones.

Preceding Karen in death is her husband, William “Gene” Jones in 2022; her daughter, Rebecca L. Jones in 2022; her two sons, Michael Jones in 1989 and Rick Jones in 2016; and her two beloved grandsons, Matthew Jacob and Casey. She is also preceded in death by her three brothers, Stephen Rice, Earl Jones, and George Jones, along with her sister, Judy Brown.

Karen’s funeral services will be held at 1 p.m. on Friday, October 28, 2022, at Fisher Family Funeral Services, 508 E. 6th St., Sheridan, where family and friends are invited to gather from 11 a.m. till time of services. Burial will follow at Crown View Cemetery. Karen’s nephew Bill Floyd will be officiating her services.

In lieu of flowers donations may be made to the American Cancer Society at [donate3.cancer.org](http://donate3.cancer.org).

Everyone is invited to sign the online guestbook, leave a condolence, or share a memory at [fisherfunerals.com](http://fisherfunerals.com). Those who will not be able to attend Karen’s services can go on Fisher Family Funeral Services [Facebook page](https://www.facebook.com/fisherfunerals) where it will be broadcast live.

Fisher Family Funeral Services have been entrusted with the care of the Jones Family.

## One final reach: HSE poised for state finals appearance

### The REPORTER

The Hamilton Southeastern volleyball team is one match away from returning to the IHSA state finals.

The Royals will travel to Frankfort on Saturday to make that last step to Worthen Arena. Southeastern will take on Lake Central for the Class 4A north semi-state championship; that match begins around 2:30 p.m., following the conclusion of the 2A north semi-state game between Andean and Wapahani.

The Indians will enter the semi-state match with a 28-9 record. Lake Central started the season 1-3, including losses to Wapahani and tough 4A teams Brownsburg and Cathedral. But the Indians rebounded to win their next seven matches, and have had a successful campaign since.

Lake Central began the post-season with a win at the Munster sectional, sweeping Hammond Central (25-9, 25-11, 25-17) and Merrillville (25-13, 25-18, 25-17) in the first two rounds before beating Munster in a four-set championship, 25-14, 18-25, 25-20, 25-15.

That sent the Indians to the La Porte regional. Lake Central needed four sets to win both of their matches, beating Crown Point 26-28, 25-20, 25-13, 25-21 in the semi-final and Warsaw 25-23, 18-25, 25-23, 25-17 in the championship match.

Senior Katia Nikolic leads the LC offense with 306 kills, averaging 2.8 per set. Junior Milica Tomic has handed out 739 assists, while senior Katelyn Ruse is on top of the serving list with 80 aces. On defense,

Hamilton Southeastern junior Sophie Ledbetter leads the Royals volleyball team in service aces (48) and digs (427) this season. Southeastern plays Lake Central Saturday in the Frankfort semi-state.

junior Brooke Tinberg has 385 digs, averaging 11.0 per match, while senior Mila Petkovic is on top of the blocking with 32 for the season.

Southeastern is 32-1 for the season. The Royals’ only loss was in their season opener, in four sets to McCutcheon. Since then, Southeastern has been on a tear, winning 32 matches while only dropping five sets during that win streak.

The Royals hosted Sectional 8, and won without dropping a set by beating Carmel in the first round (25-

18, 25-17, 25-18), Westfield in the semi-finals (25-16, 25-11, 25-12) and Fishers in the championship (25-19, 25-12, 25-12). Southeastern then went to The Mill for the Noblesville regional, sweeping Fort Wayne Carroll in the semi-finals 25-16, 25-18, 25-20 before avenging that loss to McCutcheon with a four-set championship victory over the Mavericks, 16-25, 25-21, 25-18, 25-19.

Senior Avery Hobson, a Duquesne commit, has been outstanding on the offense with 405 kills, an average of 4.1 per set. Ju-

nior Lauren Harden, a Florida commit, has also been strong with 306 kills, 3.1 per set. Junior Macy Hinchshaw has handed out 682 assists, with sophomore Avery Hunter dishing out 410 assists for the season.

Junior Sophie Ledbetter leads the service aces category with 48, followed by sophomore Kaylyn Christy with 45. On defense, junior Breonna Goss, a Duke commit, has been unstoppable with 113 total blocks (16 solo, 97 assists). Ledbetter leads the digs with 427, or 13.3 per match.

## Colts fans react to news Matt Ryan will be on the bench, Sam Ehlinger starts against the Commanders

By DANIELLE ZULKOSKY  
WISH-TV | [wistv.com](http://wistv.com)

This city is full of Colts superfans and many of them said it is time for a shake-up at quarterback.

Lucas LeJeune, a Dutch Colts superfan said, “I was texting my host mother during the [Titans] game ‘I think they should put Ehlinger in and Matt Ryan out’ and now they’re actually doing it, so I agree with the decision and I think it’s a good thing to see.

LeJeune lives in the Netherlands but got hooked on the Colts when he was a foreign exchange student in

the Netherlands.

“Exactly the day I arrived in Indianapolis from the airport Andrew Luck announced his retirement and now I’m back here again for the first time after my exchange year and the story continues,” LeJeune said.

Rick Stevens is a well-known fan, he said he was hoping to see the season turn around under Ryan but is looking to see what Ehlinger will bring to the table.

“I think he can surprise me. My main thing is in pre-season he played very well but he played against third

and fourth string players on the opposing teams so that would be my only hold back on that,” said Stevens. “But I do believe in him. He was a great quarterback at Texas and I do think he will be good for us.”

Mike Bostic, another Colts superfan said, “I wasn’t really surprised based upon yesterday’s performance and what we’ve seen through most of the season. I think we’ll find out in a few weeks if it was the right move. We will see how the team performs next week and the following weeks and hopefully, there’s more consistency so

hopefully, time will tell.”

Not every fan was on board with putting Ryan on the bench. Superfan and collector Sang Nguyen does not agree with the change in the lineup.

“If he’s not injured I do not think we should have done this to him,” Nguyen said. “This is not a one-man problem we just need to run the ball better but with the o-line struggling we wouldn’t run the ball much.”

The one thing each fan made clear was their support of the Colts, no matter what, and their desire to see them in the playoffs.

“Our senior class has been special, while some of the have played varsity for four years, others have worked hard and made the most of their opportunities,” said Brady. “We always talk about how W.A.T. (we are together), and this class has made it about the team, not our past accomplishments, not about our senior class, but about the team. They’ve not only bought into our culture, but they in many ways define it.”

Carmel will enter the state championship game with an 18-2-2 mark. The Greyhounds started their tournament path at the Westfield sectional, beating Crispus Attucks 7-0, Zionsville 3-1 and North Central 2-0. Carmel hosted both games of the regional, getting wins against Brownsburg 3-0 and Cathedral 4-2, then traveled to Seymour for the semi-state, where it beat Center Grove 1-0.

“I believe our difficult schedule and path through the tournament have helped make us a more resilient and composed team,” said Dixon. “Mentally, we are tougher because of the competition we faced in every game.”

“Carmel is playing well right now, and we know that it will be a different team than when we played them earlier in the season, but we’re also a different and better team than we were a month ago, so we’ll just have to play our game, and play it better than we have all season if we are to be successful,” said Brady.

Junior Megan Hamm is the leader for the ‘Hounds in both goals scored (12) and assists (nine) this season. Sophomore Olivia Cebalo is close behind with 10 goals, while senior Sophia Shepherd has dished out eight assists.

Senior Greta Heyl is another consistent player, with five assists and four goals. Senior goalkeeper Aubrie Empie has 58 saves, nine shutouts and a .446 GAA.

“While I can certainly lose games for my team with coaching decisions and influence the outcome with preparation and mid-game decisions, players win games,” said Dixon. “We have advanced in tournaments and won championships because my players have performed at a high level. They are capable of this because they work hard at their individual game throughout the year. The girls love the sport, want to be successful and know they have to put in the work to win games.”

Dixon also had this to say, and in doing so he could easily be speaking for any of the other coaches:

“Winning or reaching this game is the goal of every high school player so it never gets old. Everyone in the program wants to be on the field Saturday. My former assistant coach, DeWayne Akin, was fond of asking us at the start of each state finals game, ‘Is there any other place you would rather be than right here, right now.’ The answer was always obvious.”

## Daniel Bragg

*Republican for Sheridan Town Council, At-large*

Born and raised in Sheridan, I have a deep connection to the people of this community. I am the youngest of three siblings, the children of two Sheridan High School graduates. My love for this community is endless.

Since moving my wife and son to Sheridan in late 2017, I have run for Sheridan Town Council twice, and State Representative once in 2020. I also joined the Sheridan Redevelopment Commission and the Plan Commission in 2020, being elected Vice President of the Plan Commission during my first meeting. In 2021, I was elected President of the Plan Commission, and continue that responsibility to this day.

A population boom is coming for our community in the next few years, and the Council must take action to ensure that the town is prepared. I believe that the military has prepared me with the leadership skills as well as forward-thinking ability to ensure Sheridan's success while we move into the future together.

A huge part of my plan also comes with added transparency. I have always believed that a well-informed populace only stands to benefit the community, and the challenges of the future will require everyone's effort.

## Eric Gifford

*Republican for Sheridan Town Council, At-large*

I have been a resident of Sheridan all my life. I am also a volunteer firefighter here in Sheridan as well. I currently work at Sheridan Community Schools as the director of transportation and grounds. Some of the main reasons that I want to run for town council is I feel like we are being very reactive in town versus being proactive. There's a lot of growth coming our way; several new housing additions have been proposed here for us and I just feel like we are at a disadvantage. I really want to see this town grow in a positive way and become a booming area of Hamilton County. I am a very likable person, very respected in the community with my job and feel like anybody in the community could come up and talk to me about anything and I would do everything that I could to try to help them and try to help anybody in this community.

## Joe Cox

*Republican for Cicero Town Council, At-large*

In 2015, my family was welcomed to the Cicero community. We instantly fell in love with the small-town atmosphere and sense of belonging that small community culture can provide. As part of our decision to settle in Cicero, we committed to being involved in the community, setting an example for our children and striving to ensure that the community culture is preserved for future generations.

Serving as Chairman of Cicero's Economic Development Committee since 2017 has allowed for a greater understanding of the pillars upon which a community is properly constructed. This involvement has provided me with the opportunity to collaborate with local leaders while networking with and learning from leaders in the surrounding communities.

Preserving Cicero's small-town way of life is an important topic to many residents, including myself. We can accomplish this with a measured economic strategy of controlled growth, continuous infrastructure and the development of small commercial districts.

As an elected official, I will dedicate myself to a responsible, collaborative and transparent business-minded approach to decision-making and leadership. This includes a commitment to community engagement and transparency while operating within the best interests of Cicero and its residents.

## Eric Hayden

*Republican for Cicero Town Council, At-large*

I have lived in Cicero since 1992. I took a little leave in the middle for college and right before I got married, but I really love this community and I believe the current council has done a nice job and I would really like to just continue what they have done. I am an engineer by day, so I make sure I have all the facts before I make decisions. I did sit on the council for eight years previously, so I do have a little bit of history. People know my tendencies on how I vote and what I stand for from the past when I was on the council. I am very conservative from a financial standpoint, and I want to make sure the budget is compliant. I want to make sure the residents, the public safety department and the parks department have what they need to improve the community and make sure that the community stays at a status quo.

## Juanita Albright

*Candidate for HSE School Board, District 2*

I was raised in northern Indiana and educated in the public school system there. I received my BA in chemistry from Taylor University and my MD degree from the Pennsylvania State University School of Medicine. I currently work as an internal medicine physician for Ascension Medical Group. My special interest is geriatrics. My husband, Eric, and I have 3 sons. The oldest is a freshman at Taylor University, and we have twin boys who are sophomores at Fishers High School. I am passionate about a quality academic education for all students in our school system.

## Julie A. Chambers

*Candidate for HSE School Board, District 4*

Julie Chambers was elected to the Hamilton Southeastern School Board in 2018 and currently serves as Board President. She attended public schools throughout her education and her mother was a public-school teacher, so she grew up understanding how important public education is to the community and the important role it plays in everyone's lives.

Julie graduated from The University of Michigan with a B.A. in Political Science and went on to receive her Juris Doctor from The University of Toledo. In 2008, she began working as a Deputy Prosecutor for the Marion County Prosecutor's Office and 2012 launched her own law firm, Chambers Law Office, LLC.

Julie and her husband, Sean, have been married for 12 years and they have two daughters, Emily (10) and Morgan (8). Both Emily and Morgan attend HSE schools and Julie enjoys volunteering her time as a substitute teacher in HSE schools when her schedule allows.

## Jenny Brake

*Candidate for Carmel Clay School Board, District 1*

As a lifetime Carmel resident, I want to give back to my community by running for the Carmel Clay School Board. I attended college at Indiana University as well as John Herron School of Art.

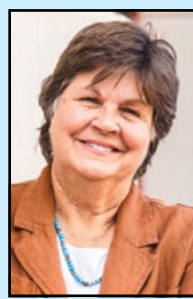

I've been married my high school sweetheart & fellow CHS graduate, Ron, for the past 44 years. Together, we have raised 2 children who also graduated from CHS. Ron and I are proud grandparents to 4 grandchildren, one of which attends Carmel Clay Schools.

After my children were older, I went to work at a local homebuilding company as an office manager & customer satisfaction analyst. Following that, I used my leadership skills as an executive assistant.

With a passion for the arts, I was involved with the Heartland Film Festival, serving as Opening Night Chairman for several years. During that time, I was also employed at a large church in Carmel. Through this position, I led over 400 volunteers, helping them assimilate visitors. In addition, I was also responsible for the planning and oversight of many large-scale events, communications, working with vendors, & communications.

I currently work part-time for Story Cottage as an activities contributor & also serve as a deacon at my church.

## Greg Brown

*Candidate for Carmel Clay School Board, District 3*

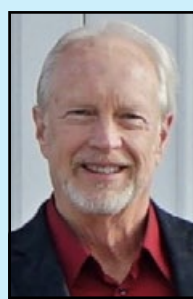

Carmel Clay Schools' (CCS) excellent reputation and sense of community is what drew my wife Kelly and I here 28 years ago. Our son attended CCS from K-12 receiving an exceptional education. He lives in Carmel along with his wife and young daughter. It is our hope that they will choose CCS for our grandchildren having access to the same exceptional education that he received.

I have a BA degree in business and a MS degree in MIS. I have worked in leadership roles from IT to Business Unit management in medium and large-scale manufacturing companies.

I have served in Boy Scouts leadership positions, including Scoutmaster, in Carmel. I have served on a church Board, and on corporate leadership teams, I have a good balance of organizational leadership experience and a servant's heart. In addition, my wife and I tutored disadvantaged elementary students in Nora.

I decided to run for the CCS Board to keep us on a primary track of academic excellence. We need a strong culture of collaboration and transparency with the parents. I have seen schools across the nation introduce values that are controversial and divisive. We must keep our focus on academics.

## Adam Sharp, MD

*Candidate for Carmel Clay School Board, District 2*

I am a retired ER physician and entrepreneur who grew up in Indianapolis and has lived in Carmel for 17 years. I am running on a platform of academics first, full transparency, and parents' rights. My wife and I have two children at CCS schools and one that recently graduated. We have wonderful schools which I aim to ensure stay excellent for our children with a renewed focus on academic excellence and a broad range of opportunities to enrich themselves. I am running as one of a slate of candidates including Jenny Break (district one) and Greg Brown (district three).

## Joe Forgey

*Candidate for Noblesville School Board*

I have lived and worked as a pediatric dentist in Noblesville for 45 years. My 5 children attended Noblesville Schools, and 5 of my grandchildren are current Noblesville students. I want my grandchildren to have the same great learning experience that my children received at Noblesville.

During my time I have worked with children and parents in our community both inside and outside of our schools. I have served in many capacities including dental health guest lecturer and career fair participant. I also served on the Miller Backers and Miller Ambassadors. I was an assistant NHS girls soccer coach and on various other committees as needed. In addition to working in various roles in the community, I am a guest lecturer at Butler University, School of Education on school board practices. I look forward to continuing to serve this community as a member of the Noblesville School Board.

## Chuck Haberman

*Candidate for Noblesville School Board*

I have been serving classrooms across central Indiana since moving to Noblesville after my career in the Marine Corps. Speaking in classrooms, attending career fairs, and hosting student interns, I've been engaged with the schools and supported learning. As an Economic Development professional, I know firsthand how critical our workforce is to the future of our community; every conversation begins and ends with workforce. A strong K12 education system is the cornerstone of a solid workforce. I'm running for School Board because I'm passionate about ensuring we stay strong and continue to provide the best for students in our community. We're fortunate today to have a great school system with outstanding teachers and staff, a myriad of programs and offerings, and top-notch facilities. With a daughter in kindergarten and a son not far behind her, the future of the Noblesville school system is near and dear to my heart. I stand ready to fulfill my duties on the school board with the same dedication, motivation, and integrity as I did for 8 years in the Marine Corps. Please choose Chuck Haberman when you cast your vote! Thank you.

## Melba L. Kiser

*Candidate for Noblesville School Board*

My family emigrated from Cuba in the 1960s after Fidel Castro took power. I know what it is to live under a communist/socialist regime. I was fortunate to grow up in the US and take advantage of the liberties provided by this country. I became a naturalized citizen because I love this country and what it stands for. I was fortunate to have been educated at a time when the US education was one of the best in the world.

Unfortunately, the current education system is failing our kids and they will have a difficult time being self-sufficient and achieving their goals.

I've been married for almost 40 years and have raised a daughter who I am proud of. My daughter is now raising a family and I am concerned that my grandchildren will not enjoy the same liberties and have the same quality education that I benefited from.

I'm ready to do my part to honor the sacrifice my parents made and to fight to protect our future generations.

## Misti Ray

*Candidate for Noblesville School Board*

I'm a Noblesville native, wife, mother of three & a successful Realtor of 14 years!

A few areas of my experience:

- Served in various roles on the board of the preschool my kiddos attended (Noblesville First United Methodist), including President.
- Taught VBS at the same church/preschool for a few years.
- Volunteered in various classrooms for elementary school.
- Chaired various events at elementary & middle schools.
- Held various positions on the PTO including PTO President at NWMS.
- Held various roles on the board for an HOA for a few years, including President.
- Held various roles on the board for NEFL (Noblesville Elementary Football League) for several years, including board President.
- Have been a substitute teacher in the district for over five years.
- Served on the Reading Review Committee for the district in 2018.
- Graduated the Miller Ambassador Academy 2017/2018

I'm currently in my 22nd consecutive year of having a child in Noblesville Schools & we have eight more years to go! By the time our youngest graduates, we will have had a child in Noblesville Schools for thirty CONSECUTIVE years.

As you can see, I've been heavily involved in their education and Noblesville Schools in general, in many aspects for several years.

**Jim Ake***Republican for Washington Township Board*

I have held leadership positions in sales, marketing, team development and city government. Responsibilities included running a district, a region and a Company as Director with successful results. I bought a failing franchise taking it to number 1. With community service, volunteer endeavors and Council work, I was given the first Legacy Award for a Lifetime of Achievement by Westfield's Chamber of Commerce. My depth of knowledge, creativity and experiences has prepared me for this office.

My top priorities are to continue to make sure our township is fiscally responsible going forward mindful of what our township needs while caring for what we have. To keep you and your families safe by supporting law enforcement and fire services. Delivering essential services efficiently needs a coordinated and co-operative effort with other agencies. I will be proactive in these efforts. I would advocate for early warning siren deployment to reach all township residents.

My success in running and managing business units, my city government experience and running my own business gives me the ability to contribute to this position.

**Shelly Brown***Democrat for Washington Township Board*

I am a 25-year resident of Hamilton County and a 13-year resident of Westfield. My parents were both teachers. I am a 1983 graduate of Michigan State University and a 1992 graduate of Western Michigan University where I received a master's degree in Industrial Engineering. I worked as a Manufacturing Engineer for over 20 years, retiring in 2015.

I grew up on a family farm in a small town in Michigan. Farming gave me an incredible work ethic. We did what we needed to do to get the job done no matter how long it took. We learned to be innovative in order to solve whatever problem came our way. Neighbors worked together to get through tough times.

Post-retirement, I am dedicated to being a servant leader in my community. Volunteering as a member for Hamilton Invasives Partnership, preserving and restoring the environment through Westfield Green Together, and coordinating the voter guide for the League of Women Voters are the volunteer opportunities that have meant the most to me.

As a Township Board member, I will focus on solving the root causes of poverty, using every dollar in the budget effectively and working to lower township tax rates.

**Danyele Easterhaus***Republican for Washington Township Board*

I am a local elected official, serving on the Westfield Washington Township Board, where I continue to bring a voice for real, current needs facing our community, especially young voters in the Township. I have a proven record of successful leadership since taking this position in 2017.

I have served as Executive Director for Student Impact of Westfield since 2011. I was previously employed as a Vehicle Systems Engineer at Delphi Automotive Systems in Kokomo for the previous 17 years.

I am an active board member of Women of Westfield and continue my community involvement by participating in local programs and organizations such as the Westfield Police Academy, Hamilton County Leadership Academy, Westfield Chamber of Commerce, Westfield Welcome and is also a student Bible Study leader.

My husband and I live in the unincorporated area of Westfield and have four daughters.

**Erica Strahm***Republican for Washington Township Board*

I'm currently the Chair of the Westfield Washington Township Board serving in my first term.

In 2018, when I initially filed to run for a board position, I did so because I felt that the taxpayers needed more of a voice in local government. In my second term, I plan to continue to allow taxpayers to have that voice.

Since becoming a member of the township board, Westfield Washington Township taxpayers haven't seen an increase in their township tax rate, our township has incurred (and carries) no debt, and we've still been able to provide all necessary services to our constituents.

In my professional life, I'm the Youth Coordinator for VOICE Hamilton County, which is an anti-tobacco organization serving our county, and I teach at Faith Montessori Preschool. I'm also a member of the Westfield GOP Club, a Philanthropy Liaison with National Charity League, President of the Westfield Shamrocks Rugby Club, an inaugural member of Westfield Washington Schools' Shamrock Academy, and a member at Orchard Park Presbyterian Church.

In my personal life, I'm most proud of being a mom to Will (18), Lucy (16), Sam (14), and Charlie (8).

**Doug Allman***Republican for Fall Creek Township Trustee*

I'm a 35-year resident of Fishers/Fall Creek. I've been married 41 years to my wife Shelly with two adult children.

I've been Trustee for six years and prior to that served on the Board for six years. I've also served on the Fishers Planning Commission and led City Yes PAC that advocated for Fishers becoming a city. I have also served as either a president, officer or board member of several statewide conservation groups and IDNR committees. I was awarded IDNR's Conservationist of the year in 1995.

I'm proud to be part of the acquisition of the Township's 80-acre Fall Creek Woods nature park I am designing, which is partially open to the public. I'm proud of the way I have guided the Township through COVID with assisting those in need of shelter and food. Through measures I put in place, we protected staff and the public, while at the same time working from the office and extending Food Pantry hours. We leveraged federal dollars to serve a much greater number of people while still having the second-lowest township tax rate in Hamilton County.

I believe my experienced leadership with my board and staff have made Fall Creek Township exceptional.

**Joe Arrowood***Republican for Noblesville Township Board*

I served two terms on the Noblesville Township Board, and I've certainly enjoyed being a board member. I've been in the community for about 40 years, and I've served on a variety of boards. I volunteered and worked downtown as a Main Street director for about nine years, and I was a Boys and Girls Club director for about 22 years, so I've been in the community for a long time. I'm both in the Lions Club and the Kiwanis Club and I've been past president of both of those clubs. We've established a lot of things where we give assistance to people by providing emergency shelters to those who don't have any place to go. I've helped with the grants that were given out by the government on COVID-19 relief for rents and utilities and that's part of our duties throughout the year. I've really enjoy seeing that we are helping the Township out and our staff does a tremendous job on taking care of people in the Township and it's a rewarding feeling. I just want to give back to the community and I've certainly enjoyed doing this as a board member.

I have put my name in because I am of the people, by the people and for the people. I have lived most of my life here. I am a single mother who went from low income to middle and back to low. I worked at Delco Remy Anderson until they decided to start sending jobs to Mexico. I have moved twice and worked at Corvette, then got rid of second shift 200 people. I then moved to Norwood that closed and then the plant was torn down. I came back to Indiana and went to ITT Technical Institute and got HVAC certified. I can bring a different perspective to the board for people.

**Peggy R. Pfister***Republican for Noblesville Township Board*

I have a calling to make a difference for those Noblesville residents with the greatest needs. I've been involved with the Good Samaritan, Hamilton County Republican Women, Noblesville Chamber of Commerce, as well as the Grace Community Church Outreach and Food Pantry. I am an avid supporter of the Forest Park Aquatic Center and Youth Assistance in addition to various other social services.

I have experience in local and county government, and currently serving on the Noblesville Township Board. I have contributed to lowering tax prices for the last three years, establishing scholarships for low-income students graduating Noblesville High School and Overseeing Federal COVID relief grants for rents and utilities. I am dedicated to improving mental health programs and counseling, affordable housing, including homeless and expanding low-income housing, and creating more effective programs fighting drug addiction in our community. I believe you cannot overlook the importance of a connected community and knowing someone cares. I want you to know I truly care.

**Mary Sue Rowland***Republican for Noblesville Township Board*

I was born and raised in Noblesville and graduated from Noblesville High School in the top 10 percent of my class. I attended Ball State University, married, raised my family and co-founded Rowland Printing with my husband Ted. We are celebrating 50 years this year at our same location in Historic Downtown Noblesville. Our sons now own and operate the business. In business, public service or community service, my passion is my community and how I can help. Now retired from my work and public service, I would like to contribute once again to my community by serving on the Noblesville Township Board. From 1988 to 1996, I served as Mayor of Noblesville in addition to three terms on the City Council. I want to help provide for our citizens by filling a seat on the Noblesville Township Board and use my experience to help fill the needs of people who need it the most. Serving the people is my passion and my work.

**Jamie Rulon***Republican for White River Township Trustee*

I am Jamie Rulon, and I am running for White River Township Trustee. I have 15 years of township experience starting on the township board, then grew into the trustee position.

I absolutely love what I am doing, which provides me with the opportunity to help and serve many people of White River Township. I worked with Hamilton County from 2019 to today assisting with COVID-19. Together we disperse over \$40,000 in relief.

Additionally in 2020, I orchestrated the purchase of a new ambulance and helped develop the new EMS Division for the fire department. With the new division, we have staff on station 24 hours a day, 7 days a week, 365 days a year.

I am pro-God, pro-life, pro-liberty, and pro-freedom of speech. I am for maintaining a balanced budget, keeping taxes low and providing a safe community. I know my record speaks to all the accomplishments. I look forward to your support on November 8.

**Dallas Shelby***Democrat for Clay Township Board*

I am passionate about giving back to my community. I am a branding and management consultant with over 25 years of experience helping nonprofits and government agencies better serve their constituents. With my wife and three young children, I relocated from suburban Maryland to Carmel in 2019. Since moving here, I have focused on being of service to causes in which I believe. I have volunteered for numerous local, state and national campaigns and currently serve as a Democratic Precinct Chair. In 2020, I was appointed as a Delegate to the State Democratic Convention. I am a member of the Executive Committee of the Board of Directors of the Carmel Education Foundation, a nonprofit that provides college scholarships for high school seniors and innovation grants for teachers in Carmel Clay Schools. I am dedicated to making a positive impact on this community and I am running to become member of the Clay Township Board to do just that.

**Brian Baehl***Republican for Fall Creek Township Board*

I have served the residents on the Fall Creek Township Board for two terms. I have also served as elected Republican precinct committee-man operating precinct voting locations for the past 14 years to ensure our fundamental right to vote.

I have a passion to serve our community and make our community the best that I can. I support quality fire protection and emergency medical services to protect my family and yours. My passion is to continue to develop the Fall Creek Woods Natural Area that we started. With voter's support, I will continue to enhance the Natural Area with more amenities for all residents to enjoy. At the same time, I have voted to keep our township taxes as low as possible with a constant tax rate over the past two terms.

I have also volunteered in scouting for many years. I served as a den leader in Cub Scouts and currently am an Assistant Scout Master in Boy Scouts. I enjoy teaching the scouts leadership skills and about their community. My wife and I are proud of our son, who earned Eagle Scout rank, and daughter, who earned the Girl Scout Gold Award.

I appreciate your support. Thank you.

**Rachna Greulach***Democrat for Fall Creek Township Board*

I've been in office for four years and I am really excited to try and continue my time on the Township Board. I think that we have done some great things over the last four years. It's one of the few bipartisan working bodies in Hamilton County, which I am very excited to be a part of. We've done a lot of great things for the community such as working on the Fall Creek Woods Park and providing assistance to those individuals that have experienced hardships from COVID-19, and I'm so happy and proud to be a part of that effort. I provide a fresh perspective in that I am still the newest member of the board and can provide some different perspectives as compared to people that have been in office for a while. I am very different from the others on the board that I am a woman, I'm a working mom with younger kids and so I am able to share some insides from a different kind of view that I think are important to give a voice to those of individuals of Fall Creek Township and make sure that we are working for all types of residents in the community.

As an Architectural Facilities Planner and Project Manager, I pride myself on accountability and transparency to my clients. Having managed \$300 million in construction, I understand the importance of fiscal responsibility. As a farmer's wife, I know the importance of community involvement and open communication with local leadership. I am running for the Wayne Township Board to maintain an open relationship between the people within the Township, the Trustee's Office and the Wayne Township Fire Department. The people of our Township need to know the roles and responsibilities of the Township board and how they are actively working to fulfill their obligations – relaying meeting dates, agendas and resources to the people to be actively involved in our community. I want to work with the Trustee's Office to align with the fiscal responsibility to ensure the Fire Department has what it needs. ### Greg Garrison

*Republican for County Prosecuting Attorney*

The prosecutor of Hamilton County must be focused at all times on the protection of our citizens.

Currently, there are violent crimes within the county that are going unprosecuted. As we are seeing more and more crime coming from Marion County, the priorities of the prosecutor's office need to change right now.

My entire legal career has been dedicated to criminal prosecution. I have 50 years of experience in the prosecution of felonies across Indiana. I have tried high profile death penalty murder cases as well as successfully prosecuted Mike Tyson for rape in Marion County. I won't back down from a tough case.

I will focus on protecting citizens from violent crimes, build a rapport with law enforcement to prepare stronger cases for prosecution and train the next generation of deputy prosecutors so as to leave Hamilton County safer for our children and grandchildren.

I am experienced, passionate and trusted. Hamilton County will be safer, now and in the future, with me, Greg Garrison, as prosecutor.

I am a life-long resident of Hamilton County. I currently live in Cicero with my wife and four sons and am a member of Cornerstone Bible Church where I serves as a deacon. My wife and I own two small businesses based in Hamilton County.

I hold a master's degree in business administration from Indiana Wesleyan University with an undergrad degree in business management. I love learning and have attended multiple leadership courses, command training and other executive level law enforcement courses. I chose law enforcement over my corporate career because of my passion to set an example by helping others in need, treating everyone with respect and putting others first.

For the past 20 years, I have been faithfully serving Hamilton County and moving up the leadership ranks within the Hamilton County Sheriff's Office. I started my career as a dispatcher in the department's communication division in 2002. I became a merit-deputy in 2003 and was promoted to sergeant in 2007 before being promoted in 2011 to Captain of the Patrol Division. I was elected to serve as the sheriff of Hamilton County in 2019.

### Jeannine Lee Lake

*Democrat for U.S. House, Indiana's 5th District*

I was born in Indianapolis, to the late Betty Jean Lee and the Rev. Clarence I. Lee, and later became a resident of Muncie growing up with 11 brothers and two sisters. My family was poor due to the family being so large; however, my parents showed constant abiding love with all their children and instilled faith into us. I am now the mother of four adult children, two grandchildren and one granddaughter.

I realize the importance of good leaders who exhibit calm, compassion and concern. My platform for this election is one that I believe benefits all Americans and all Hoosiers, everything from knowing the importance of affordable and accessible healthcare to concerns about LGBTQIA issues. I believe if you work together with the people of other affiliations, races, ideologies, you get more done when you realize that you can work better together, and I've been doing that for a very long time as an African American woman. I am currently the editor and publisher of *The Good News* and am on the boards of The Muncie Matters Alliance, Big Brothers Big Sisters and am the Chairwoman of Feed My Sheep. Connect with Lake at [jeannineleelakeforcongress.com](http://jeannineleelakeforcongress.com).

### Victoria Spartz

*Republican for U.S. House, Indiana's 5th District*

Congresswoman Victoria Spartz is a leader who has a proven track record in the business world, civic organizations and the public sector.

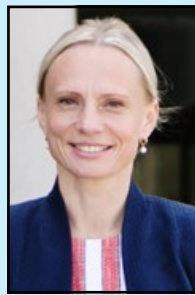

In many ways, she embodies the American Dream: born overseas, immigrating to the United States 20 years ago after meeting her husband, a born and raised Hoosier, on a train in Europe, becoming a US Citizen, and working her way up from bank teller to a CPA, finance executive and successful business owner.

Growing up in socialist-controlled Ukraine, she experienced firsthand the dark side of socialism. Living through this molded her conservative political philosophy: limited government is always better, and financial and health care decisions should be made by individuals in the free market, not bureaucrats and special interests.

Victoria has worked in the Big 4 public accounting firms for Fortune 500 companies, as an adjunct faculty at IU's Kelley School of Business and served as CFO at the Indiana Attorney General's Office. Prior to running for Congress, she was elected by caucus to the State Senate in 2017.

The Congresswoman currently serves on the Education and Labor and the Judiciary Committee in Congress. During her first term, she introduced several pieces of legislation to address health care and criminal justice reforms.

### Jeff Jellison

*Republican for County Coroner*

I am the current Hamilton County Chief Deputy Coroner with seven years of experience as Deputy Coroner. I have 13 years of law enforcement experience, am a certified Medical-Legal Death Investigator, and an Indiana Law Enforcement Academy graduate. I have death investigation training from Northwestern University, Indiana University, Federal Bureau of Investigations, and Indiana State Coroner's Association.

Connect with Jellison at [JellisonforCoroner.com](http://JellisonforCoroner.com) and on Facebook.

### Darren Murphy

*Republican for Superior Court No. 7 Judge*

I have spent my entire legal career in Hamilton County, with the last four years serving as Magistrate Judge for Courtroom 7. As Magistrate, I have presided over every case type anticipated to be assigned to the new Superior Court 7, including protective order hearings, small claims matters, family and criminal law cases, civil claims, and jury trials. My training and experience will allow me to have the court running efficiently on day one.

Prior to my legal career, I served as a U.S. Army Ranger. I was severely wounded during the invasion of Panama and medically retired in 1989. For my actions in Panama, I was awarded the Purple Heart, Combat Infantryman's Badge, the U.S. Army Combat Parachutist Badge and an Army Commendation Medal.

I have spent the last 23 years in Hamilton County with my family. I have three children with my first wife, Penny, who passed away in 2002. My oldest children all graduated from Hamilton Southeastern High School and attended Indiana University. In 2007, I met my wife Elizabeth while working as litigators to defend Hamilton County and a Hamilton County Deputy Sheriff in a federal lawsuit. Together, we have a nine-year-old daughter.

### Mark Hall

*Republican for County Council, District 3*

I have been a Hamilton County resident for 35 years and am an active business owner and demonstrated leader and I serve on several charity boards. My wife and I have been active in food charities for 16 years. For the last two years we launched a food charity here in Central Indiana that provides 7,000 meals a month to hungry neighbors and not one penny of government money was used to do that. We have organized over 75 volunteers and 28 families in order to create a vehicle that provides meals to hungry people here in Hamilton County.

I am an individual freedoms guy and I'm a full-service conservative. I believe in pro-life, pro-gun, pro-taxpayer, personal freedoms and family values. We can't expect the same results for Hamilton County without continuing to fight for the principles that made the place special to begin with. What has made this place special for decades has begun to erode and if we don't fight for the principles that made Hamilton County special, it won't be special.

### Kevin Poore

*Republican for County Assessor*

Hamilton County has been my home since 1993. Since graduating with my bachelor's degree in Public Affairs from Indiana University, my career has been almost entirely in property tax assessment and appraisal.

I have worked for the Hamilton County Assessor's office since 1999 and currently serve as the Chief Deputy Assessor. I have been at the forefront of helping manage the massive growth of the assessment base in our county over these past 23 years assessing all property types (residential, commercial, industrial).

I have taught continuing education classes for various groups including appraisers, software vendors, and the Indiana Department of Local Government Finance. I have the Level III Assessor designation with the State of Indiana, and I am the only person in Hamilton County to hold an Assessment Administration Specialist designation from the International Association of Assessing Officers.

By law, property assessments are required to reflect market value. The real estate market has experienced significant price appreciation in recent years which is having a significant impact on property assessment and therefore taxes. My philosophy includes using a conservative approach to valuation changes, ensuring fairness in assessment, and providing quality customer service when dealing with our taxpayers.

### Tim Griffin

*Republican for County Council, District 1*

As an active resident of Carmel for almost 30 years, I experience and understand resident needs daily. For 19 years, I have served as a firefighter for the Carmel Fire Department, and over six years ago, my commitment and passion for communicating with residents led to the additional role of Public Information Officer. As a fiscal conservative, I will ensure that Hamilton County maintains its AAA Bond Rating – currently the highest rating in the state.

As a Public Information Officer, I am focused on the importance of communicating with constituents. I believe that a collaborative, approachable and communicative council will keep Hamilton County heading in the right direction.

In addition to my professional roles, I have dedicated my career to serving the residents of Carmel through public service. I am an executive Board Member for the Carmel Professional Firefighters Local 4444, Board President for Promote Carmel Inc., Hero Olympics participant, former Our Lady of Mt. Carmel Parish Council and the Master of Ceremonies for all Carmel Fire Department events.

I will take my experiences and interactions as a firefighter, volunteer and Carmel resident to make a positive impact on Hamilton County for years to come.

### Trini Beaver

*Republican for County Recorder*

I have been employed with Hamilton County since 2002, holding positions in the Auditor's office, IT department and the last seven years serving as Chief Deputy to the current Recorder, Jennifer Hayden. I graduated with a business degree from Ohio University in 1988 and completed Certified Public Supervisor and Certified Public Manager courses at Ball State University.

I have been married to Brad for 32 years and we have three adult children and one grandchild. I attend White River Christian Church in Noblesville. I enjoy volunteering with my church, Noblesville High School, and other charities throughout Hamilton County such as Prevail and Shepherd's Center. I am a member of Hamilton County Republican Women's Club, Co-Chair of the Noblesville GOP Club and serve as a vice precinct committeeman.

I pride myself on excellent customer service and feel that my experience in multiple county offices has solidified good working relationships throughout the county. I look forward to continuing my service to the citizens of Hamilton County in the Recorder's office.

**Jocelyn Vare***Democrat for State Senate, District 31*

I've been a proud Fishers resident for 24 years and currently serve as an at-large member of the Fishers City Council. After growing up in South Bend, Indiana and then graduating from Butler University, I, like many Fishers residents, moved to this great community to raise a family. My two children grew up in Fishers, and it will always be their hometown. I also raised my own small business here in Fishers, an award-winning advertising agency called Propeller Marketing that promotes tourism and economic development in communities all across Indiana.

In 2019 I ran for Fishers City Council—as a Democrat. By starting from the premise that everybody's voices should be heard, our campaign brought together a diverse, bipartisan community of supporters, and we won the race! I'm so proud to be part of a movement in Fishers to bring broader representation and balance to local government.

I've always worked to serve residents, improve the status quo and make government accountable to the people it's meant to serve. As your next State Senator, I'm excited to continue fighting for government transparency, civic participation, and the issues that will elevate your community, neighborhood, and household.

**Kyle Walker***Republican for State Senate, District 31*

Kyle Walker joined the Indiana State Senate in 2020. He is a small business owner with a track record of serving his community and state.

In the Senate, Kyle has proven himself as a commonsense, fiscally responsible leader who will work across the aisle to get results for Hoosiers. Kyle led efforts and authored successful legislation to improve public safety in Central Indiana, support Hoosier children and families, boost economic development and strengthen local infrastructure.

Kyle is focused on reducing the cost of living, making our communities safer, supporting our public schools and creating jobs so our residents can thrive.

A testament to the work he has done for the district, Kyle has been endorsed by Fishers Mayor Scott Fadness and by nonpartisan business, labor, public safety and other organizations including the Indiana Chamber of Commerce, Indy Chamber Business Advocacy Committee, NFIB Indiana PAC, Indiana State Police Alliance, Indiana FOP, Fishers FOP Lodge 199, Lawrence FOP Lodge 159, Indiana Fire Chiefs Association, Indiana Professional Firefighters PAC, Hamilton County Professional Fire Fighters Local 4416 PAC, Indiana REALTORS® PAC, Indiana Builders Association PAC, Indiana AFL-CIO, Indiana State Pipe Trades Association, and the National Association of Social Workers Indiana Chapter PAC.

**Fred Glynn***Republican for State Representative, District 32*

I am finishing my second term on the County Council. In county government, we have achieved a AAA bond rating, low taxes, and have maintained balanced budgets. I am running to provide the same conservative leadership at the statehouse that I have on the county level. A few items on my platform include:

- **Schools** – Let's focus on excellence in education in our schools and remove divisive ideology.
- **Federal interference** – Over the past few decades, the federal government has been able to usurp states' rights by returning our own tax dollars with strings attached. These strings have included mandates on schools and interfered with local government decisions. As your next State Representative, I will work to remove this corrosive influence.
- **Law enforcement** – Recently there have been increased attacks on law enforcement. These attacks come from groups that are more sympathetic to criminals than law enforcement. This misjudgment in policy is causing crime to skyrocket in our communities and leading to a shortage in police officers. I will work to implement policies that thwart these practices and promote safety in our communities.

I have always stood up for my constituents even under immense pressure and will do the same at the statehouse.

**Connect with Glynn at [FredGlynn.com](mailto:FredGlynn.com) and on Facebook.**

**Matt McNally***Democrat for State Representative, District 39*

I am the son of a Vietnam veteran and a Catholic school secretary. My parents taught me the values of integrity, a sense of duty, and putting the community before myself.

I served 16 years in Naval Aviation and then 2 years in the Navy Reserves here in Indiana. Finally, I transitioned to the Air National Guard, before my retirement. Throughout my military career, whether it was flying airplanes, working with foreign leaders, or advising generals and admirals, I learned the importance of listening to the people around me, understanding their experiences, and sticking up for what was right no matter what.

When it was time to leave active duty my family chose to return to our roots here in Westfield. We have been here full time since 2015 and I now have two children who will be at Westfield High School this year.

**Jerry Torr***Republican for State Representative, District 39*

I am a sixth generation Hoosier and have been a resident of Hamilton County since 1987. I have over 35 years' experience in the insurance industry, and I am currently a Commercial Account Manager at Near North Title Insurance. I am the author of Daylight Saving Time and Indiana's Right to Work law, as well as a long-time advocate for creating a bipartisan commission for redistricting. I am currently chair of the House Judiciary Committee and I was honored twice by the Indiana Chamber of Commerce as Government Leader of the Year (the only other two-time winners are former Speaker Bosma and the late Senator Lugar). I am gratified by the number of supporters who strongly urged me to seek another term, and hope to continue the progress we've made improving the lives of Hoosiers.

**Josh Lowry***Democrat for State Senate, District 21*

Josh was born and raised in Martinsville, Indiana. He attended IU Bloomington where he met his future wife, Alexis. He then pursued his childhood dream of becoming a professional wrestler, before settling down and attending law school. Josh spent five years as a Deputy Attorney General practicing constitutional law, where he defended state agencies such as the Department of Child Services and Indiana State Police. Josh has argued in front of the Seventh Circuit Court of Appeals and conducted jury trials.

Josh and Alexis moved to Westfield in 2009, where Alexis grew up. Alexis's family has lived in Westfield for generations. Alexis and Josh knew they would want to raise a family in Westfield to be close to family and enjoy the great public schools that Alexis and her siblings had attended.

Unfortunately, Josh and Alexis were unable to have children. So they became foster parents. They have fostered 12 kids, 4 of which they adopted. When not driving one of his children to practice or work, Josh is a competitive natural bodybuilder and plays recreational soccer.

**JD Ford***Democrat for State Senate, District 29*

In 2018, the voters of Indiana Senate District 29 overwhelmingly elected J.D. Ford to stand up for Hoosier values and find common sense solutions to improve the lives of Hoosiers everywhere.

As one of the few members of the Indiana Senate who is not independently wealthy, Senator Ford is a full-time legislator who provides a sorely needed perspective and understands the concerns of working class Hoosiers. That's why he always reaches across the aisle to get things done and fights to make sure working people get a fair shake.

From lowering the cost of life saving medical treatments to strengthening and improving our public schools, Senator Ford always stands firmly on the side of Indiana's working families.

Senator Ford learned the importance of hard work and paying it forward from his father, a union truck driver and his mother, an assisted living administrator, who worked hard to give him the chance to be the first generation of his family to graduate from college.

Those lessons have stayed with him throughout his career and they are with him now as continues to legislate for the people who gave him the great honor of serving as their State Senator.

**Joellyn (Joey) Mayer***Democrat for State Representative, District 24*

I'm passionate about passing policy that helps all Hoosiers thrive. This isn't about me or partisan politics, it's about our shared values. Wanting control over our own family planning, strong public education, clean air to breathe, water to drink, and wanting the next generation to be able to maintain, if not exceed, the lifestyle we've worked so hard for is vital. It's recognizing basic dignity in ourselves and others. It's firmly believing that no one should not be made to feel less than.

I've lived in Indiana my whole life and House District 24 for the past 21 years. I have a solid understanding of Hoosier and our district values. We respect hard work, kindness, hospitality, looking out for our neighbors and controlling our own destiny. Those values aren't being reflected in the state GOP supermajority. The loudest voices of the few are controlling what's heard in session and what bills are presented and passed. These bills are pure partisanship by the supermajority in the General Assembly. In reality, ordinary Hoosiers share more values than we realize regardless of the liberal or conservative labels. I want those values reflected in our laws. We need to restore balance in the Statehouse.

**Donna Schaibley***Republican for State Representative, District 24*

I have served the people of District 24 as their State Representative since 2014, and I am currently vice chairman of the Courts and Criminal Code Committee and a member of the Financial Institutions and Insurance Committee, the Public Health Committee and the Recycling Marketing Development Board. I have authored and sponsored numerous important bills which I have successfully helped enact into law. My recent accomplishments include authoring or sponsoring legislation making our schools more secure, enabling patients to discover healthcare costs in advance of treatment by requiring price transparency, tax reform, increasing civics education in our schools and strengthening the rights of victims of sexual assault. I was born and raised in Indiana and have lived in Carmel for 29 years. I graduated from Purdue University with a B.A. in education and political science. I have worked in the administration of two major universities, was a leader on the Board of Trustees of the Orchard School and served as a substitute teacher in the Carmel Clay schools, as well as a volunteer in the community. I am a member of the Carmel Rotary Club.

I was first elected to serve House District 29 Hoosiers in 2018. Following my first election, I was appointed to the House Education, House Employment, Labor and Pensions, and House Veterans Affairs and Public Safety committees. In 2020, I was added to the House Ways and Means Committee. I have authored and sponsored legislation that adds more funding to public schools, secures more funding for school safety and continues to build the workforce by removing barriers for quality employment and doing business in the state. Outside of my role at the Statehouse, I work with the High School Prep Academy and am a member of the Indiana Department of Workforce Development's Region five Workforce Development Board. I am chairman of David's Well in the USA, a faith-based nonprofit that establishes congregations in villages in Panama and other neighboring Central America and establishes freshwater systems, homes, medical clinics, schools, small production centers and sustainable agriculture. I also serve on the board of Crossroads of America Council and Boy Scouts of America. Born and raised in Hamilton County. I developed a competitive nature on the football field at Hamilton Southeastern High School and gained a thirst for knowledge during my studies, particularly in speech and history. My parents challenged me to achieve goals and continue my education. I enrolled at Oklahoma Baptist University in Shawnee, Okla., near where my father grew up. I went on to earn my Juris Doctorate from the George Washington University in Washington, D.C., where I realized that my purpose was to serve others. I am proud to follow in my grandfather's footsteps when I earned a commission as a JAG officer in the United States Navy. I deployed in support of Operation Iraqi Freedom during the troop surge in 2006 and 2007.

I am a devoted family man and enjoy time with my wife, Karen, and our three young children. My family and I are members at Northview Church. I also remain as a Navy Reserve Officer and stays active locally serving on the Fishers Economic Development Commission.

LEGAL NOTICE OF GENERAL ELECTION

The voters of HAMILTON County are notified by the county election board in accordance with Indiana Code 3-10-2-2 that a general election will be held in the county on November 8, 2022, with the polls open for voting from 6:00 a.m. until 6:00 p.m., prevailing local time.

In accordance with the list of candidates and the public questions certified to me by the Indiana election division or this county's election board, and the certificates of candidate selection filed in the office of the circuit court clerk of this county, candidates for the following offices will be on the general election ballot:

OFFICES TO BE FILLED BY VOTERS AND PUBLIC QUESTIONS TO BE SUBMITTED TO VOTERS

Westfield Washington Schools continue to impose increased property taxes paid to the school corporation by homeowners and businesses for eight (8) years immediately following the holding of the referendum for the purpose of retaining and attracting teachers and staff, funding academic and educationally related programs at current levels, and managing class sizes while changing the previously approved maximum referendum tax rate from \$0.20 to \$0.17? The property tax increase requested in this referendum was originally approved by the voters in 2016 and originally increased the average property tax paid to the school corporation by 16.0% and originally increased the average property tax paid to the school corporation per year on a business property within the school corporation by 14.2%.
