Noblesville students watch their principal flying high

POW's 76-year-old letter to fallen comrade's family a major find

The REPORTER

Noblesville's Promise Road Elementary School Principal Christy Martino and Assistant Principal Billy Fama flew over their school Thursday in World War II Stearman biplanes to celebrate the Promise Road PTO meeting its \$25,000 fund-raising goal.

The flights were courtesy of Larry Jacobi, a former school board member and NHS math teacher, and pilot Trip Kelleher. Jacobi has been flying for over 50 years and owns the Noblesville airport near Promise Road Elementary. He and Kelleher flew the principals over the school three times and then took them on extended flights over Noblesville.

As they were boarding, Martino reported being "terrified, but also super excited." She connected her fear of

Last Memorial Day, I received from out of the blue a soul-stirring message from a stranger, Park Guthrie, of Sebastopol, Calif.

Wrote Park, "I was Googling your great-uncle because he was friends with my great-uncle, Kenneth Beach, in the Japanese POW camps in the Philippines. My great-uncle Kenny died in Otis's arms after two of their unmarked POW ships were bombed by American planes. Otis wrote my great-grandmother to give his condolences and give a first-hand account of the end of his life. I thought you might appreciate this letter."

My great-uncle was Major Otis Saalman, who, during World War II, was a POW for three years in the Philippines (he was a Captain then), where he somehow survived the horrors of Japanese prison camps, prison ships, and the Bataan Death March.

Mothers & Sons puts hope on stage

By STU CLAMPITT
news@readthereporter.com

The Reporter spoke with both Director Jim LaMonte and Producer Georgeanna Teipen about Main Street Productions' (MSP) next play, *Mothers & Sons*. Both agreed this play is a deeply emotional journey that will take audiences through some heavy material on the way to an ending that speaks to audiences about the nature of grief, love, and finding hope for the future.

When discussing why he chose to ask MSP to let him direct this piece, he told The Reporter about the story that came before this one and how it led him to this script.

"In 1990, Terrence McNally, who wrote this play, wrote *Andre's Mother*," LaMonte said. "It was a teleplay starring Richard Thomas and Sada Thompson and it stuck with me. It was about a mother and the boyfriend [Cal] of her son [Andre] who had passed from AIDS. She comes to the memorial service.

She has a lot of rage, and he has a lot of sorrow, and they never quite reconcile anything in that tragic drama."

Twenty-four years later, in 2014, McNally wrote *Mothers & Sons*.

"This play takes place 20 years after that memorial service," LaMonte said. "Katherine, the mother, pays a surprise visit to Cal, who is now married to a younger man, and they have a six-year-old son. Katherine comes and surprises Cal and they attempt to reconcile. Katherine hasn't gone on with her life and is still blaming others for her actions over the years."

According to Teipen, who is a first-time producer at MSP, it is the young boy who is the unexpected source of hope and healing in this play.

"Even though she has lost her son and he has lost his husband, this little boy connects with her," Teipen said. "She

Democratic poll worker removed from Carmel site

The REPORTER

The Reporter learned Friday of the removal of a Democratic poll worker from an early voting site in Carmel. The Hamilton County Election Office confirmed the poll worker was removed for electioneering.

Hamilton County Republican Party Chair Mario Massillamany released the following statement Friday afternoon:

"Today, a Democrat poll worker in Carmel was removed from working an early voting site for attempting to pressure voters not to support one of our GOP-endorsed school board candidates. I have been in communication with local election officials to make sure poll workers are reminded that such activity, called electioneering, is illegal.

Turn your clocks back, test your smoke alarms

The REPORTER

As daylight saving time ends on Nov. 6, the American Red Cross encourages everyone to test their smoke alarms as they turn their clocks back to help stay safe from home fires.

"Home fires claim more lives in a typical year than all natural disasters combined, but working smoke alarms can cut the risk of dying in a home fire by half," said Leslie Montgomery, Regional Disaster Officer for the Red Cross – Indiana

Region. "The sooner an alarm alerts you to a fire, the sooner you can get out. When you turn your clocks back this weekend, also test your smoke alarms to help prevent a tragedy in your home."

Over the past year, local Red Cross volunteers responded to help 5,000 people in the Indiana region affected by home fires, which account for most of the more than 60,000 disasters that the Red Cross responds to annually across the country.

How to turn & test

When turning your clocks back this weekend, test your smoke alarms and replace the batteries if needed. Visit redcross.org/fire for more information, including an escape plan to create and practice with your family, or download the free Red Cross Emergency app by searching "American Red Cross" in app stores.

• Install smoke alarms on every level of your home, in-

cluding inside and outside bedrooms and sleeping areas.

LETTER

I was well aware of Otis’ war experiences largely due to a harrowing 7,000-word account he wrote for the *Tell City News* not long after the war ended. My grandparents saved a copy, and I often re-read Otis’ firsthand, heroic accounts involving bullets, bayonets, beheadings, and other atrocities that occurred in the Pacific Ocean theater.

But the typewritten letter sent by Park was totally new to me. Dated Feb. 26, 1946, it was addressed to Mrs. D. E. Beach, of Chelsea, Mich. The letter provides an intimate glimpse into the mind of a soldier who wrote not only of a fallen comrade, but of a best friend.

Here is Otis’ letter. (Note: I did fix a few spelling and punctuation issues.)

Dear Mrs. Beach:

May I please ask your forgiveness for not writing to you sooner, but I have been in the hospital for some time, and I had lost your address until today. In going through some of my baggage which just recently arrived from overseas I found the identification tags which I am enclosing.

I realize how fruitless any word of mine may be in trying to heal the wound which no doubt has pierced deeply within your heart when your son Captain Kenneth O. Beach never came home.

To begin with I wish to tell you that Kenneth was the best friend that I ever had or ever expect to have. His passing away was about

Photos provided by Scott Saalman

(Above left) Otis, right, and wife Agnes, left. While Otis was a POW in the Pacific, Agnes, a lieutenant in the Army Nurse Corps, served in the European Theater as a front-line nurse in the Battle of the Bulge. She was also among the first to help liberate the Bergen-Belsen concentration camp in northern Germany, where Anne Frank and an estimated 50,000 people perished. (Above right) Kenneth Beach.

the hardest shock I suffered in this war. I say this realizing what it must mean to his mother. No doubt the War Department has by now notified you concerning his death which occurred on a prison ship enroute from the Philippine Islands to Japan in January 1945.

We left Manila on Dec. 13, 1944, and on the second day out we were attacked by American dive bombers. Our ship was hit many times and finally burst into flames, and we were forced to jump overboard. Kenneth and I went over at the same time. He was sick at the time, and I swam ashore with him helping him all I could. When we reached shore we were recaptured and later put on another ship and reached the island of Formosa. Here we were again attacked by American dive

bombers on the morning of Jan. 13, 1945. Kenneth and I were sitting side by side just eating our small handful of rice when a bomb hit our ship and Kenneth suffered a broken right leg and a fractured left arm. I was hit in the right hand by the same piece of shrapnel that fractured his left arm. I did everything I could for him but there was no medicine available, and he died a few days later. His last words to me were to notify you and the girl whom he was engaged that he wouldn't be home, and that he thought of you both as well as the remainder of the family up to the very last. He knew he could not make it although I kept trying to keep him cheered up to the very end. He died a true soldier. He was not afraid to die. I am sure that if he would have had his choice of death

he would have chosen the most glorious of dying in battle, but God decides such questions. He was buried at sea somewhere between Formosa and Okinawa. Someday soon I hope to see you and talk to you personally, as he and I had many things planned that we were going to do.

One thing I would like to ask of you and that is if you have a picture of him I would like to get one made off it for myself.

I am not too sure, but I think the date of his death was Jan 26th. We were put on another ship, and he died while on it. Although his death did lack the glory of dying on the field of battle, he gave his life just as freely for the cause for human freedom as any who fell in front of the salvo of enemy guns. His was the supreme sacrifice for God and country and I am sure that he was received with open arms by Him who holds the power of destiny over us. May God always bless his brave and good soul and may I ask God to bless you as his mother. Let me hear from you and always remember that I am at your service.

Sincerely yours,
O. Edward Saalman

realizes this is potentially a grandchild for her. This is a connection with her going forward, if she can connect with these men. Cal, the man who was in a relationship with her son is open to this. He doesn't just kick her out of his house. He's trying to give her peace.”

LaMonte said every character brings their own integral piece to this drama.

“It's like a quartet,” LaMonte told The Reporter. “The characters all play notes of love, loss and regret, which never grows old in theater. The play certainly has its funny moments and its light moments, especially when they are all four in the room together. There are some life lessons in this show.”

Teipen said she believes the lessons play out beautifully on stage.

“It's a very heartfelt and deeply emotional piece,” Teipen said. “The levity comes through this little boy. You know how kids are. They just say it like it is. That's what this little guy does. He's as openminded and loving as any child would be. She sees that and she feels that. That connection is just beautiful, I think.

For Teipen, the character Katherine turning her back on her son was heartbreaking because she can't take that back.

“How do you make

peace with things in your life that you can't take back and go forward with your life?” Teipen asked. “We all face that. That's what's so beautiful about this piece. It gives hope to her at a point when she's got nothing left. I think it's beautiful.”

LaMonte told The Reporter that by the end of the show audiences should walk away feeling hopeful and a little teary-eyed. The young actor closes the show with a monologue that is sure to touch some hearts.

Teipen definitely

agreed, saying, “Families struggle with relationships all the time. It's the struggle of families, just at a different level. In the end it leaves you with hope that maybe she can still have joy in her life. That she can still bond with these people and that little boy and maybe have a connection going forward. I think that's what the whole purpose of this thing is: to encourage open-mindedness, acceptance and love. Love: what else do we need in this world right now? What are we missing across the board everywhere? Love and acceptance.”

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. Humane Society for Hamilton County’s (HSHC) longest resident dog Waylon has been waiting over 500 days in hopes to find a someone to love him and make him a part of their family. In a shelter full of adoptable dogs, somehow each day Waylon continues to be passed by.

A “larger than life” sized Waylon cutout is traveling around to local businesses in Hamilton County and the surrounding area in hopes that the perfect person will stumble upon him. Waylon would be best suited for an adult-only home and one where there are no cats or small dogs. Clarifying wording of Westfield Washington Schools referendum

Public Question Clarification

PUBLIC QUESTION

WESTFIELD WASHINGTON SCHOOLS QUESTION

Shall the Westfield Washington Schools continue to impose increased property taxes paid to the school corporation by homeowners and business for eight (8) years immediately following the holding of the referendum for the purpose of retaining and attracting teachers and staff, funding academic and educationally related programs at current levels, and managing class sizes while changing the previously approved maximum referendum tax rate from \$0.20 to \$0.17? The property tax increase requested in this referendum was originally approved by the voters in 2016 and originally increased the average property tax paid to the school corporation per year on a residence within the school corporation by 16.0% and originally increased the average property tax paid to the school corporation per year on a business property within the school corporation by 14.2%."

☐ YES☐ NO

This is how state law mandates the question.

This is what the question means.

PUBLIC QUESTION CLARIFICATION

The wording of the public question that will be on this year's ballot is required by state law.

The amount Westfield Washington Schools is asking for will **NOT** increase your total property taxes by 16% as stated in the public question. In fact, if the community passes the operating referendum renewal the current school tax rate will be reduced from \$.20 to \$.17.

Remember!

The school tax rate is **ONLY A PORTION** of your total property taxes.

The Westfield Washington Schools community values transparency, so voters should know exactly how the operating referendum question will look on the ballot on Nov. 8. There are strict, state-mandated rules on how a ballot question must be phrased, so the image above helps clarify the question. For more information on the operating referendum, go to www.k12.in.us/about-us/operating-referendum-renewal.

You can help feed hungry families this holiday season

The REPORTER

According to the Hamilton County Harvest (HCH) Food Bank, Hamilton County ranks seventh highest among Indiana’s counties in number of food-insecure individuals – 24,270 people. A total of 21 percent of working adults are not earning enough to afford essential resources for their families.

Food pantries and children’s meal programs primarily rely on food banks and donations to supply the food they distribute to people in need.

At HCH, this has been a second record year for food distributions. Food purchases are 48 percent of all distributions, which includes purchased meat, produce,

non-perishable staples and kid-friendly items.

HCH will distribute over 138,000 pounds of healthy food throughout the year. One meal is considered 1.2 pounds of food. To help keep food pantries and meal programs stocked with vegetables, soup, meat, and many more healthy items, HCH has set a goal to collect 50,000 pounds of donated food this 2022 holiday season.

For perspective, that’s 40,000 meals.

HCH Food Bank needs your help. If you’d like to help fill the barrel and **host a food drive**, HCH can help. **Click here** to fill out a form and someone from HCH will contact you.

Please consider doing what you can to take care of neighbors who you use a little extra help this holiday season. Your efforts could change a life.

Letter to the Editor

Fishers voter: Paxson's moral character & experience make her best choice for Hamilton County Prosecutor

Dear Editor:
I have known Jessica Paxson since we were both recently out of law school working for the same firm. We worked in an intense, high-stress environment and she was able to manage that situation very well. I know she is a smart, hardworking, ethical attorney. Shortly after I left the firm, my eight-year-old son, Luke, died of a lung disease. Jessica was extremely kind and supportive of my family

during that difficult time. She is a wonderful friend and great person to have in your corner when going through difficult situations. Since that time, she has worked as a prosecutor including the last seven years in the Hamilton County Prosecutor's Office. I have learned a lot from her about the complexity and difficulty of successfully prosecuting certain types of crimes, like domestic violence and sex crimes. Obviously, technology and ways

of collecting and using forensic and digital evidence are always changing and improving. Jessica has worked to stay current on these changes as someone who practices in those areas. I am very confident that she brings the most relevant and useful experience to the job of Hamilton County Prosecutor. I can also attest to her skill as an attorney and excellent moral character.

Letter to the Editor

Carmel voter: Paxson works tirelessly to fight crime

Dear Editor:
Oftentimes, the significance of a county prosecutor is overlooked, but their role is pivotal in keeping our communities safe and making sure the law is justly enforced. In Hamilton County, the Prosecutor is not only the top law enforcement officer – filing and pursuing criminal charges – she is also the voice for victims of crime in our community. A prosecutor pursues charges on behalf of the State – but a great prosecutor, one who cares deeply for the people of this county – does so while always keeping the interests of crime victims front of mind. A truly great prosecutor gives voice to the voiceless – everyone from an assault victim to a child not receiving support payments – the Prosecutor uses the force of law to speak for those who cannot. Jessica Paxson exemplifies those qualities required to be a truly great prosecutor. As a deputy prosecutor, she has dedicated her career to the people of Hamilton County, working tirelessly to fight crime and speak up for victims. Jessica cares deeply about the people of this county because for her, it's personal; this is where she grew up – this county is her home. As a long-time resident of Hamilton County, I am voting for Jessica Paxson for Prosecutor because she cares about my family, friends and neighbors, and I know she will remain committed to keeping us safe and serving us all, as only a truly great prosecutor can.

The corporate headquarters of used-car dealer J.D. Byrider will lay off 43 employees at the end of 2022, the company told state authorities. The business is headquartered at 12802 Hamilton Crossing Blvd., Carmel.

The layoffs are expected to be permanent, says a notice filed with the Indiana Department of Workforce Development. The notice issued Monday did not give a reason for the layoffs.

Zach Zagar, senior communications and public relations manager for J.D. Byrider, issued this statement:

"Byrider, like many companies, is still dealing

with the financial impact of the COVID-19 pandemic, rising interest rates, increased inventory and operational costs, inflation, etc. As a result, we have made difficult decisions to reduce some of our company store

operations to better position the company for long-term success."

The layoffs come as the Federal Reserve continues to raise interest rates, affecting loans for everything including vehicles.

TODAY'S BIBLE READING

As for you, see that what you have heard from the beginning remains in you. If it does, you also will remain in the Son and in the Father. And this is what he promised us—eternal life.

I am writing these things to you about those who are trying to lead you astray. As for you, the anointing you received from him remains in you, and you do not need anyone to teach you. But as his anointing teaches you about all things and as that anointing is real, not counterfeit—just as it has taught you, remain in him.

Bert Wagner Beecher

June 15, 1932 – November 3, 2022

Bert was born in Mackinaw, Ill., and grew up in Polo, Ill., where he made lifelong friends and learned to love the working man's life. There were many stories of his beloved Grandma and Grandpa Powell's life on the farm which shaped him into becoming hardworking, curious, and confident. His parents Leon & Vivian Beecher preceded him in death. His older brother Fred (Jo) survives in Blue Grass, Iowa. He was married to F. Joyce Kiser in 1957. Before they divorced in 1974, Bert and Joyce brought into this world three children who survive, Teri (John) Ditslear of Noblesville, Mark (Deana) Beecher of Brownsburg, and Keri (Rick) Loy of Avon. The nine grandchildren and six great-grandchildren will need to rely on their parents' memories of who their grandfather was and the legacy he leaves behind.

Bert joined the Air Force during the Korean War, and after serving graduated from Northern Illinois University, where he studied English. Most of his career was in the advertising and marketing arena, finally retiring from FMC Corp in the early '80s. He enjoyed trying new foods and loved words and word games, along with sports of any kind. With a great sense of humor, he toasted Judge Judy every day at 4 p.m. with his "two fingers" of Maker's Mark.

He married Barbara Beecher in 1975 and she preceded him in death in 2018. They lived for many years in Sun City, Ariz., in which he smartly nicknamed "God's waiting room." The last four years he lived in Noblesville with Teri and John in hopes of renewing relationships with all his kids.

There will be a visitation and memorial from 1:30 to 3:30 p.m. on Sunday, November 13, 2022, at Matteo's restaurant in Noblesville. His remains will be interred in Polo, Ill., at a later date.

Memorial contributions may be made to Roots of Life Community Church, 222 Lakeview Drive, Noblesville, IN 46060; or to the Humane Society for Hamilton County, 10501 Hague Road, Fishers, IN 46038 (hamiltonhumane.com) in honor of his beloved dog, Rootie.

- Priorities:**
- I want to ensure we best prepare Noblesville students for the future, maintain our high property values, attract new business growth and spend our tax dollars wisely.
 - During Foregy's time on the board, Noblesville Schools has received state and national recognition for outstanding academic achievements, including being named in the top 1 percent nationally for STEM, National Advanced Placement honors and being designated a national Best Community for Music Education.

- Priorities:**
- As a school board member, I will continue to work to provide students the opportunity to explore, understand, and engage in careers. I want kids and young adults to understand they have the ability to define their own success; whether that's through military service, college, apprenticeship, or some other training, it requires becoming a lifelong learner.
 - Life skills such as personal financial management, critical thinking, and developing healthy lifestyle habits are all skills that need to be introduced at an early age. Having situational awareness, performing in a team, managing stress and emotions, communicating during conflict, etc. are critical skills required to thrive in today's workforce.

ROYALS REJOICE!

Southeastern prevails over Fishers, takes first sectional title in 11 years

By **RICHIE HALL**
sports@readthereporter.com

FISHERS – Slow and steady wins the race.

Or, in Hamilton Southeastern’s case, fast and steady wins the sectional championship.

The Class 6A No. 1-ranked Royals played a game that was steady, yet took full advantage of their sensational runners. When the dust settled, Southeastern had won its first sectional title in 11 years, triumphing over host Fishers 35-13 in the Sectional 3 championship on Friday.

“The goal is to always be a champion,” said Royals coach Michael Kelly. Southeastern started its championship run in Week 9 by winning the Hoosier Crossroads Conference trophy, then added the sectional title with two big wins, keeping HSE unbeaten for the season at 11-0.

After a pair of scoreless drives to begin the game, the Royals struck first midway through the first quarter. Jalen Alexander set up Southeastern’s first score by making a 63-yard run to get to the Tigers’ three-yard line. Azariah Wallace then pushed the ball in, scoring from four yards.

The Royals’ second touchdown came at the beginning of the second quarter. Donovan Hamilton tossed a pass to Jack Osiecki, who took it 50 yards for the score. Carter Gutt made both extra-point kicks, and Southeastern led 14-0.

Fishers got on the board in the next drive with a perfect hook and ladder play. Lucas Minns passed the ball to Aidan Zimmer, who flipped it to Khobie Martin, who ran in 15 yards to score.

The margin stayed at 14-6 until late in the second quarter when Alexander took off again. This time, it was a 53-yard rush into the end zone. Gutt kicked the extra point,

and that made the score 21-6 at halftime. “He ran really hard,” said Kelly, who called Alexander’s game one of his best nights. “He gave great effort and was able to get off and break some tackles, which was huge,” said the coach, who also credited assistant coach Harvey Allen with “coaching him up and getting him ready to play.”

‘Rocks turn tide on Millers

Westfield powers through second half to third consecutive sectional championship

By CRAIG ADKINS
For The Reporter

WESTFIELD – From their first series, it seemed like Noblesville was ready to go toe-to-toe for four quarters with No. 9 Westfield in the Class 6A Sectional 4 football championship.

If it weren’t for four extremely key plays that went the way of Westfield, Noblesville could have kept itself in the game. Instead, the ‘Rocks took advantage of those situations en route to their third consecutive sectional championship and seventh in the last 10 seasons, 42-21 over the Millers on Friday night at Riverview Health Stadium.

On Noblesville’s first drive, it got patient immediately, taking the ball 80 yards in 11 plays, which the Millers finished off by a Logan Shoffner 37-yard scamper to the end zone. Westfield blocked a low PAT at the line to keep the score 6-0 Millers.

Westfield came right back with a solid somewhat short drive of 55 yards that gave them their first lead at 7-6. Kendall Garnett scored on a four-yard touchdown run.

The ‘Rocks then forced the Millers to punt. After a punt from Jack Letourneau got a nice roll, punt returner Andrew Lieske picked it up and broke free up the middle for a 64-yard punt return TD, giving Westfield the lead at 14-6, early in the second.

The momentum shifted slightly, but not for long.

The Millers then grounded out a 22-play drive that went 65 yards and used up 11:36 of the first half clock to tie the score on Gabe Bellan’s one-yard TD plunge. Shoffner dove over the goal line for the two-point conversion to tie it 14-14 at halftime.

“That was a great play by Andrew (Lieske), but then they scored to tie it up. The second half, I thought we got all kinds of momentum,” stated Westfield head coach Jake Gilbert on Lieske’s punt return touchdown.

Westfield received the third quarter kick-off and it seemed like they came out with authority and were simply on a mission.

The Shamrocks faced a fourth down and one at their own 49 and went for it. Dillon Thieneman lined up wide left and ran into the backfield. He took the handoff on a reverse and converted the fourth down clear down to the Miller 26 for a 25-yard gain.

That eventually set up Garnett’s second TD of the night from two yards out that made it 21-14.

“The game plan was going really well until we couldn’t match the 21-14 when we had the fumble and then they were able to convert it to 28-14,” said Noblesville head coach Dave Sharpe on his game plan.

“We’re not real good when we’re down 14 points and in a hurry, kind of forcing us to get out of our comfort zone a little bit. The final score got a little lopsided. We had them where we wanted them,” said Sharpe.

A shorter kickoff gave Noblesville the ball in great field position at its own 46.

(Above) Noblesville’s Gabe Bellan scored a second-quarter touchdown for the Millers. (Below) Westfield quarterback Cole Ballard rushed for three touchdowns during the Shamrocks’ Sectional 4 championship victory over Noblesville Friday at Riverview Health Stadium.

Bellan converted a 3rd-and-1 at the Westfield 46, but then another key play shifted the momentum to the ‘Rocks.

On the play following Bellan’s third-down run, Shoffner fumbled at the Westfield 41.

Seven plays and 59 yards later, all by Garnett, the sophomore tailback scored his third touchdown on the night that pushed the lead to double digits 28-14.

“He’s really come of age recently and has done a great job. Ball security has improved a ton. He makes really good cuts out there and runs the ball physically. I’m ecstatic with the couple weeks he had in the playoffs for sure,” said Gilbert, complimenting his tailback Garnett.

After Westfield recovered an onside kick, they were forced to punt. The punt went off of the side of Brody Boehm’s foot for just seven net yards, putting Noblesville in good position at their own 48.

A few plays later, Thieneman was back at it. The senior Purdue recruit intercepted Landon Hughes’ pass at the 13.

“I thought the interception sealed it for the most part. Obviously, Dillon made some plays on both sides of the ball, which was what we anticipated earlier in the year, but he

got injured. I wish we would have had him in those losses, but I’m happy we have him now. He changes everything,” Gilbert said of his senior two-way player in Thieneman.

“We were down 14 and had a first and 10. We tried to take a shot to get one and it was close, but they made great plays,” stated Sharpe on his team trying to make a lot happen down two scores.

Cole Ballard showed why he’s the leader of the offense under center. The senior signal caller bolted 12 yards to score, lengthening the lead to 35-14.

“I thought our quarterback (Ballard) made several clutch runs that just moved the chains and set up scores. I thought he was great,” said Gilbert of his senior QB Cole Ballard.

The Millers couldn’t find answers on their next drive, turning the ball over on downs at their own 27.

On the next play for Westfield, speedy sophomore wide receiver Gabe Aramboles caught a screen pass to the left from Ballard. Aramboles then sprinted across the field, evading defenders and found his way to the front right corner of the end zone for a 27-yard touchdown catch for a four score lead at 42-14.

The Millers had one last ditch effort to score in the second half and made their way down the field quickly and scored on a four-yard TD run by Blake Widget for the final score of 42-21.

Noblesville ends its season with a 4-7 record, having won two of its last three games.

Logan Shoffner led the Millers on the ground with 21 carries and 146 yards and a TD. Blake Widget and Gabe Bellan also scored touchdowns.

“I’m really pleased with our staff. This is our seventh sectional championship in 10 years and third in a row. I couldn’t be prouder of our program,” stated Gilbert on his happiness about the success he and his staff have brought to Westfield.

It was another solid ground effort for Westfield, mostly in the second half. Kendall Garnett rushed 20 times for 114 yards and three scores. Cole Ballard also managed a good night running, gaining 82 yards on 11 carries and a TD.

Westfield (8-3) advances in the Class 6A state tournament and will face yet another HCC foe, but this time on the road. Next Friday, they will pay a visit to No. 1 Hamil-

ton Southeastern (11-0). The Royals ousted Fishers on the road last night, 35-13.

“They’re extraordinary and ranked number one for a reason. We’ll have to watch the film to see what we need to do differently,” stated Gilbert on Westfield preparation for their Regional 2 road matchup with Hamilton Southeastern.

The winner of that Regional 2 matchup will meet up in the semi-state on Nov. 18 against the other northern game, Regional 1, which pits Carroll (Fort Wayne) (11-0) at Lafayette Jeff (9-2).

REJOICE!

“AZ Wallace, same thing,” said Kelly. “He had some big tough runs in there as well.”

The Tigers didn’t go away, of course. Fishers got back into the game when Minns tossed a 17-yard pass to JonAnthony Hall, who made an amazing catch in the end zone for a touchdown. Jon Tangara hit the extra-point kick, and the Tigers were within 21-13.

But Alexander stopped any Fishers comeback right away. On the first play of the Royals’ next drive, the junior zoomed 69 yards to score his second touchdown of the game. Gutt made the kick, and Southeastern went into the fourth quarter up 28-13.

The Royals stayed in control in that final period, scoring after a six-minute drive when Griffen Haas took the ball in from two yards. Gutt’s kick made him 5-for-5 on extra points.

Alexander finished the game with 267 yards rushing. Wallace gained 70 yards.

Minns finished the game 12-of-24, totaling 147 yards. Hall had the most receptions with four.

The Tigers finished their season 7-4, the first time since 2019 that they reached the

Sheridan shines in second half of sectional championship

The REPORTER

Sheridan ended a long sectional drought on Friday, and the Blackhawks did it running away.

Class 1A No. 5-ranked Sheridan played at Hagerstown for the Sectional 45 championship, and broke free from the Tigers in the second half, pouring in 44 points to win the sectional title 75-36. The 'Hawks thus won their first sectional since 2012 and their 20th overall.

Hagerstown scored first on Sheridan to lead 8-0, but the Blackhawks quickly responded with a 57-yard touchdown run by Peyton Cross. Both teams scored again in the quarter, with Sheridan's Jake Jones adding a 48-yard TD run. A two-point conversion run from Caleb Alexander helped to keep the Blackhawks within 15-15 at the quarter's end.

Cross took off for two more touchdowns in the second period, one from 57 yards in the quarter's first minute, and the other a 20-yard rush with 54 seconds left in the half. Sheridan made two-point attempts after both scores, and that put the Blackhawks up 31-30 at halftime.

The second half was all Sheridan. Alexander started the scoring by streaking 65 yards for a touchdown just 52 seconds into the half, and later scored on a 19-yard run. Cross finished the quarter with a short run, and the 'Hawks led 54-30 after three.

But Sheridan wasn't done yet. Jones cruised to two more long touchdown runs, from 35 and 59 yards. Then Keagan Hampton took a 70-yard interception in to score with 3:30 left in the game. This was the sec-

Owen Bell made all seven of his extra-point kicks. The 75 points were the most the Blackhawks had scored in a game since Oct. 24, 2014, when Sheridan put up 75 on Tindley during a first-round sectional contest.

Cross finished the game with 228 yards, followed by Jones with 143 and Alexander with 110.

The Blackhawks are 11-1 and will host unbeaten and No. 3-ranked North Decatur next Friday for the Regional 23 championship.

Guerin Catholic overwhelmed in Friday's sectional title game

By JAMES SEAY
For the Reporter

NOBLESVILLE — The Class 3A No. 12 Guerin Catholic Golden Eagles lost to the No. 6 Bishop Chatard Trojans 49-13 in the Sectional 28 championship game on its home field on Friday night.

The Golden Eagles fell behind early after Bishop Chatard senior quarterback Drew Vanvleet tossed three touchdown passes to jump out to a 21-0 lead. Guerin was able to quickly respond as sophomore quarterback Malcolm Houze found senior wide receiver Will Fremion often on the next drive en route to the first score. Vanvleet (who holds multiple Division I offers) responded by taking his team all the way to the end zone to push the lead to 28-6 before the half.

The second half was no

different from the first as the Trojans continued their assault through the air with two more touchdown tosses and a run. By that time, the clock was running due to the margin of the score. Houze did connect with Fremion again for the final score of the night. After the score senior linebacker Anthony Ferrucci and Fremion held a long heartfelt hug for what will be the last game donning the Golden Eagles uniform.

Houze finished the game 26-of-42 for 289 yards and the two touchdowns. Fremion had the two TD catches, totaling 11 for the game. Alex Gibbs had eight receptions.

This year's GCHS team will graduate 12 seniors. Amongst those graduating from Guerin are several All-Conference standouts: Will Fremion, Anthony Ferrucci, Evan Guenther, Josh Holba and

straight losing seasons, this team was able to turn in a better performance as they look to grow in the 2023 season in what will be coach Tom Dilley's 10th season.

I would be honored to have your vote for school board. I will work hard for our students, schools and community focusing on academics not activism.

Tiffany Pascoe

Candidate for HSE School Board, District 1

I was adopted/relocated four days before starting high school in Hamilton County due to their #4 accredited rankings. After high school, I attended Marian College. I worked 5 jobs to pay for college and support myself while being a full-time student. I graduated on time earning a BA.

At 24, I proudly bought my first house on my own within HSE to give the same promise of a phenomenal education to the family I would someday start. After marrying my husband proudly in the St. Patrick Parish, we still reside in the same house upholding our fiscal conservative values. Simultaneously, I began volunteering in a plethora of facets (Meals on Wheels, Riverview's Foundation, Youth Assistance Program, Tourism, Fishers Arts Council, Third Phase, Indy Zoo Council, Republican PC and State Delegate, and the GOP) to understand what our community needed firsthand. As a result, it catapulted me to run for School Board. Our youth should be the communities #1 investment. Our future leaders deserve the opportunity to attend a #4 or higher ranked school. The fate of our community rests in the successful outcomes of our youth. It is a symbiotic relationship. Vote Pascoe to secure the success of our community.

Kevin Poore

Republican for County Assessor

Hamilton County has been my home since 1993. Since graduating with my bachelor's degree in Public Affairs from Indiana University, my career has been almost entirely in property tax assessment and appraisal.

I have worked for the Hamilton County Assessor's office since 1999 and currently serve as the Chief Deputy Assessor. I have been at the forefront of helping manage the massive growth of the assessment base in our county over these past 23 years assessing all property types (residential, commercial, industrial).

I have taught continuing education classes for various groups including appraisers, software vendors, and the Indiana Department of Local Government Finance. I have the Level III Assessor designation with the State of Indiana, and I am the only person in Hamilton County to hold an Assessment Administration Specialist designation from the International Association of Assessing Officers.

By law, property assessments are required to reflect market value. The real estate market has experienced significant price appreciation in recent years which is having a significant impact on property assessment and therefore taxes. My philosophy includes using a conservative approach to valuation changes, ensuring fairness in assessment, and providing quality customer service when dealing with our taxpayers.

Jenny Brake

Candidate for Carmel Clay School Board, District 1

As a lifetime Carmel resident, I want to give back to my community by running for the Carmel Clay School Board. I attended college at Indiana University as well as John Herron School of Art.

I've been married my high school sweetheart & fellow CHS graduate, Ron, for the past 44 years. Together, we have raised 2 children who also graduated from CHS. Ron and I are proud grandparents to 4 grandchildren, one of which attends Carmel Clay Schools.

After my children were older, I went to work at a local homebuilding company as an office manager & customer satisfaction analyst. Following that, I used my leadership skills as an executive assistant.

With a passion for the arts, I was involved with the Heartland Film Festival, serving as Opening Night Chairman for several years. During that time, I was also employed at a large church in Carmel. Through this position, I led over 400 volunteers, helping them assimilate visitors. In addition, I was also responsible for the planning and oversight of many large-scale events, communications, working with vendors, & communications.

I currently work part-time for Story Cottage as an activities contributor & also serve as a deacon at my church.

Greg Brown

Candidate for Carmel Clay School Board, District 3

Carmel Clay Schools' (CCS) excellent reputation and sense of community is what drew my wife Kelly and I here 28 years ago. Our son attended CCS from K-12 receiving an exceptional education. He lives in Carmel along with his wife and young daughter. It is our hope that they will choose CCS for our grandchildren having access to the same exceptional education that he received.

I have a BA degree in business and a MS degree in MIS. I have worked in leadership roles from IT to Business Unit management in medium and large-scale manufacturing companies.

I have served in Boy Scouts leadership positions, including Scoutmaster, in Carmel. I have served on a church Board, and on corporate leadership teams. I have a good balance of organizational leadership experience and a servant's heart. In addition, my wife and I tutored disadvantaged elementary students in Nora.

I decided to run for the CCS Board to keep us on a primary track of academic excellence. We need a strong culture of collaboration and transparency with the parents. I have seen schools across the nation introduce values that are controversial and divisive. We must keep our focus on academics.

Adam Sharp, MD

I am a retired ER physician and entrepreneur who grew up in Indianapolis and has lived in Carmel for 17 years. I am running on a platform of academics first, full transparency, and parents' rights. My wife and I have two children at CCS schools and one that recently graduated. We have wonderful schools which I aim to ensure stay excellent for our children with a renewed focus on academic excellence and a broad range of opportunities to enrich themselves. I am running as one of a slate of candidates including Jenny Break (district one) and Greg Brown (district three).

Daniel Bragg

Republican for Sheridan Town Council, At-large

Born and raised in Sheridan, I have a deep connection to the people of this community. I am the youngest of three siblings, the children of two Sheridan High School graduates. My love for this community is endless.

Since moving my wife and son to Sheridan in late 2017, I have run for Sheridan Town Council twice, and State Representative once in 2020. I also joined the Sheridan Redevelopment Commission and the Plan Commission in 2020, being elected Vice President of the Plan Commission during my first meeting. In 2021, I was elected President of the Plan Commission, and continue that responsibility to this day.

A population boom is coming for our community in the next few years, and the Council must take action to ensure that the town is prepared. I believe that the military has prepared me with the leadership skills as well as forward-thinking ability to ensure Sheridan's success while we move into the future together.

A huge part of my plan also comes with added transparency. I have always believed that a well-informed populace only stands to benefit the community, and the challenges of the future will require everyone's effort.

Eric Gifford

Republican for Sheridan Town Council, At-large

I have been a resident of Sheridan all my life. I am also a volunteer firefighter here in Sheridan as well. I currently work at Sheridan Community Schools as the director of transportation and grounds. Some of the main reasons that I want to run for town council is I feel like we are being very reactive in town versus being proactive. There's a lot of growth coming our way; several new housing additions have been proposed here for us and I just feel like we are at a disadvantage. I really want to see this town grow in a positive way and become a booming area of Hamilton County. I am a very likable person, very respected in the community with my job and feel like anybody in the community could come up and talk to me about anything and I would do everything that I could to try to help them and try to help anybody in this community.

I have served in many capacities including dental health guest lecturer and career fair participant. I also served on the Miller Backers and Miller Ambassadors. Chuck Haberman

Candidate for Noblesville School Board

I have been serving classrooms across central Indiana since moving to Noblesville after my career in the Marine Corps. Speaking in classrooms, attending career fairs, and hosting student interns, I've been engaged with the schools and supported learning. As an Economic Development professional, I know firsthand how critical our workforce is to the future of our community; every conversation begins and ends with workforce. A strong K12 education system is the cornerstone of a solid workforce. I'm running for School Board because I'm passionate about ensuring we stay strong and continue to provide the best for students in our community. We're fortunate today to have a great school system with outstanding teachers and staff, a myriad of programs and offerings, and top-notch facilities. With a daughter in kindergarten and a son not far behind her, the future of the Noblesville school system is near and dear to my heart. I stand ready to fulfill my duties on the school board with the same dedication, motivation, and integrity as I did for 8 years in the Marine Corps. Please choose Chuck Haberman when you cast your vote! Thank you.

Melba L. Kiser

Candidate for Noblesville School Board

My family emigrated from Cuba in the 1960s after Fidel Castro took power. I know what it is to live under a communist/socialist regime. I was fortunate to grow up in the US and take advantage of the liberties provided by this country. I became a naturalized citizen because I love this country and what it stands for. I was fortunate to have been educated at a time when the US education was one of the best in the world.

Unfortunately, the current education system is failing our kids and they will have a difficult time being self-sufficient and achieving their goals.

I've been married for almost 40 years and have raised a daughter who I am proud of. My daughter is now raising a family and I am concerned that my grandchildren will not enjoy the same liberties and have the same quality education that I benefited from.

I'm ready to do my part to honor the sacrifice my parents made and to fight to protect our future generations.

Jim Ake*Republican for Washington Township Board*

I have held leadership positions in sales, marketing, team development and city government. Responsibilities included running a district, a region and a Company as Director with successful results. I bought a failing franchise taking it to number 1. With community service, volunteer endeavors and Council work, I was given the first Legacy Award for a Lifetime of Achievement by Westfield's Chamber of Commerce. My depth of knowledge, creativity and experiences has prepared me for this office.

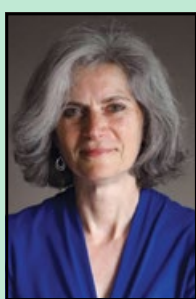

My top priorities are to continue to make sure our township is fiscally responsible going forward mindful of what our township needs while caring for what we have. To keep you and your families safe by supporting law enforcement and fire services. Delivering essential services efficiently needs a coordinated and co-operative effort with other agencies. I will be proactive in these efforts. I would advocate for early warning siren deployment to reach all township residents.

My success in running and managing business units, my city government experience and running my own business gives me the ability to contribute to this position.

Shelly Brown*Democrat for Washington Township Board*

I am a 25-year resident of Hamilton County and a 13-year resident of Westfield. My parents were both teachers. I am a 1983 graduate of Michigan State University and a 1992 graduate of Western Michigan University where I received a master's degree in Industrial Engineering. I worked as a Manufacturing Engineer for over 20 years, retiring in 2015.

I grew up on a family farm in a small town in Michigan. Farming gave me an incredible work ethic. We did what we needed to do to get the job done no matter how long it took. We learned to be innovative in order to solve whatever problem came our way. Neighbors worked together to get through tough times.

Post-retirement, I am dedicated to being a servant leader in my community. Volunteering as a member for Hamilton Invasives Partnership, preserving and restoring the environment through Westfield Green Together, and coordinating the voter guide for the League of Women Voters are the volunteer opportunities that have meant the most to me.

As a Township Board member, I will focus on solving the root causes of poverty, using every dollar in the budget effectively and working to lower township tax rates.

Erica Strahm*Republican for Washington Township Board*

I'm currently the Chair of the Westfield Washington Township Board serving in my first term.

In 2018, when I initially filed to run for a board position, I did so because I felt that the taxpayers needed more of a voice in local government. In my second term, I plan to continue to allow taxpayers to have that voice.

Since becoming a member of the township board, Westfield Washington Township taxpayers haven't seen an increase in their township tax rate, our township has incurred (and carries) no debt, and we've still been able to provide all necessary services to our constituents.

In my professional life, I'm the Youth Coordinator for VOICE Hamilton County, which is an anti-tobacco organization serving our county, and I teach at Faith Montessori Preschool. I'm also a member of the Westfield GOP Club, a Philanthropy Liaison with National Charity League, President of the Westfield Shamrocks Rugby Club, an inaugural member of Westfield Washington Schools' Shamrock Academy, and a member at Orchard Park Presbyterian Church.

In my personal life, I'm most proud of being a mom to Will (18), Lucy (16), Sam (14), and Charlie (8).

Doug Allman*Republican for Fall Creek Township Trustee*

I'm a 35-year resident of Fishers/Fall Creek. I've been married 41 years to my wife Shelly with two adult children.

I've been Trustee for six years and prior to that served on the Board for six years. I've also served on the Fishers Planning Commission and led City Yes PAC that advocated for Fishers becoming a city. I have also served as either a president, officer or board member of several statewide conservation groups and IDNR committees. I was awarded IDNR's Conservationist of the year in 1995.

I'm proud to be part of the acquisition of the Township's 80-acre Fall Creek Woods nature park I am designing, which is partially open to the public. I'm proud of the way I have guided the Township through COVID with assisting those in need of shelter and food. Through measures I put in place, we protected staff and the public, while at the same time working from the office and extending Food Pantry hours. We leveraged federal dollars to serve a much greater number of people while still having the second-lowest township tax rate in Hamilton County.

I believe my experienced leadership with my board and staff have made Fall Creek Township exceptional.

I served two terms on the Noblesville Township Board, and I've certainly enjoyed being a board member. I've been in the community for about 40 years, and I've served on a variety of boards. I volunteered and worked downtown as a Main Street director for about nine years, and I was a Boys and Girls Club director for about 22 years, so I've been in the community for a long time. I'm both in the Lions Club and the Kiwanis Club and I've been past president of both of those clubs. We've established a lot of things where we give assistance to people by providing emergency shelters to those who don't have any place to go. I've helped with the grants that were given out by the government on COVID-19 relief for rents and utilities and that's part of our duties throughout the year. I've really enjoy seeing that we are helping the Township out and our staff does a tremendous job on taking care of people in the Township and it's a rewarding feeling. I just want to give back to the community and I've certainly enjoyed doing this as a board member.

I've been in office for four years and I am really excited to try and continue my time on the Township Board. I think that we have done some great things over the last four years. It's one of the few bipartisan working bodies in Hamilton County, which I am very excited to be a part of. We've done a lot of great things for the community such as working on the Fall Creek Woods Park and providing assistance to those individuals that have experienced hardships from COVID-19, and I'm so happy and proud to be a part of that effort. I provide a fresh perspective in that I am still the newest member of the board and can provide some different perspectives as compared to people that have been in office for a while. I am very different from the others on the board that I am a woman, I'm a working mom with younger kids and so I am able to share some insides from a different kind of view that I think are important to give a voice to those of individuals of Fall Creek Township and make sure that we are working for all types of residents in the community.

Greg Garrison*Republican for County Prosecuting Attorney*

The prosecutor of Hamilton County must be focused at all times on the protection of our citizens.

Currently, there are violent crimes within the county that are going unprosecuted. As we are seeing more and more crime coming from Marion County, the priorities of the prosecutor's office need to change right now.

My entire legal career has been dedicated to criminal prosecution. I have 50 years of experience in the prosecution of felonies across Indiana. I have tried high profile death penalty murder cases as well as successfully prosecuted Mike Tyson for rape in Marion County. I won't back down from a tough case.

I will focus on protecting citizens from violent crimes, build a rapport with law enforcement to prepare stronger cases for prosecution and train the next generation of deputy prosecutors so as to leave Hamilton County safer for our children and grandchildren.

I am experienced, passionate and trusted. Hamilton County will be safer, now and in the future, with me, Greg Garrison, as prosecutor.

**Mark Hall***Republican for County Council, District 3*

I have been a Hamilton County resident for 35 years and am an active business owner and demonstrated leader and I serve on several charity boards. My wife and I have been active in food charities for 16 years. For the last two years we launched a food charity here in Central Indiana that provides 7,000 meals a month to hungry neighbors and not one penny of government money was used to do that. We have organized over 75 volunteers and 28 families in order to create a vehicle that provides meals to hungry people here in Hamilton County.

I am an individual freedoms guy and I'm a full-service conservative. I believe in pro-life, pro-gun, pro-taxpayer, personal freedoms and family values. We can't expect the same results for Hamilton County without continuing to fight for the principles that made the place special to begin with. What has made this place special for decades has begun to erode and if we don't fight for the principles that made Hamilton County special, it won't be special.

**Dennis Quakenbush***Republican for County Sheriff*

I am a life-long resident of Hamilton County. I currently live in Cicero with my wife and four sons and am a member of Cornerstone Bible Church where I serve as a deacon. My wife and I own two small businesses based in Hamilton County.

I hold a master's degree in business administration from Indiana Wesleyan University with an undergrad degree in business management. I love learning and have attended multiple leadership courses, command training and other executive level law enforcement courses. I chose law enforcement over my corporate career because of my passion to set an example by helping others in need, treating everyone with respect and putting others first.

For the past 20 years, I have been faithfully serving Hamilton County and moving up the leadership ranks within the Hamilton County Sheriff's Office. I started my career as a dispatcher in the department's communication division in 2002. I became a merit-deputy in 2003 and was promoted to sergeant in 2007 before being promoted in 2011 to Captain of the Patrol Division. I was elected to serve as the sheriff of Hamilton County in 2019.

**Darren Murphy***Republican for Superior Court No. 7 Judge*

I have spent my entire legal career in Hamilton County, with the last four years serving as Magistrate Judge for Courtroom 7. As Magistrate, I have presided over every case type anticipated to be assigned to the new Superior Court 7, including protective order hearings, small claims matters, family and criminal law cases, civil claims, and jury trials. My training and experience will allow me to have the court running efficiently on day one.

Prior to my legal career, I served as a U.S. Army Ranger. I was severely wounded during the invasion of Panama and medically retired in 1989. For my actions in Panama, I was awarded the Purple Heart, Combat Infantryman's Badge, the U.S. Army Combat Parachutist Badge and an Army Commendation Medal.

I have spent the last 23 years in Hamilton County with my family. I have three children with my first wife, Penny, who passed away in 2002. My oldest children all graduated from Hamilton Southeastern High School and attended Indiana University. In 2007, I met my wife Elizabeth while working as litigators to defend Hamilton County and a Hamilton County Deputy Sheriff in a federal lawsuit. Together, we have a nine-year-old daughter.

**Tim Griffin***Republican for County Council, District 1*

As an active resident of Carmel for almost 30 years, I experience and understand resident needs daily. For 19 years, I have served as a firefighter for the Carmel Fire Department, and over six years ago, my commitment and passion for communicating with residents led to the additional role of Public Information Officer. As a fiscal conservative, I will ensure that Hamilton County maintains its AAA Bond Rating – currently the highest rating in the state.

As a Public Information Officer, I am focused on the importance of communicating with constituents. I believe that a collaborative, approachable and communicative council will keep Hamilton County heading in the right direction.

In addition to my professional roles, I have dedicated my career to serving the residents of Carmel through public service. I am an executive Board Member for the Carmel Professional Firefighters Local 4444, Board President for Promote Carmel Inc., Hero Olympics participant, former Our Lady of Mt. Carmel Parish Council and the Master of Ceremonies for all Carmel Fire Department events.

I will take my experiences and interactions as a firefighter, volunteer and Carmel resident to make a positive impact on Hamilton County for years to come.

**Joe Cox***Republican for Cicero Town Council, At-large*

In 2015, my family was welcomed to the Cicero community. We instantly fell in love with the small-town atmosphere and sense of belonging that small community culture can provide. As part of our decision to settle in Cicero, we committed to being involved in the community, setting an example for our children and striving to ensure that the community culture is preserved for future generations.

Serving as Chairman of Cicero's Economic Development Committee since 2017 has allowed for a greater understanding of the pillars upon which a community is properly constructed. This involvement has provided me with the opportunity to collaborate with local leaders while networking with and learning from leaders in the surrounding communities.

Preserving Cicero's small-town way of life is an important topic to many residents, including myself. We can accomplish this with a measured economic strategy of controlled growth, continuous infrastructure and the development of small commercial districts.

As an elected official, I will dedicate myself to a responsible, collaborative and transparent business-minded approach to decision-making and leadership. This includes a commitment to community engagement and transparency while operating within the best interests of Cicero and its residents.

**Eric Hayden***Republican for Cicero Town Council, At-large*

I have lived in Cicero since 1992. I took a little leave in the middle for college and right before I got married, but I really love this community and I believe the current council has done a nice job and I would really like to just continue what they have done. I am an engineer by day, so I make sure I have all the facts before I make decisions. I did sit on the council for eight years previously, so I do have a little bit of history. People know my tendencies on how I vote and what I stand for from the past when I was on the council. I am very conservative from a financial standpoint, and I want to make sure the budget is compliment. I want to make sure the residents, the public safety department and the parks department have what they need to improve the community and make sure that the community stays at a status quo.

**Jeannine Lee Lake***Democrat for U.S. House, Indiana's 5th District*

I'm a Hoosier-Born American patriot who loves her country. I'm a Christian and my favorite saying is "I love God and I love all His people." I was born in Indianapolis and raised in Crawfordsville where I lived until I graduated and moved to Muncie to begin classes at Ball State University where I majored in journalism and public relations. I have been a newspaper reporter for over 30 years now, I'm a divorced mother of two grown sons and have also raised several foster children. I'm a longtime businesswoman who previously owned an ice cream shop near Ball State's campus. I'm also Publisher of The Good News newspaper and I'm the chair of Feed My Sheep charity that feeds about 2,000 people every Thanksgiving and Christmas. I am proud to be the Democratic nominee who will fight for freedoms of Hoosiers: 2A rights, reproductive rights and LBGTQ rights. Unlike my opponent, Victoria Spartz, I'm pro-life; she supports a 100% total abortion ban and I believe women are smart enough to make their own decisions about their own bodies and their own healthcare. I have three tenets that are part of a good leader: courage, compassion and calm. I will represent every constituent as equals when I win: we have to work together and make the nation whole again: the United States of America.

**Victoria Spartz***Republican for U.S. House, Indiana's 5th District*

Congresswoman Victoria Spartz is a leader who has a proven track record in the business world, civic organizations and the public sector.

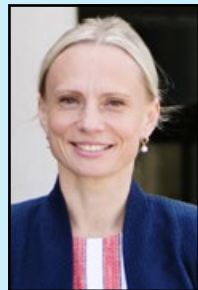

In many ways, she embodies the American Dream: born overseas, immigrating to the United States 20 years ago after meeting her husband, a born and raised Hoosier, on a train in Europe, becoming a US Citizen, and working her way up from bank teller to a CPA, finance executive and successful business owner.

Growing up in socialist-controlled Ukraine, she experienced firsthand the dark side of socialism. Living through this molded her conservative political philosophy: limited government is always better, and financial and health care decisions should be made by individuals in the free market, not bureaucrats and special interests.

Victoria has worked in the Big 4 public accounting firms for Fortune 500 companies, as an adjunct faculty at IU's Kelley School of Business and served as CFO at the Indiana Attorney General's Office. Prior to running for Congress, she was elected by caucus to the State Senate in 2017.

The Congresswoman currently serves on the Education and Labor and the Judiciary Committee in Congress. During her first term, she introduced several pieces of legislation to address health care and criminal justice reforms.

Jocelyn Vare*Democrat for State Senate, District 31*

I've been a proud Fishers resident for 24 years and currently serve as an at-large member of the Fishers City Council. After growing up in South Bend, Indiana and then graduating from Butler University, I, like many Fishers residents, moved to this great community to raise a family. My two children grew up in Fishers, and it will always be their hometown. I also raised my own small business here in Fishers, an award-winning advertising agency called Propeller Marketing that promotes tourism and economic development in communities all across Indiana.

In 2019 I ran for Fishers City Council—as a Democrat. By starting from the premise that everybody's voices should be heard, our campaign brought together a diverse, bipartisan community of supporters, and we won the race! I'm so proud to be part of a movement in Fishers to bring broader representation and balance to local government.

I've always worked to serve residents, improve the status quo and make government accountable to the people it's meant to serve. As your next State Senator, I'm excited to continue fighting for government transparency, civic participation, and the issues that will elevate your community, neighborhood, and household.

**Kyle Walker***Republican for State Senate, District 31*

Kyle Walker joined the Indiana State Senate in 2020. He is a small business owner with a track record of serving his community and state.

In the Senate, Kyle has proven himself as a commonsense, fiscally responsible leader who will work across the aisle to get results for Hoosiers. Kyle led efforts and authored successful legislation to improve public safety in Central Indiana, support Hoosier children and families, boost economic development and strengthen local infrastructure.

Kyle is focused on reducing the cost of living, making our communities safer, supporting our public schools and creating jobs so our residents can thrive.

A testament to the work he has done for the district, Kyle has been endorsed by Fishers Mayor Scott Fadness and by nonpartisan business, labor, public safety and other organizations including the Indiana Chamber of Commerce, Indy Chamber Business Advocacy Committee, NFIB Indiana PAC, Indiana State Police Alliance, Indiana FOP, Fishers FOP Lodge 199, Lawrence FOP Lodge 159, Indiana Fire Chiefs Association, Indiana Professional Firefighters PAC, Hamilton County Professional Fire Fighters Local 4416 PAC, Indiana REALTORS® PAC, Indiana Builders Association PAC, Indiana AFL-CIO, Indiana State Pipe Trades Association, and the National Association of Social Workers Indiana Chapter PAC.

It has been my honor to serve as State Senator for Senate District 21 since 2008 and to be a part of making Indiana a great state in which to live, work and play.

I have lived my entire life in Indiana, received my education in Indiana (Masters in Business Administration) and raised my family in Indiana.

I was a small business owner for five years, received my Journeyman Tool and Die Mold Maker Classification from Delco Electronics, retired from Delphi Electronics and hold a Real Estate Broker's License. I enjoy managing a small farm, playing golf, and my wife, Judy, and I have a passion for gardening in our English garden.

In the Senate, I am Chairman of Local Government, serve on the Judiciary Committee, Environmental Affairs Committee, and was appointed by Governor Holcomb to the EV Commission. I also served as Chairman of the Ethics Committee.

I am Vice President of We Care, a local charity in Howard County that makes sure children in need have toys and clothing at Christmas. I am a member of Rotary and Masonic Lodge #93.

My wife, Judy, and I have been married 39 years; we have been blessed with five daughters.

**Josh Lowry***Democrat for State Senate, District 21*

Josh was born and raised in Martinsville, Indiana. He attended IU Bloomington where he met his future wife, Alexis. He then pursued his childhood dream of becoming a professional wrestler, before settling down and attending law school. Josh spent five years as a Deputy Attorney General practicing constitutional law, where he defended state agencies such as the Department of Child Services and Indiana State Police. Josh has argued in front of the Seventh Circuit Court of Appeals and conducted jury trials.

Josh and Alexis moved to Westfield in 2009, where Alexis grew up. Alexis's family has lived in Westfield for generations. Alexis and Josh knew they would want to raise a family in Westfield to be close to family and enjoy the great public schools that Alexis and her siblings had attended.

Unfortunately, Josh and Alexis were unable to have children. So they became foster parents. They have fostered 12 kids, 4 of which they adopted. When not driving one of his children to practice or work, Josh is a competitive natural bodybuilder and plays recreational soccer.

**Fred Glynn***Republican for State Representative, District 32*

I am finishing my second term on the County Council. In county government, we have achieved a AAA bond rating, low taxes, and have maintained balanced budgets. I am running to provide the same fiscal conservative leadership at the statehouse that I have on the county level. A few items on my platform include:

- **Schools** – Let's focus on excellence in education and further empower parents when it comes to choosing the best education fit for their children

- **Property taxes** – Work to insure property tax assessments impacted by inflation don't result in a tax hit for homeowners

- **Law enforcement** – Recently there have been increased attacks on law enforcement. These attacks come from groups that are more sympathetic to criminals than law enforcement. This misjudgment in policy is causing crime to skyrocket in our communities and leading to a shortage in police officers. I will work to implement policies that thwart these practices and promote safety in our communities. I have always stood up for my constituents even under immense pressure and will do the same at the statehouse.

**Dr. Victoria Garcia Wilburn***Democrat for State Representative, District 32*

Victoria Garcia Wilburn is Assistant Professor of Occupational Therapy in the School of Health and Human Sciences and Community-Engaged Researcher at Indiana University-Purdue University Indianapolis. She was recognized as Occupational Therapist of the Year in 2018 and inducted into the Indiana Latino Leadership Circle 2020.

Dr. Garcia Wilburn also serves on the board at Hope Academy Recovery High School and Reach for Youth.

Her platform is centered around three tiers; Public Health, Public Education and Public Safety. Her work as a researcher led to the understanding that Indiana is among the lowest ranked in the nation for overall health, mental health and the funding to address it. As an educator, she knows that our students are the ones suffering when Indiana remains in the bottom ten in the nation for teacher pay, and the need to prepare global learners is more imperative than ever. As the wife of a retired police officer, she also knows the value of healthy relationships between law enforcement and the community. Guns are the leading cause of death among children and teens in Indiana, and we can support both our citizens and those who are sworn to protect them, by investing in both appropriately.

**Chuck Goodrich***Republican for State Representative, District 29*

I was first elected to serve House District 29 Hoosiers in 2018. Following my first election, I was appointed to the House Education, House Employment, Labor and Pensions, and House Veterans Affairs and Public Safety committees. In 2020, I was added to the House Ways and Means Committee. I have authored and sponsored legislation that adds more funding to public schools, secures more funding for school safety and continues to build the workforce by removing barriers for quality employment and doing business in the state. Outside of my role at the Statehouse, I work with the High School Prep Academy and am a member of the Indiana Department of Workforce Development's Region five Workforce Development Board. I am chairman of David's Well in the USA, a faith-based nonprofit that establishes congregations in villages in Panama and other neighboring Central America and establishes freshwater systems, homes, medical clinics, schools, small production centers and sustainable agriculture. I also serve on the board of Crossroads of America Council and Boy Scouts of America. I live in Noblesville with my wife of 28 years, Tricia, and am a proud father of four grown children and one grandchild.

**JD Ford***Democrat for State Senate, District 29*

In 2018, the voters of Indiana Senate District 29 overwhelmingly elected J.D. Ford to stand up for Hoosier values and find common sense solutions to improve the lives of Hoosiers everywhere.

As one of the few members of the Indiana Senate who is not independently wealthy, Senator Ford is a full-time legislator who provides a sorely needed perspective and understands the concerns of working class Hoosiers. That's why he always reaches across the aisle to get things done and fights to make sure working people get a fair shake.

From lowering the cost of life saving medical treatments to strengthening and improving our public schools, Senator Ford always stands firmly on the side of Indiana's working families.

Senator Ford learned the importance of hard work and paying it forward from his father, a union truck driver and his mother, an assisted living administrator, who worked hard to give him the chance to be the first generation of his family to graduate from college.

Those lessons have stayed with him throughout his career and they are with him now as continues to legislate for the people who gave him the great honor of serving as their State Senator.

**Matt McNally***Democrat for State Representative, District 39*

I am the son of a Vietnam veteran and a Catholic school secretary. My parents taught me the values of integrity, a sense of duty, and putting the community before myself.

I served 16 years in Naval Aviation and then 2 years in the Navy Reserves here in Indiana. Finally, I transitioned to the Air National Guard, before my retirement.

Throughout my military career, whether it was flying airplanes, working with foreign leaders, or advising generals and admirals, I learned the importance of listening to the people around me, understanding their experiences, and sticking up for what was right no matter what.

When it was time to leave active duty my family chose to return to our roots here in Westfield. We have been here full time since 2015 and I now have two children who will be at Westfield High School this year.

**Jerry Torr***Republican for State Representative, District 39*

I am a sixth generation Hoosier and have been a resident of Hamilton County since 1987. I have over 35 years' experience in the insurance industry, and I am currently a Commercial Account Manager at Near North Title Insurance. I am the author of Daylight Saving Time and Indiana's Right to Work law, as well as a long-time advocate for creating a bipartisan commission for redistricting. I am currently chair of the House Judiciary Committee and I was honored twice by the Indiana Chamber of Commerce as Government Leader of the Year (the only other two-time winners are former Speaker Bosma and the late Senator Lugar). I am gratified by the number of supporters who strongly urged me to seek another term, and hope to continue the progress we've made improving the lives of Hoosiers.

**Joellyn (Joey) Mayer***Democrat for State Representative, District 24*

I'm passionate about passing policy that helps all Hoosiers thrive. This isn't about me or partisan politics, it's about our shared values. Wanting control over our own family planning, strong public education, clean air to breathe, water to drink, and wanting the next generation to be able to maintain, if not exceed, the lifestyle we've worked so hard for is vital. It's recognizing basic dignity in ourselves and others. It's firmly believing that no one should not be made to feel less than.

I've lived in Indiana my whole life and House District 24 for the past 21 years. I have a solid understanding of Hoosier and our district values. We respect hard work, kindness, hospitality, looking out for our neighbors and controlling our own destiny. Those values aren't being reflected in the state GOP supermajority. The loudest voices of the few are controlling what's heard in session and what bills are presented and passed. These bills are pure partisanship by the supermajority in the General Assembly. In reality, ordinary Hoosiers share more values than we realize regardless of the liberal or conservative labels. I want those values reflected in our laws. We need to restore balance in the Statehouse.

**Donna Schaibley***Republican for State Representative, District 24*

I have served the people of District 24 as their State Representative since 2014, and I am currently vice chairman of the Courts and Criminal Code Committee and a member of the Financial Institutions and Insurance Committee, the Public Health Committee and the Recycling Marketing Development Board. I have authored and sponsored numerous important bills which I have successfully helped enact into law. My recent accomplishments include authoring or sponsoring legislation making our schools more secure, enabling patients to discover healthcare costs in advance of treatment by requiring price transparency, tax reform, increasing civics education in our schools and strengthening the rights of victims of sexual assault. I was born and raised in Indiana and have lived in Carmel for 29 years. I graduated from Purdue University with a B.A. in education and political science. I have worked in the administration of two major universities, was a leader on the Board of Trustees of the Orchard School and served as a substitute teacher in the Carmel Clay schools, as well as a volunteer in the community. I am a member of the Carmel Rotary Club.

Born and raised in Hamilton County. I developed a competitive nature on the football field at Hamilton Southeastern High School and gained a thirst for knowledge during my studies, particularly in speech and history. My parents challenged me to achieve goals and continue my education. I enrolled at Oklahoma Baptist University in Shawnee, Okla., near where my father grew up. I went on to earn my Juris Doctorate from the George Washington University in Washington, D.C., where I realized that my purpose was to serve others. I am proud to follow in my grandfather's footsteps when I earned a commission as a JAG officer in the United States Navy. I deployed in support of Operation Iraqi Freedom during the troop surge in 2006 and 2007.

I am a devoted family man and enjoy time with my wife, Karen, and our three young children. My family and I are members at Northview Church. I also remain as a Navy Reserve Officer and stays active locally serving on the Fishers Economic Development Commission.
