The following friends and supporters of The Reporter all stepped up in impressive ways to help us not only bring back full 4-H results in print this year, but also make it possible to give Hamilton County Harvest Food Bank's "Meating The Need" program their biggest single donation check ever (see page 44).

Without the support of the advertisers you will see in this 64-page publication, none of the Hamilton County 4-H participants would be getting any of the ink they deserve.

These pages are packed and stuffed with every photo and bit of information we could squeeze in, and it is only possible because of the deep sense of community and willingness to give back exhibited by these supporters. If you are reading this in print, you are holding a solid quarter pound of USDA prime cut locally-sourced 4-H news. Think about that.

Four ounces of ink and paper. 64 pages of memories of hot days, smiles, lessons and fun. Thank you all for letting us once again be The Little Newspaper That Could ... and does!

Faith Hittle named Hamilton County's 2022 4-H Fair Queen

Bv CRAIG ADKINS

On Friday, July 8, 21 contestants took to the County 4-H Fairgrounds in Noblesville for the 62nd hopes of being crowned.

The final name announced would be the new Hamilton County 4-H Fair Queen, Faith Hittle.

"As soon as he said contestant number 15, my jaw expecting that," said a humbled, newly named fair queen, Faith Hittle.

court or anything," continued Hittle, who was pleasantly surprised in winning the title of queen.

Being a part of the group annual Queen Pageant in of 21 privileged participants is something that these young women will take and use for the rest of their lives. This will prepare them for numerous situations.

"By numerous standropped because I wasn't dards, I will gain the experience of talking with older people in my internship," Hittle said, "because I've "Last year, I was in the been able to talk to more pageant, but I wasn't on people and gain experience of communication. I didn't have that before."

Hittle continued, "This is going to prepare me by This wasn't Hittle's first responsibility, keeping up taste of being part of the with my duties that I will Queen Pageant. This year, have. I don't like talking things took a turn in a about myself too much.

Queen Faith's Court

Prior to the announce-"This year, I've grown a ment of the queen and her court, Miss Congeniality is awarded. This year, Miss Congeniality has been awarded to Laura Wertz.

One noticeable thing scored on their profession-Asking Wertz what the just before awards were announced was that all contestants joined hands in unity, showing they were there for each other no matter the outcome.

> "I love all of the girls so much," Wertz said. "They are all just really kind and funny. I have had such an amazing time getting to know each and every one of them. It's just been a really cool experience and I encourage everyone that can, to participate in it."

The contestants were judged in three areas. Earlier in the day, they were Runner-up Anna Clark.

al attire for their interview with the judges. Then, in front of a crowd of nearly 300, they were judged on their formal wear in evening gowns. This portion was based on their modeling, stage presence and poise they showed while being asked a question by pageant host Adam Good.

Also joining the 2022 Hamilton County 4-H Queen Court are 4th Runner-up Alexandra Matthews, 3rd Runner-up Brooke Miller, 2nd Runner-up Grace Allee and 1st

No elephants were harmed at this fair

Photos provided by Jon Brown

Hamilton County Superior Court 2 Judge Jonathan M. Brown and daughter Jane were rather enthusiastic about the elephant ears at the 4-H Fair. Jane seemed both very pleased to have one that was bigger than her head, then, later, stunned that she ate so much. It couldn't be helped, kiddo. Could have happened to anyone. Elephant ears are just too tasty!

Jim Buck's 4-H Fair bike giveaway makes young Westfield winner's day

Photo provided by Citizens for Buck Indiana State Senator Jim Buck (R-Kokomo) donated a bicycle at the 4-H Fair, which was later given away in a free raffle. Senator Buck drew the winning name himself and presented the bike in person to Jackson Adams of Westfield.

Meating the Need together

Friends of The Reporter help Hamilton County Harvest Food Bank

The REPORTER

The Reporter decided to bring back the tradition of comprehensive printing 4-H results in a special publication that would be filled with an abundance and their projects.

Then, when Hamilton County Harvest Food Bank (HCHFB) Director Anita Hagen asked for help raising fund for the annual "Meating The Need" program, things got really interesting.

ta. I asked the other owners about donating a percentage of our advertising revenue to Meating the Need, and of course they all jumped at the chance," Reporter Publisher Stu Clampitt said. "When we spoke to community leaders and business owners about it, the response was overwhelming."

On Saturday, July 16, The Reporter presented a check to HCHFB to help feed families in need in Hamilton County. It was the largest single donation check the program has ever received.

"This is one of the biggest community-wide projects Hamilton County Harvest Food Bank leads each year and we are so proud of the 4-H families, donors, volunteers, and community spirit that make it all possible," Hagen told The Reporter. "Thank you again so very much for your extra effort in helping us with our Meating the Need donations this year! This and how projects such as additional \$3,000 will be this can feed our neighbors."

just phenomenal in helping This spring, owners of to provide protein to the 24 pantries who will receive the meat this year."

> Reporter Owner Ray Adler said the newspaper is just doing what it should.

"This is exactly what of color photos of 4-H kids newspapers are supposed to do," Adler said. "Don't thank us. Thank everyone who said yes when we asked them to pitch in."

A total of 24,270 people in Hamilton County are food insecure, and 6.340 of them are children.

According to Hagen, the "After I spoke with Ani- 24 pantries, all located in Hamilton County, who will receive fresh local hamburger and sausage from this year's Meating the Need project are located in every area of the county, from Carmel to Atlanta, Fishers to Sheridan and all points in between. Each will receive approximately 200 pounds of local meat.

> "Meating the Need serves as the prime example of what communities can accomplish when people work together to do good things," Reporter Owner and Circulation Director Isaac Taylor said. "It's yet another reason why Hamilton County is special, and The Reporter is proud to be a part of it all."

> "In 2022, over 33 donors have helped to fund this project," Hagen said. "This does not include the donors who have contributed through The Hamilton County Reporter. During the 4-H Fair I am reminded how farmers help feed the world,

years of Meating the Need, 22,611 pounds of meat, or the equivalent of over 90,444 protein requirements for a meal, have been distributed to food pantries in Hamilton County. Last year was a new record of 4,825 pounds of meat. With this year's distribution they will surpass 100,000 portions of protein.

"One of the goals of our stewardship of the Reporter was to always give back to our community," Reporter Owner and Hoosier Weather Daddy Paul

In the six previous Poteet said. "We are helping directly with our contribution, and of course we help by writing the story of those 'meating' needs in Hamilton County."

> Hagen told The Reporter over 30 different cisely because of the sense 4-H members have participated in the Meating the Need program over the years, many of whom do so every year. Donations to this program will go towards the appraised market purchase price of the 4-H animals and to the 4-H members as they pursue their 4-H, education, and life goals.

leged to be able to support important programs like Meating the Need," Taylor said. "We make good on our commitments to the people of this county preof responsibility we share with countless other conscientious businesses and organizations."

Llamapalooza goes costume crazy!

Reporter photo by Richie Hall

The July showers couldn't dampen the beautiful flowers from Amelia Wiggins and her Ilama, Maria Rita (above left). It was colorful, creative, and it won the Grand Champion for Wiggins in the Llama Costume contest, which took place on July 15. Pictured above right are Chloe Zerr with her Ilama Storm King; they won Reserve Grand Champion with their "Dancing Queen" inspired costume.

Explaining some common 4-H terms

4-H Record of **Achievement**

It is very important that members have a current record. as this is how 4-H'ers are selected for trips, awards, and scholarships.

Record Book Completion

A 4-H member is considered complete in their project work if they have "completed" their project book record sheet(s).

It is the responsibility of the 4-H leaders to review the project books and contact the Extension Office prior to the 4-H project judging if a member is incomplete. The project record books should be neat and completed. The degree of completion will vary with the age of the member. There may be areas that the 4-H member cannot complete: an explanation should be given for this blank space (you may have to discuss this with your leader). Discuss the activities you have completed on your project(s) with your adult leader. Please remember, a project with an incomplete project record sheet cannot be considered for a champion.

volunteers are consistent in reporting incompletes. When you are in doubt, please do not hesitate to contact the Extension Office. There is an electronic version on the website at extension.purdue.edu/hamilton.

4-H Project

A project has been described as a "piece of the world's work which I have chosen to do during this 4-H year. When completed, it will represent ME - my thinking, my skill of hands, my work ideals ... my very best."

4-H uses the project as a tool to accomplish its major task . . . the development of boys and girls. It allows young people to "learn by doing." Its learning experiences expose young people to the knowledge, understanding, skills, and expected behavior of the particular area of interest chosen. The project provides for individualized learning.

The actual project work is done by the member, usually at home – familiar spaces become the laboratory or workshop of informal education. A member may com-

a project area.

Subject Areas

Each project covers a definite subject area. The project may be divided into as many as 10 different divisions where the member completes one project division each year enrolled. The project advances from simple skills to more advanced skills and information in later divisions. The member builds on prior learning at a pace appropriate to the individual 4-H'er, usually based on the member's grade in school.

Project Manuals

A 4-H project manual contains help, information and direction needed to complete the project. Some projects have a manual for each division of the project. Others have one manual that the member uses throughout his 4-H career.

Project Records

Most projects have a record sheet which the 4-H'er uses to record the project expenses, income, work completed, and progress made in developing the project. Most re-

It is important that all 4-H plete several items related to cords are simple, while oth-pectations, but is less than ers require the help of parents or the club leader. Keeping up-to-date records is important to tell your project story.

Project Ribbons

What do the ribbon colors mean?

The Danish system uses color to signify different award levels. The 4-H Youth Development program awards ribbons in these colors:

- Purple (Superior): A purple is awarded to those entries that far exceed the average standard or meet the standards established for that particular class. This award indicates a near perfect exhibit.
- Blue (Excellent): A blue is awarded to those entries that exceed the average standard. This award indicates a certain degree of excellence that exceeds the average expectation and may be given to multiple participants.
- Red (Good): A red is awarded to those entries that meet the average standard or are slightly below the average standard established for that respective class. The general level of accomplishment meets ex-

excellent. **Shortcomings** are found in certain aspects to cause this ranking.

- White (Fair): A white is awarded to those entries that do not meet average standard. The level of accomplishment is less than expected. A ranking of white is deserved due to the severe shortcomings from the good standard.
- Green (Participation): A green is awarded when required components or pieces are missing from the exhibit.

Project Exhibit

Exhibits are required for most projects. This represents the member's year of work, and is usually displayed and judged (evaluated) at the County 4-H Fair. Parents should provide the "parent helper" role of offering encouragement and advice, but the exhibit should represent the member's skills and knowledge learned in the project. Remember, this exhibit is a small representation of what the 4-H member has learned through the 4-H process.

4-H Exhibit Judging

The exhibit judging is an evaluation held during the 4-H Fair. The evaluation serves as a learning experience for the youth. The exhibit is only one measure of success and achievement. Members experience self-recognition, self-satisfaction, and the feeling of success and accomplishment as they complete and exhibit a project at the Hamilton County 4-H Fair. As you prepare for the 4-H project judging, discuss the goals and procedures for the event with 4-H members in your club.

Workshops

We all learn more quickly by listening, seeing and doing. Workshops are held at the county level with resource leaders each year as needed. You are encouraged to take advantage of this learning opportunity. Leaders and parents are always welcome to attend. Workshop dates and locations will be announced in the newsletter. Several areas also have workshops at local schools; contact your area leader for the dates. A workshop can also be held at the local club.

4-H: A different kind of youth organization

What is 4-H?

4-H is a leader in youth development, which began on the local level in response to evolving needs for new kinds of educational experiences for youth. From the beginning, this youth-serving organization offered "hands-on" learning activities for young people so they might become productive citizens. Youth participants in 4-H activities have opportunities to offer positive contributions to our diverse and changing society.

Cooperative Extension System network to offer youth programs and activities to diverse groups of young people in all 3,150 counties across our country.

What is the 4-H **Youth Development Education program?**

The 4-H Youth Development Education program co-educational provides "hands-on" learning experiences in subject areas of interest to youth. Young people who participate in 4-H programs develop citizenship awareness and leadership skills as they learn about new subject areas. they learn! Non-formal educational activities help

their skills and talents.

While they are learning about photography, the environment, job skills, or public speaking, young people practice a variety of skills in 4-H that will last a lifetime.

How did 4-H evolve?

4-H began as a simultaneous response to needs throughout the country, rather than as the idea of one individual. The basis for this activity was to offer agricultural education to rural 4-H uses the far-reaching youth by organizing boys and girls clubs and through "learning by doing."

Is there a 4-H program in my community?

There are Cooperative Extension 4-H staff in nearly all 3,150 counties across the United States. The county 4-H staff help people in local communities by providing information about projects and programs. They can tell you about fun and interesting "hands-on" learning opportunities available for youth in your community.

History of 4-H

4-H in Indiana was started in Hamilton County. Kids in 4-H have fun while In 1904, John Haines, Superintendent of Hamilton County Schools, held a

young people fully develop meeting for boys interested in learning to grow corn. Mr. Haines visited the project sites, held two instructional meetings, and had his members exhibit their projects at the end of the year. Mr. Haines was credited with planning the first junior club in Indiana. In 1912, girls project clubs were added, and in 1918, the club program became a part of the Agricultural Extension Program.

The mission of 4-H

The mission of today's 4-H is to help youth and volunteers in their development through experiential educational programs, using the knowledge and educational base of Purdue University and the United States Department of Agriculture. It is accomplished through direct involvement of youth, adults, and the community. 4-H educational programs are designed to empower young people to become independent and participating members of their family and community by creating experiences to build self-confidence, developing inquiring minds, encouraging interpersonal cooperation, developing concern for the community, and teaching decision-making real life participation.

Cats can seem a little judgmental, but in this case, they were the ones being judged! While The Reporter's photographer neglected to get the names of these youngsters (maybe he was distracted by laser pointers or nip), there was no way we were going to exclude them from this publication. After all, two of The Reporter's owners live with cats. Our publisher even said, "You get those cats pics on these pages right MEOW!" Cat show results are included in the comprehensive alphabetical-by-last-name list on pages 6 through 40.

People behind the scenes who made this fair great

Way to give back!

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about, But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
