# Volunteers pack the pantries

By **STU CLAMPITT**  
news@readthereport.com

The Hamilton County Reporter recently stopped by to see how the Feeding Team fills all those yellow pantries.

One of the things we learned is that of the 40 pantries in Hamilton County, 23 are filled directly by Feeding Team volunteers. The remaining 17 are self-sustaining, which means they are filled by volunteers coordinated by the locations where they are installed.

"When launched, the statistics were that there were 27,000 food insecure residents of Hamilton County," Charity Rosandich told The Reporter. "The updated count is 44,000. Those numbers come to us from Hamilton County Harvest Food Bank, and 'food-insecure'

# The parable of the broken toe

Ouch! Ouch! ... and then a foreign language came from my lips. The GPS of my little toe had directed it straight into the wooden foot of our chaise lounge chair. The pain made an immediate diagnosis of a broken toe.

Now, some two weeks later, I'm still limping. The healing is taking time. If you think a writer does not endure pain to hone her craft, may I tell you ... she does. That pain can turn into a story she writes – maybe not from her heart, but from her toe.

Funny thing is that this story came to me as I got up to go to the bathroom at five o'clock on a Thursday morning. My little toe quickly reminded me that it had only been two weeks since it was broken. There was no timetable for its healing. I had to be patient whether I wanted to or not.

My broken toe had affected other parts of my body. My hip told me I was walking with a different gait. My knee told me it did not like the direction I wanted it to go.

I guess this is the parable of the broken toe.

You see, I broke it while we were in Tampa, the day before we planned to go to the beach. Nothing was going to keep me away from making my way to spend time listening to the waves from the gulf as they came onto the beach to greet me.

My aching toe was just a distraction – yes, a painful one. The pain might slow me down and keep me from walking up and down the beach, but knowing what the beach does for my soul made it worth the pain to get there, even if it was just to sit and ponder. The waters of the gulf may not heal my toe, but it would help heal other places that hurt. The pain would not steal the joy my soul would find at the beach.

Other parts of my body hurt because my broken toe affected them. That toe might be little, but I realized just how many things it affected.

**The Hamilton County Sheriff's Department invites everyone to come to the second Chaplaincy Prayer Breakfast. Last year was a smashing success.**

The fundraiser also helps pay for transportation to help people being released from the Hamilton County Jail to get back home.

"A lot of them are not from Hamilton County," Fidler said. "A lot of them are from out of state or different parts of Indiana. We've sent them down to Hollywood, Fla., Baltimore, Md., and all the way out to Phoenix, Ariz. We don't want them to be forced to stay in Hamilton County. We want them to go home and start life over so they can have that fresh start. We don't want anybody stranded."

Fidler has been working with HCSO Chaplaincy since 2010. He started as a part-time volunteer chaplain. Later he started working full-time for the organization. He became the senior chaplain in April 2014 after the passing of senior chaplain Tom Burton.

"He was my mentor for three years in running this organization," Fidler said.

Fidler said he enjoys

working with Sheriff Quakenbush and finds him to be more involved in wanting the chaplaincy to branch out into the community.

"He is very big on community," Fidler said. "We serve not only the inmates and the Sheriff, his staff, and law enforcement, but we serve the citizens of Hamilton County."

One example of the Chaplaincy's community service is death notifications.

"We have follow-up for that," Fidler said. "We have grief and trauma books we give people. We meet with them if they want us to. We always let it be their decision. Quakenbush is very big on outreach. He encourages us to get out in the community, let the community know we are here for you and how we can help. Resources is one of the things that we have a lot of. We can find help for people in many different areas, whether it's drug recovery, alcohol recovery, abuse and recovery from victimization from crimes committed against them."

Fidler said in his time with HCSO Chaplaincy he has seen a decrease in recidivism, which he partially credits to several of the programs run by both the chaplaincy and the jail.

"That's a positive all the way around," Fidler said.

As the population of Hamilton County has increased in recent decades and the demographics have changed, Fidler said he has

**Fidler**

seen more people in need in the area.

"There are a lot more homeless," Fidler said. "There are a lot more people crying out for help, where before they were kind of hidden in the shadows. Someone who doesn't think we have a drug issue or a homeless issue here in Hamilton County has their head buried in the sand. We need to be there to help them. Again, just people who are in need."

The second annual HCSO Chaplaincy Breakfast fundraiser will be held Wednesday, April 26 at The Mill Top Banquet and Conference Center, 802 Mulberry St., Noblesville. Registration will begin at 7 a.m. with the breakfast starting at 7:30.

"We have been blessed with Rocky Shanehsaz, who runs the Mill Top," Fidler said. "He has made available enough space where we can sit up to 400 people."

If you want to attend, individual tickets are \$35 and can be bought by going to [square.link/u/Biy6k9dW](https://square.link/u/Biy6k9dW). Tables of up to 10 people cost \$300 and can be reserved by going to [square.link/u/BLGiQJtq](https://square.link/u/BLGiQJtq).

A person wishing to donate and not attend the event can send a check, cash, or money order to ATTN: HCSO Chaplaincy, 18100 Cumberland Road, Noblesville, IN 46060. Make the check or money order out to The Hamilton County Sheriff's Chaplaincy and note "Fundraiser Donation" on the memo line.

**PARABLE**

Now, back to the parable.

I realize that even when I am healing from emotional hurts, the hurting affects more than just my heart. The hurt affects my sight, how I see my present circumstances, and how I see my future. The questions. The what-ifs. How will I react to triggers that take me back to the hurt? Will I take the chance to be hurt again? How long will it take to forgive, knowing I can never forget being hurt?

And when the hurt seems to be healing, will I be able to see the love and faith I acquired along the way? Will I see how much stronger I've become? There

really is something to this faith journey.

The darkness in the time I found myself hurting makes the light of the healing even sweeter. I look back and see that while the hurt changed me ... it did not define me. Read that again. My hurts do not define me ... they refine me.

My broken toe gave me a new perspective on pain. For that, I can be thankful. I'm just hoping I can find stories and parables to write that aren't so painful.

## Sheriff's Department releases top crash sites

**The REPORTER**

In 2022, with the increased growth in Hamilton County, there was increased traffic on the roadways which inevitably can lead to an increased number of motor vehicle crashes.

Some of the top reasons for the crashes in 2022 were distracted driving, speeding, following too closely, failure

to yield, and speed too fast for weather conditions.

There are ways to curb crash numbers by following just a few simple strategies. Remember don't text and drive, don't drive intoxicated (there are many safe ride options available), don't tailgate other vehicles, be mindful of your vehicle speed, and always wear your seat belt.

## Westfield Lions & SOS Club join forces to create miracles

### The REPORTER

The Westfield High School's Service Over Self (SOS) Club and the Westfield Lions Club are teaming up to raise funds for the "Miracle League of Westfield" — a local non-profit organization that provides children and adults with disabilities the experience of playing "adaptive baseball."

A pancake breakfast will be held on Saturday, March 18 in the Westfield High School (WHS) cafeteria and will run from 8 to 10:30 a.m. It includes all-you-can-eat pancakes, sausage, donuts, drinks, free face painting, and a 50/50 raffle. The cost for the breakfast is \$8 for adults, \$5 for children under 12, and free for children aged 2 and under.

The Miracle League of Westfield is run by a 100-percent volunteer committee and has developed an accessible stadium at Westfield's Roundripper Academy. The group's mission is to provide opportunities for all children and young adults to play baseball regardless of their ability or disability. The Miracle League of Westfield needs financial support to make the dream of playing baseball come true for these kids and adults, so the SOS Club and Westfield Lions are stepping up to raise funds and create awareness for

this extremely worthwhile program.

The SOS Club is a service club at WHS that gives young people the opportunity to serve their community while learning valuable skills. The club's objective is to "provide hands-on service projects to build character and develop leadership skills with an educational twist."

The Westfield Lions Club, the oldest service club in Hamilton County, is a proud sponsor and supporter of the SOS Club. The Lions will lend their leadership, experience, Lion-power, and financial support to help the SOS Club make this fundraiser a major winner.

The SOS Club and Westfield Lions Club also need your help in making this pancake breakfast a success. They encourage everyone to take a little time out of their Saturday morning to enjoy some good food, have fun, and support a great cause.

Organizations and individuals that are interested in being a "Placemat Sponsor" for the event can email the Westfield Lions Club at [info@westfieldlions.org](mailto:info@westfieldlions.org) or call (317) 804-1875. For \$50 you can get your name or logo on the pancake breakfast placemat.

## Hamilton County Community Band celebrates five years with spring concert

### Submitted by Brian Wuerch

This spring marks the five-year anniversary of the Hamilton County Community Band (HCCB). To celebrate, the band will perform a concert on Sunday, March 19 as a thank you to the community and to recognize those band members who have served with the band all five years.

HCCB, with 80-plus volunteer members, was formed on Feb. 25, 2018, with a meeting between current Director Brian Swart, Noblesville Schools Band Director Eric Thornbury, and director of the Fishers Community Chorus Marc Feeny. These three men saw a need for a true community concert band in Hamilton County.

"Our mission is to have a 'FUN' atmosphere that is inviting to all musicians," Swart said.

HCCB performs multiple concerts in and around the Hamilton County area. Rehearsals are held weekly

on Sunday evenings at Noblesville High School.

To further commemorate the fifth anniversary, the band commissioned a piece by prolific composer Sean Sumwalt. The piece, titled "The Road Home," is based on the folk style choral work of Stephen Paulus. Sumwalt's original iteration was written for the Spirit of Muncie Band and Guard and was performed during the 2022 Band Day at the Indiana State Fair.

Speaking to his process in creating this arrangement, Sumwalt said, "I'm a very visual person, so I had to create an emotional roadmap throughout the arrangement."

As the song unfolds, the listener can sense the 10 emotional landmarks beginning with innocence and, in the final bars, a sense of oneness.

Many HCCB band members are currently or have been band and music teachers and will take the podium as guest conduc-

tors throughout the evening. Guest conductors include many familiar names in the Indiana music education scene: Mark Sands, Mel Carpenter, Melissa Johnson, Toni Bays, Sabin Martinez, Joe Poio, and Eric Thornbury. Sumwalt will also be present to conduct the commissioned piece, "The Road Home."

## Carmel awarded \$2M in Community Crossing grants

### The REPORTER

The City of Carmel has received two Community Crossing grants from the Indiana Department of Transportation that will dramatically improve two major thoroughfares in Carmel.

This spring, the city plans to begin working to improve 3rd Avenue SW in a variety of ways, thanks to a 2021 for \$1 million. A 2022 grant, also for \$1 million, will help the city pay for improvements to College Avenue in the Home Place area, from 96th Street north to 106th Street.

Carmel was one of 229 Indiana cities, towns, and counties that received grants. The State of Indiana awarded \$119.4 million in matching funds to cities, towns, and counties across the state in December for local road projects through Community Crossings, a component of the Governor's Next Level Roads program.

This spring, the city will begin working on the reconstruction of 3rd Avenue SW from City Center Drive north to Elm Street. The project will include reconstruction of the road, new storm water drains, updates to the water and wastewater system, new on-street parking, and the addition of multi-use paths on both sides of the roadway. Similar changes will come to College Avenue in the Home Place area in the future.

In addition, the City of Carmel will begin working on a new roundabout at Veteran's Way and City Center Drive (at the entrance Carmel City Center), which will be primarily paid for with COVID relief funds. That roundabout will be constructed between the dates of the Carmel Marathon and CarmelFest and will be the catalyst for the redevelopment schedule for the Monon Square redevelopment.

## Sheridan Lions get update on school improvements, town's July 4<sup>th</sup> plans

By CHUCK GODBY

For The Reporter

The Sheridan Lions enjoyed visits at their recent meeting from Sheridan Schools Superintendent Dave Mundy and Sheridan Historical Society President Ron Stone.

Mundy updated the Lions on improvements currently being made to the school's athletic facilities, including construction of a new fieldhouse, locker rooms, weight room and offices, among other projects.

Stone was on hand to pitch the idea of the town's annual Fourth of July Parade highlighting the Hamilton County Bicentennial, which the club approved in a vote. The Sheridan Lions Club sponsors the popular yearly event.

The Sheridan Lions also enjoyed a recent visit from Riverview Health family physician Trent Schmale, who also serves as the sports medicine specialist for Sheridan Schools.

The Sheridan Lions also recognized the contribution made by Sheridan Youth Assistance when packages were handed out to needy residents at Christmas. The local organization was mistakenly omitted from recognition.

## Don't take away Indiana National Guard members' right to court martial

Last week, House Bill 1076 was passed in Senate committee despite bipartisan opposition.

My own state senator, Republican Jim Buck, opposed the bill, and I believe, for good reason.

One portion of the bill would remove the right of an Indiana National Guard member to request a court martial for what is called "non-judicial punishment." Non-judicial punishment is typically used for minor offenses that do not have a criminal penalty. In such cases, the service

GUEST COLUMNIST

MATT MCNALLY

member's commander does out the punishment, rather than a court. At any point during the process (prior to the sentencing), the service member is allowed to request a court martial instead. A court martial ensures a fair trial and requires evidence "beyond a reasonable doubt," whereas non-judicial punishment has less stringent requirements to find the service member guilty.

However, the state of Indiana wants to take that right away. Those in favor of the bill claim that there

are too many service members requesting court martial and abusing the system. The data, however, tells another story: In the last five years there has been a total of one (yes, only one) Indiana National guard member who has requested a court martial. This hardly seems worthy of upending 247 years of military tradition.

Veteran groups like the American Legion are opposed to the bill. While the VFW as an organization supports the bill, many of the VFW's individual members are opposed to it. Neither the National Guard nor the VFW surveyed their members, despite the Senate committee's urging

last month.

The requesting of a court martial is as American as the U.S. military itself. Passing this bill would take away the rights of those who defend ours. We should do all we can to protect our servicemen and women, not leave them more vulnerable. Call or write your State Senator TODAY, as this week will determine whether or not this bill is signed into law.

## Project cost overruns leave county with no good options when sunk costs are too high

Welcome to *The Timesheet*. This column is a report of work done on behalf of the people of Hamilton County. It will be an informative place to learn about projects and how county government works.

As a body, the Hamilton County Council deals with large volumes of information. We are responsible for approving budgets, financial plans, and personnel financial decisions among several other areas. The information we review is often confidential. Protecting the confidential information is part of the job and a responsibility that I take seriously. This column will not share confidential or sensitive information.

As your employee, it's important that you know what is being worked on and it's just as important to be transparent in government. You hired me as your Hamilton County Councilman, and my hope is that you'll choose to be informed by regularly reading this column, getting involved, and by asking questions. Council meetings are at 7 p.m. on the first Wednesday of every month at the Judicial Center in downtown Noblesville. They are also available to watch online for those un-

able to attend in person. Here is where my time this past month has been spent.

Month two is in the books. Personnel Committee meetings consisted of new hire approvals, compensation ad-

justments, new positions, and lots of detailed discussions on benefits and county Human Resources procedures. Highway Committee meetings included detailed reviews of pending projects and approvals of funding for several.

I've learned that the public meetings are a product of hours of work behind the scenes. To serve well, one must be informed well. Keeping up with the reading, email, helping taxpayers with issues or questions, meeting with department heads, committee meetings and conversations with other council members all require time.

This month, in addition to the County Council public meeting, I attended Cicero and Noblesville town council meetings. I also attended the Indiana County Council Association meeting in New Castle. The ICCA serves as an educational and legislative service to county councils across Indiana. This session focused on council best

practices and a comprehensive legislative update on 44 bills moving through the statehouse that have potential impact on county government's ability to provide services to citizens.

Unfortunately, the construction climate is such that two bids this past month both exceeded budgeted estimates.

Frankly, it's ugly. Government has strict procurement guidelines so one of the projects must be rebid because the bids were too far beyond the project's estimated budget. The second project could be awarded but it still came in millions of dollars over estimated costs.

This left the county in a trick bag. The sunk costs exceeded the cost overruns by a three-to-one margin, leaving the county very little choice. We can incur the bigger cost, unwind the project, and still have the traffic problem, or suck it up and find a way to cover the new higher project costs.

These are very tough choices, in part because they can put pressure on the budget and harm our ability to pay for future needed projects. Let me be clear here, what's happened to these two projects is not an unforced error, rather it's a product of vendors having plenty of work and increasing their bids to manage their risk of future cost of labor increases between the time they bid the work and the time to start project execution.

This month's work also included an evening shift ride-along with a sheriff's deputy and learning more about the challenges faced by our police first responders.

Additionally, I had the

privilege to spend time with the team at the Heart and Soul Clinic in Westfield, learning about their free healthcare services and touring their facility.

I spent several hours meeting with the county attorney and representatives from one of the consulting firms the county presently uses to finance debt. Topics included debt financing, our strong AAA bond rating, the county tax rate, and how to keep it flat, as well as how it compares to the various school tax rates around the county.

Lastly of note this month, I spent time with the executives from Bastian Solutions, congratulating them on their decision to remain in Hamilton County, keeping over 600 jobs here at home.

This is my timesheet. This is where my time went during month two. There are several projects in the queue for 2023, and while my job is primarily the financial oversight of the county budget, it is important to understand the Board of Commissioners priorities and balance them with the stewardship of taxpayer dollars. That is the job, and I am excited to do the people's business.

As a taxpayer myself – and listening to so many of you, my employers – it's important for the taxpayers to have access to all the information you want. I work for you, and although you may not choose to do a deep dive into what your County Council does, it's important that you always can do so.

Feel free to contact me at (317) 832-1104 or [mark.hall@hamiltoncounty.in.gov](mailto:mark.hall@hamiltoncounty.in.gov) with questions, feedback or if you would like to talk about county business.

**TRIM, Ireland** – “I didn’t tell my wife that there was a five-course meal involved or she would’ve wanted to come along,” said this Irish guy, Aidan, as we indulged in bloody racks of lamb, a complimentary pre-show feast before the real main course: Van Morrison. “But she would’ve wanted to go home before Van played.”

cere – who doesn’t love “Brown Eyed Girl”? – but there’s so much more to Van than those sunny shalala sing-along parts.

Van has released tons of new material since “Brown Eyed Girl.” Inducted into the Rock and Roll Hall of Fame in 1993, his music is a melting pot of genres: soul, R&B, folk, jazz, country, big band, classical, blues, gospel and even skiffle (he even has a new skiffle collection coming out this month).

Aidan was on his fourth or fifth Sunday night Guinness. His beer-breathed brogue inched closer to incoherence. The last I saw of him, he was crawling on the floor looking for his billfold.

This occurred 10 years ago when I tagged on a couple of personal days to a European business trip.

As long as too much beer wasn’t involved, the English spoken by the Irish was fairly easy to follow during my long weekend in Ireland, with one exception: while on a 5 a.m. taxi ride to the airport. The sleepy-eyed, elderly driver was prone to slipping into his ancestral Gaelic in midsentence, at first alarming me that he was at the onset of a stroke while we sped down the dark, deserted country road toward Dublin – driving on the left side of the road, mind you (the wrong side in my mind) – flying past the spectral glow of sheep in fields. Not understanding one word he said, and to avoid being viewed as an ugly American, I simply replied, “Wow, sheep!”

Even slurring, Aidan discussed Van’s music in a scholarly way. It was like sitting next to an Irish me. In the States, mention Van and a person responds, “Oh, I love Brown Eyed Girl,” and then the conversation typically stalls. I know they are sin-

Here it is a decade later, and I’m still pinching myself for the good luck of having gotten a ticket to the concert, a 300-seat venue in Van’s homeland at the lovely Knightsbrook Hotel & Golf Resort. The resort is on the outskirts of a little village called Trim, near Dublin.

Also there that weekend was the Irish Deaf Golf Union, a group of deaf golf enthusiasts. Their Saturday evening awards ceremony was conducted entirely in sign language, and I was fascinated by their enthusiastic flashes of fingers and hands in the silent room. When the first golfer went to the podium to accept an award, I was startled by the sound of his peers clapping. I had not expected their claps to make noise.

When the black-clad Van took the stage Sunday night, I clapped along with the other 299 lucky ones there (many being international travelers like me), speechless, for there I was 100 feet from the greatest song man alive in an intimate nightclub setting.

Those who know Van only for his early music will likely not recognize his voice now. His lyrics

launch from the belly, not the throat, sounding deeper, richer, a soulful snarl here, a roar there, his voice having aged gracefully like fine bourbon.

His first vocal at Trim, once his lips parted from the reed during his introductory sax solo, was during “Close Enough For Jazz.” He then sang “Only a Dream,” and the night became dreamlike, scores of little white lights on the black backdrop shining like stars. This was followed by “Magic Time,” and it was just that, a magic time, the backing horns, and finger-snap rhythm of the seven-piece band lifting and lofting my spirit like a magic carpet ride through the Irish night.

He jazzed up “Brown Eyed Girl” and “Moon-dance.” A rollicking harmonica-juiced “Baby Please Don’t Go” made our heads bob. He played “Gloria,” “Jackie Wilson Said,” “Here Comes the Night.” From the piano, he sang “Have I Told You Lately,”

one of his loveliest compositions that was unfortunately radio-ruined by Rod Stewart. Of the 17 Trim songs, one was “Days Like This,” arguably my favorite: “When it’s not always raining, there’ll be days like this; when there’s no one complaining, there’ll be days like this; when everything falls into place like the flick of a switch; well, my mama told me, there’ll be days like this.”

I chatted with an awestruck American couple afterward. “We stopped questioning our good luck over getting tickets, let go of the mystery of it all,” one of the Ohioans said, “and happily agreed that it just was meant to be.”

Like Van sings, sometimes there are days when “everything falls into place like the flick of a switch.” What more can I say about my Ireland trip, my best long weekend ever, other than “Sha la la la la la la la la la te da.”

God to give me strength, I felt this overwhelming sense of peace, even though I was in a low place.

That was the moment I realized the true power of prayer.

My mom has a saying: “Life’s hard and then you die.” Over the course of my life, I have found that to be the truest thing anyone has ever said to me. I have endured many struggles, especially as of late. It seems like the hardships never end; there is no light at the end of the tunnel. I struggle with self-esteem and seeing my own self-worth; yet, that is not all there is in this life.

Jesus said, “Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven. For where two or three are gathered together in my name, I am there in the midst of them.”

I wrote the first four stanzas of this poem when I was doubting my value, but I added the final one when I truly realized, for the first time in my life, that no matter what happens, I am created in the image of God, and that gives me all the value I will ever need.

## Kids traveling? Say your prayers!

I used to think that I wouldn’t have as many worries when my kids got to college. I figured I’d be a happy empty nester and they’d be thriving, responsible, independent young adults ready to conquer the world. Then I remembered the things I did while I was in college.

Uh oh. Thankfully, I have one weapon that quiets the worries – prayer. If I didn’t have my faith, I’d either be in terrible health right now ... or dead. Worry and stress used to give me all sorts of physical, mental, and emotional ailments.

Both Jonathon and Jacob have worked throughout college. They like taking trips with friends using their own money. I’m proud of them for wanting to not lean on their parents, to explore, and to see what’s beyond Indiana. I think it’s terrific that they want to hop on a plane or hit the road and enjoy themselves while they’re young.

But my mother’s heart beats a little faster and my stomach clenches on the day I know they’re traveling. The nagging little questions creep into my mind ... What if their car breaks down? What if the airplane has some sort of mechanical failure?

And then, of course, the worry creeps up while they’re at their destination. What if some pickpocket steals their wallet? Or what if they get lost somewhere? Fortunately, my faith

kicks in quickly. One of my favorite Bible verses is “Trust in the Lord with all your heart and lean not on your own understanding.” I have a little pewter heart on my desk with this saying on it and it’s brought me great comfort and direction over the years.

I’ve gradually strengthened my “trust muscle” as well, and in this area it’s quite strong. When those nagging thoughts creep into my mind, I take a moment and pray for my sons’ safety. I ask their guardian angels to stay close to Jonathon and Jacob.

The fear and worry still creep up even after these prayers, but I quickly banish them with follow up prayers. These are a little shorter and typically go like this:

“Okay, Lord ... I know I just prayed about this last night (or this morning ... or two hours ago) ... but I just want to say one more time, please keep them safe on this trip.”

Every single prayer calms me and brings me comfort. I refuse to freak out, although it’s always wonderful to get that “We made it!” text.

My youngest son Jacob just went to Pigeon Forge, Tenn., for part of his spring break. I said my usual prayers. I was excited to see his pictures and updates. And when I got the text saying they were back in Indiana, I added my final, favorite, most frequent prayer ... “Thank you, God.”

## Joseph R. Schreiner

September 27, 1958 – February 28, 2023

Joseph R. Schreiner, 64, Noblesville, passed away February 28, 2023, after a long battle with cancer. He was born in Houston, Texas, to Joseph Balson and Kathleen (Craig) Schreiner on Sept. 27, 1958.

Joseph's life-long passion was music. His knowledge and ambition in that realm led to many years on the road playing for crowds across the United States. His life on stage led him to meeting the love of his life, LeAnn, marriage, and eventually to having their son, Jacob.

His focus turning to family, Joseph strived endlessly to be the best husband and father possible. The type to never miss his son's baseball games, or support his loved ones, his priorities were never in question. His second career led him into insurance where he owned and operated Hunter Insurance of Sheridan for nearly 20 years. An early retirement led to him enjoying the peacefulness of rural Indiana for the last several years.

He is survived by his wife and son, as well as brother Mike Schreiner; sisters Jeanette Vanausdall and Donna Pauley; and mother-in-law Sandra Shook. He was preceded in death by his mother and father; stepfather Donald Schreiner; and father-in-law Robert Shook.

The Schreiner Family has entrusted Randall & Roberts Funeral Home with Joseph's care.

## Juanita (Nita) Ann Sweeney

d. March 6, 2023

Juanita (Nita) Ann Sweeney passed away peacefully on March 6, 2023, with her beloved husband, Jim, by her side. She quietly and bravely battled breast cancer, lung cancer, and a liver disease for the last three years. She was a fighter and never gave up hope; her mind remained razor sharp but eventually, her body just got tired.

After a recent irreparable heart attack, she decided to stop taking all medications and spend her last days saying goodbye to family and friends, joking, and enjoying an unrestricted diet with some favorites: chicken McNuggets, wine, and orange push-ups.

She lived life to its fullest and spent her last days the same way. She annotated her Bible with, "I must just let God and nature do what they want. I'm not afraid of dying; it just might be another adventure."

She loved to travel and spend time with family and friends. She described herself as a "fun-sun loving senior who refused to grow old and refused to grow up." She truly loved being on an ocean beach (with an umbrella drink in her hand); vacationing and renting cabins with family; cherished her role as "Oma"; loved attending Beef and Boards Dinner Theatre performances; and was always up for a mystery bus tour.

Nita was a wise, ambitious, and loving person. She started as a hairdresser in the 1960s and from there, climbed the corporate ladder all the way to Vice President of Pedcor Management. Along the way, mentored and influenced many young women whose careers flourished under her tutelage. She was a proud "mama" boss and remained close friends with many of her "work sisters."

In her last days, she shared many great stories about her life. She was ALWAYS ready for fun and hijinks. She told us about the time she and a childhood friend decided to dress up in their wedding gowns (because "why should you only wear it once?") for a night out on the town. After a heavy snowfall, she allowed her daughters to go to school late, because it was more important to drive through Shoaff Park that morning because it was so beautiful. She instigated a spirited game of indoor frisbee at a Dauphine Island beach rental. She loved playing the made-up family game of "monster."

True to her energetic self, she was making lists of things for people to do, managing and organizing the house, and making her own final arrangements up to the end.

She is survived by her husband, James Sweeney; daughters, Terri Kett and Sherri Rainbolt; step-daughters, Dawn Beadles and Tami Lee; grandchildren, Dakota Rainbolt, Molly Kett, Sean Kett, Hunter Beadles, Mya Lee, Maddax Lee, and Alexander Rainbolt; brother, Dennis Emrich and 'sister,' Sharis Sweeney.

Nita did not want a funeral or memorial service and selflessly donated her body to science under the care of the University of Michigan medical school. We will forever be "Go Blue" fans now.

Donations can be made to the Sheridan First United Methodist Church with proceeds going to the "Meals on Monday" program that she enjoyed volunteering for. Checks may be sent to Sheridan First United Methodist Church, 207 E. 2nd St., Sheridan IN, 46069.

Enjoy the next adventure; we miss you and love you forever!

Everyone is invited to sign the online guestbook, share a memory, or leave a condolence at [fisherfunerals.com](http://fisherfunerals.com). Fisher Family Funeral Services is honored to serve the Sweeney Family.

## Stefanie Nichole Palich (Sullivan)

June 10, 1982 – March 4, 2023

Stefanie Nichole Palich (Sullivan), 40, of Noblesville was called home by her Lord and Savior on March 4, 2023.

Stefanie, born to Carol and Stonnie Sullivan, took her first breath on June 10, 1982, in Indianapolis. She was a force to be reckoned with from the get-go. She was an accomplished varsity swimmer at Lawrence Central High School, where she graduated in 2000. As a collegiate at Purdue University,

Stefanie balanced full-time employment, classroom work, and an officer position within her sorority, Alpha Phi. She studied Biochemistry at Purdue until 2004 when she married and began her family.

Stefanie, for nearly all her working life, pursued jobs that allowed her love for serving others to shine through. She worked in the hospitality industry, where her customers always became friends and regulars. Her longest tenure was at Starbucks, where she ultimately managed some of the most profitable and busy stores in the Midwest. She had an incredible work ethic and was considered an asset by all who worked alongside her. She also served faithfully at Grace Church in Noblesville, volunteering in the children's ministries and addiction treatment ministries, which included a prison ministry.

Her greatest joy and most rewarding job was raising her five beautiful daughters, Audrey (15), Caroline (14), Hallie (12), Abigail (9), and Sofia (7). Stefanie ultimately left the workforce to dedicate her time and talents to homeschooling the girls and seeing to their every need. One of her greatest 'mom moments' was organizing and executing a cross country trip with her girls and mother to learn about the United States' monuments, parks, and sights.

Raising five children left very little free time, but Stefanie could be found training and competing in endurance competitions, including half Iron Man triathlons and marathons. She also summited Mount Kilimanjaro and got to go on a safari. As with everything in life, she lived life to the fullest and pushed herself beyond the limits of an average person. She was incredible!

Stefanie is survived by her mother, Carol Sullivan; and father, Stonnie Sullivan, and his wife, Kathy; her five girls; and her many friends that considered her a sister and loved one. She is mourned greatly by all who knew her.

A celebration of life will be held at Grace Church, Noblesville, at a time to be determined. A private graveside service will be held for immediate family. Arrangements will be handled by Indiana Funeral Care.

## Marianne Collar named Husky Hero

**The REPORTER**

Marianne Collar, a third-grade teacher at Hamilton Heights Elementary School (HHES), has been named as a Husky Hero for January. Collar has also been instrumental in making important contributions in STEM learning, as a volleyball coach, and in directing musical performances. She is the type of educator who motivates her students to dream BIG and learn BIG!

HHES Principal Julie Griffey said Mrs. Collar runs her classroom in a flexible manner to allow for different learning styles to be successful.

"She is hands-on with her learning and has a knack for hooking students in by knowing about relevant topics and characters that spark student interest," Griffey said. "She also models for her students the idea behind growth mindset, encouraging them to take risks, and finding solutions in their everyday learning. Her passion is evident, and our students love Mrs. Collar."

"Mrs. Collar is an absolute gem among gems on our elementary school faculty," said parent Brooklyn Copeland Seall. "Our first experience with Mrs. Collar was during a parent-teacher conference last year. She did this amazing thing where she had our daughter join the conference and participate, highlighting our daughter's accountability for her own education and praising her capacity to do great things. It's a message our family has taken to heart, and our daughter counts Mrs. Collar among her role models to this day."

Seall continued, "Her dedication to bringing these 'extras' to elementary school children, exposing them to worlds beyond the standard curriculum and helping to instill their own early passion, is a reward reaped by so many local families over the course of a school year."

Collar's enthusiasm for students, their education, and their hobbies and interests is contagious, and her students are better for it.

"I have never seen so many kids' faces light up when they see or even talk about Mrs. Collar," Ashley Santasiero said. "She goes above and beyond for every student, even those who she doesn't personally teach. Whether it be directing plays, coaching volleyball, her extracurricular STEM programs, or even passing her in the hall, kids are drawn to her kindness and leadership. Her kindness, compassion, and

adventurous personality are such an asset to this school. Not only is she my kid's hero she is mine as well!"

Collar said she learns just as much from her students, and she emphasizes that learning is a journey.

"I am honored to receive this recognition, but MOST importantly, I am honored to have built relationships, shared the love for learning, and empowered students to find their niche and passion in life," Collar said after receiving the award. "This truly fills my heart. I am grateful for the trust these parent and families have in me as they continue to share their students with me on this journey of learning. Every day I learn something new from these kids. For that, I am grateful."

Collar continued, "I value the opportunity to give something of myself that someone else could use. I am meant to do great things and so are these kids. Empowering them to do something bigger than they ever thought possible has been a gift to me beyond words. This student confidence carries into so many bigger things that builds into becoming amazing human beings that contribute into building and our community, small and wide. This award will continue to impact me by allowing me to honor those teachers, friends, and mentors that inspire me. I plan on giving the \$250 back to those who are MY Husky Heroes."

# Spectacle in St. Pete

Sunday, March 5 was the first "triple header" of the 2023 racing season with all three major forms of racing occurring on the same day.

COLUMNIST

ZECH YODER  
Checkers to Wreckers

More importantly, the scheduling of the triple header was impeccable with the Formula 1 Bahrain Grand Prix beginning at 10 a.m., followed by the Indy Car Grand Prix of St. Petersburg beginning at 12:30 p.m., and concluding with the NASCAR Pennzoil 400 at Las Vegas Motor Speedway beginning at 3:30 p.m. It was one of those few days in which the motorsports enthusiast did not have to worry about switching back and forth between races.

By far, the race of the day was the Indy Car race, held for the twentieth time on the sunny streets of St. Petersburg, Fla. The Grand Prix of St. Petersburg, year after year, has produced tremendous action and exciting finishes, this year being no exception.

The move of the day – though not in a good way – came courtesy of New Zealand driver Scott McLaughlin and Frenchman Roman Grosjean. After winning the pole and dominating the first portion of the race, Grosjean found himself relegated to second position behind 2022 winner, Scott McLaughlin after the initial round of pit-stops. During the second tire and fuel run, Grosjean stayed close to the leader, reducing the gap to less than one second when the pit window opened for the final time.

It appeared that the race would come down to who, among Grosjean and McLaughlin, could get on and off pit road the fastest.

Grosjean blinked first, giving up second position to come down pit road with 30 laps to go. One lap later, McLaughlin slowed and surrendered his position on the track while Grosjean raced through the St. Petersburg streets with a fresh set of tires and hopes of overtaking McLaughlin during the pitstop.

In spectacular fashion, McLaughlin emerged from the pits just ahead of Grosjean and the two almost collided as McLaughlin catapulted back onto the racing line. Unfortunately for McLaughlin, his tires were much colder than Grosjean's, who had one lap to heat his tires, giving him more speed and grip through the circuit.

With a head of steam, Grosjean juiced to the outside of McLaughlin on the run down to turn 4, preparing to out-brake McLaughlin and complete the overtake. It was nearly a forgone conclusion that if Grosjean could complete the pass, he would extend his lead and win the race as passing, especially among the leaders, was exceedingly difficult. Grosjean and McLaughlin entered turn 4 side-by-side, however, and McLaughlin's cold tires could not handle the corner speed and he slid – ever so slightly – into Grosjean's right side tires, sending both cars into the tire barrier and ruining both drivers' aspirations of victory.

Such a finish was particularly difficult for Grosjean, who had never won in Indy Car and had put himself in a perfect position for victory. In his post-crash interview, Grosjean was speechless and outwardly disturbed with McLaughlin's move. McLaughlin was quick to admit his fault and repeatedly stated that he "doesn't race like that."

Far from being over, young Mexican driver, Pato O' Ward, inherited the lead and it looked as if he would take 2023's maiden

# Guerin Catholic going to semi-state

## Golden Eagles deal Danville decisive defeat

By RICHARD TORRES  
For The Reporter

LEBANON – The Guerin Catholic Golden Eagles had tradition at the forefront of their minds during the Class 3A Regional 13 final inside Lebanon's Rosenstihl Gymnasium.

By the final horn last Saturday afternoon, they added to it.

A postseason trend that started in 2010 with the program's first sectional title, the modern-day Golden Eagles cruised past Danville, 66-52, to capture their second regional title in three years.

In the past 13 seasons, the Golden Eagles (18-8) have netted

a 3A state title in both 2012 and 2015, six sectional titles (2010, '12, '14, '15, '21, '23), five regional championships (2012, '14, '15, '21, '23) and now have a shot at a potential third semi-state (2012, '15) by moving into the state tournament's elite eight.

Guerin Catholic will play at the Seymour semi-state this coming Saturday. The Golden Eagles take on Beech Grove in the second semifinal, which will tip off around noon. Scottsburg plays North Daviess in the first semifinal, which begins at 10 a.m. The championship is set for 8 p.m.

# Millers fall in tight regional matchup

By RICHIE HALL  
sports@readthereporter.com

LOGANSPOUR – The Noblesville boys basketball team's great season came to an end last Saturday at the Class 4A Logansport regional.

The Millers fell in the Regional 3 championship to Fort Wayne Wayne 62-60. It was a close game all the way through, with the Generals leading the majority of the contest. But Noblesville never let Wayne get too far ahead, and held a one-point lead with under a minute to go before the Generals surged ahead for the win.

The Millers leaped out to a 6-0 lead during the first couple minutes of the game. Junior Aaron Fine hit two layins, with sophomore Aiden Brewer making a basket in between. The Generals answered with their own 7-0 run, and that began a series of lead changes that lasted through the end of the period. Fine got the last word, with his basket giving Noblesville a 14-13 lead going into the second quarter.

Wayne opened that period with an 8-0 run, going up 21-14 by the 6:04 mark. Seven points would be the biggest lead of the game, and sophomore Preston Comer hit a 3-pointer to put the Generals up by that margin the first of four times.

The Millers made timely baskets to not let the game get out of hand, and a Cooper Bean triple cut Wayne's lead to 30-27 with seconds left in the half. But Comer threw in a 3 during the final seconds of the half, and the Generals were up 33-27 at the break.

"They hit a very high percentage of shots in the first half," said Noblesville coach Scott McClelland. "Comer hit three 3s."

Noblesville juniors Aaron Fine (left) and Hunter Walston both reached double-digit scoring for the Millers during their regional game with Fort Wayne Wayne at Logansport last Saturday. Fine scored 14 points and Walston added 13 points.

Reporter photo by Kent Graham

A 3-pointer by Jevon Lewis Jr. put Wayne up by seven for a fourth time, 44-37 around the three-minute mark of the third quarter. Noblesville then got going with an 8-0 run to take a 45-44 lead. Bean and Luke Almodovar both nailed 3s, then Fine's jumper put the Millers in front. Almodovar finished the quarter with 11 points, including three 3s.

Comer stopped the run with a triple, then Monte Smith's jumper got the Generals back up 49-47. Noblesville's TJ Davidson scored off a steal to finish the quarter, and the Millers were within 49-47 heading into the fourth.

# Relive Golden Eagles' sectional victory over Bishop Chatard

By **RICHIE HALL**

[sports@readthereporter.com](mailto:sports@readthereporter.com)

**INDIANAPOLIS** – The Guerin Catholic boys basketball team began last week as sectional champions.

The Golden Eagles finished up play at Class 3A Sectional 27 at Shortridge last Monday with a convincing win over Bishop Chatard 53-41. With the victory, Guerin Catholic claimed its second sectional title in three years and its sixth overall in program history.

It was a nice conclusion to a sectional that was pushed back due to a Friday night leak towards the end of the Golden Eagles' semi-final win over Brebeuf Jesuit. Guerin Catholic had to come back the next night to finish the game, then took care of business on Monday.

"We handled it as best as we possibly could," said GC senior Kamea Chandler. "We got in the gym early Saturday morning. Everyone did their part. We practiced certain things that we had to do. We accomplished that. Having a day off yesterday, that was a little weird."

But Chandler said the team got itself mentally prepared, and everything went smoothly.

"Everyone was locked in and ready to go," said Chandler. "We knew we were going to win the game from the tip."

The Trojans gave Guerin Catholic some resistance during the start of the game, taking a 4-0 lead. The Golden Eagles were denied their first basket until the 4:02 mark of the first quarter, when Robert Sorensen hit a 3-pointer.

That triple was the beginning of a 10-0 run for Guerin. Dylan Murans made two free throws, followed by a floater from Sorensen and a long 3 by Lucas Parker. The Golden Eagles now had a 10-4 lead, and never trailed again.

"Chatard had our number earlier on in the season," said GC coach Bobby Allen. "They outplayed us in the second half. And that was written all over our board that we were not going to get out-toughed tonight."

close for most of the game, but someone from Guerin Catholic was always able to step up when necessary. Chandler took over at the end of the second quarter, with seven points to turn a 14-13 lead into a 21-15 advantage at the halftime buzzer, including a 3 towards the end of the half.

"Our defense was great," said Sorensen. "Holding them to 15 points in the first half is what we like. That's where we win championships, defense, and we did that tonight."

Chandler opened the second half with a fadeaway, and GC led 23-15. Chatard came back with an 8-0 run to tie the game; Robert Davidson poured in six straight points, then freshman Ethan Roseman scored off a steal.

Parker threw in his second 3 of the game to end

the run, but the Trojans tied it up again at 26-26. After a quick timeout, Sorensen got his turn: He scored six points during those last minutes of the period, and Guerin Catholic led 32-28 going into the fourth.

"Everyone did their job," said Chandler. "Everyone stepped up at different moments."

The Golden Eagles began the closing quarter with eight straight points, four each from Ty Sanders and Sorensen. That put Guerin ahead by double digits for the first time, at 40-28. Chatard made one last run, getting five straight free throws (three from Lewis and two from Davidson) to stay within 42-37 with 1:48 left.

"It was one of those games that even though we were up eight to 10 at the end, it still didn't feel like it was comfortable yet,"

said Allen. "But finally, we grabbed it. We did what we had to do in the end. I'm just so proud of our guys, man, because we went up and down all year, played a tough schedule and it worked out the right way."

Sanders stopped that possible run with a layin, after which Davidson hit two more free throws. But the Golden Eagles would let Chatard get no closer. An 8-0 run clinched the game and gave Guerin Catholic a sectional trophy, plus a ticket to the regional.

Sorensen scored 19 points to lead GC's scoring, with Chandler and Parker both adding 11 points. Chandler also dished out seven assists, with Jack Cherry handing out five. Sanders led the rebounding with eight, while Sorensen collected seven and Bryson Cardinal pulled five.

## GUERIN

"Coach Pete Smith put this program on the map, and then two years ago when we made that run to semi-state, some of these guys were a part of it, and they got a taste of it," Guerin Catholic head coach Bobby Allen said. "They're just an incredible group. I'm so happy for them."

The Golden Eagles have been progressing steadily to get back to the semi-state since losing to Silver Creek, 54-46, in 2021, and against Danville (18-8), they made a statement at every angle.

Powered by its strong guard play, Guerin Catholic turned an early nine-point deficit into a 7-0 run and a 16-15 lead heading into the second quarter.

By halftime, the Golden Eagles fended off the Warriors, 30-27, but in the second half, they soared rapidly with a 9-2 run to open the third quarter and never lost hold.

"Today, (Kamea) Chandler did an incredible job of handling the ball and so did Jack Cherry and Robert Sorensen," Allen said. "I'm so happy with our guards."

"There's no doubt that the schedule we played, and obviously the teams in our sectional, played a role in getting us prepared, and we did it tonight with a man down. Dylan Murans was sick. He wasn't able to go, but Ty Sanders, Lucas Park-

er stepped up big time off the bench for us."

Chandler had a game-high 21 points on 8 of 10 shooting from the floor, including a 4-for-4 performance at the free-throw line. Sorensen finished with 20 points, converting 3 of 5 shots from 3-point range, and posted a team-best six rebounds.

Cherry dished out a team-high five assists with nine points, while 6-foot-7 sophomore Bryson Cardinal proved perfect, going 4-for-4 from the field with nine points and five rebounds.

"Bryce has a great basketball IQ. He was at the right place at the right time, and he had some big time finishes for us all game long," Allen said. "Again, I'm so proud of these guys. I love watching them and their parents celebrate. It's just great for our school."

Greatness was a result of efficiency, which the Golden Eagles utilized to score 21 points in the third quarter to build a 51-36 lead.

A key fadeaway 3-pointer by Sorensen highlighted a 10-2 run to end the quarter, and a Chandler runner at the buzzer in the lane capped the onslaught.

"We just stuck with it and kept doing what we're doing. When shots started to fall, then we broke away," Sorensen said. "It

feels great. It feels amazing. There are two games in front of us, so it's one game at a time, and we just need to keep doing what we do."

Shooting at a high percentage provided the consistency needed. Guerin Catholic converted at 54 percent overall and went 5 of 14 from beyond the arc. They capitalized with 12 second-chance points fueled by seven offensive rebounds.

Sorensen and Chandler played tag offensively with the former scoring 10 points in the third quarter and the latter adding 12 points in the fourth.

The Golden Eagles defense held the Warriors to nine points in the third quarter, and before their largest lead grew to 22 points at 65-43 in the fourth.

"That's what we always say. We're the best backcourt in Hamilton County. We beat Noblesville, and they won their sectional. I don't know any backcourt better. I love it," Chandler said. "We pride ourselves on our defense, and we weren't getting stops. We were slacking on defense, but once we got it going, we took off."

The Warriors shot 36 percent in the second half compared to 47 percent in the first, and they were led by Lukas McMahon's 10 points, followed by nine points from Caden Collins

Next, JV Gold faced Leo. They had a strong team effort coming back from a halftime deficit of 5-2. In the second half, Gold outscored Leo 6-2. Gold tied the game up with 6:02 left in the second half with a goal by Penny Page. The Millers took the lead for good with 3:02 left when Brie Hassan scored her second goal of the game. The Millers would hold the lead for the remainder of the game to win 8-7. Also contributing to the scoring for Gold were Lily Kane with two goals and one goal each from Teagan Riley, Selby Jackson and Riley Hodges.

Last up for JV Gold was South Gibson. The Gold team found its offensive rhythm in this game with five different players scoring. Leading the way with two goals in the game were Brie Hassan, Page and Rachel Hacker. Lily Kane and Neve Sloffer each contributed one goal each. The defensive was solid with Kate Scott, Hallie Rucker, and Kane with two ground balls and Sammy Cumston causing two forced turnovers.

JV Black started its season on the Play day with a win over South Gibson 15-7. The Black team had a well-balanced offensive

attack, making nine assists on the 15 goals with Ashley Ralph and Renee Garrett contributing two assists each. Six different players scored for the Millers: Clara Peters had four; Lindsay Vu and Ashley Ralph had three goals; Cristina Andrews and Kane had two goals; and Page had one goal. While Wayne led for all but a few seconds of the fourth period, Noblesville never let the Generals get up by more than four points. Wayne led 55-51 with 4:59 left before Hunter Walston turned a steal into a three-point play with 4:05 on the clock.

Walston later put in two free throws to again cut the Generals' lead to one, 57-56. HJ Dillard made two foul shots, and the Generals led 59-56. Almodovar cut that lead to one with a dunk. A couple minutes later, Fine made a layin to push the Millers ahead 60-59.

But it was not to last, as Lewis Jr. made two free throws with 20.9 seconds left to put Wayne back in front. The Generals got the ball back, and another Lewis Jr. free throw completed the scoring.

Almodovar, Nobles-

ville's senior star who is headed to the University of Saint Francis in the fall, led the scoring with 20 points. Two juniors also reached double digits: Fine had 14 points and Walston added 13. Bean, the other senior on Noblesville's roster, scored six points, followed by Brewer with five and Davidson with two.

The Millers finished their season with a 19-7 record, the most wins since the 2009-10 campaign. Noblesville also broke its 13-year sectional drought, making it a great season for the Millers.

"I think the important thing here is, you're just really focusing on the season as a whole and how much this team grew, got better, improved," said McClelland. "I'm really proud of our kids, our coaches. 'It's raised the bar, so that's ultimately what you want.'"

## SPECTACLE

victory year. However, as he would experience twice on race day, it is better to be lucky than good. After exiting the final corner with two laps to go, O'Ward had a momentary engine malfunction that dropped him from the lead and allowed 2022 Indy 500 winner, Marcus Ericsson, to take the lead for good.

In addition to the great side-by-side action, the race saw several spectacular crashes, including a terrifying incident in which Andretti Autosport's Devlin DeFrancesco's was T-boned

and sent airborne in a vid-eogame-like crash.

Indy Car has been gaining in popularity for the past several years and it is races like this that propel the sport forward. As far as on-track action, Indy Car is by far the most exciting open-wheel form of racing. I would encourage Formula 1 fans to give Indy Car a chance as it on-track products, on many days, is superior to Formula 1.

Both games will be doubleheaders with the 2023 Indiana boys Junior All-Stars, who will be chosen later.

The players listed as Core Group players each will play in two games. The players listed in the Red and Blue groups each will play in one game, the Red Group on June 4 against the Kentucky Juniors and the Blue Group on June 7 against the Indiana Seniors.

The Indiana senior All-Stars will play the Kentucky senior All-Stars on June 9 at the Owensboro Sportscenter in Owensboro, Ky. The Indiana senior All-Stars will play Kentucky's seniors again on June 10 at Gainbridge Fieldhouse in Indianapolis.

The June 10 date also will include the inaugural IndyStar Indiana All-Star "Futures Games." The Futures Games will be a girls-boys doubleheader at Gainbridge Fieldhouse with Indiana-only squads of juniors, sophomores and freshmen in a North vs. South format. The girls' Futures Games rosters were announced on Feb. 16. The boys' Futures Games rosters will be announced later.

The 2023 Indiana girls' Junior All-Star team was selected through a process that allows all IBCA-member head coaches to nominate players through the IBCA all-state process. The IBCA 20-member Indiana Basketball Coaches Association all-state committee reviewed and voted on players for the 2023 IBCA/Franciscan Health girls All-State teams that were released on Tuesday (Feb. 28).

The 20 all-state committee members also provided input to a six-person IBCA subcommittee appointed by IBCA executive director Marty Johnson and chaired by Brandon Bradley of Kankakee Valley. Bradley, Broughton plus coaches Katie Collignon of Marquette Catholic, Kaley May of Danville, Gretchen Miles of Washington and all-state committee chairman Doug Springer of Northridge finalized the selections for the 2023 girls' Junior All-Stars.

The Indiana Junior All-Star program was founded in 1996 by former Indiana All-Star games director Patrick Aikman. In most years, 18 players have been chosen to the Junior All-Stars. In five years (2005, 2006, 2007, 2018 and 2019), 24 players were chosen to the Junior All-Stars. In 2021, just 12 players were chosen to the Junior All-Stars.

In games from 1996 through 2022 (with no games in 2020 because of COVID-19), the Indiana Senior girls lead the Indiana Junior girls 41-10 and the Indiana Senior boys lead the Indiana Junior boys 41-10. In five years of games against the Kentucky Juniors, the Indiana Junior girls lead 10-1 and the Indiana Junior boys lead 7-4. Games against the Kentucky Juniors previously have been played in 2012, 2013, 2014, 2018, 2019 and 2022.

# IBCA lists three county senior basketball players on first-team Academic All-State

**The REPORTER**

Three Hamilton County basketball players are among the 69 Indiana high school seniors -- 36 boys and 33 girls -- that have been chosen as first-team Academic All-State for 2023 by the Indiana Basketball Coaches Association, it was announced last Thursday.

University's Andre Ozlowski and Westfield's Alex Romack were both named to the Boys First Team, while University's Kelsey DuBois was named to the Girls First Team.

In addition, 234 more boys and 247 more girls were recognized as honorable

mention Academic All-State for 2023, IBCA executive director Marty Johnson said. In total, 550 players received some level of recognition in this year's IBCA Academic All-State program.

Hamilton County's Boys Honorable Mention players are Sam Bishop (Westfield), Maddox Bohland (Hamilton Heights), Anthony Ferrucci (Guerin Catholic), Jake Griffin (Carmel), Colin Kuhn (Hamilton Heights), Matthew Naas (Westfield), Logan Reinhart (Carmel), Ty Sanders (Guerin Catholic), James Stasey (Fishers), Reph Stevenson (Hamilton Southeastern), Co-

per Vondersaar (Hamilton Heights) and Aidan Zimmer (Fishers).

Hamilton County's Girls Honorable Mention players are Teegan Acres (Hamilton Southeastern), Charity Beal (Hamilton Southeastern), Olivia Brown (Hamilton Southeastern), Megan Cobb (Guerin Catholic), Emmrey Collinsworth (Westfield), Maren Dee (Westfield), Brooklyn Ely (Noblesville), Natalie Fernandez (Guerin Catholic), Hannah Lach (Carmel), Riley Makalusky (Hamilton Southeastern), Dani Mendez (Noblesville), Caitlyn Sharpe (Guerin Catholic), Kaitlyn Shoe-

maker (Noblesville), Chaney Smith (Sheridan) and Lauren Stewart (Hamilton Southeastern).

The IBCA Academic All-State program is one where academic prowess and athletic prowess both are considered in the selections. Items such as grade-point average, academic class rank and SAT or ACT scores are considered along with athletic performance in areas such as points per game, rebounds per game and assists per game.

"The quality of these student-athletes shows that success in academics and success in athletics are not

separate entities," Johnson said. "Rather, in many cases, a player's success in the classroom directly contributes to his or her success on the floor."

IBCA-member head coaches from schools across the state may nominate their senior student-athletes who meet criteria that include a 3.5 grade-point average or higher on a 4.0 scale, a class rank in the upper 25 percent of one's class and either an SAT score of 1100 (on the reading and math sections) or an ACT composite score of 24. Once nominations were received, an IBCA committee reviewed the in-

formation and determined awards for first team and honorable mention.

Those selected will receive certificates from the IBCA for their honor. Plans are for certificates to be distributed in PDF form to coaches via e-mail during April for the coach to print. The coach then may present the certificate to each honored player sometime before the conclusion of the 2022-23 academic year.

The IBCA has selected an Academic All-State team for boys since 1973. The program was expanded to include a girls' Academic All-State team in 1980.

# You can't stop Hamilton Heights

## Four wrestlers were individual state champions at two separate events

### The REPORTER

The IHSAA wrestling season finished three weeks ago, but the competition isn't stopping.

Local wrestlers competed in two big tournaments over the past couple weeks, with Hamilton Heights making a major impact in both of those events. The Huskies picked up two individual championships in both the Indiana Frosh-Soph State Championships, which took place Feb. 25 and 26 at Southport, then at the Indiana 1A/2A Individual State Championships, which were hosted by Southmont March 4 and 5.

### Three falls

Kendall Moe got the first win for Heights, thoroughly dominating the Girls 101-pound division. Moe won her first three matches by falls, all in the first period. Moe then took on Portage's Madysyn Mikels in the championship, where she breezed to a 9-0 major decision victory.

Michael Cain got the Huskies' other win, in the Boys 160-pound class. Cain had to win five matches for the championship. He toughed out two decisions in the last two rounds, beating Bishop Chatard's Charlie Rushenberg 5-2 in the semi-finals and Fishers' Xavier Smith 6-3 in the championship.

Another Heights wrestler finished as runner-up. Zoe Pugh, competing in the Girls 123-pound class, won two matches by pin to reach the semi-finals, where she beat Mishawaka's Kaylee Smith in a 3-1 decision. Angela's Nevaeh Wilson stopped Pugh's run with a 2-0 decision in the championship, but Pugh would bounce back next week.

### Top 20 teams

Three Hamilton County teams finished in the top 20 at the meet. Fishers placed ninth with 91.5 points, while the Huskies scored 82 points to tie for 13th. Hamilton Southeastern took 16th with 76 points. A total of 209 schools and clubs were represented at the meet.

Smith led the Tigers at 160 pounds, winning four matches to get to the final. He won two of those bouts by fall after opening with a technical fall. Smith reached the semis with a 10-8 decision win over Belmont's Xavier Palacios.

Christopher Quarles took second at 182 pounds. He easily pinned his first two opponents, in 37 and 34 seconds respectively, then picked up two decision wins to get to the final, where he fell to Heritage Hills' Jett Goldsberry in a second-period fall.

Chayce Yant finished seventh, clinching that place with a 12-3 major-decision win over Tate Barlow of Spartans Wrestling Club.

The Royals also had three place winners. Nick Anderson took fourth at 120 pounds, reaching the semi-finals with a 15-4 major decision win against Hobart's Daniel Mata in the quarterfinals. Fanta Sall placed fifth in

the Girls 195-pound class. Sall won the fifth-place match by beating Terre Haute North's Shelbie Hancock with a second-period pin.

Evan Lawhead was sixth in the Boys 182-pound division. Lawhead won four matches in his class, including two decision victories in the consolation round to clinch a spot in the top six.

Noblesville's Aden Widget finished eighth in the Boys 170-pound class. Widget got three decision wins in the consolation round to earn a place in the top eight.

### Rebound victory

When wrestling reconvened at Southmont, Pugh rebounded from her runner-up finish to claim the Girls 120/126 championship at the 1A/2A State meet. Pugh finished the day with an 8-4 decision win over Cowan's Emma Jones.

The Huskies' boys were well-represented, too. Carson Fettig was the winner in the Boys 152-pound division, claiming the title with a 5-3 decision against Beech Grove's Alex Hernandez. Cain was the 160-pound runner-up, edged out by Cowan's Levi Abbott 5-4 in the final.

In total, Heights had six boys place in the top eight. Jaylyn Pugh was fourth at 132 pounds, getting a fall over Oak Hill's Devon Adkins to clinch a top-four place. Jimmy Lacey took fifth at 170 pounds, winning the fifth-place bout with a 14-second pin. Alex Furst clinched seventh-place at 145 pounds with a 4-3 decision, and Logan Hickman was eighth at 152 pounds.

As a team, the Huskies scored 111.5 points to finish as runners-up. Bishop Chatard won the meet by scoring 128 points. "We've been at it," said Heights coach Gary Myers. "We haven't stopped."

The Huskies had a fine IHSAA season, but are already looking ahead to next year. Myers said Heights changed around its schedule for next year. That includes a dual meet with Center Grove and a Super 8 that features teams such as Westfield and Carmel.

"We've made it really tough on the kids next year just to get them used to these guys at semi-state," said Myers.

### Sheridan results

Sheridan also competed at the 1A/2A tournament and finished with four place-winners, two boys and two girls. The Blackhaws scored 49 points to take 27th; a total of 79 teams competed at the meet.

Jacob Jones took fourth in the Boys 182-pound division, winning a 9-2 decision over Calumet's Reichen Reeder to earn a place in the top four. Avery Hayden was fourth in the Girls 145/152 class.

Jace Warren finished sixth in the Boys 195 class; he made three pins in the consolation round to make his way to the top six. Adriana Hamersley placed eighth in the Girls 120/126 division.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
