Noblesville's Larry Addy looks back at what's changed & what hasn't

Dancing with fairies

Submitted

Larry Addy, who celebrated his 100th birthday on April 11, has lived in the same Noblesville home on Hannibal Street since 1949. He remembers working during his early childhood on the family farm and living through the Great Depression. He remembers the food lines and poverty around him, while his family always was able to put food on the table themselves.

"I thought we were rich back then," Addy recalls telling his father. "Dad quickly pulled me by the arm and said, 'don't ever say that son.' We have food, but we are poor."

Addy appreciated the opportunities he had growing up and is

amazed at how time has flown by and the significant changes as the world evolves. He said he always believed that with persistence and reliability, he would always find work. He really enjoyed all his jobs and did not officially retire until he was 75.

Addy loved his cars and rattled off 23 by name and year that he owned over the years. He has lived through Prohibition, the Great Depression, World War II, the Vietnam War, inflation, stock market crashes, and changes in technology and innovation of massive proportions. To him, what has not changed is that people by nature are good.

I have always been drawn to fairy gardens, but never had one until this year.

My daughter, Mary, is at the perfect age where her imagination is running wild and her questions about the world around her are endless. She has a thirst for curiosity that gives me such joy. She wants to know how old everyone is; if the Tooth Fairy has a first name; what is the name of the person using the stall next to her; why a flower is called what it is; a random stranger's favorite color, and so much more. She has been very interested in fairies lately, so I figured it would be a great time to plan a fairy garden together.

I have had an old fountain for years that was bought by my mom at an antique shop in Michigan and was displayed at my childhood home. On the top of it sits a dove that I have always loved. The fountain has long since not worked, but I have always taken delight in it and have kept it around. Not only do I have a fondness for it because of the childhood memories, but it was also special because the first house my husband

Fishers man wins Westfield Lions Club's Poker for Sight tournament

The REPORTER

The Westfield Lions Club's Spring 2023, Poker for Sight tournament took place this past weekend, April 14 and 15, at the Hamilton County Fairgrounds, 2003 Pleasant St., Noblesville.

The two Poker for Sight Texas Hold'em tournaments held each year are among the largest in the Midwest with nearly 300 players vying for the \$25,000 purse with \$10,000 going to the last man or woman standing.

A tradition with the Westfield Lions Club is the awarding of a big check to local charities at the start of each of the three qualification rounds and the championship round. This year the Indiana Blind Children's

Duke Energy provides STEM learning tools for third graders at Carmel Elementary

The REPORTER

Carmel Education Foundation (CEF) has connected the Duke Energy Foundation with Carmel Elementary School in support of STEM learning for third grade students.

Duke Energy Government and Community Relations Manager Mark LaBarr arrived at Carmel Elementary on March 28 with a box labeled: **!WARNING! CONTENTS ARE EXTREMELY AWESOME!**

The box did not disappoint as Carmel Elementary STEM teacher Ann Hepp and third-grade students dove into the box to discover air cannons, marshmallows, USB digital microscopes, magnets, film canisters,

light-emitting diodes, and so much more. All materials relate to activities focused on hands on learning lessons including air power, catapults, and paper circuit robots. There are 11 separate units included in the box, all of which include activity cards, materials, and planning guides to benefit 200 students.

LaBarr shared these resources as part of Duke Energy's commitment to science education in elementary classrooms. Recently, Carmel Elementary has integrated a STEM-focused teacher in every Carmel school. In the elementary schools, every class visits the STEM lab once

Spending a little time with him will give you great perspective.

“I lived a simple life,” Addy gloated.

He served his country in WWII, and then was a policeman in southern Indiana. He married the “love of his life,” Betty Addy, and the couple moved to Historic Hannibal Street in the Old Second Ward of Noblesville. His working career included several manufacturing positions in Noblesville and then almost two decades delivering beer for a local distributor.

Members of the Noblesville Fire Department’s Engine 71 listened on as Addy shared some of the perks of that beer delivery job back in the day. The firemen honored Larry’s 100th year by presenting him with a commemorative Fireman’s Helmet. Adding to the celebration were local musicians John Gilmore and Scott Nelson of Noblesville. The birthday boy joined in by playing his harmonica to several songs.

“I was amazed how well he could play at 100,” Nelson said. “John and I really felt a connection to Larry and we were honored to perform for him.”

Dave Johnson, candidate for Noblesville City Council District 5, stopped over on the porch to share well wishes with Addy. Despite Addy not being in District 5, Johnson was not dissuaded from meeting “Friends of the Old Second Ward” who appreciated some of the life lessons learned.

As usual the top 25 finishers of the Poker for Sight tournament are “in the money” with a share of the \$25,000 pay out.

“We want to thank all the players that support our tournament,” Lions Club Poker Chairman Mike Birk said. “It allows the Lions to give so much back to the community. It is what we love to do. Thanks also to all the Lions club members and friends that help make these events possible.”

Advocating for Victims of Crime & Abuse

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

FAIRIES

and I bought happened to be on a street named Dove Court, so it is extra special to me because of the fond memories we shared at that first home.

I have planted flowers in it over the years that natural moss has grown over the dirt, making it look like the perfect magical escape for these whimsical creatures.

I asked Mary what she thought about creating a space for the fairies in our yard and she was so excited. This prompted many questions from my four-year-old.

What kinds of things do fairies like? What are their favorite flowers? What do they eat? Do they have

friends that are not fairies? Do they like turtles? What do they do for fun? Where do they sleep? What kind of a house do they want? Do they like to dance?

I told her that I was not sure what their favorite colors were, but I said I've always heard that they love purple. Fairies love all woodland creatures, especially turtles. They are friends with just about any creature in the forest.

They love daylilies because of their many different colors. They eat greens from our gardens and in the forest, but berries and mushrooms are their favorite. At least that is what I have al-

ways heard.

I know they love little cottages, but I imagine they can make themselves at home just about anywhere in nature. They love rainbows and are able to communicate with unicorns.

I told her that fairies love to dance and they sleep on the leaves of the flowers, and sometimes even inside the flowers themselves if it is raining.

We started looking up all types of flowers and accents for our fairy garden and before my eyes this magical little space had taken shape. I was just as excited as she was to show her new things that I had found for our gar-

den. I love the stories that we continue to share over our fairy garden. I love when she asks me to walk outside with her to check on our fairies.

I am reminded of the importance of asking questions and using my imagination from Mary. If we all saw the world the way that she does, it would only be a beautiful place. The innocence of a fairy garden and the stories our imaginations conjured up since creating our magical space for the fairies are just what my own imagination and heart needed.

Nature is speaking to us. It encourages us to be curi-

ous and engage our imaginations. Do not forget to plant a little magic and let your imagination run wild with questions that foster your own curiosity. Most importantly, as you plan your gardens this season, don't forget to leave room for your fairies to dance.

Happy 4th birthday to my sweet girl. I cannot wait for your fairy party. My wish for you is that all magic things be yours and that you never stop believing in fairies.

Culture Commission Chair Kathryn Haigh and STAR Bank Private Banking Manager John Lee presented the awards. Ms. Catherine Snider also presented a special award, "Best Art Reflecting Poetry or the Written Word," in memory of her daughter Jordan D. Snider.

The top award for Best in Show went to Alex McKee (Fishers High School) for her artwork titled, "On Pointe." The evening's other big winner was Annie Bonnett, (Hamilton Southeastern) for her poem titled, "Grave Robbing Memory Lane." She won the Jordan D. Snider award for Best Art Reflecting Poetry or the Written Word. Bonnett gave a reading of her poem during the ceremony. A total of sixty-six students participated in the exhibit offering 110 pieces or collections of art.

The artwork will remain on exhibit through April 28 at the Hub Gallery at the Hamilton County Community Foundation, 11810 Technology Drive, Fishers, and can be seen from 9 a.m. to 5 p.m. Monday to Thursday. The gallery can be viewed on Fridays by making an appointment with FAC.

Haigh also served as the judge for the exhibit.

"I was incredibly impressed by the overall quality of the work and the range of media represented," Haigh said. "It was very hard to choose the winners. One of the most intriguing aspects of the show was the number of digital works and the quality of them."

STAR Bank has been the title sponsor of the Senior Showcase since 2021.

Award-winning students from both Fishers and Hamilton Southeastern high schools were joined by Awards Judge Kathryn Haigh, STAR Bank's John Lee, Jordon D. Snider Award Steward Catherine Snider, FAC Executive Director Les Reinhardt, and Propeller Marketing's Jocelyn Vare.

"STAR Bank is heavily involved in the communities we serve, and it's important to take care of the next generation and support them in their positive activities," Lee said. "Attending this event is fun because the music, the smiles on the faces of the students and their families is an enjoyable experience."

FAC benefits greatly from its partners in the Hamilton Southeastern school system.

"Visual Art Department chairs Angela Fritz of HSE and Jasmine Osborne of FHS are amazing partners to have – this show would not be possible without them and their dedicated fellow visual arts teachers at both high schools," FAC Executive Director Les Reinhardt said. "We are incredibly lucky to have these individuals educating and supporting our students and guiding the next generation of creatives in our community."

Bryan Mills inducted into Indiana Boys & Girls Clubs Hall of Fame for his decades of service

The REPORTER

Last Thursday at the Sheraton City Centre hotel in downtown Indianapolis, Community Health Network President and CEO Bryan Mills was presented with the highest award achievable from the Indiana Area Council of Boys & Girls Clubs. As one of the 2023 Hall of Fame inductees, he joined a prestigious group of individuals who have dedicated years of service to their local Boys & Girls Clubs.

“Bryan’s passion and commitment to the Boys & Girls Club Movement along with his exceptional and sustained leadership within our community are beyond worthy of this recognition,” Boys & Girls Club of Noblesville Executive Director Becky Terry said. “I am honored to be able to nominate Bryan for this award alongside my colleague, Maggie Lewis, CEO of the Boys & Girls Clubs of Indianapolis.”

Mills was a member of three Boys & Girls Clubs prior to joining the Boys Club of Noblesville (BGCN) in 1974. The Club was a place that he felt accepted and somewhere he knew he belonged. He held onto that feeling and joined the Board of Directors of BGCN in 1996. His leader-

ship had a major impact on the organization throughout his tenure on the board. He uses his personal story as a way to highlight the work that Clubs do locally and across the nation.

Today, Mills never shies away from asking others to join him in supporting GREAT FUTURES for Club Kids.

In 2002, he led a successful capital campaign raising over \$4 million to renovate the Conner Street Club and to construct the Community Center. He then diligently served as President of the Board in 2005 and 2006. Understanding the need for a new facility to effectively serve Noblesville youth and the community, he was a cabinet member for the Build & Grow Capital Campaign that raised \$6.7 million in 2016 and opened in 2018. He worked a long list of prospects, and through his passion and belief in the mission, he secured the naming rights gift to close out the campaign.

Retiring from the Board after 20 years of dedicated service, Mills continues to work a list of prospects for the annual campaign, sponsors, donors, and advocates for the Boys & Girls Club Movement whenever he has the opportunity. He is a sounding board for the cur-

rent leadership of the Club and is always willing to offer guidance.

Mills and his wife, Cathie, are also members of BGCN’s legacy giving program – the Heritage Club. He generously gives back to his community to ensure future generations of youth have a Boys & Girls Club as a second home.

About the Boys & Girls Club of Noblesville

The Boys & Girls Club of Noblesville provides high-quality, low-cost programs for youth members

with the help of donors and sponsors. Between the Club, the Community Center and Camp Crosser, BGCN provides opportunities for members to enjoy activities and experiences that help shape character and offer new perspectives. BGCN is dedicated to inspiring and enabling all young people to reach their full potential as productive, caring, responsible citizens by promoting leadership, character, health and physical development. Letter to the Editor

The community heroes you don’t always see

Dear Editor:

While most people take shelter when severe weather looms, lineworkers gear up and prepare to head out. They are among the first responders after storms and other catastrophic events, often making the scene safe for other public safety heroes.

While their responsibility is enormous, their commitment to the job – and their communities – looms even larger.

Customer needs and safety always come first at Duke Energy, but it’s our lineworkers who are in the trenches – through lightning, wind, ice, and even extreme heat and cold. They work diligently through high-stress situations and the aftermath, including sometimes widespread power outages. If you had a conversation with any of them today, they’d tell you that nothing satisfies them more in their work than helping get the lights back on for their customers.

National Lineworker Appreciation Day (NLAD) on April 18 recognizes utility lineworkers nationwide and their commitments to safety and ensuring electricity is flowing for those who depend on it. Please join me in thanking our state’s lineworkers for their commitment to powering Indiana communities and building an increasingly resilient energy grid that can withstand severe weather threats.

The REPORTER
The Indiana Senate passed [House Bill 1483](#) on Tuesday with broad bipartisan support to provide comprehensive anti-bullying policies including notification of parents, strengthened school-based anti-bullying policies, and enhanced safety for bullying victims.

Noblesville voter strongly endorses Rocky Shanehsaz for Common Council

Dear Editor:

I am writing to recommend my friend Rocky Shanehsaz for Noblesville City Council's District 5 seat.

My name is Kelly McVey and I am the founder of the Indiana Peony Festival. Prior to my current role, I owned a Noblesville-based pharmaceutical reverse distribution company called MedTurn, that later relocated to Westfield.

I met Rocky more than 25 years ago when he was introduced to me by a good friend. MedTurn was seeking a freelance computer programmer who could write the software program that would run our complete reverse distribution process. It was a very large and detailed project. If done well, I knew that it could take our business to the next level. We'd had some bad experiences with other programmers and were reluctant to trust anyone new, until Rocky came along. He not only proved himself capable of completing the task, but he also showed us that he cared just as much about our business and the project as we did.

Rocky kept the programming project on time and on budget, every step of the way. We never had to wonder if he would show up for a meeting or if another client might become a bigger priority. He even traveled with us to New Jersey to help us close a contract. If something came up that needed special attention, Rocky was always there. Needless to say, the software program was a huge success and Rocky's contributions helped us to land larger contracts, enabling us to ultimately sell our business to a company out of North Carolina.

Good programmers tend to be meticulous, organized and thorough in their work. They can easily look at a problem, or a need, and identify possible resolutions. Rocky is a brilliant problem solver.

My parents also began using Rocky's services for their computer needs with their company. They enjoyed working with him as much as we did. They

eventually sold Nickander Associates but years later, my mom would still call Rocky and ask him to help her with computer problems and answer questions. Rocky always returned her calls the same day or evening.

Through the years, Rocky has been a valuable member of our various organizations and has also become a wonderful family friend, still supporting us to this day. The Mill Top Banquet & Conference Center, his company, was the very first supporter of the Indiana Peony Trail, planting more than 100 peonies on the Mill Top property. Rocky also supports the Peony Festival through his sponsorship and by allowing us to use his parking lot during festival events.

In short, I strongly endorse Rocky's candidacy for Noblesville's City Council – District 5.

I wholeheartedly believe that he will do a tremendous job representing the Noblesville community!

Carmel voter wonders what is the real difference between Finkam & Rider

Dear Editor:

This is in response to [Randall Dick's letter](#).

I agree with you where are the checks and balances, but Ms. Finkam had the same issue you mention that Mr. Rider has. Ms. Finkam oversaw the "audit" of the 46 percent overrun for the Carmichael Hotel. That audit was internally completed behind "closed doors." An overrun that large should not have been performed in-

ternally. The report said the estimate was hastily completed and unreliable.

Is that how the Carmel City Council votes on large expenditures? No due diligence! No checks and balances!

You mention that Mr. Glynn just says he is an outsider. Did you listen to the debate? Have you looked at his website or anything he has put out? If you go back to the debate, he was the one who stated what he would do, and then Ms. Finkam has ad-

opted those in her texts and her "plan."

In addition, her plan is words that she has yet to show while on the Carmel Council, while Mr. Glynn has shown his words while on the Hamilton County Council.

Both Ms. Finkam and Mr. Rider have voted yes to over 90 percent of the TIF bonds/CRC/density development/debt that has come before them on the Carmel City Council, so I am not sure how she

has been the minority voice on the council. In one meeting in March, she voted for 19 of the 20 development proposals that were voted on – the only one she did not vote yes was the one in her district.

Do not listen to politicians tell you what the facts are! Do you own due diligence. Obviously, the Carmel City Council, including Ms. Finkam, has not.

Last Thursday, Hamilton County got a lot more ONE LOVE® – craveable chicken finger meals – with Raising Cane's opening its latest restaurant at 13020 Campus Pkwy., Noblesville, just minutes from Indiana University Health Saxony Hospital and behind Ruoff Music Center. Bicentennial riders get history lesson

Passengers of all ages enjoyed a history lesson on the Nickel Plate Express (NPX) last Saturday. The historical train boarded passengers at Hobbs Station at Forest Park in Noblesville for a ride to Atlanta where they exited to enjoy refreshments and walk about the town. During the ride, they learned about the history of the Nickel Plate line, development of the Northern Hamilton County towns, and the significance the train line played in the growth of Northern Hamilton County. The ride was funded through a grant from Hamilton County Bicentennial allowing NPX to offer discounted tickets for the day. (Photos by Daniel Grose)

Carmel Professional Firefighters make more endorsements in city’s races

Submitted

Earlier this month, the Carmel Professional Firefighters Union Local 4444 issued their support for Kevin “Woody” Rider as Mayor of Carmel.

“We are very excited at the prospect of Kevin ‘Woody’ Rider’s election as Mayor of Carmel,” said JC Mitchell, president of the Carmel Professional Firefighters Union. “Rider has been an unwavering supporter of public safety in Carmel as an At-Large City Councilor the last 16 years, and it only makes sense to support that commitment to ensure the public safety in our city continues to meet the high standard we have here in Carmel. Rider rose to the top in this process for my members. He presented a genuine vision for the future of public safety in Carmel that continues to improve on the excellent service we provide currently under Mayor Brainard which has seen Carmel consistently named one of the safest cities in the country.”

Local 4444 also is announcing a slate of candidates its members have endorsed for city council in the May 2 Primary Election. They include:

- Jeff Worrell – At Large
- Matthew J. Snyder – At Large
- Rich Taylor – At Large
- Adam Aasen – Southeast District
- Tony Green - South Central

State Sen. Baldwin endorses Scott Willis for Westfield Mayor

Dear Editor:

As Westfield looks to its future, I'm proud to endorse fellow Marine, entrepreneur, and Republican leader Scott Willis for Mayor.

The stakes are high in this election. Westfield's next Mayor will lead the city through a time of exponential growth and opportunity. Scott Willis has the background, experience, and vision to ensure Westfield thrives.

As an entrepreneur and small business owner, Scott understands what it takes to start and grow a company. As Mayor, he'll focus on bringing new jobs and investment to the city while keeping taxes low for businesses and residents. Scott will help diversify the local economy and ensure that Westfield is attracting the industries, companies, and jobs of the future.

Scott is also a fellow U.S. Marine Corps veteran who is committed to maintaining strong public safety. He'll support first responders and ensure the city's police and fire departments have the resources they need to keep the community and its residents safe.

Scott's vision for Westfield includes embracing economic growth, providing world-class services and building the kind of community that future generations will want to call home.

This election will impact the city for years to come. Scott Willis is the proven Republican leader that the city of Westfield needs as it begins its next chapter, and I hope you will join me in supporting him for Mayor.

Bomb threat email puts nearly 40 Indiana school districts on high alert

By **RICHARD ESSEX**
WISH-TV | wishtv.com

Close to 40 school districts **canceled classes last Friday** after receiving a threatening email.

According to one central Indiana sheriff, the email was written in Arabic.

I-Team 8 obtained a copy of the email, which read: "One of your schools has a bomb inside. It is well-built, solid and discreetly located. Considering that today is your last day, I think it is appropriate for you to pray to God. Allah is the greatest."

One school resource officer contacted Indiana State Police.

Sgt. John Perrine of the Indiana State Police told News 8, "We immediately put our intelligence folks to start analyzing these as quickly as possible, utilizing every possible resource to try and get answers."

Most of the schools that received the threatening email were in rural Indiana, or in the counties surrounding Indianapolis. Districts including Speedway, Noblesville and Lebanon posted notices online saying local police had searched the grounds and buildings, and didn't believe the threat was credible; however, out of an abundance of caution, the districts canceled classes for the day.

Ken Trump of National School Safety and Security Services told I-Team 8, "There are two types of threats: those threats that originate locally by students or former students, or somebody with a grievance against the school; and swatting threats that can involve bomb threats, shooting threats, that are often computer-generated originate from across state lines and frequently across international lines."

Trump says he believes Indiana is the latest in a series of swatting-type threats that started in August and involved multiple school districts across several states. He says the threats started at the beginning of the school year.

On Wednesday, schools in 19 Illinois counties received threats, none of which were found to be credible.

Trump said, "Once you close schools and send kids home, they are often on the street, at home less supervised when parents work, more unsafe than if they were in schools under heightened security for a threat that you pretty much had a good feel for early on that is not credible."

The security expert says is concerned the growing number of noncredible threats could make school officials and police complacent.

"Schools need to have three things: a threat assessment team, training and protocol in place, and be sure they assess and then react, not react and assess; heightened security procedures, so if the threat is not credible, they don't close, they continue on under heightened supervision; and a strong communications plan to get accurate information out and to quell rumors within the school community to reduce parent, student and staff anxiety."

American Structurepoint earns national award for ongoing hospital project in downtown Indianapolis

The REPORTER

American Structurepoint has earned a National Recognition Award from the American Council of Engineering Companies (ACEC) for exceptional engineering excellence for a project laying the groundwork for a new multi-billion-dollar hospital and healthcare campus in downtown Indianapolis.

The 2023 ACEC National Engineering Excellence Awards recognized American Structurepoint for its solution to relocate and upgrade multiple utility lines in an urban area.

To launch the 44-acre healthcare development into motion, eight utilities required relocation, including storm sewer, sanitary sewer, drinking water, chilled water, steam, natural gas, electric, and telecommunication lines. One of the project’s more complex components involved removing a 66-inch storm sewer 20 feet below a major downtown intersection and installing a new 72-inch storm sewer.

The project also received an Honor Award (first place) from ACEC Indiana.

American Structurepoint provided campus master planning, utility infrastructure engineering, civil engineering, structural engineering, land surveying, environmental services, roadway and traffic engineering, and stakeholder coordination for the project. Bowen Engineering served as a design-build partner and the project’s general contractor.

“Our firm is honored to have provided our engineering expertise for this project to pave the way for construction of a new healthcare district that will improve the quality of life and provide state-

“Like visiting an old friend”: On *Golden Pond* well worth the drive to Hendricks Co.

Ernest Thompson's *On Golden Pond* is probably most famous as the 1981 film version starring Henry Fonda, Katharine Hepburn, and Jane Fonda. But the much-loved story originally appeared as a Broadway play in 1979 and it is in this form that it has been produced and enjoyed hundreds of times at theatres large and small all over the world.

For me, seeing Hendricks Civic Theatre's production, thoughtfully directed by Doug Davis, was a bit like visiting an old friend again. The play is a familiar one, having seen and directed it in the past, but also – good friends Larry Adams and Susan Hill appear here as Norman and Ethel Thayer. Both give excellent performances.

Larry Adams is nowhere near Norman's 80 years of age, but he filled the time-gap with facial and physical mannerisms that calibrate his performance well. The role has some of the best laugh lines an actor could ask for and Adams takes the proper unforced low-ball approach in his top-level portrayal scoring big and often on humor.

Susan Hill fills the role of Ethel with graceful and measured traits. Her Ethel is real – full of joie de vivre,

exasperated patience, motherly wisdom, and a loving heart.

On Golden Pond is above all a love story and this twosome couples well to provide an expressive and emotional telling of how age and affection are still very strong partners.

The show's supporting cast also deserves high marks. Aaron Moon is a wonderful Charlie Martin, the Thayers' long-time mailman. Thompson's script gives Charlie a wonderful framework, and Moon has built a fully thought-out characterization, from the way Charlie laughs, to his lack of depth,

to the way he gossips, eats biscuits, and drinks coffee. Likewise, Valerie Nowosielski's rendering of the Thayers' daughter Chelsea is full and multilayered, as she handles a role that is stocked with a variety of deep emotions. Bart Jones and Eli Neal complete the cast as Bill Ray and his son Billy. Both actors are in very good form in the smaller roles.

Bottom line: The finished product resulting from Director Davis and his cast's good work is an excellent show (presented on Davis' outstanding set design) and is well-worth the drive to Danville's Longstreet Playhouse. Highly recommended!

Hendricks Civic Theatre's *On Golden Pond* continues Thursday, April 20 through Sunday, April 23. Ticket information is available at HendricksCivic.com.

TODAY’S BIBLE READING

Then I heard another voice from heaven say:
“‘Come out of her, my people,’ so that you will not share in her sins, so that you will not receive any of her plagues; for her sins are piled up to heaven, and God has remembered her crimes.
Give back to her as she has given; pay her back double for what she has done. Pour her a double portion from her own cup.
Give her as much torment and grief as the glory and luxury she gave herself. In her heart she boasts, ‘I sit enthroned as queen. I am not a widow; I will never mourn.’
Therefore in one day her plagues will overtake her: death, mourning and famine. She will be consumed by fire, for mighty is the Lord God who judges her.

David A. Barrickman

July 14, 1947 – April 16, 2023

David A. Barrickman, 75, passed away peacefully on April 16, 2023, at his farm, known as Wildflower Ridge honey, in Anderson, with his loving family at his side. He was born on July 14, 1947, in Noblesville to Mary and Wallace Barrickman, who preceded him in death. He grew up in Cicero and was a part of the last graduating class of Jackson Central High School. As a young man, David served our country in the Army National Guard. He worked at Delco Remy in Anderson where he became a stationary engineer in the powerhouse and retired in 1996. David, or “Bear” as he was known to many, was a grassroots member of ABATE of Indiana, Region 11, and Northern State Director from 1982 to 1992. He was instrumental in starting Motorcycle Rider Safety courses and raised money for the nonprofits by organizing membership and events. David had an immense number of skills and hobbies which included motorcycle riding, gardening, engineering, camping, hunting, gun collecting, listening to Willie Nelson music, welding, raising cattle and sheep, but his most passionate hobby resided in beekeeping. He was a fourth-generation beekeeper, the founder and owner of Wildflower Ridge Honey, an Indiana Artisan, and many people knew him as the “Bee man” or “Bear.” He served as the president of the Indiana Beekeepers Association, and he was a proud lifetime member of the NRA. David is survived by his two children: Jenna (Tony) Majors of Cicero and Travis Barrickman of Noblesville; and stepson, Garth (Brooke) Lindner of Brownsburg. David always had a way of making everyone feel special and welcome. Rev. Randy D. Adams

March 28, 1953 – April 16, 2023

Rev. Randy D. Adams, 70, Noblesville was called home on Sunday, April 16, 2023. He was surrounded by his loving family. Randy was born on March 28, 1953, to the late Charles D. and Bobbi Jean (Coker) Adams in Florence, Ala. At a young age, Randy and his family moved from Alabama to Indiana. After settling in Indiana, they began attending the United Pentecostal Church in Huntington. It was there that Randy met the love of his life (Pastor James Riggs’ daughter), Kathy. The two of them were married on June 28, 1975, and have been at each other’s side for the last 47 years. While Randy attended church with his family at the United Pentecostal Church in Huntington, he knew that God was calling him into ministry and Pastor Riggs took Randy under his wings and began mentoring him; he eventually served as the Assistant Pastor at the United Pentecostal Church in Huntington. Randy first received his ministry license through UPCI, and later he became licensed with ALJC in 2002. During Randy’s ministry, he was called to serve at New Life in Terre Haute, where he served as the Assistant Pastor. He then went to serve as Assistant Pastor at Family Praise Center in Noblesville, and he then was called to serve as Pastor of The Pentecostals of Westfield, where he served from 2002 until his retirement in 2021. Upon his retirement, he was proud to obtain the rank of Bishop and that his son-in-law Pastor Troy Bibbs assumed his role as pastor of the church. Randy and his wife Kathy have spent their life spreading the Word of God and touching a lot of lives through their years of ministry. It was because of their faith and foundation that their two children followed in their footsteps. Randy leaves behind his loving wife, Kathy (Riggs) Adams; their two children, Missionary Tony (Rhonda) Adams of Krakow, Poland, and Shelly (Pastor Troy of The Pentecostals of Westfield) Bibbs of Noblesville. He was a proud grandfather to Macy (Tristen) Willis, Brock Adams, Londyn Bibbs, Gage Bibbs, and Lincoln Bibbs; his brother, Jack (Nancy) Adams; and sister-in-law Candy Adams (wife of brother Dwight). He was an uncle to several nieces and nephews. Randy was preceded in death by his three siblings, Dwight Adams, Charlene Adams, and Jeffrey Adams. Funeral services will be held at 7 p.m. on Thursday, April 20 at Radiant Christian Life Church, 16162 Carey Road, Westfield, where family and friends are invited to gather from 3 p.m. till the time of the service. The burial will take place at 11 a.m. on Friday, April 21 at Riverside Cemetery in Noblesville. Donations may be made through Pentecostals of Westfield for Poland Missions. Tough schedule puts Millers to the test

By RICHIE HALL

sports@readthereporter.com

The girls high school tennis season is off and running in Indiana, and many teams are beginning their 2023 campaigns with difficult schedules.

Noblesville is no exception. Just look at the teams that the Millers played last week: Fishers, last year's state runner-up, a vastly-improved Lawrence North squad, then two historically strong programs in Zionsville and North Central.

All four of those teams were ranked in the Indiana High School Tennis Coaches Association's first list of the 2023 season. Fishers was No. 2, LN was rated No. 25, Zionsville was No. 5 and North Central No. 12. Noblesville began the season tied for 14th in the rankings, but moved up to No. 11 this week.

The Millers held their own against those teams. They fell to the Tigers 1-4, then were edged out by Lawrence North 3-2 before beating Zionsville 3-2. Last Saturday, Noblesville dropped another 3-2 match to the Panthers. It was a hard-fought meet, with three matches going to three sets.

The Millers got both of their wins against the Panthers in singles. No. 1 Bella Duncan got a marathon victory over NC's Emelyn Harris, in a battle of sophomore stars. Duncan won the first set 7-5, the dropped the second set in a tiebreak. The third set was played with a 10-point super tiebreak, and Duncan prevailed 10-7.

"Bella is a gutsy player," said Noblesville coach Kevin Lindley. "She will scrap and fight for everything. I just keep trying to tell her, 'You got to believe in yourself, get out there and play your game.'"

Junior Josie Flinchum came from behind to win the No. 3 singles match, 5-7, 7-5, 6-2. At No. 2 doubles, the senior team of Daniella Tuesca and Olivia Gadis pushed their opponents to three sets before falling 3-6, 6-1, 6-4.

Three more juniors rounded out Noblesville's lineup. No. 2 singles Allie Stamm battled before falling 7-5, 6-1. At No. 1 doubles, the Panthers' Rachel Grissom and Caroline Robinson beat the Millers' Lina Hamashuk and Cami Crist 6-2, 6-3.

"Four matches into the first week, I'm super proud of the team," said Noblesville coach Kevin Lindley. "They're a real cohesive group. They've been fighting hard. We've lost some tough close matches, but I'm real proud of the way they're competing."

CONFERENCE WIN

The Millers began this week with a 4-1 win Tuesday at Brownsburg. The victory gives Noblesville a 2-1 record in the Hoosier Crossroads Conference this season.

The singles players dominated, dropping only two games between their three matches. Stamm won her match 6-0, 6-0, with Duncan and Flinchum each getting 6-1, 6-0 victories. In doubles, Tuesca and Gadis came back to win in three sets, 2-6, 6-3, 10-7. Hamashuk and Crist fell 6-3, 6-1.

"It was a solid team win against a conference opponent on the road," said Lindley.

Noblesville was scheduled to play Avon Monday, but weather postponed that meet to April 26. The Millers' next meet is Thursday, when they play at Hamilton Southeastern.

Heights' Steven Case signs to run track & cross country for IU Kokomo

The REPORTER

Hamilton Heights senior Steven Case has signed a letter of intent to run track and cross country for Indiana University Kokomo this fall. IUK is a member of the River States Conference and a NAIA athletic institution. He is the son of Heather and Rodney Case.

After being approached by a member of IUK's track and cross country team during his first cross country meet of the season, Case, a member of the Hamilton Heights High School Honor Society, took a closer look at IUK. It was his subsequent visit to the campus, the campus itself, smaller class sizes, location, strong computer science program, and opportunity to participate in a competitive men's track and cross country program at the collegiate level that clinched the deal.

Case, who has been running cross country since the sixth grade, is as strong on the field as he is in the classroom, earning awards and recognitions for his performance. He was named the Most Improved runner in track and cross country 2021-22, Most Valuable runner in cross country 2022-23, named to the All-Conference Team in cross country his junior and senior years, was a cross country semi-state qualifier his senior year, placed fourth out of 227 at the New Haven Invitational in the fall, and earned the Social Studies Department Honors Award twice.

more when he ran an 800 in 2:19. The following year, he dropped his cross country time by 2:30, down to 17:13 and his 800 time down to 2:00.39. This year he has cut his 5K time down to 16:38 and is looking to break 1:55 in the 800. He expects to continue to improve his speed and endurance for the remainder of the season and at the college level.

"Steven is one of those quiet leaders in his sport," Hamilton Heights High School Athletic Director Kurt Ogden said. "He gradually improved his times over the course of his high

school cross country career, all due to the hard work and dedication he put into running. He has been an outstanding role model in the classroom and also in athletics. We wish him well at IU Kokomo as he continues both his cross country and track & field careers."

"The biggest influence on my running development has been HHHS Cross Country Coach Bill Trachtman," Case said. "He has been helping me build my confidence in the sport since the moment I started to put in effort. HHHS Cross Country

Coach Bill Bowen also helped me along this journey. I wouldn't have been able to achieve nearly as much if it weren't for my great current and former teammates. Running with Maria Mitchell showed me that it doesn't matter if I am from a smaller school, I could compete just as well as anyone else. Other teammates who have supported me along the way that stand out are Clay Forrer, Lawson Poland, and Evan Williamson. I can say for certain that I couldn't have achieved what I have without their support."

The first three innings were statements. Hamilton Heights scored three in the first, two in the second and another three in the third to storm out to an 8-0 score.

Aside from a double by Dean Mason, Heights

played small ball with six singles and drew five walks.

The Huskies decided to put this game away early and did it with authority. Six more runs were put on the board in the top of the sixth, putting the first game in the two-game series well out of reach for the final score of 14-0.

James Lacey got the start for the Huskies and threw well in his two innings, giving up the only two Blue Devil hits. He also struck out four and walked three. Kyle Murray and Lucas

Spicer combined for three innings and gave up no hits between them.

Cooper Vondersaar led the Huskies with three RBIs, while Dean Mason, Adam Hughes and John Irion all three had two runs driven in. Nick Hulen managed to

score three runs and 10 other teammates scored.

Hamilton Heights won its third in a row and now sits at 6-4 (1-2 Hoosier East) before visiting Tipton tonight for the second game of the Hoosier Conference East Division series.

**Andrew Bouse***Republican for Westfield City Council, District 2*

As a 7-year-member of Countryside HOA, Andrew has enjoyed developing relationships with other residents and board members, learning about the community's needs, working with City and County, and executing strategic plans. He worked 18 months to get the approval and County dredging to replace a treacherous bridge. He is not allowed to say that you can drive a car over the new one, that he helped build that bridge with his own hands, or that it is ADA compliant. But he will tell you that it has an incline and decline of one inch per foot and it has concrete pylons for a dock.

Now it's time to build a different kind of bridge. The relationship between city, council, and clerk treasurer has been dysfunctional. Andrew knows it's time to heal and move forward. He will bring these groups closer to sync.

He has been involved with the Grand Junction Task Group, Communications Task Group, Westfield Art Alliance, WeCan, and has been a member of the Lions Club, VFW Auxiliary, and currently Historian for the SAL Carmel American Legion.

His finest achievements are his marriage to the beautiful Dr. Elizabeth Bouse and his two girls.

**Victor McCarty***Republican for Westfield City Council, District 2*

I'm just a kid from the trailer park that wants to serve the community I love. As a lifelong Shamrock, my love for Westfield started when I was mascot at WHS. At that time, I had lost 100 pounds and didn't know where I was going. By being mascot, I was out in the community interacting with businesses and our residents. It gave me a sense of purpose. Simultaneously, Westfield became a city. Since then, I have had a deep passion for our community and every step I have taken has been to ensure that I am prepared to be a positive leader for Westfield. Through my experiences, I have learned that if we RISE together anything is possible. By building positive Relationships, investing in our aging Infrastructure, supporting our public Safety teams, and providing Engagement opportunities, we can create a welcoming community for all to live, work, and visit.

Fred Glynn*Republican for Carmel Mayor*

My biggest achievement, without question, is my family. I've been blessed to be married to my wife, Beth, for 20 years. We have a teenage daughter, as well as two dogs named Bailey and Thor. We are members of St. Elizabeth Ann Seton Church.

I served two terms on the Hamilton County Council. I ran to bring leadership and accountability to Hamilton County – which I did, despite push back from members of my own party. I analyzed every proposal that came before me to see whether it represented a good use of the tax dollars my constituents worked hard to bring home.

I don't make decisions based on what politicians want, I make decisions based upon the long-term interests of our community. Looking at our city, I see that now, more than ever, we need new leadership and fresh thinking for our future. I share a desire with my neighbors to ensure our community remains safe and prosperous.

My goals for Mayor include bringing fiscal responsibility to city government, development and growth without using taxpayer dollars, and a new focus on preserving our neighborhoods.

I am a community leader who has served in a wide variety of boards in a leadership capacity, including Women's Fund, Center for Interfaith Cooperation and Brebeuf Jesuit. I believe it is important to have voices that listen to and represent the community we live in. As a physician, I use data driven analysis and compassionate decision making in my every day life, and I will bring that with me to City Council. I believe this will allow me to meet the challenges and opportunities that Carmel has ahead.

FISHERS

David Giffel

Republican for Fishers City Council, Southwest District

I'm David Giffel, and I'm running for re-election to the Fishers City Council, Southwest District. I am a sales representative for a plastic manufacturing company, and I live here in Fishers with my wife, Toni. Outside of my family, my passion is serving my community. I've been interested and involved in politics for many years now, and I've served as a Hamilton County Township Board in addition to my year and a half on Fishers City Council. During my time on City Council, I have thoroughly enjoyed getting out and talking to voters and always being available for questions, comments, and concerns. When I decided to take the first step to run for office, my goal was to serve our residents and their interests. In my time on City Council, I'm proud to say I've done just that, by always trying to the best of my ability to listen to my constituents and take their opinions into account. When I decided to run for re-election, my motivations were the same. I'm running for re-election to the Fishers City Council SW District in order to keep Fishers on the right track financially and with safety and amenities.

If elected, Stuart will focus on economic development, quality of life projects, and working to help maintain great schools in Fishers. Bill and his wife Peggy have 4 children whom all graduated from HSE schools and 4 grandchildren. The Stuarts live in the Delaware Pointe neighborhood.

Cecilia Coble

Republican for Fishers City Council, At Large

Cecilia Coble has been a strong leader on the Fishers City Council since 2015. When it comes to leading as a conservative, Cecilia takes pride in Fishers' AAA credit rating by S&P, the highest possible rating for a municipality. The City of Fishers is one of the first cities in the state to achieve this designation in 2016, and has maintained the designation every year. Cecilia will continue to focus on diversifying Fishers' tax base to keep resident's taxes low, ensure police and fire have the resources they need, and that the city invests in quality of life opportunities.

Cecilia currently serves as Co-Chair on the Fishers Advisory Committee on Disability (FACD), an initiative that she led. The committee focuses on the challenges facing the disability community, and bringing strategies and change.

Currently, Cecilia is on the board of directors of Accelerate Indiana Municipalities (AIM), and is an appointed member of the Fishers Arts & Culture Commission. She was a Charter Member of the Fifty Club of Fishers and is a past President of the Hamilton County Republican Women's Club.

Jocelyn Vare

Democrat for Fishers City Council, At-Large

Jocelyn Vare is an at-large member of Fishers City Council and is the first Democrat ever elected to Fishers municipal office. Councilor Vare delivers balance, accountability, fiscal responsibility, checks and balances and government transparency in Fishers.

In 2022, Councilor Vare ran for Indiana State Senate and earned 16,000 votes from Fishers residents. She is a 22-year resident of Fishers, the mom of two HSE Schools graduates, a local small business owner, a volunteer and a champion for the community she loves. In 2021, Councilor Vare was recognized as an Impact Award nominee, one of 30 alumni designated in the Hamilton County Leadership Academy's 30-year history. "I am eager to continue to serve the Fishers community on the City Council and fight to provide the good local government that all taxpayers deserve."
