He, however, has never asked to play catch, borrow the car keys (he has his own car) or stated he wants to be like me of "Tangled Up Puppet," – wisely so (I don't want to be like me either).

It's another of his songs – a non-hit – that tugs the heartstrings, this one for parents of newly teen daughters. It's called "Tangled Up Puppet."

New survey: arts in Carmel generate \$42.7 million in economic impact

Submitted by

City of Carmel The City of Carmel announced Friday that Carmel's nonprofit arts and culture industry generated \$42.7 million in economic activity in 2022, according to the newly released Arts & Economic Prosperity 6 (AEP6), an economic and social impact study conducted by Americans for the

That economic activity – \$17 million in spending by nonprofit arts and culture organizations and \$25.7 million in event-related spending by their audiences – supported 981 jobs and generated \$10 million in local, state, and federal government revenue. Spending by arts and culture audiences generates valuable commerce to local merchants, a value-add that few other industries can compete with.

Building on its 30-year legacy as the largest and most inclusive study of its methodology to document the economic and social contributions of the nation's nonprofit arts and culture industry. The study demonstrates locally as well as nationally, arts and culture are a critical economic driver of vibrant communities.

"The results from this survey show the importance of investing in our local arts and how that positively impacts our hotels, restaurants and shops," Mayor Jim Brainard said. "We have built a vibrant community that is filled with art and cultural events throughout the year. The arts inspire creativity, instill a sense of pride, and bring added economic benefits as well."

Nationally, the Arts & Economic Prosperity 6 (AEP6) study reveals that America's nonprofit arts and culture sector is a \$151.7 billion industry – one that supports 2.6 million jobs and generates \$29.1 billion in government revenue.

I hate to say this out loud – but Carmel is starting to experience a crime problem. The Indianapolis Fraternal Order of Police has been warning us for two years. They've been consistently vocal on social media, telling us that Indianapolis violence is "surging and spreading" to the suburbs.

TODAY'S BIBLE READING

THE DEATH OF SARAH (CONT.)

Ephron the Hittite was sitting among his people and he replied to Abraham in the hearing of all the Hittites who had come to the gate of his city. "No, my lord," he said. "Listen to me; I give you the field, and I give you the cave that is in it. I give it to you in the presence of my people. Bury your dead."

Again Abraham bowed down before the people of the land and he said to Ephron in their hearing, "Listen to me, if you will. I will pay the price of the field. Accept it from me so I can bury my dead there."

Ephron answered Abraham, "Listen to me, my lord; the land is worth four hundred shekels of silver, but what is that between you and me? Bury your dead.'

Abraham agreed to Ephron's terms and weighed out for him the price he had named in the hearing of the Hittites: four hundred shekels of silver, according to the weight current among the merchants.

So Ephron's field in Machpelah near Mamreboth the field and the cave in it, and all the trees within the borders of the field—was deeded to Abraham as his property in the presence of all the Hittites who had come to the gate of the city. Afterward Abraham buried his wife Sarah in the cave in the field of Machpelah near Mamre (which is at Hebron) in the land of Canaan. So the field and the cave in it were deeded to Abraham by the Hittites as a burial site.

Nancy Carol Keesling September 12, 1946 - October 9, 2023

Nancy Carol Keesling, 77, Sheridan, passed away on

Monday evening, October 9, 2023, at Riverview Hospital in Noblesville, surrounded by her loved ones. Born on September 12, 1946, in Lebanon, Ind., she was the daughter of the late Charles A. Price, Sr. and Geneva M. (Hubbartt) Price.

Nancy was a member of the Sheridan First Christian Church, where she taught Sunday School and Vacation Bi-

ble School for many years.

She was a 1964 graduate of Sheridan High School. During her high school years, she was the lead baton twirler for the Sheridan Marching Band. She competed in many twirling competitions throughout her career and was selected to be a member of the VanSickle Twirling Corps, giving her the opportunity of performing in numerous parades across the state.

After working for Frozen Novelties in Frankfort, Biddle Screw Products in Sheridan, and Western Electric, it was time for a career change. Nancy, along with her husband Tuffy, managed McDonalds Hardware in Sheridan from 1979 to 1981. From 1981 onward, she worked at Price Heating and Air Conditioning. If you ever had the pleasure of visiting the hardware store or Price Heating when Nancy was working, you were always greeted with her friendly smile.

Nancy devoted herself to her family and delighted in being a Mema to her three grandchildren. She was a gifted storyteller and enjoyed regaling her children and grandchildren with tales of notable family events, especially the more humorous ones. She loved spending time in nature and instilled this into her grandchildren with family camping trips on her daughter's farm. These trips would also include her sisters and their grandchildren. Exploration was always encouraged, and no trip was complete without hiking along the creek and fishing in the pond. An avid reader, Nancy had a reputation for staying up into the wee hours of the morning to finish a good book. Her passion for reading has been passed down to her grandchildren. There was nothing better in this world the being a part of the of the Friday Night Sleepovers at Mema's house. Those nights were filled with card games, movies, crafts, plenty of treats, and memories that her grandchildren will never forget.

Nancy is survived by her son, Kent Keesling of Sheridan; two daughters, Karla J. Waitt (John) of Sheridan and Karol L. Keesling of Whitestown; three grandchildren, Emily Waitt of Lebanon, Tenn., Sarah Waitt of Sheridan, and Jack Waitt (Brittany) of Sheridan; sisters, Judith Ann Jessup (Billy) of Zionsville and Linda Lou Williams (Jesse) of Sheridan; and her sister-in-law, Sherry Rose Price of Sheridan.

She was preceded in death by her parents, Charles A. Price, Sr. and Geneva M. (Hubbartt) Price; brother, Charles A. Price, Jr.; sister-in-law, Janet Rose Ottinger and her husband Floyd Ottinger; and by her husband, Kenneth Gray "Tuffy" Keesling on April 3, 1998. She and Tuffy were married on June 23, 1964.

Fishers Tigers triumph over Zionsville Eagles in wet battle

By JAMES SEAY

For The Reporter

FISHERS - In a thrilling regular-season matchup of the Hoosier Crossroads Conference, the Fishers Tigers overcame relentless rain and a determined Zionsville Eagles squad, securing a 34-14 victory. The Tigers showcased their resilience by relying on a mix of standout players to fill crucial offensive positions left vacant by absent teammates.

Head Coach Curt Funk acknowledged the team's adaptability, stating, "We had some players out and had guys fill in those holes and step up in a big way."

The game started with the Fishers Tigers gaining possession first and making an immediate impact. A spectacular 57-yard run from sophomore sensation Ryan Thembulembu punctuated their opening drive. However, a holding penalty temporarily derailed their momentum. and two touchdown throws, while Thembulembu contributed 133 yards from scrimmage.

Coach Funk commended Sturgill's growth: "He was thrown into the fire after our QB went down against Franklin Central. The progression we have seen with Gage has been phenomenal, and I credit him and his hard work along with our Offensive Coordinator Coach Moore on his development."

Zionsville retaliated in the second quarter, mounting a determined drive deep into Fishers' territory. The Tigers' defense forced a crucial third down but, after what appeared to be an interception, a defensive pass interference penalty kept the drive alive. Seizing the opportunity, the Eagles connected for a touchdown pass to Eugene Hilton, son of former Indianapolis Colts wide receiver T.Y. On the first drive, the Cougars drove all the way down to the Sheridan 17 before turning the ball over on downs. The Blackhawks weren't able to capitalize, punting back to Carroll.

After a Carroll punt, Sheridan had a scoring opportunity that came up empty. On the third play of the series, Owen Bell connected with Nolan Page on a 62-yard pass play for a first down all the way to the Cougar 15. This week was the Rookie Orientation Program (ROP) test at Indianapolis Motor Speedway. In all, four drivers completed the program, including Tom Blomqvist of Meyer Shank

Racing and Mar-Lundqvist of Chip Ganassi Racing. All eyes, however, were fixed on 2021 NA-SCAR Cup Series Champion, Kyle Larson, who had the 2.5-mile track to himself for three hours on Thursday morning/afternoon.

Kyle Larson races full time in the NASCAR Cup Series and is preparing to complete the 1,100-mile Memorial Day "double" by running the Indianapolis 500 in the afternoon before flying to Charlotte Motor Speedway for the Coca-Cola 600 in the evening. Such a feat has only been accomplished by four other drivers, including John Andretti, Tony Stewart, Robby Gordon, and most recently Kurt Busch, who posted two top-10 finishes with a sixth-place finish at Indy and a third-place finish at Charlotte.

Of those who attempted the double, Larson is undoubtedly the most talented. Many believe he has a legitimate opportunity to go backto-back with two wins in one day. Larson, who has close ties with central Indiana, is a world-class dirt racer and has dominated the ranks of open-wheel dirt racing since he was old enough to climb into a midget. His resume on dirt includes crown-jewel wins in both the United States Auto Club (USAC) and World of Outlaws. Two Chili Bowls, two Knoxville Nationals, BC 39, Kings Royal, Hoosier Hundred, Pennsylvania Speedweek, and, in 2011, the 4-Crown Nationals sweep at Eldora Speedway. > On Thursday, the rarely frazzled Larson stated that the test "was fun" and that the car was generally as he anticipated it would be. Larson's fastest lap was 217.898 mph, which came on the 65th out of 72 laps he made on the day. Larson will be running in a car fielded by Arrow Mc-Laren with backing by his NASCAR team, Hendrick Motorsports. Larson is the biggest name outside of INDY-CAR to make a start in the 500 since Fernando Alonso made his first Indianapolis 500 start back in 2017. Given his level of talent and oval experience, few doubt that Larson can roll to victory at Indy. Avoiding early trouble and a few breaks could land Kyle Larson in victory lane. A few more breaks in Charlotte could see Larson win the double.

Kyle Larson is the most talented driver of his generation. I can't wait until he were straight-setters. Carmputs his talent on full display at Indy. Can you?

Golden Eagles pull out all stops to take down Culver Academies

The REPORTER

Guerin Catholic burst out for 28 points in the second quarter, and that led the Golden Eagles (Class 3A No. 2 IFCA/No. 3 AP) to a 42-7 win Friday at Culver Academies.

Culver scored its lone touchdown late in the first quarter to give it a brief 7-0 lead. But Guerin Catholic took care of that with four straight TDs in the span of less than seven minutes. Malcolm Houze took off on a 49-yard run for GC's first score, then Peyton Butts tied the game with an extra-point kick.

Peter Rooney moved the Golden Eagles into the lead with a 22-yard touchdown run. Guerin Catholic got the ball back immediately, then Chase Reed connected on a

60-yard pass from Ryan Zimmerman. Rooney finished the second quarter with a four-yard run, which was followed by a two-point conversion run by Cooper Navarro.

After all that, Guerin Catholic held a 28-7 halftime lead. The Golden Eagles added one touchdown in each of the next two quarters: Houze caught a 38-yard pass from Zimmerman in the third period, then Jack Linden zoomed in to the end zone on a 32yard run. Butts made four extra point kicks.

Linden led the rushing with 166 yards, while Zimmerman totaled 133 yards on 6-of-14 throwing.

Guerin Catholic finished the regular season 7-2 and begins play in Class 3A Sectional 28 next week with a first-round game at Peru.

Tiffanie Ann Hill Ditlevson

Republican for Fishers City Council, At Large

I'm excited to serve my community, and I have a strong history of service ranging from PTO president, Head Cheer Mom, Sunday School Teacher, and wartime Air Force veteran (family ties with American Revolution).

I am passionate about three things in the City of Fishers: safety, prosperity, and building communi-

ty. I will work to fully fund our first responders; improve traffic safety--our roads, intersections, and visibility; build business partnerships to benefit young members of the workforce, and grow our community amenities. Currently, I serve on these boards: the Fishers

Armed Forces Commission, the Hamilton East Public Library Board, Catholic Charities of Indianapolis, and the Indiana USO board while running a thriving real estate business and co-chairing the Fishers GOP Club. I earned my MBA from Indiana Wesleyan, and most recently completed the Indiana GOP Diversity Leadership Series, the Richard G. Lugar Excellence in Public Service Series, and am currently enrolled in the Indiana Leadership Forum. Also, I recently completed the Fishers Government Academy and the Fishers Citizens Fire Academy.

My daughter and I moved to Fishers 15 years ago. Currently, she is a graduating senior at IU Bloomington and accepted into the Doctorate of Chiropractics program at Logan University.

I'm David Giffel, and I'm running for re-election to the Fishers City Council, Southwest District. I am a sales representative for a plastic manufacturing company, and I live here in Fishers with my wife, Toni. Outside of my family, my passion is serving my community. I've been interested and involved in politics for many years

now, and I've served as a Hamilton County Delaware Township Board in addition to my year and a half on Fishers City Council. During my time on City Council, I have thoroughly enjoyed getting out and talking to voters and always being available for questions, comments, and concerns. When I decided to take the first step to run for office, my goal was to serve our residents and their interests. In my time on City Council, I'm proud to say I've done just that, by always trying to the best of my ability to listen to my constituents and take their opinions into account. When I decided to run for re-election, my motivations were the same.
