Member of the Cicero Kiwanis for 15 years in many leadership and committee positions. Coordinated and worked many Riley Road-blocks. Support the Friends of the Park by donating food and time to community fundraiser events. Teaching wreath and candy making classes to keep the traditions alive in the younger generations. Patient Advocate with the Shepherd Center. Precinct Committeeman for 12 years: working as Inspector; finding poll workers for each election; and voting in Caucuses to fill vacancies on the Town Council. Served officer roles in both the Hamilton County Republican Women's and Northern Hamilton County GOP clubs. Received many awards for volunteering. 30+ years of experience in the Insurance industry and 5+ years of Office Management. Loss mitigation and Public Safety focused.

My budgeting and management skills, along with a heart for service (and my recent retirement) will allow me to keep Cicero growing, while maintaining that "hometown" appeal that makes us all proud to live here! Let's grow Cicero!

He continues to be steadfast supporter for the entire community of Cicero. Further, community volunteer work for Veterans (like my wife Jennifer) / Active Military and their families through my continued leadership at the Cicero American Legion as the Sons of The American Legion Commander, which thousands of dollars are raised each year to help our community.

Important decisions face Cicero over next 4 years including:

- Conservative / Strategic Growth
- Improved Water and Wastewater Capacity
- Strong Public Safety with Police and Fire
- Continued Park Improvements

As current Town Council President, I look to maintain conservative fiscal responsibility on the council keeping Cicero the hidden gem of Hamilton County.

Pete Schwartz

Republican for Noblesville City Council, At Large

As a lifelong resident of Noblesville, it gives me great pleasure to serve the citizens of Noblesville on the Common Council. Due to district realignment, I have decided to run for the at-large position.

The last few years serving on council has taught me that Noblesville residents are just as passionate as I am.

When I ran my first campaign, I pledged to address traffic issues, support public safety, and be transparent to the public by being accessible to constituents. I couldn't be more enthusiastic about keeping my promises to Noblesville residents, seeing through the Pleasant Street project, and other strategic infrastructure investments.

Currently, I am the liaison for the parks board. I am also on the public safety committee. I was recently chosen to be on the Noblesville Arts Council.

My wife Amber and two children Conner and Emalee couldn't be happier to call Noblesville home and look forward to an exciting future.

Rocky Challenges Noblesville City Council

As of this writing, each of our nine city council members is paid \$15,881 annually. Over the next four years, that equates to \$571,680 in taxpayers' money.

My challenge to the Noblesville City Council Candidates is to join me in an Act of Love & philanthropy by donating their Council salary to area non-profit organizations. I will be donating my Council salary, regardless of whether my challenge is accepted.

In participation of this challenge, the first order of newly elected officers would be to annually vote for which Noblesville Not-for-profits would receive funds. Going forward, I hope that other communities will follow our lead.

When the Community speaks, Rocky listens!

While on the Campaign Trail, some Noblesville residents have voiced their concerns about:

- Budget Management and Conservative Spending, Taxes and Re-evaluating Properties
- Strong Public Safety, City Services, and Improving Quality of Life
- Downtown's Preservation and New Apartments
- Trash & Car Excise Tax revisited
- Mental Health and Addiction
- Transparency with Accountability
- Balanced and Managed Growth
- Educating the public on current City affairs
- Neighboring Cities Growth and Collaboration
- Employment , Attracting appropriate business
- Traffic, Ease of Access, Parking, Roads and Roundabouts
- Addressing food insecurity, Promoting community involvement through volunteerism

Rocky's Promise: To take all concerns into consideration when voting on any projects presented before the council.

From humble beginnings – a journey

By **ROCKY SHANEHSAZ**

My story is one of hope & faith, an abundance of gratitude, forgiveness – and above all, honesty.

Since emigrating from Iran in 1977 at the age of 16 with little resources of my own, I've enjoyed turning challenges into opportunities. Today I am a businessman, entrepreneur and philanthropist who never gets tired of giving back to my community. As a candidate for District 5 on Noblesville's City Council, I hope to be able to achieve better than I've been able to previously.

Initially landing in Bowling Green, Kentucky, I graduated with honors from Bowling Green High, then entered Western Kentucky University to complete my undergraduate work. After earning a multi-major degree in chemistry, animal science agriculture, and computer network engineering, I attended Medical School in the Dominican Republic. Upon graduating I returned to the States as a citizen, moving to Indiana in 1985. While my wife attended law school, I was busy building my first business as a computer consultant.

In 1990, I was a happily married 29-year-old with a two-year-old son. My wife and I had moved to Noblesville so that she could join the law firm of Church, Church, Hittle & Antrim, as an attorney. I formed two thriving companies upon our arrival. With both my construction company and my computer consulting firm's success – along with my wife joining a reputable firm, we thought that we had it made. And we did, that is until my wife's glioblastoma cancer diagnosis only six months after moving to Noblesville. It was during this time that I found Christ. Two weeks post-diagnosis, she underwent brain surgery and was subsequently placed in a coma for an extended period.

Our amazing community rallied around us even though we were newcomers. For over eight months, our wonderful neighbors helped to keep lunch and dinner on the table, daily. They were able to lend an ear or a hand whenever we needed one. Everyone suffers from a low point in their lives. Mine was during this period. Through paying for her treatments, we were quickly losing everything that we had built through our hard work and fortitude. Looking back, I can still distinctly remember the night that she was placed in a coma.

It was that very night that I made an oath to Christ. I promised to dedicate my life to paying it forward if he would just deliver me from my internal pain and angst. Almost immediately, I began to feel a sense of relief. Despite all our efforts, my wife passed away 16 months after her diagnosis. Our son, Abraham, was now four years old.

Building From the Rubble

The Fall of 1992, I became employed with a local accounting firm, working 80 to 90 hours a week. Having all our savings swallowed up by medical bills, I was doing everything that I could to ensure that the financial woes that I was experiencing would never happen to me – or my family – again. With the help of an amazing person, Terri Zeigler, I was able to work as much as I could and help build us back up to where we needed to be. Terri, also being a believer in Christ, helped me learn how to walk closer with Him.

For the next three years, I could rely on Terri to help me in caring for and raising my son. Throughout the next few years, Abe and Terri formed an unbreakable bond. This led to love blossoming between Terri and I. We were married in 1996 and would spend the next eight years fervently attempting to expand our family. When all routes had been exhausted, we were overjoyed to adopt our newborn daughter, Ava, welcoming her home in June 2004. Terri has been my rock and I am forever grateful for her support, patience, love, and her understanding.

Up until the early 2000s, my main goal had always been to manage my resources wisely, ensuring my family's future. With four thriving companies now under my belt, I was ready to act on new opportunities. I have a love of architecture, history, and its preservation. In 1996, I participated in the renovation and preservation of Downtown Noblesville's Joseph Block Building – which now houses Matteo's Ristorante. Being involved in this project let me build on my love of historic buildings, but I was now hungry for more.

In 2001, I purchased the Model Mill building. I envisioned transforming this historic, yet neglected, space into a building the community could use and thrive on. After a three-year renovation project that included refinishing floors, replacing windows, carving out new spaces, adding modern fixtures, and so much more, I was able to quickly fill the space with tenants. Peterson Architecture was the building's architect and first tenant.

Keeping My Promises

I was ready and able to start paying it forward on a larger scale than I had been able to previously. Now a thriving business owner, I wanted to do more in the community that my family and I loved so much. In 2005, through a partnership with Noblesville City Hall, I acquired three historic homes. I concentrated on having them relocated and preserving their histories. The 2005 'Parade of Homes' was a memorable day for many Noblesville Residents. By the end of the event, the buildings were on their new lots, paving the way for building the new City Hall. During this process, I became more engaged with the public, and enjoyed getting to know them better. As the community and I grew to know and respect each other, I began to celebrate their successes, while also helping them identify their needs.

Early 2006, I helped form the SW Quad Neighborhood Association – promoting homeownership, as well as providing beautification opportunities, community events and neighborly camaraderie to those living in the SW Quad. We started neighborhood cleanup initiatives, along with beginning our annual SWQ Proud Heritage Picnic tradition. One of the historic homes from the 2005 move is now located on the corner of 8th & Walnut Streets. Not only was I, and still am, heavily involved with the residents that make up the Quad, I enjoy knowing that I've helped provide food for area residents in need, through my sponsorship of the Community Garden located there.

Learning to Adapt

The stock market crash of 2008 affected several of my companies, my business tenants and my plans – greatly. As tenants moved from the newly renovated Model Mill building, I was eager to find a more fulfilling purpose for the space. The idea of a breathtaking wedding venue came to mind one evening, while I was closing the building for the day. I commissioned a brilliant artist to put down onto paper my vision for lofty, industrial ballroom spaces with chic bridal suites – even adopting a version of the original "Mill Top" name to keep the rich history alive. In 2010, the Mill Top Banquet & Conference Center opened for business.

In 2013, I felt that I needed to do more for my community. God was calling me to make an even bigger impact. It was then that I decided to start giving others second chances. I began accepting applications from and interviewing those who had been offenders. They were model employees, who were eager to do a great job and were humbled to be employed when all others had turned them away. I've always believed that "Your past is your past. Learn from it, then leave it where it belongs ... in your past." I feel good, knowing that I have been able to change the lives of several of my employees. Sometimes, they just need someone to believe in them, so that they can really shine as a person.

Continued Efforts

Still feeling the rush of having a memorable impact on others, in 2014 I was searching for the one project that could create the biggest community impact. Having a close relationship with the three churches that I had helped plant, I wanted to help establish a faith-based ministry, concentrating on mental health and addiction. For years, I had watched good people fall into the grips of bad choices, poor mental health and sadly, also

substance abuse and dependence. I wanted more for my neighbors. I felt that this issue needed some attention. This is when Hope & Recovery Centers, Inc was conceptualized. The plan was to create a faith-based ministry, serving those with addiction. I spent the following years networking with other service providers, observing the processes, analyzing the risks, and learning all that I could about how I could help address this need.

Through obtaining this knowledge, I worked with leaders in the field to create a program that addressed the needs of possible recovery center residents, helping to tackle their issues at the source. This faith-based program was broken down into several steps, being carried out over a two-year period. In the Spring of 2016, I purchased a church property at 2140 Greenfield Avenue. In doing so, I funded and managed an existing children's ministry located in that church. The building was leased to Legacy Church, who occupied it for the next five years. When their lease ended in 2021, the church relocated, and I was ready to carry out my next 'Act of Love' for Noblesville. It was then that I began the process of meeting with city leaders, formalizing my plans, and filing the proper permits for the Recovery Center.

Miller Care Group, a local provider specializing in innovative mental health care, jumped on board, along with Step Up Staffing. Step Up is not quick to turn offenders away, letting their employees' work ethic speak for itself. Step Up, like I, had also learned that sometimes good people make bad choices, and just needed someone to give them a second chance. I feel that our plans for a facility and the resulting positive impact have so much to offer. After careful studies, I have placed the building on Greenfield Avenue up for sale to raise funds and am currently looking in Marion County for a facility to purchase. Although the facility would not be in Noblesville, the effect will be felt in surrounding areas. I feel compelled to keep reaching out to the community – in any capacity.

Call to Action

I'm excited to give my voters an opportunity to learn more about me.

My fiscally conservative candidacy for Council is not motivated by anything other than my love for this community. I have a proven history of speaking out for the public & I am honored to continue this.

I humbly ask for your support in the form of your vote, as I'm focused on any opportunities that await me!

Andrew Bouse

Republican for Westfield City Council, District 2

As a 7-year-member of Countryside HOA, Andrew has enjoyed developing relationships with other residents and board members, learning about the community's needs, working with City and County, and executing strategic plans. He worked 18 months to get the approval and County dredging to replace a treacherous bridge. He is not allowed to say that you can drive a car over the new one, that he helped build that bridge with his own hands, or that it is ADA compliant. But he will tell you that it has an incline and decline of one inch per foot and it has concrete pylons for a dock.

Now it's time to build a different kind of bridge. The relationship between city, council, and clerk treasurer has been dysfunctional. Andrew knows it's time to heal and move forward. He will bring these groups closer to sync.

He has been involved with the Grand Junction Task Group, Communications Task Group, Westfield Art Alliance, WeCan, and has been a member of the Lions Club, VFW Auxiliary, and currently Historian for the SAL Carmel American Legion.

His finest achievements are his marriage to the beautiful Dr. Elizabeth Bouse and his two girls.

Victor McCarty

Republican for Westfield City Council, District 2

I'm just a kid from the trailer park that wants to serve the community I love. As a lifelong Shamrock, my love for Westfield started when I was mascot at WHS. At that time, I had lost 100 pounds and didn't know where I was going. By being mascot, I was out in the community interacting with businesses and our residents. It gave me a sense of purpose. Simultaneously, Westfield became a city. Since then, I have had a deep passion for our community and every step I have taken has been to ensure that I am prepared to be a positive leader for Westfield. Through my experiences, I have learned that if we RISE together anything is possible. By building positive Relationships, investing in our aging Infrastructure, supporting our public Safety teams, and providing Engagement opportunities, we can create a welcoming community for all to live, work, and visit.

"The city of Westfield will face many opportunities and challenges in the coming years and electing me to the council will provide the needed business experience to proactively move our city forward" stated Dartt.

Dartt has talked to many residents, businesses and city leaders before declaring his candidacy. Based on those discussions, he will focus his campaign on public safety, education, downtown development, long range planning, Grand Park business expansion and community diversity.

Scott Frei

Republican for Westfield City Council, District 4

Scott is a man of faith and principle, along with his wife Karla, they have raised their five children in Westfield since 2002.

Scott is not a typical politician. He is a concerned citizen that decided to do something about what was happening to our great city. Four years ago, he recognized that the voices of developers and big corporations were overpowering the voice of the taxpayer. That is when he got involved to be a voice for the taxpayer and to bring transparency to local government. As a City Councilor, he has successfully enforced measures of transparency and accountability even with an administration unwilling to change.

Government should be small and accountable to the taxpayers. The taxpayers have been and will continue to be Scott's focus as he serves on Council. This is why he refuses to accept campaign contributions from developers or big corporations that may benefit from decisions made at City Hall.

With your support, Scott will continue to represent your voice as the citizens of Westfield. He will work to ensure Westfield retains its status as a unique and amazing place live. Scott is committed to putting taxpayers first, demanding transparency and accountability from our government.

Fred Glynn

Republican for Carmel Mayor

My biggest achievement, without question, is my family. I've been blessed to be married to my wife, Beth, for 20 years. We have a teenage daughter, as well as two dogs named Bailey and Thor. We are members of St. Elizabeth Ann Seton Church.

I served two terms on the Hamilton County Council. I ran to bring leadership and accountability to Hamilton County – which I did, despite push back from members of my own party. I analyzed every proposal that came before me to see whether it represented a good use of the tax dollars my constituents worked hard to bring home.

I don't make decisions based on what politicians want, I make decisions based upon the long-term interests of our community. Looking at our city, I see that now, more than ever, we need new leadership and fresh thinking for our future. I share a desire with my neighbors to ensure our community remains safe and prosperous.

My goals for Mayor include bringing fiscal responsibility to city government, development and growth without using taxpayer dollars, and a new focus on preserving our neighborhoods.
