Westfield Lions back to fryin'

Event raises \$3,000 for Westfield High School scholarships

By **JEFF LARRISON**
Westfield Lions Club

After not holding a fish fry in 2023, the Westfield Lions Club brought back its annual fish fry on Sept. 6 and 7 at Christ United Methodist Church (CUMC) – making this the 92nd fish fry since the club was founded in 1930. COVID caused the Club to miss one fish fry and renovation work at the Lions' clubhouse and at CUMC forced them to cancel the 2023 event.

This year's event went off smoothly with energized Lions, some great weather, and a lot of support from the community. Over the years the Lions' fish fry has become just as much of a community gathering as it is a fundraiser. The customers rave about the quality of the fish – arguably the best fried fish in Hamilton County – and they enjoy getting a chance to see and talk to so many of their friends in the Westfield community.

This year's fish fry brought in approximately \$3,000, which will be used to help fund the growing annual scholarship awards the Lions announce each spring. The past two years the Club has set records with awards totaling over \$16,000 in 2022 and \$16,500 in 2023.

The Westfield Lions want to thank their sponsors for this year's event – BMO Bank and Sunbelt Rentals. Their support of the Lions helped make this fish fry the success that it was. The Lions also want everyone to know what a great partner CUMC has been to the Lions Club this year, as well as over the past several years. While the Club was searching for a new clubhouse, CUMC allowed the Lions to hold their meetings at

the church. And during the times that the Lions' old clubhouse was unavailable due to the downtown redevelopment, CUMC let

the Lions use the church for the past three fish fries.

Imperfect homes are more fun

Given my column's title, I thought this week's topic was a "perfect" match. My husband John may be surprised to read this, but at this stage in life, I've completely accepted the fact that our home will never be perfect. And I love it.

COLUMNIST
AMY SHANKLAND
Perfectly Imperfect

When I was younger, I fretted and stressed over every little thing with my house. If I noticed a cobweb in the corner of the living room, I felt defeated. I was always picking up and putting things away from morning until bedtime. In fact, it's almost unconscious now.

It all relates to being Highly Sensitive. Highly Sensitive people, in general, don't do well with clutter surrounding them. I also grew up in an almost spotless home.

If you visit us now, you'd see some whimsical, "gently used" décor on the outside with a few perennials. My husband and son are good about keeping up with mowing, trimming, and edging, although that sometimes gets delayed on occasion when they're both working a weekend.

After stepping inside – always through our back door if you're a friend or family member – you'll invariably see our pile of shoes all over the laundry room rug. When my sons' friends visit, the shoes often erupt onto the linoleum.

You will probably observe I do still keep our home fairly free of clutter with some dated stuff throughout. It's an old Victorian workers cottage and we're not swimming in money, so as they say, it is what it is!

You'll also see the dry erase boards on the fridge and inside the desk in the dining room filled with various drawings of cartoon and other characters. This tradition started with my sons' friends a few years ago.

After I erased one of the boards one time to have more room to list the leftovers inside the fridge, Jacob's friend Colton's face fell when he visited. It was like someone struck him in the heart. I laughed and told him I'd never do it again.

I rotate cleaning duties from week to week, which means my house is rarely cleaned from top to bottom and spotless all at once. You'll probably notice an occasional cat hair-filled dust bunny floating by.

IMPERFECT

from Page 1

It hit me a few years ago that if my home were perfectly clean and sparkling, that would mean I'd be living here all alone. No husband, no pets, no son/ recent college graduate and his friends, and only the occasional visitor. It would be mostly quiet without conversation or laughter. No, thank you!

So, empty nesters, please forget about perfection. Pick your battles (that cobweb can stay for

a bit longer – who even sees it anyway?) Embrace the goofy characters scrawled across your dry erase boards, create a path through those shoes. Imperfect homes are truly the best, and they're more fun!

Hamilton County Harvest Food Bank supports families in need through Meijer Simply Give hunger relief program

The REPORTER

Hamilton County Harvest Food Bank (HCHFB) maintains a partnership with Meijer to provide much-needed relief to local families facing food insecurity through the retailer's customer-driven hunger relief program, *Simply Give*.

"Food insecurity is a real issue in our hometown community," HCHFB Executive Director Anita Hagen said. "Over 32,160 Hamilton County friends and neighbors are not sure where their next meal is going to come from."

The *Simply Give* program encourages customers to add a \$10 donation card to their cart, which is then converted into a Meijer food-only gift card and given to a local food pantry in the store's community.

HCHFB will benefit from donation cards at the

Noblesville Meijer stores now through Sept. 28. In addition, Meijer will DOUBLE MATCH all customer cards this Saturday, Sept. 14, effectively tripling contributions made on both days. Meijer customers shopping online using Meijer Pickup or Home Delivery can also include *Simply Give* donation cards as an add-on to their orders.

"Continued hardships have taught us all the importance of community members supporting each other," Hagen said. "We encourage our community to give and help us feed our Hamilton County neighbors in need by adding a Meijer *Simply Give* food donation card to your cart during your next shopping trip."

Since 2008, more than \$91 million has been distributed to food pantries across the Midwest to feed neighbors in need through the Meijer *Simply Give* program.

You can also donate to this program through **HCH Food Bank Online Giving**. Just select "Food Purchases" or "Meals for Kids" and be ensured your donation will go towards food purchases for hungry neighbors.

About Hamilton County Harvest Food Bank

Hamilton County Harvest Food Bank is a 501(c)(3) nonprofit supporting over 40 food pantries and meal programs in neighborhoods all across Hamilton County with nonperishable food, fresh, locally grown produce, locally grown meat, and network support. Next year the Lions expect to be able to hold their fish fry at their new clubhouse, located at 1101 E. 169th St. The renovation work on the building should be completed in the next couple of months and will feature an expanded meeting room, conference room, ADA-accessible restrooms, and a full kitchen. The Club will hold an open house event once the project is completed so the public can see firsthand what Westfield's Lions have done to make the building an attractive (and affordable) option for event rentals.

Westfield Washington Schools releases SRO's total hours spent in schools

The REPORTER

Through a partnership with the Westfield Police Department, Westfield Washington Schools has six School Resource Officers (SROs) within the district. Their locations are strategically distributed to ensure comprehensive coverage and quick response:

- Two SROs cover our six elementary schools, and the Early Learning Center (ELC).
- One SRO is assigned to Westfield Intermediate School (WIS).
- One SRO is stationed at Westfield Middle School (WMS).
- Two SROs are dedicated to Westfield High School (WHS).

Every school in the school district is designated as a police substation. This

means that officers are encouraged to use these spaces to write reports and spend time walking through the buildings, further strengthening the security and presence in the schools. From August 2023 to February 2024, WPD had almost 3,000 school visits and 300 substation visits. That totaled almost 1,000 hours of time police officers spent inside the schools in addition to the six SROs activity and time spent in our schools.

2023-24 Totals

- 4,730 school visits
- 477 substation visits
- 1,812 hours of time police officers have spent inside the schools.

These figures do not include the six School Resource Officers' activity and their time spent in Westfield schools.

Carmel Housing Task Force releases initial recommendations

Report among first critical step in addressing housing inventory & needs

The REPORTER

The Carmel Housing Task Force, a team of local leaders, experts, and Carmel citizens established to study the state of housing in the city, shared its report in a public meeting this morning.

Designed to ensure the housing needs of all Carmel residents and support workforce needs of the business community, the task force was announced in February to take a lead role in informing the city's future housing strategy.

The task force spent the past months learning from residents about the housing needs of the community and from industry experts about best practices to support them, looking to data and trends from the city, region, and nation.

Over a series of eight meetings that included robust input from the community, the task force identified key challenges related to the housing market, including lack of supply, increased and shifting demand, and affordability.

Highlights from the 13 key recommendations included in the **Finding and Recommendations Report**:

- Continuing the work of the task force by making it a permanent committee to advise the mayor

- Developing a housing strategy and vision plan to further identify the life cycle of housing needs

- Facilitate development of missing middle housing – smaller ownership units desired by both seniors looking to downsize and young, first-time home buyers

- Adopt a development strategy for new apartment construction
- Acquisition of green space

Mayor Sue Finkam formed the committee with three goals in mind: securing data to better understand the myriad issues facing the city, providing transparency through engaging residents in the process and creating a blueprint to support a long-term plan.

Noting that, as part of Carmel's recent community survey, 97 percent of respondents described the quality of life in Carmel as excellent, Mayor Finkam emphasized that housing plays a key role in supporting livability.

"Lack of desired housing leads to lifestyle compromises, talent and business attraction concerns. These can all negatively impact the way we interact with and enjoy our community, and our potential future success," Finkam said. "We have led on the issue of providing viable and varied housing options, and we will continue to lead on this issue."

Mayor Finkam will continue reviewing the findings

Finkam

of the group and expressed thanks to the task force members, citing their tireless efforts and thoughtful recommendations.

"This work will serve as a vital resource as we strive to create better housing solutions for our residents," she said.

Task force members:

- Adam Aasen, Carmel City Council
 - Dave Bowers, Carmel Redevelopment Commission
 - Barbara Eden, Carmel resident
 - Todd Fenoglio, Carmel Clay Schools

Harvest season is here: tips to stay safe around farm equipment while driving

The REPORTER

Harvest season is officially underway for Indiana's 94,000 farmers, which means more slow-moving farm equipment will be on Indiana's rural roads and highways. To keep Hoosiers safe this year, state agencies are asking motorists to be alert and patient, as they share the road with farm equipment this fall.

"The fall is an exciting time for all Hoosiers as the temperatures cool and the leaves turn colors. And Hoosier farmers share that excitement as they prepare to begin harvest," said Lt. Gov. Suzanne Crouch, who serves as Indiana's Secretary of Agriculture and Rural Development. "While

traveling rural roads and highways this fall, remember to watch for large farm equipment moving between fields as they work to harvest the crops, and be sure to know the proper steps to safely navigate around."

In 2022 four vehicles were involved in crashes with farm equipment in Indiana which resulted in one death, according to the National Highway Traffic Safety Administration.

"Moving farm equipment can be one of the most dangerous parts of a farmer's job," Indiana State Department of Agriculture Director Don Lamb said. "When motorists know how to safely navigate around farm equipment, our roads are safer. By

working together, farmers and everyday Hoosiers can ensure they arrive safely to their destination."

Farm equipment during harvest season could include tractors, combines, grain carts, grain wagons, and large trucks hauling agricultural products. These vehicles are wide, sometimes taking up most of the road, and often travel at speeds no greater than 25 mph.

The following list includes several safety tips for motorists approaching large farm equipment:

- Farmers will pull over when they are able to let motorists pass, but it may take time for them to get to a safe place to do so.
- Be alert. Farm equip-

ment is wide, sometimes taking up most of the road.

• Be careful when passing. Do not pass in a designated "No Passing Zone" or within 100 feet of any intersection, railroad grade crossing, bridge, elevation structure or tunnel.

• Do not try to pass a slow-moving vehicle on the left without ensuring that the vehicle is not planning a left turn. It may appear that the driver is pulling over for you to pass when it is actually preparing to turn. You will drive right into its path, endangering yourself and the farmer.

• Avoid tailgating, as some farm equipment might have to make sudden stops along the road.

• Allow plenty of time to get to a destination, be aware of alternate routes and avoid distractions.

"When you see farmers out working and moving from field to field, please be patient as they work to harvest their crops which

are needed to help feed our communities and the world," said Doug Carter, Indiana State Police Superintendent. "Let's all work together to help ensure everyone's safety on our roadways."

U.S. Postal Service to unveil *Madonna & Child* Christmas stamp

The REPORTER

The United States Postal Service and Newfields will hold a special dedication stamp event for the Madonna and Child holiday stamp at 11:15 a.m. on Tuesday, Sept. 17, at the Pulliam Family Great Hall and Golden Gallery entrance, Newfields, 4000 Michigan Road, Indianapolis.

The 2024 USPS Christmas stamp features the painting *Madonna and Child* from the Workshop of Sassoferrato (Italian, 1609-1685) from the Indianapolis Museum of Art's permanent collection. William Gickler was the art director and Greg Breeding designed the stamp, which will be sold in booklets of 20.

"The Madonna and Child stamp has been a beloved part of the Postal Service's holiday stamp offerings for decades," USPS Indiana District Manager Christi Johnson-Kennedy said. "It is an honor to have the original painting featured on the 2024 Madonna and Child stamp on display here in Indianapolis at Newfields."

Participating in the ceremony along with Johnson-Kennedy will be Indianapolis Postmaster Keith Blane; Melvin & Bren Simon Director of the Indianapolis Museum of Art, Belinda Tate; Linn's Stamp News Editor Jay Bigalke; and Roxy Sperber and Sadie Arft from Newfields' Conservation and Curatori-

al departments. A musical performance from the Indy Baroque Orchestra will feature Tom Gerber on the Shortridge Harpsichord and Artistic Director Barthold Kuijken on the flute.

Attendees are encouraged to RSVP at discovernewfields.org/stamp-unveiling-2024. The event is free and open to the public.

Fishers Honors Programs for Our Veteran Community

Fishers has a program that Honors our Local Military Veteran community in which the Fishers DPW provides Hometown Help for Heroes. When a household head is deployed, they provide driveway and sidewalk snow removal in the winter and lawn mowing, trimming services as needed during the summer. Who qualifies for this Hometown Help for Heroes program:

- Any family who can demonstrate that at least one of the heads of household are currently deployed in a branch of our country's armed forces
- The household must live in Fishers
- The household is eligible for these services for the duration of the deployment

Share the program links below so we may reach those who are currently deployed or soon to be deployed and living in Fishers. Also, the first link talks about the Local Hero Light Pole Banners and brick pavers to Honor our local Heroes.

ISO's popular *Uncharted Series* returns with all-new *Gershwin x Queen: Bohemian Rhapsody in Blue* featuring Steve Hackman

The REPORTER
The Indianapolis Symphony Orchestra (ISO) welcomes conductor and composer Steve Hackman on Sept. 18 to the Hilbert Circle Theatre in downtown Indianapolis for an exciting new fusion concert.

Maestro Hackman leads the orchestra for his all-new *Uncharted Series* work *Gershwin X Queen: Bohemian Rhapsody in Blue* featuring George Gershwin's *Rhapsody in Blue* and Queen's "Bohemian Rhapsody": two of the most beloved, ubiquitous compositions in the history of music.

Each work challenged the traditions of their medium by thrillingly combining disparate genres of music: Queen fusing classical, opera, and vaudeville with rock and roll, and Gershwin melding classical with jazz and musical theatre. *Bohemian Rhapsody in Blue* follows this tradition by combining the pieces themselves, aligning and synthesizing their many kaleidoscopic musical sections to create a cohesive new whole that is at once Gershwin and Queen, and leaves you marveling at the genius of the original compositions.

The *Uncharted Series* creates new avenues for audiences to explore classical music through the lens of pop and rock genres. Arrive early to enjoy the lobby experience, including a bar with alcoholic and non-alcoholic selections, a live deejay, the chance to connect with ISO community partners IndyHub and the ISO's young professionals' group Forte, and Indy CD & Vinyl.

Tickets are on sale now at IndianapolisSymphony.org.

About Steve Hackman
A multi-hyphenate music powerhouse and creative visionary, Steve Hackman is a daring voice intent on redefining art music in the 21st century, "with an innovative brilliance and style reminiscent of the late, great maestro Leonard Bernstein" (Tom Alvarez, *On the Aisle*). Trained at the elite level classically but equally adept in popular styles, his breadth of musical fluency and technique is uncanny – he is at once a composer, conductor, producer, DJ, arranger, songwriter, singer, and pianist. He uses these polymathic abilities to create original music of incisive modernism yet rooted in elevated classicism.

Hackman's groundbreaking orchestral fusions known as SYMPHONY-FUSE, such as Brahms X Radiohead and The Resurrection Mixtape (Mahler X Notorious BIG X Tupac Shakur), are introducing the symphony orchestra to its future audience; he has conducted these pieces to sellout houses across the country with the orchestras of Philadelphia, San Francisco, Dallas, Seattle, Pittsburgh, San Diego, Colorado, Phoenix, Nashville, Oregon, Indianapolis, Grand Rapids, Columbus, Charlotte, Southwest Florida, Alabama, Colorado Music Festival, and the Boston Pops.

AG Rokita: laws protect Jewish individuals from antisemitic harassment on campuses

Submitted by Office of the Attorney General

At a time of unprecedented antisemitism across the United States, Indiana Attorney General Todd Rokita makes clear in an advisory opinion that laws protect Jewish individuals from many forms of antisemitic harassment in educational settings.

In the three months following the Oct. 7, 2023, massacre in Israel, the Anti-Defamation League recorded 3,291 antisemitic incidents across the United States – a level unprecedented during any previous three-month period over the last decade and a 361 percent increase compared to the same period the previous year. On university campuses in particular, antisemitic incidents have recently increased again as colleges resume classes for the fall semester.

“Antisemitism is an evil that spreads beyond the confines of college campuses into the fabric of general society,” AG Rokita said. “We must deal with this ugliness

wherever it arises.”

AG Rokita issued the advisory opinion in response to inquiries from Rep. Craig Haggard (R-Mooresville).

“Before we can take additional steps to protect our Jewish students and all Hoosiers, it is vitally important to start with the facts.” Rep. Haggard said. “I want to thank the Attorney General for his opinion and support of the Jewish community.”

Although often veiled in the guise of support for Palestinian innocents, the words and actions directed against Jewish people have all too often crossed the line from legitimate expressions of opinion into something far more sinister: harassment, threats, and intimidation that endanger Jewish people’s safety and in fact violate the law.

“The Indiana Code and various federal civil rights laws prohibit discriminatory conduct based on one’s

Rokita

religion, shared ancestry, or ethnic characteristics in, among other places, educational settings,” the advisory opinion states. “Those laws apply to Jewish individuals as much as they do

other protected classes.” In particular, the advisory opinion cites Title VI of the Civil Rights Act of 1964, Title VII of the Civil Rights Act of 1964, and the Indiana Civil Rights Act (Ind. Code art. 22-9).

“Many of these laws impose affirmative obligations on educators at the university and K-12 levels to combat antisemitism when it arises,” the opinion further states. “In particular, educators may in many cases be required to take affirmative steps to end harassment, intimidation, and violence against Jewish individuals in the educators’ schools and on their campuses.”

Shop local at County Fairgrounds featuring Indiana Grown products

The REPORTER

On Saturday, Sept. 14, Indiana Grown will hold the Indiana Grown Marketplace at the Hamilton County Fairgrounds, 2003 Pleasant St., Noblesville. This event will feature of over 60 local vendors, food trucks, and artisans.

“This is a great opportunity to meet the owners of small businesses from across Indiana,” said Lt. Gov. Suzanne Crouch, who serves as Indiana’s

Secretary of Agriculture and Rural Development. “The Indiana Grown Marketplace will show the great quality and taste of products made by Hoosiers for Hoosiers.”

This free event will take place from 9 a.m. to 3 p.m. Sept. 14 at the Hamilton County Fairgrounds. Items featured include hand crafted jewelry, fresh baked goods, food trucks, body care items and more all created by Indiana Grown members.

“There is nothing like seeing the faces behind the businesses that drive the Indiana economy,” Indiana State Department of Agriculture Director Don Lamb said. “This is a great opportunity to bring your friends and family and support our local Hoosier artisans and entrepreneurs.”

The first 100 attendees will receive a free tote bag.

TODAY'S BIBLE READING

CROSSING THE SEA

When Pharaoh let the people go, God did not lead them on the road through the Philistine country, though that was shorter. For God said, "If they face war, they might change their minds and return to Egypt." So God led the people around by the desert road toward the Red Sea. The Israelites went up out of Egypt ready for battle.

Moses took the bones of Joseph with him because Joseph had made the Israelites swear an oath. He had said, "God will surely come to your aid, and then you must carry my bones up with you from this place."

After leaving Sukkoth they camped at Etham on the edge of the desert. By day the Lord went ahead of them in a pillar of cloud to guide them on their way and by night in a pillar of fire to give them light, so that they could travel by day or night. Neither the pillar of cloud by day nor the pillar of fire by night left its place in front of the people.

Jeffrey Keith Jones
February 5, 1958 – September 8, 2024

Jeffrey Keith Jones, 66, Greeneville, Tenn., passed away Sunday, September 8, 2024, in Welch, W.V.

Jeff's family life began at the First Church of God over 40 years ago where he met Karen Wicker Jones on church volleyball night; they were soon married October 1984. Eventually they dedicated to the Lord and raised two children in the church, Jedidiah Jones (wife Rachel and children Jayce, Aubrey, and Amelia) and Abigail Jones Boven (husband Sam). Jeff's pride and joy were not only his children but his three precious grandchildren as well.

Jeff enjoyed being involved in various activities at First Church over the years. He sang in the choir, participated in various roles for the Life of Christ Easter Drama, participated in Promise Keepers, traveled to Haiti with the church mission team, was the caretaker for Locust Springs Christian Retreat Center for several years, served as a Steward, was a part of the Crisis Response Team, and started the Monday night pickleball ministry. Jeff considered the church his family.

Every morning for over 15 years, Jeff would play racquetball, practice Jeet Kune Do, or play pickleball where he was a member at the YMCA. While staying active he made many friends over the years.

Jeff worked at DTR/SumiRiko for 20 years and was retired for two years. During his retirement, he began to live his life to the fullest by going on adventurous motorcycle rides, wood working, and finishing projects around his home and his children's homes.

As a lifetime member of the Defenders Law Enforcement Motorcycle Club of Greeneville, Jeff held the position of treasurer. He considered the group of members as brothers that only fellow motorcyclists and club members could understand.

Jeff played on the Roy Hobbs Baseball League and enjoyed the fellowship with all the players on the team.

Jeff attended and loved to watch all the sports his grandchildren played. Basketball, cheerleading, and volleyball for Doak Elementary and baseball for the Chuckey Ruritan, he never missed the chance to cheer them on!

He is survived by his wife: Karen Wicker Jones, spouse of 40 years; a son: Jedidiah Jones, (daughter-in-law Rachel), three grandchildren: Jayce, Aubrey, and Amelia; a daughter: Abigail Jones Boven (son-in-law Sam) all of Greeneville; a sister: Jennifer Beaty of Greeneville; uncle: Gary Brown (wife Amy) of Greeneville; brother-in-law: Eric Wicker; sisters-in-law: Holly Wicker and Nicole Wicker, all of Lansing, Mich.; brother-in-law: Chris Wicker (wife and daughter, Kathleen and Joslyn) of Tustin, Mich.; a special "aunt-in-law" Shirley Jennings; lifelong friends from Westfield.

He was preceded in death by a daughter: Meghan Jones; parents: Jay D and Rosa Lee Jones; mother-in-law: Mary Jo Taylor Wicker; and a special "uncle-in-law" Ronald Jennings.

Visitation for family and friends will be from 5 to 8 p.m. Friday, September 13, 2024, at First Church of God, 1505 W. Main St., Greeneville, Tenn.

All are invited to the funeral service, which will be held at 2 p.m. Saturday, September 14, 2024, at Greeneville First Church of God, 1505 W. Main St., Greenville, with Pastor Gerald Rudd officiating.

The interment will be held at Mt. Home National Cemetery at a later date.

Honorary Pallbearers will be Defenders Law Enforcement Motorcycle Club.

Kiser-Rose Hill Funeral Home is in charge of arrangements. Online condolences may be sent to the family at kiserrosehillfuneralhome.com.

See you in the parks!

Royals sweep rival Tigers for Mudsock win

By **RICHARD TORRES**
For The Reporter

FISHERS – The Fishers Tigers jostled the Hamilton Southeastern Royals’ crown momentarily on Thursday night, but they could do little to dethrone the nation’s third-best volleyball program.

The host Tigers forced 18 ties through three games and led by as many as three points in the first set against Class 4A No. 1 HSE, and then the Royals remembered who they are.

The two-time defending state champion Royals put together a pair of decisive runs in the first and second sets to win both games by a margin of 25-17 before capping their three-game, Mudsock sweep 25-14 in the third.

“Both of our soccer teams tied (Fishers this week), so we were kind of that match that decides the Mudsock. We’re in the lead now, so that’s really good for our team,” HSE senior Lindsey Mangleson said. “I feel like this win was really good because there’s just so much energy here. We just all played out, and it really feels good.”

Playing in front of a lively crowd at Fishers High School, both rival Hoosier Crossroads Conference programs battled through four ties and two lead changes in the first set and nine ties in the second with six lead changes.

In both sets, Mangleson, a Mississippi State recruit, powered HSE’s deciding rallies, including an ace in the first, which kicked off a 7-3 run, and a kill for the fourth point during the sec-

ond set’s 10-3 swing. The Tigers (11-6, 2-1 HCC) and Royals (11-1, 2-1 HCC) were deadlocked 9-9 in the first before HSE charged ahead 16-9. In the second, an 11-11 tie quickly turned into a 21-14 HSE advantage.

“I feel like we had all the momentum, and then we just made big defensive plays that helped us push, and we just won the game,” said Mangleson, who was named the game’s inaugural most valuable player.

“I feel like we had a lot of pressure in the beginning of the season, and then we lost to Brownsburg (3-1 on Aug. 29). I feel like that really took the pressure off, and I feel like we’ve just come out and played our hardest and are coming and playing like we’re ranked.”

A state champion in 2022-23 with a record of 34-1 and again in 2023-24 with a flawless 33-0 record, the Royals showcased their championship pedigree with consistent attacks spearheaded by senior setter Ava Hunter, a Loyola-Chicago commit.

Hunter routinely fed 6-foot-2 Mangleson and junior Madison Miles, an Illinois recruit, to tame any potential rallies by the Tigers.

“In a rivalry such as this, records and favorites don’t matter. It’s about who can get the job done on this particular night in front of a really good crowd on both sides,” HSE head coach Jason Young said.

“I’ve always said, it’s special just because we’re playing against neighbors, against teammates, against people we care about. Usually, it’s just about fun brag-

ging rights and that makes this game special. It’s one district with two schools, but we’re all in this together.”

Both teams were invested in the outcome with Fishers senior Elaina Wehman, sophomore Milana Mays, sophomore Ella Drago, senior Ava Gutt and senior Aubree Valcourt keeping the Tigers in the match with strong net play.

A dig by HSE junior defensive specialist Mia Walpole swung the momentum for good in the second set, however.

With the ball volleyed over the HSE bench, Wal-

pole tracked down the Tigers’ attack and dove through the sideline chairs to keep the rally alive. A few exchanges later, a Raeagan Miles block put the Royals up 20-14.

“I think it was a pretty cool moment. I think it definitely changed the momentum of the game, which is really fun,” Walpole said. “In practice, we’ve really been working on defense a lot yesterday, so I think we came in really prepared and with the right mindset.”

Walpole’s all-out effort fueled the Royals, who completed their 10-3 run

and resumed later with a 4-2 finale.

“That was one of the biggest momentum changes for us. I feel like after that point, we just had all the momentum. It was a game changer,” Mangleson said.

Fishers led the third set through five ties to start before HSE ran away with a 13-3 run.

“I don’t think we felt any pressure. I don’t think we were cocky, but we were very confident in ourselves, and we knew what we had to do. We executed really well,” Walpole said.

The Royals relished the rivalry win, but there’s still more to do, said coach Young.

“The way that this group is built, I don’t think there is any satisfaction. I don’t think we’re done hunting. I think we still have something to prove, and we still have something to show. We’re looking for the next crown,” Young said. “The crown that’s in the rearview mirror is done. It’s about the crown that’s in front of us, and that’s what we’re after. Again, there’s a target on us, and good for that, but we’re not done hunting.”

Rocks get the comeback, Huskies finish conference play unbeaten, University & Sheridan achieve sweeps

By **RICHIE HALL**
sports@readthereporter.com

WESTFIELD – The Westfield volleyball team scored a comeback win over Noblesville Thursday at CSI Gymnasium.

The Shamrocks were down two sets to none before powering through the third and fourth sets. Westfield then won the winner-take-all fifth set to clinch the Hoosier Crossroads Conference victory. The set scores were 22-25, 20-25, 25-12, 25-16, 15-12.

The Millers built a 17-11 lead in the first set before the Rocks came back to tie it at 20-20. But Noblesville surged ahead by winning five of the last seven points; Kennedy Lutz served an ace on set point.

In the second set, the Millers steadily gained a lead on Westfield, with Chloe Macias making two kills and a block to help get Noblesville ahead 13-8. The Shamrocks battled for the entire set, but a net tip from Lauren Flynn gave the Millers set point, and they won that point to go up 2-0 in sets.

Westfield barreled through the third set, making four- and five-point runs to take a 16-5 lead. Audrey Bassett, Carsyn Com-

er and Paige Rudolph all hit multiple kills, with Comer serving an ace during the set. The Shamrocks repeated themselves in the fourth set, going up 8-3 thanks to two Comer aces, and a block by Izzy Jackson.

A Comer net tip pushed Westfield ahead 14-8, then Audrey Davis smacked a kill to give the Rocks a 19-13 advantage. Comer made a successful block to get Westfield to set point, and the Shamrocks soon had the match evened up.

The fifth set was a battle, with both teams making big plays. Ashlynn Turner hit two kills to take Noblesville from being down 3-2 to up 4-3. Macias made a block to give the Millers and 8-6 lead, then Lutz powered a kill to put Noblesville ahead 9-7.

But Davis ended that with her own kill, which started another Westfield run. Ava Stewart stepped up and served consecutive aces, Comer made a block and Stewart hit another ace to put the Shamrocks up 12-9. Comer hit a kill on match point to complete the Westfield comeback.

“After starting down two sets tonight, I thought the Rocks came back and fought with grit and against some adversity,” said West-

field coach Emily Jackson. “It was a total team win where people had to play different positions. Everyone had to step up.”

Rudolph finished with 15 kills for the Rocks, followed by Comer with 10, Davis with eight and Bassett with eight. Kendyl Strack had 22 digs, with Bassett collecting 21 and Jackson making 20. Emily Blevins dished out 25 assists and Jackson handed out 24.

Macias led Noblesville with 18 kills and five blocks. Turner hit 12 kills and Flynn had 11. Maggie Hall made 20 digs and Madison Brown had 14.

Westfield is 3-0 in HCC play and 11-3 overall, and travels to the Hamilton Southeastern Showcase on Saturday. The Millers are 0-3 in the league and 6-3 overall, and host their own

invitational on Saturday.

Hamilton Heights finished up Hoosier Conference play unbeaten by sweeping Western on Thursday.

The Huskies won 25-17, 25-14, 25-15. Heights picked up its serve receive during the second set and worked through different lineups while getting the victory.

Heights is 3-0 in conference play and 14-3 overall. The Huskies play at Noblesville on Tuesday.

University swept Shortridge Thursday for a Pioneer Conference victory.

The Trailblazers won 25-9, 25-15, 25-11 to move their PAAC record back above .500 at 3-2. University is 5-5 overall and hosts Herron Tuesday.

Carmel was swept by Tri-West in a Thursday home match, 25-15, 25-23, 25-19.

The Greyhounds are 3-11 and play Saturday at the Brownsburg Round Robin.

Guerin Catholic was swept by Western Boone at home Thursday, 25-19, 25-20, 25-16.

The Golden Eagles are 3-9 and host Brebeuf Jesu tonight in a Circle City Conference match.

Sheridan improved to 3-1 in Hoosier Heartland Conference play with a sweep of Carroll on Thursday.

The Blackhawks won 25-12, 25-20, 25-22. Kenzie Garner led the offense with eight kills, while Adria Jump put down five kills. Lainey Mendenhall

and Trinity Parkin both hit four kills, while Beth Adams and Nova Cross both hit three.

Ali Pickard hit four aces and won 14 out of 17 service points. Cross also served four aces, Jump had three, and Krupp and Garner both served two. Jump dished out 19 assists while Garner added three and Cross dished out two.

Krupp led the defense with 14 digs, while Garner had 10. Jump collected seven digs, followed by Cross with six and Pickard with five. Mendenhall made two solo blocks and Garner had one.

Sheridan is 9-6 overall and has a busy week next week with four matches. The Blackhawks host Tip-ton Monday; the team will celebrate its youth players in between the junior varsity and varsity matches.

This week, see two huge all-county matchups: Midland Trail & Mudsock

By CRAIG ADKINS
For The Reporter

6A No. 2 Westfield (3-0, 1-0) at 6A No. 11 Noblesville (2-1, 0-1)

The Millers and Shamrocks will meet for the 30th time on the gridiron on Friday at Beaver Stadium, playing for the Midland Trail trophy. Westfield holds a 19-10 record in the series.

Last Friday, the Rocks hosted Zionsville and won 28-10 to start Hoosier Crossroads Conference play off on the right foot. Carsen Melvin and Mikeah Webster each rushed for touchdowns and Melvin also threw for two more.

Westfield got up 14-0 in the first and held the Eagles to a field goal in the second for a 14-3 halftime lead. Two more touchdowns in the second half pushed the Shamrocks to the league win.

Junior Deacon King led with 70 yards on 12 carries and Webster added 61 on 13 runs. Along with his two TD throws, Melvin was 12 of 17 for 143 yards and has now completed 38 for 53 for 71.7 percent efficiency through three games.

Noblesville dropped a heartbreaker in overtime at Fishers last week, 17-14. The Millers led 7-0 at halftime on a rushing score from Israel Oladipupo. They would pad their lead with 5:48 left in the game on a Ty Holmes rushing TD.

Fishers would rally for two touchdowns in the final four minutes to force OT and then the Tigers kicked a field goal to win in their OT possession.

Holmes led Noblesville with 94 rushing yards on 13 attempts.

Fishers (2-1, 1-0) at 6A No. 5 Hamilton Southeastern (3-0, 1-0)

The Tigers pulled off the

comeback of all comebacks. Down 14-0 in the fourth, they stormed back with two touchdowns to force OT with Noblesville.

Carson Eloms caught a 48-yard touchdown from Gage Sturgill to cut the lead in half at 14-7 with 3:57 left. Sturgill then found JonAnthony Hall for a nine-yard score to tie it 14-14. Jon Tangara kicked a 22-yard field goal to win it in OT, 17-14.

Brady Griffiths had 91 yards rushing and Hall caught 11 passes for 97 yards with Sturgill passing for 177.

The Royals own a 17-11 mark in the all-time series. Southeastern started HCC play on the road at Avon and came home with a 28-10 win.

Carter Reed helped regain the lead at 14-10 late in the third. The advantage lengthened when Ty Earlewine intercepted an Avon pass and ran it back for a TD, pushing the lead to 21-10. Chandler Weston put the icing on the cake with a five-yard touchdown pass to Kendrick Pennybaker.

Brennan Baker, Reed and Weston combined for 200 rushing yards.

Including playoffs, HSE has won six in a row overall and four Mudsock games in a row.

Brebeuf Jesuit (2-1) at 3A No. 4 Guerin Catholic (3-0)

Guerin Catholic opens Circle City Conference play at home Friday against Brebeuf Jesuit. Last week, the Braves doubled up Class 6A Harrison at home, 56-28.

The Golden Eagles started fast in last week's game at home with Heritage Christian, winning 53-34. Jack Linden ran in the first score just over a minute in and Aiden Horn caught a

pair of TD passes from Malcolm Houze in the last couple minutes.

Linden had a career game with 44 rushes for 325 yards and three touchdowns. Houze was very effective in the pocket, going 9 of 12 for 150 yards and four touchdowns. Hayden Cler reeled in five for 88 yards for a TD and a 2-point run and Horn snagged three for 54, two for TDs.

Louisville Trinity (KY) (2-1) at 6A No. 7 Carmel (2-1)

For the ninth time, Trinity and Carmel get together on the football field for a meeting of powerhouses. Trinity won last year's game in Kentucky, 41-14.

The two-and-a-half-hour bus ride to Centerville, Ohio didn't affect the Greyhounds at all last Friday. The Hounds cruised to a 44-23 win over the host Elks.

Carmel stormed out to a 20-0 lead through one quarter, thanks to a pair of Andrew Pemberton rushing touchdowns and Jacob Bellin catching a TD from Anthony Coellner. Lukas Krishtanmoorthy made a field goal for the halftime score of 23-10.

Pemberton reached 100 yards for the second time in three games. Coellner completed 19 of his 29 passes for 185 yards and two TDs. Nathan Williams caught nine of those Coellner passes for 104 yards and a TD.

Sheridan (1-2) at Clinton Central (2-1)

The Blackhawks head north into Clinton County to face the Clinton Central Bulldogs in Hoosier Heartland Conference tilt. Last week, the Bulldogs got their first loss at Clinton Prairie, 46-28.

Sheridan was able to get its first win of the season, blanking HHC rival Tri-Central, 29-0. After a

Julie Brown / File photo

Fishers' JonAnthony Hall caught the game-tying touchdown in the fourth quarter of the Tigers' win over Noblesville last Friday. Fishers plays at Hamilton Southeastern tonight in the Mudsock game.

0-0 first period, the Blackhawks flipped a switch. Alex Cravens scored the first TD with a few minutes left in the second on an 18-yard run.

Sophomore Brock Hagan got the start at quarterback. Hagan threw TDs of 42 and 41 yards in the third and fourth quarters, respectively. He also had a three-yard rushing touchdown in the third.

Hagan completed 5 of his 8 passes for 121 yards. Caleb Alexander caught three of those passes, two

for scores, for 105 yards. Jaylen Arnold had a solid night in the backfield, rushing 20 times for 109 yards.

The Blackhawk defense held the Trojans to negative 4 passing yards and just 134 rushing yards, while also forcing two fumbles (recovering one).

Hamilton Heights (0-3) at Danville (2-1)

Friday night will be the first meeting between Hamilton Heights and the Danville Warriors.

After a season-opening loss to Gibson Southern,

Danville has rebounded for two straight wins against Purdue Poly Englewood and at Lebanon.

Last week, the Huskies lost to McCutcheon 31-2 on the road. Nick Bichey got a safety to score the Huskies' only points.

Sophomore quarterback Drew Woodruff is 45 of 94 for 440 yards through his first three games. Senior Keaton Weaver leads the receptions with 14, totaling 152 yards. Senior Tyler Champion has 12 catches, for 155 yards.
