HHMS Junior Team advances to State Soils Judging Contest

The REPORTER

Two Hamilton Heights Middle School teams and a senior from Hamilton Heights High School recently competed in the Area 6 Soils Judging Competition held in the Shelby County area.

Soils judging involves members demonstrating their understanding of soil physical properties and corresponding best use management practices for farmland use and/or home site development. Members are tested on their abilities to determine soil texture, drainage, slope, and determine if the site is eligible for various uses. While at the area contest, students judged four different holes.

This is Our world: Your world: My world: Everyone's world!

Let me tell you about Pavel's world. Pavel, as in Carmel resident Pavel Polanco-Safadit; as in international jazz musician, Pavel; as in Pavel, executive director at Amigos, the Richmond Latino Center, a champion of inclusion, diversity, and cross-cultural education; as in Pavel, the travel, food, and culture host for WISH-TV's Pavel's World segment. Pavel, as in . . . well, you get the point. I could fill a page of Pavel purpose. He is a person of many "as ins."

I first became aware of Pavel earlier this year while watching him perform alongside his musical compadres, Direct Contact, at The Jazz Kitchen in Broad Ripple.

Pavel and the venue are a harmonious match made in heaven, one of the reasons live music was invented – and quite possibly why he was born. Pavel's a showman through and through. Gregarious. A keyboard-wide smile.

Lost in tropical song zones, he's a whirlwind dervish of Latin rhythms and tempos; a kinetic force at the keys, a flurry of ivory strikes (occasionally, he raises and bends his elbow with a flourish, as if adding an exclamation point to the moment); a glissando here, a glissando there; a herky-jerky live-wire act with legs back-kicking dangerously

Taking home first-place honors in the junior division, the Hamilton Heights FFA Juniors 1 team, consisting of Annie Sheller (1st Individual), Jackson Fite (3rd Individual), Hallie Sheller (4th Individual), and Kaylee Smith (11th Individual), advance to state level competition.

“Annie’s score, as a junior competitor, was the best overall score,” Emilie Carson said. “Technically, she won the entire contest!” The top junior team’s score would have placed second in the senior division.

HHMS Juniors 2, consisting of Davie Sheller (6th Individual), Abby Sheller (9th Individual), James Fenelon (12th Individual), and Zoe Kincaid (13th Individual), also performed well, placing third in the junior division.

“For the past few years, Heights has not been as active in Soils Judging,” Carson said. “Thanks to coach Adam Sheller, our soils judg-

Sheller said, “With a couple of junior teams like this, our future looks bright in soils judging. Every coach and competitor dreams of

that Oklahoma red dirt (National Soils Judging Competition) and with teams starting this early it makes that goal attainable.”

The Fishers section of the Nickel Plate Trail stretches from just north of 96th Street to 146th Street. With the installation of the bridge, the trail will continue south to 42nd Street in Indianapolis and connect with the Monon Trail. On the northern end of Fishers at 146th Street, the Nickel Plate Trail extends nearly three miles into downtown Noblesville, where it connects with the Midland Trace Trail. When fully completed, the Nickel Plate Trail will offer 17.8 miles of natural beauty and outdoor recreation in eastern Hamilton and Marion County while connecting to more than 50 miles of regional trails.

The City of Fishers is two years into implementing its Next Chapter plan to invest in outdoor recreation and enhance its existing 120 miles of trails and more than 800 acres of parkland. Earlier this year the City debuted the Geist Greenway, a five-

mile pedestrian trail from 104th Street to 126th Street in east Fishers. In collaboration with Hamilton County, the historic Bell Ford Bridge from Seymour, Indiana, will provide a safe crossing over Fall Creek at Geist Park beginning next spring.

The Fishers Department of Public Works team is also working to enhance trail amenities and address

existing gaps in Fishers’ trail system. Recently, the small gravel trailhead at 106th Street and the Nickel Plate Trail was replaced with a larger paved lot to offer easier access to the trail and Cheeney Creek Natural Area. Construction has recently concluded on a new sidewalk on the west side of Lantern Road from Pullman Pointe to south of

Morgan Drive, improving pedestrian connectivity to downtown Fishers.

Along with these efforts, Fishers has launched an interactive [Trails Dashboard](#) to help residents navigate the city’s trail system and provide real-time updates on improvements and future connections. The dashboard is available at FishersIN.gov/Trails.

Tell us about memories of your homeland.

I grew up in San Francisco de Macoris. When you don't know what's out there, and you don't know how other people live, you think you're on top of the world. I had a wonderful family. What I remember is I hardly wore shoes. I had one pair for school. I got a basketball from somewhere and created my own hoop. We played on a dirt court. We didn't have much money, but I had a really beautiful childhood.

Music came at an early age. You created drums and guitars from whatever materials were handy, but it was the piano that was life-changing.

I was 11. A missionary

Pavel Polanco-Safadit (far left) leads Latin jazz band Direct Contact during a recent gig at The Jazz Kitchen. “I've known Pavel for almost 10 years, and he's changed my life. at the Episcopal Church gave me a quick lesson. We didn't own a piano. The next day, I practiced from memory for almost three hours at mom's table. I just imagined the keys. Within a month, I was playing “The Entertainer.”

Impressed, you were given a key to practice after hours?

My grandfather walked with me to the church at 2:30 a.m. every day. He'd hold my hand and, for protection, he'd also hold a machete. I'd practice till 7 a.m. — seven days a week. My grandfather never complained. He woke up, and he took me there. That was his gift, an eternal gift to me. I knew exactly what I wanted. That's when it began, the wanting to do music, to create my own world.

You earned a music scholarship in the States. How'd that happen?

I basically had a 1 percent chance. I practiced like crazy, working even harder. Close to 100 students auditioned, and I won a scholar-

ship to the University of Arkansas. It was my one shot. I gave it my all.

The scholarship didn't exactly put you on Easy Street, correct?

I knew zero English, not even “thank you.” I studied for the TOEFL (Test of English as a Foreign Language), which you had to pass to enter college. The times I took it, I didn't make enough points. It was really hard! It was too big of a monster for me.

I saw all my dreams crashing. I bought a plane ticket for home, but the night before my flight, I got a phone call from a woman who tutored me. She and her husband had worked behind the scenes, resulting in the university allowing me to stay. I had a lot of people helping me out, man. I couldn't do it alone.

Music Ed Fest raises thousands of dollars and helps hundreds of aspiring musicians in the Dominican Republic. Why is this important to your legacy?

I don't come from money, but I learned from my parents that you have to help other people. It doesn't matter what situation in life you are in, there are always

ways to help. I haven't forgotten that.

My grandparents had a little farm, and several times a year I was part of filling bags — like 300 bags — with fruit and vegetables and giving them to people in need. Now, when I go back, I sit down with the kids, teach them how to read music, and help them study to get into the National Conservatory of Music. Not only have some studied there, some now work there. It's just beautiful. One student is entering the University of Miami.

It's just beautiful to be part of helping make somebody else's dream come true.

A quarter century has passed since leaving the DR. Do you feel a sense of belonging in Indiana?

I do. Indiana is where I have lived the longest in my life. This is my home. My friends are here. This is where I developed as a person and as a musician, in many ways. Yeah, this is my home. I'm not moving.

Fiddler on the Roof tradition returns to Beef & Boards

Two performances added due to demand

The REPORTER

In a true celebration of tradition, Beef & Boards Dinner Theatre’s 2024 Season concludes with *Fiddler on the Roof*, now on stage.

This heartwarming, nine-time Tony Award-winning musical marks its 60th Anniversary this year, and the show has created such demand that two shows have just been added.

Douglas E. Stark reprises his favorite role of Tevye, the poor milkman, who is the center of this touching story set in the tiny village of Anatevka. Tevye does his best to protect his five daughters and instill them with traditional values, even in the face of changing times and social principles. Iconic songs include “Sunrise, Sunset,” “If I Were A Rich Man,” “Miracle of Miracles,” and “Matchmaker.”

Fiddler on the Roof has been a tradition at Beef & Boards, where it ties with *The Sound of Music* for the most productions in the theatre’s 51-year history (nine each), with the exception of the theatre’s holiday production, *A Beef & Boards Christmas*.

For owner Doug Stark, the ability to play Tevye has been particularly special. “Because it represents family,” he remarked. “And it’s the perfect mixture of a very touching story, but it still has a universal appeal.”

Photos provided by Beef & Boards

(ABOVE LEFT) Doug Stark reprises his favorite role, that of Tevye in *Fiddler on the Roof*, now on stage at Beef & Boards Dinner Theatre. (ABOVE RIGHT, from left) Chava (Sadie Cohen), Tzeitel (Jennifer Preston), and Hodel (Isabella Agresta) sing “Matchmaker.”

Stark has played Tevye in each of the eight Beef & Boards productions of *Fiddler on the Roof* since becoming an owner in 1980, but he’s played the role even before that at other theatres. “The role fits me. It fits my personality,” Stark said, adding “the more I’ve experienced life, the more I can bring to the character.”

Returning to the Beef & Boards stage are Judi Mann as Golde, Mark Goetzinger as Lazar Wolf, Jennifer Preston as Tzeitel, Sadie Cohen as Chava, Christine Zavakos as Fruma-Sarah, Joey Boos as Motel, Justin Tepper as Perchik, Hannah Boswell as Mother, Alex Smith as Mendel and the

Fiddler, Scot Greenwell as the Rabbi, Bill Book as Mordcha, and Jeff Stockberger as the Constable.

Making their Beef & Boards debuts are Adrienne Reiswerg as Yente, Isabella Agresta as Hodel, Kimberly Abrams as Grandma Tzeitel, and Jacob Murphey as Sasha.

Fiddler on the Roof is on stage for 52 performances through Nov. 24 in the intimate space of Beef & Boards Dinner Theatre. An evening performance has been added on Wednesday, Nov. 20, and a matinee performance has been added on Saturday, Nov. 9. Tickets range from \$55 to \$82 and include Chef Larry Stoops’

dinner buffet and select beverages. *Fiddler on the Roof* is rated PG and children under age 3 are not admitted.

Some banks have an annual day of service. That’s cute.

At our bank, community appreciation day is every day. That means a service-oriented approach that goes beyond mere marketing campaigns.

Letter to the Editor

Why I’m supporting Joel Levi for Indiana Senate District 20

Dear Editor:
As a Noblesville resident, a mom, and someone who has spent years advocating for gun violence prevention, I take the upcoming election very seriously. I’ve served in different volunteer leadership roles with Moms Demand Action for Gun Sense in America for six years, working hard to push for common-sense solutions to keep our families and communities safe.
I recently made the difficult decision to step down from my most recent position leading Indiana’s chapter to support Joel Levi’s campaign

because I believe so strongly in his ability to lead and bring real change to Indiana.
Joel Levi is the candidate we need in the Indiana Senate. His commitment to addressing gun violence and protecting our communities is unwavering. He understands the challenges we face as parents who want our children to grow up in a world where their schools, neighborhoods, and public spaces are safe. He has the courage to stand up for solutions that balance public safety with our rights, and that’s why I believe in him.
But my support for Joel goes be-

yond gun safety. He’s a champion for public education, healthcare, inclusivity, and building a stronger economy that works for everyone. Joel listens. He cares. And he’s ready to fight for all of us in District 20 – which covers Noblesville, Carmel, and Cicero.
This election is personal to me. I’m choosing to dedicate my time and energy to Joel Levi’s campaign because I know he’s the leader we need. I encourage my neighbors and fellow Hoosiers to join me in voting for Joel Levi this November.

Noblesville Schools needs level-headed folks like Crosser, Lambert & Richardson

Dear Editor:
There once was a time in America when voting for school board members was a simple matter of selecting folks with financial competence and a heart for their community.
Those days are gone.
Today it’s common across America for out-of-town, even out-of-state special interest groups to fund culture-warrior candidates bent on reshaping schools and libraries to reflect their narrow view of the world, people, religion, and history.
That’s why this is a time of book bans in America, a time when school plays that are inclusive and respectful of all people get canceled because culture warriors object. It’s a time when textbooks get sanitized, remov-

ing the Civil Rights Movement and slavery, under the new-found belief that it hurts the feelings of certain children. This is a time when we see teachers and administrators across the country attacked with odd accusations and conspiracy theories.
If you’re like me and most Americans, you fear for the future of your schools if such forces and their agenda were to take control of your local school board.
That is why I am supporting Christi Crosser, Stephanie Lambert, and Bret Richardson for Noblesville school board. All three are mainstream thinkers who respect scientists, historians, and teachers. Each has been involved in our schools for years and each have put their own

children through Noblesville Schools.
I participated in the Miller Ambassador program last year, an outreach program that gives participants an in-depth view of how our schools function, the services they offer, and the curriculum that is taught. I came away overwhelmed with pride in our community and the caring professionals who teach our children and manage the educational process.
These good people need support from well rounded, level-headed school board members like Christi Crosser and Stephanie Lambert, who already serve on the school board, and from my good friend Bret Richardson, who is running for the first time.

Crosser, Lambert & Richardson “only choice” to keep Noblesville Schools excellent

Dear Editor:
As early voting has begun and people are now going to the polls to cast their votes, I would like to publicly endorse three Noblesville School Board Candidates: Christi Crosser, Stephanie Lambert, and Bret Richardson.
I have had the opportunity and privilege to work alongside all three of these individuals while serving on the Board of Noblesville Schools Education Foundation (NSEF) with them. I have had a front-row seat to witness their passion, dedication, and their commitment to making Noblesville Schools the best! They are all active participants who roll up their sleeves and get things done, they truly love our school community, and through their combined efforts have made Noblesville Schools a district that others envy.
I don’t want to parrot what you can research on your own (which I

highly recommend you do), instead I would like to speak of their integrity and character.
Christi, Stephanie, and Bret all live in Noblesville and are part of the fabric that makes this community stand out among the others. They truly live their mission to make our schools shine, and they work endlessly to create an environment that our students and teachers thrive in. They fight for our kids and make sure that we have the highest standards within our school community. It is not always an easy job but they all stand strong in their dedication.
We are so lucky to have these three who will put themselves out there in not always the kindest of circumstances because they believe in the process, they believe in education, and have a sound vision for the future. We need more people like them ... people who give of their time and talent, sacrifice time with

their families, and tirelessly advocate for fiscal responsibility, diversity, empathy, equity, and respect within our district.
I am also very passionate about our schools. My daughter graduated from Noblesville in 2022. Her readiness that our schools provided has laid a foundation that I can never repay. We have something very special here and anyone who experiences our schools will tell you ... it is not the norm!
So, I would never endorse anyone I feel would not uphold the standards that we are used to and pride ourselves on! Christi, Stephanie, and Bret are the only choice to continue the caliber of excellency that Noblesville School District is known for. That is why I am proudly voting for Crosser, Lambert, and Richardson.

Franciscan awards nearly \$450,000 in community health improvement grants

The REPORTER

A total of 55 non-profit organizations across Indiana and Chicago’s south suburbs will receive a boost through \$448,000 in funding from Franciscan Health’s Social Impact Partnership Program (SIPP) for community health improvement programs.

SIPP is a community health enrichment program that builds partnerships with nonprofit health and human service agencies providing services in at-risk communities served by Franciscan Health. The goal of the program is to foster long-term relationships with community providers to better address significant health issues among vulnerable populations.

“This program honors the incredible work our partners provide to community members each and every day,” said Kate Hill-Johnson, administrative director of Community Health Improvement for Franciscan Health. “We are proud to support their efforts as we build the commu-

nities’ health together.”

A committee of local Franciscan Health leaders selected the funding recipients in each geographic region. Awardees were selected on the basis of program applications demonstrating their ability to address priority health needs and health equity based on Franciscan’s Community Health Needs Assessment process. Priority health issues identified include physical activity and nutrition, including food insecurity efforts; housing support; healthy relationships; mental wellness and Parent Cafés, where parents and caregivers can develop strategies to strengthen families.

Recipient organizations will collaborate with Franciscan’s Community Health Improvement team to ensure program effectiveness meets the organization’s stated goals. Participation includes orientation and progress reports at six-month and one-year intervals to be considered for future funding and support.

Lane & ramp closures to impact I-465 eastbound near Carmel

The REPORTER

The Indiana Department of Transportation has announced plans for lane closures on Interstate 465 eastbound on the north side of Marion County.

As of Friday evening, Oct. 11, crews have reduced I-465 eastbound between Meridian Street/U.S. 31 and Keystone Avenue to a single lane. The entrance ramps from Meridian Street/U.S. 31 to eastbound I-465 are closed.

The closures will allow crews to safely complete pavement restoration, bridge deck patching and joint repairs. Work is expected to last until Monday but is weather-dependent and subject to change.

INDOT reminds drivers to consider worker safety by slowing down,

using caution and avoiding distractions when traveling in and near work zones. All work is weather-dependent, and schedules are subject to change.

AG Rokita announces \$52M multistate settlement with Marriott over data breach which targeted guests' reservation info

Submitted by Office of the Attorney General

Indiana Attorney General Todd Rokita announced Wednesday that a coalition of 50 attorneys general has reached a settlement with **Marriott International Inc.**, the result of a multi-year investigation into a massive data breach which targeted one of its guest reservation databases.

Under the settlement with the attorneys general, Marriott has agreed to strengthen its data security practices using a dynamic risk-based approach, to

provide certain consumer protections, and to make a \$52 million payment to states.

Indiana will receive over \$900,000 from the settlement.

“Protecting Hoosiers’ personal data, whether they are checking into a hotel or just checking out potential travel plans, is an important priority of our office,” AG Rokita said. “That’s why we hold corporations accountable for responsibly han-

Rokita

dling consumers’ information. This settlement shows once again our resolve to make sure corporations are vigilant in following security protocols.”

The Federal Trade Commission, which has coordinated closely with the states throughout this investigation, has reached a parallel settlement with Marriott.

Marriott acquired Starwood in 2016 and took control of the Starwood computer network in 2016. However, from July 2014 until September 2018, intruders in the system went undetected. This led to the breach of 131.5 million guest records pertaining to customers in the United States. The impacted records included contact information, gender, dates of birth, legacy Starwood Preferred Guest information, reservation information, and hotel stay preferences, as well as a limited number of unencrypted passport numbers and unexpired payment card information.

Shortly after the breach of the Starwood database was announced, a coalition of 50 attorneys general launched a multi-state investigation into the breach. Today’s settlement resolves allegations by the attorneys general that Marriott violated state consumer protection laws, personal information protection laws, and, where applicable, breach notification laws by failing to implement reasonable data security and remediate data security deficiencies, particularly when attempting to use and integrate Starwood into its systems.

Under the terms of the settlement, Marriott has agreed to strengthen and continually improve its cybersecurity practices. Some of the specific mea-

asures include:

- Implementation of a comprehensive Information Security Program. This includes new overarching security program mandates, such as incorporating zero-trust principles, regular security reporting to the highest levels within the company, including the Chief Executive Officer, and enhanced employee training on data handling and security.

- Data minimization and disposal requirements, which will lead to less consumer data being collected and retained.

- Specific security requirements with respect to consumer data, including component hardening, conducting an asset inventory, encryption, segmentation to limit an intruder’s ability to move across a system, patch management to ensure that critical security patches are applied in a timely manner, intrusion detection, user access controls, and logging and monitoring to keep track of movement of files and users within the network.

- Increased vendor and franchisee oversight, with a special emphasis on risk assessments for “Critical IT Vendors,” and clearly outlined contracts with cloud providers.

- In the future, if Marriott acquires another entity, it must timely further assess the acquired entity’s information security program and develop plans to address identified gaps or deficiencies in security as part of the integration into Marriott’s network.

- An independent third-party assessment of Marriott’s information security program every two years for additional security oversight.

As part of the settlement, Marriott will give consumers specific protections, including a data deletion option, even if consumers do not currently have that right under state law. Marriott must offer multi-factor authentication to consumers for their loyalty rewards accounts, such as Marriott Bonvoy, as well as reviews of those accounts if there is suspicious activity.

Noblesville’s Holiday in Lights Parade set for Dec. 7

The REPORTER
Noblesville city officials have announced the second Holiday in Lights Parade, which will be held on Saturday, Dec. 7 beginning at 6:30 p.m.

“Last year’s parade brought our community together for a night of holiday celebration, and we look forward to bringing even more holiday cheer this year to our downtown,” Mayor Chris Jensen said. “This event is a great opportunity for everyone to show their holiday spirit and support our downtown businesses.”

The parade route will start at 16th and Harrison streets and travel south on 16th Street to Logan Street, turn right on 9th Street, and turn right on Harrison Street to end at Ivy Tech’s parking lot.

Public safety and Hamilton County Emergency

Management are working together to provide a lit and safe parade route. Any non-motorized entry needs to have reflective material or glow sticks/bracelets on any walkers to ensure their safety during the parade.

To encourage the holiday spirit, the Holiday in Lights Parade will include awards for the best holiday-themed entry, best use of lights, and most hometown-inspired. City departments also will compete against one another for a decoration award. Santa Claus will be the last entry in the parade, and participants should not include him in their float.

Registration is \$25 per entry and will be accepted until Monday, Dec. 2. Parade forms can be completed online at cityofnoblesville.org/parade. Like other city parades, entry fees will be

waived for all nonprofit and youth organizations that want to participate. Please make checks payable to the City of Noblesville. Completed forms may be mailed with payment to Holiday in Lights Parade, Noblesville City Hall, 16 S. 10th St., Noblesville. Forms also may be emailed to rherrington@noblesville.in.gov.

Check-in will take place starting at 5:15 p.m. Dec. 7 at the Hamilton County-Ivy Tech Community College campus. Participants should enter the parking lot from North 17th Street or Harrison Street. Volunteers will be onsite to help stage vehicles to exit the parking lot’s North Entrance. The Ivy Tech Community College parking lot will also serve as the destaging area and meeting point for participants and families after the parade.

ISO welcomes conductor Gemma New & violinist Geneva Lewis for Tchaikovsky’s Violin Concerto

The REPORTER
Join the Indianapolis Symphony Orchestra (ISO) and conductor Gemma New for a program that celebrates love and friendship.

Tchaikovsky’s only Violin Concerto, one of the most popular concertos of all time, was a collaborative labor of love between the composer and his student, the violinist Iosif Kotek. In Elgar’s *Enigma Variations*, the composer depicts his closest friends and loved ones in each of its 14 variations. The program begins with Alissa Firsova’s *Bride of the Wind*, inspired by Oskar Kokoschka’s tempestuous affair with Alma Mahler following the death of her husband, Gustav.

Concerts are scheduled for 7 p.m. Friday, Oct. 18 and 5:30 p.m. Saturday, Oct. 19 at the Hilbert Circle Theatre in downtown Indianapolis. [Click here](#) to purchase tickets.

Lilly Endowment’s \$1 million grant will support Progress House expansion

The REPORTER

Lilly Endowment Inc. has given \$1 million toward the enhancement of Progress House, the oldest and largest recovery residence in Indiana and a subsidiary of Aspire Indiana Health.

“We are incredibly grateful for this grant from Lilly Endowment,” Aspire President & CEO Antony Sheehan said. “Because of this support, the recovery journey of so many will be enhanced, and this investment will enable us to expand our capacity to better

meet the needs of the community. We are honored by the trust Lilly Endowment has placed in Progress House and Aspire Indiana Health.”

Progress House annually serves 300 individuals seeking treatment for substance use disorder (SUD). The grant will support Aspire Indiana Health’s effort to renovate and expand Progress House so it can better serve clients and build its capacity to serve more individuals.

In 1961 a small group of Indianapolis women and

men recognized the need for a recovery setting for people with substance use disorder and founded Progress House. What began in a small home on North New Jersey Street has grown into the largest recovery residence in Indiana.

In November 2019 Progress House merged with Aspire Indiana Health, a nonprofit provider of

comprehensive healthcare services. Together they created a Whole Health Recovery Continuum as a novel approach to providing services to com-

bat SUD, including efforts to respond to the opioid crisis.

This powerful array of medical, behavioral health and recovery support services is provided onsite

at a stable place to live. This model has received recognition from the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA) and the National Alliance for Recovery Residences (NARR) for the creativity of the programming and their successful outcomes. The Whole Health Recovery Continuum has contributed to the Progress House success rate, with 70 percent of individuals who enter services completing programming – well above industry standards.

The continuum includes Progress House on the Near Eastside of Indianapolis, the Mockingbird Hill Recovery Center in Anderson, Ind., and Next Step transition apartments in Indianapolis. Unfortunately, the need for expanded programming continues to grow, outpacing available resources for those living with SUD. The investment from Lilly Endowment will continue to improve the outcomes for the people served by Progress House.

TODAY’S BIBLE READING

THE TEN COMMANDMENTS

And God spoke all these words:

“I am the Lord your God, who brought you out of Egypt, out of the land of slavery.

“You shall have no other gods before me.

“You shall not make for yourself an image in the form of anything in heaven above or on the earth beneath or in the waters below. You shall not bow down to them or worship them; for I, the Lord your God, am a jealous God, punishing the children for the sin of the parents to the third and fourth generation of those who hate me, but showing love to a thousand generations of those who love me and keep my commandments.

“You shall not misuse the name of the Lord your God, for the Lord will not hold anyone guiltless who misuses his name.

“Remember the Sabbath day by keeping it holy. Six days you shall labor and do all your work, but the seventh day is a sabbath to the Lord your God. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. Therefore the Lord blessed the Sabbath day and made it holy.

“Honor your father and your mother, so that you may live long in the land the Lord your God is giving you.

“You shall not murder.

“You shall not commit adultery.

“You shall not steal.

“You shall not give false testimony against your neighbor.

“You shall not covet your neighbor’s house. You shall not covet your neighbor’s wife, or his male or female servant, his ox or donkey, or anything that belongs to your neighbor.”

When the people saw the thunder and lightning and heard the trumpet and saw the mountain in smoke, they trembled with fear. They stayed at a distance and said to Moses, “Speak to us yourself and we will listen. But do not have God speak to us or we will die.”

Moses said to the people, “Do not be afraid. God has come to test you, so that the fear of God will be with you to keep you from sinning.”

The people remained at a distance, while Moses approached the thick darkness where God was.

Shamrocks roll past Tigers in Hoosier Crossroads Conference bout

By **RICHIE HALL**

FISHERS – For the second consecutive week, the Westfield football team joined the 40-plus club.

Points, that is. The Class 6A No. 2 Shamrocks had another solid week on offense, totaling over 500 yards combined rushing and passing as they beat Fishers 46-12 in a Hoosier Crossroads Conference game at the Tigers' Everwise Credit Union Field.

Westfield gained 352 yards on the ground, starting with a huge play just a minute and a half into the game. Junior Deacon King scored the Rocks' first touchdown with a 77-yard run into the end zone. It would be the first of many highlights for the highly-recruited King during the game.

"It's good to start fast," said King. "Normally, we'll start fast on defense and of-

fense will take a little bit to go, but getting the score really helped us pick up momentum."

Shamrocks coach Josh Miracle said that King's run set the tone early.

"I just felt like our guys had two really good weeks back-to-back of practices," said Miracle. "It was nice to see that carry over again."

King took in Westfield's second touchdown midway through the first quarter on a two-yard run. The Shamrocks ended the quarter with a TD through the air: Carsen Melvin found Parker Knott for an 18-yard score to put Westfield ahead 19-0.

Things slowed down a little bit in the second quarter, but the Shamrocks got six more points from Owen Wright. The kicker nailed two field goals, from 39 yards and 35 yards, helping Westfield to a 25-0 halftime lead.

Fishers got on the board to start the second half. Just 37 seconds into the third quarter, Ryan Thembulembu took off for a 36-yard run to the end zone.

"Our offensive coordinator, Coach (Blair) Schlicher does a phenomenal job," said Miracle. We got the best running back coach in the state, Jeff Bennett does a phenomenal job with him and he's growing. And then just credit to the offensive lin. Coach (Zane) Burtron, doing a fabulous job with those guys. That's always the heartbeat of the team."

But that was as close as the Rocks would let the Tigers get. King stepped up again, making a pair of seven-yard touchdown runs in the third quarter. Wright and Diego Herrera both made extra-point kicks, and Westfield enjoyed a 39-6 lead going into the fourth.

Huskies edge out Blue Devils

The REPORTER

Hamilton Heights was on the right side of a last-second play on Friday.

The Huskies were trailing 13-7 at rival Tipton with under a minute to go, but a 30-yard touchdown pass from Joey Sigler to Nick Bichey with 16 seconds left tied the game. Keegan Kavanaugh kicked the extra point, and

Heights was soon celebrating a 14-13 victory.

"That was a wild one. That was a fun one," Huskies coach Jon Kirschner told the *Tipton County Tribune* afterwards.

The Blue Devils scored right away, just over a minute into the first quarter, as Calvin Condict went on a 23-yard touchdown run after

Tipton made a fumble recovery. Heights answered in a huge way in the second quarter, with Joey Sigler throwing a pass to Tyler Champion – who took it 94 yards into the end zone. Kavanaugh's kick was good and the two teams went into halftime tied 7-7.

The Blue Devils once again scored early, with Aaron Tolle running in from three yards to score. An extra-point attempt didn't go, so Tipton led 13-7 for most of the second half until Sigler, Bichey and Kavanaugh stepped up to bring the Huskies a last-second victory.

"Our team showed a lot of

grit tonight," said Kirschner. "Even when our backs were completely against the wall, we held strong. Defense held strong, the offense just kept punching a little bit at a time and had faith."

Sigler finished an outstanding game 12-of-22 from the air, totaling 324 yards. Champion made five catches for 185 yards, while Bichey had four catches for 95 yards.

Heights is 3-5 and won back-to-back games for the first time this season. The Huskies return home next Friday to play West Lafayette for their regular-season finale.

Eastern stuns Sheridan with fourth-quarter surge

By JAMES SEAY
For The Reporter

SHERIDAN – On a night meant to honor Sheridan’s seniors, the Eastern Comets spoiled the celebration with a late-game surge, defeating the Blackhawks 38-23 at Bud Wright Stadium. The loss puts a dent in Sheridan’s Hoosier Heartland Conference title hopes as they now prepare for a crucial showdown against undefeated and 1A No. 3 Carroll next week.

Sheridan, led by legendary head coach Larry “Bud” Wright in his 60th season came into the game riding a hot streak, having won four of its last five games. Wright lamented missed opportunities and defensive lapses that led to the defeat.

“We didn’t adjust to their changes in their defense,” said Wright. “We should have made more adjustments, but the adjustments we made didn’t get it right.”

The game started with both defenses dominating. The Blackhawk defense forced a three-and-out to open the game, fueled by a massive sack by junior Jacob Hall. Still, Sheridan couldn’t capitalize on its strong field position by turning the ball over on downs deep in Comet territory. After a couple of punts, Eastern capitalized on the game’s first score on an SHS fumble. Eastern was able to utilize a trick play to open up an 8-0 lead.

Sheridan quickly answered when senior quarterback Owen Bell found senior wide receiver Dayne Voege for a 43-yard touchdown strike. It was the first of the two connections the seniors completed on their special night.

Eastern fought back with a long run by Isaiah Pickett to regain a 15-14 lead. The Comet running back ended the night with 181 yards on the ground. EHS extended the lead to 22-14 heading into halftime with the second of Gibson Eagle’s three passing scores on the night.

Sheridan clawed back in the third quarter after Hall punched in a short TD run, and a field goal gave the Blackhawks a 23-22 lead late in the third quarter. But in the fourth quarter, Eastern

Sheridan’s Alex Cravens rushed for 43 yards during the Blackhawks’ game with Eastern on Friday.

took control, starting with a 63-yard touchdown pass that bounced off Voege’s hands for the would-be interception, followed by a 73-yard breakaway run by Pickett to secure the 38-23 win for Eastern.

“We didn’t get enough defensive big plays. That was the biggest trouble for us,” said Wright as the Blackhawks struggled to stop Eastern’s explosive plays in the final minutes.

With nine seniors set to graduate, Sheridan will look to finish the season strong and head into the playoffs to defend its regional championship. “We will get ourselves up and prepare ourselves to do a better job. We will work this week to eliminate mistakes,” said Wright.

Sheridan will travel to

SCHOOL BOARDS

Christi Crosser

Candidate for Noblesville School Board, At Large

I am the current Noblesville School Board President. My husband Craig and I have lived in Noblesville for 25 years. Both of my children graduated from Noblesville High School. I'm a small business owner in Noblesville and I serve on nonprofit boards in our community. I am extremely proud of the accomplishments of Noblesville Schools over the past four years. The fiscal responsibility of Noblesville Schools is essential. The S&P rating has increased two times over the past four years. The current rating is AA and Noblesville Schools are only one of four school districts in the state with this rating. Noblesville Schools have lowered their tax rate for five consecutive years and are on track to be lower for a sixth year. I champion meeting students' needs to be successful after graduation. This includes college, workforce and military. The expansion at Noblesville High School will add STEM programming through a bond with no increase to the tax rate. I support teachers and staff of Noblesville Schools. They need to be paid well, have the benefits that they deserve and be treated as the professionals that they are. Noblesville Schools was named in Forbes Magazine as one of America's Best Midsize Employers.

Alison Hanley

Candidate for Noblesville School Board, At Large

Alison is a wife and mother to triplet girls who attended Noblesville High School. She is a Speech-Language Pathologist with 35 years experience treating children with speech/language delays and adults/seniors with communicative-cognitive impairments. Alison loves the performing arts and enjoyed watching her daughters perform in choral concerts, piano recitals and dance performances with the Miller Girls at NHS.

Alison believes a strong academic foundation is vitally important to prepare children for adulthood. She feels increased focus on academic achievement is needed due to a high percentage of students (roughly 40-50%) not performing at grade level in reading/writing and math (2024 iLearn scores on IDOE website), putting them at risk to fall further and further behind. With her work experience plus her own daughters' learning struggles, Alison knows how these challenges can impact every area of a child's life.

Alison also wants to see more support for teachers as they face tough challenges in the classroom such as growing numbers of ELL learners and larger class sizes.

Alison believes a renewed focus on academic excellence, transparency with parents/the community, and careful use of tax dollars will help Noblesville Schools continue their excellent reputation for generations to come.

Scott Baldwin

Republican for State Senate District 20

Noblesville native Scott Baldwin is a U.S. Marine Corps veteran with more than 25 years of military and law enforcement experience, an entrepreneur, husband and father of three.

Scott served in the U.S. Marine Corps during Operation Desert Storm and returned to Afghanistan when Operation Enduring Freedom began to assist Marine Corps personnel. He also served with the Indiana Department of Corrections and as a patrol officer, field training supervisor and detective supervisor with the Indianapolis Metropolitan Police Department (IMPD) for more than a decade where he earned two Medals of Bravery and a Medal of Valor. Scott later volunteered as a reserve detective with the Hamilton County Sheriff's Office.

In the state Senate, Scott has championed fiscal responsibility, supported balanced budgets and cut taxes for Hoosiers. He's also worked to ensure Hamilton County families and students can access high quality education, and to strengthen public safety and support our military and first responders.

Scott is a successful entrepreneur and local business owner. He's also a member of the Noblesville Lions Club, the American Legion and a lifetime member of the VFW and the NRA. He recently created a non-profit hunting and fishing show supporting veterans with PTSD called "Darkhorse Expeditions."

Joel Levi

Democrat for State Senate District 20

Joel was born and raised in Anderson, Indiana. He attended Anderson University where he met his wife Megan. After getting married they lived in Nashville, Tennessee from 2013-2020. Upon moving back home, they settled in Cicero, Indiana where they now live with their five year old son Mitchell. Joel's son currently attends the Little Huskies Pre-K at Hamilton Heights.

Megan and Joel have always had a heart for healthcare. His wife is a nurse practitioner at Community Health. Joel is a pharmacy technician in the Coumadin Clinic and Outpatient Pharmacy at Riverview Health in Noblesville.

Levi is running for State Senate so that our children can live in the Indiana they deserve. This starts with our kids feeling safe at school. The simplest way to ensure this is with common sense gun laws.

If elected into the Indiana State Senate, Levi's top priority would be spearheading legislation so that Democrats and Republicans can join together to keep our Hoosier children safe. His goal is to reach across the aisle and find Republican legislators that believe in the Second Amendment, but that also believe in requiring background checks at gun shows and on third party sales.

Jennifer McCormick

Democrat for Governor

Jennifer McCormick is a lifelong educator and multi-generational Hoosier from New Castle, Indiana. She has spent decades serving Indiana as a teacher, principal, and most recently, state superintendent of public instruction. While superintendent in rural Indiana, Jennifer fought to protect local control of school districts to ensure parents, teachers and administrators could make the best decisions for their children. As state superintendent, she was a powerful advocate for teachers and students ensuring they had the resources they needed to succeed while also protecting the taxpayer dollar by demanding transparency and fiscal accountability. Jennifer believes it's time we elect a public servant leader who demands excellence and empowers Hoosier voices so, together, we can make Indiana an attractive state in which to live, work and thrive.

Robby Slaughter

Independent for Fifth Congressional District

To earn a spot on your ballot this November as an independent candidate, I spent a year traveling our district and collected over 6,000 signatures. I also met nearly everyone else in this section of the paper who is running for office. I believe they are good people. But as the old saying goes, "A bad system will defeat a good person every time." We all know that our current system---one of political parties and special interests---is no longer helping our country. Polarization, extremism, and the wealthy donors behind them are in control instead of everyday Americans.

The biggest problem we face in our country is not education, it's not the border crisis, it's not the economy or injustice. It's that we, the people, no longer trust our politicians. Without trust, nothing is possible. And the only way to earn trust again is for politicians to give up power through term limits, through radical financial transparency, and by actually spending time with voters regardless of their political party. My goal is to earn your trust. Have questions? Want to help? Call me at 317-670-4563.

Dr. Chris Hartig

Democrat for State Representative District 29

Dr. Chris Hartig was raised by a Vietnam Veteran Marine who taught him that "you must put in the work to get the results," and a mother who gave him the values to "do the right thing, especially when it seems like a hard choice." He is ready to put in the work as the Democratic candidate for Indiana House Representative, District 29 (Noblesville and part of Fishers).

Dr. Hartig worked 15 years in the mortgage and finance industry and spent the last decade as a Management and Leadership professor at WGU Indiana, supporting working Hoosiers to upskill to earn training and certifications to improve their lives. He earned a Doctor of Education in Organizational Leadership from Northcentral University, an MBA in Management and Strategy from Western Governors University, and a BA in Economics from Ball State University.

His legislative priorities are to serve as a guardrail against the unchecked extreme supermajority, protect personal freedoms, and support public schools.

Stephanie Jo Yocum

Democrat for State Representative District 88

I love Indiana and all my fellow Hoosiers who call Indiana home. I was born and raised here. I have watched firsthand as extreme policies have emerged from the Statehouse causing Hoosiers to face many unfortunate challenges.

As Indiana State Representative for District 88, I will work to make Indiana a place where people choose to live, businesses operate, and all thrive. My priorities include ensuring public school funding, educator empowerment, and preschool access. I will fight to protect workers' voices, rights, and safety. I will work to raise the minimum wage and support small businesses, creating economic prosperity for all. It is imperative that we restore reproductive freedom in Indiana. No one should be victimized because of a broken system.

My experience and passion will enable and guide me as State Representative. I am an established public servant with 20 years leading large healthcare and education non-profits. My commitment to service began in AmeriCorps managing programs for diverse groups of students. My commitment continues in my career and as a volunteer. I am an advocate for cancer research and supporter of local organizations. I serve as Chair of Serve Indiana, our state's governor-appointed commission on volunteerism and service.
