By JEFF LARRISON
Westfield Lions Club

On Oct. 17, the Westfield Lions Club celebrated its 94th anniversary with special awards for some well-deserving members and an amazing dinner prepared by the Westfield High School Foodies team.

Lion Jerry Kirby was awarded the Richard T. Miyamoto Fellowship Award for his tireless volunteer work at all

the Club's events, as well as participating on several club committees. He is currently serving as the Club's 2nd vice president this year. The Miyamoto Fellowship is named after Dr. Richard Miyamoto and is awarded to Lions for exceptional dedication and service to others in accord with the mission of Indiana Lions Speech & Hearing, Incorporated.

One year together

I met you one year ago, delivered by a kind stranger with my oldest son by my side. I reluctantly accepted your presence in my home. I felt sadness. Once I was alone for the evening, my family scattered about, I broke down. I documented the day in a tearful and heartfelt video I have shared with no one. I wanted to remember.

I had thought about this day for years. I fought it, dreaded it, and shed rivers full of tears thinking of this day: the day I would need you.

I stared at you, trying to decide if I liked the way I had designed you. I did. You were different, like me.

Little by little, we bonded. Unlike my scooter, you felt like one with me. An extension of my body.

Dear Raymond,
(Mom wrote)

It just occurred to us that part of our land may have been in the family a hundred or more years. I checked this morning and found that Thomas H. Baltzell purchased the 80 in 1890. Is there a tax credit for that? Or does it have to be a place with a house where family has lived that long?

Grandpa actually lived there a few years. Then he built the "new" house on the north side of the road. Uncle John was the first baby born in it.

The 20 with 15 feet off the north for a highway does not qualify as William Adler purchased that in 1905. Did you and dad ever talk about getting that "highway" closed? (Raymond Adler had grandma Theresa sign an affidavit in the 80s showing adverse possession so it should be closed.) There has been no house back in there since I was in the family. I think Homer Landis' mother lived there as a girl.

Our first trip together was to New York City not long after you arrived, brand new. Together, we saw so much more than I could have without you.

It is not lost on me that you are not with me all the time. I still have time on my own two feet. I am grateful.

You are faithful. Always ready and waiting when I need you.

We have learned together how to transport laundry, cook, vacuum, and carry heavy things that I could never get from one area to another without you.

You have waited for me at the bottom of the “big hill” when my legs were like Jello.

We have danced together on the dance floor spinning round and round, even going on a few “joy rides” here and there.

I do not cry about you anymore. I sit proudly in you.

Because of you, I feel free. Confident.

You surprised me in the very best way possible.

You were not something to dread. You are a gift.

One notable employer, Raytheon Technologies, has not only engaged with students during the event for both years but has also connected with teachers, meeting with multiple classes over the past year to provide insights into their field of work and facilitate more personalized conversations. This ongoing relationship exemplifies the value of direct industry engagement in education.

In addition to industry representatives, the event featured CHS Work-Based Learning programs, including a student panel. The panel showcased students who have benefited from hands-on learning in the medical and construction industries, illustrating the impact of career preparation programs offered at CHS.

CEF Executive Director Jennifer Penix emphasized how events like JA CareerIgnite prepare students for the future.

The W.P. Woods Fellowship was awarded to Lion John Wardlow for the tremendous work he has done for the Club over the 10 years he has been a member. He’s served as the Club’s president, as well as being on the board of directors for four years. Lion Wardlow’s efforts to secure ARPA funds during COVID resulted in the Westfield Lions Club being awarded a \$12,000 grant from Hamilton County. The W.P. Woods Fellowship was established to honor the first president of Lions International, W.P. Woods, who was an Indiana Lion from Evansville. The fellowship is a way that Indiana Lions may honor their dedicated Lions.

Lion Rodney Benson received Lions Clubs International’s Melvin Jones Fellowship Award. Named in honor of LCI’s founder, the fellowship award is the top award a Lion can receive. Lion Benson recently completed his second term as the

Club’s president and oversaw its substantial membership growth during that period of time. Also, during his tenure the Club began the remodeling of its new clubhouse at 1101 E. 169th St.

The highlight of each year’s awards night is the presentation of the Roy O. Hadley “Lion of the Year” award. Lion Hadley’s leadership was instrumental in developing the culture of the Club so that it could become an ongoing major asset to the Westfield community. This year’s Lion of the Year is Gary Smith. He has served in all the leadership positions of the Club, including president and on the board of directors. His extensive work with the Westfield Lions LLC has been critical to its success.

The Westfield Lions are looking for men and women who want to help make a difference in Westfield. If you would like more information on the Club, go to WestfieldLions.org.

alternative recipes which give you similar tastes and textures.

Will you take time away from electronic devices to walk every day, to practice stretching to keep your body flexible and balanced, to participate in some level of strength training to keep your muscles strong and toned? Referring to the “abilities” in the quote above, it is not required that we train at a competition level, but that we move our bodies as much as possible.

Habits, anyone? With each decade and even with each year that passes, our habits become more ingrained, our beliefs and feelings about food and exercise are more difficult to change.

One concern I frequently hear is that many people are afraid that their food choices will be greatly restricted by changing their eating habits to a healthier plan. Nothing could be further from the truth! While allowing for the plethora of packaged, processed, convenience foods staring at us from grocery shelves, the opportunities for wholesome, healthy items have never been more plentiful.

However, most of these items require – you guessed it – preparation!

Actually, combining fresh ingredients and enjoying the process as well as the outcome will not only foster weight reduction and better health, but you will actually enjoy the taste of your food much more as well. Heavily processed foods dull our taste buds, using additives like excess sugar and salt as well as preservatives and chemicals – items that were never intended to nourish our bodies. In past columns I have explored alternative herbs and spices to satisfy those taste buds while giving your body (and brain!) the nourishment needed to optimally function.

I get it ... who wants to think about nutrition when we have the holidays around the corner with candies, cookies, pies, cheeseballs ... oh my! I like all those items as well, yum! However, you can still practice moderation without depriving yourself by limiting the goodies and/or finding

A positive outcome does take work, sometimes sacrifice, and focus on the goal. Success is waiting for anyone who wants to live healthier, longer, and more productively. In 2024 we are so blessed and fortunate to have access to tremendous healthcare facilities, nutrition education, walking trails, and numerous other opportunities to stay healthy and fit. No one else can make the choices for you; you are in control. If you are already there, congratulations; if you are working toward the goal but not quite there, kudos, keep it up. And if you are considering making those nutrition and fitness lifestyle changes, now is the time and you can do it!

Ladies – and those who love us – remember that October is Breast Cancer Awareness Month. PLEASE do not neglect your annual mammogram as well as your self-test. There have been many advances in treatment in recent years and we owe it to ourselves and our loved ones to make sure we take advantage of the opportunity to be tested.

Update No. 137

This week is National School Bus Safety Week and presents a special opportunity to remind motorists to slow down and be aware of their surroundings when encountering school buses in the community. While school buses are one of the safest modes of transportation, injuries and fatalities often occur when a motorist fails to slow down and obey the bus's stop sign. For more information, including tips to share with your children on school bus safety, visit the National Highway Traffic Safety Administration's [website](#).

While we are on the topic of bus safety, I want to thank our elite team of school bus drivers who travel thousands of miles, often in adverse weather conditions and through unpredictable traffic, to transport our most precious cargo to and from school and school-sanctioned events. Their commitment to safety, hard work, and vigilance to the students entrusted to our care is valued, appreciated, and noticed.

October is also Bullying Prevention Month. Throughout the month, we focus our attention and efforts to raising awareness about the detrimental effects of bullying and how we can foster a safe, inclusive, and respectful school environment for all students. The goal is to empower students, parents, and staff to recognize and combat bullying behaviors. By promoting empathy, kindness, and open dialogue, we can help create a culture where every student feels valued and protected, ensuring a brighter and more secure educational experience for everyone.

Use our confidential quick tip line to report bullying or safety concerns [here](#).

Hamilton Heights Middle School students are welcome to invite a veteran they know (family, friend, neighbor, etc.) to school for a special luncheon in the Media Center on Friday, Nov. 8. Students will be permitted to eat with their invited guest and should complete the information on [this form](#) by Friday, Oct. 25 so that we are able to properly plan

for this event.

On Monday, Nov. 11, Hamilton Heights Elementary School will host a special Veteran's Day celebration. All veterans are welcome to attend the elementary school program beginning at 9:30 a.m.

As part of bringing our community and family veterans together to be honored for their service, we are looking for veterans (active member of the military or retired) who would like to come to the school and read a veteran's book to students in kindergarten through second-grade classrooms before the program. If interested, please complete the form [here](#). *Note:* Readers will need to have an active school background check on file. Background checks can be accomplished through the school [website](#).

In addition, a commemorative video is being made for veterans with relatives attending or working at HHES. If you would like to be included, send an email with your name, branch of the military, years of service, and name of student or staff member to which you are related to HHES-veteransdaypictures@gmail.com by Monday, Nov. 4. Thank you today and every day for your sacrifice and service to our country.

For a ghoulish good time, Hamilton Heights High School FFA is hosting its second annual Trunk or Treat from 5:30 to 7:30 p.m. Wednesday, Oct. 30 at the high school parking lot. Information about this family-friendly event can be found [here](#).

As a reminder, Friday, Nov. 1 is the second of our scheduled e-Learning days this year. Students do not report to school but will have their lessons and assignments to complete for the day. We appreciate our students and families preparing to help maximize the value of this off-campus education day.

As we move into the second nine weeks, let's continue to work together to ensure an inclusive, safe, supportive, and academically enriching environment where our students can thrive.

Franciscan Health offering \$49 scans for Lung Cancer Awareness Month

The REPORTER

Franciscan Health is offering \$49 self-pay lung scans during the week of Nov. 4 in honor of Lung Cancer Awareness Month.

Lung scans are simple, non-invasive computer tomography (CT) screenings that use a minimal amount of radiation.

According to the American Cancer Society, lung cancer is the second most common cancer in men and women and is the leading cause of cancer death in the U.S. However, when diagnosed in the

earliest stages, the five-year survival rate for lung cancer is 67 percent, making screenings a key tool in survival.

To qualify for a lung scan, patients must be over the age of 50, have smoked an average of at least one pack of cigarettes per day for 20 years and have no signs or symptoms of lung cancer.

Scans are available Nov. 4 to 8 at Franciscan Health locations in In-

dianapolis, Greenwood, Mooresville, and Plainfield. Select locations will offer scans on Nov. 9. Hours vary by location and appointments must be made in advance by phone.

Anyone interested in scheduling a scan should call 1-833-238-0688 to see if they qualify and to schedule an appointment. Those receiving scans during the week of Nov. 4 will receive a free gift.

Wiles: Crosser, Lambert & Richardson care about Noblesville community

Dear Editor:
Nov. 5 is quickly approaching and I hope that Noblesville residents are already exercising their right to vote in this very important election. In times when we have low voter turnout, it is so important for all eligible voters to cast your ballot.

There are many candidates who have dedicated their time, energy, and efforts to ask for your vote and the one office that is closest to home is that of Noblesville School Board.

As you evaluate candidates, I strongly encourage you to look at the track record and outstanding accomplishments of two of our current school board members, Christi Crosser and Stephanie Lambert. Since they began their service on the school board, they have shown the leadership and dedication to work with the administration and

staff of Noblesville Schools to do what is best for the education of all students. As Noblesville continues to grow and become more diverse, we need people on the school board who are willing to listen to new ideas and approaches of how best serve our students and teachers.

Bret Richardson also wants to dedicate his time to serving Noblesville Schools. Bret has been a lifelong resident of Noblesville and has seen the growth and changes that have occurred over the years. Bret understands that our community needs the kind of leadership for Noblesville Schools that is focused on the future.

I am proud to have known and worked with all of these candidates for many years. Christi Crosser, Stephanie Lambert, and Bret Richardson are people who care and

are passionate about our community. They dedicate many hours to charitable organizations outside of Noblesville Schools by serving on boards and committees, all with the intent of making Noblesville a better place to live and raise a family.

We need dedicated leaders like Christi, Stephanie, and Bret on the Noblesville School Board to provide the appropriate fiscal oversight, vision, and dedication to our students, parents, and teachers that our community wants and deserves. Please join me in voting for Crosser, Lambert, and Richardson to ensure that Noblesville Schools continues to be an outstanding education system.

Joel Levi receives Better Indiana's endorsement for Senate District 20

Submitted by
Levi for Indiana

Better Indiana has officially endorsed Joel Levi for Indiana Senate District 20. As a proud father, husband, and Hoosier, he is committed to advocating for policies that will create a stronger and safer Indiana for future generations.

Levi, who grew up in central Indiana and graduated from Anderson University, has built his career as a pharmacy technician. His passion for healthcare and child safety has been a driving force in his decision to run for State Senate.

"Better Indiana has an incredible vision for supporting candidates that are working for a progressive and inclusive state. I am honored to be one of those endorsed candidates," Levi said in response to the endorsement.

Central to Levi's platform is his commitment to public safety, particularly in ensuring that every child feels safe at school. He will fight for universal background checks on private gun sales and champion public safety reforms that prioritize the safety of Hoosiers. As a father, he understands the importance of

protecting future generations and making Indiana a place where families can thrive.

Levi understands the critical need to trust and support women in making their own healthcare decisions. In the State Senate, he will be a staunch advocate for restoring reproductive rights in Indiana.

This endorsement from Better Indiana underscores Levi's commitment and determination to serve the people of District 20. With

Levi

their support, he is ready to bring a fresh perspective to the Indiana Senate, focusing on policies that uplift Hoosier families and create lasting positive change.

As the campaign moves forward, Joel Levi remains focused on building a better Indiana, one that reflects the values of inclusion, safety, and opportunity for all.

Extended School Enrichment celebrates 25th annual “Lights On Afterschool” in Carmel

The REPORTER

Carmel Clay Schools students enrolled in **Extended School Enrichment** (ESE) programs through Carmel Clay Parks & Recreation (CCPR) will take part in the 25th annual **Lights On Afterschool** celebration today, Oct. 24.

Lights On Afterschool celebrates the significance of afterschool care for student success and safety while supporting the work-life balance of parents and guardians.

Organized by the **Afterschool Alliance**, Lights On Afterschool is a na-

tionwide event to draw attention to the many ways afterschool programs support students and celebrate the important role of afterschool programs in the lives of children, families, and communities. Founded in 2000, the event recognizes the extraordinary value of afterschool programs and spotlights the need for more funding. According to the Afterschool Alliance, more than 123,000 students in Indiana are enrolled in afterschool programs while more than 300,000 students would be enrolled if

a program were available. Since its founding in 2000, more than a million people have participated in Lights On Afterschool to urge greater investment in quality afterschool programs that keep kids safe, inspire them to learn, and help working families.

“Providing a safe, fun, and educational space for our children is invaluable to the families in our community,” ESE Enrichment Director Jennifer Brown said. “We serve thousands of students every year, and we understand how important that is, not only to

each student’s academic and personal development but to support our parents as well. We strive to provide the very best in afterschool care.”

CCPR’s ESE programs provide students with opportunities to learn, offering a variety of clubs each day ranging from board games and drawing to STEM and fuse beading.

In partnership with Carmel Clay Schools, CCPR offers ESE at 11 elementary schools. For more information or to enroll in a program, visit carmelclay-parks.com/ese.

New pedestrian bridge in Fishers will increase safety, connectivity on Nickel Plate Trail

By **ADAM PINSKER**
WISH-TV | wishtv.com

The city of Fishers will soon begin construction on a **pedestrian bridge** connecting the Nickel Plate Trail over 96th Street, just west of the Interstate 69 interchange.

Fishers Mayor Scott Fadness said work on the project will begin at the end of the year. “We have lots of people trying to go east and west on a very busy road in 96th Street, and now you have pedestrians trying to go north and south, by elevating those pedestrians we’re eliminating that conflict,” he said.

A year ago, Indianapolis broke ground on a 10-mile stretch of converting what used to be a railroad into the Nickel Plate Trail.

“For our residents, now you’re going to have exponentially more trail connec-

tivity that allows you to go further and more ways down to Indianapolis and vice versa,” Fadness said.

The trail will promote Fishers as a haven for those who love walking, running, and cycling. It will also link the Nickel Plate to the Monon and Midland Trails.

“You have our section of the trail done now from 146th Street all the way down to 96th Street,” Fadness said. “This bridge connects us to the good work the city of Indianapolis is doing, from there all the way down to the State Fairgrounds.”

Estimated cost of the bridge is \$7.6 million, with construction expected to finish by the end of 2025.

Actors Theatre of Indiana presents *She Loves Me*

A love story sure to spark your holiday spirit

The REPORTER

Actors Theatre of Indiana (ATI) presents the next production in its 2024-2025 season: *She Loves Me*. This musical, sure to get you into the holiday spirit, will run at The Studio Theater from Nov. 1 to 17.

She Loves Me is a euphoric holiday-themed

romantic comedy with a soaring score that shares its source material with the classic movies *The Shop Around the Corner*, *In the Good Old Summertime*, and *You’ve Got Mail*.

Amalia and Georg work together at a modest Hungarian perfumery and have disliked each other from the very beginning. He thinks she’s stuck up, and she thinks he’s arrogant and mean. But each rapturously writes to a lonely-hearts pen pal when the workday is done, and it doesn’t take long for the audience to see that they’re in love without realizing it.

Inevitably, through some of the most iconic songs in the musical theatre canon (“Vanilla Ice Cream,” “She Loves Me,” “Will He Like Me?”), Georg and Amalia discover the truth as well and rejoice in their love for each other at the story’s sweet and musically delightful conclusion.

An intimate and touching show, featuring music by Jerry Bock and Sheldon

Harnick and book by Joe Masteroff, *She Loves Me* was nominated for five Tony Awards in 1964. The 1993 Broadway revival won the Olivier Award for Best Musical Revival, the Drama Desk Award for Outstanding Revival of a Musical and the 1994 Critics Circle Award for Best Musical, while the 2016 Broadway Revival snagged the Tony Award for Best Scenic Design.

Now you can enjoy this award-winning musical right in your own backyard. Considered by many to be the most charming musical ever written, *She Loves Me* is a warm romantic comedy with an endearing innocence and a touch of old-world elegance.

Single tickets or Season Subscriptions including *She Loves Me* are available. Get yours by calling The Center for the Performing Arts Box Office at (317) 843-3800 or by visiting ATIstage.org. The folks at ATI can’t wait to see you soon to be a part of their 20th Anniversary Season.

Nathaniel Rateliff & The Night Sweats coming to Fishers Event Center March 18

Submitted

Nathaniel Rateliff & The Night Sweats have revealed a brand-new series of headlining U.S. arena dates including a stop at the new Fishers Event Center on Tuesday, March 18, 2025, with special guest The Teskey Brothers.

Tickets go on sale at 10 a.m. Friday, Oct. 25 at [Ticketmaster.com](https://www.ticketmaster.com).

The tour follows Nathaniel Rateliff & The Night Sweats’ recently released fourth full-length studio album, *South of Here*, via Stax. With their largest tour to date, Nathaniel Rateliff & The Night Sweats achieve another career milestone culminating from a renowned history of powerful live performances.

Rateliff’s undeniable stage presence has fueled his steady ascent since

breaking through the Denver D.I.Y. scene. His legendary shows have earned high praise, with the *Chicago Tribune* describing him as “one of the most powerful voices in folk music as his gruff baritone is able to expand in range and fill up an entire room without a microphone ... It will give you chills,” and *Westword* dubbing him “one of the few singer-songwriters in the country who could pump foot-stomping energy through the venue with the Night Sweats and then have an audience in tears with heartfelt solo material.” Since selling out Denver’s Ball Arena for their first arena show in December 2022, the band is reaching new heights and wider audiences than ever before.

Produced by Brad Cook (Waxahatchee, Bon

Iver, Kevin Morby) and recorded at Sonic Ranch outside El Paso, Texas, *South of Here* reckons with a lifetime of pain and trauma and transforms it into a stirring, soul-baring rumination on love, loss, hope and resolve. Following *And It’s Still Alright*, Rateliff’s 2020 solo LP, and *The Future*, The Night Sweats’ acclaimed 2021 release, the new album seamlessly blends both sides of his immense talent: emotionally potent, vivid storytelling and the rugged, R&B re-

vivalism that has powered the band to world-wide acclaim over the past decade.

Across 11 original tracks, all written by Rateliff and performed by The Night Sweats: Nathaniel Rateliff, Luke Mossman, Joseph Pope III, Mark Shusterman, Patrick Meese, Daniel Hardaway, Jeff Dazey, and Andreas Wild, the band, in peak form, plays with intuitive beauty while Cook’s production captures the group’s soulful fire with immediacy and purpose.

Teen Driver Safety Week 2024: keeping your teenager safe behind the wheel

The REPORTER

Motor vehicle crashes are the leading cause of death for teenagers in the United States. Based on miles driven, teenage drivers are involved in nearly three times as many fatal crashes as all other drivers. And everyone is at risk – nearly two-thirds of people injured or killed in a crash involving a teen driver is someone other than the driver.

“There are several risk factors that make driving so much more concerning for teenagers. The first is inexperience,” AAA Hoosier Motor Club Spokesperson Christina Griffiths said. “Crash rates of newly licensed teen drivers decrease by more than half over their first four years of driving. As teens mature and continue gaining experience behind the wheel, they’re learning to better anticipate and avoid potential hazards on the road.”

Nighttime driving is

also more difficult for teenagers because of their inexperience. In some areas, nighttime driving restrictions are in place for teenagers, which have reduced crashes among teens.

According to the AAA Foundation for Traffic Safety, one of the top reasons for crashes in drivers 16 to 19 years old was cell phone use. One in three teens who text have admitted to doing so behind the wheel. Another major cause: other teenage passengers, who can be a distraction.

“The fatal crash rate increases by 44 percent when teen drivers have a single teen passenger in their vehicle with them,” Griffiths said. “Having two passengers under the age of 21 doubles the risk, and three or more quadruples their risk. However, when driving with an adult passenger, their risk of experiencing a deadly crash significantly decreases.”

Thankfully, there are

things parents and guardians can do to help keep your teen safer behind the wheel. Pay close attention to your own driving – make sure you’re staying safe and distraction-free to set a good example. Consider having your teen avoid driving after 9 p.m. during the first year of driving until they gain more experience, and evaluate your teen’s readiness yourself to determine if they’re ready to drive more.

Make sure you use a quality driver’s education program, which you can find on the [AAA Approved Driving School webpage](#). AAA Hoosier Motor Club also [offers online driving](#)

programs to help improve driving skills for any level experience, and teens who complete the program can receive a free year of AAA membership.

About AAA Hoosier Motor Club

TODAY’S BIBLE READING

PERSONAL INJURIES

“If a bull gores a man or woman to death, the bull is to be stoned to death, and its meat must not be eaten. But the owner of the bull will not be held responsible. If, however, the bull has had the habit of goring and the owner has been warned but has not kept it penned up and it kills a man or woman, the bull is to be stoned and its owner also is to be put to death. However, if payment is demanded, the owner may redeem his life by the payment of whatever is demanded. This law also applies if the bull gores a son or daughter. If the bull gores a male or female slave, the owner must pay thirty shekels of silver to the master of the slave, and the bull is to be stoned to death.”

Westfield's own Brette Hanavan wins individual medalist honors, helps her college team take national title

By **RICHIE HALL**
sports@readthereporter.com

They may have been behind after the first day and playing against the wind, but Brette Hanavan and the Grace College women's golf team kept calm and carried on.

By doing that, the Lancers took control of the leaderboard during the next two days of the National Christian College Athletic Association (NCCAA) Women's National Championship, which took place this week at Hammock Beach Resort in Palm Coast, Fla. In the end, Grace College won the team championship with a three-day score of 320-315-315=950 to claim its second national title.

In addition, Hanavan won individual medalist honors. The 2022 Westfield graduate and current Lancers junior also came from behind to score that victory, finished with a three-day round of 79-74-79=232. Hanavan finished three strokes ahead of second place.

Hanavan was tied for sixth place after the first round, five strokes back from the lead. But Hanavan turned it on in the second round with a 74, the low score of the second day. Her two-round total was 153, just one behind Beth-

el's Aynslee Myer, who totaled 152.

Hanavan pulled ahead of Myer in Wednesday's third round with another 79. She drained five birdies for the tournament, making three in the second round and one each in the first and third rounds.

"My mental game was really strong throughout the tournament," said Hanavan. "I think my putting won the tournament for me." Hanavan said she followed an old golf rule: "Drive for show, but you putt for dough."

"It worked in this context because my putting did amazing," said Hanavan.

A strong mental game helped the entire Grace College team as well. The Lancers were in second place after the first round with their score of 320. Bethel was the leader with 309, so Grace College was down by a daunting 11 strokes.

"I think it's amazing that we could come back and win," said Hanavan. "It's tough to be back by 11 strokes after the first day."

Nothing to lose

But Hanavan said everyone on the team had each other's back, which made it "a lot better going into the next two days."

"As a team, we had nothing to lose, because we were already in a losing position, so we could just be

very calm going into the next two days," said Hanavan.

The Lancers improved five strokes for their second day score by totaling 315. That brought them into a winning position, as they were only five down going into the third round. In that final round, Grace outdueled Bethel 315-326 to soar to the win.

"I think we played great," said Hanavan. She said the conditions were very tough "because the course is on the ocean."

The championship was played on the Hammock Beach Resort's Ocean Course, and there is no messing around: several of the course's holes are right on the Atlantic Ocean. (Hammock Beach is located a little over an hour south of Jacksonville.) Since those holes are by the ocean and its waves, "the wind made it pretty tough."

"Our team just did a good job of staying in the moment and grinding through those tough conditions and making sure every

shot mattered," said Hanavan.

The Lancers have built a solid golf tradition. Grace won its first national championship in 2019, while Summer Stillson won the individual championship in 2022. Hanavan has been on the Lancers team since her freshman year; she said she's made some of her best friends at Grace and "couldn't have asked for a better team."

"I love Grace," said Hanavan, who is majoring in accounting and plans to get

a master's in business administration. "It's definitely where I'm meant to be. Coach (Denny) Duncan is an amazing coach."

Westfield coach Josh Bryant said that Hanavan is the "consummate amateur professional" and is very proud of her accomplishments.

"It doesn't surprise me to see that she's won, although it's an amazing accomplishment," said Bryant. "Her mental attitude, the strength of her character bleeds into her golf."

First Round Sectional preview: Hamilton Heights visits Speedway for neutral site game to begin playoffs

By **CRAIG ADKINS**
For The Reporter

Class 3A Sectional 29: Hamilton Heights (3-6) vs. Speedway (4-5) *at Decatur Central

Tomorrow night, the Huskies will be playing on a neutral field for the first time since the 2012 Class 3A football state finals when they faced Bishop Chatard at Lucas Oil Stadium.

Friday night's matchup with Speedway has been moved from the Sparkplugs' regular home field to Decatur Central. Speedway began renovations on Ralph Johnson Field following the final home game on Oct. 11 against Indianapolis Lutheran.

The Sparkplugs will have a new turf field that features checkerboard end zones with maroon and yellow school colors. The most interesting element is that the 50-yard line will resemble a yard of bricks, just like the Indianapolis Motor Speedway down the street.

This will also be the first meeting between the Huskies and Sparkplugs.

Jon Kirschner is in his seventh season as the head coach at Hamilton Heights with a 36-36 record.

Heights started off the season at 0-4. The Huskies lost the opener late at Lapel (29-20) and dropped a close overtime battle with

Triton Central at home 17-14. Week 3 was an offensive struggle at McCutcheon (31-2) and a similar outcome at Danville the following week, 38-7.

The season has turned around from where it began. A much-needed home win over Western (21-6) got the Huskies in the win column. Week 6's road trip to Logansport didn't bode well with a 41-6 loss to the Berries.

The Huskies have gone 2-1 in their last three. Starting the month winning 26-16 over Twin Lakes and edging Tipton on the road 14-13, the regular season ended at home last week with a 21-7 defeat at the hands of West Lafayette.

After Drew Woodruff started off the season at quarterback, Joey Sigler has assumed duties in recent weeks. Woodruff threw for 931 and four TDs. Sigler has come on strong completing 44 of 73 passes (60.3 percent) for 889 yards and five touchdowns. He's also ran 38 times for 129 yards and another four scores.

Leading the run game is Nathan Flanders with 43 carries and 208 yards. Logan Hickman has also rushed for 92.

Tyler Champion is having another great season with 45 receptions for 906 yards and six TDs. Keaton Weaver also has 315 yards

on 28 catches and Dre Chandler 13 for 186. Nick Bichey has been a bright spot of late, catching nine for 173 and a pair of touchdowns.

Defensively, Michael Cain leads with 58 tackles, 3.5 sacks and an interception. Nick Hulén is second with 46 stops, 3.5 sacks and two fumble recoveries. Sigler is third with 43 tackles and a pair of fumble recoveries.

Speedway head coach Shane Clampitt is in his fourth season and has a 22-21 record.

The Sparkplugs started the season 3-1. After a season-opening loss at South Putnam (28-20), Speedway grabbed three wins in a row at Owen Valley (47-0) and a pair of home wins over Beech Grove (48-26) and Cardinal Ritter in OT (29-23).

Things went downhill in the latter part of the season, losing four of five heading

into the playoffs. After the three-game winning streak, two losses in a row came at Seccina (21-15) and home to Monrovia 42-21. They sandwiched a nice shutout

of Covenant Christian (29-0) in the middle of two more losses to Lutheran (49-7) and at Triton Central (37-6) to last week.

Quarterback Connor

Moreland leads a balanced offensive attack. Moreland passed 96 of 175 for 1,519 yards, good enough for 17

The REPORTER

Carmel Swim Club head coach Chris Plumb has been named as the coach for the United States team at the 2024 World Aquatics Short Course Swimming Championships, which takes place Dec. 10 to 15 in Budapest, Hungary.

The announcement was made on Tuesday in a story on the USA Swimming website. This will be the second time this year that Plumb has been part of a coaching staff on an international team; the longtime Carmel coach was an assistant at the 2024 Paris Olympics this past summer.

USA Swimming Chief Operating Officer and Interim Chief Executive Officer Shana Ferguson was quoted in the story as saying that Plumb's "club leadership and international experience make him a perfect fit to lead this team as our athletes close out the 2024 calendar year on the international stage in Budapest."

In addition to Plumb, Carmel senior Alex Shackell is one of 16 swimmers

SCHOOL BOARDS

Christi Crosser

Candidate for Noblesville School Board, At Large

I am the current Noblesville School Board President. My husband Craig and I have lived in Noblesville for 25 years. Both of my children graduated from Noblesville High School. I'm a small business owner in Noblesville and I serve on nonprofit boards in our community. I am extremely proud of the accomplishments of Noblesville Schools over the past four years. The fiscal responsibility of Noblesville Schools is essential. The S&P rating has increased two times over the past four years. The current rating is AA and Noblesville Schools are only one of four school districts in the state with this rating. Noblesville Schools have lowered their tax rate for five consecutive years and are on track to be lower for a sixth year. I champion meeting students' needs to be successful after graduation. This includes college, workforce and military. The expansion at Noblesville High School will add STEM programming through a bond with no increase to the tax rate. I support teachers and staff of Noblesville Schools. They need to be paid well, have the benefits they deserve and be treated as the professionals that they are. Noblesville Schools was named in Forbes Magazine as one of America's Best Midsize Employers.

Alison Hanley

Candidate for Noblesville School Board, At Large

Alison is a wife and mother to triplet girls who attended Noblesville High School. She is a Speech-Language Pathologist with 35 years experience treating children with speech/language delays and adults/seniors with communicative-cognitive impairments. Alison loves the performing arts and enjoyed watching her daughters perform in choral concerts, piano recitals and dance performances with the Miller Girls at NHS.

Alison believes a strong academic foundation is vitally important to prepare children for adulthood. She feels increased focus on academic achievement is needed due to a high percentage of students (roughly 40-50%) not performing at grade level in reading/writing and math (2024 iLearn scores on IDOE website), putting them at risk to fall further and further behind. With her work experience plus her own daughters' learning struggles, Alison knows how these challenges can impact every area of a child's life.

Alison also wants to see more support for teachers as they face tough challenges in the classroom such as growing numbers of ELL learners and larger class sizes.

Alison believes a renewed focus on academic excellence, transparency with parents/the community, and careful use of tax dollars will help Noblesville Schools continue their excellent reputation for generations to come.

Kevin Cavanaugh

Candidate for Heights School Board, Jackson Twp.

I am running for my third term as Hamilton Heights School Board of Trustees for Jackson Township. Education has been very rewarding to me as I have earned a MS and PhD from Purdue University in Plant Genetics. I am the owner and President of a corn genetics licensing business and have previously been on the Leadership Team of a large seed company for over 25 years before starting my own business. Preparing kids for their future success is where my passion lies. My experience in business and academia gives me the opportunity to make a difference in Heights students' lives. I have a deep understanding of the financial inter-workings of school budgets with an excellent knowledge of the Operation and Education funds. While on the Board the last eight years, we have stayed within budgets, have not increased the tax rate for the community and implemented such money saving projects as solar fields at our three main buildings. Moving forward, it is imperative to search for ways to continue to attract and retain top talent in the teaching area which will directly correlate to our kids' success now and into the future.

Latrica Schooley

Candidate for HSE School Board, Fall Creek Twp.

I am a dedicated mother of four and have been happily married for 31 years, all while running my own small business. Like many families, one of our motivations for relocating here was the quality of the schools. I have found immense satisfaction in volunteering within our schools and the broader community.

These opportunities have enabled me to collaborate with educators, parents, and community members.

Being married to an educator has given me a profound understanding of the challenges that teachers and their families encounter. I am honored to have the endorsement of the Hamilton Southeastern Education Association (HSEA), which represents more than 60% of our district's teaching staff, highlighting my commitment to supporting the educators who play a crucial role in guiding students toward success.

My experience in the insurance benefits sector equips me with essential skills to manage human capital costs for our school district, ultimately benefiting our employees and ensuring effective resource allocation. Additionally, my participation on various professional boards has enhanced my knowledge of governance and strategic planning.

As a mother of a child with special needs, I am dedicated to ensuring that our district fulfills its educational promise to serve all students.

Terry Tolle

Candidate for HSE School Board, Fall Creek Twp.

My name is Terry Tolle, I have been married to my wife Lisa for 27 years. We have 3 children. Two have graduated from HSE and gone on to Purdue and Auburn University. My youngest is a Junior at HSE. I was previously elected to the HSE School Board and served from 2015 to 2018 as the legislative liaison. I testified

in the state senate and successfully worked with our state legislators and local officials to help secure the largest increase in operational funding in our school's history. That funding helped decrease class sizes, improve teacher pay, and strengthen the quality of education for our children. I am running again to help solve our budget problem and promote parental involvement and school safety. My goal is to bring civility, collaboration, and professionalism back to our schools, and work diligently to secure the financial future of this district so that our students and teachers can achieve their educational and professional goals within our district.

I would appreciate your vote.

I'm Greg Lannan – a lifelong Fishers resident, and candidate for Hamilton Southeastern School Board.

As a proud 2009 graduate of Fishers High School, husband to Megan, also a Fishers High School graduate, and the dad of a future student, I am proud to be running for school board. This community has given me so much, and I look forward to being a voice and tireless advocate for students, parents and teachers alike.

I firmly believe that we can empower parental involvement, uplift our teachers so they feel inspired to give our children the best education every day, and run our district in a fiscally responsible manner.

I'm the only candidate that has walked the halls of these schools as a student and can give insight on how to best address several issues, particularly student mental health.

I have worked with state and local elected officials for over a decade and can be an effective advocate at the statehouse next year as property taxes and school funding are addressed. I would appreciate your vote this November!

Joel Levi

Democrat for State Senate District 20

Joel was born and raised in Anderson, Indiana. He attended Anderson University where he met his wife Megan. After getting married they lived in Nashville, Tennessee from 2013-2020. Robby Slaughter

Independent for Fifth Congressional District

To earn a spot on your ballot this November as an independent candidate, I spent a year traveling our district and collected over 6,000 signatures. I also met nearly everyone else in this section of the paper who is running for office. I believe they are good people. But as the old saying goes, "A bad system will defeat a good person every time." We all know that our current system--one of political parties and special interests--is no longer helping our country. Polarization, extremism, and the wealthy donors behind them are in control instead of everyday Americans.

The biggest problem we face in our country is not education, it's not the border crisis, it's not the economy or injustice. It's that we, the people, no longer trust our politicians. Without trust, nothing is possible. And the only way to earn trust again is for politicians to give up power through term limits, through radical financial transparency, and by actually spending time with voters regardless of their political party. My goal is to earn your trust. Have questions? Want to help? Call me at 317-670-4563.

Victoria Spartz

Republican for Fifth Congressional District

Victoria is a natural leader who has a proven track record in the business world, civic organizations and the public sector.

In many ways, she embodies the American Dream: born overseas, immigrating to the United States over 20 years ago after meeting her husband, a born and raised Hoosier, on a train in Europe, becoming a US Citizen, and working her way up from bank teller to a CPA, finance executive and successful business owner.

Growing up in socialist-controlled Ukraine, she experienced firsthand the dark side of socialism. Living through this molded her conservative political philosophy: limited government is always better, and financial and healthcare decisions should be made by individuals in the free market, not bureaucrats and special interests.

In 2020, she was elected to Congress from Indiana's 5th District. Re-elected in 2022. In an era of politicians with sound bites, Congresswoman Spartz is a policy leader who is already make a legislative difference even in her first two terms - 12 bills signed into law and many policies developed from scratch.

Stephanie Jo Yocum

Democrat for State Representative District 88

I love Indiana and all my fellow Hoosiers who call Indiana home. I was born and raised here. I have watched firsthand as extreme policies have emerged from the Statehouse causing Hoosiers to face many unfortunate challenges.

As Indiana State Representative for District 88, I will work to make Indiana a place where people choose to live, businesses operate, and all thrive. My priorities include ensuring public school funding, educator empowerment, and preschool access. I will fight to protect workers' voices, rights, and safety. I will work to raise the minimum wage and support small businesses, creating economic prosperity for all. It is imperative that we restore reproductive freedom in Indiana. No one should be victimized because of a broken system.

My experience and passion will enable and guide me as State Representative. I am an established public servant with 20 years leading large healthcare and education non-profits. My commitment to service began in AmeriCorps managing programs for diverse groups of students. My commitment continues in my career and as a volunteer. I am an advocate for cancer research and supporter of local organizations. I serve as Chair of Serve Indiana, our state's governor-appointed commission on volunteerism and service.
