Township Board

Jim Ake

Republican for Westfield Washington Township Board

For 2 1/2 decades I have lived and served Westfield Washington Township. I bring extensive experience in business leadership, fiscal oversight, civic service and community collaboration. My record includes helping deliver major public projects, strengthening essential services, reducing taxes, preserving land, and building partnerships that have improved our quality of life. I enjoyed successful careers in Corporate America and retired early. I decided to purchase a tax franchise that was failing and grew it to 3 locations and the top performing unit. At the same time, I served our community and personally raised funds of over $1 Million for our schools, boy scouts, playhouse and fire department. I served 2 terms on Westfield City Council as President and VP. Grand Park, Event Center, Grand Junction Plaza, the High School Football Stadium, and the new downtown Playhouse were constructed. Woodwind Golf Course was in jeopardy of closing. Bringing a plan and all parties together resulted in saving the course. For these and other reasons I was awarded the Legacy Award for a Lifetime of Achievement by the Westfield Chamber of Commerce. Please allow me the privilege of serving you again. Vote for proven leadership and results. Vote Jim Ake

Erica Strahm

Republican for Westfield Washington Township Board

I'm an Indiana University graduate with professional experience in sales, marketing and management, education, and public policy and health, and I've called Westfield Washington Township home for nearly 30 years. My passion for volunteerism, outreach, and community involvement, combined with my love of civics, politics, and our nation's rich history, inspired me to seek election to the WWT Board in 2018 and re-election in 2022 and 2026. I work for a nonprofit focused on tobacco prevention and cessation where I primarily work with schools and teens.

As a current Westfield Washington Township Board Member, I bring experience with two building projects, negotiating fire service contracts, township assistance funding, park operations and management, and land acquisition. I support continued funding for fire service and township assistance, making our newly acquired McCullough Park a peaceful place that serves WWT residents and neighboring homeowners, and continued fiscal accountability and transparency. Our board meetings are always open to the public.

I'm heavily involved in Westfield Football and the Westfield Shamrocks Rugby Club as a parent volunteer. I also serve as a Westfield Precinct Committeeperson. However, my favorite role and greatest blessing is being a mom to four amazing children, Will, Lucy, Sam, and Charlie.

Joe Arrowood

Republican for Noblesville Township Board

It has been a great privilege and honor serving on the Noblesville Township Board for the past several years. I have spent most of my life serving the Noblesville Community: 22 years as the Executive Director of the Noblesville Boys & Girls Club, several years as Noblesville Main Street Director, and President of the Noblesville Lions and Kiwanis Club. I am currently serving as the President of the Township Board.

This board is a vital organization in our community, and I have had the opportunity to serve under two outstanding Township Trustees. Both of these individuals were dedicated to their responsibilities as the township expanded under their leadership. One of these expansions that the Township has begun is a renovation for interior office spaces that will make the building more accessible, private, and ultimately safer.

One of my goals as a Township Board Member is to continue to provide those standards for accessibility.

I would certainly love the opportunity to continue to serve the Township Board and be able to give back to the community that I have had the privilege to call home for the majority of my life.

Peggy R. Pfister

Republican for Noblesville Township Board

I am seeking reelection to the Noblesville Township Board because I care deeply about this community and the people who live here.

I have served for many years in Hamilton County government, including two terms as County Assessor. I have served on the Noblesville Township Board since 2011, and I believe experience matters. It helps me understand the needs of residents, ask good questions, and make careful decisions with taxpayer dollars. I have also supported scholarships for low-income Noblesville High School students and rent and utility relief for local families.

Moving forward, I am dedicated to improving mental health programs and supporting affordable housing in our community. I am an avid supporter of the Forest Park Aquatic Center and local Youth Assistance programs. I have been involved with Good Samaritan, Hamilton County Republican Women, and the Noblesville Chamber of Commerce.

I believe township government works best when it stays close to the people and makes it easier for neighbors to get help when they need it. I want voters to know this: I truly care, and I will continue working hard for the residents of Noblesville Township.

Susan Davis

Republican for Fall Creek Township Board

For over 25 years, my family and I have called Fall Creek Township our home. After graduating from Ball State and working in the private sector, I devoted my time to raising our twins and volunteering extensively in our local schools and community. My husband and I are blessed to remain close to our children and their growing families.

In recent years, I've become deeply involved in preserving Republican values in Fishers and Hamilton County. I have knocked on doors, worked at polling locations, and helped organize others to help get good, conservative leaders elected to local positions. I was also honored to be elected as a delegate to the Republican Party Convention. After a sitting board member stepped down due to health reasons, I was selected by precinct committeemen to serve out his term on the Fall Creek Township Board. As the only incumbent running, I'm committed to continuing my service to our township.

I would be grateful for your vote to keep Fall Creek Township in conservative hands alongside Trustee Doug Allman.

Mary Sue Rowland

Republican for Noblesville Township Board

• Mayor City of Noblesville, 1988 – 1996

• 12 years Council Member at Large for City of Noblesville

• 4 years Board Member Noblesville Township

Born and raised in Noblesville with 24 years of experience in building great communities and servicing the people. My experience will serve the City and Township in a positive way by sharing the successes of the Township in helping people in crisis. I support working with the State Legislature to modify their plan to close all Township offices in the near future. Townships were formed in 1823 as the first formal government center. A more thoughtful and knowledgeable approach is necessary to bring change to such an important support directly to people and the investment in Noblesville and the Township. The most important function for Noblesville Township is providing Fire protection and EMS services to all of Noblesville Township. The budget is the lowest of all governments with the least amount of personal providing a wide variety of necessary services.

Bethann Buddenbaum

Democrat for Delaware Township Board

I'm Bethann Buddenbaum, a longtime Fishers resident, community volunteer, mom, and candidate for Delaware Township Board. I've called this community home for nearly 20 years. Over that time, I've tried to find ways to show up, pitch in, and make it a little better.

Professionally, I've spent my career in communications, marketing, technology, and customer experience. Much of my work has been about bringing people together, asking good questions, solving complicated problems, and making sure resources are being used wisely.

Community service has always been important to me. I've served as an HOA Board President, President of Families with Children from China, a nonprofit board member, a City of Fishers Community Ambassador, and a volunteer with local organizations and campaigns.

I'm running for Township Board because local government is critical.Township government helps neighbors when they need it most and makes decisions about how our tax dollars are spent.

I believe residents deserve transparency, responsible financial oversight, and a government that communicates clearly and listens. Most of all, I want to help make sure Delaware Township continues to serve our increasingly diverse community well, today and for the future.

Jeff Roberts

Republican for Jackson Township Board

I am running for a seat on the Jackson Township Board. I have passion for public service and giving back to our community. My wife Beth and I have lived in Rural Jackson Township for over 26 years. I recently retired and since retiring, I want to spend more time serving the community I love.

I have previous experience as a member of the Jackson Township Board. Roughly 85% of the Township Budget is spent on Fire and EMS. I have over 28 years of professional fire department knowledge that would be of benefit to the Township. One of the important goals for the future includes increasing emergency service staffing.

I have learned: the budgeting process, the importance of seeking and applying for grants to supplement the budget, building relationships with local organizations to improve support for our community, and negotiating to provide the best outcome for the Township.

Competent servants are needed to carry us into that future. I have been behind the scenes learning the ropes of local government while pressing for higher standards for my community.

I seek your vote to continue my efforts in the next term. Thank you.

I am a husband, father, and proud community member. I believe in hard work, respect, and doing what's right for local families. As a hands-on problem solver, I am committed to bringing honest, transparent, common-sense leadership and strong community to our local Jackson Township government.

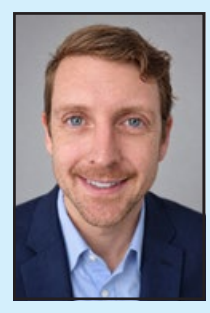

Through local out-reach on Facebook and public polls, I intend to let the people of the township help make my decisions on the board.

There has been rampant township government spending, in my opinion, recently and I intend to do what I can to reduce the burden on the tax payers with smart financial plans and budget approvals.

Michael Needham

Democrat for Clay Township Board

Michael Needham is a Carmel resident and an executive leader in technology and communication. He is running for the Clay Township Board. He believes local government reaches its fullest potential when helping people live their best lives.

For more than 15 years, Michael has led teams that turn raw financial data into clear, accurate, easy-to-use information. The work has taught him to ask the right questions, listen closely, and make smart decisions. With a background in financial technology and journalism, he can understand a budget and explain it clearly.

Michael has served on nonprofit boards and planning committees, led major fundraising efforts, and worked with civic leaders and local partners to organize community events.

He's running to bring oversight and common sense to township government: protecting taxpayer dollars, insisting on open communication, and ensuring services are responsive, fair, and delivered with dignity in mind.

His priorities are access, accountability, and stewardship. He'll push for monthly public board meetings, clear assistance rules, and spending reports residents can understand. He also wants to protect the township from dissolution and keep the resources it provides.

Michael's approach is simple: be accessible, do your homework, work with people in good faith, and follow through.

Robbie Ping

Independent for White River Township Board

I have called White River Township home for 40 years, and I am now raising my six children in the same community that has shaped my life. My longstanding connection to the township is a central reason I have chosen to run for the White River Township Board.

I am running with a commitment to responsible growth, strong public safety, modern government, and preserving our community's rural character. I believe local government should be transparent, accountable, and responsive to the people it serves.

As a skilled trades specialist, I understand the value of hard work, practical problem-solving, and taking responsibility for getting the job done right. I hope to bring those principles to township government by encouraging fresh ideas, improving communication with residents, and modernizing outdated processes while respecting the township's history and traditions.

My priorities include supporting the White River Township Fire Department, maintaining and improving community facilities such as playgrounds and ball fields, increasing public access to township information, and ensuring township services remain accessible and equitable for residents who need assistance.

To me, responsible growth means more than development. It means maintaining a community where families feel safe, children have places to play and make memories, neighbors

Township Trustees

Jeff Bledsoe

Democrat for Westfield Washington Township Trustee

I have lived in Westfield for the last seven years. I have spent my career in logistics and technology, managing efficiency, controlling costs and building teams. I spent a decade working up through the ranks at UPS, optimizing manual and semi-automated processes and building the teams to run them. For the last three years, I have been working at startups, building systems and processes while wearing many hats, including serving as CTO. I am currently pursuing my MBA at the IU Kelley School of Business.

I am running to be the Westfield Washington Township Trustee because I believe the township deserves representation that shows up for the community. I will do that by making township processes more accessible and transparent. That means keeping residents informed about issues affecting the township and the resources available to them, and building partnerships with organizations that benefit residents. I am not interested in meeting minimum standards. I want to build better ways to deliver for you.

Jamie Goetz Mills

Republican for Westfield Washington Township Trustee

Jamie Goetz Mills has called Westfield home for more than 18 years and serves as Westfield Washington Township Trustee. She brings more than 30 years of business strategy and executive leadership experience to public service.

Experience, relationships and results matter in local government.

As Trustee, Jamie has focused on serving residents, responsible stewardship of taxpayer resources and planning for Westfield's future. She moved the long-awaited modernization of Township-owned Fire Station 82 forward, strengthened Township Assistance and built relationships with more than 20 community partners.

Most recently, Jamie led strategic planning efforts resulting in the acquisition of 73 acres for McCullough Park using Township cash reserves. Adjacent to MacGregor Park, the properties create more than 170 acres dedicated to nature, preservation, conservation and education for generations to come.

Jamie believes local government requires more than good ideas. It requires understanding how government works, building trusted relationships across agencies and organizations, listening to those closest to an issue and having the experience to turn plans into results.

As President of the Hamilton County Trustee Association, Jamie's relationships extend throughout Hamilton County. She is seeking reelection to build on this progress with experienced, collaborative leadership focused on Westfield Washington Township's future.

Kat Wilson

Democrat for White River Township Trustee

As a woman, mother, and simple human, I care deeply about the future we are building together.

My professional path has never been about titles — it has been about learning, providing for my loved ones and service. I have managed a local café, worked in a print factory, coordinated events and taught preschool. Each of these roles has shaped how I lead: with patience, creativity, accountability, and a deep respect for people from all walks of life. From balancing budgets and leading teams to nurturing young children, I understand both the practical and human sides of community leadership.

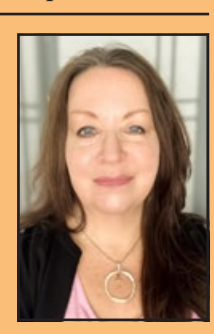

I am running for Trustee because I believe in transparency — not just in how decisions are made, but in helping residents understand what resources and opportunities are available to them. Township government should be accessible, clear, and responsive. I want to create more avenues of support so families know where to turn and feel confident that their local government is working for them.

As an environmentalist, I am committed to keeping White River Township grounded in its agricultural roots and responsible environmental practices. Protecting our land, water, and rural character is essential — not only for us, but for our children.

Robyn Cook

As Trustee, Robyn's priorities include strong public safety, accessible township assistance, responsible use of taxpayer dollars and preparing for growth in northern Hamilton County. She has built strong relationships with local officials, county leaders, first responders and area organizations. With important projects underway, she believes experience, continuity and those relationships are especially important as the township moves forward. She sees Cicero, Arcadia, Atlanta and rural Jackson Township as one connected community: Three Towns. One Community.

Robyn and her husband, Jai, have four daughters and three grandchildren. Faith and family are at the center of their lives. Robyn genuinely loves serving the community she calls home and considers it a privilege to serve as Jackson Township Trustee.

Cody Perry

Independent for Jackson Township Trustee

I'm Cody Perry, a husband, father, small business owner, and lifelong resident of Jackson Township. I'm proud to have spent most of my life here and plan to remain for the rest of it. I'm running for Township Trustee because I believe the office can do more to serve our neighbors.

My priorities are clear. I will expand public office hours to 40 hours a week and increase visibility by tabling at local events so every resident knows the Trustee's most important duty: providing emergency assistance (poor relief) with rent, utilities, food, and other basic needs. Too many people still don't know this help exists. I will work to remove the barriers of accessibility and visibility so the office is known and approachable to everyone.

On the public safety side, I will make fiscally conservative decisions that put the needs of our emergency services first. We face important challenges ahead, including hiring firefighters in a way that avoids property tax increases, and replacing our fire engine and ambulance. Careful stewardship of taxpayer dollars and township assets will guide every decision.

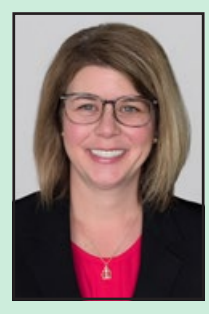

I ask for your support so we can keep Jackson Township strong, responsive, and prepared, for the years ahead.

Judicial

Danica L. Eyler

Republican for Superior Court 8 Judge

Experience matters and I believe I have the most relevant experience of the candidates related to starting a brand-new Court. As our population grows, Court 8 needs a solid foundation so that it can serve our community well today and into the future.

At around 9 years old I decided that I wanted to be a lawyer 9. After that, I worked hard to do so. I obtained by B.S. from the Kelley School of Business in Business Management and my legal education at the IU McKinney School of Law.

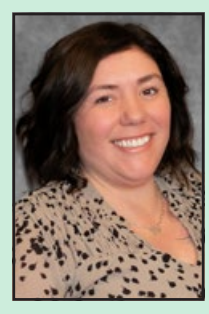

I have almost 22 years of legal and nearly a year of judicial experience. The last 7 years of my legal practice I primarily served Hamilton County residents in Hamilton County Courts, doing family law, estate planning, probate and corporate counsel type work for local businesses.

Court 8 will hear a variety of cases, and I have handled those in private practice and now on the bench. As an adult, I have lived in Carmel, Noblesville and now Westfield so I share the values of this community and have the proper experience to make Court 8 a place where fairness, efficiency and justice can be found.

Connect with Eyler on Facebook and at DanicaEylerForJudge.com.

Emily Angel Shaw

Democrat for Superior Court 8 Judge

Hamilton County Superior Court 8 needs a solid foundation and a judge prepared to lead from day one. Court 8 will hear criminal, civil, and family law cases. Throughout my career, I have handled a wide variety of legal cases across central Indiana, advocated for children as a Guardian ad Litem and CASA, and managed multidisciplinary teams of professionals including lawyers and social workers. This broad legal and leadership experience, along with careful preparation and a commitment to treating every person with dignity, makes me the most qualified candidate.

Judicial decisions can profoundly affect families and public safety, and I would approach each case with the same care and resolve I have brought to advocating for children and representing my clients. As judge, I would listen carefully, explain decisions clearly, and recognize when compassion is appropriate. Whether addressing family conflict or criminal conduct, I would apply the law fairly, promote accountability, and safeguard constitutional rights.

My unique perspective has been shaped by my working class background, a legal career dedicated to public service, and the joys and challenges of being a full-time working mother of three. I will serve Hamilton County with independence, accountability, and an unwavering commitment to justice.

Chris Evans

Republican for Superior Court 3 Judge

My name is Chris Evans, and I am running for Judge of Hamilton Superior Court #3. I was appointed by the elected judges as a Magistrate Judge in 2024 and have served in that role now for over two years.

As a Magistrate Judge, I currently handle all types of cases that are assigned to Superior Court #3, including criminal, civil, probate, and family law matters. I have experience presiding over both bench and jury trials.

Prior to my appointment as a Magistrate Judge, I was in private practice for approximately fifteen years where I handled a variety of civil and criminal matters and gained experience in operating a small business.

School Board

Faiza Maqsood

Candidate for HSE School Board, District 1

I've seen firsthand how strong public schools shape not only our children's future, but the future of our entire community. My family and I have lived in Fishers for the past two decades. I have two daughters and a son. All three of my children graduated from HSE Schools. I give credit to HSE's outstanding teachers for helping foster their love of learning, curiosity, and growth. I believe our shared future depends on thriving public schools—with strong students, empowered educators, and leadership that is transparent, accountable, and free from hidden agendas. Taking care of our school district budget means being very careful with our spending. Every single dollar must be used to help our students learn, grow, and succeed.

Professionally, I have 15 years of experience as a healthcare operations and system leader. At my day job, I lead different teams as we collaborate to solve big problems, manage our budget, and make sure important projects run smoothly. I also hold an MBA in Healthcare Management and a Bachelor's degree in Business Management, both of which have prepared me to manage large-scale budgets.I am ready to bring my business skills and experience to the HSE School Board.

Greg Wright

Republican for HSE School Board, District 1

My wife, Charron, and I have been proud to call Fishers home for 27 years. For the past 19 years, we have lived in Wayne Township, where we built our home and raised our three children – Conner, Logan, and Morgan.

Our family has grown up with Hamilton Southeastern Schools. All three of our children started in HSE kindergarten and have gone through HSE from elementary school to graduation. Through those years, Charron and I have been much more than spectators. Charron has served as a PTO President and Varsity Club President, and for the past 18 years I have had the privilege of volunteering alongside her. I have also served as a mentor and lacrosse coach, giving me the opportunity to work directly with HSE students and families.

I am a dentist and the owner of my own dental practice. Running a small business has given me firsthand experience with leadership, managing people and resources, accountability, and making thoughtful decisions that affect others.

HSE has given our children a strong foundation for whatever comes next. I'm running for School Board because I believe in giving back to the community that has given our family so much.

Josh Perry

Candidate for HSE School Board, District 2

I'm a lifelong Fishers resident, father, and graduate of Hamilton Southeastern Schools. I have two kids at Harrison Parkway Elementary and one on the way. I am running to ensure that my kids and future generations have the same great education that I received. I earned an education degree from Purdue and spent time in the classroom after graduation, including working in special education for Carmel Clay Schools before pursuing what I believed would be a temporary position in insurance. Currently, I am the Commercial Underwriting Manager at Indiana Farm Bureau Insurance where I manage a large and diverse team. My goal is to bring steady and balanced, nonpartisan leadership to the board. I will focus on the big picture, avoid political grandstanding, and promote the professional reputation that our district deserves. Fiscal responsibility will always be top of mind. I want to keep the board out of the spotlight and focus on our students and teachers. I believe teacher retention is critical to the success of our district. The board should foster a welcoming culture where teachers are proud to work and empowered as trusted professionals. I'm ready to put in the hard work that our schools deserve.

I want to preserve our world-class farmland and improve the quality of White River and through wetland expansion, which will reduce flood risks.

Economically, I will seek solutions to the disaster of SEA-1 -2025, which has harmed our public services everywhere. Hamilton County needs an advocate from a non-politician-I am that.

Nobody likes paying higher property taxes, myself included. This current term in office has been challenging dealing with dramatic changes in property values in recent years. The work can be difficult and contentious at times because assessments directly affect property tax bills, but I enjoy meeting with people and helping taxpayers understand the assessment process. Kirsten Root

Democrat for Indiana Senate District 21

I am a lifelong Hoosier, Sheridan resident, and social worker. I've spent my career supporting families through some of the hardest days of their lives. As a family case manager with Indiana DCS in Hamilton County, I saw firsthand what happens when families can't get the help they need. My work with the Westfield Fire Department, as a social work intern, and in community healthcare has shown me how much we can accomplish when we invest in people before they're in crisis.

I'm running for State Senate because hardworking Hoosiers do everything right and still struggle to get ahead. Many families barely get by on two incomes, let alone one. We have families who can't afford healthcare, teachers buying their own classroom supplies, and communities being asked to do more with less.

I've knocked on thousands of doors across our district, and I've heard the same thing over and over: People want a government that actually works for them.

I'm running because I love our communities, I know what they're capable of, and I believe the people making decisions at the Statehouse should understand what those decisions mean for families back home.

She understands the impact of rising costs, insurance barriers, and workforce shortages, and is committed to practical, informed solutions that strengthen Indiana's healthcare system.

Dr. Albright believes effective leadership requires listening, collaboration, and steady judgment. Kerry Forestal

Democrat for Indiana Senate District 31

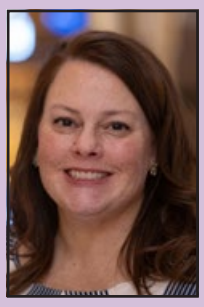

Experience Matters. I rose through the ranks of the Marion County sheriffs department to become Chief Deputy the number two position with 25 years experience. I was then appointed as the United States Marshal for the southern District of Indiana by President Barack Obama overseeing 60 of 92 counties I returned to the sheriff's office in 2018 and was elected and reelected in 2022 as Marion County Sheriff. The skills you develop working in those positions allow you to collaborate to be a successful Senator for the state of Indiana representing 130,000 people in district 31 Lawrence, Geist and Fisher. I will work to make Indiana the strongest state when dealing with violent repeat offenders, and sex offenders. I will work across the aisle to reduce the cost of medical care. I will take action to reduce the cost of childcare for those who want to stay in the work place or a tax credit for those who prefer to raise children at home. Our schools should be fully funded with well paid teachers and the safest in the nation.

Kristina Moorhead

Democrat for Indiana Senate District 29

I'm a proud Hoosier, born and raised on the east side of Indianapolis and in New Palestine, shaped by parents who instilled in me the enduring values of community, hard work, and showing up when it matters most. Those lessons didn't just guide my upbringing—they've defined my life. Today, as a wife and mom of three living in Carmel, I carry them forward.

Throughout my career, I have done more than talk about solutions — I've built them. For more than 20 years, I've dedicated my career to standing up for patients—not just in Indiana, but across the country—working to ensure people get the care they deserve. I've shaped health policy in 23 states — as a Deputy Director for Indiana Medicaid, with AARP, in the private sector, and as a consultant — giving me a clear view of what works, what doesn't, and how decisions at the Statehouse affect families.

I'm running for State Senate to bring common sense, compassion, and real-world experience to the decisions that shape our future. Indiana deserves leaders who know this state, love it, and are ready to do the work—and I'd be honored to earn your trust and your vote.

Devon Wellington

Democrat for Indiana House District 29

Devon Wellington is a Noblesville parent, small business owner, and neighbor who chose this community on purpose, for its schools and the kind of place she wanted to raise her kids.

Like a lot of families here, Devon has felt the gap between what elected officials say and what actually shows up in people's lives: school funding that sends public dollars to private schools with no obligation to serve every child; property tax relief that mostly helps commercial landlords; utility bills that climb while the companies collecting our money write the rules.

Devon brings something unique to Noblesville and Fishers: a career spent inside these systems. She interned inside the U.S. Department of Education's Office of Special Education Programs, went on to work in education policy at the district, state, and federal levels, and today helps district and states fix the damage that bad legislation leaves behind. She holds a Master's degree in Applied Developmental Psychology. She knows how to read a bill and tell you who it actually serves.

Devon is running because these problems are solvable. District 29 deserves a representative who knows how to listen and do the work that turns constituent problems into lasting policy.

Greg Ballard

Independent (Lincoln Party Banner) for Secretary of State

After 23 years as a Marine, serving in war and peace, Greg Ballard returned home to Indianapolis after achieving the rank of Lt. Colonel with his wife Winnie to build a career in the private sector and raise their family.

When he saw his city struggling, he stepped up to run for mayor.

He did so despite not having any money or political connections. He wasn't part of the establishment. He just believed Indiana's capital city could do better.

After pulling off an upset victory, he focused on results – navigating the Great Recession while balancing the budget, saving taxpayers and ratepayers hundreds of millions of dollars, bringing the Super Bowl to Indiana, and forging practical partnerships across party lines.

He ran as a Republican but governed for everyone. He stepped aside after eight years in office, becoming a visiting fellow at the University of Indianapolis to help inspire future leaders. Now, he's an independent focused on governing for people – not political parties.

Beau Bayh

Democrat for Secretary of State

Beau Bayh is a seventh-generation Hoosier who was raised in a family of public servants. He believes public service means actually serving the public – not your political party, and certainly not yourself.

For Beau, that meant joining the United States Marine Corps. He was sworn in at the Indiana War Memorial in Indianapolis. In the Marines, Beau served as an Infantry Officer, where he rose to the rank of Captain and graduated from the Scout Sniper Unit Leader's Course. His military service took him around the world, including to Europe in support of America's response to the Russian invasion of Ukraine.

Following his honorable discharge in 2023, Beau earned a law degree and practices as attorney in Indianapolis.

Throughout his career, Beau has been guided by the lessons he learned as a Marine: When facing tough fights, you run toward them, not away from them.

That's how he'll approach the job of Secretary of State. He'll immediately clean up the corruption and wasteful spending that has brought so much shame to that office – and he'll work with both parties to restore common sense to government.

Max Engling

Republican for Secretary of State

Max Engling is a Christian conservative, husband to Kelcey, and father of four. One of eight children, he learned the values of faith, hard work, and personal responsibility early in life. Today, his family lives in Cicero, Indiana.

His career spans small business, agriculture, and public service. On the House Administration Committee, he gained experience in election administration, congressional oversight, and public policy. He later served as a senior staff member in House leadership, helping advance conservative priorities.

Back in Indiana, Max worked at Beck's Hybrids, connecting policymakers with farmers, and served on U.S. Senator Jim Banks' staff, meeting with Hoosiers across the state.

As Secretary of State, Max will work to protect election integrity, ensure only eligible citizens vote, advocate for closed primaries, combat business fraud, and improve transparency. He is committed to cutting unnecessary red tape and building an office that serves citizens and businesses with integrity, accountability, and efficiency.

Max is running to protect Indiana's elections, support its businesses, and deliver the conservative leadership Hoosiers deserve.

She is running to restore trust in Indiana elections, protect voter privacy, and ensure the Secretary of State's office serves Hoosiers rather than political interests.

"I believe government should be efficient, fair, and focused on serving the people who fund it. The Indiana Secretary of State's office oversees elections, registers businesses, and maintains public records for seven million Hoosiers. It should do all three things well and not as a political prize, but as a public service."

Westfield Washington Schools

Shall Westfield Washington Schools increase property taxes paid to the school corporation for no more than eight (8) years for the purpose of funding educational and operational expenses due to reductions in property tax revenue through the Excellent Schools -> Excellent Community initiative including student safety by the addition of School Resource Officers in each school; maintaining small class sizes; advancing student health and well-being by adding school counselors, social workers, and mental health supports; advancing academic and essential programs to meet the educational needs of all students; and supporting and retaining teachers and staff by imposing a property tax rate that does not exceed $0.3941 and results in a maximum annual amount that does not exceed $38,000,000? If this operating referendum public question is approved by the voters, for a median residence of $450,000 the property's annual property tax bill would increase by $873 per year. The most recent operating referendum public question proposed by the school corporation was held in 2022 and passed.
